

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MARCH 7, 1996 AT 12:53 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“Man knows Me as Saint Joseph. I am associated as the Foster Father of The Son of God. This statement reveals more to mankind than mankind has seen it to be.

Stories of the past, through time, have changed because of translation and because of the differences in how mankind interpreted many things. Yes, in the eyes of mankind I am the Foster Father of The Son of God. I am also The Holy Spirit of The Father.

Logic would say to mankind, who else could be entrusted with the Protection of The Son of God and The Beloved Holy Mother of God, to give to the world a Personal Representation of Love, Sacrifice, and the Important Information that human life has a Soul, and that the Soul is the recipient of all that the individual does, and that the Soul is to be returned to God for All Eternity.

So much could not have been written, because mankind looks at the written word as positive fact, so all things that were written were to give substance, standard, reason, to the Importance of what was claimed to be The Holy Family, Representing All of what mankind should follow in Love, Protection, Sacrifice, and yes, family importance.

When The Father gave to the world this Sign of what the family stood for and what all families were to represent, He gave it because He was sure that this Representation of Purity, of Togetherness, would pass down through time, openly instructing mankind, openly designating to mankind, the importance of human bondage to each other, a husband, a wife, a family.

Today this manner of living, this unit of living is not being practiced in the manner in which it was intended to be. It is a great sadness to The Father to see so much devastation in family affairs, family unity. The enemy of God and man works continuously to destroy what the family should stand for, representative of the Gift of life, the continuation of life, the protection within a family, morally, physically, socially, spiritually.

The Father has given to the world an Open Sign. The Father has used a small child of an age understandable to mankind, to be able to present the Words, the Directions, because the age was an important factor in His Design. It bore stability, understanding, stature, and it represented the whole world of mankind in the state of the marriage state, because that is how We walked, so that mankind could see the dignity of the profession of unity.

Today throughout the world there are so many dysfunctional relationships, associations, men, women and children living in pretense, ignoring the value of human life, its purpose, what it represents, and the goal for which it is responsible: unity, sincerity, understanding, through working together for the Salvation of the Souls of all involved.

As We walked on the earth in Our time, We walked in Communion with Each Other, but also in Communion with all with whom We were associated. Our times historically were different than now, because Our times were essentially, basically different in so many areas of standards, workmanship, social meetings, and of course, in the work place.

I could speak volumes on this subject, too much to be given at a given time, but mankind must understand that this Miracle that bears My Name is a Gift of Divine Love from The Father, close to What Divine Love the Gift was when We walked the earth as a Family.

Family life today is the foundation of many excuses, many deliberate lies, indifferences, because so much is acceptable that is unacceptable to The Father's Will. Innocence is being betrayed, conscience is being set aside, humanism is evident everywhere and is being accepted as bonafide.

This Miracle must be passed throughout the world in spite of many who will reject It, many who will be jealous of It, many who will lie about It, because this Gift of The Father's Love is a Gift of Instruction, because of the Souls that are involved, that are being ignored as to Their Existence.

Mankind must understand that the Soul is a Portion of The Father, as I Am The Holy Spirit of Him. This Closeness is evident in the minds of mankind, in the very fact that mankind knows right over wrong, good over evil.

These Words must be passed to millions, because there is so much unnecessary, allowed diabolical intervention in what was proposed to be '*places of Holiness*' where mankind could find the means, the directions to Sanctity. So be it."
