

REVELATION DELIVERED THROUGH FRANCES MARIE KLUG
ON AUGUST 23, 2005 AT 1:43 P.M.

SAINT ALPHONSUS LIGUORI
SAINT PADRE PIO
SAINT FRANCIS OF ASSISI
SAINT BERNADETTE
SAINT MARGARET MARY ALACOQUE

“I am Saint Alphonsus Liguori.”

“And I am going to surprise you when I tell you how a long time ago I was known as ‘Padre Pio’.”

“I am Saint Francis of Assisi. *The little one* was named after Me a long time ago.”

“I am Saint Bernadette. I have spoken many times through this *little one*.”

“I am Saint Margaret Mary Alacoque. We are All familiar with who she is, what she is, and her love for The Divine.”

“You live in a time that could be and can be termed a ‘Great Time’ in the History of human life, human living, human purpose, human goals. You live in a time when so much has been revealed, after a very long time when very little was revealed because of the control that was shown over wording, over association with someone like this *little one* who has always walked a tightrope designed by those who could be envious, jealous, or cruel.

SAINT BERNADETTE
SAINT MARGARET MARY ALACOQUE**

Today as Many of Us speak, it is to make those close to her aware of times, oftentimes change, due to how individuals partake in how they think, how they live, and what they enjoy mentally, morally, psychologically.

My Words are different, because it is important that all facets of living human ways, human intentions, human purposes, human abilities, and also morality, moral issues, that must be seen over and above what is just wording to appease rather than please.

We will close These Words but We do it reluctantly, because there is so much to be considered on a Gift of such Worth: the beauty of learning more about The Divine, and the chance to partake in being a part of What will make others see the Great Worth in All that is spoken, and All that is a Way to The Divine.”
