

SAINT ANNE

“My beloved sons, My beloved daughters, This *Miracle Of The Beloved Saint Joseph* is to help you save your Soul. As you gather in this dwelling on this day, as Heaven looks at you in Heaven’s Way, Heaven sees the glow of your Soul, the Light that shines forth from Each One. The next time you kneel to pray, ask God to help you in your Soul’s way. Ask God to let you know what He wants of you. Ask God to hold your hand and teach you to pray.

I am Saint Anne. As I speak from the Realm of Heaven, I say many things to many children through *this child. The Miracle Of The Beloved Saint Joseph* is to help all children, of all colors, all races, all creeds, to come Here Where We are. Please know that Hell is as real as Heaven. Please know that Purgatory has many places. Please know that God does not want any child to partake in either of the wicked places. Satan beckons every moment of the day. Sometimes he uses your tongue, sometimes he uses your ears, sometimes he uses your eyes, sometimes he uses your touch, sometimes he uses your whole being, but only when you allow it to be.

My children, I am truly your Heavenly Grandmother and you have not thought of Me in this way, but as all grandmothers love children, I love you in a special way. The time in the world now is very sad to God, for children are using their own wills to destroy their body and their Soul. As you use your will each day, to walk through each day, keep in mind one thing: If you use it wrong, Sainthood will be farther

away. If you use your will correctly, Sainthood will be evident to you each day. As all children like reward for what they do, God has designed the Greatest Reward in the world for you, and that is to be a Saint one day with Him in the Realm of Heaven.

Man speaks of Heaven loosely, quickly, jokingly, but please believe Me, My children, Heaven is the Most Beautiful Thing that God could design for man. Heaven is Peace, Heaven is Love, Heaven is Happiness, Heaven is Joy, Heaven is All Truth, and if you use each day in a truthful way, you will come Here one day; and those whom you know, who find it easy to tell untruths, please, whatever you do, pray for them, for the habit will destroy them, will destroy their Souls; and as long as you are aware of the problem, it is up to you to pray for each Soul.

As I leave you now, I give you The Father's Blessing for It is the Greatest Form of Love; and I make it in the Sign you are used to, *The Sign of The Cross*, and I say: 'Do as The Father Wills, each day. Follow the Heart of The Son and you cannot go wrong. Follow the Light God has given you, through the Words of Truth, through what you know is right,' and now I say, 'I love every child.' So be it."
