

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON JUNE 16, 1999 AT 1:01 P.M.

“Many times when an individual becomes a victim of another person’s scandal, lies, or physical abuse, the victim suffers intensely, but few if any, understand what the individual is going through. This is a human hurt and difficult to endure.

As I speak to you today, I want you to fully understand that as you are a creation of God Himself, each thing you do that is, in any way, abusive to one of the Commandments He gave, it affects Him in a very ugly way. The sadness He feels, no human being can fully understand, because in His Love for human life, The Father created man with a Portion of Himself that, for every act, every word, is responsible, and will account for it when the human life ends.

I hear some say, ‘This is difficult for me to understand. How can The Creator feel such pain because of the sins of one of His creations, who automatically is thought to have weaknesses, and free choice that is not always made in the proper manner, for the proper reason’; of course, ignoring totally the Commandments. We even hear excuses that the Commandments are so concise that they do not cover many issues in which so Many Saints speak about, through this Gift of Divine Love, a Miracle bearing the Name of The Beloved Saint Joseph.

Today as I speak, My Words are given because of the importance of human life, and the Purpose for which it was created. So much has been delivered to awaken mankind, to alert mankind, to instruct mankind on the Precious Gift human life is, and that it must be protected against the enemy.

So Many have spoken verbally through one voice, requesting the Important Messages to be written, so that millions of men, women and children would learn and more fully understand what a Precious Gift human life is.

JUNE 16, 1999 AT 1:01 P.M.

As I speak to you on this day, I speak with concern, because at this moment there are many sins being practiced throughout the world, sins that violate the purity of the Souls who are the victims of the individuals' uncaring attitude, understanding, beliefs.

This Gift of Divine Love, bearing the Name of a very Important Portion of The Creator, pleads with mankind to more fully understand that human life has more gifts than any other living matter or thing: the mind, the physical abilities, the conscience, and the understanding of knowing purity over impurity, love over hate.

My Words could be endless, but I plead with you, use your time to spread the Words of So Many Saints, because as Each One has delivered an Important Message, there will be some individual or individuals who, in responding to What is spoken, will become Great Saints. So be it.”
