“SECOND COMMANDMENT”
**“THOU SHALT NOT TAKE THE NAME OF
THE LORD THY GOD IN VAIN”**

To belittle or diminish the Importance, Dignity, Respect and/or Greatness of The Creator of all there is, is punishable by God’s Laws. This is evidenced by His Words of Command saying, ***‘Thou Shalt Not’***.

This should be looked at and understood as a Direct Command and never abused, ignored or tested in any form by human beings.

The Commandments must never be broken, because God’s Justice is to be obeyed and respected.

It is an Important Command given to mankind, reminding mankind of the Greatness from which mankind originated, The Creator of all things — God.”
