

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON OCTOBER 8, 1999 AT 2:00 P.M.

## SAINT THERESE OF LISIEUX

**I** am Saint Therese of Lisieux. I thank The Father for allowing me to speak to you. It is important that this Gift of The Father's Love be passed throughout the world so that millions of men, women and children will have the advantage of learning more about the Soul that each one is the custodian of.

**W**e hear some say, 'What is a Soul?' Well, my children, It is not something visible to the eye, ***It is a Gift of Blessing from The Creator, The Heavenly Father, because of the importance of human life, and the Goal for which He has planned for It to be returned to Him at a specific time.***

**M**any might ask, 'How can I care for my Soul? It is so Important because It is a Portion of My Creator.' That is why human beings, human life, was given the Rules to live by, the Commandments of The Creator, given through one voice at another time and, of course, in much greater detail than you have learned Them.

**S**o many times, at different times, The Father sends one Soul to work especially in His Honor. The one that carries the Soul is like all other human life, physical, and has all what other physical lives have, just as it was in the time that The Beloved Holy Family walked the earth, and so many Saints Here in the Heavens walked the physical role, prepared to act in certain ways, obligated to carry out what The Father Willed, and dedicated to fulfill His Will, because of the Importance of the Souls that would be touched with Directions, Information, Suggestions, and also the knowledge to understand the importance of human life, living it as man.

**Y**ou do live in a time in which so many men, women and children are aloof, indifferent, and many times brash, when they are told that they have

a Soul that they are responsible for, and that their manner of living is against all the purity of mind, words, actions, plus their body, in its very existence, oftentimes caters to everything that is immoral.

***As I speak through one small voice, My Words are carried to you on the Winds Of The Holy Spirit, on the Love Of The Creator of All Things, and in the Divine Hope that all who read the Words that have passed through this Gift will be reminded that they have a Soul, a Portion of The Creator that He wants returned to Him at a given time, because this Portion, when It returns to from Where It came, will live in Glory for All Time, bearing the name of the one in Whom It was given at the moment of conception. So be it.”***
