

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON AUGUST 10, 1999 AT 1:05 P.M.

## SAINT MARGARET MARY ALACOQUE

**I** am Saint Margaret Mary Alacoque. It is important that the whole world be alerted to this Great Gift of Divine Love that The Father has so generously put into writing, so All He Desires for mankind to know is not limited to one mentality, one background, one age.

**A** Blessing of this Nature, this Purpose, should never be doubted, because of the Importance of What is spoken, not just to encourage men, women and children to more fully understand the True Existence of a Divine Creator, but to obey the Rules that were given so that the guidelines for human behavior could never be questioned. These guidelines are for a Future Life, a Life to return to The Creator for an endless period of time called Eternity.

***So Many of Us speak through one voice. We hear some say, 'Why one voice?' This question can be answered easily: One voice allows for no confusion. One place delivering the Words from the voice place security that is needed on a Gift of This Divine Nature, Divine Love, Divine Blessing.***

**T**hroughout the world there are very, very, very, very few individuals who are capable of seeing the importance for which human life was designed and, of course, the Goal for which it was designed is beyond human understanding, for the most part. The Gift of Faith, in believing in a Divine Creator, not questioning the logic of an Entity of this Power, gives to an individual human being the strength to more fully understand so many Gifts of Divine Love that have been allowed over a lengthy period of time.

**O**ne sad note is that so many individual men, women and children tend to shorten Powerful Words of Instruction in which the Beloved Gift of Divine Love, the Commandments, have been brought down to. ***In their full***

***length, each Commandment explains fully a particular Purpose for It, the Importance of It for the Goal of the Soul of every human being.***

**T**oday as I speak, there are several Saints surrounding me, All pleading with The Father because of the Words that have passed through this Gift for such a long time, this Gift bearing the Name of The Beloved Holy Spirit of The Father; the human name, of course, easy for many to relate to, is and was, Saint Joseph.

**S**o many times when a favor is given to an individual they feel the responsibility of saying 'Thank you'. I remind you all, who will read these Words, to thank The Father for giving you the Gift of human life, because it is the only Gift of life that bears a Portion of Him, called the Soul.

**A**s I leave you, All of Us raise Our Hand in a Blessing and say, ***'Remember, God is always with you.'*** So be it."
