## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of "Stories From Heaven", many Revelations describe edifices to be built on Saint Joseph's Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a "City Of God". Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God's Plan in a monetary way. Donations became less and less, because the men in the Church said, "Don't give." They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men's lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of "Stories From Heaven" continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered  
spontaneously and continuously  
as witnessed by all those present  
at the time.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“It is important for parents, grandparents, to encourage children to say a prayer, not once, but several times a day. Prayer should not be said only at the time one lays their head to rest, but upon awakening the next day, the first one, the first words should be spoken in a silent way, and then through habit, several times during the day, a personal prayer extending love, remembering that The Father is ever aware of every thought, every word, every act, each child or each adult performs every day. The child does not hear a response, but you can be sure that there is a response in a very quiet, silent way.**

**As human beings enjoy conversation with each other, acts of love from each other, children should be taught The Father designed it this way, and that He, too, enjoys hearing a small word, because each time it is done, the child, no matter what age, grows stronger morally and grows in more awareness of the importance through this communication that,**

without saying, draws attention that is strengthening in every way.

**I** speak through one who is with you, and yet in many ways more with Us. Her voice registers what We All want her to say, because in These Words, more than those present will learn the importance of communication. The Words are difficult for her to say because of the bond of closeness she has with Us. Her attention is more with Who We are, What We are, and you will find it in some ways more difficult to be with her in the following days.

**A** small voice and yet a firm voice, a small body and yet one that stands firm, because of the importance of the Responsibilities it carries. It is more difficult than you can imagine or understand, for her to be so constantly with man, because of the necessity that immediate response is always obviously at hand. When she withdraws, We many times command her to be seen, to participate. It is her obedience to Us that has allowed so much to be accomplished, so much of The Father's Will to be able to be spread to millions throughout the world.

**F**rom those who deny This Gift of Divine Love, she quickly rejects them or stands firm, strong, for what she knows is Fact, Truth. When she is approached by what she terms ‘a weakness in Spiritual understanding’, she deals with it emphatically and without question. The receiver finds it difficult to oppose what she is so strongly aware of.

**T**hose who are close to her realize, through the genteelness, there is a strong will that can be compared to a wall of iron, steel, many feet thick. Some men and women, in discussing her name, want to discredit her, but have not yet found the strength to penetrate the wall that, though unseen, is evident.

**I** am Saint Joseph. You have seen battlefields, one army fighting another; you have seen them hold weapons. This *little one* has the strongest weapon in the world — obedience to The Father’s Will. So be it.”

## SAINT MARGARET MARY ALACOQUE

**“I am Saint Margaret Mary Alacoque. I smile through *this child*, because of the love I see, I feel, I know, is within the heart of each one here with her now.**

**All who will read the Words that so Many Here in the Heavens have delivered to encourage mankind, to strengthen mankind, to instruct mankind, on the importance of the responsibilities that human life has, and that is to walk understanding the Goal for which human life was created, and That without question, is for each one born to the world to become ‘a Saint Here in the Heavens’.**

**Some who hear These Words, or even read These Words, connect this Ultimate Goal to just a physical role. It is mainly for the Soul of the individual to be returned to The Father as He Designed it to be, bearing the name of the individual that He allowed to be created, to give, to share His Love for All Eternity.**

**Man connects, associates, his or her heart with life, with action, with inspiration. The Father, in the Lessons He passed down through time, showing His Sacred Heart to the world of mankind, did this so that mankind could more fully realize a closeness in life, because of the heart to His Sacred Heart, that they can compare to their life on earth, their action in every breath, in every movement.**

**Mankind associates a picture of a heart with love. No greater Love has man ever experienced or been dedicated to, than The Heart you know as 'The Sacred Heart', given to mankind from Above.**

**As many read how My life was upon the earth, it is a privilege for Me to speak on this day in your time, hopefully to renew the Gift The Father gave, the Gift of Comparison of Life and of Hope. So be it."**

APRIL 13, 1995 AT 1:47 P.M.

### SAINT JOHN VIANNEY

**“I am Saint John Vianney. You live in a special time, a time wherein much Instruction is being given for the benefit of the Souls of all races, all colors, all creeds. The simplicity in the Instructions, in the Words, were designed to allow all degrees of intelligence to understand, to appreciate, to remember the meaning, the fullness of All that was spoken, that was delivered for all ages, in your time and all time to come.**

**I walked a strict road. Some felt I was too strict, but in my love for The Father, I left no stone unturned to be not recognized for its value, its purpose. Mankind many times resists important information, because of the responsibility it might take from their pleasure, their way of life, or their monetary possessions.**

**I speak firmly so I will be understood. There are so many who are walking a tightrope that is crossing a precipice that is crowded with demonic possessions, beings who**

**cater only to the enemy of God and of man.**

**I speak in your tongue and it is My privilege to pass These Words of Attention in This Miracle of The Father's Love. I say to you: 'Be constantly aware and beware of the evil that surrounds you. It comes in all shapes, all sizes, all degrees. Be alert, and remember, if you are attacked in the slightest way, did you allow it through your weakness, or were you in the wrong place, knowing it could happen there?'**

**Be example every moment of every day, and those you are in charge of, must understand that when you demand respect, it is for their good as well as yours. So be it."**

APRIL 13, 1995 AT 2:50 P.M.

## SAINT BENEDICT

**“I am Saint Benedict. We smile at *the child’s* description of Our Presence. This Gift of Divine Love that has been given in such a Personal Form, in such a Special Way, has allowed mankind to better understand, more fully understand the Closeness of The Saints to man. Our Presence is permitted by The Father. Our reason for dictating These Words to be read is a Blessing beyond human understanding.**

**All that We are allowed to speak about is important, because of the Precious Gift of The Father’s Love to mankind, namely, ‘the Soul’. We are present every place throughout the world. This Miracle is One of a Kind, designed to encourage, instruct all of mankind, in the importance of becoming ‘a Saint’.**

**In the time that Each of Us lived upon the earth, We were from different eras of time; Some, from a very long time ago, and Some, closer to the time you can associate with. This Miracle was given at this time to**

**help thousands or millions of Souls to become 'Saints'. So much Instruction constructively given, cannot be ignored, because in the most simple Wording, there is Direction for all races, all personalities, all creeds.**

**Mankind must understand that Sainthood is a Precious Goal. The Father, in His Design of human life, created it for more than for a short existence. That is why He placed within each conception of human life, a Portion of Himself, called 'a Soul'.**

**Mankind has an expression in reference to another human life. The expression is acceptable when they say, 'That's a good soul,' or 'That's a poor soul.' They are referring to the human manner or attitude of the individual.**

**So much has been handed to mankind in these later years. It is sad to see any rejection of Its Value. It is happiness to Us when We see acceptance without question. The next time you are approached by someone who says, 'There is no need for a Miracle such as This; we have Scripture, we have past History that tells us all we need to know,' be kind, be gentle, but I warn you, be firm in your statements so as to**

**not weaken and ignore yourself, What is so Evident in This Gift of Divine Love that emphasizes the Importance of the Soul of every living human being.**

**Prayer is important. There is no question regarding this. Along with prayer, Faith is important, because Faith in what the Soul is, is a confirmation that gives Hope, Life and Goal to the Purpose, the Reason for which man was created. So be it.”**

APRIL 13, 1995 AT 4:10 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“Many of Us listen to everything you say, watch everything you do, and I, Saint Joseph, say to you today, ‘We are proud of you.’**

**All sacrifices that have been made and will be made, will save Souls in ways unknown to you. As you persevere to fulfill The Father’s Will, We Here in the Heavens will do Our Part to aid you in many ways, because of the Purpose for which ‘this mound of soil’ was needed, and of course, for your treasured acts and actions of love that stimulated others, encouraged others, to look to the beauty and the value of loving God in a more direct way, and your greater love for All The Saints Here.**

**There is so much more work to be done, thousands and millions of Souls to be won, to better understand the Purpose for which God made man. Material things are necessary because they, in many ways, give access to more that must be done. The world must be saturated with the Words that**

have passed through this *little one*. Do not try to understand everything you must do, but be aware of its goal and the importance of its place in accomplishing a most important goal.

**M**ankind fears disease of any kind, and when they hear it is fatal to human life, there is much stress, concern, and an immediate feeling to avoid any contact with it, even when it is associated with someone close, someone dear. Remember My next Words, for as I clearly speak Them, They are important: ‘As you protect the physical, you must protect your Soul, and be constantly aware of the Importance of the Souls of others.’

**T**he foundation for strength has been instilled in each one here, and some who are unable to be present at this time. You have learned to love God above all things, and in this act of love, you can be assured that God, in turn, cherishes your love more than you can believe, understand, or even think. So be it.”

APRIL 17, 1995 AT 12:10 P.M.

SAINT IGNATIUS

**“It is difficult for many to understand such a Personal Association with Divine Will, Divine Love. Mankind, in worldly pleasures, worldly needs, worldly accomplishments, eliminates Where the Gift of life originated, and the Purpose for which each life occurs. So much is taken for granted, so much Divine Intercession ignored. Mankind places all emphasis on what is natural to them, feasible, understandable, and that they can relate to visibly or through the other senses.**

**I, Saint Ignatius say, ‘What has occurred in the world at this time where you are, is a Gift of Divine Love, instructing mankind in an understandable form and way, the Beauty, the Love and the Purpose for human life.’**

**Sometimes We hear groups of men and women discussing scientific measures, scientific results, always emphasizing the magnitude of the discoveries. This in itself has a definite human accomplishment. It is sad to**

hear that these accomplishments are thought to supersede the Creation of mankind, because of man's innate pride in what has been learned through human minds.

This Gift that has been handed through such a *small voice* is One of Greatness, because It is the Purest Instruction mankind can receive regarding what human life is all about, the Purpose for its creation, and of course, delivering to mankind the knowledge of the 'Absolute Factor' that is and always has been placed within the conception of every human being. This Gift though unseen, is obvious through mankind's ability to understand the Gift of choice available in every decision that calls for purity or impurity, moral or immoral, to be made at any given moment of any day. A child is instructed at a very small age that one thing is acceptable because it is right, it is good. Some other act or word is not acceptable because it is wrong.

Another Gift that is important is the Gift of example. It is so many times ignored because of indifference to a situation, to an individual or individuals, that the one who is

**expressing, establishing, or practicing some form of example is indifferent to what effect it has on others.**

**The Father gave mankind The Rules of life. These Rules are for all time, all races, all colors, all creeds, and These Rules have been defined to the minutest detail through This Miracle of Divine Love.**

**All of Us Who have been allowed to partake in This Gift that must one day be seen for Its Worth, Its Value and Its Divine Love, find the privilege beyond what mankind knows privilege to be.**

**There have been many stories regarding past times, wherein example of those who doubted, those who resisted, those who complained, those who rejected informative Lessons, Instructions, Teachings, Practices, were sometimes cast aside, and not all would or could accept because of personal opinions. Even though so much has been delivered to help mankind, The Father still says to Many of Us Here, ‘Do not leave them alone, for through their love for Me and the Knowledge and Information they have been given so personally, many Souls**

**will be returned to Me in a State of Purity.' So be it."**

APRIL 17, 1995 AT 1:47 P.M.

**“There is always much jealousy prevalent when a Miracle of Direction, of Concern, of Love, of Hope, is given to mankind through ‘an individual’. The Responsibility of This Gift is rarely seen for Its Magnitude, because of the jealousy that is so obvious by so many.**

**Mankind should see, should realize, that Responsibility can be detrimental to the Salvation of an individual’s Soul, when this Responsibility is for the benefit of others’ Souls, as well as ‘the one chosen’ to do the speaking, the leading.**

**Many of Us stand Here and want to shout loud enough for all people to understand, that a Gift such as This One that has given, and is giving so much Personal Instruction to mankind, is to be cherished in many ways because of the Purpose of It, for It, in It.**

**You live in a time of great sadness to The Father, and it is not His Way to**

**stand where He can be seen, for all to hear Direct from Him What He Wills for them to know, to hear. Mankind physically could not withstand the Power, so for all time He has used small instruments to pass to the world What He Wills mankind to know, to follow, for the benefit of the Soul of each one.**

**I will speak at a later time more on this subject, but These Words are to help you understand, that if you are confronted by anyone who feels they cannot believe, nor can they comprehend the Value of What has been first spoken, then written, remind them of the Words that were just said. So be it.”**

APRIL 17, 1995 AT 2:19 P.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother. As I speak to you today, you can be assured it is truly I Who am speaking.**

**There is so much dissension amongst mankind. This is the evil one’s way to cause distraction. Distraction is a means of diverting what is right, what is good, to something that is formidable, out of context with good behavior, sound reasoning, pure thoughts, causing confusion.**

**As I speak, there are many who will read These Words and say, ‘I cannot believe The Heavenly Mother would speak through a human being at this time, and for this type of reasoning.’ My, how sad it is for Us to hear such negativism, so little understanding of how close We All are to mankind, and how little emphasis man puts on the Soul that is within each life.**

**Our Purpose, delivering so much through *a small child* in the world, is to instruct mankind, to warn mankind to be alert, because of the Importance of why man was born to the world, and**

that is to one day return to Here, to Heaven, the unseen Portion of life, the Soul. There is so much that has been spoken about, and taught in explicit form regarding the privilege of human life versus all other living things.

**As I bless you with a Mother's Love, a Mother's Hope, I want you to know, My Love for you is deeper and beyond any love you can experience with the normal manner of living, and greater than any love that a human mind can describe as love. Do not forget human life is a Gift beyond man's imagination. All the intellect in the world cannot conceive the Magnitude of God's Love for human life, and the Full Purpose for which He created it.**

**This Miracle, that bears the Name of The Spirit of God, gathers more attention than you can know, but All of Us Here say: 'This time in which you live, that is being recorded for all of mankind to learn from, is a time that will give that "Specific Purpose" to human life that was never before so clearly, so fully unfolded, to reveal its Distinctiveness, its Importance, because of the Knowledge that has been so elegantly and deliberately**

**delivered regarding the Soul.’ So be it.”**

APRIL 17, 1995 AT 4:02 P.M.

## SAINT JOHN OF THE CROSS

**“I am Saint John of The Cross. I have not mentioned My Name many times when The Father requested I speak through This Beautiful Gift that bears the Name of One so Great, ‘Saint Joseph, The Holy Spirit’. Though it is difficult for many who hear His True Title, the Importance of It, I must confirm what this Title says. Even though there were a few times in past History that His Full Title was alluded to, it was not yet the time The Father Willed It to be fully understood in the Full Manner It is.**

**Men talk about a doubting Thomas, men talk about Judas who knew Truth, was close to It, and yet in weakness, fear, rejected It, denied It. There are so many times when Messages pass through this *little one*, that men and women deny the Facts because they have not learned It previously in that context.**

**We hear *the little one* say: ‘God, they are not listening. What will make them understand it is not**

I who am telling them This, but You Who are allowing It to be said?' This format of conversation has passed down through time, many times when Specific Important Revelings through a human life were allowed to take place, for the benefit of man's more understanding, more belief in the Importance of Association in how The Father uses love for The Saints, love and devotion to Our Heavenly Mother, love for The Son of God, and of course, love for God Himself.

Mankind judges much on the intellect of some individuals. Sometimes this bears much good, much truth, much valuable understanding, but when The Father uses a *True Mystic* to reveal to the world of all nations, a Valuable Piece or Amount of Information, It can never be dismissed, nor can It be compared to human intellect or imagination.

The Father has handed to the world a *child* of years beyond childhood, and has dictated What was to be passed through her at any given time, Specific Details and Specific Information that would help mankind better understand the Importance of That Gift that is placed within

**the conception, at the moment of conception of a human life.**

**I ask you to disregard any negativism that you are confronted by or with, because many times the enemy of God and of man tries to intervene and cause deception. There is so much jealousy that surrounds This Great Miracle that is for the benefit of millions, even billions of Souls Who, without This Miracle, could become lost. The Father's Will has been given to the world so that this disaster would not come about.**

**Ask yourself, 'Am I stronger because of what I now understand?' This answer should be your means of how you will work to allow others to see the Value of Truth in what you know is best for you and for all mankind, even those who are not yet born to the world. So be it."**

APRIL 19, 1995 AT 1:40 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“Many, many in high authority, places, are openly saying What *this woman* is talking about, Where she says It comes from, cannot be so, it is not the Way The Father Works.”**

---

**“I, Saint Joseph, Say Openly: ‘This Miracle of Divine Love, that is instructing so many in so many areas, is The Father’s Will at this time. No man or woman has the full ability to understand The Father’s Way of handing to mankind Warnings, Information, Blessings, at a given time.’**

**You live in a very dangerous, spiritually dangerous era. You hear people of all races, all creeds say loudly, ‘Say a prayer.’ Ask them if they have said the prayer themselves. Many times you will find that the request is made without the one who is requesting it, to fulfill his or her obligation for the same reason it is being requested at that time. Many**

who ask for prayers must find a deeper love within themselves, a stronger belief in what prayer can actually do, and be accountable for.

So many times it has been said to so many that 'You live in a time worse than Sodom and Gomorrah.' To so many, when they hear this, find the Words just words, because they cannot relate to the tragedies, to the horror that so much human moral desecration caused in that time spoken about.

If you could be unseen, and walk two blocks, three blocks, four blocks, and be exposed to what is occurring, you would be shocked at how the evil enemy of God and man is a daily part, practice, of so many lives.

This Miracle can be said thusly: As It Has Been Sent By God, It is a Godsend to all of mankind, not just where you live, but for all who must read the Words throughout the world.

As We stand close to some who open a Book<sup>1</sup>, We are aware of their understanding, their acceptance, and/or their rejection. Rejection is seen in several ways, depending upon who

---

<sup>1</sup> Refers to "*Stories From Heaven*".

**is there, what their moral values are, and what degree of Faith in God do they live by, stand by. When We hear negative reactions, Some of Us Here have said, 'God, they do not care; they are rejecting Your Will.' He answers Us and says, 'I cannot give up, because of That Portion of Me, I want returned to Me. It must be done.' So be it."**

**APRIL 22, 1995 AT 3:50 P.M.**

**GOD THE FATHER**

**“THERE IS MUCH HYPOCRISY IN THE NAME OF SPIRITUAL BELIEFS AND PRACTICES.**

**SO MUCH SO, THAT IT IS A MOCKERY TO SOUND FAITH IN MORALS, AND THE TRUE MEANING OF WHY I CREATED MAN.”**

APRIL 24, 1995 AT 11:18 A.M.

## GOD THE FATHER

**“I have given mankind a Personal Gift, a Gift that in the practice of What I speak, What Others teach, will guarantee a Place Here with Me.**

**I oftentimes say, ‘I speak through *a little one.*’ Some men who read These Words do not fully understand the True Meaning in These Words. Whenever I use a child who walks upon the earth amongst mankind, the description of this one I choose is always little, because you see, all My children are little to Me.**

**Many times as I place much responsibility on this *small child*, I warn her that if there are any repercussions to What I have delivered, she is to stand up to all of mankind, regardless of size, age, profession, or degree of belief in Me.**

**Mankind, through the human mind, has intellect to fully understand, or to partly understand subject matter. Within the human mind I have placed the ability for mankind to visualize, to realize that life was**

created for more than what man is used to being accountable to, accountable for, accountable in.

The physical I created is a specific Special Gift of Mine. It is as a chalice that must be cared for, cared about, respected and acknowledged as the place wherein the Soul resides every moment of every day and night.

This Miracle that at first was called *'The Miracle Of Saint Joseph'*, was accepted by many because of the relationship man recognized as His being man. Then, when I determined that it would be spoken about in a Greater Degree, what His Existence encompassed as Part of The Holy Trinity, I was fully aware of what this *little one* would have to face when the Messages regarding His Real Status were released.

This Gift of Divine Love that has been given at This Time, is of an Importance Greater than man can think, because mankind, though gifted with a degree of Spiritual understanding regarding Me, must understand that I waited until This Time to release This Important Message. My Timing is of the essence, because

**I release what I know mankind is capable of understanding, believing, to a degree that will support the individual's spirituality.**

**My Love for mankind is beyond what mankind could possibly understand, for each child is capable of a different degree of love for Me, due to their background, their personality, their nature and their spirituality.**

**It is sad when I see men in professional roles deny this *little one* their professional acceptance of What I Am All About, What I Am Teaching to all of mankind, What I want the whole world of man to know about the Soul I have placed within at the moment of each conception.**

**I hear so many false prophets declaring intimate relationships with Me, lying in disgraceful ways; in truth, making themselves look more important than Me.**

**I bless all children in All the Words, or even Some of the Words that have been delivered through This Important Miracle bearing the Name of a Great Saint, and also The Spirit of Me. So be it."**

APRIL 24, 1995 AT 12:17 P.M.

## SAINT AGNES

**“I** have spoken many times in general conversation to those present where this *little one* is.

The world in which you live is in great moral turmoil. Men, women and children are forgetting the importance of God’s Commandments, and many who know the Words of The Commandments never think of the full meaning in each of These Commandments.

We watch mankind in all areas of life, some in high places of authority, wherein and whereby they have the obligation, opportunity and responsibility to lay down orders that must be followed, so that the department, the organization, or the company will be run according to the rules prescribed for particular areas, not just to satisfy those in charge, but because orderly rulings are beneficial to all areas of particular places.

I ask you now, ‘Why are not God’s Commandments openly spoken about, openly shown in print, openly

discussed in all age brackets, in all religious circles, communities, churches, places of prayer?' One would think God's Commandments are obsolete. As long as one human life is in existence, God's Commandments are the Rules that must be obeyed.

Many of Us Here have delivered much through this *small instrument* regarding the Importance of God's Commandments. Mankind has forgotten that before Christianity, The Father sent His Commandments as the Foundation, as the Basis, as the Rules that Christianity would be responsible for, to, in, and with. How many times do you, in your daily life, think of all your responsibilities, and connect them to one or more of God's Commandments?

We hear all ages make quick remarks, such as, 'I go to Church,' 'I believe in God,' but I ask you: 'How many people daily, before they lay their head at night, examine their conscience, their way of life, their habits, their manner of doing things, their association with loved ones and others, according to God's Commandments?'

**M**ankind talks about habits, good habits, bad habits. The most important habit is omitted, eliminated, and that is the habit of using God's Commandments as the Guidelines of everyday living. Some, in reading This will say, 'God didn't mean These Commandments to be thought of in such an orderly, constant way.' Man's thinking is lazy, full of indifference, and can easily ignore a Valuable Gift of Divine Love.

**A**lso, how many men, women and children who say they believe in God, can ignore the Greatest Gift He gave as the Foundation for Christianity? His Commandments must be a daily practice for all races, all colors, all creeds, because in each Commandment there is not just a Lesson, but a Direction for mankind to value, and to perceive as a Great Light, drawing attention to the Goal of Sainthood.

**I** speak many times, not always in this in-depth manner, but today The Father requested that These Words were to be spoken, so that millions of others can better understand The Basic Rules He laid down for Christianity. So be it."

**SAINT JUDE THADDEUS**

**“I am Saint Jude Thaddeus. Many pray to Me for impossible gifts. I always smile at this. The Father is The True Dispenser of impossible gifts.**

**Mankind must understand prayer is a Special Plan of The Father’s, because the word alone says, ‘This communication is meant to be straight to Heaven to the One I choose to hear it.’ The Father smiles and says, ‘Your Faith is beautiful to see, your belief that your prayer will be answered is your Sign of Divine Love.’**

**My Name to many only bespeaks impossible. I ask you today to think of it more this way: All is possible, and all prayers are heard; never does one go astray. Heaven is a reality, just as earth is a reality. Communication with others as you are is a reality. Communication with All of Us Here in Heaven is as this, a reality like you have where you are.**

**Human life is not always the way you would like it to be. Every day is not a day to be remembered**

ecstatically, but remember this: that you have the opportunity in your daily way of life, to speak to each other, to speak to Us. You are never alone, though you may think you are. Our Presence is ever present, Our hearing you is immediate.

Mankind talks of loneliness. Many fear it, but they put it in the category of human flesh, and forget to put it in the category of Divine Love. No human being is ever alone, because of that Precious Gift of Divine Love, the Soul. Loneliness, to mankind, is to feel no presence of another life. We understand this, but if you will but remember, that through that Living Portion within you, there is a Living Portion of The Father inside you.

This Precious Gift of Divine Love, called *'The Miracle Of Saint Joseph'*, has revealed logic in so many areas. Why would God create man and let him be all alone? The Father's Plan was complete and must never be ignored. It is sad to say, many times those who shout, 'I believe in the Lord,' are ignorant of That Portion of The Father that resides within them, called 'the Soul'.

**As I leave you at this time, you can be assured We are always listening, We are always aware, you are always in Our Sight, because as your Soul is What It is, the Communication is always present. So be it.”**

## SAINT JOSAPHAT

**“I am Saint Josaphat. There is a great sadness Where We are because of the lack of communication with Us that is occurring in so many ways, so many areas of human life.**

**The enemy of God and man is rampant throughout the world. This is difficult for some to believe because they cannot see the enemy. There is much confusion in ways, in places, in areas, among lives that is causing much harm, much immorality, much dissension; of course, much hypocrisy.**

**Mankind stands in a wind that twists the mind one way, and then another way. This wind is caused by the enemy of God and of man. Any time that man chooses to release himself or herself from this distracting wind, he or she, through their own will, can move over to the Power of God’s Wind and live each day in the Wind of His Power. The enemy of God and man is a great imitator, but there is always a weak point, a weak link, and it is through this link, this point, that**

mankind can escape to a more secure place.

