

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON MAY 29, 1998 AT 12:40 P.M.

SAINT MARGARET MARY ALACOQUE

“I am Saint Margaret Mary Alacoque. You walk and live in a time similar to the time that The Son of God walked as man amongst mankind, Speaking, Instructing and Directing others of all degrees of intellect, regarding the importance of what human life consisted of: a mental ability to learn, a physical to do many things with, but above all these too, ***mankind has a Soul that was the most Important Part of what man was given at the moment of conception.***

Though the Soul cannot be seen, the Soul is obviously felt in the intellect, in the sensitivity of justice over injustice, right over wrong, truth over untruth, balance over imbalance, Faith in The Father based on the logic of the creation of human life.

As I speak through a little one, the Words are Mine. The Father requested Them to be delivered for all time, for all who would come after this time to be taught, to be instructed, and to be able to understand that in the creation of man, The Father gave more than life; He gave a conscience, an intellect, and the ability to make decisions of purity over impurity, love over hate.

The world has been blessed by this Gift of His Divine Love, this time in which He allows so Many Here to Instruct men, women and children of all races, all colors, all creeds, on the Truths that mankind should be aware of, and should constantly use these Truths as the foundation, as the basis of how he or she accepts all other things.

Mankind chooses to live in groups. Not too many favor living alone. This is the basis that God instills into mankind, because through this need, mankind must understand, that as a Soul is

placed at the moment of conception, it is the first step to mankind wanting to not be alone.

It is sad when We see individuals make excuses against such Truths. Today as I speak, I speak with The Father's Will that these Words will pass throughout the world, encouraging human life to face the reality that man was not born to be alone. This applies to the time one is living, but do not forget, ***man should understand it to also apply to the time when life as man knows it to be changes into Another Life Greater, promised by The Father, and this Life is for All Eternity.*** So be it.”
