

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON APRIL 22, 1992

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori. I speak openly through a woman in the world, and all the things that have been spoken are for the good of all the people in the world.

You must understand that when a child stands before you, you have responsibility, and this responsibility must be carried to the end, it must be fulfilled in every facet of that child’s life, for do not forget, you will stand before The Father and you will say, ‘I was responsible for this one, my Father, did I do it well?’ and He will say, ‘Did you do this, did you do that, is the child’s Soul safe in every way?’

You will be questioned, for do not forget, you are loved in many ways. The fact that you are a human being, the fact that He wants you to return to Him one day is a Love beyond human love, a Love that says, ‘Be with Me every moment of every day, for in this way you will never stray, and if you never stray I can expect your Soul to be with Me one day.’

As Saint Alphonsus Liguori, I have spoken many times through this Great Miracle in the world, and do not forget to go to The Heavenly Queen, The Mother Of All Purity, and say: Bless me today, oh Heavenly Mother. Bless all in our house, bless all our friends, and please be sure to keep all in a pure way; and if they decide to stray, go after them, Blessed Mother, and please walk with them their way. So be it.”

“He says to tell you that God understands everything you say. God understands your decisions and He always tries to draw you, in them, His Way.”

“**T**he woman through whom I speak, speaks openly in many ways, for We deliver much continuously and it almost always appears to be a human communication, a human form of love, but I, Saint Alphonsus Liguori, want you to know it is The Father’s Love that controls this Great Miracle that everything shows in, in such a human way. How else could you absorb What is spoken, how else could you understand, how else could you feel the Importance, if it were not Divinely Planned? So be it.”