**I have spoken much through This Miracle. Some will say, ‘Why is it called “a Miracle” when others cannot see, cannot hear, cannot touch the One Who is speaking, but the Words that pour forth are to be believed, to be followed?’ I say to you now, ‘Blessed are they who believe and do not see, but who through thoughts, actions, love, choose The Father’s Way, The Father’s Will, and the Importance of the Soul.’**

**Some who pray in a quick manner, fulfilling an obligation, a request, ignore the importance of this communication, and in many ways treat it lightly, and without what you would term ‘a polite manner and way’.**

**In some areas, when mankind finds confusion, he or she finds it difficult to pray, to see the reality of the communication man has with God.**

**This Gift of Communication that has been handed to mankind, instructing mankind regarding so many areas of what human life is all about, the Goal for which human life**

**was created, must understand the fullness of this Gift of life.**

**I could speak hours. The Father decides how long Our time with you can be, but before I leave you I want you to know: your time with Us is never limited by God. So be it.”**

APRIL 24, 1995 AT 2:14 P.M.

SAINT IRENAEUS

**“I** am Saint Irenaeus. As We listen to The Father’s Will, We wait for the Direction to be able to deliver to you Words, Instruction, so that each one who will hear the Words and those who will read the Words, will better understand the Importance of man’s Association with The Father, the ‘closeness’ of this Association.

**Y**ou have been instructed so many times, in so many ways, regarding the ‘close connection’ human life has with The Father. It is called ‘a Soul’. Up to this point in time, never has there been so much spoken in so many ways, about the Divine Gift of Light that each human life is conceived with.

**M**any men cannot fathom such an Association at the moment of conception, and then there are many who say, ‘Yes, it could be so, but the child cannot live; there is no place for it here upon the earth.’ What a mistake some make in this decision that bespeaks only the enemy of God’s Way and Will, never The Father’s Will

for a conception. Granted, there are some conceptions that in themselves do not mature into a full life span. The Soul is not desecrated by this, because it is not an immoral act that caused it to occur.

**M**ankind must become more aware of the difference between what is moral and what is immoral. When The Father, in His Love for mankind, placed within this Special Design ‘a Portion of Himself’, it is That Link of Association that constantly keeps the human mind aware of what is right, what is wrong, even at the earliest stages of life.

**A** human life is one of the most dependent creations in the world, if not the most dependent creation. The responsibility of those in charge is far greater than mankind thinks about, acts in, or practices. Emotional acts sometimes supersede the importance of what man’s real association is with this little life. The Soul is many times not even considered.

**Y**ou do live in a time worse than the worst times in Human History, morally speaking that is. There are so many areas of human dignity that

are being superseded by indecent humanism, characterized by abusive degeneracies regarding what human life was created for.

I could speak a long time, but I know that *the little one* through whom We All speak is beyond human exhaustion.”

APRIL 24, 1995 AT 2:47 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“I am Saint Joseph. All things that pass through this *little one* are guided, governed, and delivered from Here.**

**Long before This Miracle that bears My Name was announced to the world, this *little one* through whom We All speak, was aware many times of Our Presence, but she did not have that full power of discernment to recognize Who We were, or why We were there. When the time came for This Miracle to be announced, it was an Important Time in History, because of so much that would be delivered to give mankind strength in what human life was all about, and the Reason for which it was created.**

**When My Name was announced outside of where *this child* resided, many men and women, through jealousy, rejected It, resisted It, denied It, ignored It, lied about It. At first it was thought to be some Occurrence that would stop shortly. Some who would listen to the Words found Them**

foolproof, but they chose to ignore the Words, ignore This Gift, because of the responsibility they felt It gave to them.

It is difficult for some to accept that My Name would be associated with The Spirit of The Father, The Holy Ghost, as you remember It to be. My time upon the earth was an Important Time in History, because My Presence as Man gave strength to the Family, and of course, My place had position amongst other men, else if a child had been born to a woman without a man as the father in this place, she would have been stoned to death.

All things The Father does have reason and are reasonable, due to the importance that is needed for mankind to understand the Purity attached to It, the Love in It, the Reason for It, and the understandable naturalness to how mankind associates life with. We many times have this *little one* tell you of times past, so you can associate understandably to the human thinking, the human stature, the human voice, because without this, it would set *this child* in a place not understandable to mankind.

**H**uman life is a Treasure, because it is a Gift of Divine Love, Divine Light. Ask yourself if, in your lifetime, you would be in total darkness, all day, all night, all the time, where would you, in reality, see the distinction between different things? You would find life very difficult, dismal, and see no source of energy in it.

**T**his Gift, through This Miracle that bears My Name and the Story behind My Name, gives a Light to the world, and much Information on the Beauty and the Magnitude of the Love The Father has for mankind, even to the time He allowed a Son to be born, conceived by a Light, born in Light, for the Salvation of all mankind. In human life man would call this 'a Tribute of Love', 'a Gift' so that mankind would better understand a situation, but the reality of the Conception, the Family, the Light, and those who followed the stars, were all meant to help mankind accept this time in more understanding.

**I** am Ever Present in This Miracle that bears My Name because, do not forget, though men may disagree, I Am The Holy Spirit of The Holy Trinity. So be it."

APRIL 24, 1995 AT 4:15 P.M.

## OUR HEAVENLY MOTHER

**“My children, I come through this *little one* today in a Love, with a Love, different than you know love to be or to be expressed.**

**I am your Heavenly Mother. We use *a funnel*, We use *a voice*, We use *obedience*. We use Words that explain important points. We use time to instruct children of all ages, of all races, all colors, all creeds, because you see, there is no avenue of learning that is as thorough in God’s Way, regarding The Holy Trinity or Other Dimensions of Spirituality, than you have here with All of Us so personally.**

**As We have said before, We use *a small voice*, one that is totally obedient to The Father’s Will at all times during the day or night. It is difficult for some to fathom such deliberate obedience, and also, so many Words that bespeak Divine Love, Divine Hope, Divine Direction, Divine Light. It is sadness to Us Here when We hear some doubts as to Our Real Presence at this time, for mankind, in his lack of Faith, can**

only associate Our Presence in the world with times past, past History.

**As We use this *little one*, We also use you who are close to her, so that Our Words, Our Love, will be passed on to the whole world. Such a Task would not be conceivable without the help of others. Remember what I have spoken on this day in your time, directly to a small group of those who are dedicated to Divine Will. It is also important for each of you, at particular times, to thank The Father for giving you the opportunity to assist in This Great Miracle that is to spread throughout the world in your time.**

**Many children of all ages are being instructed wrongly. They are being led down wrong paths, and they will not know the disaster that awaits them, unless one day they will be in an area or a place where Our Words will be seen, hopefully heard by others who will be repeating Them, teaching Them, instructing others in Them, for the benefit of Souls.**

**Mankind places much emphasis on love. It is important in the lives of all of mankind. Even though some deny they need to be loved, they want**

love from others. Children are not being taught the value of what love is, the importance of it in the lives of all who are born to a Christian world or a non-Christian world. There is great need in the world for All that has been delivered through This Beautiful Gift that is so Personal in so many ways. You can equate It with the love in a family, and better understand that God loves mankind, for He created it.

So much is lost through those who cannot believe that God has handed to the world a Gift beyond the ability of mankind to be able to receive. Each time One from Here speaks, there is more than the Message that passes to mankind, there is a belonging, there is more understanding, there is a Love beyond human comprehension, yet It is felt sometimes immediately.

I bless you in many ways, and as My Blessing is to you on an individual basis, it is done this way because of the difference in your personalities and your natures. A mother's love is expressed this way. Those who have children, here with Me now, and those who will read My Words, will understand what I have just spoken. It

**is in all families that love is different in different ways. So be it.”**

APRIL 29, 1995 AT 2:00 P.M.

## GOD THE FATHER

**“I have placed a Special Gift to the whole world, to gather attention to the Importance of human life. Much jealousy points at This Gift, with so many deliberately denouncing the possibility of My doing something like This.**

**I have never let mankind alone, for as a Portion of Me is within each human life, My Presence is evident through the individuals’ understanding of what is right or what is wrong, through their thoughts, actions, activities, and/or associations with others.**

**Even though a Miracle of This Magnitude is obvious because of Its subject matter, and the gentleness in which It is delivered, it is sad for Me to see so much doubt, so much envy, so much jealousy. Some say, ‘It cannot be so.’ I say, ‘How can they know, when they have so little Faith in Me, in My Abilities, and how I have always done things?’**

**I use a very *small instrument*, but *an obedient one* to My Will. So much has been revealed, helping mankind to understand the Importance of human life.**

**The time has come that so many, who feel that they have reached high positions of superiority, will be shown that This Gift of Divine Love must not be ignored by anyone, and must be seen for the Value It is, because of What I have placed within each human being. It is rare that anyone even thinks of the condition of their Soul. There is little understanding regarding this, only because man resents such responsibility, rejects such responsibility.**

**In spite of man's rejection, I have placed in the midst of mankind, *a small instrument* of Mine who rejects man's indifference, and remains constantly obedient to Me.**

**I shout to mankind, 'STOP what you are doing, and realize that I will not allow My Time to be wasted, My Love to be rejected by mankind's ignoring All That I Have Given, All That I Have Spoken, All That I Have Delivered, enlightening mankind to**

**what a Precious Gift human life truly is!**

**I** hear man saying, ‘It would be terrible to be blind.’ They mean with the eyes. I say, ‘Do not block out what Light I am showing at this time, because It is a Light beyond what mankind understands as light.’

**I** speak firmly, yet in this firmness My Love for mankind is evident because of the Value of the Words, the Importance of the Words, and ‘The Very Fact That I Have Spoken.’ So be it.”

APRIL 30, 1995 AT 2:34 P.M.

## SAINT ALPHONSUS LIGUORI

**“I am Saint Alphonsus Liguori.**

**It is important for mankind to have All the Words that have passed through This Miracle to save Souls. Mankind does not realize the Importance of human life, beyond the daily use of it.**

**The Presence of a Soul in each life has not been taught in its fullest degree. This Miracle of Divine Love is the first time so much has been taught regarding the Soul.**

**When some people hear the word ‘Soul’, they can make no connection to It, to their personal life, because they find striving for materialistic values more natural to human life than the Precious Gift, the Soul.**

**This Miracle is beyond the understanding of so many highly educated men and women, because the emphasis is on worldly structures, personal financial gains and advantages, disregarding the Purpose, Reason,**

**and Reality for which human life was created.**

**Men say, ‘Read the Bible.’ Yes, but all things are not fully documented in it. If they were, the volumes would cover monumental areas unbelievable to comprehend.**

**This *little one* through whom so much is delivered, is constantly drawn to Our Presence, over and above all other areas of life. Her time with Us is not natural to mankind, but one day it will be more understood than in your time.**

**It is impossible for any human being to be aware of the Fullness of This Miracle, and the energy it draws to be attentive to It constantly, but All of Us Here want you to know: It is a Gift beyond any gift mankind can relate to.**

**The tasks ahead are greater in many ways than mankind could understand, but each day, each hour, is important for the Souls of millions. So be it.”**

APRIL 30, 1995 AT 3:14 P.M.

## SAINT THERESE OF LISIEUX

**“I** knew a very long time ago that *this child* through whom We All speak, was to be chosen for This Great Gift of Divine Love that The Father has given to the whole world.

So many do not understand such a Treasure that This Gift is, because they close their mind to the Beauty, Love, and Magnitude of the Instruction that is so obviously important to all Souls.

I beseech all of mankind to not ignore any of the Lessons, Instructions, that have so lovingly been delivered to instruct and encourage mankind to protect that Special unseen Gift of Divine Love.

How does mankind do this? First, to better understand and obey God’s Commandments. Secondly, to see the Value, Reality and Beauty of such a Gift of Divine Love that only The Father would or could give.

We All stand where this *little one* is, because of the Nature, Value and

**Importance of such Divine Love that is given in such a loving understandable way, for all ages, all types of Spiritual understanding.**

**There is no time We are not available to talk, and it is Our Love for This Beautiful Gift of The Father's that is a privilege for Our Souls to be a Part of. So be it."**

MAY 3, 1995

## SAINT JOSEPH, THE HOLY SPIRIT

**“Some men ask why The Father chose such a delicate voice, such a *small one* to speak so strongly. I, Saint Joseph, say that if My Voice were to be heard in the manner I am capable of, the whole world could hear Me at this moment.**

**In this small room, I speak to but a handful of men. I am in full understanding of all there is about each of you. I am in full understanding of your degree of love for The Father, and your degree of love for The Heavenly Mother.**

**I understand your needs, your hopes, your goals. I understand all things about you, but as you sit in this room on this night, I see within you a desire to be stronger, to be more deliberate in what you know is Truth, and of course, I also see in you more understanding of the importance of prayer.**

**Maybe this has not touched you all at once, but it has been implanted within your being, All the Words that**

were spoken on this night, and you have the Words to take with you, which is a Generous Gift of Divine Love.

*The little one* through whom We All speak, is *an instrument* of The Father's. All of Heaven watches over This Miracle every moment of every day.

Many times We have said, 'There are many enemies to This Gift of Divine Love.' That is true.

There are also many who stand on the outside and wonder, 'Could This be true?' because the Words, as they read Them or as they hear Them from others, or the idea of What is happening, touches their minds, their hearts, but It also touches their interest in, if This is truly occurring in a place upon the earth, the Value of It sounds immeasurable, and in their own way, they would like to know more about It. Some though, could not make that step, because they would be ridiculed by those close to them, or those with whom they associate in daily life.

This Miracle that bears My Name is truly a Gift of Divine Love, truly a Gift of Divine Hope, and in It there has been so much Instruction regarding

**that Precious Gift of Divine Love, the Soul. Remember every moment you are awake, that you are the protector of This Portion of The Father, you are a warrior to keep It safe.**

**I bless you with The Father's Love, I bless you with the Love of The Mother of God, and I say, 'Every moment of every day you have a closeness to Us that you do not understand, but We hear all prayers and We do understand your way.' So be it."**

MAY 4, 1995

## OUR HEAVENLY MOTHER

**“Tonight, as this *little one* spoke the Words that were dictated for you to read, remember and to use, Many of Us stood by listening, and also injecting What We wanted you to know.**

**You live in a time in which humanism is so prevalent. You live in a time where sincere dedication to Spiritual understanding, practices, are not in the degree they should be.**

**I hold *the little one* deeply, and I fully know that it would be difficult for you to understand the Control We have over her physical.**

**In the beginning of this time with you, the discussion on ecstasy was Our Way of telling you that many, many, or even most times, she is more with Us than with you. Sometimes she says, ‘I feel as though I am being tossed forth and back, back and forth, from One World to the next.’ We say, ‘This is true, for how else could you instruct others in Our Words, if this was not Fact?’**

**As We pass Our Words through her it is for Souls, not just Those present where she is, but for Souls throughout the world. Some would say, ‘How can this be, when other places do not see her, do not hear her?’ That is why the Words must be delivered throughout the world, because many who cannot read Them, others will read Them to them.**

**It is important that mankind of all races, all colors, all creeds, know that This Gift of Divine Love is present in the world at this time, delivering Messages of Great Importance.**

**I, your Heavenly Mother say, ‘As you hear My Words at this time, ask yourself: If it had not been for This Miracle, where would you be on this night? What would your life be like? What would you be doing? Who would you be with?’ These are important questions for you to think about.**

**Now think of the millions who are not in this room. We are depending upon you, a small number, but remember: My Son, The Son of God, walked closely with but a few, and yet in your day you know many things about Him and about them.**

**Does this not say an important thing to you? Word of mouth, the written word, passes quickly. Silence does nothing, but sound is a Gift of Divine Love. You have been Blessed with the Gift of speech, you have been Blessed with the Gift of Faith, you have been Blessed with the ability to hand to others what you know is good for them.**

**There are many professional people throughout the world, professional in different ways: some deal in words, some deal with the mind, some deal with the physical, some deal in financial matters, some deal in strictly political ways.**

**Each of you present here, and others who come here, have a great advantage. You have Something to give, Something to speak of, speak about. You have a Gift of Divine Love, a Gift that is yours to hand at your own discretion.**

**You have heard Many of Us speak many times. You have learned much about what life is all about. You have, in many ways, grown morally, mentally, and spiritually. Share this Treasure with others. Do it in a way**

they can understand. Just as you were handed It, a small bit at a time, others will enjoy It in this manner, the same way.

So Many Here continuously speak, so this *little one* will be able to cover all areas that are necessary for Souls to be saved. It is a disgrace to hear some men, women, and even children deny important moral issues, because they say their way of life is hard, difficult, and that they cannot live like others.

As this *little one* uses My Words, she watches for My Movements. I have been moving more this time than any other time, because of the physical exhaustion of her whole being. There is so much more for mankind to receive, to strengthen their manner of doing things.

I will repeat what was spoken on the night before this. We want this *little one* to get some physical rest. That is why her times with you will be fewer for a while, but We do this for her physical strength to become stronger.

So much has been passed that no other place in the world has heard. You

**have heard It first. I bless each one with My Love and say, ‘Be thankful for your Gift of Faith and your ability to have it grow, because you must strive for Sainthood; this you know.’ So be it.”**

**MAY 10, 1995 AT 11:43 A.M.**

**“The time in which you live has many privileges to it, in it, because so much is being revealed to strengthen the mind regarding the Importance of the Soul that has been placed within the conception.**

**We hear arguments regarding this Fact. It is inconceivable to so many, only because they do not want to accept the responsibility of this Act of Love that The Father instills at the moment of conception. So many who hear This Statement automatically refuse to believe it because of the manner in which they live each day.**

**The word ‘immorality’ does not fully cover all the wrong that is occurring throughout the world by human beings in all walks of life. You must understand that as This Miracle was handed to the world, It was for a Great Purpose, and that Purpose was and is to protect the Souls that are being destroyed by so much ugly immoralities, due to immoral**

weaknesses worse than have ever occurred before this time.

**So much has been spoken about the necessity for sound moral values and sound moral standards. All who take These Words down, all who pass These Words to others, all who read These Words, logically cannot deny the Value, the Truths, the Love, and the Reality that is expressed in All of the Words.**

**A few who thrive on arrogance, insolence, and continuous immoral ways of living, use drastic language to disprove the validity, the necessity, the purpose, the reasoning, because they do not want to feel they are being goaded, pushed into believing or accepting a way of life that keeps them from doing what they feel comes naturally. Of course, this is a ridiculous reason for denial of all that is good, all that is moral, all that is logical.**

**If All the Words were counted that have passed through this *little one* since the Announcement to her of this Responsibility, They would encircle the world.**

**Mankind must realize that the enemy of God and man is prevalent throughout the whole world in all areas where man exists.**

**So much has been spoken. There is so much yet to come. Mankind must be alerted to the Dignity that human life was created for. This was and is as close to The Holy Trinity, as one life is when it is born from another life. So be it.”**

**MAY 10, 1995 AT 2:05 P.M.**

**SAINT ANTHONY OF PADUA**

**“Some will say to you, ‘What makes you think Heaven would speak to you and not the rest of us?’ I, Saint Anthony of Padua say, ‘Words of Sound Spiritual Direction would be automatically understood to be coming from a Source that cared about the individual or individuals.’**

**There are so many false stories told about the time The Son of God walked the earth, mostly describing Him as speaking softly in an Instructive Manner. Does not logic say Sound Instruction, constructively spoken, would have signs and sounds of strength, and would not all be spoken or heard in a monotone manner?**

**In this year in which you all live, The Father has designed This Miracle to express and to impress all of mankind, all ages of mankind, to better understand the Purpose of human life, and all that was instilled in it because of the Purpose for which it was created.**

**T**True, in historical accounts, there were many stages of different types of life before the accountable time of mankind. Sometimes so much emphasis is stressed on prehistoric ways, prehistoric life, prehistoric times. You must concentrate now on the time in which you exist and what a Treasure it is because of the Knowledge, the Love, the Instruction that has put such an emphasis on the Importance of human life.

**M**ankind is a Special Creation of The Father's. It has a Specific Goal for which it was created. A dinosaur does not have a Soul, but the dinosaur had a place in the story of the world, in the History of the world.

**H**uman life has a logical purpose, a Supreme Purpose in its Goal. Mankind says, 'I must earn a living so I can support my physical needs.' How many human beings walk the earth and say, 'I must use this physical life for the Purpose The Father intended, the privilege of using my mind, my talents, my abilities, for my Soul to return to Heaven'?

**T**here is so much Purpose to human life and so much Love in its

**Creation.** Never doubt that as you are the custodian of a Soul, this Soul was given to you from Heaven. There are so many outside this place upon the earth who cannot or who refuse to accept this Statement of Fact, of Value, of Truth, because it is inconceivable to them to believe such a Statement.

**Ask yourself if you have ever felt sadness. Ask yourself, have you ever felt extreme happiness? Now ask yourself, have you ever felt doubt in your decision or decisions, because inwardly there was a feeling of immorality, indecency, impurity? This very thing should make you think, 'There has to be a Portion of me that responds beyond what mankind would call human normalcy.'**

**So many times Words of Instruction, Caution, Love, have passed through This Miracle because of the Importance of human life. This is a Gift of Divine Love and you must remember It as such. So be it."**

MAY 10, 1995 AT 3:00 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“M**ankind is many times interested in historical events, Biblical events. Many times all the facts are not elaborated upon or delivered to the degree that would give every facet of what truly occurred. Let us go back now to the Birth of Our Lord. This Story was written in a manner and in a form, to a degree that was most understandable to man’s ability to relate to, to perceive.

**S**o much has been delivered by Us Here, instructing in so many ways, the Importance of What The Father places within each human being at the moment of conception. It is a Spiritual Light, This Portion of Him. It is called ‘a Spiritual Light’ because in Its very Existence, It allows the individual to see what is right, what is wrong, what is truth, what is untruth. This Gift of Divine Love has a name. It is called ‘a Soul’.

**M**ankind is not being taught the Fullness of this Gift, the Logic of this Gift, the Beauty of this Gift, or the

**Divine Love that is in this Gift. It is sad to hear some say: 'What is this Soul you speak about? I never see It, I never feel It.' This statement is incorrect. The Soul is evident in a newborn child. The Soul is evident in every station of living. The Soul is evident when any age chooses wrong over right, right over wrong. It is evident because in Its very silence, the actions and/or the words of the individual reflect something within. The individual is either happy or unhappy, because in truth there is an obvious goodness that shines through; in untruth there is always a dimness or a lack of sincere value to the subject, the situation, or the matter.**

**So much Instruction has been delivered through This Gift of Divine Love, and so much more to be handed verbally, physically, to the whole world. There are men and women outside this room who do many things, some even outlandish, to disgrace This Gift before other men.**

**Let Me go back in time and compare it to The Crucifixion. Even those who knew This Victim was not guilty of any wrong, they jested, antagonized, and deliberately mocked**

and disgraced What He Was All About. Some did this out of fear for themselves, or for some who were caught up in the strength of the example that was supposedly being carried out.

This is now what it was in that time, perhaps difficult for many to understand, since *the victim* We speak through and of, is a very small one who walks with a Strength beyond human understanding, due to the Truth that is so obviously present.

As I speak, I speak with a Firmness, a Gentleness, a Love, a Sadness, because this *little one* walks for Me, as no other one has ever done or ever will be. Her presence is small, and far from what man would term 'physical', but I guarantee you, All of Us Here speak through her strict obedience, her submission to Divine Will that is beyond human comprehension.

I will release her slowly because of the in-depth Power that I used to speak This Message for others besides those here, to learn that We are always Present. Do not forget, Our Words pass through the Light that is expressed through her Soul. So be it."

## OUR HEAVENLY MOTHER

**“I have many Titles. I love Them all. I am Your Heavenly Mother.**

**When a child kneels to pray to Me, I am always Present. My Love for all children is undeniable, and when a child speaks My Name, it is like all mothers throughout the world, I respond lovingly.**

**Through this *little one* so much has been revealed, so much Information, so much Truth, so many deliberate Facts, instructing a Closer Union with All of Us Here. Sometimes What We reveal takes much courage to repeat to others, because you see, *the child* is vulnerable to open attacks, physical, mental, moral.**

**Recently My Name was added to a prayer. This prayer will not be readily acceptable to thousands who will hear it, and those who feel they have the right to control what a prayer should be.**

**As this *little one* repeats Our Words, she is bound by a tremendous**

**Responsibility to repeat Them exactly as We speak Them. In the last days, We hear many children of all ages repeating in various ways, a Prayer honoring Four of Us, instead of Three.**

**Courage comes in many degrees. Courage comes through justice, honor, love, and it does not always have a feeling of security. When We make Announcements through this *little one*, We do not expect all who hear Them to immediately agree, but Our Plan is that time will reveal the Logic, and the children will see It for the Value It is, the Truth It is.**

**What has been delivered is not a secret to be kept by those who heard It first, but It is to be delivered throughout the world so that others will see the Value of It, the Beauty of It, and feel the Importance of including Me in The Holy Trinity. Some children who have heard What was first said, have practiced using My Name. It is beautiful to hear, because you see, no one before this time ever dared to defy the original Words that were spoken, declaring it to be carried on through time with no change in its Word line.**

**I hear children saying this short prayer. The Father smiles and says: 'They're working on it. It will one day be said by millions, without question, without error, without concern of another's opinion.'**

**A short prayer is very often a prayer that can be said rapidly, often during the day, and in the ability to repeat it, it's like talking to loved ones, calling their name. The prayer of course I speak of, is this: You begin many prayers with it because it is a form, a way, a beginning, and then when you say other prayers, it closes in the other prayers, when repeating the Salutation.**

**I smile when I hear you practicing this short prayer. It is a delight to Me now that this time has come, because I am always Present, and even though there is much dissension regarding a Word defining My Place as Part of The Divine, I do not expect mankind to fully understand this at first, but logic will eventually take over. I am sure of this. The prayer of course, is this, a Salute to All of Us: *'In the Name of The Father and The Holy Mother, in the Name of The Son and The Holy Spirit of The Father. Amen.'***

**Of course, time will decide the exact Wordings mankind will rely upon, best for them to use, for them to feel more at ease, adding My Name to this Very Important List. So be it.”**

SAINT ALOYSIUS

**“Our Entrance is never dismissed by this *little one*, no matter where she is or what the time is.**

**Men who walk in so-called ‘religious circles’, bound by certain rules of authority, could never understand the obedience of this *little one* We All teach others through. Our Instructions, Our deliberate Words, are inwardly and outwardly a tremendous Responsibility to her, and We depend upon her obedience to react immediately to Our Presence.**

**Today, many are celebrating their earthly ‘Mother’s Day’. We are present at all times, and are happy to see this honor to so many. Needless to say, many are forgotten and many ignored. This is sad.**

**As the earthly mothers are honored in a physical way, I come on this day to remind all of mankind of The Heavenly Mother, Who played an Important Part of the time in which The Son of God came to the world for an Important Message, and to leave**

**an Important Time regarding what a family consists of: a Father, a Mother, a Child, Souls.**

**I will speak more.**

**I am Saint Aloysius.”**

MAY 14, 1995 AT 12:38 P.M.

