## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## **PLEASE READ**

**In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.**

**This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.**

**Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.**

**For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.**

**In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.**

**All Revelations are delivered  
spontaneously and continuously  
as witnessed by all those present  
at the time.**

**JUNE 22, 2005 AT 10:26 A.M.**

**“Appearance and example in how one handles being in the close association with other human beings is in many ways a condition that can be good example or evil example, or it can be called ‘egotistical’ in how it appears or instills self-love, self-need, but self-importance also.**

**Through *one small voice, one small body*, it is a privilege for All of Us to speak Words that enable those who hear Them and/or read Them to have the privilege to cause them to think differently and more productively in how they use many parts, portions, conditions, situations, regarding how they think; thus, many a time able to be example that either encourages those present, or causes them immoral, indecent, impure conditions to be mindful of, cautious of, and aware of.**

**The human body, the human mentality are Gifts greater than they are seen to be. It is important that how one lives in the manner of representing**

**how others should treat them, morally, justly. The list is endless.**

**Many would not expect a Message such as This to be spoken by Those Here in the Heavens, but I assure you, it is in many ways to caution you on the importance of how you represent your gender of life, of living, and how you as a human being respect what you were created to be, and to participate in the living state.**

**These Words are Words of deep Personal Love, because to be created a human being has many responsibilities, but also, in the physical part, it is important that all things represent what is morally sound and helpful to others around.**

**My next Words will surprise some. You are never alone. Do not forget, your Soul is the recipient of all you think, say and do.”**

**JUNE 22, 2005 AT 11:49 A.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**I have given to the world a Blessing far greater than It is seen to be, but it is My Divine Love that Wills This to be accomplished because of the necessity of, the need of millions of Souls Who have been and yet are being mistreated by those in whom They were placed at the moment of their conception.**

**It is also sad for Me to say: As I have chosen so few to speak My Words, oftentimes there is jealousy, thus diminishing What I Will others to learn about, and Who to learn It from, as I am not always visible to the eyes of human lives. That is and has a purpose unto its own discretion on My Part.**

**Throughout the world there are millions of human beings, and at this moment if I were to show you many of them, you would be shocked at what you would see: not just immorality, not just something called ‘sinful’, but vile and contemptible in every facet of its**

actions, and it is worthless, because it pleases only the enemy, not Who I Am! Sin is an excuse many times; in fact, most of the time.

I come on this day to enlighten those present here who walk with this *little one* I use, so they can receive the Messages necessary to aid others through the written Word, or their example daily.

I am sad, because I should not have to speak in this way to any human being. My Love is obvious in All I have given and allowed to be given in a manner of prayers, in a manner of confessions, that sometimes give strength, hope, and help individuals realize that sin is not the answer to anything or anyone.

Needless to say, I love human life more than it knows it to be. I created it to one day return to Me a Portion of it that I am Part of — the Soul.

I will close, for *the little one* I use is close to collapse, revealing My Words for others to hear, to be able to put into script What I want them to know. She says to Me, ‘God, will you bless us all?’ and I say to her, ‘Yes, My *little one*, how do you want it done?’ She says,

**‘Father, just raise Your Hand and say You forgive us.’ I will, and I promise you this, but I also want all things to be better understood, because of what individuals are accountable for.**

**So now, as I bless those, I say, *‘In My Name and in My Love and What I Will to be accomplished, I bless you from Above.’*”**

## MANY SAINTS

**“There are Many of Us present where this *little one* is that delivers so much for Us to others, and so others can deliver What is spoken by Us to numbers of individuals that there would be no contact with if this was not possible.**

**Since the beginning of human life, so much has been learned regarding the importance of just what occurs in the daily life of a human being. Naturally, many times when something is spoken about that has addressed a situation or even a commotion, it stimulates the mentalities of those who hear about it, and it gives them information that could be or might be beneficial to them because of circumstances they are involved in, in many ways not always feasible for them to look at in the full measure they are meant to be.**

**In the creation of human life, there were so many times that the one who was to conceive a child, and be at the birth so the child would learn from that individual many things,**

**giving it strength, giving its mentality a foundation, and helping it grow into what was termed 'a normal life', a way of living compatible in many ways to others who are alive.**

**There is so much for all ages to learn about, to think about, and to be able to understand the differences in how life thinks, acts, produces and projects.**

**In the Creation of human life, from the very beginning much was instilled into the mentality that logically could not be seen, but the individual drew from what they felt, and they used the mentality in many ways for many things.**

**Now, compare this with the time in which you live, and a child is being born. Doesn't the child have to learn just as the first ones learned? Yes, they learned through communication. They learned by understanding it, by being instructed in it for its meaning, for its capability, for its purpose, and for its part that it will play in the individual's way.**

**Some will read These Words and say, 'These were things I knew,' but I will say openly now: Did you look at**

**Every Word in the full measure that you could work with it, for good or evil, right or wrong, or advancement in how you held other things related to these things, giving them a greater worth?**

**Some might say, ‘Why would anyone even talk this way?’ There are so many facets of learning in human life, and of using what one learns to better the living part of human life, its sources, its goals, and what it is practical for: successful matters, conditions, or abilities that could advance and be greater than they were in the first sight of them, the first part of them, the first learning in how, why they could be used.**

**Some individuals might read These Words and not think of Them as important as They are, but I assure you, Everything that is spoken in This Gift of The Father’s Love for human beings has a potential or a factual condition to be used, either in a more prompt manner, or a more explicit manner, or in a condition for hope.**

**As I close These Words, I know that at some time These Words will be understood, and They will give**

**strength where it is needed, hope where it is evident, and love of the Words, because It bears within Them an understanding for a Purpose, for a Goal.”**

JUNE 23, 2005 AT 11:16 A.M.

OUR HEAVENLY FATHER  
MANY SAINTS

**“There are Many of Us present where *the little one* is. So Many Saints Here in the Heavens want to speak through her for the benefit of others who will read the Words, and understand Our Presence is necessary for them to know about. So much is delivered through This Gift that no other place upon the earth has.**

**Many times when all ages of human life, human living, think about speaking a prayer, many of them do not understand the communication is a definite association with The Ones they are calling to hear them speak the words personal, and many times requesting hope or help from the One listening.**

**A Gift such as This One is, is beyond what is natural for human beings to understand, because I choose only one at a time to fulfill My Divine Plan.**

***The little one* is looking for My Face, because she says, ‘I am using Your**

Words.’ Yes, she is using the Words I implant within her, so that others will know that Heaven, and Many Saints Here in The Heavens, work diligently to help Souls.

All that is spoken through this *one small voice* is not always acceptable as being Truth, being logical, because they have never heard It before. It has been many years that this *little one* has been used to speak Words she has no part of until the Words pass through her from Those Above. Her daily manner of speech is not as often as others feel it should be. We smile at this because of what is called ‘her nature’, allowing her to be what is called ‘quiet’ in many ways and alert in other ways, especially when Someone Here is ready to speak.

When This Gift first emerged for others to hear about It, there were many doubts, but it never stopped *the little one* from being obedient and speaking the Words she does not hear until her voice causes It to be heard. We speak to her in a quiet manner, but when We desire the Words to be delivered to others, the Words then have sound.

**You live in a time like many other times in the History of human life, when so many so-called 'intelligent' people want to be heard, noticed, seen, accepted. This is not totally wrong, but it is important that what the individual wants to have others hear or see, they should remember there are Souls involved in everything that occurs.**

**There are thousands of human beings who pray, and there are thousands who do not consider prayer necessary, nor do they feel that their emotional practices or their sinful ideas are always recorded, and this does not aid, in any way, what the Soul desires the one in whom They were placed, because the Soul is a victim, and a victim of immorality, impurities that are practiced by the one in whom They exist.**

**Ask yourself: Have you ever thought about having a Portion within you that you cannot see, you cannot feel, but That Portion of Living Matter is Divine Love, Divine Will?**

**I could speak hours, but I will close My Words at this time, wanting those who have heard Them and those**

who will read Them to remember that no human being has the power to do all that has been designed, created at another time. Only The Creator of All Things could have been The Gift-giver for a Purpose and a Goal Greater than the human mentality could ever have seen so important. Only a Gift of Divine Love gives to every human being the strength, the knowledge, the power, and Divine Love caring for it, aiding it, when it is tempted to be wrong.

As I close These Words, They are only a small group of several million Words that I have spoken through this *little one* for a very long time. They are not always written, put into script, but sometimes just a short Conversation is all that is needed to remind someone that there is a Goal for life, and that is to return to Me as ‘a Saint’.”

JUNE 23, 2005 AT 12:55 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I speak today because there are so many things that human beings should more fully understand: first of all, the privilege of being created in the human form, human way, as a human being with many abilities, not just to adjust to, but to develop mentally, physically, morally, spiritually.**

**So many times I speak through this *little one* to allow her to deliver the Words because of My Divine Love for human life, no matter what part of the world they say they come from.**

**When a child is created, it is a Gift of My Divine Love. When a child speaks the first word, it is happiness Above. When a child takes the first step, We All feel the Power of Divine Love within the child, within its body, because to be created a human being is a privilege beyond what it is seen to be.**

**The Manner and Way I am speaking is because in just speaking**

**These Words, it is a Beautiful Gift of Divine Love that covers so many lives and so much to be done for the sake of the Souls that are placed within the moment of conception to every child born in the human manner, way it was designed a long time ago.**

**No more beautiful way could the earth be filled with human beings, because each child created is a Gift of Divine Love to one day have the privilege to return to The Creator and have a Title all Its own, 'Saint'.**

**Some individuals who will read These Words may not find Them the way they feel it to be, or should be, but I assure you there is no Higher Blessing than to be created a human being. That is why it is so important to always remember the facets of human living is like a very large diamond. Each part of the diamond can sparkle to a different degree in the human life; there are so many places, like the head, the face, the arms, the hands, the body, the legs, even the feet.**

**The Gift of human life is beyond what it is seen to be, but never forget, it has a Portion within it of Mine, of Me.**

**I will close My Words, but as I have spoken Them to you, it is truly a Gift of Divine Love that you were created with, and by and for. Never forget, God loves you.”**

