

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON AUGUST 26, 1999 AT 2:26 P.M.

OUR HEAVENLY MOTHER

“I am your Heavenly Mother. So Many Saints request to speak through this little instrument who receives All of Us immediately on Our Approach to her manner of living.

So many men, women and children throughout the world take lightly their communication with The Beloved Father, The Beloved Son. It is important that this Gift of The Father’s Love, bearing the Name of The Beloved Saint Joseph, be heard throughout the world because as it has been said, ‘He is The Holy Spirit of The Creator.’

Today, as We All speak at different times, not all of Our Words are put into script, because it would be too much for mankind to be able to cope with. There are so Many Here in the Heavens Who, in requesting permission to speak Words of Direction to those who will read the Words and hopefully pass Them on, so that many, many other men, women and children will become aware of the constant, consistent closeness that they have with The Creator, with The Beloved Holy Mother, and of course, All of the Saints Here.

We oftentimes hear someone ask, ‘I wonder what Heaven is like?’ Some even say, ‘I hope it’s not like earth.’ We smile at this because Heaven is definitely a Place of consistent, constant service to The Creator.

Mankind, in understanding human nature, human intelligence, human perception, human talents, has very little understanding of how these gifts are utilized when one becomes a Saint, because Sainthood oftentimes has a way of helping individuals accomplish many gifts they have been endowed with.

Also, it is important that when one prays, they fully understand that what they are praying for is never dismissed when the prayer is heard, but sometimes the timing is not quite right, and another time would be better.

As men, women and children gather to enjoy each others company, All of the Saints Here in the Heavens gather, always doing The Father's Will in many areas, in many directions, to aid those yet alive in the physical way. No human being is ever alone, even when they are all by themselves, because their Soul is in constant communication with The Father, because the Soul, as a Portion of Him, is the Connecting Link of Divine Love.

It is important that mankind begin to better understand they are not alone in the world, but they have a constant Companion that never leaves, and This, of course, is called *the Soul*. So be it."
