

REVELATION DELIVERED THROUGH FRANCES MARIE KLUG
ON JANUARY 14, 2005 AT 11:20 A.M.

OUR HEAVENLY FATHER

“I am your Heavenly Father.

The little one I use for many things, does not want others to know the strength it takes to persevere and to deliver Messages of What I desire others to know, thus using Many Saints to deliver the Words I Will them to understand the importance of.

I smile when I say My next Words. I have given to the world My Personal Communication through *one small voice* that continuously accepts What I Will others to sense, to understand, and to be proud of morally, mentally.

I speak differently, but I take this time to remind those yet in the human life how close I am to them. My Divine Love never diminishes in My Love for the human way that I created to one day return to Me and be called ‘a Saint’.

As communication is important in the manner and way of human lives, I beseech you: never forget I am available whenever you wish to speak.

I love this Creation of Mine and I have instilled into it many Gifts, allowing communication in several ways: morally, mentally, physically, psychologically.

My Love is Greater than It is understood to be. Please remember this. I love human life because it has so many attributes to allow a closeness that nothing else has. Please remember this.”