JUNE 28, 2005 AT 11:25 A.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**So many times I request Several to partake in My Time that I spend with this *little one* that I address so many things through, desiring My Words to help many individuals to understand that within them they have a Portion of Who I Am, What I Am.**

**Throughout the world I created a long time ago, was to have a place for human lives to exist upon, thus being able to have a deeper understanding that the world they lived on had to be created for a purpose, but also by a Supreme Power of so-called ‘human abilities, understanding’. The list is endless.**

**So many, and so much take so much for granted, thus ignoring that there had to be a Source, a Reasonability, a Purpose that was to not just be strengthening to human lives, but to support their lives in many ways.**

**I use *one small voice*, because in the Creation of all human life, there were so many reasons for, and so many concerns over the abilities that human beings would incur.**

**There are thousands of Words I could speak at this time, but as those who read the Words, I know would understand that I Loved this creation, human beings, human mankind, because within each one there is a Portion of What I Am, Who I Am, understandable because of so many talents, abilities, and precious values because of the Souls that are instilled to one day return to Me from Where It came.**

**Many so-called ‘theologians’ are capable of understanding certain things that human lives have the abilities to do, but none of them can create My Will.**

**I hold *the little one* tightly, because My Words are different than she would expect Them to be, but I smile at this because her love for Me is greater than she knows it to be.**

**Each thing I speak about and request to be written is so that hopefully thousands of human beings**

**will be able to read the Words and understand Divine Love in All that is spoken, because every human being created by Me has a Portion of What I Am. It is called ‘a Soul’, thus logic speaks, saying that a Blessing of Divine Love is evident.”**

**JUNE 28, 2005 AT 12:10 P.M.**

## **OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**It is with much Love I speak to you on this day because of the importance of how you live, how you think, and I want you to know that when you pray a formal prayer, or just a wish in a personal way, you are heard by Many Here in the Heavens because, do not forget, Many Here once walked the human way. I did. Do you remember this? You have read about it I know, but My Purpose upon the earth was for many things: some were personal; some for time to come that others would understand, could understand the importance of being a mother; but also, the responsibilities never end. Just as I was a Mother upon the earth, and I am now in Heaven, when you pray, I hear you. Never forget this.**

**As I close These Words, I want you to know that your love for Me is appreciated, just as All The Saints Here when you pray to Them. They smile and say, ‘Father, thank You**

**for the privilege to be able to be the recipient of prayers like You do.'**

**I will close These Words, but as I do, I want you to know, as you serve in the way you do, you are Blessed abundantly because The Father Wills it so."**

**JUNE 28, 2005 AT 1:01 P.M.**

## **OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**In My Desire in creating human beings, I wanted all things to give happiness, joy, pleasure, and an innate feeling of thanksgiving for being a human being, and created by human beings.**

**What I have just spoken, hopefully will alert many human beings of what a privilege it is to have the Gift of being able to create another human being, thus instilling in this creation all the things that will help this creation become ‘a Saint’.**

**Sainthood is not impossible. It is very probable when one walks the daily path of living in a very responsible way.**

**When I walked upon the earth and I was present as a child was being born, I would smile and silently say to the child, ‘I waited for you, and now you have given Me help, because you have a Soul I want returned to Me at a time that others will be able to be**

**happy, because the Soul is truly a Gift of Divine Love, and has a Purpose and a Goal.'**

**No child should be created and not seen in this manner and way, because the child is a Gift of My Divine Love and has a Place Where I Am.**

**I could speak many hours on this subject, but I assure you no child is ever created that I do not love or that I am not grateful for, because in the human life as a living human being, much happiness can be shared, and then when the time comes and only the Soul is available, the Soul will share Heaven with Me Above."**

**JUNE 28, 2005 AT 1:41 P.M.**

**SAINT ALPHONSUS LIGUORI**

**“I am Saint Alphonsus Liguori.**

**When The Heavenly Father requested a long time ago, for Me to take part in This Gift of His Divine Love, I was so happy to receive His Request, because unlike in the human way, for Those of Us Saints Here, it is a privilege to serve The Heavenly Creator in any way. The privilege is beyond what it can be described to be.**

**Throughout the world there is very little consideration regarding the Purpose for human life, and of course, the Goal that The Father Wills it to reach at a given time.**

**The time has come for all ages of human beings to look at the importance of living, and then one day returning to The Divine, just like there is happiness when one is given a gift when they are alive, and if the gift is special, there is much enjoyment to it, and many times, much thanksgiving.**

**So, do not forget, but I beseech you to remember: The Gift of human life is above and beyond what it is understood to be, but the day does come and the Soul is faced with the Gift, and that is to return and be ‘a Saint’, maybe not publicly known, but Personally be able to live in the Saintly Manner and Way, returning to The Creator to serve in a different way.**

**As I close These Words, it is only My Manner of saying there is much to be understood, and if ever I have the privilege to speak again, I will be happy to do it.”**

JUNE 29, 2005 AT 8:28 A.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother.**

**This *little one* I speak through and to has a Major Task in more ways than one. The purpose for this is because of her communication that has always been, and always will be with more human beings than it is counted out to be. As a child, there were many times what she thought was just a kind gesture was far more than that. Circumstances have not diminished in that many degrees, purposes, and ways. Though her presence is casual, it is more than that.**

**As so Many of Us use time to help others who are yet alive, it is important for human beings of all ages, backgrounds, understand that those close to them need support, and many times concern for how conditions, situations, or personal feelings are concerned.**

**Many would wonder why I would speak this way. My answer to this is: This *little one* has a conscious concern**

**and effort to heal the wounds, but also to aid the circumstances.**

**This Gift has been given to the world, not just one location of it, because there are millions of human beings of all ages who do not feel they need something like This, but I assure you It strengthens many weaknesses, many misunderstandings, and many wounds.**

**I could speak endlessly on this subject, because there are so many facets, sound, realistic and good for This Gift that speaks so much from the Heavens, and in many ways strengthens what is necessary when individuals are unaware of where they are gaining the strength to live another day, and to think more clearly on what is important to say.**

**As I close These Words, I close Them with a Mother's Love, because nothing occurs that We are not aware of."**

**JUNE 29, 2005 AT 12:00 NOON**

## **MANY SAINTS**

**“There are Many of Us present, too numerous to mention Our Names. The list would be beyond what you would understand, for so Many of Us to gather at one time to help you who put the Words into print and to help those who will read the Words, and with the Help of The Creator, follow Them.**

**In the Creation of human life, nothing was left out that would give to the one created a Purpose for life, and living the way you do each day, and you have chores to do, you also have the privilege and responsibilities to Who created you.**

**You did not just happen. You did not just occur. You were created in a manner and way designed by The Divine, and you know it is a privilege to be a human being, for the Purpose it was designed was to help you one day become ‘a Saint’ and be with The Creator for All, All Time.**

**The Words spoken may not be familiar to you, but I assure you They are said with much Love, because**

**in the Creation of human life, it was designed by The Divine to be able to one day never be out of His Sight; so, as you cross yourself on this night, do not forget, each time you do this, The Father sees a Light. Just as you see a light you turn on, your communication is a Light, beyond what you understand it to be, but never forget, every word you address is immediately heard and seen.”**

**JUNE 29, 2005 AT 1:06 P.M.**

## **MANY SAINTS**

**“There are Many of Us present because of the importance of What is to be delivered openly, for millions of human beings to more deeply understand that they were created for a Goal in Divine Plan.**

**Though you cannot see your Soul, your Soul never leaves your body once It is placed into it by The Creator. Also, as you face each day, sometimes you forget to pray. I beseech you to remember, because when you call upon a Heavenly One, you are always heard and They, in turn, many times pass onto Others There with Them, your need or what you say.**

**The world has been Blessed abundantly in the very acceptance that there is Divine Love available to guide, to guard, to aid and to help when it is requested for the right purpose, correct meaning, and that respect is shown to One or More Who made ‘The Goal of Sainthood’.**

**Today is a beautiful day when you make it a beautiful day. You have**

**the privilege to make each day one to be remembered.**

**I could speak hours on the importance of What you have been requested to partake in, to help millions of Souls of other individuals to have the privilege to return and be called ‘a Saint’. The word ‘Sainthood’ to most, is cast aside. It is not always felt to be capable for some individuals who do not realize that Sainthood was planned for the Goal of human life.**

**The Words could be endless in how much could be spoken on how, in the beginning of time, there were so many things thought about by The Divine, but time had to be taken in the manner it could be understood and followed in the right degree of fortitude, magnitude and strength because of the Goal and many goals, that at this time right now, are aiding many to more fully understand the privilege of being a human being, and there is in it a means, a manner, a way to return to The Creator and be called ‘a Saint’.”**

**JUNE 30, 2005 AT 11:06 A.M.**

## **OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**In My Creation of human life, I had a Reason and a Purpose, because in My Desire to share What I had, What I knew, it was important that I share it with you.**

**So many opinions regarding My Reason, My Way, are all confused, because they have determined that Background and the Feasibility would not be so Generous with millions of human beings. This, of course, is and was a total misconception of My Divine Love.**

**In the Creation of human life, I instilled in it a Gift of Divine Love that did not exist in the manner, degree, before this time. My first Words in the Gift were Words wanting to share the Beauty, the Wonder, and All that was good.**

**Today as I speak through *one small voice*, delivering to others What I am saying has an importance to It,**

not always being seen as Divine Love for them.

**I** could speak hours on the importance of the important factors I instill into this creation, thus sharing abilities, understanding, a conscience, and a will to have the strength to participate in ways and manner not available at that time.

**H**uman lives are a treasure to Me. It can be compared with how human beings can love each other, care about each other, innately feeling a oneness, a closeness. It is not openly seen.

**I** could speak endlessly of this Love I have, to human beings. It is important to understand, that in giving to human life the abilities I have already placed in many ways within them, My Love for this Gift should be understood and should be treated with thanksgiving, manner and mood.

