“BLESSED MOTHER, PLEASE HELP ME”

“*Blessed Mother, please help me.* It is so right to go to Our Blessed Mother for help, whether it be mental, physical or Spiritual. It is wise to go to Our Blessed Mother for the slightest thing, for our slightest need. She is ever present to answer our prayer. She is always available when we need Her. She never dismisses us because She does not care. She never rejects us because She is too busy.

We must never put off seeking Her Help, for it is necessary for us to understand Our Blessed Mother is God’s Mother and She is always available to us, according to His Plan. Her Care, Her Understanding, Her Love, goes beyond what we know love to be.

Never should we feel something is too small, or it is something we can take care of ourselves. Keep in mind, She knows the degree of our request and our abilities, and only She will have the answer or the direction we need.

We should make it a habit every day of our life to say, ‘*Blessed Mother, please help me.*’”
