

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON SEPTEMBER 14, 1999 AT 1:40 P.M.

SAINT THERESE OF LISIEUX

“I am Saint Therese of Lisieux. In the beginning of this Gift of The Father’s Love I had the privilege to be present.

It is important for men, women and children of all ages to be aware that each day in life is important. It is like a jewel that has great worth to it. So many times, when We hear individuals in anger, in hurt, in despair, We urge them in some way to see that their life has many gifts, many benefits, and is very important.

So many times when a child is scolded, the hurt is deeper than it shows, because it is an innate response to feel a lack of love, a lack of belonging.

The Father has given to the world a Miracle of His Divine Love, and has requested so Many Saints to speak on Subjects Important for the physical, the mental and the spiritual welfare of all types of individuals, all degrees of tolerance, all degrees of intellect, and all degrees of personality, because of background or because of particular ideals, ideas, talents, and/or personalities.

Today as I speak, I speak with deep love, because this Gift The Father has given through one voice, must touch the lives of millions of men, women and children, so that they can learn and personally feel that his or her life in the human way has a Great Goal to it, for it, in it, because of being human and bearing a Soul, a Portion of The Creator Himself.

Today as I speak and my eyes look at different places throughout the world, it is sad for me to say there is so much desecration to the mind, the body and the Soul that the individual is not just uncaring, but ignoring the importance of human life.

If everyone in the world were handed all the major important expensive gifts that mankind considers precious, nothing would compare to the Greatness of the Soul that cannot be seen, but It is felt many times in different ways through the conscience of an individual who instinctively believes that God is present all the time.

We hear some men, women and children say, 'What is God like?' Of course, this question would be impossible to answer, because He is All Things. This, too, is impossible for human life to relate to, to comprehend, or to see evidence of in the human way, but mankind must remember that human life has been gifted with a mind, with the senses of what is right, what is wrong, what is painful; also, the Gift of courage at times when it is needed, the Gift to endure problems or physical abuses.

Today as I speak, I speak with deep love, and I want you to remember that this Gift of Instruction, of constantly bringing up points of helping the mind better understand what a Precious Gift human life is to man, and that it has a Goal beyond what any goal can be in the human way. ***The physical is a Gift of Divine Love, because as it beats registering life, it also registers Hope, Purpose, Love and a Goal.*** So be it."
