“SEVENTH COMMANDMENT “THOU SHALT NOT STEAL”

“**I**n reading these words, mankind immediately attaches the word ‘*steal*’ to a possession of another person or persons.

There are many ways to ‘*steal*’ that are never considered stealing.

Belittling remarks demeaning to someone’s reputation, character, abilities.

False accusations because of jealousy of another’s success, popularity and/or good nature.

Envoy of someone’s financial wealth.”