**E**ach time I reveal through this *little one* I use, I do it to show others that in My Love for human life, I want to share with it so many things to help them understand that they were created because in My Design, My Hope, My Plan, there was much more

**than ever understood to be, by anyone thus far created, at any time.**

**The world is a Blessing because within it and on its surface, My Divine Love is always present.”**

JUNE 30, 2005 AT 11:48 A.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I use this *little one* for more than the Words I speak through her.**

**In This Gift of My Divine Love, it is My Desire to instill in many, many, many minds, the Importance of the Gift of life, and the Goal for which it was created. It is not always seen this way. There is so much emphasis on the human side, human purpose, human practices; but today as I speak, I want those who read My Words to understand that in this Creation I designed, it was based on Divine Plan, and each human being created is a Gift of My Divine Love because, do not forget, there is a time I will want that life returned to Me Above.**

**As I close These Words, it is just for a short period of time, because as *the little one* can tell you, I am very often present and I do not speak Words, but I do send My Love to human beings for them to remember I Exist, and My Love for them is Divine.”**

## SAINT CATHERINE OF SIENA

**“I am Saint Catherine of Siena.**

**So many times We are told to deliver Words through this *little one*, because The Father has chosen her to be able to deliver Things He Wills those yet in the living state to understand and to one day use Them to become ‘a Saint’. Oftentimes We All smile when We are told to awaken *the little one* to Our Presence, because Someone Here in the Heavens wants to speak.**

**Heaven to most individuals, almost one million percent of the individuals, cannot understand such a Condition, Situation as The One is that allows The Saints to speak, so *one voice* can hear and repeat What was designed to be important for the Souls of hopefully millions of people.**

**Each time The Father beckons One of Us to speak, it is a pleasure, it is a Gift of Divine Love, because None of Us Here in the Heavens want anyone on the earth to not be able to be told that Heaven waits and is available when the time comes.**

**So little is understood by what is good over what is impure, unjust; also, so little is spoken about the Future of a life. Where does it go? So little is instructed on the importance of how an individual says prayers, and if they do not say the prayers, why don't they say the prayers to communicate with The Divine?**

**Hours could be spoken on What I have just asked you to put into print for others to read and to think about, because you see, human life was created for a Goal. This should be an innate understanding, that to reach for a goal is part of life, part of living, because as you live the human way for the period of time The Father Wills, then there is a Goal for you to reach by all the things you performed in the human way.**

**Always remember, you were created to one day become 'a Saint' and return to The Creator in Thanksgiving and service, Divine Way."**

## OUR HEAVENLY FATHER

**“At the time this *little one* had announced to her what she would be responsible for and to, many things were different. When I speak These Words about ‘different’, it is to say that men, women, and children were accustomed to a different manner of doing things, and a different way. These Words would be very much to say to describe at this time, because there would be so many subjects to cover in an explicit manner, way, and it would cost much time.**

**I have given to the world *one body* in a particular area and place. This does not mean I do not use others for different situations, conditions, but I have allowed *this one* to be more open, because it is important that All that is delivered and when It is delivered, should be seen and remembered as a Spiritual Aid to more fully comprehend and understand that living as a human being is a Gift of Divine Love based on Divine Plan, ensuring a Goal for a Future Time for the Soul to return to from Where It came.**

**I hold *the little one* tightly because My Words, in the Power I deliver Them, are sometimes difficult on her small body.**

**All that has thus far been put into script must never cease in being delivered to human beings of all ages, all backgrounds, all intellects. It is My Love for human beings, human lives, because there is a Portion within each human being that has the ability to become 'a Saint'.**

**The Soul pleads for help, but the mentality does not hear it in the way it is spoken. That is why I have come at This Time to enlighten the minds, hopefully of millions of people, that as they many times use energy, finances and goals for human things to take place to please them, I want them to remember the Most Important Part of their body, their mind, their existence is That Portion of Who I Am, What I Am. It is called 'the Soul'.**

**She looks for Me because of the importance of the Words. I smile at this, because as I instill the Words into her, her body responds to the importance of the Words and what a Treasure it is for others to be able to**

**read Them, giving them strength and the privilege of a Goal that they were created for at a given time, a given way, by Me.**

**I will close My Words, but as I do, I thank *the little one* for being open physically and mentally for others to learn What I Will them to know.”**

**JULY 1, 2005 AT 1:11 P.M.**

**SEVERAL SAINTS**

**“There are Many of Us present. This Gift of Divine Love in which and through which so much important Information, or understanding on the credibility and the importance of being a Christian in the right, orderly way, and in a manner that bespeaks logic, hope, also example, plus some means of small sacrifices for the good of the Soul.**

**The Soul is not seen, but It is felt by every human being through the knowledge, through the logic that the human mentality knows whether something is pure over impure, just over unjust, truth over untruth. Basically, the list is endless on this.**

**That is why it is sad when We see or hear an individual ignoring how close they are to The Divine in logic and in a love that bespeaks Divine Love in a Manner and Way suitable to the individual’s manner of living, also the intellect, also the background, also the innate understanding of what is**

**moral over immoral, just over unjust, truth over untruth, fact over fiction.**

**At this time in which you live, there is not enough protection for the Soul, because the Soul is present and eager to participate, giving hope, help, energy and strength when it is needed, where it is needed. This does not mean that an individual cannot become ill.**

**The Facts that were just mentioned is to/for the mentality and for the dignity, also for the moral strength a human being is gifted with.**

**Needless to say, volumes could be written on What I have just spoken, but some individuals might not find Them in a manner and way of Something they would like to have to follow.**

**There are Several of Us present, but before We leave, We want you to know that you were Blessed in many ways through The Father's Love for you, and your obedience to accept the Love your way, through your will and understanding of what was right over wrong, or more beneficial over what was impractical to do. You are aware of a Love you cannot see, but in your own way, many times you find that Love, Company."**

**JULY 1, 2005 AT 1:56 P.M.**

**“There are Many of Us present wherever this *little one* is. We call her ‘*the little one*’ because she was chosen when she was very, very young, and many things were revealed to her and she was obedient in accepting to do them.**

**You live in a time in which, at other times many of the same things occurred. The human mind, the human need for routine very often carries on through, and is not noticed in the full manner it is being instilled, or accepted, or reviewed.**

**We could speak hours on all subjects that pertain to human behavior, human wills, and human understanding on many, many subjects that ordinarily would not be important to the individual.**

**I know I speak differently at this time, but hopefully it is to awaken those who read These Words to look at what the human life oftentimes partakes in, or uses to participate with others.**

**You live in a time where they speak much of ‘progress’, and how much it affects the lives of those in the living state. I beseech you: Do not fall into a category of accepting what others think and say, unless you see or hear the reasonability, the practicality in the communication.**

**Sometimes, when an individual hears something about a certain fact or a certain condition or a certain endeavor to do something different, the list is endless, and they try to imitate or to initiate or to associate themselves with the condition just to get experience, ‘be aware’ and ‘beware’ of what experience such as this can do to you mentally or physically.**

**I speak this way today to encourage you to practice what you know is right for you, and to be aware of what you could think would be something to change in you. Be sure that you pray about it and you rationalize it, because so many mistakes are made by those who feel they want to try something else, something new.**

**I know What I am speaking may not feel interesting to some who read Them, but it is just to alert you that as**

**you go through life and many things appear encouraging, always remember to look into it, not just in a practical manner, but a logical manner of, would it be good for you?**

**There are so many things that We could talk about and alert you to and about, but always remember: You were born with a Goal, and you were born with the ability to follow what is good, what is valuable, what is truthful, and what is applicable to you one day reaching the Goal for your Soul that the Soul is looking forward to, at the time The Creator Wills it to be.**

**Every human life has a reasonability to it, and every human life has the privilege to one day return their Soul to from Where It came. The Soul enjoys being in the body It is in, but the Soul, knowing there is a Goal, wants It to be Where The Father is.”**

**JULY 2, 2005 AT 10:27 A.M.**

## **OUR HEAVENLY MOTHER**

**“There are Many of Us present. I smile when I make this Statement. I am your Heavenly Mother.**

**It is difficult for many individuals of all ages to understand Our Communication, Our Love, and Our Sincere Caring for those who are walking the path the human way and are exposed to meeting individuals of all ages, each one with a different personality, a different nature, and a different Goal for the Soul to reach at a given time.**

**The Beauty of human life, the Wonder in it, and the Importance of What it was created for, is oftentimes unthinkable in the human manner of living, of innately understanding, and of the responsibilities that every human being must be responsible for. The Gift of human life is beyond what it is seen to be. It is taken for granted in a casual manner and way.**

**Today as I speak These Words, I want those who read Them to remember the Gift of human life is**

**far greater, because it has a Goal for a Portion of it that nothing else can see, or are accountable for. An animal does not have a Goal. The water does not have a Goal. The Gift of human life instinctively should say it is present for Another Time, Another Way.**

**The Love of The Divine is Far Greater than anyone knows, and it is important that more attention is given to what is normally called ‘The Divine’, because It supersedes the human Gifts, ways and means, thus making human life forced to look for what Divine Will wants them to follow, to be example of, and to practice in their way of human manner of living.**

**As I close These Words, it is a privilege to be able to communicate. It gives hope to a future well-planned, used well, bearing a Goal Greater than the human mind could ever perceive It to be.”**

JULY 2, 2005 AT 3:27 P.M.

OUR HEAVENLY FATHER  
MANY SAINTS

**“I am your Heavenly Father.**

**There are always Many present where this *little one* is, because it is of great importance, These Words she does not think, but come from Us.**

**This Gift that has been with human lives for a very long time, has never been seen for Its purpose, Its reasonability and Its goal. All of Us cherish This Gift of The Father’s Love, because in It and from It, the Words do not just depict, but share the Importance of being a human being and more understanding of The Holy Trinity, thus strengthening all the motives for things to be practiced in a correct and welcoming manner.**

**Throughout the world there is a great need for This Gift that enlightens, encourages, and shares Divine Love, thus giving strength to all ages of life and assuring them of a Higher Creation of Living Matter and Intellect and Caring for all that is practiced by those who have the**

abilities to partake in all the human aspects.

