

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 15, 1999 AT 1:09 P.M.

SAINT JOAN OF ARC

“I am Saint Joan of Arc. It is important that all degrees of intellect, all backgrounds of human life, learn about this Gift The Father has so lovingly given to the world. ***This Gift of His Divine Love is a Gift of Instruction in many, many ways, allowing so many Saints Here in the Heavens to participate and be Instruments of His, to give help to millions of individuals beyond what any other evidence of truth could perceive, conceive or deliver.***

Today as I speak, it is important that All that has been delivered thus far, be continuously delivered without stop, because of the need for It throughout the world. All of human life, no matter what culture, is in need of What The Father Wills mankind to not just believe, but to perpetuate in his or her own way of life, but also to be continuously aware that human life is the only creation of life that has a Soul.

For mankind to understand this statement, that they are the custodian of a Soul should be obvious, because of the knowledge innately known, understood, that human life has a free will, and is able to make decisions based on what is right, what is wrong, what is pure, what is impure, what is good, what is evil, what is just, what is unjust.

More Love has passed through this Gift of The Father's Love to mankind, a different Love you can call It, because It is Divine Love, instructing continuously so that human beings of all degrees of intellect can more fully understand that at the moment of conception they are gifted with a Portion of The Creator. Logic should tell mankind that no other living matter or thing has the intellect, the power to understand the reasoning or the abilities to permit themselves to do so many things that nothing else can.

So many times when We speak, the length of Our Words on a subject are limited, because the human mind who reads Them is better able to gather the Content, see the Value of It, remember It for What It's Worth. ***In this Gift of Divine Love that bears the Name of The Beloved Saint Joseph, Wisdom, Direction, Hope, Instruction, has been delivered in so many ways, all to encourage those who will respond to It, to desire through their actions, their thoughts, their will, to please The Creator and to become a Saint.***

What greater goal could The Father give to mankind? There is none. There never will be another one like This. So be it.”
