

REVELATION DELIVERED THROUGH FRANCES M. KLUG
ON NOVEMBER 15, 1999 AT 2:14 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am Saint Joseph. As I speak today it is with Deep Love and Thanksgiving, because of the Importance of this Gift of Divine Love that The Father designed to be spread throughout the world, to enlighten mankind on many facets for which He created human life. Much has been delivered verbally and put into script, much more yet to come.

It is sad for Me to say that the Rules The Father gave have been diminished extensively, leaving out Important Parts, eliminating what They were created for.

At this time throughout the world, there are many different opinions on what is good, what is evil, what is moral, what is immoral, what is just, what is unjust, what is pure, what is impure. Different opinions sometimes erase the sound values of what a subject was prepared to speak about, thus eliminating the importance of the subject matter.

This Gift The Father Designed, that bears My Name, is truly a Gift of Divine Love, because All of the Heavens have joined in, in wanting to share What They feel, What They know, with millions of people throughout the world, because of the Importance of the Souls that need the one in whom They are to change, and to practice more purely in every facet of life that they are engaged in, participating in, or a part of.

All of Heaven has joined in this Gift of The Father’s Love, each Saint hoping that as the Words pass through one voice, are put into script for millions to read, millions will begin to better understand what they are practicing in their daily life and question: Is it a mortal

sin, is it a venial sin, or is it an act of love, based on what The Father Wills them to speak about, to participate in, to be full example, because of the Soul of everyone they meet and the Soul they are the custodian of?

Children are not being instructed fully on what a Precious Gift human life is, and that through this Gift they have the chance, the Goal to become a Great Saint. If this statement were made out loud in an auditorium, you would be surprised at how few would understand the statement, how many would ignore the statement, because it is not spoken about by those who have chosen to walk as the teachers of spirituality, as example of spirituality, as instructors to all they meet, they associate with, or they have been chosen to lead in certain areas of spiritual life.

As I leave you, I beseech you to spread throughout the world All that has been given through this Gift of Divine Love, to awaken those who have no one to instruct them, and to help those who have accepted the task of instructing others, but have weakened in their enthusiasm in doing this.

Those who write the Words, it is no mistake or accident that they are a part of this Gift of Divine Love. Each one is a special portion of partaking in one of the greatest tasks since the time of The Holy Family, since the time when The Son walked the earth, spoke openly, Instructed, and then led men to understand that His Way of Life, Who He Was, was to be announced openly from that time on. So be it.”
