

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 11, 1997 AT 2:13 P.M.

SAINT JOHN OF THE CROSS

I am Saint John Of The Cross. There is so much for mankind to learn about and to be able to practice in daily life, because of the Soul that mankind is the custodian of.

It is true mankind, for the most part, is well-read on many subjects, in many areas, but if a questionnaire was given, asking each individual what in their life took precedence over all other things, most of the answers would be shocking. Many would say, 'Financial security,' because so much of their thinking is based on what they can afford financially, what they want to have that only an exceptional amount of money could give them. Also, many would say, 'I say financial gain, because without it I would not have the care for my health.' It is an important part of human life today, to be able to pay for the services of those who are educated in the field of medicine.

We also hear many individuals, all ages, desiring to be more highly educated, whether it be to feel that education would be fulfilling or more financially profitable. Many pray for success. Each phase of success, or each type of success oftentimes involves being successful in the eyes of other people, or being financially successful to be able to have whatever an individual wants.

Ask yourself: When was the last time you heard an individual openly say, ***'I WANT TO BE A SAINT SO THAT I CAN WORK FOR GOD, HELPING OTHERS TO REACH FOR SAINTHOOD'?*** The number in this category is far, far, far less than any other category of success. Many men, women, and even children, sincerely feel that the greatest thing that can happen is to be extremely financially wealthy. If you were to ask them individually why this would be so important, you would find their answers many times very weak, selfish, or full of a desire to have power over others, control over others.

THE FATHER HAS GIVEN TO MANKIND SO MUCH FOR EACH HUMAN BEING TO BE WEALTHY, AND TO REACH THE GOAL FOR WHICH LIFE WAS CREATED; Wealth in a form, a condition, that supersedes all other avenues, means of being extremely wealthy.

The foundation for such wealth is obvious, because the foundation was given to a man a long time ago. His name was Moses. He was given the full meaning of what every human being should practice daily, basically, and utmost, of course, is for the benefit of every individual's Soul, ***BUT THROUGH THE OBEDIENCE OF THESE COMMANDMENTS, LIFE WOULD BE FULL OF JUSTICE, KINDNESS, HOPE, GOODNESS, LOVE, AND MANY OTHER GOALS THAT MANKIND INNATELY ENJOYS,*** and feels strong when he or she feels the strength of obedience, in their fullest degree, to The Father's Commandments.

Very little is being instructed, or structured around this Great Gift of Divine Love. ***EACH COMMANDMENT, IN ITS FULL DELIVERY TO MOSES, HAS SO MUCH IN-DEPTH LOVE, HOPE, REASON, AND GOAL FOR THE BENEFIT OF THE SOUL THAT IS GIVEN TO EVERY HUMAN BEING AT THE MOMENT OF CONCEPTION.***

Sometimes We hear those who are in the vocation of instructing others, use every topic that's comfortable to them, ignoring the foundation of what the Commandments of God to Moses really were, the foundation for all ages. It is sad when We hear them memorized in such a concise way. There was no need for this conciseness if you but look at the mentality The Father put into human life, the ability to memorize and to consciously express the meaning of the memorization, especially when it had so much good in it, responsibility of importance.

Mankind has cheated himself and herself in so many ways by not looking at the in-depth value and the full meaning of every Commandment The Father gave to Moses. Mankind automatically has the habit of cutting short names of other people, important subject matters that should be

spoken in detail, rather than making them easier for the other individual or individuals by ignoring major points, and just giving key words. ***THE SO-CALLED 'KEY WORDS' OF GOD'S COMMANDMENTS OMIT THEIR FULL MEANING, THUS OPENING MANY WRONG DOORS TO THE HABITS, THE MANNERS, THE KNOWLEDGE, THE ABILITIES, THE CONCERNS OF MANKIND OF ALL RACES, ALL COLORS, ALL CREEDS.***

The full concept of God's Commandments cover pages, but mankind, in ignoring the greatness of these Commandments, is ultimately ignoring God. ***THIS MUST CEASE. THE COMMANDMENTS OF GOD ARE TO BE HANDED THROUGHOUT THE WORLD IN THEIR FULLEST MEASURE OF MEANING, BECAUSE THESE COMMANDMENTS WERE NOT GIVEN FOR ONE RACE, ONE COLOR, ONE DEGREE OF INTELLIGENCE, BUT FOR ALL OF MANKIND, FOR ALL TIME, NOT JUST THE PERIOD OF TIME THAT THEY WERE FIRST DELIVERED. So be it.***