**So Many of Us request The Father to allow Us to speak because of how We feel certain subjects are important for the Souls, for the lives, and for the Communication that all ages of human life respond to and are part of.**

**Needless to say, it may be difficult for some who read All Our Words or heard about Them, would not feel Our Presence was necessary if The Father's Will was the Focal Point of All that occurs.**

**Hours and hours could be spent by Us delivering verbally and intentionally how We understand that progress for the sake of the Souls of mankind is necessary according to Divine Plan.**

**As We speak and Our Words are so logical, *the little one* that is used to be responsible for many things wherein the tasks, the requests, the purposes are sometimes very heavy in Weight and Responsibility.**

**Needless to say, thousands of Words could be spoken on the importance of every day every human**

**being lives. So, I beseech you, those who read the Words, that when you pray to The Heavenly Father or The Heavenly Mother, never forget to thank Them for all They share and all They Will to be done for the Souls of millions of human beings.”**

JULY 3, 2005 AT 11:29 A.M.

## OUR HEAVENLY FATHER

**“Many of Us are together and are so pleased that consideration made the effort to help *the little one* through a very trying time, by physically giving to her an Act of My Divine Love from The Divine.**

**The Importance for This Gift that is available for thousands, if not millions of human beings, is My Communication of My Divine Love that I designed to continuously show human life how close they are to Me.**

**Many do not see what a Blessing this can be, but I assure you, My Love for human life, from the very beginning, was in the Creation of them. It was My Desire to share What I Am, thus aiding them to have strength, feeling that there was a Goal to reach, thus giving to their mentalities a purpose for their communication with Me.**

**As I close My Words for a short time, it is a happiness to Me when I have the opportunity to say things that give hope and the reality that as**

**they exist, I Exist. It was designed to be this way.”**

JULY 5, 2005 AT 11:12 A.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I have given to this *little one* I use, many options in what aids her in All that I deliver through her, due to the fact that I speak more often than it is obvious to those present.**

**In This Gift through *one small voice*, My Intentions are far greater than They are understood to be, because in the Creation of human life, there was much to be considered in every facet of it, but mainly in how it would bespeak what I Willed it to teach others physically, mentally, socially, personally.**

**My Love for this creation of human life is beyond what any human life could possibly fulfill, if they did not have a Soul within them to give them the Strength to follow What I Will.**

**I rarely deliver Messages like I do through this *little one*, but through These Words, millions of human beings are to be alerted to What I**

**say Personally, in a way, manner and degree unmistakable, bearing My Name as a Great Portion, Part of The Holy Trinity.**

**I bow *the little one's* head, and I smile when I say, 'Her life has been devoted to Me, even before I announced to her what I Willed her to do for Me.'**

**As I close These Words, I Will Them to be known because of the privilege so many have in receiving What I deliver through her."**

**JULY 5, 2005 AT 11:55 A.M.**

**OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**It is with much Love I come to you today, because each time you mention your consideration for The Heavenly Father, so Many Here in the Heavens respond with happiness, with joy, because you are remembering The One Who Created All Things.**

**It is important that as you open each day, that you remember to pray, because as you do, He smiles at you for every word you say. Some individuals would say to this, ‘But human beings are all throughout the world, and could be doing this all at one time.’ I smile when I say, ‘The Heavenly Father can be seen, can be felt throughout the world every moment of every day.’ Remember this when you pray.”**

**JULY 5, 2005 AT 12:09 P.M.**

**There are Three of Them here.**

**“Yes, there are Three of Us present. We were with *the little one* at her home just a short time ago.**

**It is important that This Gift of Divine Love be recognized for the privilege It is, but also for the Divine Love within It.**

**Human beings should understand what love means when it is spoken openly, because the word ‘love’ spoken out loud has a ring to it, a message in it, and security in how one thinks of another one.**

**Do not be afraid of that word. It was created a long time ago; in fact, the moment in Divine Love that human lives were going to be created in a Special Way for a Special Purpose, it was based on Divine Love.**

**I will not speak more at this time, but allow the Words thus far given to travel in places that there is no open manner of love, because love has many**

**degrees, and many means in how it is displayed.”**

JULY 5, 2005 AT 12:49 P.M.

SAINT FRANCIS OF ASSISI  
MANY SAINTS

**“There are Many of Us present at this time, too Many for *the little one* to be able to give you Our Names. We are crowded around her, allowing her to feel the importance of how We care about her. She tries counting Us. We All smile. She says, ‘Who will speak?’ and I say to her: ‘I will for a time, perhaps short in your line of thinking. I am Saint Francis of Assisi.’**

**Each time We deliver Words through this *little one*, it is to give strength to others also, knowing that when We lived upon the earth, We were active in service to The Divine, similar to what you are today, because as you walk in the human way and you work for This Miracle of The Father’s Love, you share many things with Us. There is no greater way to walk the human way. Remember this.**

**To be a human being has many responsibilities, some surface, and some very deep, due to the fact that**

they are needs morally and other ways.

**This Gift of Divine Love makes so Many Here in the Heavens happy because of how It is delivered, and how so many close to this *little one* put the Words into print for others to read, or for another time to read themselves.**

**Children of all ages should know about This Miracle, allowing them to partake so personally in speaking to Us, in becoming a part of how We live, because do not forget, who knows, one day they may be very close to Us Here in the Heavens and Wherever The Father decides Us to be in service to Him.**

**We All smile at the Love that is displayed through This Gift of Divine Love. It is an Open Love, and a Love that speaks many things about those who follow It in the right way.**

**It is a privilege for Us to hear from you at a busy time such as this, and We are grateful to The Heavenly King for all the tasks He allows Us to care for Him.**

**There are Many of Us present and We want you to know your obligation,**

**mental and physical, is a happiness to Us because your Soul is the recipient of all you think, say and do. Never forget, The Heavenly Father loves you, and We do too.”**

JULY 6, 2005 AT 8:32 A.M.

## OUR HEAVENLY FATHER

**“I am speaking at this time to help *the little one* avoid and to understand that sometimes discretions in some human beings she is aware of, must cease.**

**This Gift that gives to human beings of all ages a deeper understanding in a more Personal Manner, must be understood for the Divine Love, to the Divine Love, that allows This to be, thus giving moral strength and Spiritual strength at a time when so little is felt or seen.**

**So few children are addressed regarding the importance of understanding and believing in The Divine. That is why there is so much indiscretion, and so much ignoring Spiritual aspects of human life. The center of attention is always based on something that is of curiosity regarding conditions, situations, values of another one.**

**So few individuals understand, as they face each day it should be a commitment of thanksgiving to**

**The Divine for one's mentality, one's manner of living, and one's abilities to live each day in what could be termed 'prime time', due to the fact that it gives strength, hope, and a more sensitive understanding of what it is to a human being.**

**I smile as I dictate These Words, for *the little one* I use repeats What I Will her to speak, thus never knowing what My Subject Matter will be."**

JULY 6, 2005 AT 12:00 NOON

MANY SAINTS

**“There are Many of Us present. It is a privilege for Us to be able to join those yet in the living state to hear What The Father Wills them to know.**

**Each day in human life has a reason and a goal. It is not thought of that by the individual, but that is why This Gift has been given to the world: to awaken the mentalities to more fully understand that life in the manner it is given, the reason for it is given, is a Gift beyond what those yet in the world do not understand.**

**As We speak, and Many of Us do through this *little one*, it was to give thousands or hopefully millions of human beings the written Word, Greater than what they are used to, but It is a Miracle of Teaching, a Miracle based on Divine Love, and a Miracle to alert the mentalities to a reasonability for why they were created, and that there is a Goal for them, Designed by Divine Love.**

**So much could be spoken, because as Those of Us know because We are**

**still with The Father and Others like Him, He allows Us to show through delivering through *one voice*, Words of Direction, of Hope and of Divine Love, alerting the mentalities to remember: There is a Goal for every human being created because, do not forget, the Soul that you bear wants to return to from Where It came at a given time, for a given reason.”**

JULY 6, 2005 AT 12:30 P.M.

SAINT THOMAS AQUINAS

**“I am Saint Thomas Aquinas.**

**We are listening to *the little one’s* voice, the one you do not hear. She’s asking Us questions and We All smile at this, because We are so Important to her and What We Will to be spoken through her. Many times a high intellectual mind has much innocence in it, because the innocence makes it easier to handle than it ordinarily would be.**

**The whole world has been Blessed abundantly by This Gift of Divine Love wherein so much is delivered, never thought of with the human mentality of individuals who love many things and are eager to learn more about Sainthood as a Goal for daily living.**

**Right now as I speak, there are Many with Me Here, and They All ask Me to remind those who take These Words to remember: To be created a human being is a privilege beyond what it is understood to be because of the human mentality that oftentimes sees things in a manner, way and degree**

clearly understandable because of the mentality that is used to recognize most things.

**Much Love is delivered each time this *little one* is told to speak Words from Us, because it is important for the Souls of millions of human beings to understand that the Gift of human life is and always was a Gift of Divine Love, presented to human beings of all backgrounds.**

**I could speak hours on this subject out of sheer love for all it consists of, but for the sake of those who are putting It into script and all those who will read These Words, I say, ‘*God bless you,*’ and I am grateful for the privilege to be able to speak These Words to be put into print.”**

JULY 6, 2005 AT 1:10 P.M.

**“There are Many of Us present wherever this *little one* is.**

**As We were relating to Each Other on this day about the importance of how human beings live at this time, and remarking about all the things that are important, that to Us, in Our time, would not have been important. Our feeling about friendship was consistent and constant. Our feeling about sharing meant a big step in our manner of living. Also, the word ‘hope’ made each of us aware that we had the possibility to get more materialistic than we thought we would have the chance to do, to participate in, due to the fact that they almost meant you had to be wealthy financially.**

**I know I speak differently than you are used to hearing, but there are so many subjects that need caring, because in the human mentality there can be much distraction, much encouragement in certain areas for things that are not always beneficial, but some think they could be earth-**

shattering by their very concept, content, or wording.

**I** know I am speaking differently, but as you live in the world today, you have so many options, so many areas and ways and things to choose from, giving you a large scope of definitions. Some will please you, some will not.

**N**ow I am going to say something that probably will surprise you. When I was upon the earth a long time ago, Our lives were not like yours, because we were instructed more in what was necessary to improve what we were, and improve what we owned as entities of importance.

**T**oday, as Many of Us speak through This Gift, it is a pleasure to be able to speak Words you understand and We, Many of Us, are eager to address what We feel will give you enjoyment and perhaps more of an endeavor to become 'a Saint'.

**I** could speak hours, because the Soul wants all things to be blessed, and to be passed down through time because of how a human life is created by The Divine.

