

OUR HEAVENLY MOTHER

“The Words that were spoken before, that My Son was born in Light, through Light, with Light, was a fact. It was truth, difficult for many people to understand, but I, your Heavenly Mother say, ‘To understand the Supernatural Means and Manner of Divine Love would be impossible for man, but bear in mind that the Soundness of your Faith, the Beauty of your Faith in God, and your love for God, allows it to be unnecessary for you to understand all there is to know about Him, His Ways, His Reasons, and the Manner for which, in which He does things.’

The child will describe to you what she sees.”

Our Heavenly Mother is dressed in the green I have seen Her before. I would call it an emerald green. Her sash is a brilliant gold. The sandals on Her Feet, gold. There’s a swirl from the sash down, for Her gown appears to be layered on a slant, a drape you and I would call it.

The Crown on Her Head is gold and the emeralds are very deep, in green. The Crown covers Her Head to about here. The emeralds are cut in such a way that the Light hitting them from Her is making them very electric, very, very bright. The facets are shining.

Her Hair is about down to here. It appears to be almost a golden brown, but it’s very difficult to tell you the exactness of the color. Her Hair seems to be glowing.

There is a Light all around Her. The neck is not real high but it seems to drop a little here. The sleeve, it’s a long sleeve but it’s long, it’s open, but I see something in here. It’s like, it’s the same color as

the sleeve but it's close fitting in here, and yet the sleeve is about this long and it's doubled over.

And She's smiling and standing very, very still. The Light around Her is so bright that It burns my eyes.

"I speak with a tremendously deep Love for those who desire to do The Father's Will according to His Direction. The Vision this child has spoken of to you is a Vision of Absolute Truth. The Light that radiates from Me is the Light of Divine Grace.

All of the Lessons, all of the Teachings, all of the Directions sent forth to the world through this instrument for the benefit of mankind, must begin to be distributed so that mankind will better understand what God wants, so that all the atrocities, all the abominations, all the misconceptions, all the hate, all the ugliness, will soon come to a final time.

I speak slowly through this child for she is aware that I am not alone in this Vision. Her eyes are set upon two Angels who have entered, one on My right and one on My left. The Light that is shining forth from Them is hurting her eyes, burning them to the point where it is difficult for her.

The Angel on My right is the beloved Michael. The Angel on My left, the beloved Gabriel. She says, 'Ah, a third one just came.' I smile at this for she says, 'He carries a stick.' Raphael. My, what a beautiful Vision has been explained to you on this night. She will describe to you the Heavenly Beings."

Michael is different looking than most any statue I have ever seen. His shield and his sword are gleaming gold but so gold they appear white. His clothing seems to shimmer in the Light. Gabriel is the same way but he seems to have a long gold open-end — and he

holds it. He's smiling because I do not want to call it a horn. Raphael — the stick is gold, and he's smiling. His garment is white. I don't know, he seems taller than the others, Raphael, or, I don't know if he's standing up higher. Our Lady has not stopped smiling.

“Because of this Gift to you on this night, We leave you, My children, with a Special Light, a Light to remember, a Light of hope, a Light to guide you for the good of your Soul.

Be aware of what is right regarding the Faith you must treasure, the Faith in God's Will in full measure. Do not be afraid to stand up to what you know is right for your Soul and for the Souls of others. Sometimes a word said with kindness and love, but with strength in how you feel, gives another human being something to think about and something to feel, because you feel so strongly in what your Faith to them has revealed.

Be blessed by this Vision and with a Mother's Love, and be blessed with The Father's Will, that He sends through Me to you from Above. So be it.”
