

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MAY 17, 1995 AT 3:53 P.M.

OUR HEAVENLY MOTHER

“I am your Heavenly Mother. I come today to speak to you about the neglect that is being shown toward The Beloved Saint Michael, and All Guardian Angels that walk with you and others every day of your life. So little is spoken about these Protectors of the Soul. So little is mentioned regarding Each One’s place for each human life in the world.

Children should begin to learn more regarding this Special Gift that is so silent, so protective, so courageous. A Guardian Angel is never seen by the child with whom It walks, but the Angel is forever present day and night, and never leaves the post.

We Here in the Heavens want children to know there is a Guardian such as this, and as the child grows the Angel grows, because you see, at the birth, the Angel’s presence is without a doubt watchful and constantly present.

Some men say, ‘This is myth, there is no such thing as an Angel.’ This is not true, for an Angel is a comfort in many ways to every individual. Sometimes an Angel has a way of giving hope and strength when the one with whom It is feels lost, feels hopeless, and feels the time is wasting away. An Angel is a Guardian in ways man cannot see. An Angel is a Protector. Do not forget that an Angel is closely associated with Me.

I give this Message with a Mother’s Love, and children should be reminded to be aware of that Special Gift that The Father gave from Above. So be it.”