**I hope My Words have not been confusing, because there is not One of Us that does not want those yet in the living state to return to The Father and be called ‘a Saint’.”**

JULY 6, 2005 AT 1:34 P.M.

OUR HEAVENLY FATHER  
MANY SAINTS

**“I am your Heavenly Father.**

**Yes, there are Many present with Me, because it is rare if anyone feels that there are times that this *little one* is alone.**

**I speak These Words today because of the Importance of This Gift I have given through *one small body, one small voice*, for the Salvation of Souls.**

**In the human manner of living, most individuals desire to speak words of encouragement, judgment, feeling the importance of them for others to hear. This Gift of Divine Love is without such an intention, because All that is delivered is to safeguard what is right, what is moral, what is good, what is beneficial, what is necessary to become ‘a Saint’.**

**We hold *the little one* tightly. She is looking to see Our Faces, because she knows We are present.**

**We have come on this day to help certain individuals to more indepthly understand that every moment of every day is important because of there being so many distractions, and so much intervention into wanting to take your Souls, and make them think other ways.**

**Every day you live in the human way, your Soul is present with you. It is and was a safety measure in the Design and Creation of human life. All things were looked at to give strength mentally, physically, for the benefit of the Soul that you are the custodian of.**

**It is true, We many times speak Words you are not used to hearing, but the meaning is left with you, the intention is indelible. You know this.**

**Be thankful for being created, and having the Goal that is beyond what you understand greatness to be: a Treasure beyond anything you can think of or see; a Future beyond what the normal human body and mind can perceive. Remember, as you live each day, there is a Purpose and a Gift of Divine Love that will give you the strength to practice what you**

know is moral and pleasing to The Creator in every way. No unkindness is ever delivered. No untruth would be allowed to enter.

**R**emember when you pray, to choose the words you know will be pleasing to The Father, because in this way you know it will be heard, because the enemies that exist in another way could not bear to hear you say what is opposite to what they want you to say. Jealousy abounds because of the wrong way in their living.

**I** speak differently, I know, but for some it is to awaken their mentality to assure them there is a Goal to human life, and there is a Portion of human life called 'the Soul', and just as it is often spoken: When you care about another human being, you are happy when you say you are 'soul mates', thus feeling the communication you have with them, the closeness you feel.

**T**he world has been Blessed in many ways, but human beings are Blessed abundantly, because being created a human being is a Gift beyond what it is seen to be.

**A**s you approach each day, remember to give thanks; but, as you

**say ‘Goodnight’, do it with love, and remember that when you pray, never forget to say, *‘Thank You, Heavenly Father, for this day.’*”**

**JULY 6, 2005 AT 2:19 P.M.**

## **OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**Today as I speak, it is with much happiness, because as I hear your work habits and desires to spread My Love to others, it is a privilege to have you so close to Me, though I have spoken many, many times through this *little one* that Many of Us use to pass Our Opinions and Our Love for human life to many others who do not practice a communicative association with Us.**

**Each time you say to someone that you have Words that you took into print that Someone from Here in the Heavens spoke, you are doing more than you fully understand you are accomplishing, because such a statement says how close you are to The Divine, and that The Divine is not out of reach to you or anyone else who desires to communicate.**

**I am happy to speak These Words at this time, because there is so much need for thousands of human beings to more fully understand We are as close to them as how they live each day,**

**speaking to others like themselves and being heard for the subject matter they use for attention and for communication. The same goes Where I Am. I am available for you to speak words you feel are necessary to communicate at a certain time.**

**I love this Creation of Mine, for do not forget, a long time ago, a Portion of Who I Am, What I Am, walked the human role.”**

**JULY 7, 2005 AT 11:46 A.M.**

## **MANY SAINTS**

**“There are Many of Us present. We announce this so you will be aware of the Words that will come through this *little one*, because We care.**

**The world has been Blessed. Some will say, ‘The whole world?’ We say, ‘Yes.’ Whenever Words such as are delivered through This Gift of Divine Love are able to be shown to thousands or millions of human beings, it openly says: ‘You are Loved by The Divine King, and He Wills you to know of this Love and His Sensitivity to your presence whenever you desire to pray to Him, day or night.’**

**So many individuals carelessly cast These Words aside, but They are Words of Meaning, of Closeness, of Sincere Divine Love, thus caring for those who are in the human state, wanting their Souls to return to from Where They came at a given time, a given way.**

**So Many Saints Here in the Heavens would speak constantly if They felt or knew that those in the**

**living state would hear Their Words. That is why it is so important for Our Delivery to be put into script, alerting and instructing those in the living state to be aware of certain Facts, certain conditions, and that the Soul in the body of each one is happy to know the Communication is clear and helpful to the one in whom They were placed at the moment of conception.”**

JULY 7, 2005 AT 12:13 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**Yes, I requested for you to write What I am about to say. *The little one* will be upset when she hears My Words. Do not let it concern you. I am in control. She does not want to repeat My Words because They are about her. I chose this *little one* a long time ago because of her love for Me.**

**In every portion of the world, more Lessons should be spoken, instructed and delved into regarding how close I am, and how Deep My Love is for the Souls of human beings. Sometimes I feel a sadness beyond what I can tell you, but to see a Soul hampered, hurt in any manner, degree or way, is a sadness beyond what the human mentality can perceive it to be.**

**In the Creation of human life since it was first done, That Part of human life, the Soul, a Portion of What I Am, Who I Am, has been the victim of the one in whom It was placed at a given time. The Soul pleads for help.**

**The Soul says: ‘*Father, help Me. I do not know how to control or aid the one in whom I was placed.*’**

**This is of a great sadness to Me, because in the human body, the human mentality, the human Goal, there had to be a reasonability for caring so much about that manner of living; of course, It is the Soul.**

**I speak differently today, I know, but it is important that These Words travel throughout the world.**

**The human body is one thing. It is a Gift, giving Divine Love in an Ultimate Source, Way, Meaning, because in human life there is a Portion of The Creator, Who I Am, What I Am, but the purpose for the mentality was to live in the human form, human way, human interpretation, urging, begging to return to The Creator at a given way, given time, because of the Divine Love that is so different than human love. It is Pure, It is Clean, It is Holy, and It has a Purpose, a Goal beyond what is understood in the mental minds of human beings.**

**You have never heard Me speak in this degree of explanation before. *The little one* cries. She says to Me,**

**‘What have I done wrong?’ I say, ‘*Little one*, you are serving in a degree and manner that gives Me happiness, because as I offered you this Task, you did not say “No.”’**

**It is important to those, for those who read These Words to be aware that in the Creation of human life there was a Beautiful Goal Planned, because within human life there is a Soul, a Portion of The Creator of All Things.**

**The Soul can become a victim of the human versions an individual shows when one acts or thinks impurely.**

**It is sadness that I had to say These Words, but it was time to appeal and to allow the real picture, condition, situation, that must be changed because of the Importance of the Soul that is the victim of what an individual thinks, says and does.”**

**JULY 8, 2005 AT 11:33 A.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**The number accountable to understand and to learn about This Gift is not as sufficient as We Will it to be. There are ways It is to be shown because of the value It is to the Souls Who without the one in whom They are, the Souls are pleading for help.**

**A Soul is a Portion of What I Am, Who I Am. This Gift was given to give strength and a deep understanding that human living has a Goal through the body in which It was placed at a time, perhaps long ago.**

**Each human life created has a Soul, and the Soul wants to return to from Where It came, not understandable to the human manner of knowing, of sensing, of using the human body, the human mentality to better understand, more fully comprehend there had to be a Supreme Power that is not seen.**

**As I speak to you, I also see at the same time many human beings**

bypassing and passing by that One Thing that will give them strength morally, physically, but will also contribute to their Soul a Blessing connected to The Creator of All Things.

What I am about to say may be difficult for some to fully understand, but human living in each life created has a reasonability, a Purpose, and a Divine Goal for That Part of it that is a Portion of What is All Pure, All Powerful, All Loving and All Serving — the Soul.

I hold *the little one* tightly, for in each time she speaks for Us, it is a pleasure to hear the sincerity, but the in-depth hope that others will listen to what she knows is Fact and good for them. It bothers her for Me to say These Words, because she does not like the possibility of something meaning credibility to her.

In the beginning of This Gift, it was some time ago, but It was to save Souls by obedience to The Holy King, The Creator of All Things.

I could speak hours on how Important This Gift is, but I will close at this time, knowing that What I have

**just spoken will be seen by more than those here.**

**You are Blessed with Divine Love from The Holy Trinity.”**

**JULY 8, 2005 AT 12:08 P.M.**

## **OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**I am happy today to announce to you that each time I ask you to do something to allow My Words to be put into print and seen by many, many other people, I bless you for this, because your being My Communication with them is a privilege for them, but I love you for it.**

**I have never spoken These Words before, but today as I do, I want you to know: As you spread What I Will others to hear, to know and to use for the good of their Soul, is of Great Importance to Me, because those who work in service of My Love for human beings, I bless them in many ways. Remember this.”**

**JULY 8, 2005 AT 12:51 P.M.**

**PADRE PIO**

**“I smile as I give you My Name. I am Padre Pio.**

**There are times that I have requested to speak through this *little one*, because I knew My Words would be addressed in the proper manner, proper reason, proper purpose.**

**Today as I speak, it is to enlighten and to urge those who take These Words to be ever ready to please The Divine King, The Holy One, because human life has been gifted with so much that is beautiful, that is a privilege to understand about, and that human lives have the duty to obey The Heavenly King and to act pleasant when they do this, to act in a manner of thanksgiving when they remember that the Soul of that human being was once not seen, not talked about, but now It is remembered for what It has fulfilled through the one in whom It was placed at another time.**

**These Words are different, and perhaps to some not feasible, but I assure you My Love for human life**

**asks you to be consistently aware that it is through the human way of living that gives you the privilege to share at a time The Father Decrees you to be with Him.”**

JULY 8, 2005 AT 1:15 P.M.

