

REVELATION DELIVERED THROUGH FRANCES M. KLUG  
ON DECEMBER 1, 1999 AT 1:11 P.M.

SAINT ALPHONSUS LIGUORI

**“I** am Saint Alphonsus Liguori. The Words I have just spoken<sup>1</sup> are Words of Extreme Importance for the benefit of the mind, the body, the Soul, and all communications with other human beings.

**S**o many times it is difficult for some to see justice in a contract, in a conversation, in an association, or in mere matters of opinion.

**T**oday as I speak, I speak with a deep concern for the values that men, women and children appreciate at this time in your day. Oftentimes selfishness, self-love, self-concern, is the main form, manner, degree, that individuals cling to. We hear self, self, self, where there is no need or no right connected to this.

**A**s I speak, I speak with deep love for human life, but also deep concern, because as each human being deserves justice, it is oftentimes the most misunderstood act of human love toward another human being, thus causing all things to be unjust in communication.

**A**t the time I lived upon the earth, there were many times of discussion, cause for much discernment on the values, the interpretations, the reasonings, because justice had to be the end result.

**A**s I bless you today I plead with you, I beseech you, as each day passes, that your actions, your feelings, your emotions, your ideas on justice, are acted out with truth, honesty, never omitting your Soul or the Soul of others with whom you are dealing on issues, moral, mental, social, academically or professionally.”