**GOD THE FATHER**

**“I Am The Father, and I Do Speak through this *little one*, this *little instrument* of Mine.**

**This Miracle has revealed so much to mankind regarding the Purpose of human life, and when it is questioned, I Am Angry, because it is the enemy of man that encourages mankind through his or her weakness, To Deny My Love And My Presence.**

**I Speak Constantly, because you live in a time of much wrong, abusing the Soul I have placed within each conception. When I Hear Anyone Deny This Truth, I Become Angry.**

**I will cut this Message short, but I will speak more later. I Am The Father, and My Will Shall Be Done.”**

MAY 14, 1995 AT 1:40 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“I am Saint Joseph.**

**This Gift of Divine Love that has been sent to the world is a Gift beyond man’s understanding, only because mankind is incapable of fully understanding such Phenomena.**

**So much has been explained to mankind through This Gift that is Totally Delivered by Us, for mankind to better understand the Reason for human life, and the Important Purpose for which man was created.**

**Some read the Words and find Them logical and informative, but say to themselves and others, ‘Why would such Information, Direction, and Important Details come through *a woman*, and not through one in a high position of religious authority?’**

**It has been this way all through time. God, The Father of All Things, chooses ‘a child’ for obedience and love, and with a determination for His Will to be accomplished.**

**Every time such Phenomena occurs, there are always some who try to smother such a Beautiful Gift through their indifference, arrogance, disbelief, jealousy, and/or prevalent immoral practices. Satan uses all weaknesses to disgrace and/or cause others to doubt, deny, and/or reject such a Blessing.**

**Satan has a jealousy beyond mankind's ability to understand. It is based on hate, and impurity, and anger.**

**Belief in This Gift of Divine Love has strength in It that covers every facet of human life. Reality tells those who believe in Its Beauty that It is a Treasure beyond anything in life. So be it."**

MAY 14, 1995 AT 2:12 P.M.

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori.**

**Court is in session. What is the subject? The subject is, of course, the validity of *This Miracle Of Saint Joseph*.**

**Men in several places argue points of proof, imagination, and/or personal attention, as the motive for so much to be written or spoken at this time, that is said to come from Heaven.**

**Logic should tell mankind that so much on such important items of Direction for the benefit of Souls, could not lack Truth, but is obvious by Its Content that no human being could be so spontaneous on such Important Spiritual Situations and/or Facts.**

**This *little one* through whom so much is spoken, written, must not be criticized by anyone, because Truth is obvious, and Sound Facts and Direction for Souls is logical in All that is delivered.**

**Jealousy, arrogance, pettiness and/or a lack of Spiritual understanding are the basic reasons for criticism and determination to undermine This Miracle.**

**The human body of this *little one* is beyond exhaustion, but she will be continually used by All of Us Here, because This Miracle was designed to inform mankind of the Importance of the Soul. So be it.”**

MAY 14, 1995 AT 2:55 P.M.

## SAINT ALPHONSUS LIGUORI

**“When man wants to advertise a product, a subject, a person’s ability, a new idea, he advertises it to all areas he can reach through word of mouth, news media and/or any other service available.**

**When The Father decides to alert mankind to a Subject Matter, or to His Message or Messages that He wants mankind to follow, practice or understand for the benefit of Souls, He very often uses ‘an instrument’ to pass His Messages and/or Direction. The instrument is cognizant of All the in-depth Meaning and does not interfere or not respond to the Order that is given.**

**You live in a time when much is being taught to mankind through *a small voice*, and *a child* who immediately writes herself, or dictates to others for the Messages to be written and delivered to the whole world. We depend on this obedience because of the importance of All that is delivered.**

**If Each Word was connected end to end, it would cover ages unbelievable to man's ability to conceive such distance.**

**I am Saint Alphonsus Liguori. We are All always where this *little one* is. Never doubt This Statement. She is *the funnel* of Our Delivery.”**

MAY 17, 1995 AT 12:10 P.M.

## SAINT ATHANASIUS

**“I am Saint Athanasius. It is difficult for some to believe that I would speak at this time, through a little one like *the one* I use, like so Many Others Here do also.**

**There is much chaos throughout the world. There is so much diabolical practices of the mind, of the physical, that We Here in the Heavens many times plead with The Father to stop it before it gets worse. He says to Us, ‘The world of mankind is being instructed constantly against practicing so many impure actions, thoughts.’**

**The Father says: ‘I have sent to the world *a small one*, so mankind can better understand that Messages such as I have given and allowed, have to be True, because someone so small, so little, so loving, would not give such Strong Direction to mankind in so many ways. Everything I have allowed to be given is easy for all minds to understand, to accept, because of the simplicity in Manner, in Words, in Continuity, that would be impossible**

for even highly learned men and women to speak in such an orderly, logical direction, spontaneity.'

We see from Where We are, no change in man's behavior except to be worsened, and this is not just upsetting to Us, but in rationalizing what is not happening, We say, 'All of the Messages are not getting out to the world.' We hear you discuss manners of doing it, ways of doing it. We hear your love for The Miracle, and how deeply you want others to know about It, learn from It, and change their lives because of what It teaches, instructs, defines, encourages, because of the Souls that are becoming lost.

There are men, women and children at this time in the world who defy constantly, consistently, deliberately, purity of mind, body and Soul. The Father says He could use a sound that would travel throughout the world, touch every area in the language of that area, and mankind would compare it to a logical source, a logical force, a logical means, because mankind, in so many ways, ignores Pure Beauty, Pure Truth, Pure Logic, Dignity, and the Importance of the Soul.

**In The Father's Creation of mankind, I want you to think about this: Within the human body, He placed a brain. This brain has much purpose, and I want you to remember that there is balance in this brain. There are two major parts to this brain, two sides, and The Father, in His Balance of all things, gave mankind two sides of the body, two arms, two hands, two legs, for balance.**

**Within the body structure, every part of the inward part of mankind has reason, it has purpose, it has a distinctness. How can mankind deny the Existence of God, the Existence of a Soul, and the Existence of The Father's Love at all times?**

**As mankind must read These Words, or have Them read to them, Each Word is a Treasure, Each Word is a Direction, Each Word is a Gift, because of the Importance in the design of mankind, the Purpose for mankind, and the Gift of the Soul within each human life.**

**In this room, if The Father were to place forty learned men of great stature, and they were to all teach at the same time, ask yourself, could**

it possibly be more than what you have just been given at this time? I say, 'No,' because you see, the Words that pass through this *little one* with a Continuity to Them, in Them, and a Purpose for Them, always instruct men, women and children to see the Value of human life, and the Purpose for which it was created, allowing mankind to know that through the Soul, every human life can live Forever in the Realm of God.

You are asked to protect something of value, a monetary thing, and suddenly something happens to it; you become distraught, sometimes panic sets in, and you must find what is lost. Mankind should feel this way about his or her Soul, but It is the least of all concerns. This must change. That is why This Miracle has been given to the world, because of the Soul. So be it."

MAY 17, 1995 AT 1:08 P.M.

## VISION

**A** Vision just previous to this Revelation was of Our Heavenly Mother surrounded by fourteen children of all different cultures, nationalities from throughout the world. She said that each child spoke in a different language, none spoke English. But She assured us that what She would say in English, each child would be able to understand the full meaning of It in the language of their country.

**This** was said to let us know that as the Books would and should reach other countries, people would understand Them.

## OUR HEAVENLY MOTHER

**“My** beloved children, I am writing a Letter to children throughout the world. I am passing It through This Miracle of Divine Love. As I am your Heavenly Mother, I have chosen this time to speak, to not just tell you of My Love, but to ask you to remember My Love for you wherever you are and in whatever you speak.

**I**t is important to never speak in an impure way. It is important to ignore all impure thoughts, cast them away. It is important for you to understand you are the custodian, the soldier, that must always be alert to protect the Soul that is within you.

**Y**ou must be pure example. You must see that others see you loving God above all things, and when you pray, remember to say,

*‘Thank You, God, for the  
Gift of Faith, because it  
strengthens me when I am  
alone and with others.’*

**R**emember to be example so when you are left alone, in your heart you will know that others remember what you were like, and they will act with pure thoughts in everything they do, for example is important, and as you pass it on to others, they will automatically be example of it, and they, too, will be sure to pass it to all they meet, all they see, all they become a part of.

**P**urity of mind is a happy mind, because there is nothing in it that is distracting. Purity in one’s body has

**a feeling of cleanliness that gives strength, because when something is blemished or unclean, it is a total distraction. When your Soul is radiating to others a purity that man cannot see, you can be sure your purity is felt, because it is governed, guided, by The Holy Family. So be it.”**

MAY 17, 1995 AT 2:08 P.M.

**SAINT CYPRIAN**

**“An alarm is ringing. In reality, you do not hear it, but you are fully aware of it. All of Heaven is ringing the alarm, and in every way the enemy of God and man is doing everything to dismantle it.**

**Very often when mankind is alerted to Truth, a great battle takes place because of the pull, the draw to humanistic values, feelings and senses, but mankind must remember the Soul is more Powerful, and the Soul must be thought of when temptation of any impurity shows in any form, in any manner, from any human being, whether this individual is closely associated or just a passer-by.**

**Man puts much emphasis on the importance of an alarm because of its intention. It shouts ‘Alert,’ it shouts ‘Danger,’ it shouts ‘Protect yourself.’**

**I am Saint Cyprian. I do not openly speak often, but today I have the privilege of alerting you to an alarm. So be it.”**

MAY 17, 1995 AT 2:37 P.M.

## SAINT BERNARD

**“I am Saint Bernard. You do not realize what is happening in your time, but I come on this day to alert you, and in some ways It is a Warning.**

**Many prayers, many times mankind used to concentrate on, going in groups or singly, to speak to The Mother of God. They had names for some of these visits: Novenas, Holy Hours, Rosaries, and specific times when all things were drawn to the Attention of Her.**

**Mankind must return to such a manner of living, because She is being neglected in so many ways, so many times, and prayers to Her are not being solemnly spoken or solemnly thought. Children are not being taught what She is All About.**

**Mankind is distracted by so much humanism that they are ignoring specific times devoted to honoring The Queen of Heaven, The Mother of God. So much is going on in the world, causing distraction. So much immorality is prevalent, and so much**

entertainment based on immorality. Our Heavenly Mother must not be ignored, and mankind must begin to use time in honoring Her, also better understanding of Her Place in Heaven.

As I speak through *a little one* in the world, I hold her attention to a Vision that was spoken about earlier on this day, with children of several different cultures surrounding Her, and She lovingly taught them each in the manner and the way they could understand What She meant and What She had to say.

The world in which you live has more chaos in it than you fully realize. You must understand there is no peace when everything is chaotic. The world is disregarding so much that should be more fully understood regarding The Holy Trinity. All manner of men, women and children are more obsessed with new inventions that deal with nothing but immorality.

I stand with so Many Here in the Heavens, and We All listen to All that is passed through This Miracle, and We constantly say, 'Father, they are

**listening, but they are not practicing sound moral living conditions.'**

**This time in which you live, a Special Gift of Divine Love has been openly handed to you, openly dictated, so you can use script to help yourself remember What was spoken. There is no place in the world that All of This is happening except here.**

**Be aware also, make a vow of obedience to God that you will spend more time saying Her Prayer. So be it."**

MAY 17, 1995 AT 3:20 P.M.

**SAINT BERNADETTE**

**“I am Saint Bernadette. Courage comes in many forms, for many reasons, in many ways. Sometimes courage is preceded by fear, concern, doubt, embarrassment, and/or a moral strength beyond what mankind could describe.**

**At the time The Holy Family walked the earth, it took much courage to stand in the midst of mankind. In those days there were many evil people, as there are now in your time. The good was approximately to the same degree that you are surrounded by today.**

**A child is taught courage with the first step he or she takes, and of course, there are many other times in the beginning years that a child learns courage is necessary for survival.**

**Children who are taught to pray have an advantage in many ways, because prayer develops courage, and always presents encouragement to stand strong, firm, and be comfortable**

with decisions that are right for the purpose, the time, or the way.

As I dictate These Words today, They are being written for others to read, to gain strength from, but there are many times We speak through this *little one* on a one-to-one basis with others, who do not know the value of What is being spoken to them because they are only aware of the circumstances, her presence, and the presence of others who may be there.

Sometimes there are Several of Us present, and We are putting the Words her way, for there is no time she is without Us, because you see, This Miracle of Divine Love is for the whole world, and so many times We are totally involved in her Conversations in so many places and in so many ways, regarding so many subjects. This might be difficult for some to understand, but nevertheless, it is Truth, and it is God's Way.

Courage is oftentimes expressed and practiced when you tell someone of This Great Miracle, because you anticipate their rejection or their lack of belief. Never allow this to distract you from your role, because

**you see, your Soul is involved in this act of association with others you meet and/or you know, and your Soul is fully aware of the Soul of the other individual, or individuals with whom you are expressing your ideas, intentions, actions or interest.**

**So much has been delivered so rapidly so many times, because in so many areas of life, time is so important to your Soul, or the Soul of someone you know, you are with, or you are going to see.**

**I say openly, ‘Courage comes quickly when you practice it often.’  
So be it.”**

MAY 17, 1995 AT 3:53 P.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother. I come today to speak to you about the neglect that is being shown toward the Beloved Saint Michael, and All Guardian Angels that walk with you and others every day of your life. So little is spoken about These Protectors of the Soul. So little is mentioned regarding Each One’s place for each human life in the world.**

**Children should begin to learn more regarding this Special Gift that is so silent, so protective, so courageous. A Guardian Angel is never seen by the child with whom It walks, but the Angel is forever present day and night, and never leaves the post.**

**We Here in the Heavens want children to know there is a Guardian such as This, and as the child grows, the Angel grows, because you see, at the birth, the Angel’s Presence is without a doubt watchful and constantly present.**

**Some men say, ‘This is myth; there is no such thing as an Angel.’**

**This is not true, for an Angel is a comfort in many ways to every individual. Sometimes an Angel has a way of giving hope and strength when the one with whom It is feels lost, feels hopeless, and feels the time is wasting away. An Angel is a Guardian in ways man cannot see. An Angel is a Protector. Do not forget that an Angel is closely associated with Me.**

**I give This Message with a Mother's Love, and children should be reminded to be aware of that Special Gift that The Father gave from Above. So be it."**

MAY 17, 1995 AT 4:32 P.M.

**“It is time that mankind realize and understand, when they hear about Saints, Saints are not always stationed just in Heaven. Many times a Particular Saint is requested by The Father to go to different areas, for different reasons, to help in many ways.**

**Sainthood awaits each human life, through the Soul that was placed at the moment of conception. Mankind sees Sainthood in a totally human version, relating to certain individuals that they are aware of, or with whom they had close association.**

**Saints are very close to God, because you see, a Saint is the Soul that walked with an individual, bearing that individual’s name, and in many ways, personality and qualities that were present while upon the earth.**

**Sainthood is not just a word, nor is it just a reflection of an individual’s life upon the earth. Sainthood is a reality that extends from the human way of life, that returns the Soul to**

**The Father in a State of Being that is recognizable to All of Us Here.**

**Man's intellect has a tremendous effect on the individual's Soul. Man's habits, practices and manner of living reflects in the Soul. When a Soul reaches the State of Sainthood, It bears the name of the individual of whom It was placed at the moment of conception. There is nothing difficult to understand about this transformation.**

**If human life did not receive this Precious Gift of Divine Love at the moment of conception, there would be no reason, goal, for mankind to follow The Father's Will daily, nor would there be a reason for human life, because it would then be in the category of all other things.**

**Human life is in a Special Category of God's Love. When human life is over, the Soul remains in a Special Place designed by The Father, to be with Him Forever. It is a Gift of Divine Love, based on Fact, Truth, and a Promise from God.**

**So little has been taught regarding this Precious Gift, the Soul. This Miracle has been given to**

**the world, giving mankind a reason for living God's Commandments in the manner He Decreed Them to be followed. Also, much has been taught on that Special Gift, the Soul, That Portion of The Father placed at the moment of conception, to be returned to Him as a Saint in Heaven. So be it."**

MAY 21, 1995 AT 12:05 P.M.

## GOD THE FATHER

**“F**or many it is difficult to understand that I would choose such a *little one*, basically a very quiet one, to walk such an outward Path, delivering My Words and the Words of Many Here that she does not hear as mankind knows hearing to be.

**T**he world has been Blessed by This Gift, but it is sad to see so many using so much effort to ignore This Gift of Divine Love.

**T**he ugliness of sin is worse than the ugliest thing mankind can picture, partake in and/or visually see.

**I**t is important that this *little one* rest, but in Our Way, not man's, because the work has and is multiplying a hundredfold.

**I** am The Father, and I intend for this *little one* to stand up against all attacks that are evident to Me, because I know what is happening behind doors.”

MAY 21, 1995 AT 12:23 P.M.

## SAINT DOMINIC

**“I am Saint Dominic.**

**I come on this day to tell the whole world, through This Miracle of Divine Love, that more attention must be shown to Our Heavenly Mother.**

**Man is ignoring this duty, honor and necessity, because they are sidetracked by so much self-importance, self-love, self-indulgence.**

**Our Mother fears for the Souls of millions, because there is so much desecration to sound moral values and sound moral standards.**

**The world has been Blessed by This Gift of Divine Love, and mankind must see the Importance of Her Love for the human life that mankind takes for granted, thus abusing the Soul that The Father placed within the conception.**

**Those who doubt This Ultimate Gift will be Judged accordingly.”**

**MAY 21, 1995 AT 12:57 P.M.**

**SAINT CATHERINE OF SIENA**

**“I am Saint Catherine of Siena.**

**We listen to children speak and We enjoy it much, especially when We know that the children love The Father, and the children are aware of the Importance of their Souls.**

**This Miracle must become known in many areas of the world, where there are no real instructors of the importance of Faith in God, or the Goal of the Soul of mankind.**

**Paganism is throughout the world, and it is identifiable even when an individual stands shouting, ‘Praise the Lord.’**

**I will talk more on this at another time. So be it.”**

MAY 21, 1995 AT 1:18 P.M.

SAINT ALPHONSUS LIGUORI

**“I am Saint Alphonsus Liguori.**

**This *little one* needs to know she is not alone, so We are constantly with her. The Responsibility she carries daily is beyond any human comprehension.**

**Men, and some women, try to find errors in What We say through her, and I guarantee you, it can not be done.**

**Spiritual Direction is controlled by Us because of the Importance to mankind’s Souls, and This Gift of Divine Love that constantly covers all areas of moral values and moral standards, is a Gift at This Time, beyond most other times in the History of mankind, where ‘an individual’ was chosen to stand so alone against all of mankind, yet stand for all of mankind in the Importance of the Soul that is truly a Portion of The Father.**

**Watch others who do not have the benefit of hearing or reading Our Words. There is an obvious void in their**

**lives. That is why it is so important for the whole world to learn of This Gift that The Father has requested so Many of Us Here to instruct mankind in, in a manner understandable, logical and important.**

**As I close, I say to *the little one*: ‘Never feel that you are alone, because We are with you in more ways than conceivable. Do not forget, every human life has a Soul, and because of this, Our Presence is always where man is.’ So be it.”**

MAY 21, 1995 AT 1:47 P.M.

## THE SACRED HEART

***“I AM THE SACRED HEART.  
MY HEART BEATS  
MY HEART PLEADS  
FOR MANKIND TO OBEY  
THE FATHER’S COMMANDMENTS.***

*There is so much evil throughout the world, by men, women, and even children. Offenses of impurity are constant, and acted out without any thought of purity.*

***‘THIS MUST CEASE.’***

*Mankind must realize that human life has a Divine Purpose, and is a Special Gift of Life that has a Goal beyond any other living part of creation.*

*My Heart Must Be Seen More In Open Places, To Remind Mankind Of My Will, My Way, My Love, My Goal, For The Souls Of Man. So be it.”*

MAY 26, 1995 AT 3:35 P.M.

## OUR HEAVENLY MOTHER

**“I speak today as The Heavenly Mother of all mankind. I speak through *a little one* who was chosen a long time ago to repeat All the Words to mankind. I speak in a manner solely for her to hear, but then through her obedience to Us, the Words will be seen by millions throughout the world.**

**There is so much desecration by so many, to specific things that were and are meant to be Sacred, for mankind to understand a Link between man and The Father, man and Myself, man and All The Saints Here in Heaven. It is sad to hear so many remarks by those who lack Faith in such a Miracle as This, those who specifically deny Its Existence.**

**A long time ago, a man stood in the world. His name was ‘Moses’. Many stories have been written about His life, but because no one at the present time lived in His time, much could not be spoken about, written about. Many details that occurred in**

**His time are not recorded for this time in which you live.**

**This Miracle that speaks so openly about The Father's Will for mankind, extends to mankind a Generous Amount of Divine Love, Divine Hope, beseeching mankind to persevere in all that is good, all that is right, because of the Soul that was instilled at the moment of conception, to one day return to The Father Forever and Ever and Ever.**

**It is sad to see so much diabolical dissension supported by man's weaknesses, mankind's perverted ideas regarding what human life was designed for, and its Goal for which it was designed.**

**As I speak through *a little one, an obedient one*, I am fully aware of all the obstacles she must face, and all the areas in which mankind defends human reasoning and denies Supernatural Presence.**

**This Miracle is a Gift beyond any human measure of enlightenment, of hope, of understanding, but It is truly a Gift beyond man's ability, so I say to mankind, 'See the Beauty, accept the Magnitude of What you hear, What you**

**read, and What Direction All Things are given in and for.'**

**This time is a Special Time in the world, because this time The Father Chose to be Close in an Obvious Way to all human life.**

**This Miracle cannot be denied for any reason by anyone, because The Father has designed It to be in a Particular Way, for His Direction, His Love, His Purpose, to be expressed to mankind, so that mankind will not be left alone at a time when there is so much diabolical intercession.**

**Every child knows a mother's love is special. That is why I come at this time, because My Love is in Each Word I have spoken, that has been written, for all races, all colors, all creeds, to feel closer to The Holy Trinity and Me. So be it."**

MAY 31, 1995

SAINT ALPHONSUS LIGUORI

**“As I speak through this *little one* at this time, Several of Us stand Here and smile because of the Beauty that is extended to you in such a normal, natural Love, because of human love for each of you.**

**I am Saint Alphonsus Liguori, and with Me are Several more, difficult for many men who walk a different way of life, but not difficult for you if you trust in Our Words that We speak to you on this night. The Father chose *a little one*, one who would be obedient to His Will, His Way.**

**Mankind does not realize the Magnitude of what life is all about. Man says, ‘I live today.’ Remember, as you live today, you must look forward to tomorrow and the day after that, and hopefully, many, many days, because you see, each day gives you the chance to grow closer to The Father, to give your Soul Greater Glory, because one day that Soul will stand before The Father, and as It does The Father will say: ‘Much love was passed through**

**You to Me by a little one. I remember every way, every time.'**

**As I speak These Words, The Mother of God wants to speak to you also. There is a sadness Here in the Heavens when mankind does not want to give Her the Title that is Hers from Him. This Title was not granted to Her by man.**

***The child* will explain to you what she sees."**

## VISION

**Our Blessed Mother is surrounded by Ten Saints. They're All smiling. Saint Francis of Assisi, Saint Ignatius Loyola, Saint Alphonsus Liguori, Saint Martin de Porres, Saint John Bosco; He's smiling.**

**I am looking at the Others in the Vision.**

**He's smiling. It's not a "He", it's a "She". That's what They're smiling about. Saint Joan of Arc, Saint Bernadette. Our Lady is smiling. I can't see. They are talking. Now I see Saint Patrick. He has a big miter; He shows it that way. (Frances points to her head)**

**What They're smiling at is, I am asking Her why people are not taught to pray to Moses, and this She smiles at. She said, "Who told them not to?" and She says to Them, "*The little one* is concerned for those who do not obey The Commandments of The Father."**

**She's smiling.**

### **OUR BLESSED MOTHER**

**"As I speak to sons on this night, I am hopeful that My Words will reach My daughters also.**

**There is so much disgrace in the world, so much diabolical intervention. It Must Cease!**

**Children of all ages must begin to understand the importance of purity of mind and body. Children of all ages must learn to cast aside all temptation, be strong, and use time for important things, accomplishments that will give them strength to better understand the Dignity of life, and of course, the Purpose for which it was created.**

**Children of all ages must understand that there is no age that is not included in Our Love for mankind.**

**The newborn child is a Gift of Divine Love, a responsibility, because within this Gift there is a Soul.**

**And then, as We look at each age of life that mankind is involved in, every age has a purpose, and every age must understand the importance of that particular age that was given to help them become stronger morally, physically, mentally, and of course, more in love with The Father, to become 'a Saint' one day.**

**It is important for mankind to realize that there is a Goal of life, just as there are goals upon the earth for man to achieve. The Goal is ultimately Sainthood. Never be ashamed of letting others know that That is your Goal, because you see, wouldn't life be foolish, why would The Father have created it, if it did not have a Goal, a Purpose, a Dignity attached to it?**

**Mankind forgets the Goal The Father created for it, and that is to one day be Here with All of Us. Some men try to argue this. Their arguments are incorrect. You see, for them to admit that there is a Goal of life, they will have to change many things, they will have to correct their faults and turn**

their energies to hope, to prayer, to morality.