**“There are Many of Us present. This occurs many times where this *little one* is because of the Importance of What The Father Wills Others to stress in What They know regarding the Importance of being a human being and the obligations attached to this Gift of Divine Love.**

**We All smile when this *little one* asks, ‘Who are You?’ Right now there are so Many of Us that We allow her to see frames of What We are; in other words, outlines, letting her see the physical part which, in some ways, stymies her because We are the Souls.**

**Today, tomorrow and the next day, and all days to come, will be as good and as happy as human beings allow it to be; of course, according to their own manner of thinking, and their own personal attitude and idea and ideals for what a day should consist of.**

**There are Many of Us Saints Who when We request The Father to allow Us to speak, He smiles and says, ‘What**

are You going to speak about?' Today We told Him, or I told Him that I would like to speak about the privilege it is to live the life and then become 'a Saint'.

**T**here is No Greater Blessing and No Greater Love, because just to be Part of All there is awaiting the Soul, and then at a later time, what is called 'the human body'; but the Soul is the Major Part of life. The Soul is the recipient of all one thinks, one speaks, one does.

**T**he Soul oftentimes thanks The Creator for being put into a body or mentality that is prone to serve God. The body is merely the human part of what an individual must use to walk the human role, but when the time comes for the Soul to be the only Living Portion, Part of the life, the Soul returns to The Father, and is happy to return after being the recipient, the hope, and even the love of an individual human being.

**S**o much could be spoken, so many Words that could fill a Book with interest and with courage.

**T**oday as I speak to you, I have been granted the privilege, because it is a privilege in This Way, because as I

**speak to those who are the companion of their Soul, the Soul is the recipient of all they do; and when you love The Creator, the Soul responds in so many ways because, do not forget, the Soul is That Portion of you that will be called ‘a Saint’.”**

JULY 8, 2005 AT 1:46 P.M.

SAINT ALPHONSUS LIGUORI

**“I am Saint Alphonsus Liguori.**

**I oftentimes speak Words through this *little one*, urging her to have the strength to fulfill The Father’s Will, because all things He asks her to do are for the benefits of many things to be accomplished that otherwise would have to go in a manner they are not sufficient to fulfill Divine Will.**

**As I speak today, I do it for a reason. Many of Us are oftentimes present when certain conversations include Us in some form, some degree, some way, allowing others to get to know how some things occur with Divine Will the Way.**

**You live in a time in which The Heavenly King, The Father, The Creator, is constantly aware of all things that should be changed for the benefit of the Souls that become the victims of the human mentalities They are connected with.**

**You live in a time where there is much opportunity to help your Soul**

**be happy, because when you learn the Soundness, the Importance of Another Entity of Divine Love, it gives you the chance and the opportunity to submit to That Will.**

**You live in a time where many individuals do not understand the Importance of their Soul, or even if they are the custodian of a Special Gift that strengthens them in manners and ways indescribable.**

**You live in a time where many changes have taken place, not all good, because so much is denied, to understand, to be understood, because of the mentality being too busy to bother or to care.**

**We are always ready to give hope where there is hope, because in hope, The Divine Love is That Portion of Strength that gives to an individual what nothing else can.**

**As I close These Words, I want you to know: It is important for your Faith to stand strong, because do not forget, your Soul is a recipient of what your Faith is all about, and The Divine Love that Exists, willing to give you the necessary means that you need to**

**reach the Goal at a time different than you suspect.”**

**JULY 9, 2005 AT 9:43 A.M.**

## **OUR HEAVENLY FATHER**

**“As you honor Me because of Who I Am, I bless you, because within you there is a Part, a Portion, not of suggestion, but of Fact in each human being created for a Purpose, a Goal that nothing else created has the privilege to think, practice or know.**

**I speak differently because of so much to be done for the Souls of millions of human beings who never think of Me. They are too preoccupied physically, monetarily and socially.**

**My Words are Strong because of the importance I place within Them, due to the fact that so little is thought of regarding the Soul. The Soul is a Portion of What I Am, Who I Am.**

**I have created All Things, because in My Love for this Creation of Mine, I want all things to be understood as being beneficial to aiding all degrees of intellect, all degrees of Spiritual understanding, that there is a Goal for the Soul at a given time, blessing this Gift with a Love beyond what**

**the human mentality can perceive My Love to be.**

**I enjoy giving My Words, because it gives Me the hope that more will be learned, more will be understood of how close I am to human beings throughout the whole world.**

**I smile at My next Words. *The little one* I use hears My Words at the same time you do. I have Blessed This Gift abundantly, because The Gift, through *one small voice*, has the ability and privilege to honor what is right, what is good, because of the Souls that will one day return.”**

**JULY 9, 2005 AT 10:45 A.M.**

**“We are constantly informing this *little one* We All use to more fully understand the voluminous actions that are occurring against what is morally sound, morally practiced, morally beneficial, morally in keeping with Divine Understanding.**

**So little is attempted to please what is morally sound. You live in a time wherein human mentalities want the freedom they feel they deserve, to choose what is feasible to the human manner, way of living.**

**Children are not being instructed in the proper degree of learning what is pure over impure, just over unjust. This list is endless.**

**We hear some individuals speak unjustly, incorrectly, and vile when it comes to what is morally correct for the Soul of a human being. The Soul is rarely thought about, yet the Soul is That Portion of human life that gives strength against what is the enemy’s hope, desire.**

**It is important that more be instructed on The Commandments and why The Commandments say what They say. The Commandments have been set aside as a past idea, condition, evaluation, at a time when individuals thought They were The Rules to live by. The Commandments have never died. Remember this.**

**I could speak hours, but We find that if We speak too long on subjects not thought too much about in the human form, manner or understanding — ‘Time is of the essence,’ human beings say; then We say, ‘Remember, the Soul is the victim of everything an individual does, says, thinks, practices, encourages other individuals in their thinking.’**

**The Words are too many to speak against such infantile understanding. I could speak hours, but I will close now on this first Part of What I Will others to understand the reality of, for the mentality and will that is used so often.”**

**JULY 11, 2005 AT 11:28 A.M.**

## **OUR HEAVENLY FATHER**

**“The pattern of life you have addressed so much time to, is a Gift to strengthen your love for The Divine.**

**It is important that thousands, or even millions of human beings read Stories or Wording on The Holy Trinity, plus Others Who walked the road in the human form, way, mentality, and can at this time be called ‘a Saint’.**

**If living a human life had no Purpose or no Goal, would it not be a sadness to face such a role?**

**Morality is oftentimes stressed. It was not always a main subject in the way, way past. It was brought to the forefront, enlightening those living of the necessity to use morality over immorality, truth over untruth, purity over sin.**

***The little one* I use stares at Me and with Me, at What I just said. We All smile at her as she responds to Our Words, because her in-depth sensitivity is based on knowledge of great importance. We hold her tightly**

because as she stares at Us, We lovingly stare back at her, for We have many times used her as *the courier* for Our Words.

Throughout the world you live in, there is much need, much help needed, because too many human beings resist, reject morality and the reasonability it is.

We could speak hours without stopping, but We are aware that It could not be put into print in Its full manner and degree.

We lovingly say to those who read These Words at this time: Never forget, you were created because of the Love of The Divine. So, remember to turn to Him and say:

*‘I love You, God, thank You for today. Help me to be a Saint one day. I love You, God. Please remember me.’”*

**JULY 11, 2005 AT 11:59 A.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**When I speak to you as I do, I do it with much Love for those who are willing to listen to My Words and then put Them into a print so that others not present will know What I had to say. This is a return gift to Me, for All I Declare to enlighten all of human life to understanding My Presence is because of My Love for human life, thus encouraging them to know that there is a Goal that was created a long time ago.**

**I could speak hours on end because of My Love for mankind, but I always put It shorter, due to the fact that so much has to be put into script and it takes time, energy to do this; but as I close on this day, not for the whole day, but just at this time, I thank you for caring and sharing with Me, My Love for The Divine.”**

**JULY 11, 2005 AT 12:42 P.M.**

**“There are Many of Us present because of the Importance of This Gift of Divine Love that The Father designed, addressed and put into order because of the Importance of the Souls that are to be helped through It, by It.**

**The Soul is a Portion of the creation of human life. The Soul is That Portion that will remain when the human life no longer exists.**

**For some individuals, to even mention the Soul is many times difficult for them, because they do not see It and do not feel It; but, basically they know that there is Something within them that they cannot see, cannot feel, but through their manner of living, through their conscience in how they live, through their abilities in how they address things for the right or the wrong of them, for the good or the evil of them, or the pleasure it is to have it at their disposal, the human mentality has a conscience and more understandability than they realize,**

**because it is easier to ignore than to accept responsibilities.**

**There is so much to learn when you walk the human road. You must learn personal things, how to take care of your life in the manner and way you are living, and much emphasis should be put on the conscience of your morality, because logic tells every human being, even the very young, there is more to the living than shows. Many times it is thought to be food, exercise, or how much an individual walks, or sees other things in their worth. The list is endless.**

**Ask yourself: Would you want your Soul to be exposed to everyone you know? Would you be proud of It? How would you respond to this? It is something to think about. Hopefully it will give you a deeper understanding of how important you are in everything you do, you think, you speak, because your Soul is the recipient of its results, whether they be good or evil, right or wrong, pure or impure, just or unjust.**

**The fact that you have been created a human being was an Act of Divine Love for you. This Statement is important for you to remember,**

**because to be created a human being is a Gift of Divine Love, and one day the time will come and you will face The One Who created you. I beseech you, work to be proud of this, because He loves you, and you in turn, have the privilege to show your love for Him.”**

**JULY 11, 2005 AT 1:30 P.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**There is never a moment We are not with you because of Our Innate Love for you. Though this may be difficult to understand, one day when you arrive Here Where I am, you will see the possibility and the reality of How We Exist, because you will be Part of What We are.**

**To some who will read These Words, it will be difficult for them, because they will not be able to fathom a Relationship such as The Saints are to those yet in the human manner of living.**

**Each time We request a Saint to speak for those of you here to put into print, We smile at this because it is a joy to see you commit to participating in putting into print about Someone you do not know, or did not know, but I add to this: Your happiness to Us is a joy to see because in it, it has hope and responsibility.**

**Many who will read These Words that you may show to others may not see the same in-depth close Association that, through a Soul, We are connected as One, being able to hear many things.**

**As this Message is at a close, I smile when I say, ‘For all you do and all you are, in your love for The Holy Trinity, you are Blessed abundantly.’ Amen.”**

**JULY 12, 2005 AT 11:48 A.M.**

## **MANY SAINTS**

**“There are Several of Us present because of the importance of this time that We have been given the privilege to speak Words of Help, Hope, Direction to those yet upon the earth, hoping to give them the strength to fulfill Divine Will above all other skills they have, and/or their desiring to fulfill what they feel will please The Heavenly King, The Heavenly Father of All there is. I have been given the Words for others to read, to be alert to regarding The Holy Trinity.**

**As you greet each day, never forget it is a day for you to show and to express your relationship with The Divine. You are able in so many ways to contact, to participate, and to join in the service to The Creator, your understanding of how important it is to be created a human being. So few individuals think of this Love, Divine in every way, that it is such a Personal Communication that gives hope, moral and physical strength, and logic because of the Soul that will one day represent the one in whom It**

was placed. It will be presented before The Creator of All Things.

