OUR HEAVENLY FATHER

“I am your Heavenly Father.

There are many times I am where you are, because it is important that All of Us Here in the Heavens, when We are given the appointments, that is, to point Us out that We will be expected to partake in the creation of others like Ourselves, it is truly a Gift greater than one realizes, because when it is first spoken, the hearsay is a natural group of words, but when it truly occurs and The Heavenly Mother and The Heavenly Father partake in the time, the way, and the gender of what will be created, bearing a Soul and bearing the time to one day be called ‘a human being’.

This whole arrangement on human life, human living, was and is created to enlighten and encourage and instill into other human beings what a privilege it is to partake in helping human beings to be created, to one day be able to return to The Creator of All Things and be called ‘a Saint’. No more beautiful way could it be done.

I could speak hours on this subject, because, do not forget, every Soul in Heaven had a beginning. Every Soul in Heaven will one day return to The Creator, and if it was called ‘a Saint’ while It was still in the state of being known to be, it will be wonderful when the time comes and The Holy Trinity speaks and says to Them: ‘You have accomplished The Father’s

Will in an obedient manner and way. Now, as You live with The Father, You will be repaid for all You did mentally, physically and spiritually.’ Never think it won’t be a Beautiful Affair, because in the Creation of human life, it is a Sign that says you will one day return to from Where you came and be called ‘a Saint’. Remember this.”
