

REVELATION DELIVERED THROUGH FRANCES MARIE KLUG
ON OCTOBER 28, 1999 AT 1:25 P.M.

SAINT ROBERT BELLARMINE

“I am Saint Robert Bellarmine.

So much Instruction has been handed through *one voice* to thousands and thousands and thousands of men, women and children of all ages.

I come on this day to alert, enlighten, encourage those who know the Magnitude of This Gift of Divine Love, should spread It to all corners of the earth. I hear you say, ‘There is a language barrier I cannot cross, I cannot enter.’ Granted, this is a statement of truth, but you are requested to gather those who have the ability, the knowledge, to put into script the full Meaning of what each Message consists of, because The Father does not want any man, woman or child to be ignored regarding This Gift that is for all races, all colors, all creeds.

Sometimes when one hears about the responsibilities attached to a Gift of This Magnitude, they fear it would take so much time, and also cause them to utilize their time in ways that will eliminate what they are used to doing, practicing, regarding other responsibilities they are adjusted to.

This, of course, is in man’s term ‘nonsense’, because when one uses time beneficial to the mind, the body and the Soul of other human beings, the time is not wasted, and when the time comes to be accountable for one’s time, it will add up to much favor for the benefit of one’s Soul. Excuses are many,

but they are not beneficial, because an excuse lasts only as long as the word sounds.

Today as I speak to a small group, I want you to understand that though you feel you do not have the time to spread This Gift of The Divine, you must look at it in a manner of returning love to The Father for having allowed you to learn of This Gift, being a part of This Gift, thus giving you the responsibility to pass It on to others.

There are millions of men, women and children lost to what is morally sound, morally correct, morally beneficial. Through This Gift of The Father's Love, It will give Hope and sincere understanding that human life was created different than any other living matter or thing, through the Soul that each human being is the custodian of, from the moment of his or her conception.

The Soul tells an individual many things: sometimes it is called 'insight', sometimes it is called 'understanding', sometimes it is called 'intelligence', sometimes it is called 'goodness'.

Today as I speak in a simple form, simple manner, with simple Words, I plead with you to deliver throughout the world All that The Father has requested so Many Here to instruct all of human life on, because of the Soul that every living human being is the custodian of.

Today as I leave you, I bless you in a manner, a degree, and a form not seen, but your Faith in This Gift of Divine Love will make you understand that

OCTOBER 28, 1999 AT 1:25 P.M.

SAINT ROBERT BELLARMINE

All that is spoken through This Gift of Divine Love is not from man, but totally directed by God Himself, because of His Love for His Creation, man. So be it.”