I could speak hours and love each moment of it because of the importance of the subject matter that in so many ways gives personal strength, moral understanding, and the will to become ‘a Saint’.

I bless those who take These Words, to be able to express openly what is not just feasible, but a privilege for those who read the Words to see more indepthly the Love that exists The Divine Way.

We hold *the little one* tightly, for her body bows to the privilege of being one such as We are, to appreciate so much Divine Love because of The Father’s Love in All He speaks to encourage others to understand the privilege they are gifted with through Divine Will, thus helping them to more fully understand how close they are to how The Divine speaks firsthand.”

---

“We bring her back with you, for she is ready to fulfill any obligations necessary to fulfill Divine Will, with Divine Love from The Holy Trinity.

**She is asking Us to release her so as to not disappoint the others. We smile at this, because she is very conscientious, not only to The Divine, but to the human element.”**

**JULY 12, 2005 AT 12:23 P.M.**

## **OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**As you honor Me in many ways, I appreciate your love, because in the Creation of human life, it was to be indelibly imprinted in human life that there was a Divine Creator Who created human life for a Purpose and a Goal to one day return to The Creator of All Things.**

**As you face each day with responsibilities that are necessary for how you live in your manner of associating with other human beings, I must add to this My Personal Words. I love you for how you want others to recognize in you decency and respect that you feel is innate in you, thus giving to others you meet the chance to follow you.**

**As I speak today, it is far more important than I can reveal it to be, because each human being was created for a Purpose and for a Goal Greater than It is seen to be.**

**I beseech you to take each day as a Gift of Divine Love, because you see, your very state of living, and all you participate in that gives good example properly, you are Blessed for in a manner and degree and way you cannot see, but I assure you I am always present with you, every moment of every day.**

**I bless you with My Love, because through your work, your will, you will help others to learn about Me.”**

JULY 12, 2005 AT 1:00 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**There are always Several of Us present when this *little one* I use is able to speak My Words or the Words of Someone with Me. The Words are important, because They are to enlighten, to strengthen, and to fulfill all that an individual is capable of absorbing because of the Soul they are the custodian of.**

**The Soul very often is the victim of what an individual thinks, partakes in, or uses words for, actions for, or personal needs to get attention.**

**This Gift that has been given to aid all ages of human living, is a Gift Greater than It is seen to be, because the natural instinct of many who take the Words can relate to the Words as meaning for another individual, not for themselves.**

**You live in a time wherein so much basic diabolical thinking is prevalent, thus opening the door or the reputation to immorality, based on**

**up-to-date information or practices or needs.**

**I beseech you to look at each day with the desire to be able to close the day happy because of all that you thought, you said and you did, that you can verify in your own conscience that it would not displease Me.**

**I will close These Words, but I want you to know your Soul is of the Greatest Importance, not just to Who I Am, but to your Future when the day comes and you will be Judged for all that you participated in.**

**Never forget, My Love for human life is obvious. That is how I want your love for human life to show and to be practiced.**

**I beseech you, remember this, because your Soul wants to return to from Where It came at a very happy time, a very important time to your life when it was needed.”**

**JULY 12, 2005 AT 1:46 P.M.**

## **OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**My time with you today is of Great Importance: First, because you serve The Father as He Wills it to be done, spreading His Will, His Way, His Words to others, giving them the chance to be reminded of how close He is to them, but also encouraging them to realize there are Many Saints Who have, through Their Goal of Heaven, reached the Goal at another time, and through Their Appreciation and Love to The Divine, They write Words regarding certain things They feel others should think about, know about, and be able to see the Beauty, the purpose in the Words for the good of them personally, but also for their Soul that is with them constantly.**

**Sometimes it is so difficult for certain individuals to realize how close they are to The Heavenly King. This is not something unusual. It is a daily practice, a daily advantage, and it has a purpose beyond what it is seen to be.**

**So Many Here Where I am are anxious to help those yet upon the earth, to more fully and indepthly understand that the Goal for human life is to return to The Father Forever and ever and ever.**

**In each human life there is a Portion of The Divine, a Portion of The Creator that is in each human being created. Without These Things, human lives would not have the insight or the sensitivity to understand that living in the human way has an Advantage, a Hope, and a Goal, more than anything else created has the privilege of and for.**

**Today I could speak hours on end, because All of Us Here in the Heavens want Words to be delivered, remembered, practiced, and passed on to those who do not have the advantage of receiving the Words. That is why it is so important that reprints on What We speak, and deliver in places not asking for Them, but sometimes just laid some place for someone to read.**

**A long time ago, The Father, in His Love for human life, designed so many ways for His Love to be transferred, transmitted for human**

**beings of all ages to be able to realize and to understand that there is a Goal for the Soul of every human being created.**

**As I close These Words, it is not a closure for My Association with you. It only means that I will stop speaking, but I want you to know I am always present where I know I am accepted, needed, loved, and delivered words.**

**Always remember, when you were created, The Father had a Part in this, and it was to give you your Soul, a Goal Greater than anything else could imagine a Goal to be, because God does love you, and He wants you to return to Where He is, at a time when it is best for you.”**

**JULY 12, 2005 AT 2:36 P.M.**

## **SAINT JOHN OF THE CROSS**

**“I am Saint John of The Cross. I use this Title because it is to Me and for Me, a privilege to be a Part of what this time stood for.**

**There are so many things that could be spoken about regarding that time in which I lived. It was far from the time in which you live. By far, I mean it was based on a totally opposite understanding of how individuals lived, and the circumstances were many times cold, indifferent, ugly. Not all things had what you would call ‘a happy background’ to lean upon, to work with, and to be able to be a happy part of.**

**I rarely speak on a subject such as this is, but today I have requested The Heavenly Father to allow Me to say the Words that perhaps would awaken individuals to see more in the time in which they live, and want more of their manner of doing things to be pleasant, to be beneficial and to be able to be seen as not just creative, but something to be proud of**

**in dealing with other human beings, automatically just seeing someone else and being able to discuss or to participate or to utilize the benefits of living in a friendly, understandable way.**

**My Words may be difficult, but All of Us Saints want those who are in the living state to have it be a memory of happiness, of joy, of gratitude, always remembering the good things that allowed them to practice Faith in The Divine and hope that one day they would return to The Creator and be called ‘a Saint’.”**

**JULY 12, 2005 AT 2:53 P.M.**

**MANY SAINTS**

**“There are Many of Us present, to the point where, as We approached this *little one* she was astounded by how Many of Us arrived One by One.**

**It is always a privilege when The Father allows One of Us or Several of Us to become a Part of This Great Gift, that in so many ways allows so much to be understood regarding all walks of life, and especially regarding the Souls that no longer live in the living state, but are given the privilege to speak Words that are to enlighten those yet in the living state regarding subjects that are of great interest and purpose, that can be in many ways based on what the individual should think about according to their Soul and how they live, and how they accept life in its different stages, along with its Purpose for which it was created.**

**When We enter into this *little one's* mentality, it is always a time that gives Us happiness, because she is available to Every One of Us, thus giving Us the opportunity that The**

**Father allows Us to use in a manner and way of speaking; basically, with no sound attached to It.**

**Today is a happy day, because We were allowed to deliver subjects that would in some ways give more Information to those who would take the Words, but also a closeness to how We live in a Manner and Way We have been chosen to take.**

**Thousands and thousands of Words are available, but The Father, in His Judgment, limits the timing, the method, and the way. We love Him for this Closeness to Us, which might be difficult for many who read the Words to understand and to realize such a Communication between the living state of human beings and the State of Sainthood, at one time.**

**I will close These Words, but I know They possibly might be difficult for some to understand, but I assure you The Heavenly Father is always The One Who gives the permission for everything We request Him to allow Us to practice, to do, and/or to accomplish according to Divine Will.”**

JULY 13, 2005 AT 12:08 P.M.

OUR HEAVENLY FATHER  
MANY SAINTS

“There are Many of Us Saints present. *The little one* thought that she was not going to speak any more today. We All smile at this.

The world has been Blessed. Some might question this Statement, saying ‘How can the whole world be Blessed when *the one* who speaks The Father’s Words is only in one place?’ You are forgetting, All that is delivered in script is to travel to other States, allowing thousands of individuals to know about This Gift of Divine Love that has been Generous in so many ways, with so many Words to aid all human beings on having more Information regarding how close human lives are to The Divine Way and Will, because when Someone from Here speaks, They are oftentimes in a Faraway Place, delivering through this *little one*, Words she does not hear but They implant into her being, for others to learn from, on important subjects, and of course, Divine Love.

**O**ur Words may sound harsh to some, but They are spoken to give strength to those who hear Them or read what the Writing says about them.

**T**oo few human beings have the understanding of how close I am to them. Logic would say: If they pray, I hear it; if they speak, I hear it; if they cry, I hear it. I am always close, though it is difficult for most to understand how this Closeness can be.

**I** beseech you to just believe Our Words because of The Divine Love that uses Us to transmit to those who They know will believe how close We are to them, and how close The Holy Trinity is in every aspect of livelihood. Life can't hear, but many times it feels the Closeness that We are.

**I** beseech you: Remember What I have spoken, What We have spoken, because It will give you strength that you didn't know you had."