**You live in a time of great danger to millions of Souls. Mankind is not understanding the Importance of human life, the way it was intended to be, the Goal for which The Father created human life, and that, in true essence, is to share with Him the Beauty of Divine Love, Divine Grace.**

**As I speak through *a little one* in the world, I speak through obedience. This obedience should be example to all of you, because you see, as you pray, you must pray to become 'a Saint'. As you pray, you must pray for more Faith. As you pray, you must ask The Father to not allow you to stray from the path He created your life for.**

***The child* says, 'The Others (referring to The Saints Who were present in the Vision) have left me, left You,' and I say, 'Yes, They have,' and she says, 'Then They left me,' and We smile at this and I say, 'She's searching for Them.'**

**In this small struggle you have seen her go through, think of it this way: The day will come, and as your Soul passes from you, you too will**

reach out just as she has done, because the Soul, as It leaves you, will be going another way.

Man says, 'I cannot figure out how I have a Soul; I never feel It.' Oh yes, you do. You feel It in your manner of knowing right from wrong. You feel It in what you see as justice, what you see as morality and immorality. You must see It, because you have the ability to know when you are not standing in good favor because of a sin upon your Soul. Be aware of this, make reparation, and do it proudly, quietly, sincerely, lovingly.

Now, as I leave this *little one* and you, I leave with a Mother's Love and I say: 'All you have been given is beyond any other place in the world. Cherish It, and be sure that you use It for that Special Gift of Divine Love, your Soul.'"

She's fading. She's gone.

## GOD THE FATHER

**“When We enter, *the child* through whom We All speak is signaled immediately, for her to adjust to the Specific Power We are, because you see, what occurs at this time is Supernatural. It is not natural to mankind to hear Our Words in the manner *this child* hears Them.**

**For so long The Father has allowed so many Words to be dictated for the benefit of men, women and children of all ages, all races, all colors, all creeds, for mankind to better understand the privilege and the Importance it is to be born as man. Human life has a Divine Purpose, a Divine Goal, and in this Creation of Mine, I placed within each conception a Soul.**

**So much has been described to mankind. When I hear a child of Mine doubt My Will, My Way, My Words, My Direction, My Hope, there’s a sadness because, do not forget, a Portion of Me is within that child, called ‘a Soul’.**

**Some say: ‘I do not believe in Heaven. I do not believe in all that has been spoken about, regarding a Life after this life that I have been driven to live in the human form.’ This is a sadness for Me to hear, because in this remark I feel desperation, I feel an inability to understand My Love, My Willingness to give life, to give hope, and to give security.**

**There are so many throughout the world who say that I cannot exist, or I would not allow so much to be occurring, so much wrong, but I say to these children of Mine, ‘Do not forget, I gave you the freedom of a will, to choose, to make decisions, and yes, to show that you love Me.’ How can it be difficult, when children see so much harm in wrong, so much love and beauty in what is right, and yet they choose the wrong at that time?**

**As I speak through this *little one* on this night, some men would say I would not do it, I am too far above it to do it this way. My Voice is not a voice like your voice, so I use *a voice* that you can relate to, that you can understand, and that you can learn from, because I am coming to the world through This Miracle of My Love**

to instruct mankind in so many ways, so that mankind will fully understand the Importance of human life and the dignity that I intended for man, and that My Love for this creation was so Special to Me that within it I placed 'a Portion of Me'.

As I speak to you on this night, some men would say it cannot be, but I, your Father say, 'My Words are Direct from Me, and I have come to the world through *a small voice*, obedient to My Will, with a Strength to do My Will as I Decree It to be done, for the benefit of Souls to be returned to Me.'

As I speak, I hold *the child* solely to My Attention because of the littleness she is, and as I release her to return to be in your midst, it will take at least three days for her to be able to associate in the manner you know in the human way to be, for the Power I extend to deliver My Words to you, is a Power beyond man's belief or ability to believe, for What is occurring in your presence now is not a normal ability.

I am fully aware of each one's love for Me, and I am always aware of your choices in your daily way of living. If

**you will but remember that I created you out of My Love for you, and the Soul that you are the caretaker of, is 'a Portion of Me'.**

**I will release *the child* slowly to the point where she will be able to function humanly."**

**JUNE 6, 1995 AT 2:30 P.M.**

## **GOD THE FATHER**

**“Emotional, irrational rejection and resistance projects its prevalence throughout the world. Seeing this is a sadness to Me, because Truth is being rejected by so many, and so much attention and acceptance is favoring immorality.**

**In this year that man refers to as a number, there has been much diabolical acceptance, even though man is aware of The Rules I laid down for mankind from that time on, to obey and to follow to the letter. When I see so little response, so little effort being made by mankind, it covers all ages, all natures, all degrees of intellect that I have allowed to be, so that mankind could understand the importance of Rules that were obviously Directed and Passed from Me.**

**Children are being taught to reject what is displeasing to others, but not what is displeasing to Me. Children are not being taught why I created human life, and the Goal I**

have that awaits each Soul of every living human being.

**I** have delivered thousands and thousands and thousands of Words, explaining, describing the Importance of the Soul that I placed within each conception, and I want this Soul returned to Me in a Manner and a Way of Glorification that I will recognize as being from an individual who treasured this Gift, because It Was Me.

**I** cannot accept ignorance to this Fact, rejection of this Fact, indifference of this Fact, because I have placed within each life the ability to know right over wrong, and that wrong was displeasing to Me, and only favored the enemy of man.

**W**hat I am about to say will be difficult for some to want to read or hear about. A long time ago, stories based on theory were written, indicating My Intentions for certain things. Man's interpretation was allowable because of the time, also because of the degree of ability to ascertain, to understand, and/or to be able to fathom the full meaning of particular situations, lessons, instructions, and theories.

**At the time some stories were written, I allowed them to remain in the manner they were at that time because of the era of time in which they were revealed to mankind, based on this authenticity.**

**This Miracle that I have given to the world through *the smallest of instruments*, judged by many to be frail, judged by many to be unable to have such an Important Association, Connection, Task, My Way. So many men say, ‘I would expect a fortress to be given this Responsibility.’ I say, ‘A fortress is only as good as the security that surrounds it, that is within it.’**

**I have Blessed the world with This Gift of My Love. It is a sadness to Me to see It rejected in any form, in any way, in any manner, in any degree.**

**I Am The Father. That is the Title you know Me by, and as I pass through *a small funnel*, My Words, My Direction, My Will, My Hope, My Love, My Concern, I say to all of mankind, ‘Any doubt you may have as to These Words Being Mine is only your own weakness, your envy, and your own inability to see the Greatness of My**

**Love, and the Degree I will use, the Manner I will use, the Means I will use, to say It so Personally.' So be it."**

**JUNE 7, 1995 AT 11:18 A.M.**

**SAINT JUSTIN**

**“I am Saint Justin. I hear My Name mentioned and it pleases Me. We are All aware of This Beautiful Gift of The Father’s Love, being so openly given at this time when mankind needs It so desperately.**

**There are so many who talk about Spirituality, Spiritual endeavors, Spiritual practices, Spiritual strengths, Spiritual Miracles, and do not fully understand that such a Gift of Divine Love must be looked at as a higher, more meaningful practice for mankind to follow, to understand, and to realize as an ultimate meaning because of the Soul that is given at the moment of conception.**

**Many who deliberately instruct others on the Bible, man’s association with the Bible, do not fully understand that their interpretation is based on humanistic version, humanistic evaluation of how they determine passages to mean.**

**This *Miracle Of The Beloved Saint Joseph* is deliberately passing**

to mankind Instruction to better understand the Magnitude of human life, because of the Soul that is placed within. At one time the Soul was spoken about in a manner and a way that mankind did not learn the fullness of Its reality, because It was not fully understood. Now, at 'this time' mankind is learning directly from The Father: this 'Special Gift' from Him is not ordinary, but Divine.

So much has been delivered in such a natural form with an in-depth Instruction that is easy to understand for all ages, all cultures of mankind. The Father designed 'this time' to be, and it is occurring exactly as He decides, because it is important for all of mankind to realize that human life has a Dignity beyond all other living things, plus a Goal that is beyond what mankind can comprehend.

Some men say: 'If I have a Soul and I am man and I live as I should live, then why would I be separated? What happens to my physical? That is the part I know exists. That is the part I use. That is the part of me I understand, for I cannot see my Soul.'

**Let Me say this: As your heart beats, you are aware of its beat.**

**Is that not so?**

**But remember, you do not see it; it is hidden from you. Your Soul is obvious to you in the same manner, because you have the ability to choose right over wrong, and sometimes your heart tells you when you have chosen correctly or incorrectly.**

**Is that not so?**

**Some say, ‘If my Guardian Angel is with me, why do I not feel Its Presence?’ Ask yourself this: ‘How many times have I been in danger physically, morally? How did I escape a terrible tragedy?’**

**The Father, in His Design of human life, took all things into consideration. Be ever conscious of this, and remember, as you protect your physical, you have the responsibility to protect your Soul. So be it.”**

JUNE 7, 1995 AT 12:04 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“I will announce Myself first. I am Saint Joseph. As We look into the lives of so many throughout the world, it is many times a great sadness to Us because of the unrest We see, and the lack of sound moralities. Mankind many times expresses a deep Faith in God, but in this expression there is a negativism present obviously; not always intentionally, but obviously.**

**This time that so much is being delivered because it is The Father’s Will it be done, it is sad to hear so many men and women rejecting, dismissing, in some ways outwardly abhorring What is passing through this *little one* in the world.**

**If mankind would but think of the Importance The Father has always placed on human life, historically it was shown in many ways. Human life has a Divine Purpose. It is the only life that has this Purpose. Mankind is aware of personality, nature, family, friendships, and different forms of working at particular tasks to**

**accomplish many different avenues for human life to be more comfortable, more intellectual, and a countless number of other things.**

**My reason for describing or bringing to light these facts is for you to understand that We fully understand man's physical, mental and moral way of life, all things that mankind is involved in. The Soul of every individual is Part of every act, every thought, every word of the individual human life in which that Soul is present.**

**When man celebrates a specific event, a birth, a birthday, a special time for celebration, many times there are gifts from others attached to this time. These are mementos of the relationship, whether it be family, friends, or from someone outside these areas that there is an association with. A gift can be treasured because of from whom it came, or what it is, or even just for the memory of the time.**

**At the moment of conception, the Greatest Gift in the world is placed. That is a Portion of The Father called 'a Soul'. It is a Gift beyond any**

**measure. It is a Gift for Life that will be Forever. So be it.”**

**JUNE 7, 1995 AT 1:25 P.M.**

## **SAINT STANISLAUS**

**“I am Saint Stanislaus. This Beautiful Miracle The Father has allowed to be given at this time, is truly a Gift of Divine Love for mankind. You might say We stand in line to share in the Words that are to be delivered from Here. A Blessing of This Dimension is incomparable to anything that mankind is aware of, or physically associated with.**

**It is impossible for mankind to fully understand the Importance of This Miracle that is so clearly stated, giving personal attention to all facets of human life, Directed by The Divine. It is difficult for man to understand an Occurrence, a Happening, a Treasure of This Magnitude, but I assure you, It is a Blessing totally driven, guided by Divine Light.**

**The world in so many ways caters to demonic pleasures, devoting time and energy to all that is disagreeable to what is moral. Mankind must begin to rationalize, evaluate and practice**

**what is morally sound, and cast out all immoralities that are taking place.**

**Some might say, ‘How could so much be spoken at this time, by so Many Who announce Themselves as Saints in Heaven?’ I say firmly, ‘Because you do live in a time worse than any other time in Human History.’ Some who hear This, who read It, will try to deny It, but this does not make what they think right.**

**Mankind talks about the infallibility of a particular position. Mankind eliminates an important point in this statement. If a decision is infallible, the infallibility must be based on the soundness, the morality, and of course, the purity in its direction. Man says, ‘I know truth when I hear it, when I see it; this could be right.’ But I say, ‘Have you looked at it fully, in its full concept, and what results it will produce, encourage and/or be practiced by those who are subject to its direction?’**

**So much is spoken through This Miracle in a general conversation, and many times It is overlooked because of the listener’s lack of understanding such Communication. That is why The**

**Father has placed the Responsibility in script, so nothing could be left to not be remembered when It was delivered to give strength to mankind morally, physically, emotionally.**

**As I leave you, I leave you with a Blessing, and this is a strength to those present and to those who will read what The Father has decided mankind must have. Faith in itself, when it is practiced in the right manner, is a Blessing to the Soul or Souls of those who, in their way of living, always look for the morality and ignore the immorality. So be it.”**

**JUNE 7, 1995 AT 2:58 P.M.**

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori. I sincerely wish that I could speak to you on this day in a way, in a manner that would be totally pleasant, pleasing, hopeful, with Words that would bespeak only dignity combined with security and love, the type of Love in which you would automatically feel Spiritual security.**

**Many times it has been said that you live in a time worse than Sodom and Gomorrah. As I speak to you on this day, I do it because each time you learn more from Us, you will grow stronger The Father’s Way. I come on this day to say, ‘Where you are, there should be thousands upon thousands upon thousands listening to Our Words, as you are.’**

**Many times when We speak, instructing in the manner I am doing now, it is a consolation to Us to know that you are putting Our Words in writing, to be shared with millions another day. It is difficult for some men and women to understand, to**

**believe that The Father's Will, The Father's Love, The Father's Generosity, would be giving to mankind such Direct, Personal Attention, because even though there have been other recorded times, none of Them have been so extensive, so Personal.**

**As I speak on this day, Others stand Here with Me. You picture a Saint in a physical form, the form of human life, because this is what you relate to.**

**So much has been spoken about the Soul that is given at the moment of conception. The Soul is rarely spoken about in the right manner of Distinction It deserves, or that It is present. The Father's Gift to mankind is a Portion not understandable to the human mind, but I beseech you to know, to believe, that the Soul within you exists, and It is a Portion of The Father never denied to a child born because, do not forget, The Father designed human life as He designed all other things, but human life has a Specific Purpose, Goal and Light that belongs to Him.**

**When This Gift through which I speak to you was announced to so many,**

it was as though some had found ‘a pot of gold’. I, Saint Alphonsus Liguori say, ‘Was This Pot of Gold foolishly used, or is It being treasured, cared for, nourished, for the benefit of the Soul?’

So much Instruction has been given at this time in which you live. I ask you a question: ‘For generations to come, how much of The Father’s Love passed through This Miracle will be used, and in many ways treasured by those who will see the Beauty and the Divine Love in the Words, the Direction, and the Gift that It was meant to be for the Souls of all times to come?’

There are so many questions this *little one* through whom I speak asks of Us, because you see, the Responsibility of her closeness to Us, and the manner in which We speak to her and through her, has an Importance in It that many who now live find It difficult to believe. All that has been given, that has been recorded, is for generations to learn more, and be able to reject any influences or influx of satanism throughout the world. So be it.”

**JUNE 9, 1995 AT 12:10 P.M.**

## **OUR HEAVENLY MOTHER**

**“So much has been deliberately spoken in detail regarding This Gift of The Father’s Love to the whole world where mankind exists.**

**I am your Heavenly Mother. I announce Myself immediately so you will more fully understand that what I am about to speak on would automatically be a Mother’s stand.**

**If I were to take a picture of the whole world and I could hand you this picture, you would be in total shock mentally and physically, of the horror that would be available for you to see. You are aware of the word ‘sin’, but in no way are you aware of the depth of sin, the degree of sin, that is evident throughout the world by man.**

**A long time ago, The Father gave to a man Rules, Commands that from that time on, all of mankind was to live by and fully understand sin being against Those Precious Gifts, The Rules, The Commands.**

**It is sad to see so much refusal by men, women and children, to ignore what is wrong and stand up for what is pure in mind, body and Spirit. There have been many times since the beginning of mankind that such despicable, immoral patterns of life and for life were acceptable, and purity of mind, body and Soul were the least in any priority of man's actions, thoughts, words or associations.**

**I listened to you speak. I also listened to your thoughts. I listened to your solutions. I listened to your in-depth feelings of how you felt certain changes could reflect what This Miracle of Divine Love is all about. How many times have you been confronted by others, wondering why you are involved with a particular type of Spiritual thinking? How many times have they questioned you, or not questioned you, on what they sense reflects from you?**

**Man has a saying: 'Live and let live,' but do those who speak these words fully understand what they are saying? Because if you think more thoroughly in these words, there is rejection of what is immoral in many lives, and it is acceptable because it is**

**being practiced by someone else who has the right to freedom to do what he or she wills to do.**

**The Father, in the design of human life, was so generous to mankind when He instilled that Precious Gift, a will, to be used at the discretion of the individual. Mankind shouts, 'I want my freedom,' and yet there are many places throughout the world where man is totally without real freedom. Mankind is in bondage to those in charge, and in no way, in many places, is there any sign that this will change, because of the power that man holds over others.**

**The Father is The Giver of Justice, and in His Love for His Creation, man, endowed mankind with the freedom of a will.**

**This time in which you live is filled with so much animosity, so much hate, so much evil. That is why This Miracle was designed and destined to be at 'this time', and yet We see This Miracle being hidden from the world because of man's inadequate understanding of the Greatness This Gift is, at this time when so much evil**

is being practiced and held in high esteem.

**My Name is known throughout the world. Many hide their love for Me because of the type of authority that they are bound to physically. There are many men who walk in what they term 'religious paths', supposedly to instruct others in the purpose for which human life was created, but in many instances, they are allowing idolatry because of so much humanistic values that are prompting so much wrong idolatry.**

**Let us go to a particular place. I will tell you what I see. I see paganism. I see men, women and children of all ages seeking, accepting, only a humanistic version of what life is all about, idolizing human flesh, human minds that think only of financial control, and also these minds totally reject any decency in association with other human beings.**

*The little one* **The Father has picked, chosen, to speak Everything He Wants Delivered, must be obedient because of the Importance of what mankind is to better understand as the Reason for which man was**

**created. Man was not born just to live each day for only humanistic reasons, reasonings, but a Far Greater Gift was instilled and this Gift was to one day be returned to The Father, representing the individual that was given this Gift at the moment of conception.**

**It is difficult for some to think that such an unseen Factor could have so much Importance, but I, your Heavenly Mother say, ‘The Father, in His Design of human life, did not forget to implant in each child at the moment of conception, a Portion of Himself, not understandable to mankind, but there is Something in each human life that is deliberate in saying to the individual: “What you are doing is wrong; stop it! What you are doing is right; this is good.”’**

**I bless the whole world constantly, because each child is special to The Father and to Me, because each child has a Portion within the human life that is Part of The Holy Trinity.”**

JUNE 9, 1995 AT 2:18 P.M.

## SAINT MARY MAGDALENE

**“I** am Saint Mary Magdalene. We oftentimes lead *the child* into a point of conversation so when We enter, the subject is easier to handle by her for the benefit of millions of others.

**S**o much has been written about past times in History called ‘Bible History’. The story depicting particular incidences, practices and/or situations that had a particular significance to good or to evil times, were definitely not recorded in their fullest, because there was no one at that time using script for such conversations, practices, occurrences, or incidences.

**T**he time in which you live is a ‘special time’, because you have the privilege to learn so much as it occurs, as it takes place. All details are available which makes and gives more understanding to whether the situation is volatile, or Sacred, or personal, or impure.

**T**his Precious Gift of Divine Love that you are present to be a part

**of, you are available to partake in, is truly a Gift Solely of Divine Love. At no other time has mankind learned so much about The Father's Will, and the Importance of human life and the Greatness of the Soul that is within each human life.**

**It is true you are not surrounded by all peace throughout the world, and this is a sadness to Us because it is so much easier to act in the correct manner, obedient to God's Will, where and when there is peace for the mind, the body and the Soul.**

**It is sad for Us to say that the enemy of God and man is playing havoc throughout the world, but you must understand this is being allowed by man, and the enemy of God and man is using every measure available to destroy Souls.**

**Some may read Some of the things that have been spoken, that have been written through This Precious Gift of The Father's Love, and in their own lack of understanding the Importance of such a Gift, the Reality of such a Gift, the Value of such a Gift, It is denied or rejected through human**

**weakness based on strictly humanism understanding.**

**This Miracle is a Gift to mankind that should never be questioned, never doubted, because It is so logically Valuable to the everyday living of man. It is not something farfetched that is expecting mankind to think, believe, or accept an unnatural, unbelievable plan. Every Direction that has been and is yet still being given, is to draw attention to Souls, maybe a Soul that is difficult to reach any other way because of the one in whom this Soul lives each day.**

**When This Miracle is talked about, and there is difficulty in one or more believing It, if you are the custodian of Its delivery, do not be angry, but be example, be understanding to the point where your actions bespeak kindness, understanding in a manner that when you leave the doubter or doubters, they will remain with what you have spoken and not feel animosity. Leave it up to their Soul, because their Soul will know what the next step should be to help the individual, at a given time, perhaps believe.**

**So much has been given. It is The Father's Will. So many Souls are in jeopardy at this moment that I speak with you. The world is, in many ways, so full of demonic encouragement that We sometimes say to The Father, 'Maybe they would understand more if they could see the ugliness of Hell, because they are not accepting What they are being told is important for their Soul.'**

**The Father says: 'They could not handle the beasts, the turmoil, the horror. I use every effort to instruct them before such a horrible sight is necessary for the good of their Souls.' So be it."**

**JUNE 9, 1995 AT 3:13 P.M.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“This Gift of Love to mankind that bears My Name and Who I Am, is a Gift beyond what mankind was aware of before this time. My Place upon the earth, known to the whole world, was as Father to The Son and Husband to The Woman. It was a privilege for Me to be considered This Way.**

**At this time in which you live, The Father has Decreed for more Information to be passed to mankind about Me. I hear so much doubt, and in some places I hear man say, ‘It is a possibility, it sounds practical, it’s believable for me.’ Mankind must understand: The Father allows certain Things of Importance to be released when the time is right, the Purpose is important, and that It will give more strength to mankind’s understanding of The Holy Trinity.**

**It is sad to hear some argue points that they feel should be left as they had learned them to be, but in other ways, man shouts, ‘Progress**

is important,' because man connects progress, many times only monetarily.

**This *little one* through whom I speak, was chosen, appointed, for the Task that strong men would fear to have, because the Words that have been delivered are Words that are difficult for some theologians to accept. This is sadness, because you see, man is open to all new things except some Sound, True Points in Spirituality.**

**Humanism is prevalent at this time in the world. It is becoming dangerous to the Souls of many. Mankind uses so much time, so much effort to display the importance of human opinions, logic, living, that man forgets that all things began from a Higher Source.**

**The Father's Love for His Creation is a Love beyond man's understanding, because The Father in the Creation of man, placed 'a Portion of Himself'. This gives each individual the ability to understand morality, and instinctively reject immorality because it is against the Purity That The Father Is, In All Ways, In All Things.**

**A man, a woman, says: ‘I learned in Bible History that two people were born. One was called “Adam”, one was called “Eve”.’ This story has passed down through time and this story is limited in its degree. Man, in trusting authority, accepted the story as being without error. This Miracle that bears My Name has not been given to mankind to cause confusion, but It has been given to instruct mankind in the valuable reality of Truth, ignoring possible fiction. We are not saying that all that has been spoken before this time is wrong, but so much was written in a language, or languages, with good intent because of the subject matter.**

**This world, at ‘this time’, has been Blessed by The Father, because this time is giving to all of mankind Instruction, helping man understand the reality for the Purpose of human life, the Precious Goal for which it was created. It is sad to hear so much rejecting such important Information.**

**When This Miracle of Divine Love was first introduced to the world, many in high places were told of It and in their own way reviewed It, but only to the degree they were capable of. *The little one* through whom I**

**speak has been victimized by the limited understanding of those who choose to be in charge of Souls, of the spirituality in the lives of so many.**

**The Beloved Queen of Heaven many times says, ‘Father, can You not allow more to be done, for children of all ages to more fully understand the Magnitude of what life in the human way is all about; That Gift that is within each life that You use to embrace the child personally?’**

**The Father smiles and says, ‘Time will be when children learn to accept the Importance I have expressed to them regarding This Portion within them.’ As We hear this Communication, We understand that it is The Father’s Will that must be done for the benefit of all men. So be it.”**

JUNE 11, 1995 AT 1:36 P.M.

