

REVELATION DELIVERED THROUGH FRANCES MARIE KLUG  
ON MARCH 3, 2005 AT 2:29 P.M.

SAINT FRANCIS OF ASSISI  
SAINT ANGELA MERICI  
SAINT JOAN OF ARC  
SAINT PEREGRINE  
SAINT JOHN OF THE CROSS

**“There are Several of Us present. *The little one* says, ‘Will You name Yourselves?’ We smile at this, for she likes clarity in all things she partakes in. I am Saint Francis of Assisi. I am Saint Angela Merici. I am Saint Joan of Arc. I am Saint Peregrine. I am Saint John of The Cross. There are so Many of Us present wherever this *little one* is, We All cannot mention Our Names because it would take pages and pages and pages of paper. We are continuing to smile as she hears Us speak These Words, because she is very conscientious on how she serves.**

**Today there are thousands, even millions of human beings active, busy, and many are sharing great responsibilities. The life of a human being is a Gift of Divine Love, because in this human part that is created a human being, there are many ways, times, and chances to serve in a loving manner on important things.**

**This *small voice* that has been given so much to say, shares with all who hear the Words, The Love of Divine Way. The sharing is far greater than It is seen to be, because *the voice* is expected to say only Words regarding the Souls that are already Here, and the different personalities that are used in Those Whose willingness to speak openly, for those who yet living can learn from, learn about, and understand more of**

**the Beauty, the Responsibilities and The Divine Hope that is within Them.**

**Today is a normal day in many ways, but it is a day wherein We want the Souls to grow spiritually. It is a Beautiful Gift of Divine Love when an individual cherishes That Portion of them that is a Portion of Divine Love, not seen in this Dimension of Greatness, but they have learned It to be.**

**Many of Us Saints want to speak consistently, but were told it cannot be, for *the little one* We talk through could not stand the Power that We use to repeat to her many things. Those who feel the Presence of a Gift of This Divine Love, know instinctively the Blessing they carry now is Greater than It is seen to be.**

**You are Loved, and Many Saints look forward to speaking, so you can cherish What They say and give It to others.”**
