

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON APRIL 25, 1979 AT 7:55 P.M.

SAINT ATHANASIUS

“The woman through whom I speak is a woman in your time. She mentioned my name on this night, and I have been given the privilege to speak to you about some things you must recognize.

I am a Saint, as you must be one day, Here in the Divine. I am Saint Athanasius and I have spoken through this woman many times. The Light of Heaven shines through the Words, glows through the being, is extended through the love for all mankind.

Be aware that you live in a time of darkness, and yet that darkness you do not see, as many do not see the Light of this Great Miracle. When there is such darkness in the world The Father sends Light, always to counteract, to balance, to give hope, to give strength, to show purpose. As He did in times before, He does again. His Love is extended through human flesh, through a willingness to accept the sacrifice of life for other men.

There are many Saints Here in the Heavens. There are many men and women upon the earth who are destined to become Saints. The number is not limited, but to become a Saint says that you must accept your Faith in the manner it was given — unselfishly, lovingly, charitably, protectively, earnestly. Your Faith is your food for your Soul.

The Light shines. It glows. It is extended through a woman in the world. Stop playing games with God, my children, and recognize the needs of your own Soul. Do not blaspheme, do not desecrate, do not be sacrilegious in following wrong things, wrong thinkings, wrong men, wrong women. Do not scandalize other human beings by your acceptance of unholy things.

SAINT ATHANASIUS

I, Saint Athanasius, speak through a human voice, I speak through a human vein. It is now as it was before. The extension of The Father's Love is Hope for the whole world. So be it."