SAINT ALPHONSUS LIGUORI

**“There is so much dissension in the theological conduct that is, in essence, causing corruption to the Faith of millions throughout the world.**

**These years that We have been speaking through this *little instrument* of The Father’s have been recorded to a degree that was allowable, for mankind to be alerted to the moral degeneracy that was taking place throughout the world.**

**This *little one* is beyond human exhaustion, difficult for mankind to fully understand, but the Importance of Our Presence must not stop.**

**Man is humanly denying that This Miracle of Divine Love exists, because if they accept It, they will have to change their whole way of life. There is so much diabolical acceptance in all age groups and in all mentalities that it is a tragedy to see.**

**Granted, no time in the time of mankind could be said to have been**

**totally perfect to God's Commandments, totally moral throughout the whole world, but the enemy of God and man is today using every weakness that mankind is capable of, and encouraging it to be a normal acceptance without question.**

**I will close now because of *the little one's* exhaustion, but she is totally aware that Our Presence must never be ignored."**

JUNE 11, 1995 AT 2:20 P.M.

SAINT TERESA OF AVILA

**“I am Saint Teresa of Avila.**

**We are always Present where this *little one* is, because she is a *funnel* of Our Love for mankind. It is sad to hear some say, ‘Why her?’ We say, ‘The Father’s Decision, and The Father should never be questioned.’**

**The Souls of millions of men, women and children must be saved, because there is so little throughout the world that is instructing mankind of the Importance of that Special Portion of man, the Soul.**

**This Miracle of Divine Love has and is constantly instructing all of mankind about that Special Part of human life, the Soul.**

**Initially when This Miracle, This Gift of The Father’s Love was given to the world, many, many people found it important to take part in all that It was about. Then morality took a big deep step downwards, and some who were on a higher plane of learning more about the importance of the Purpose**

for which mankind was responsible, suddenly were told by others to ignore What was being taught. This was a sadness at that time to All of Us, because We saw the moral weaknesses that were becoming rampant and dangerous to the Souls of millions.

So much of What has been Delivered is understandable to the people of all races, all colors, all cultures, all creeds, but when they confer with those they feel stand in authoritative Spiritual places, they are discouraged to follow the Beauty and Benefits of so much Beauty in Spiritual Direction.

We Here in the Heavens stand close to The Miracle, because unless It can reach far and wide, Souls will be lost.

Remember what I have spoken about. It is important.”

**JUNE 11, 1995 AT 2:44 P.M.**

**SAINT JOHN OF THE CROSS**

**“There is so much mental anguish in all races of mankind. Much of this is due to the immorality that is practiced in every age.**

**It is a sadness to Us Here in the Heavens to see so much acceptance and indulgence in all things that are immoral, rejecting all that is moral.**

**The little ones are being victimized by the onslaught of the immorality they are subjected to by those they depend upon, and those they associate as their parents, relatives and friends of the family.**

**There is so much being deliberately ignored because of not wanting to cause upset, but there is little caution being practiced to protect the innocent.**

**Volumes of instructions could be written on the importance of the need for change, because of the Souls of so many that are being victimized by the demonic practices and offensive actions.”**

**JUNE 11, 1995 AT 4:02 P.M.**

**“All of Our Words should travel throughout the world. People of all cultures should have the privilege to read Them themselves.**

**It is important for all people of all cultures to know of This Great Miracle that is so Personal, so Direct, and so Instructive in how to fully understand the Important Gift of Love that The Father has given to His Creation, man.**

**Children should be instructed in the fullness of God’s Commandments, and not just that They exist. Full explanation will give strength to the Purpose for which They were given, plus the fact that They will be and are the Instructions to become ‘Great Saints’.**

**I will speak more on this at another time.”**

SAINT AUGUSTINE

**“I** am Saint Augustine. We are ever alert to where this *little one’s* physical presence is, for you see, she is *the little funnel* that The Father uses for millions of Words of Direction to pass through freely, for mankind to more fully understand that man is never alone, that even though Our Presence is not felt by others, We are totally aware of what is occurring throughout the world.

**T**his Precious Blessing that you are so close to, so aware of, so much a part of, is your way of service to The Father, for as it was in other times, it is now. *One voice* hands to many close to *this voice* What The Father Wills millions to hear, to read, to better understand the Purpose of human life; also, to understand the closeness human life is through the Soul that is a Portion of The Father.

**W**e hear denials of this Fact. We hear denials regarding this *little one’s* Responsibility that bears so much integrity, obedience, and personal

association with so many who The Father wants to be the messengers of His Love to all of mankind.

**Think of this:** When you feel that What you hear, What you write when you hear It, and your part in spreading All the Messages from The Father through Many Saints Here in the Heavens, it appears many times to you as one drop of ink might be, so small, so minute, but I want you to see this drop of ink on what you call 'a blotter'; it will spread to a degree much larger than that small drop. This is what is occurring each time others hear, others read the Important Messages from All of Us Here. The next time you see a blotter, an absorbent piece of paper to you, remember This Message.

**Everything** you express in your very way of life, in how you think, how you speak, how you react, is automatically registered to others present, even to many outside those present, if it is spoken about through the ones who were present.

**You** sometimes think, 'I do not feel I am doing justice to the responsibility that I instinctively

know has been given to me in a very subtle way.' There is so much more to be passed through This Gift of The Father's Love, and though it is a responsibility to those who accept, remember one important thing: your Soul is the recipient of all you do in The Father's Name, to help other Souls be protected against stains of immorality.

You see it is important to help others' Souls, because it would be impossible unless you worked in the manner you have accepted to be. Everything you know is beneficial morally, physically, spiritually to your own Soul, is also your way of giving, helping the Souls of countless numbers of other people.

As I close this Direct Message to you, I say, 'Never forget, The Father does bless those who honor Him in their way.' So be it."

**JUNE 12, 1995 AT 2:00 P.M.**

## **OUR HEAVENLY MOTHER**

**“There was a time when many, many, many children of all ages were anxious to pay Homage to Me, through specific prayers, through dedicated days that were considered devotional times of specific prayers in Honor of My Name, requesting My Attention to a specific subject they were in need of, or they desired to happen.**

**I have many Titles and each Title is Special to Me. As The Mother of All Mankind, I understand children’s needs. I do not hear from so many. That is why I speak on this day, asking My beloved children why they neglect to call on Me.**

**There are so Many Here Where I Am that are deeply concerned over so much heresy that is occurring throughout the world, so much diabolical practices, and so many children not being taught the importance of purity.**

**As I speak through *a little one* in the world, I want My Words, and All the Words that have passed through This**

**Gift of The Father's Will and Love, to be recognized by men and women and children all over the world. Repetition in What I say is necessary, because children many times are distracted to worldly advantages, worldly human ways, and do not practice a manner of prayer, a form of prayer Our Way.**

**It is difficult for Us to see so much humanism throughout the whole world. By this, I mean mankind placing more emphasis on human situations, human associations, disregarding a closeness with Divine Way. So many of all ages have totally eliminated any attention to their manner of daily living, that is constantly disregarding The Father's Commandments and the necessity of moral purity.**

**If you were offered a glass of poison you would reject it. You would cast it away. You would be forceful, you would be indignant and you would have fear to a degree. Ask yourself this: 'What is this sin I am going to perform, that I know is against purity? Is it worth the disgrace it will bring to my Soul, and do I realize there will be a penalty?' Humanism without a doubt encourages much,**

many indiscretions, based on mental, physical immoralities.

**A** child at a certain point learns to say 'Yes' and to say 'No', not always the answer a human parent agrees with. The parent says, 'The child has a will and is learning to use it.' Then as time goes on, the parent has the responsibility to correct the child when the child's response is not proper, is not correct, is not reasonable, or is totally disrespectful.

**I** come through *a little one* on this day in your time to speak in a manner you understand. I have requested My Words be written, so that many other children of all ages will be able to know that I spoke in this manner because of the Importance of their Soul.

**As** I leave you, it is only in the sound of this *little one's* voice, for I am always Present, always available, always aware, always listening, always ready to help a child of any age, because I truly care. So be it."

**JUNE 12, 1995 AT 2:38 P.M.**

**SAINT JOHN THE BAPTIST**

**“I am Saint John The Baptist. I have many times spoken in this Special Gift of The Father’s.**

**There is much sadness Where I am, due to the fact that mankind of all races, all colors, all creeds, are ignoring the necessity to use the Strength of The Commandments, the Strength in the Sacraments, in the manner and in the way They were made to be.**

**All ages are responsible to understand the necessity for The Commandments of God, His Intention behind each one, for mankind to recognize the importance of specific areas of human life. Granted, there is much more meaning to each one than the conciseness They are put in writing in your time.**

**Let Me take One that is being abused in so many ways at this time. It is the Sixth Commandment of The Father’s. One Word does not apply to its full meaning, and it is sad to hear and see so many just attaching one word to this Commandment. Another**

**Commandment, ‘*Thou Shalt Not Kill.*’ This, too, is thought to be only one form of killing.**

**I could speak much on this extensively. My Words today are to draw awareness to how quickly mankind shortens meanings, making everything so concise that it eliminates the full purpose for the Commandment, and how The Father intended it to be seen.**

**Children should be taught The Commandments of The Father more extensively, and children should be instructed in the necessity of obedience to The Commandments. There are no better Rules to be followed, to be obeyed, or to be used as the daily Guides to Sainthood. So be it.”**

**JUNE 12, 1995 AT 3:00 P.M.**

**SAINT BONAVENTURE**

**“I am Saint Bonaventure. It is sad to see so much occurring, and I use a human terminology when I say, ‘It is so disappointing to The Father.’**

**Mankind is a Special Design, an Important Creation of Divine Will, Divine Love, Divine Hope. There have been many times in past History wherein mankind acted, favoring man’s enemy, and of course, The Father’s enemy. There are many names for this enemy, too numerous to mention here, but I will use one you are familiar with. It is the word ‘devil’. He is pictured with horns, a tail, and it always radiates ugliness. The sad part of this is that it should radiate fear to all who see it. This enemy is characterized by all manner of things that are devious, destructive, immoral, unclean; sometimes depicted as the means described as temptation, that refers to impurities.**

**It is true We stand in line, well, almost in this manner of some men’s thinking, to reach out to mankind to**

be aware of the importance of purity and what effect it has on the Soul, that unseen Gift of Divine Love that The Father gives at the moment of conception.

Some despicable remarks can be heard, such as, 'If It is such a Precious Gift, why can I not see It, feel It, understand It, or have some ability to recognize Its Presence?' Such arrogance is many times despicable, and All of Us Here say to The Father, 'Should not, could not some Sign be given to stop what is occurring?' We are told that the child, or children, has the freedom of the will and they know right from wrong. They have been instructed innately. They must make the decision, else how will they ever gain the strength to stand up to real temptation, or to an open battle with the enemy of God, the devil?

Sometimes We hear someone say, 'I don't like the word "devil", the word "satan" is easier for me to handle.' How can one word that means 'the opposite of all that is good', be easy to handle?

When Someone from Here says, 'You live in a time worse than Sodom

and Gomorrah,' it is many times the only time that mankind can see, feel, or think was a terrible time in History. There were many, and I add to this: there is one now.

**O**f course, needless to say, I could speak for a time indefinitely, but We are All limited, because as We have given the Instruction for Our Words to be written, We fully understand the strength it takes, and We are aware of each one's personal love in taking part in writing This. So be it."

**JUNE 13, 1995 AT 2:02 P.M.**

## **THE SACRED HEART**

**“Mankind is familiar with the word ‘prayer’. In reality, the word ‘prayer’ does not express its full meaning. Prayer, to many people, says to repeat Words that were learned according to specific Words passed down through time. I Am The Sacred Heart.**

**There is no place in the world as this place where you live. There is no place in the world hearing such constructive Instruction regarding sound understanding of the Importance of the Soul, placed at the moment of conception in each human life.**

**As you know, when the conception occurs, there is no way that the child or children at this time have any conception of prayer, and yet, as pictures have shown, the development of this conception of a human life appears in stages of development that is recognizable through certain upgraded medical means. The formation of human life is a Miracle. This should never be looked upon as**

**anything but a Miracle of The Beloved Father's Design. The Soul, though unseen, is present.**

**It is a delight to hear those involved thank The Father for this Gift of Divine Love, because It is a Miracle beyond human ability. The means for birth, Designed by The Father; the Purpose for birth, Designed by The Father; the Gift of the Soul, a Portion of The Father.**

**When one or both parties involved use prayer as a means of communication, regarding this Gift that is beyond human ability, is in so many ways a treasure to hear, whether the prayer is a gift of hope, fear, or any other human intention, or act of love; the prayer is heard and it is addressed in ways inconceivable to mankind's human understanding.**

**So many children are born through the act, but not with the act of love that is intended for this act. I come with These Words on this day, because throughout the world children are not being accepted in the right manner, for the right reason, and they are not being trained in the**

**Importance of the Gift that human life truly is.**

**There is so much diabolical humanism throughout the world, thus placing a little or no importance on the responsibility of the conception, and/or the responsibility of the child's morality as life goes forward.**

**My Heart bleeds for so many who are never taught about Divine Grace, Divine Love. My Heart, that you know It to be, should be looked at, because humanly you refer to the heart when you speak of love. Then do not forget, in the conception there is a heart, and this heart responds to the Soul the moment the Soul is placed within it.**

**What I have just spoken may not be fully understood by some who will automatically reject It, but nevertheless, it is important for all ages to understand human life was designed to be born in a manner totally directed by The Father's Will, and never forget, the Soul is always present from the moment of conception. So be it."**

**JUNE 13, 1995 AT 2:42 P.M.**

**SAINT CATHERINE OF SIENA**

**“I am Saint Catherine of Siena. It is a great sadness to see so many who once walked in the role of service to God as Nuns. When this change came about, it was evident that it would exceed a normal number of women than was initially anticipated by those who were involved in the formal responsibilities.**

**Since this number has diminished, in particular service of instruction that covered several ages of children and adults, much humanism has developed, and much ignoring Spiritual Benefits in dedication to service in a formal manner that included several age groups that definitely needed to learn about sound moral methods, codes of understanding the importance of Faith in The Father, using a way of prayer in dedicating one’s life to help others understand more about the Purpose for human life, and how to live it in a more pure state of seeing the Goal The Father intended for it.**

**This vocation of life has diminished in so many areas, and when We see it in the state it is, a great sadness evolves, because mankind has deliberately found fault, found reasons to reject dedication in service, in example, to give strength to others for the benefit of their Souls.**

**We hear some say they were dedicated to a religious order of living, but they, too, were not perfect, and then an individual will expound on what they saw or felt. It was not Holy and lacked perfection.**

**I can understand the criticism, but I often wonder why those who criticized did not pray for this vocation of life, instead of just accepting what it had to offer, and then show displeasure when it did not agree with them. So many times We heard girls say: ‘I couldn’t stand the confinement. I want to live a full life,’ and then later We would hear these same ones say, ‘I’m so discouraged, because it just seems like there is no happiness in life.’**

**Mankind very often looks for the possession of diamonds, attaching materialism to every facet of life. Materialism has its benefits, but not**

when it fosters humanism. There is nothing wrong with wanting material things, when they do not interfere with one's Goal for the Soul, Sainthood. Through This Gift of Divine Love, called '*The Miracle Of Saint Joseph*', mankind has learned so many things, in so many ways, that could never be bought for any amount of money.

When We hear mankind in all ages say: 'I am striving to become a success. I am working hard for the degree, so I will be able to earn a good living one day and not want for anything,' basically there is nothing wrong in this desire, but if along with this request the individual or individuals would closely connect this desire with the direction that their Soul will be involved, but how many add this facet to their goals? Not that many.

As I leave you at this time, I want you to know that This Miracle of Divine Love has given to the world in a kind manner, in a loving manner, so much to be thought about, and also to be practiced for the good of the individual's Soul. So be it."

JUNE 13, 1995 AT 3:43 P.M.

## SAINT JOSEPH, THE HOLY SPIRIT

**“I am Saint Joseph. It is important for all, the Words that have been delivered through This Precious Gift of Love that The Father has so generously used My Name. I hold *the little one* deeply because of the unseen degree of strength that it takes to deliver Our Words to you so rapidly.**

**All that has been taught regarding what is lacking in Spiritual practices at this time throughout the world is more than sadness to Us, because it has diminished the beauty of Spiritual love, Spiritual devotion, Spiritual practices, and Spiritual goals.**

**As We speak Each Word, she says Each Word distinctly in an effort to not allow any misinterpretation of what We want mankind to know, to see the value of, and to remember that man is responsible to The Father for a Soul. Some say, ‘What is a Soul?’ I say, ‘It is a Specific Portion of The Father, beyond any human understanding, because as The Father is beyond what**

**mankind can relate to, mankind must not question, but depend upon the Importance of the Words that define from Whom the Soul comes, and What the Soul is: a Portion of The Father.'**

**Let Me put it in this text: When you have a thought, you relate the thought to your mental capacity, ability, and to a portion of your body called 'a brain'. All you learn, are capable of remembering, passes through this physical portion of you, and the rest of your being responds accordingly. Is that not so?**

**Now I ask you to think about this: Would it not be reasonable to believe that there had to be Something present within you that The Father would use to be able to give you, instill in you, and to help you understand that within you there is a Close Connection, a Connecting Link that allows you to recognize that a Higher Being permits, promotes, and encourages a relationship that is Higher and more Meaningful than any physical part of your life? This Is The Soul.**

**It is sad to hear some men, women, and even children reject the reality, the possibility of this close**

association with The Father, and yet these very same people can accept the brain, the heart, the lungs, the voice, the physical abilities. Those who reject the very thought that there is a Portion of The Father within them, put their way of life into the same category of the animal life. This is more than a mere sadness to hear. It is diabolical in its very essence.

The next time you say a prayer, whether it is one you have learned or one you make up with your own thoughts, ask yourself: Did your heart give you the words? Did your hands give you the words? Did your eyes give you the words? Did your skull give you the words? Did your feet give you the words? Did any internal organ give you the words? If you are truthful you would have to say, 'Something deeper within me made me want to relate to a Higher Being, Something beyond what human life is all about, Something beyond what I feel is natural.'

I could speak a long time on this subject, but you have a Portion of It that will give you something to think about.

**Always be thankful when you think of The Father and you think of the importance of purity for your mind, your body and your Soul, because these thoughts are generated through That Gift that is within you, that no medical field talks about, that no medical field can tell you exactly where It is within you; but there is Something that you feel gives you a certain feeling of security, Someone to talk to, Someone Who loves you, and Someone with Whom you have a relationship that is beyond human means. So be it.”**

**JUNE 13, 1995 AT 4:23 P.M.**

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori. Mankind fears the atom bomb, but it is sad when We hear mankind not fear Hell. A bomb destroys certain portions of where it falls. Granted, human life could be in that area, but this is no comparison to the devastation that Hell is, because in Hell there are souls.**

**Mankind fears sickness, especially when it is critical, disabling, and in many ways affects others’ lives; but, when an individual is demonic in his or her actions, and destroys everything that he or she comes in contact with, it does not register as being as bad as an atom bomb.**

**So many men, women and children throughout the whole world are daily causing disaster to the purity of their Soul. No one seems to be concerned, and it is a multiplying factor, automatically being cast aside. This Miracle that has been so instructive to mankind must spread throughout the world, because It will**

**give Strength and Direction to remind mankind that each human life has a Soul.**

**As I speak at this moment with you, I see many at the same time as I speak, ignoring what they are involved in that is so detrimental to the purity of their Soul.**

**Man says: ‘There are twenty-four hours in the day. I sleep one third of the time or try to.’ Mankind places much emphasis on human practices, many times ignoring his or her Soul.**

**This Miracle must be seen, and All that has been passed through It must be given because of mankind’s humanistic evaluations that supersede moral obligations.**

**I will close now, but The Father has requested that you do not dismiss what has been spoken as being something for someone else to do, because you are unable to obey this request for the benefit of Souls. So be it.”**

**JUNE 19, 1995 AT 11:14 A.M.**

## **OUR HEAVENLY MOTHER**

**“My children, I am your Heavenly Mother. There are so many children throughout the whole world who are being denied sound instruction for the benefit of their Souls. There are so many children denied pure love from those close to them, because of so much immorality that is widespread throughout the world.**

**Men walking in Spiritual robes are not demanding that sound moral values and sound moral standards are necessary because of an individual’s Soul. Ask a man who walks this way to explain to you what the Soul consists of, the Importance of the Soul. This request from you will help the man think in a deeper way than usual, because it is not being taught. There is very little formal understanding, formal education, formal attention regarding this Special Gift of Divine Love, Its real Purpose, and that It is the Goal for human life to one day be with The Father again.**

**It is sad to hear so much diabolical inference on so many subjects, using humanism as the reason, using a relaxed idea what life in the human form is all about. Fewer children of all ages are being instructed against all that is wrong morally, and yet these same instructors seek financial gain, many personally.**

**I will speak more. *The child* through whom I speak listens constantly for Our Entrance through her Soul. So be it.”**

JUNE 19, 1995 AT 12:50 P.M.

## SAINT STANISLAUS

**“I am Saint Stanislaus. This *little one* through whom We All speak is a *funnel* of The Father’s Will, for mankind to more fully understand what a Treasure the Gift of human life is.**

**The Purpose for human life has a Goal, One that should be treasured, especially when mankind understands that this Goal is to one day be with The Father for All Eternity. We do not expect mankind to fully understand a Goal of this Greatness, because it is in many ways a Goal beyond man’s human comprehension, because mankind can only associate to what is familiar in the way of place, being, practices and goal.**

**Mankind has been Blessed so many times through History, learning more about the Purpose of His Creation, called ‘mankind’. Historically many things have been written, but described only to a degree that mankind was capable of understanding. This Gift that bears the Name of The Beloved**

**Saint Joseph has revealed so much, in so many ways, helping mankind to more fully understand the Purpose and the Goal that The Father has for man. Through time many learned men and women tried to decipher all the aspects regarding this design: the intellect, the abilities, the nature and the will that were obviously all parts of human life.**

**We have spoken so much regarding that Special Gift The Father gives to each human life, called 'the Soul'. This identification is difficult for so many to associate such a Precious Gift to human personality, human nature, human will.**

**I have spoken many times through This Gift of The Father's during general conversations, allowing it to appear as a natural course of events, because the one, or several who were in the discussion would never have been able to accept that I was in the total conversation, and many unkind, snide remarks would have been cast on this *little one* through whom We All speak in such a natural way, and in the language she speaks.**

**The Father is fully aware of all things that occur every place throughout the world. This point of attention, ‘this place’ where this *little one* is, has been Designed by The Father, Designated by The Father, Declared by The Father, to be where Things would be passed through for the benefit of all Souls throughout the world.**

**As Each of Us speak, We do not always announce Our Name because it is oftentimes a distraction to those listening, or to those who write What is being spoken out. It is important for mankind to understand and to realize that All the Direction is beneficial for the mind, the morals, the actions of those who hear or read What We deliver. So be it.”**

**JUNE 19, 1995 AT 1:24 P.M.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“It is sad when We hear children of all ages pass judgment on This Gift of The Father’s Love, instructing all of mankind on the Purpose, the Beauty and the Goal of human life. Man reads articles on many issues describing many things, and yet mankind finds it difficult to read Our Words and see the Magnitude of the Instruction within Them.**

**So many find great pleasure in exploring different avenues that are interesting to them, enlightening on different subjects, and in many ways it can be termed ‘entertaining only’. When We speak, the Purpose for Our Words, in Our Words, is beyond anything mankind can become involved in, because Our Words are delivered with and for Great Purpose, instructing mankind in What life was created for and with.**

**Children should be taught at a very young age about the importance of what is right, what is wrong, and the privilege of the decision to**

**choose. So much instruction is not being given regarding the Reason The Father created human life. There are many expounding in terms that they are using to instruct others on what life is all about, what they should do with it, and of course, totally ignoring the sound reasoning of why life was created.**

**Human interpretation has always been available, and is yet available. This Miracle is Personally instructing the whole world of mankind, The Father's Intentions, The Father's Love, The Father's Goal for this Special Gift, and that is, to return to Him the Portion of Himself that He placed within the conception because of the Importance of human life.**

**Some men and women born to the world believe that an animal is equal to man. Animals are a creation of The Father, but animals do not have a Soul. An animal has a specific place in the life of mankind: one is as a companion would be; two, as a protector; three, as a means of food. I could go on and on with the reason for each life that mankind is associated with, but it would take volumes to define all this.**

**The Soul is a Portion of The Father, and the Soul is not like any other living thing upon the earth. Mankind has been given an intellect. Mankind oftentimes reaches for goals in many areas of human behavior, practice, knowledge. The Soul is as a Companion to all things man does, thinks, participates in, but the Soul is the recipient of the right and the wrong actions of each human life.**

**Mankind is a Special Gift of The Father's, the closest creation in living form, and it is sad to hear so many ignoring it, outwardly rejecting it, or obviously saying that there is no more to life than the human way of living it.**

**So much has been spoken about My Way when I lived upon the earth, but all has not been revealed until this time. Man's conception, interpretation of stories carried down through time have limited mankind in full perception. This time in which you live is a Very Important Time, because it is giving to mankind Constructive, Instructive, Personal Information.**

**This time in which you live will go down in many Books as a time**

wherein much was revealed that was not given at an earlier time. Our Messages through This Great Gift of The Father's, are dictated to a certain length of time, a certain number of Words, because it is easier for mankind to learn in this format, to be able to retain what is taught, because if volumes were dictated at one time, it would be difficult for man to retain.

