“NEVER GAMBLE WITH YOUR SOUL”

“**R**emember your Soul is a Portion of God.

When you walk into a gambling facility, you have the privilege to gamble but you have no *rights*. *Only* the establishment has rights. Satan offers *privileges* and you *forfeit* your rights when you gamble *with* him, or *on* him. Don't gamble with your Soul as the *stake* in a strictly win or lose situation. In all types of gambling, the odds are *always* against you. Never forget, Holy Communion gives you the privilege to receive God in a physical way to nourish your body, mind and Soul every day. There is no gamble to this Act of Love.

Men today are gambling with their Souls, using It as the collateral for a possible bit of excitement through the briar patches of foulness in all relationships, false idolatry of human desires, weaknesses, humanism, thus eliminating Godliness, performing blasphemous acts against God, partaking in impure actions that control their daily existence, based on total disobedience to God's Ten Commandments.

Don't jeopardize your Soul for anyone or anything.”
