“THIRD COMMANDMENT”
“REMEMBER KEEP HOLY THE
SABBATH DAY”

“This Commandment is logical in its very wording, and has a command in its words that tells mankind that a day of recollection, prayer, and remembering God in a formal atmosphere of prayer and service is important, because as God is Real, and is The Creator of man, man is obligated to spend time in remembering that human life was created for a Purpose and has a constant communication with The Creator at all times. Thus, participating in a formal ceremony, Honoring Him is logical and necessary for the individual, and it keeps the Soul of the individual in constant closeness in Whom It is a Portion Of — God.”