As I leave you now, I leave you with a Blessing that I want you to remember, because in this Blessing, you call Me a different Name:

*'In the Name of The Father,  
and in the Name of The  
Beloved Heavenly Mother, in  
the Name of The Son of God,  
in the Name of Saint Joseph,  
The Holy Spirit. Amen.'* So  
be it."

SAINT IRENAEUS

**“I am Saint Irenaeus. We are present so many times in different places throughout the world. It is sad that so many children of all ages do not try to understand the Beauty of the Goal of the Soul that The Father has so deliberately spoken about through This Beautiful Gift to the world, called *‘The Miracle Of Saint Joseph’*.**

**When This Miracle was announced to this *little one* through whom We All speak, she was allowed to hear the Wind of The Holy Spirit. Never has This been allowed before, in This Manner, to This Degree.**

**Our Words to her are silent, because Our Words pass through her mentality on the Winds of The Holy Spirit. Our Words pass through her Soul, and They are to reach millions, times millions, times millions, times millions of other people, because of the importance of the Directions that are given.**

**When We find doubters to This Gift of Divine Love, We many times**

eliminate their presence from being close to *the little one*, because their indifference, their lack of Faith in how The Father would reach mankind, can very easily distract others, or destroy the Beauty of such a Gift as This is for the Souls of millions. You live in a time where there is so much distraction mentally, vocally, physically and spiritually.

This Miracle has a Directness in It, because of the Greatness of It. When man looks for a blessing from another individual, it usually means confirmation of a situation or of a verbal exchange of words. This *little one* through whom so much has been given is fully aware of the importance of Every Message that passes through her, and that It is a Direct Blessing, directed by The Father's Will.

So much has been instructed regarding the Soul that man has been given at the moment of conception. This Statement is Fact. It is not fable. All of Our Words must reach the whole world, because the Strength in Them, the Direction of Them, is needed by all living human beings. Those of you who have had the privilege to have the Faith to believe in This Gift of

**Divine Love, have a big responsibility above and beyond all other things you are aware of, you are a part of, you partake in, you are in charge of, you believe in.**

**What I have spoken is to be remembered by you, and others who will read My Words must also take Them personally, and not reject Them because of their willfulness or their lack of Faith in how The Father extends His Love to mankind, through *a small instrument, an obedient instrument*, for the good of all Souls, for all time. So be it.”**

**JUNE 19, 1995 AT 3:30 P.M.**

**SAINT RITA**

**“It is important for all races, all colors, all creeds, to more fully understand the Importance of human life. It is also important for mankind to use dignity, respect in every measure of life, morally, physically and spiritually, because human life is a Special Gift of Love designed by The Father, with a Special Goal.**

**It is sad to see so much disrespect amongst all races, all colors, all creeds. This time in which you live is a sadness to All of Us, because We see so much impurity, so much immorality, so much desecration to the Souls that bear the brunt of all that the human mind and body practices in the name of immorality.**

**Let us take One Commandment, ‘*Thou Shalt Not Kill.*’ There are many ways to kill another human being, and each of these ways causes much harm to the Soul of the individual or individuals. So many feel that the word ‘kill’ means only to take the physical life. That is a misconception because**

**there are many ways man kills another man. It is through abusiveness to the mind, the body, and morally.**

**If you were to question some highly learned people about their stand on respect for others, you might find their answers to your questions ridiculous, and totally undermining to any moral code of ethics. Some things that can be termed ‘killing another human being’ is through lies about their character, their practices, their abilities, and many other areas of the manner in which they live.**

**Sometimes The Commandments are totally abused by one act that could cover five of The Commandments, six of The Commandments, seven, eight, nine, all of The Ten Commandments.**

**Children are not being taught the Importance of the Dignity of human life, nor are they being instructed on the Soul that is within their human life. Yes, there are many different so-called ‘religious beliefs’, but they do not all reveal to those who believe in them, sound instruction on the Purpose for which life was created.**

**Oftentimes the one who is instructing becomes so empowered**

by words, emotions, and the attention they are receiving, that the real point of concern is lost, and those who are hearing become wrapped up as if chained to the emotions, with no means to be released. The mind becomes extremely involved, and the subject matter, in its sound essence, becomes lost and is secondary to what the individual or individuals truly receive.

**I am Saint Rita.”**

***“A child asks God: ‘What does my Soul look like? In case I see It, I will know what It is and that It is mine.’***

***God smiles at this very important question and says: Your Soul is a Portion of Me that reflects you in a Light to Me. I know all about you through your Soul that is a Portion of Me, because you see, as I Am The Creator of All Things, I Am All Things, and as your Soul reflects you, It is a constant Connecting Link to Me.***

***This Gift of Mine to all human beings is My Gift of Love to a Special Creation of Mine. Man is capable of creation, which I have Lovingly shared with man, because I have created man to My Image and Likeness.***

***These Words of Mine, not completely understood by man, but when you wonder about your abilities, your talents, your reasoning, your logic in what you do, how you care for things, remember, I instilled these traits in you, for the courage needed, the intellect needed, the will you have***

*to make judgments, decisions, on what is right and what is wrong.*

*My Love is also a Part of your way of life. There is so much I have Blessed mankind with, and it is a great sadness to Me when moral weakness breaks the Trust, the Love, and the Closeness I have with you.”*

**GOD THE FATHER**

**JUNE 22, 1995 AT 11:40 A.M.**

**GOD THE FATHER**

**“It is difficult for mankind to understand that I would speak so openly to mankind regarding all aspects of human life, and the Importance of the Soul that I placed at the moment of conception. I hear some say: ‘No one has ever seen a Soul. How can I be sure of Its existence?’**

**I am coming to the world in your time in a Very Personal, Direct Manner, allowing you to transcribe My Words so that you can take Them as I say Them, as constructive Instructions for others to read, to help mankind better understand that human life is Important, is Special, and in its design I placed within each one, a Portion of Myself.**

**Granted, man says, ‘No one has ever seen God as He truly must look, must appear, must be.’ That is true, for when I present Myself to a human life, I do it in a manner that the individual can physically handle, mentally.**

**I am constantly in the presence of all mankind. Those with little Faith**

**in such a Statement cannot conceive such a manner of association. I have given to the world This Specific Blessing with a Name attached to It, so that mankind could relate to what they would term 'the human side', called 'Saint Joseph'.**

**Children of all ages should be instructed on the importance of their behavior, because behavior is the manner in which they express what they feel right or wrong, good or evil. Human behavior of each individual will be an Important Part of Judgment by Me.**

**There is much more I could speak about at this time on this subject, but for those who read What is written, most will only be able to mentally absorb a degree, based on their own morality, own behavior, own understanding of the Importance of human life, and the Goal of human life.**

**Hopefully through This Gift I am handing to mankind at this time, will be the Guiding Light to millions, times millions, times millions, for the benefit of the Souls that each one of these has received from Me at the moment of conception."**

## OUR HEAVENLY MOTHER

**“This *little one* who shares with you things that occurred in her life before This Gift of The Father’s Love was presented to her, to be carried out in strict obedience to His Will at all times, for all men, women and children born to the world. I am your Heavenly Mother.**

**The Words that have been delivered through This Gift of Divine Love must never be kept in closed places, but They must be delivered to all races of mankind, all nationalities, so that They can be transcribed into languages understandable in given places, so that no area of nationality does not have access to This Gift that precedes all other Gifts, because It is a Direct Communication of Instruction, defining the Beauty of human life, and the Purpose for which it was created.**

**It is sad to hear doubt, because doubt causes confusion, and in confusion there is little chance for understanding. This is an Important Statement I make, because We see so**

**much jealousy surrounding This Gift of The Father's. We see so much denial, and I say, 'There is no living human being capable of such discernment of This Gift that is a Treasure because of the Souls of all mankind.'**

**We hear man talk in a very nondescript manner of the Soul, because for most it is a difficult subject to comprehend, and definitely difficult to understand. That is one of the reasons This Gift has been given to the world. This Miracle has consistently described, and constantly reiterated the Importance of the Soul that is given to every conception of human life.**

**For so many years now, The Father Himself has dictated through This Gift of His, allowing mankind to know that He, too, is involved in This Miracle because of the Importance of the Souls. One day mankind will fully understand, or at least to a degree of understanding that human life has and had an Important Part in The Father's Creation of all things.**

**When We hear disagreement, theological interpretation, and rejection that The Father would choose**

**such a *little one* for such an Important Mission, We want so much to remind those involved in this, that historically The Father used the Birth of a Baby to extend to mankind, to instruct mankind on a Very Important Issue. This Child has been known and is known as ‘The Son of God’. There has always been a Beautiful Association directed to a Closeness to The Father, when the Lesson was for the benefit of the Souls of all human life.**

**So many times when We dictate Our Words deliberately, We feel that those who transcribe These Words, and who take the responsibility to share These Words, are like the Apostles of a long time ago. Such a place is important beyond human understanding, because We understand that it takes patience, time, energy, but most of all, it takes a special act of love that reflects beyond what any human love could radiate.**

**As a Mother Protective of all children, I give My Blessing, and Words of comfort. It is easy to tell others to serve, but when one practices service without question, the Blessings multiply in degrees greater than mankind has the ability to understand. So be it.”**

**JUNE 23, 1995 AT 11:40 A.M.**

## **SAINT JOAN OF ARC**

**“I am Saint Joan of Arc. So many things in the time in which you live can be compared to many times in History, even though your time is considered modern. Since the beginning of time mankind had similar thoughts as you have now, similar ideas, similar desires, and similar methods of approaching what they wanted to accomplish. These comparisons are not written up in detailed form, but nonetheless fact.**

**In the time in which I lived mankind perhaps was socially cognizant of different manners of doing things, but human beings resolved ideas, intentions, according to the situation, the timing, and the location where they lived.**

**When the time came and I was told what The Father expected of me, I was sure that I would be rejected by many that I would have to approach, but I was also sure that The Father would pave the way when I approached the change I had to make, the commitment**

I had to make, and the decisions I was told to make.

You live in what you term ‘a modernized version’ of humanistic values, intentions, and goals. Perhaps the only difference in My time and yours would be the clothing, the housing, and the new inventions making life easier in many ways.

I take you now to the battlefield wherein no one expected a girl to be in charge, to draw up the plans for battles that were only considered to be man’s. This *little one* through whom We All speak is faced in many ways with conditions that can be considered a battlefield. The goal, of course, for mankind to better understand the importance of morality against the senseless degrading immorality so prevalent in all lands throughout the world.

As I recall, when I stood in judgment of so-called ‘learned’ men, as I looked at their faces I did not see purity of mind, body and Soul. I saw arrogance, hate, immorality, injustice, weaknesses beyond any control.

All of Us Here are present in This Miracle, all through the day and all

through the night. You might say We are on watch, on call. Having walked a very similar Role, I cannot help but say that it is a very difficult Role. The Responsibility is beyond human comprehension, the enemies too numerous to give a figure to, because this figure can be seen as having many changes in dimension. Remember one thing: the enemy to a Gift of Divine Love can never be measured by honesty, truth, dignity.

All of the Messages that have been passed to mankind are not always seen for the Magnitude They are, nor are They accepted in the Generosity from Where They are first delivered. The Father knows this. It is a sadness to see, because Truth is very often cast aside because of jealousy, because of envy, and if a picture could be taken of it, it would be the ugliest picture, because it would depict the enemy of God and man in the full form of how it truly looks, how it acts. Mankind could not stand this vision with the human eye.

Just because mankind cannot see a Soul, logic should be obvious that human life has more to it, more Reason for it, a definite Goal, but so

**many times logic is cast aside because of a strong opinion, a positive theory, that only projects denial.**

**It is important for All that passes through This Miracle of Divine Love to pass throughout the world, for though an individual cannot absorb All that they read, one Word, one Line, one Sentence could mean the Salvation of their Soul. So be it.”**

JUNE 23, 1995 AT 1:13 P.M.

## SAINT CHRISTOPHER

**“I am Saint Christopher. This Beautiful Miracle that passes through a *small voice* carries millions of Words dictated through her for the benefit of the Souls of all races, all colors, all creeds. We always smile when We announce Our Entrance to this *little one* who has been instructed to repeat Our Words verbatim, so that the full meaning can be fully understood, because you see, no Words pass through her that do not have an Important Intention, Message or Reason.**

**As We see all that is occurring throughout the world by man, through mankind’s reasoning, it is in many ways total devastation to purity of mind, body and Soul. There is so much justification for all immoralities, all paganistic evaluations that can be termed ‘morbid’ in many ways. Mankind is deliberately ignoring, disobeying The Father’s Commandments. In doing it, the enemy of God and man is enjoying what is occurring, because of the Souls that are being marred by such offenses against purity.**

**Children are not being taught, nor are they being instructed in the value of why they were created and the Goal of their creation. The Father's Commandments are being cast aside by many who have accepted religious rules, religious orders, religious positions, religious responsibilities.**

**Let Me ask an open question: How many of The Commandments do you think about in association with your daily behavior, interacting with others in a normal day's living? How many of The Commandments do you associate with regarding what you are exposed to through the lives of others, that either you hear about or are expected to partake in? There are so many questions an individual should ask himself or herself, regarding one's own moral views, moral standards, moral values.**

**It is a privilege for Each of Us Here to be able to reach mankind through This Gift of The Father's Love, because though many prayers are spoken, directing these prayers to different Ones, when We are requested to speak through this *little one*, We find it a treasured time because of the Importance of every human life**

**having a Soul that is so Important to The Father.**

**I sincerely hope that My Words will pass through the world and be understood as coming in a Pure Light, with a Pure Hope, encouraging mankind to seek purity of mind, body and Soul. So be it.”**

**JUNE 23, 1995 AT 2:20 P.M.**

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori. In the time I was upon the earth, there were many things I had written, and each of them covered important issues, directions. Today as I speak through this *little one*, you must understand that This Miracle of Divine Love that The Father has given to the whole world, is a Miracle of such Magnitude that in many ways goes beyond any previous writings, because It is so deliberate in pointing to specific ways, means, that mankind should be better able to understand the Importance of human life, the privilege of it, and to be entrusted with a Soul that has such Purpose to Its Goal.**

**All the Words spoken instruct mankind on the Personal Association man has with The Father. This Association is Special in many ways, because It is That Part of man that is to return from Where It came, to be close to The Father for All Eternity.**

**It is easy for some who like to preach to others about life, and about**

**the importance of the act of giving, the act of remembering the historical times, but for the most part, there is one major factor left out, and that is to instruct mankind as This Miracle does so fluently, so detailed, regarding that Special Part of man that is Part of The Father.**

**All of Us Here have waited for This Miracle to occur and We are All ready to speak when We are requested to do so. It is a privilege, because you see, when a child of any age learns more about the Importance of human life because of the Soul that is within, and the individual uses this knowledge to correct himself or herself of wrongful sins, The Father smiles and says, 'Those who see the Beauty in My Love for them will find the Way I designed, to one day return to Me That Portion of Me that is now a Portion and a Light of them.' So be it."**

JUNE 23, 1995 AT 2:55 P.M.

PADRE PIO

**“I am Padre Pio. This *little one* requested of The Father to not allow Me to speak because of My harsh tone that I was accustomed to using, to speak to others by way of her. It is not easy to walk the Path that The Father chose for her, but obedience to His Will is all that is necessary, because you see, He is The King of Kings, He is The Lord and Master, He is The Father of All Life.**

**In My Promise to speak in a manner where My voice through her Soul would be easier on her being, I have several things to bring to your attention. First, through This Gift of The Father’s, mankind has been alerted constantly and consistently of that Gift of Divine Love at the moment of conception, called ‘a Soul’.**

**As a child grows into understanding of a language, of the behavior that is expected of him or her, of the importance of learning about many things that it will take to live amongst other men and women, be a part of the**

social, moral, academics, and business world, there is much stress sometimes in the Task this *little one* has been presented with, because mankind has been demanding, seeking answers, seeking Information beyond the human world.

Then it is important for mankind to more fully understand that to reach ideal perfection for one's Soul has to be worked hand in hand with The Father's Rules, emotional stability, and continuously seeking that one's behavior is in accord with all that is decent, and all that is protective of one's Soul. Example to others is important in one's life, because example sometimes is the greatest teacher. Mankind sometimes has the habit of imitating, also of seeking to be able to act so that they, too, will be example for others to imitate.

Mankind has so much to look forward to, because Sainthood is the Goal that The Father intended for all human life to reach, because The Father's Love in the Creation of man was to seek to share Something beyond what human life could compare to.

**So many try to determine What The Father really Is, What He would Appear As. There is nothing that mankind could develop that would be close to What The Father is to be compared to, anything humanly understandable.**

**I draw *the little one* in closely, because the Power I use is yet somewhat different than the Power she is used to receiving. My Name is known throughout the world, but I want you to understand: to walk ‘a chosen Path’ should never be envied, never be ignored, never be dismissed, because it is a Path designed by The Father to save Souls. So be it.”**

**JUNE 23, 1995 AT 3:48 P.M.**

**SAINT CECILIA**

**“I am Saint Cecilia. I have not spoken many times, so I find this privilege today a Gift of Love from The Father, for Each of Us Who can speak through This Miracle, We feel a Specific Special Love granted to Us, because having walked the earth at one time in the human form, We are fully aware of how many distractions can be harmful to the Soul of an individual, or several at one time.**

**You truly live in an age of permissiveness, promiscuity, and indifference to The Father’s Will. All things are based on humanistic pleasures, measures, and ideals. To speak through This Gift of Divine Love, to participate in calling attention to those who live at this time and to those who will read What is being written, gives Our Souls a feeling of Unity with The Father’s Will that would be difficult to explain in Its fullest degree to you in the manner you speak.**

**When mankind is accused of a crime and he is or she is placed on trial, it is important for there to be what man calls a 'swearing of truth' in all answers to all questions, so that the one who is charged with guilt can speak, can seek for truth to be seen, accepted, reached. The time in which you live is a difficult time for little ones, because they are not being instructed in the full value of truth. There is too much leniency in so many areas, due to others trying to be overly protective, instead of correcting nicely, generously, truthfully, the wrongs that are being accepted.**

**When some men and women and children hear of This Miracle of Divine Love, they do not look for the Fullness of It, because they feel It will limit them in their actions and participations and/or their association; also, in how they determine truths, untruths, lies, deceit and impurities.**

**Man says, 'What is This Miracle all about?' Some say it with arrogance, some even say it with disgust, because you see, if This Miracle is what The Father Claims It to be, man will have to change in many areas of life, practices that they feel are part of their daily**

**living; of course, ignoring the fact that much of it could be impurity.**

**There is a great sadness Here Where We are, to All of Us, when We hear so many rejecting the Sound Direction passing through This Gift that The Father is allowing to be made public, so that no one living at this time, or who will be able to read at a later time, will not know What has been spoken. It is disgraceful to human dignity. Of course, this includes the Soul that is the brunt of all such manner of thinking.**

**As I close today, it is important that I leave you with one thought: Be prepared to be answerable for what you know is God's Will, and be prepared to answer in the right manner, in all truth, because I promise you, there is a time when this is faced by every Soul. So be it."**

**JUNE 26, 1995 AT 10:09 A.M.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“M**ankind very often asks for a second chance, a second chance to change a situation that was unpleasant or uncomfortable, even perhaps a situation that was unfair to another individual.

**P**rayer is an important part of communication with The Father. Children of all ages should always remember it is a communication wherein so much can be spoken, so much love delivered in a personal way; and, of course, when a wrong has been committed, it is a beautiful way to ask for a second chance to correct the error or wrong.

**T**oday, in the world of mankind, there is so much dishonesty, jealousy, envy, hate, competition, many times ignoring the richness in treating others with dignity, humility, honesty, sincerity. If you were able to look at the whole world of mankind all at one time, you would be appalled at so much impurity, so many indignities

of human life, so much perversion, so much diabolical activity.

**I**n The Father's Love for all of mankind, He gave mankind a manner of communication with Him. It is called 'prayer'. It can be said openly with sound, or it can be a silent communication allowing no one else to hear.

**I** am Saint Joseph. All that The Father has given to the world through This Specific, Special, Important Gift that bears My Name, should never be restricted in where It is sent, who It is given to, because no man, woman or child is in total knowledge of the need of another human being's personal communication with God.

**I** show *the child* through whom I speak a Book. It is a Book she is responsible for, and she has been told that this Book and others like It must be seen throughout the world, because What is written in These Books is for mankind of all races, all colors, all creeds, to understand that The Father is this close to man, and is Personally instructing mankind in how to live the human life, because of that Important Portion of God that is

**placed within mankind at the moment of conception.**

**Whether this is difficult for some to believe or not, because an individual has the right to accept or reject, but the individual must be presented the Facts and then be allowed to rationalize the Values in Them, because of the Importance of the Soul they have within them. So much has been given to the world at this time, and It must be passed throughout the world, never questioning who should receive It nor who should not receive It.**

**This Gift of Divine Love bearing My Name is comparable to Important Times in past History: The Birth of that Special One, then The Commandments delivered by The Father in Fire, in Light, in Detail on every issue that mankind could be confronted by or with. This time is as Important to mankind as those times were then.**

**As you listen to My Words, you must see that others will be able to read Them, because of the Soul that must be protected within them. So be it.”**

JUNE 26, 1995 AT 11:25 A.M.

### SAINT THOMAS AQUINAS

**“I am Saint Thomas Aquinas. I have written many things. I am known for My writings. I come to the world today through *a little one* who has been the recipient of many, many Direct Messages from The Father and Many Others Here.**

**It is important for mankind to read What has passed through her. The simplicity yet the directness in Each Message is without a doubt capable for all of mankind to understand more about The Divine. Those who doubt, it could be termed ‘stubbornness, jealousy, arrogance’. Those who believe will automatically grow spiritually, morally, and yes, reach for Sainthood deliberately.**

**It is difficult for some who hear or who read What is spoken through this *little one*, to believe that such Important Messages would be given to mankind in the manner They are being given at this time. At no time in the History of mankind has anyone been accepted by others in a manner**

of grandeur when they had direct communication with The Father's Will and Way and Purpose. Mankind has an instinctive manner of rejection when Facts are given that encourage changes in one's personal habits, attitude, nature, will.

This Miracle, in simplicity and yet profoundness, is truly a Gift of Divine Love, for Divine Purpose, that is One Alone throughout the world.

A child says: 'I know right from wrong. I have a choice.' What in the child's nature, values, causes a decision that is honorable, decent, and for the good, rather than for the evil? In the Creation of mankind, The Father's Love gave mankind the power of decision, and in this Gift there is a purpose, because The Father knew that freedom was important to man: freedom to act, speak, accept, reject, acknowledge, or even make decisions that had ultimate goals.

I sincerely desire, as I speak on this day, that all who read These Words will see the benefits to the privilege of choice, to the privilege of decision, a Gift of Love from The Father, and be sure that each decision is pure, for

**the benefit of one's mind, one's body, one's Soul, and for those with whom, or for whom the decision is at that particular time. So be it."**

**JUNE 26, 1995 AT 12:15 P.M.**

**SAINT BARTHOLOMEW**

**“I am Saint Bartholomew.**

**Mankind in all parts of the world have many things in common with each other. Man’s body must be fed. Man’s clothing is important according to the climate, the situation, and/or the Spiritual factor involved. Food plays an important part in daily life, all countries favoring particular ones. There are many religions throughout the world, means of Faith in a Higher Being. It is sad to say, in some cases, an object.**

**As This Gift of Divine Love was given to a particular country, place, to be spread throughout the world, many will say, ‘Because of the differences in culture, how can This Miracle be explained, be expressed, be understood?’ I, Saint Bartholomew say, ‘Do your part, and The Father will use means, as It spreads, that will be comfortable, understandable and applicable where He deems it necessary.’**

**M**ankind oftentimes puts a question before an action. This perhaps, in some ways, might be beneficial, but when the Words from Here say it must be done, there is always an Important Reason, Purpose, that should not be questioned. First of all, a question gives option to definition, and many times a question is answered to the limits of the other individual's abilities to comprehend, understand, or personal opinions, practices.

**T**hose who are close to This Gift of Divine Love have the opportunity to grow to become 'Great Saints', because when one knows the Particulars, the Reasoning, the Truth, one can benefit personally and encourage others to grow in a deeper understanding and a greater love for The Father's Will.

**S**o much has been delivered, and Each Word comes with The Father's Love because This Miracle is Direct Instruction, Personal Instruction, that no other place throughout the world has the power to give to the whole world. So be it."

JUNE 26, 1995 AT 1:17 P.M.

