

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JANUARY 6, 1998 AT 1:00 P.M.

“Mankind must be fully aware that at the time Christ walked the earth amongst men, women and children of all ages, all degrees of intelligence, everything He spoke, every Direction He gave was heard but never written word by word by those present. That is why The Father has given to mankind this Gift of His Divine Love, allowing mankind to write Word for Word All He desires mankind to learn about, to be aware of, and to recognize what a precious Gift human life is, and that in its creation it has a Goal that no other living thing has.

At the creation of mankind The Father instilled special qualities of understanding, of knowledge, regarding the fact that mankind was special in design, and had a Goal for his or her time in the way of human life. Without such a Goal mankind would have nothing to look forward to, and nothing to gain.

It is an important time in the history of human life that The Father is allowing mankind to be instructed in so many areas of importance, and then being allowed to have it recorded, so that at this time, and time to come, all of mankind can look at the records and see the closeness every human being has to The Creator Of All Things. So be it.”
