

OUR HEAVENLY FATHER

“I am your Heavenly Father.

I have requested *this little one* to speak My Words for you to hear, and also put Them into script for others to learn Facts and many other things that ordinarily you would not be in awareness of.

I hold her so tightly. She feels like she is not with you, but I tell her she is.

There are Thousands of Saints Here in the Heavens Who, every day of human time, They want to discuss with the minds of individuals to help them *better understand or comprehend or even notice* that there is, in many ways, the Fact, the Possibility, the Necessity, or the Reasonability that human life was designed to be more than a statue.

That is why, when a Saint dies, the Saint's body is concealed but a statue is revealed, to *remind* those present on what the individual looked like and the purpose the individual had: to walk in the world in a manner and way to aid those yet in the living state, to more fully understand that in the Creation, much was necessary, because it gave to the *Souls* of those in the physical state, a *Goal*. What more can I say? But, *this Goal is rarely seen as 'a Goal'*. In some ways, it is seen as reflection of imagination. *Why would We Saints bother then, if it was just imagination?*

As you were created a human being and you were taught the facts of human life, human living, and you were given so

many opportunities to follow what had been presented for you to see, to understand, and to use what you were like, for the reasons you were created, *based on Divine Love for the Souls of human lives. What more can We say?*

You were not created for nothing. You were not created for just a better existence to show who you were. NO. You were created for a Future to one day be called 'A SAINT'. Remember this.

I BESEECH YOU, REMEMBER THIS."