## GOD THE FATHER

**“It will be difficult for many to believe I would speak through this *little one* or anyone. I Am The Father, and as The Father I speak with and in a Love Greater than you can compare any love to be.**

***The little one* through whom I speak has been put through many ‘Preparations’ by Me. These times could not be considered comfortable in any way, because of the Power I am forced to use to instill in such a *small child*, for My Will to be carried out to the degree I Will It to be.**

**All that has been given, instructing mankind, advising mankind, regarding the Importance of human life, has a Positive Purpose to It, in It, for It, that is beyond human understanding. This Miracle is called ‘a Miracle’ because It is beyond human ability.**

**There is so much devastation to Souls by millions throughout the world, even in the time so often spoken of as ‘Sodom and Gomorrah’, but also Ancient History.**

**Mankind refers to being civilized. The word has a definition that relates to a degree of mentality, actions, that are meant over and above the animal kingdom. I have designed This Gift of Mine to help mankind more fully understand My Definition of morality.**

**When I instructed a son a long time ago, called 'Moses', his 'Preparations' could be likened to the 'Preparations' I have used with this *little one*. When I prepare a body and a Soul to walk solely for My Direction, I am in Constant Control.**

**It does not take a brilliant mind to decipher All of the written Words that I have already given, or All I have instructed to be given through This Gift of Mine.**

**Whether mankind wants to accept it or not, This Time will go down in the History of mankind as My Personal Time with *an individual*, for the benefit of all of mankind. She has been instructed to ignore any and all jealousies, any and all interferences, any and all rejections, any and all obscene reactions, because My Will must be served.**

**If mankind does not morally change, I will have to make corrections, because anything impure that deals with the enemy of man, I cannot tolerate.**

**This Gift of Mine to mankind was not a Gift that can be said to have evolved overnight. My Love is different in many ways than man's interpretation, definition of love. Mine is as The Creator of All Things, The Controller of All Things, and I will not tolerate ignoring Who I Am, What I Am."**

**JUNE 28, 1995 AT 10:40 A.M.**

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori. This Miracle of The Father’s Love is beyond what mankind can fully understand, because The Father’s Love is beyond what any human love can be, can display, can act. Many of Us have spoken through This Miracle, delivering Instruction in how important it is to protect the Soul that is within each life.**

**Mankind attends a physical physician because of a physical portion that could be impaired. What about the Greatest Gift of human life, the Soul? How many think of Its condition, due to their moral behavior? What is moral behavior to mankind? Basically, it is obedience to The Father’s Commandments, for the benefit of the individual’s Soul. What is a Soul? How does man think of This Portion of himself or herself? Most never even think of It, consider It being Part of them, or acknowledge having a Soul, even when they are told they have a Soul.**

**The human body is an important Gift of Divine Love. Its abilities have many reasons, purposes, and through these Gifts of life, it is logical for mankind to understand that there has to be a Greater Portion for a Greater Degree of life, else human life would be so temporary, without a Goal for its actions, its purpose, its reasoning.**

**Not thousands of Words, but many thousands of Words have been delivered through This Gift of The Father's Love in many ways, so that all degrees of intelligence, of Spiritual growth, abilities, could more fully understand what a Precious Gift human life is and always has been. At this time so much is being revealed by The Father, instructing not just verbally but in a written form, to help those who hear It and those who will have the privilege to read It, to be able to reach the Ultimate Goal, Sainthood.**

**Down through the History of mankind, there have been many 'specific times' wherein much was delivered to instruct mankind that human life was more than any other living creation of The Father. Sometimes this Lesson or Lessons**

were put in other languages, and then instructed in simple forms, leaving out important portions because of man's inability to personally perceive the fullness, or to reject explaining to others the full meaning of the subject matter.

When mankind talks about caring about an individual, there are certain words attached: tolerance, respect, concern, love. These are all definitions that pertain to an individual's meaning of association. Of course, there are many other words, but these are sufficient for this time.

Mankind is a Gift of Divine Love of The Father's, the Creation of mankind Special, in that there is a Soul within each life. There has been no time in past History that the Magnitude of the Soul has so deliberately been spoken about, so openly described, so lovingly mentioned.

There will be thousands and thousands of men, women and children reading What has been delivered through This Miracle of Divine Love. These Words must be scattered throughout the world, in spite of all

**obstacles, because if They are not, many Souls will be lost.**

**We use *one voice, one will, one body, one Soul*, to deliver to billions What The Father Wills, but I add to this: as It begins with one, It multiplies as It passes through other human beings, and this is how The Father intends It to spread, through the Faith, through the love, through the Souls, so that the Soul of those who believe that What they have heard or What they have read is Valuable to all of mankind, they will be the transmitters of Truth, of Love, of Service, of Hope, for all Souls born to the world. So be it.”**

### SAINT ATHANASIUS

**“I am Saint Athanasius. Many of Us are ever present where you gather with this *little one* through whom so Many of Us are directed to speak, anxious to speak, because of the Importance of What The Father Wills for you and millions like you, to learn, to understand, and to make a manner of living more acceptable to the Perfection of your Soul that in the beginning, at the moment of conception, could only be termed ‘Perfection’.**

**Mankind is totally unaware of the many heresies prevalent throughout the world. Most of these heresies have special names, some of them elaborate in concept, but this does not tell mankind about the diabolical meaning within these heresies. Mankind does not understand, nor does he truly make much effort to understand all the wrong that is being practiced in the name of human pleasure.**

**The time in which this is being done, by time, I mean the number**

in years man associates time with, heretical beliefs in every way are damaging to the mind, body, daily practices, and of course, the Soul. Heresy is not a word used frequently, because it is a blanket of misinformation, misdirection, misconception, based on diabolical intervention.

I ask you to picture a scale, the kind you would look at with a plate on one side, and a plate on the other side. Now I ask you to put on the one side, your degree of love for God, plus the degree in which you protect your Soul every living moment of every day. On the other side, I ask you to place your interpretation of how much morality you accept in your own life. And now I say: 'How much immorality do you see being acted out by others and you automatically ignore the degree it is? Do not forget to add here, those you love. How do you accept their behavior in their daily living? Which side weighs the heaviest?'

Now let us take the whole world, and let us put all the purity that is being expressed throughout the world on one side of the scale, and now put all the impurities throughout the

**world on the other side of the scale. Which side weighs the heaviest?**

**Now I ask you a question: ‘Is not The Father’s Love Greater than any human love could be measured?’ because in all He sees, all He is aware of, He has handed to the whole world a Miracle of His Love, giving Awareness, Instruction, Direction, because of the Importance of every Soul of every human life throughout the world.**

**The Father has always, at a time like this, made a Special Effort, given a Special Gift, so that mankind will not be lost because of the danger that each Soul is in. So be it.”**

**JUNE 28, 1995 AT 2:14 P.M.**

### **SAINT JOHN THE BAPTIST**

**“I am Saint John The Baptist. I find it a privilege to speak through This Gift of The Father’s Love because there are so many Souls that will be touched, that will be found, that will be saved, because of the Words passed through This Miracle, that will make so many men, women and children think more purely because of their Soul, that up to this point was just a passing thought from some lesson previously given by someone else.**

**Children should be blessed as soon as possible after the struggle of birth, because in this Blessing there is a physical strength, a moral strength, given to the will of the child, the nature of the child, the hope in the child, the actions of the child. As I speak, I speak with a Love for all of mankind, and want all who read These Words to more fully understand what a Precious Gift human life is, and what a Gift of Love Baptism is to the child.**

**So many times, The Father tells One of Us Here to reach the children**

**with Direction, with Hope, with Instruction, through The Miracle He has made available to be used for this Avenue of His, because of the Importance of the Soul of every human being. It is sad when We see so many who have accepted specific tasks, that basically are to instruct others of the Importance of Baptism, of Holy Communion, of practicing Acts of Penance, understanding the Importance of a Blessing when one is very ill, and of course, the other Sacraments that are strengthening to every fiber of human life, that in Their very intention give dignity, special strength, not always felt, but evident in ways of daily living.**

**Children are being neglected because of so much confusion that they are being subjected to. It is important that those who are in charge of children begin to use constructive measures in instructing the children, the Importance of God's Rules, God's Intervention, God's Will, God's Goal for each of them and their Soul.**

**All of Us Here are so pleased when We are able to speak verbally to help mankind better understand human life has a Purpose and a Precious**

**Goal. There is no age that should not be instructed in the Purpose of life. There is no age that should be ignored, using remarks, 'They are too young,' or 'They are too old,' to understand the Importance of life, and how they must cling to The Father for all things, for whether man believes it or not, The Father is The Dispenser of Hope, of Grace, of Love, and Judgment. So be it."**

## OUR HEAVENLY MOTHER

**“It is important that All the Words that pass through This Gift of The Father’s Love be delivered throughout the world. I am your Heavenly Mother. It is My Wish, My Hope, My Will, that no child is unable, will be unable to read the Words, to hear the Direction that is so lovingly given through This Precious Gift of The Father’s, called ‘The Miracle Of Saint Joseph’.**

**There is so much that has been revealed, so logically enlightening to mankind, above and beyond all the instructions previously acceptable by men who were charged with the authority to instruct in and on all issues pertaining to what should be known, accepted, practiced, and of course, believed, where The Father Was The Point That Must Be Seen As The Ultimate In All Spirituality.**

**As I speak, Many stand Here with Me, Many Who have spoken, instructing children of all ages in the Importance of that Gift of Divine Love, the Soul, and What The Father**

**Wills for It. Mankind ignores the Fact that there is truly an enemy constantly using every manner of attention to draw Souls away from The Father. This ugly behavior is threatening and it is based on jealousy, envy, hate.**

**A mother in the human way, deliberately protects those she loves, no matter what their age or their options in life. You can multiply My Love a million or even a billion more than human love, because you see, I am fully aware of the Importance of the Soul of each child who has been given the Gift of life.**

**Mankind treasures the physical life and fears any interference of its longevity. Compare this to the Spiritual Life. The Father wants no one to have to spend any time in Purgatory, because this would only delay reaching that State of Purity that awaits each Soul born to humanity. It is difficult for most to understand such a Magnificent Goal after living as man, but I assure you, I promise you, It is for each child.**

**The Gift of human life is a Gift beyond man's understanding, because it is a Gift emphasizing**

**human practices, human will, human authority; but as a child looks further into its full concept, and the child comes to the realization that there has to be more to life than what each day is all about, this very question should be reason enough to value a Greater Place for human life to reach for, and of course, this is Heaven.**

**The word ‘Heaven’ is not used very much in conversation. Some feel foolish in even mentioning It verbally, openly, but it is important for mankind to become more acquainted with the Word, because It will then become more of a reality, and mankind will begin to think of practicing more sound moral values and more sound moral standards, based on the Goal that appears to be Special in All Ways, called ‘Heaven’.**

**So much humanism causes mankind to reject higher ways of looking at a Goal that has been written about. Children of all ages must understand that for good actions, pure actions, there is a Gift, a Love, a Promise, never to be broken. So be it.”**

JUNE 29, 1995 AT 11:20 A.M.

SAINT IGNATIUS LOYOLA

**“I am Saint Ignatius Loyola. I had many responsibilities and I approached each of these responsibilities with a sincere desire to accomplish them to the degree The Father Willed it to be.**

**So many times We hear men, women and children make excuses, even to the point of whining over responsibilities, because they feel the responsibilities interfere with their personal choices at that time. Each child born to the world is born with responsibilities. Responsibilities bring strength to a life, encourage strength mentally, emotionally, physically and spiritually. Responsibilities give to human life worth, and in many ways make human life important because of the responsibilities.**

**There are always Many of Us ready to speak at any given time through This Gift of The Father’s Love, called ‘*The Miracle Of Saint Joseph*’. As it has been spoken before, ‘this time’ is important, because it stresses man’s responsibilities to the Closeness**

**of The Father, guided by The Spirit of The Father, The Holy Spirit, as you know It to be.**

**Each human life has a Soul. The Father designed mankind to His Image and Likeness. The Holy Spirit of The Father is likened to the Soul of man. Remember this.**

**It is sad to hear so many deny This Gift of Divine Love, This Miracle of Instruction, because they find It beyond what they can comprehend instruction in this time would be. One day the world of mankind will be guided in so many ways by This Miracle that has so generously released so much Information that had not been done in past History.**

**Historically, much had been given to mankind regarding important issues on human life, and many other parts of the importance of spirituality. This Miracle is Extremely Important, because It has defined, explained and instructed verbally, and through the written Word, because without the written Word, What passed through verbally could be misconception.**

**It is important that the written Words be passed down through History**

**as They were delivered by Us, for mankind to better understand what a Treasured Gift human life is for all mankind. So be it.”**

**JUNE 29, 1995 AT 12:25 P.M.**

### **SAINT CATHERINE OF SIENA**

**“I am Saint Catherine of Siena. We are always present where This Gift of The Father’s has been given to instruct all of mankind, the Importance of what human life is all about, and the Precious Gift He placed within each life, called ‘the Soul’.**

**We hear some remarks from those who read the Revelations that constantly repeat the Importance of the Soul. It is sad to hear questions regarding this Precious Gift from so many who do not fully understand that human life is more than nature, will, talents, communications, physical abilities, and some Spiritual endeavors. Many times the Spiritual Part is the least or last to be considered. As I speak to you at this moment, you would be shocked at how much immorality, impurities, desecrations to human life are being acted upon, acted in, by men, women and children of all age groups.**

**When you feel a blow to the body and it is a harsh blow, you automatically scream out or draw**

tears. Just imagine what happens to an individual's Soul when an ugly sin is practiced, causing a stain that is irreparable, because this stain is worse than any human blow. When a Soul is mistreated, abused, the Soul is victimized by the life in which It was placed at the moment of conception. The Soul is helpless. It does not scream out 'Stop!' It is a victim of the will, the actions, the impurities, that in so many ways are never even considered by those who are causing the damage, the hurt, the desecration.

Some who will read this will say, 'This is difficult to fathom, to realize, to accept, for if my Soul is a Portion of God, He will automatically protect It.' What a disgrace this statement is, coming from a human being that has been taught The Commandments of God; also, one who has been instructed in the importance of sound moral values, sound moral standards, and that the Goal for human life is Heaven.

As I leave you, I want you to understand you live in a time wherein mankind is abusive, and in so many ways animalistic in actions, in thoughts, in values.

**This Miracle that reminds mankind of The Beloved Saint Joseph, and that has openly spoken of What He Truly Is To The Father, must be spread throughout the world, so that mankind in all manner of Spiritual strengths, beliefs, doubts, will get to know that He Is The Holy Spirit Of God, And He Is Aware Of All Things At All Times, In All Ways, Because As The Holy Spirit Of God, He Is In All Places At All Times.**

**The Soul of man is more than what a human mind can comprehend. As The Holy Spirit of God sees all things, an individual's Soul is as close to The Holy Spirit of God, due to It being a Portion of God. Remember What I have just spoken. It is Truth. So be it."**

JUNE 29, 1995 AT 1:17 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“I am Saint Joseph. This *little one* The Father has assigned to Me is a treasure, a pleasure to Me because of her obedience, her innate love for The Father, and her desire to repeat All We speak at any given time because of the Souls of all mankind. The Father has placed within her being a Specific Gift of Understanding What We All say, What We All speak, What We All mean.**

**When We hear individuals blaspheme, ridicule, reject, ignore the Words that are given through her for the benefit of Souls, the only ones who are hurt by this are the individuals who practice such a manner of Faith, or I should say, lack of Faith in how The Father would work.**

**When you teach a child to play in the sand, you give the child small instruments to fill what you call a pail, or a box, or a similar thing. I express much Love in These Words, because as Our Words pass through this *little one*, We use a sieve so the Words will not**

**stay in one place, but fall where They must.**

**Some might say, ‘I cannot see Saint Joseph making such a comparison for such a Great, Important Task.’ Remember, mankind in many ways is a child to The Father, and children are Important to Him. No age of mankind is not a child to The Father.**

**The Soul that is within each life is a Portion of The Father, always ready, willing, to want to please The Father, and yet this Soul within some children becomes a victim, and this causes much happiness to the enemy of God and man.**

**As you walk through each day and you perform duties necessary for human life, never forget you are children of God, and you have a Soul that you are responsible for Its condition. So allow yourself to see under all conditions that as a child, you have responsibility every moment of every day.**

**I have spoken this on this day, because I know of your love for This Gift that bears My Name. As you spread to the world What I Am All About, in your way, you too have been**

**chosen because of your Faith and your willingness to obey. So be it.”**

**JUNE 29, 1995 AT 1:58 P.M.**

**SAINT JOHN VIANNEY**

**“I am Saint John Vianney. I cannot tell you the degree of unhappiness We All feel because of the lack of sincere instruction that is being practiced in this time, in your day, by so many who walk the clerical way. As I speak, Several stand Here with Me. We were All called ‘priests’ in Our day.**

**Children are not being instructed in the importance of prayer. They are not being instructed in The Commandments of The Father, nor in the Sacraments that are so important in everyone’s life. Today there is a void, a vacancy, a turmoil, a lack of personal care, a lack of constructive instruction, a lack of understanding of the Soul that is the recipient of all the individual’s moral values, moral standards. There is so much immorality, indecencies, and there is very little spoken against these things.**

**Mankind in many ways is saying it is normal to act freely, without question, because one only lives once.**

**This is not true. Life continues on when the physical no longer exists. Life passes through the Soul and remains a living, active Life, not understandable to the human powers of the mind, but I say to you in all truth, ‘What does man think makes Sainthood?’ It is an extension of what human life was designed for. It has Meaning, It has Purpose, It has a Distinctness above the physical role.**

**As I bless those who come near this *little one*, I bless them with the desire to better understand the Importance of human life, and that it has a way, a manner, a means to live on. This *little one* I use to say My Words, is oftentimes concerned over situations, conditions, that appear to be detrimental to some who cannot see the value of purification regarding their Spiritual Being.**

**The Father has granted so Many Here the chance to participate in This Great Gift of Love from Him, because you see, you do live in a time of moral disaster. Immorality is acceptable in all stages, in all ways, in all forms, from all ages.**

**I bless you, My little ones, and I truly remember that as I sat in the confessional many hours, I felt it a privilege, and if I could do it again I would, because I am aware of many Souls who were saved because of the Words that were spoken in correction, in direction, full of purpose, those days. So be it.”**

JUNE 29, 1995 AT 2:29 P.M.

SAINT GERARD

**“I am Saint Gerard. When prayers come My way, it brings Me much happiness just hearing a child call My Name, and whispering in their individual tone of voice, or just a mental manner of communication, drawing attention to their need, their request for something specific.**

**I cannot tell you how many years in man’s determination of years, so Many Saints Here were forgotten. This *Miracle Of The Beloved Saint Joseph* has brought an awareness of so Many Saints, and We are All anxious to help where We can, anyone who calls Our Name and is in need of some answer to prayer.**

**A great sadness is happening throughout the world. So many children are being aborted, not having the chance to live beyond a certain point of conception. Even though many know that this act is wrong, they pursue all the information possible to accomplish the end result, which**

is in reality, killing a human life undeservedly at any stage of growth.

**M**en who have accepted the challenge, the work, the task of protection for all Souls, have become negligent, and some are accepting, allowing, and even encouraging abortion to be practiced, using time as acceptable meaning; of course, the earlier the better, in the conception. Who are these men who take this responsibility so frivolously, without any concern regarding The Father's Reason for the conception, and the manner in which He designed conception?

**T**here are so many excuses for eliminating a child to grow. Some say accident. Some say poverty. Some say, 'I do not have the ability to raise a child at this time.' I, Saint Gerard, ask one question: Whatever happened to the strength of self-control? Whatever happened to the moral issue involved? Whatever happened to an individual's belief in the Commandment that says '*Thou Shalt Not Kill*'? Of course, there are many Commandments broken at a time when this act is performed.

**You do live in a time wherein The Commandments of God are totally ignored by all ages in all stations of life. I ask you a question: What caused this terrible rejection of God's Commandments, This Gift of Divine Love with the Name of the Greatest Saint, Saint Joseph? because as The Spirit of God, It Bespeaks All Goodness, All that is Right for the Soul of every living human being.**

**As you write My Words, there are so many offenses against purity being practiced, you would be shocked at so much degradation to human life, and of course, to the Soul of each of these lives. Where you are, you see none of this. We see all of this occurring every moment of every day, and it is getting worse and worse and worse, because men, women and children are not using The Guidelines that were given in much detail, leaving no guesswork for man to use as an excuse.**

**The Commandments of The Father must be placed in every home, and They should be placed in every workplace where man is. You say this would be an impossibility. If it were, I would not have suggested it in the manner I spoke it.**

**Man** says, ‘I will make a note to remember what I must do, what I must get, what I must go to see.’ Have you ever heard man say, ‘I must remember God’s Commandments so I do not sin’? This would be a logical, practical way to think. It was not just for the time of Moses, because They are never out of date. There is no time in the History of mankind that good was to be after sin and hate.

**Be** mindful of These Words, and I beseech you to not forget Them. There is not that much to remember. What I have spoken should come naturally, because of the Importance of what human life is. If it was not important, The Father would have created it and left no Guidelines for it. So be it.”

JUNE 29, 1995 AT 4:10 P.M.

SAINT TERESA OF AVILA

**“I am Saint Teresa of Avila. This Miracle of Instruction is of Great Importance to the whole world. It must be translated into several different languages, and It must never be ignored in a passive way, because you see, it is The Father’s Will that mankind read All that passes through *the one voice* that dictates Our Words for the benefit of millions of Souls that must be saved, because The Father Wills it to be.**

**At this time mankind is devious, deceitful, and in many forms practices illegal approaches to all that is right, all that is good, all that is pure. I have spoken many times through This Miracle, and today as I speak, it is because of the importance for mankind to more fully understand that the Gift of human life is a Precious Gift of Divine Love, not just something that happened by mistake, or for some other uncouth reason.**

**Mankind must look into critical areas that are distracting children**

of young years to places, actions that are totally impure. It is being ignored as 'a sign of the times', or 'I cannot change what is occurring when I am not around,' 'I don't have the time to keep checking,' 'I am not available when it is taking place.' We hear so many excuses, and the enemy of man uses excuses in his favor, because of the Souls that are being tarnished, corrupted, destroyed, by so much immorality, so many impurities being accepted as normal activities.

**E**ach of Us Here with The Father have a Personal Part in This Gift, in This Miracle in the world in your time, because humanity is destructive, calling it 'pleasure', calling it 'acceptable' at this time because of the year, or how changes make it right. Looking back into History, there were many times that immorality was at a high pitch of acceptability. It is sad that this occurs, because basically mankind is aware of The Father's Rules, the reason for Them, the meaning in each Rule, and that These Rules are for every age, every station of life, every race, every color, every creed.

**S**ome who make excuses for weaknesses in moral values and moral

standards, find themselves in such depth of immorality that they can't reach any place where they feel safe from it. Others are so conditioned in immorality that they ignore any attempt at rising from it. You do live in a time of great moral degradation.

This Miracle must be heard, must be seen for the Great Worth It is, for the Purpose for which It was given, because It is not just an Alert, It has given Solutions for change. Many times it is a happiness when We are allowed to speak to man through This Gift of The Father's Love, but sometimes We feel the weight, the burden of Each Word, because We are not assured that the listeners or those who will read the Words, will change and seek out in every way, purity.

As I think back in the convent where I spent much time, our Goal was to reach for Sainthood. We lived each day, praying to The Father to give us the strength to overcome our faults, our weaknesses, our troubled areas, wherein we found ourselves aggravated, and maybe ready to say things unkind. The power of prayer is beyond what mankind truly realizes it is, because in prayer there is a personal

**communication with God, with Our Heavenly Mother, with a Saint.**

**You have an advantage in your time through your awareness of The Holy Spirit of The Father, Its close association with your Soul. Never forget this. This Miracle has many Blessings passed through It daily, because of the Importance of Souls that The Father is, in so many ways, trying to save from any degrading acts humanly caused through thoughtlessness, a lack of consideration, or indifference to the Importance of the Soul.**

**So much has been delivered for mankind to better understand that purity is important because of the Goal of the Soul that is the Object of all words, actions, decisions that pass through the human form in which the Soul is an Important Part. So be it.”**

**JUNE 30, 1995 AT 10:18 A.M.**

**SAINT ALPHONSUS LIGUORI**

**“M**ankind takes communication with other human beings as a necessity, as a need, as a normal practice in life. Communication with God should be a daily practice, because it, too, is necessary in daily life. We hear some who are used to practicing a quick prayer, or a thought they feel is a prayer, and then there is no other communication during the day or night.

**W**hat makes mankind feel that there is no necessity to communicate more often than one fleeting moment, or one particular time during a twenty-four hour day period? The Father is continuously Present through the Soul. Also, there are Many Saints Who, though unseen, are present many times in the company of an individual, or several who are together during times, during a one day period.

**W**hy does man think or feel that unless there is a Crucifix or a statue or a place of worship evident, there is no need to pray? So much is

to be understood by mankind, more understanding that through every day, the Presence of their Soul is a Portion of The Father, and a small communication by means of a prayer or a word of thanks, some attention to this Soul, would give strength mentally, physically, morally.

So much has been spoken about, that Sainthood is the Goal for all living human beings. This Statement should automatically remind mankind that there has to be a Presence within each one, of The Divine, a Connecting Link called a specific name, 'a Soul'. It is sad to see millions walk daily, ignorant, some just rejecting, and yes, oftentimes abusing that Divine Presence in human life through sinful actions, abominations, disregarding the Soul.

I am Saint Alphonsus Liguori. The reason We identify Our Name to What We speak through This Miracle of Divine Love is so you will better understand, it is not human advice nor is it human thinking. It is to give you that special understanding, that because of The Father's Will, The Father's Love for mankind, He requests Many of Us Here to speak through

**This Gift of Divine Love, called ‘*The Miracle Of Saint Joseph*’. This Title alone refers to Him as Being Greater than mankind has ever learned before. So be it.”**

JUNE 30, 1995 AT 11:01 A.M.

## SAINT PEREGRINE

**“I am Saint Peregrine. So much has been delivered through this *little one*, instructing mankind on the Importance of human life, the Dignity of human life, and the Goal of human life. For several years now, Many of Us have been instructed by The Father to give Lessons to mankind on the Importance of human life, and the Beauty and Love in His Gift to each human life, called ‘a Soul’.**

**There is no language throughout the world that should not receive All that has been delivered through this *small instrument*. Mankind tries to think of ways that this can be accomplished, realizing of course, there are many obstacles, but I, Saint Peregrine say, ‘We fully understand that word “obstacle” and what it infers in many areas of human life, but to conquer obstacles man must be willing to use fortitude, and to not allow any obstacles to interfere with the Purpose for which This Declaration has been given.’**

**T**here are millions outside this room that will never know the Importance of the Soul, unless All of the Messages revealed where you are, are passed to the whole world. You must admit that there is a Communication for every area of Information that some want the world to know about. Many times you have things at your fingertips and you do not use the chance to allow What you know to be revealed, because of your own skepticism in what others, and how others will respond.

**H**uman pain is difficult because it affects the whole body, and even the mental powers of the mind when it is excruciating, even when it is just annoying. Physical pain very often has a medical reason or help. Spiritual pain does not show in the same way. It is usually seen as a void in one's life or many lives.

**S**piritual pain definitely has a cure, so as you have been requested in so many ways, so many times, to deliver All that The Father has Decreed to be passed throughout the world, remember an Important Statement: You have the ability, the Means, to relieve the Spiritual anxieties, immoralities and

**pain for millions who are searching, and for those who do not know what to search for, yet feel a void in their understanding of the Supernatural that is pleading for mankind to learn more, to be able to practice more acts of love and understanding spiritually. So be it.”**

**JUNE 30, 1995 AT 11:45 A.M.**

**SAINT IGNATIUS LOYOLA**

**“I am Saint Ignatius Loyola. Education is very important to mankind. There are all subjects in the educational field of learning. Some are beneficial in particular ways, full of terminology that describes a subject. Then there is the education wherein Spiritual matters are instructed upon and in. Then there is a form of education dealing with the body and the mind. There are many fields of education that can be termed ‘nonsense’, because they deal only with immaterial subject matter that is not beneficial in its basic form. You live in a time where mankind thrives on all forms, all subjects of so-called ‘education’.**

**This Miracle that The Father has so lovingly, so deliberately given to the whole world, instructing mankind of all races, all colors, all creeds, on the most Important Subject mankind can be a part of, that will benefit mankind for All Eternity. It will not end at the moment of the physical death. It will go on and on and on, according to**

**the degree that mankind allows this education to be the governing factor of purity of mind, body and Soul.**

**Thousands and thousands and thousands of Directions, simple in content, practical in use and practice, have already been written or spoken about, instructed in, or even suggested. This must not end where you are or be thwarted by any obstacles. You must see to it that It passes throughout the world because It is the only Valuable Instruction that is for all time. It is not to be ignored, not to be cast aside, not to be allowed to be subjected to criticism that only the enemy of God would introduce. Be mindful, be diligent, persevere, for without this you will fail and it will cost many Souls a great price, because They did not have the opportunity through the body and the mind of the individual that They were placed within at the moment of conception.”**

JUNE 30, 1995 AT 12:12 P.M.

## SAINT JOAN OF ARC

**“I am Saint Joan of Arc. With so many Revelations, Instructions from so Many of Us Here, We All sincerely feel that mankind should be able to fully understand that Everything that was spoken was important, and easy for mankind to determine the meaning of Each Message. This *Miracle Of The Beloved Saint Joseph* has granted to mankind more understanding of The Divine, and most certainly has embellished in many ways the Facts that were instructed in a Catechism, and also the written Words of the Bible. When We hear criticism of This Gift to mankind that is so Personal, so constructively instructive, We cannot understand how such a Gift can be denied.**

**When I walked at the time in which I lived, circumstances called for a different manner of leadership. The Father has designed This Miracle in such a Manner and Way, instructing all ages, all temperaments, all degrees of intelligence, all manners of living, to easily understand the Importance**

of human life, and the responsibility handed in such a loving way, in such a Generous Love. When We hear men, women and even children question This Miracle, it is difficult for Us to understand that a Gift such as This, in the Magnitude It is, could ever be questioned, ever be rejected, ever be denied, ever be lied about by some men.

It is important for all children up to the age of six to be taught the reason why they must be good, and that it is important for them because of that Soul that is within them that is a Portion of God Himself, because of His Love for them. The next age group, I would say seven to fourteen, should be instructed in how important it is to think purely, and to better understand that life is a Gift of Divine Love to be enjoyed, and it has a Goal beyond what any human act or adventure could have.

All ages from here on should have the capability of accepting All the Instruction, All the Information, All the Direction that This Miracle has afforded them, because It is so logical, and in Each Lesson there is Hope that is beneficial to all ages of mankind,

**to all vocations of mankind. This Miracle, in Its Very Act of Love, has benefits for family life, to make family life happier, closer, more dignified, and have the Goals of all individuals as the same Goal: Sainthood for each one.**

**We All speak to all who will read and all who will listen. It is The Father's Will, because of His Love for mankind. So be it."**

### **SAINT CATHERINE LABOURE**

**“I am Saint Catherine Laboure. There are so few throughout the world who are sincerely, totally dedicated to The Father’s Will, using every act of life to please Him, to serve Him, to be obedient to His Commandments for the good of their Soul.**

**Ask yourself: How many times have you heard a sermon, a speech, a talk, a discussion on the Importance of your Soul? Does it ever come up in conversation in your family, with your friends, or through those with whom you associate with in a religious way?**

**This Miracle of The Father’s Love is delivering to mankind so much Information, so much Instruction about the Soul. This may be difficult for some to accept because they do not see the Soul. They say they cannot feel the Soul. Perhaps, if they would pay more attention to their conscience, the Soul would be revealed to them in some way through this part of them, because their conscience should enlighten them, should react**

**in a specific manner as to whether something they are doing, saying, or participating in, is morally sound or correct, or is it against purity to any degree, in any form.**

**All that has been given through This Miracle is important for all ages of men, women, and children. What We speak about in such a clarity is easy to understand, and informative to all areas of human life, never eliminating any man, woman or child.**

**Remember what I have spoken, and I assure you, you will be more responsive to others around you, and perhaps be more deliberate in how you react to their behavior, their intentions, in every way they act. So be it.”**

## SAINT ROSE OF LIMA

**“I** have oftentimes spoken in a silent way to this *little one*, giving her instructions for her own protection against many enemies. This time I come openly to instruct each of you and those who will read My Words, that the enemy of God and man constantly uses every means to distract mankind of all ages to do things, to say things that are not just improper, but immoral, grievously immoral.

**M**ankind does not realize that The Father is fully aware of all actions, all things that occur throughout the world and beyond the world, every moment of every day, for mankind forgets that it is The Father who holds all things in place.

**T**he next time you look at a hill of ants, notice the formation, the tracks, the habits. Sometimes mankind acts like a hill of ants. By this, I mean gathering in groups, following in groups, not cognizant of the moral acts, just that they are in motion with others who very possibly could be

leading them in sinful acts. It does not sound like a kind comparison, but it is in many ways how so many men, women and children form a pattern that leads them in ways, in places they should not be, but they follow consciously where others go; no resistance, because they do not want to be different, left out, or considered not able to compete, comply, or be a part of the so-called 'acceptable action' taking place.

**M**ankind has a mind, an intellect, that can be compared to no other living thing, not in its full capacity. Mankind has a conscience, due to the knowledge of morality and what is immoral. Mankind has a will that in all ways is a determining factor to accepting thoughts, words or actions, in a manner of choice, in a degree of choice, in a form of choice, unlike all other living creatures.

**T**he Father blesses mankind when man says prayers, or even conversational words with The Father that the individual would not consider a prayer. Man must understand there is a constant communication between God and man. This Connecting Link is the Soul that The Father instills at the moment of conception. So be it."

**JUNE 30, 1995 AT 2:09 P.M.**

## **SAINT JOHN OF THE CROSS**

**“I am Saint John of The Cross. At this time throughout the world, there are so many who have adopted the practice, the vocation of preaching to thousands of others, their determinations, their evaluations on Spiritual facts, based on their interpretations, because they want attention. Much of this attention attracts much monetary means. This is what encourages them to elaborate on points that will be attractive to those who are searching for information that will help them arrive at a Special Place called ‘Heaven’.**

**There are so many instructions that are diabolical because of the one that is using this means as a profession, very often untrained, but also, who uses many emotional moments, actions, demonstrating full belief in what they are saying and supposedly instructing others in. Financial gain is their point of interest. Popularity is important to them, for through their popularity they will gather more to listen, and in many ways they become**

so demonstrative that they lose sight of what they are saying.

**D**rama is the key, dramatics is the way, and they oftentimes use musical instruments to distract the listeners from the content, the real content of what they did say. When We hear some speak in earnest ways, describing what is right, what is wrong, the full definition is minus many sound facts, and the emotionalism that is extended covers false tracks.

**T**he Father has sent This Gift of Divine Love, because of the need throughout the world for mankind to value the Soul that is placed within, in a Manner and in a Way that is the Foundation that gives strength to the will of the individual, so the child, as an individual, sees purpose in soundness, in truth, and can and should eliminate any false ideas, practices, interpretations and intentions of others that are not based on sound facts.

**A** loud voice, a dramatic voice is not always the best teacher. Most times a soft voice, speaking logical words, definitions, has more strength,

more direction, more value, because sincerity is totally evident.

**Mankind has been Blessed through and by 'this particular place' in the world, because so much has been and is being given for all ages of mankind, all personalities, all degrees of intellect, and yes, all degrees of spirituality, Spiritual strength. Sound Spiritual Facts are seen for what they truly are. Shouting them out is not necessary, nor elaborating on them with music and amusing remarks, in no way gives strength to them.**

**It is sad to All of Us when We see so much Spiritual corruption, emotional spirituality being executed by those who are looking at their so-called 'instructive measures' as being the ultimate form of preaching.**

**I will close now because so much has been spoken."**

**JUNE 30, 1995 AT 2:44 P.M.**

**SAINT AGNES**

**“I am Saint Agnes. I beseech you, be sure that the young ones receive All Spiritual Direction that will guide them to the Will of The Father. I cannot say enough regarding the Importance of This Message.**

**We see so many who are misguided by incorrect directions, impurities directed their way, encouraging them to do things that are impure and to follow weaknesses that look attractive, challenging, but bring total devastation to their thinking, to their body, to their Souls.**

**It is true, We All love This *Miracle Of The Beloved Saint Joseph*, because through The Spirit of God, Who Saint Joseph Truly Is, We know that it is The Father’s Will that We All speak for the benefit of Souls Who are upon the earth, designated to be in the lives of human beings.**

**So much Love passes through This Miracle, because so many Souls are being destroyed by the weaknesses, by the impurities, by the immoralities.**

**This pleases only the enemy of God and man. I beseech you, remember what I have spoken. So be it.”**

JUNE 30, 1995 AT 3:10 P.M.

SAINT THERESE OF LISIEUX

**“I am Saint Therese of Lisieux. I remember so much that occurred when This Gift of The Father’s was so beautifully given through *a little one*. It was a Moment, a Time of Announcement that is still treasured by her and by All of Us Here.**

**It is sad when We hear rejection of This Gift because of mankind’s inability to see how The Father works in the midst of mankind, so that mankind can relate to *an individual*, and then see the Purity in All that is given, the Reason for All that is given, the Purpose for All that is given, the Goal for All that is given.**

**Whenever The Father hands a Gift of This Magnitude to mankind, there is always a Great Purpose for It, and a great need for It. This time in which you live will go down in History, because of the Personal Attention that The Father has allowed so Many Here with Him to partake in, for the benefit of the Souls of millions of His children.**

**The world is in a despicable time of so many impurities that are acted out in so many ways, destroying all who come in contact with any part of them. So many men, women and children hear the word ‘impurity’, and deny they are any part of it, because they justify all their actions, their thoughts, their reactions to all that is taking place that is obviously impure in many ways. When the subject comes up in some circles of men, women and children, that an act or action or situation is against The Father’s Commandments, is satanic in its very existence, it is oftentimes laughed off, laughed about, and the degree of its wrong immediately diminished.**

**Many times in the past History of mankind, there were times similar to this one; in name that most know of, was ‘Sodom and Gomorrah’. You live in a time worse than Sodom and Gomorrah, and it is getting worse by the day. Filthy remarks, demeaning remarks, that only could be termed ‘pleasing to satan’, are continuously being made, laughed about, encouraged, and reiterated many times by others who hear them.**

**When mankind makes the remark that something like a home, clothing, or some other object they enjoy having, is so clean, and this makes them happy to say this, We immediately want to get their attention to make a comparison of what pleases them, in comparison to the Soul that they do not have any compassion for, concern about, or desire to change their way of thinking, acting, or any other part of life that is destroying this Special Gift of The Father's to them.**

**We hear mankind say, 'Be sure the ship is clean from stem to stern; be sure it is in perfect order.' My, how mankind takes care of objects, disregarding the cleanliness in their mind, that should be in their mind, and of course, their Soul.**

**We hear mankind say, 'Stop preaching morality to me; stop worrying about how I live.' These words are usually said in anger, but the anger actually is agreeing with whatever the point of attention is, yet the nature and/or the personality do not like to be told or corrected on a physical piece of equipment that very often comes before any attention to their moral values or standards.**

**Each of Us Who speak through This Miracle consider it a privilege, because of the Souls involved. It is so important for mankind to realize that the Soul is the Most Important Part of life, because It is That Part that will exist Forever. So be it.”**

**JUNE 30, 1995 AT 4:54 P.M.**

**SAINT ELIZABETH**

**“I am Saint Elizabeth. I cannot describe to you My happiness in speaking through This Gift of The Father’s for the Souls of all living human beings, and for all who are yet to be born who will benefit by All that has been delivered, because of The Father’s Will, The Father’s Love for the Special Creation of His, man.**

**Prayer is an important part of man’s life, because prayer is a personal communication of adoration, of respect, of attention, and yes, requests. This Miracle that has been given to a Particular Place is meant to spread throughout the world, so that all of mankind can grow mentally, physically, more spiritually close to The Father, to Our Heavenly Mother, to Saint Joseph, Who is The Spirit of God, and of course, to The Son of God Who walked the earth, sacrificed in an obvious manner, giving His human life for the benefit of Souls to be able to enter Heaven.**

**What a Beautiful, Historical Gift, that in Its Fullness, in Its Reasoning, in Its Divine Love, is being spoken about, instructed on, in this time in which you now live. Your strength and the strength of all who will see, and practice using All the Words, the Directions that have passed through This Miracle for the benefit of all Souls present now and those who will follow in time, is a Blessing that could only be passed to man from The Divine.**

**Mankind in so many ways is constantly searching for information regarding what is spiritually sound, what is spiritually applicable to life, as life is today, though there are many heretics shouting loud empty praises, emphasizing only their own feeling of importance. This Miracle of Divine Love has generously given to mankind Personal Attention, Personal Direction to mankind of all races, all colors, all creeds, all religions.**

**The world has been Blessed as it was a long time ago. This Blessing cannot be erased by some men's inability to accept It. Each day is a day in which mankind can more fully understand more about the Purpose of**

**life, if he or she will but read What has been given.**

**A Blessing goes with My Words, a Love is within Each Word, a Prayer is within My Being, because We want all Souls to be able to enter The Kingdom of Heaven. So be it.”**

**JULY 10, 1995 AT 11:50 A.M.**

### **SAINT CHARLES BORROMEIO**

**“I am Saint Charles. This Miracle that The Father has designed in such Refinement, such Detail, such Generosity, such Love, must be passed throughout the world, no matter what type of rejection It might be subjected to. It is difficult for mankind at this time in which you live, due to so many leniencies morally, physically, intellectually, that all ages are involved with. When the word ‘moral’ is even suggested, We hear so many different considerations regarding what is morally acceptable, and also, how much more liberally morality is practiced because of the time, the progress that mankind has accepted.**

**As We look at children at the age of six and under, there is a sadness. They are not being taught what is purity regarding what they do, what they say. Cleanliness is not being expressed, because those in charge are so lax in matters of purity, cleanliness, manners, sound reasoning, that should be taught at a very early age of life. Granted, We do not expect a**

**six year old or younger to be taught The Commandments of God, but We do address this subject for those past the age of six, because of the Importance of the Soul that is within each life.**

**God does not create just certain human life with a Soul, and then make a decision that certain ones will not have a Soul. All conceptions immediately are the custodians of a Soul. It is a Precious Gift that nothing can compare to, compare with, because It is a Portion of The Father that no human words can describe. No description of a vision could in any way describe what a Soul looks like. It is in similarity to The Spirit of The Father, as It comes from Him. It is and has a Holiness within It. That is why It must be protected at all costs, in all ways, at all times.**

**Some who will read My Words will find Them difficult to accept, but that is only because human nature does not like to have certain specific responsibilities that are beyond the realm of what is logical to the mind. This Miracle is a Miracle of Divine Love; also, I add, no human love can compare to It, because human love many times is but a figure of speech. It**

is also designed to be a responsibility. It is also many times not seen for the worth that it could be thought about, or should be protected, because mankind is lax in many ways where responsibility is evident.

**P**rayer is an important part of human life. It is sometimes spoken frivolously, quickly, without thought, or as a habit. Prayer is an important communication because through it and in it, one must concentrate to realize the value of it. We hear some say, 'I said a quick prayer for you.' This has its good side and a weak side. Was there sincerity in the prayer, or was it said like a quick offhanded motion, action, to appease another human being?

**M**ankind talks about love. Mankind does not understand the value, the beauty, the importance of what 'pure love' contains. It, in many ways, has a value all its own, because in 'pure love' there is a constant remembrance that there are Rules to live by, a reason for each Rule, and a Divine Purpose for the Goal for which each Rule was designed.

**I do raise My hand in a Blessing for those who take the time, the responsibility to take My Words in script, so that millions and millions and millions of other human beings can learn more about the Importance of the Soul, and what manner of action can be practiced so that this Soul is returned to God Himself, in the Light that He presented It at the moment of conception. So be it.”**

**JULY 10, 1995 AT 12:55 P.M.**

### **SAINT CATHERINE OF SIENA**

**“I am Saint Catherine of Siena. So much Love, Concern, Direction has passed through *a small voice* designated by The Father, for all races, all colors, all creeds of mankind to better understand the Importance, plus the Reason for human life.**

**Mankind very often stresses a desire to reach a goal. The goal is an important point for success, or for an extraordinary purpose. The Father, in the design of human life, placed within each life a Gift that would have within It, a Goal beyond human understanding, human ability to design or to create.**

**As The Father placed, innately in mankind, the desire, the reason, and the purpose for success, it is important for mankind of all races, all colors, all creeds, to see the benefits of everyday life, because in each moment there is a closeness to That Portion of The Father, for the individual to rise in a manner of life beyond human life. It is called ‘Sainthood’.**

**F**or many years, mankind has searched for a goal in daily life, living to reach success, forging ahead under all aspects of rejection and impossible facts. Sainthood is a Goal beyond any goal mankind could possibly imagine, but within each life, there is an innate feeling, an innate understanding, not always able to be described with the human mind, but it is, of course, the Goal for the Soul that The Father designed.

**M**an talks about ‘honor among thieves’, justifying equality in wrong areas. Honor cannot be connected to any sin against The Father’s Commandments. Man talks about Spiritual wisdom, Spiritual likes, dislikes, Spiritual fanaticism, Spiritual preferences, Spiritual communication, Spiritual living, but how does mankind truly see all these things designed around the word ‘Spiritual’?

**A**t this time in which you live, The Father has, in a Deliberate Loving Way, allowed so Many of Us Here with Him to take part in instructing mankind, the importance of daily life, the Goal of life, and what life truly contains: a Portion of Himself. In sound thinking, this alone should tell mankind what a

**Loving God, God is, what a Generous God, God is. Also, that with this Gift, a Portion of Himself, no man should deny or contradict the Importance of human life.**

**When mankind says, ‘I have a goal; I will do everything I can to attain it,’ many times the individual works hard; sometimes, not always fair, but uses many methods, means, to reach the goal. This Miracle has handed to mankind thousands and thousands and thousands of Instructions, basically All easy, because the foundation of attaining Sainthood is purity of mind, body and Soul. God did not just hand this Goal without also handing to mankind Rules to help mankind eliminate all immoralities, so that only purity of mind and body would assure the Soul of returning to God as He Willed it to be.**

**There has been so much Love delivered through This *Miracle Of The Beloved Saint Joseph*. There has been so much revealed regarding so much, instructing mankind on the Beauty of what mankind is all about. As The Father has a Spirit called ‘The Holy Spirit’ within Him, He made mankind to His Image and Likeness, and This**

**has been an Important Instruction throughout all the years of This Gift of Divine Love: that mankind is given at the moment of conception, a Portion of God. What more could man ask? So be it.”**

**JULY 10, 1995 AT 3:05 P.M.**

### **SAINT IGNATIUS LOYOLA**

**“I am Saint Ignatius Loyola. It is important for those who are involved in educational positions of authority to not forget the most important part of human life, one’s moral values and moral standards, as being the foundation of all scientific subject matter. Mankind talks about what is good for human life, what is beneficial, and then sometimes in the same breath accepts what is wrong, even what is controversial.**

**These years in which This Gift of Divine Love has written so much regarding what is best for mankind, there are yet some who read the Words, even some who hear Them firsthand, do not gather the Importance in Every Word of Direction that is passed through This Miracle, not just expressing an opinion, but a Directive on how an individual should proceed in life, for the Reason that human being was given life.**

**We hear so many discussions in all areas of education of practical**

usage of daily living, and so much is and could be considered trite because of its inacceptability to moral standards, moral values, moral implications to the Souls of so many living human beings.

I could speak a long time, dictate volumes at this moment, because there is so much need at this time in which you live, and in the coming years, that We see no moral progress, but more degradation in human behavior, human mental abilities, capabilities, and endeavors.

The world has been Blessed. Let Me compare it to this: You find a very large priceless gem. Are you capable of making decisions on what to do with it because of its worth, and then what to do about it? Your Soul is more than any gem in the whole world, more Beautiful, and of course, Priceless in Its Very Existence. My Advice is to be cautious with It, be careful with It, and allow no one to mar It, no one to degrade Its Value, no one to destroy It. A Soul can be compared to nothing in the world, because It is above and beyond human comprehension.

**There can be no doubt that mankind has been Blessed in a Special Form, a Special Way, for a Special Reason, Purpose, Goal. Allow no one to diminish in any way That Light you hold within you that is more than anything you know anything about. Your Soul is the Light that will shine for All Eternity. It is your privilege, your right, and it should be your will to see that this occurs. Allow no one to distract you from this Goal for your Soul. So be it."**

**JULY 10, 1995 AT 2:05 P.M.**

## **OUR HEAVENLY MOTHER**

**“My beloved children, This Gift of The Father’s Love is a Gift beyond any gift that mankind could receive, because This Gift is Direction, Assurance, Insurance, regarding The Father’s Gift at the moment of conception.**

**Mankind speaks so loosely regarding taking the lives of the unborn, knowing that the conception of this human life has no power physically, mentally, emotionally, to fight for its life in the world. So many men in high places find it an easy decision to take the life of the unborn, ignoring The Creator of All of Life, and that within each conception there is a Portion indefinable, unidentifiable, that is Pure and not of the earth.**

**Morality at this time is based on human identification, human desires, human necessities, humanism that denies a Living God. There is so little rejection against all that is immoral; in fact, in many places and in many**

ways, there is no rejection against all that is diabolical, that is obscene.

**M**ankind speaks of a higher degree of learning, but mankind sees the learning of specific subject matter as pertaining to more acceptance from other men, more possibilities to exceed personally, mentally. If a questionnaire were to go out amongst all of mankind with the one and only question being, 'What do you want out of your life?' you would be shocked to see so few believe that they could say 'Sainthood' and think it as a possible reality. Humanism to so many is a natural instinct, and/or a reality of life.

**I**, your Heavenly Mother, say to you on this day: 'Human life was designed for a Great Purpose, and in many times in past History mankind ignored God's Purpose for the Gift of human life, through bigotry, idolizing false idols, denial of the importance of purity of the mind and the body; also, in some ways accepting human idolatry as the reason for life, the goal of life.'

**T**his Miracle that has been given to the world began in very gentle tones

of Direction, of Instruction. It was The Father's Will to treat those who would listen, those who would read, in a more gentle manner. So much time has passed now, and it is important for mankind to more fully understand that the enemy of God and man is working diligently to destroy the Souls of all ages living now, and to come at a later time.

Mankind says, 'There have been Warnings in the past; not all occurred.' It is not The Father's Way to cause major drastic occurrences taking mankind's physical life, as in some stories of past History. You do live in a time worse than many past times in History, some of it due to so much exposure to so much immorality. If you were to see a sign on every corner, every day, that would say, 'Beware of your Soul going to Hell,' how many would laugh at this sign? How many would take it seriously? Mankind has fear of earthly disaster. How many could be counted in the number who are fearful of going to Hell?

I speak through this *little one* at this time, because We are fully aware of all the obstacles she faces each day, and We are fully aware of

**the obedience that is necessary for Our Words to be passed to millions throughout the world. One of the main reasons for These Words to be written is so mankind cannot say that What has been spoken is hearsay. It is important for man to know that the written Word has strength in It, purpose to It, reason for It, and It has a way of remaining, when all things that are cast only in memory do not.**

**There is so much desecration throughout the world, and there are many leaders in Spiritual circles that are forgetting the Purpose of human life, and the reason for their vocation of life that was to be an open sign of dignity, of purity, so that others seeing them, hearing them, could trust them morally, spiritually.**

**A mother's love is a special love. My Love is The Father's Love combined with My Love, because of the Importance of human life. So be it."**