**JULY 13, 2005 AT 12:42 P.M.**

**“There are Several of Us present. We many times gather when We know of conditions that are happy to think about Us, speak about Us, and perhaps put into print What We let them hear through another individual, or even themselves.**

**So many times it is difficult for some people to not think that there is much to be thought about, regarding the Spiritual times that many human beings are placed in a way and degree of communication.**

**The Saints Here in the Heavens are so happy when They are asked to speak, or asked to perform a favor, or They are just noticed through someone mentioning Their Name. These Words may sound odd to some, but I assure you They are Words that allow others to know, others yet in the living state, that to become ‘a Saint’ many times has a Means of Communication or of Evaluation or the Gift of aiding someone when they pray, the individual prays for help.**

**I feel My Words are clear for what They are meaningful to help those present and others who will read the Words, to understand that when the Soul is removed from the body, It is not seen, but It has the ability many times to respond to prayers, to respond to communication that is not heard, but sometimes it allows the One to do things and to communicate with those, with them on important subjects.**

**We All smile at *the little one*. She is trying to see Us, but it is best this does not occur. Our Presence is not like you know the human presence to be. Our Presence is based on The Divine Way, allowing Us to hear, allowing Us to want to help, allowing Us to be present with certain individuals so that We understand a practice of communication from the living to what you bluntly call 'dead', but the Soul is not dead. The Soul is that Form of Living Matter that is not seen like the human form is seen.**

**I will not speak more at this time, but These Words were delivered to help those who take Them and those who will read Them, to more fully understand that when you communicate with a Saint, the Saint**

**knows you communicated with Her or Him. I say, ‘God will bless you in many ways, because your Faith in Him, in how He has designed things to be, gives Him happiness and joy.’ Remember this.”**

**JULY 13, 2005 AT 1:36 P.M.**

## **OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**It is a pleasure for Me to meet with you today to speak on certain subjects that will give you more understanding and help you become ‘a Saint’.**

**You have been Blessed, first by being created a human being. Many of you have good backgrounds and the desire to think of The Heavenly Father in the right way.**

**There are so many things We could speak about, because you see, I too walked the earth in another Way.**

**You live in a time wherein there is much concern, to the point where there is much misunderstanding because too many individuals, even though they are spoken to about how beautiful life can be when The Saints are Part of it, and you are prone to accept The Holy Trinity in the degree It is meant to be in your mind and your way of living, these are Basics, these are Truths, these**

are Strengths, and they should never be deleted or weakened or watered down by something that might change your mentality, your thinking, or your understanding that these things are made known to you, to give you the Beauty of being a human being and the Love of The Divine that is in the creation of every human being; and the Goal, of course, that one day you will be the recipient of, and that is to return to The Creator and be called 'a Saint', perhaps not by the public, but in the Heavens you will be known as the Saint. This, of course, is the Goal for human life.

It does not make a difference in how you will be chosen, forcing you to be of great wealth when you were upon the earth. No way! It is how you lived the human way; how moral you used so many things that gave strength rather than weakness, hope rather than excuses.

I could speak hours on end on this Story, on this Love I have just extended, but I beseech you: never forget, your Soul wants all things that go through you to be The Father's Love, and not only that, your will, will give you the strength to persevere under

**circumstances that will be impure, unjust, and many more words could suit this line of thinking.**

**So, as I close, I want you to know that it was My Love for you that made Me speak this way, and it is My Love for you to one day arrive Where I am, in a Place you have never been, but I promise you It is Special because of the Holiness and the Divine Love that exists in many ways.”**

JULY 13, 2005 AT 2:00 P.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother.**

**I smile at this *little one* who sheds tears out of her love for Me. There are so many stories I could speak about regarding how she was in the younger years. Her prayers to Me were special, because they were full of love.**

**It is important that This Gift The Heavenly Father has given to the world be spread in every direction because of the importance of the Words, and of course, based on The Father Who is The Creator of All Things, and His Will for Souls to be aided, helped, nourished, and given strength to build their hope on, for them to one day return to Him as ‘a Saint’.**

**The world has been Blessed by This Gift that is being put into script for many reasons, for much help to millions of human beings, because without All This being given, there is very little to be learned, to be followed that is pure not just in spirit, but in how an individual lives in the daily manner of life. Granted, there are many things**

**to be done, to be accomplished, and to be made part of the daily way of using Them to give hope and a sound foundation for how to live, according of course to morality and pureness in how one thinks and speaks.**

**I could speak hours on this subject, but as I close at this time, never forget, as I was The Mother of The Creator, I am also your Mother at all times.”**

JULY 14, 2005 AT 11:00 A.M.

## OUR HEAVENLY FATHER

**“I pull *the little one* in deeply because she is being prepared for more than has previously been put into print.**

**This Gift I have given to the world is above and beyond what the human mentality can perceive It to be.**

**A long time ago, I put Myself upon the earth to walk and to instruct human beings. My Time has been remembered through the written Words. You see, it is difficult for understandability to be obvious to those who have the ability to recognize a Gift of This Divine Measure, concealed and yet delivered by The Holy Trinity.**

**I use *one small body, one small voice*, but *one* obedient to My Very Presence. It has always been this way from her, but as I pass so much through her, I know it is difficult for others to understand, but she serves in every way, My Divine Plan.**

**H**uman lives are very important to Me. I created them a long, long time ago.

**I** could speak hours on My Love for this Creation of Mine and My Will to have it return to Me, Pure in every way.

**I** will close at this time, but *the little one* knows I speak often through her, to share many things with her to give her the strength to endure the Power I Am, and also, My Divine Love for human beings throughout the world.”

JULY 14, 2005 AT 11:35 A.M.

## OUR HEAVENLY FATHER

**“We are always present where this *little one* is. I am your Heavenly Father, and with Me is The Heavenly Mother and The Beloved Saint Joseph, and Many Other Saints were told about This Time.**

**In delivering to the world a Blessing of This Magnitude, it is important that all who partake in This Blessing, understand It is a Personal Blessing to human beings from The Divine. The Words are not words they hear from others. The Words are to encourage many men, women and children to use each day as a Gift of Divine Love in appreciation for the Soul that was given to them at another time, because the Soul is That Portion of human life that is More Important than It is seen to be.**

**Children should also be instructed on how they treat their Guardian Angel. Do they, each day, say ‘Good morning’ to It, and ‘Goodnight’ to It, or do they omit even communicating**

**in a small way with Its Presence every day?**

**I know I speak differently than I usually do, but this is to alert not just the little ones but the adults, to be reminded that they have within them a Soul. The Soul watches over them in many ways; also, the Soul sometimes stops them from committing a sin that they do not see as a sin, but the Soul uses some means to distract them from doing what would be a reflection in their Soul.**

**The average human being does not understand all that occurs in a daily way. Unless an individual prays himself or herself, they do not think of the Spiritual manner of association they have. They take so much for granted, thus ignoring perhaps the Company they had with them in different ways.**

**Though I speak differently, I know it will be appreciated by many just knowing What, from The Divine, occurs.**

**As I close These Words, I want you to know I'm smiling and happy that These Words will help many more fully understand that in the Creation**

**of human life, there was a Divine Plan.”**

**JULY 14, 2005 AT 12:48 P.M.**

## **There are Three of Them.**

**“There are always so Many with this *little one* off and on during the day. We request the privilege from The Father, and He smiles and says, ‘Do not forget, behave.’**

**We All smile at this, because He speaks with His Love for This Gift that so much is being delivered through, that otherwise could not be understood for the Magnitude of All that It speaks for, regarding the Souls of human beings.**

**Ask yourself: How many times do you speak with friends and they discuss their human being with you; you know, the inside of what is pure, right, honest, and the Soul is very often the victim of just ordinary conversation in words that mean nothing?**

**I will close this, but I will start speaking again on this subject. These Words I was told to mention to you.”**

JULY 14, 2005 AT 12:55 P.M.

## MANY SAINTS

**“There are Many of Us present, because when We surround this *little one*, We do not want to leave her side, because The Heavenly One, The Father, in so many ways wants much to pass through her for others to understand The Divine.**

**Her love for The Heavenly Father and The Heavenly Mother has always been evident, even at times when her words were not spoken openly, but seen to occur through her by her love that she was expressing to Them in a communication that All The Saints understood at one time.**

**Today, as Some of Us speak to you, it is to aid you and to give you the strength to persevere, not in the hardships that you are faced with, but to help you understand that the Love of The Divine, in Its Purity alone, gives you strength, purpose, and hope beyond what you understand it to be.**

**A prayer said with sincerity is heard with love. A prayer spoken in a hurry is accepted, and it was nice to**

**hear, but never forget, your response to The Holy Trinity when it bears a deep love and understanding, a hope and a drive to please The Holy One, your words are accepted with prayers that one day you will join The Heavenly King and All Here in the Heavens through your love, and your manner of living and thinking and using what is respect and love for The Divine.”**

**JULY 14, 2005 AT 1:39 P.M.**

**SAINT JOHN OF THE CROSS**

**“I am Saint John of The Cross.**

**I come to speak today because of what I feel when you speak. Granted, there are many, many things that should be corrected physically, morally, and in many other ways, allowing them to be not just more understandable, but basically in the correct manner, way and procedure that is dignified and essential to what is needed.**

**The Words ‘You live in a time worse than Sodom and Gomorrah,’ These Words speak louder than They are heard to speak. It is a warning, it is an alert, it is a caution, but how many people, of all ages, see this remark as essential to their manner of doing things that would include other aspects of human living?**

**I will not speak long, because sometimes a few Words have the ability to speak like hundreds of Words.**

**I will close, but as I do, I say ‘Thank you for the privilege to say These Words to you.’”**

**JULY 15, 2005 AT 11:50 A.M.**

**OUR HEAVENLY FATHER**

**“People should be made to understand that as they face each day, they would find it better if they would speak to Me.”**

JULY 15, 2005 AT 12:45 P.M.

## SAINT JOHN OF THE CROSS

**“I am known as Saint John of The Cross.**

**There are Several of Us present many times when this *little one* is requested to repeat Our Words. It is difficult for many yet in the living state to understand or believe how close We Saints are to them. Do not forget We, too, walked the earth in a human way, with only the human concepts, understandings of how to live daily as a human being. Many of Us had many hardships, actually too many to mention.**

**There are Several of Us present and We come together on this day to help you more indepthly understand that when you call Our Name, We sometimes have to set other things aside and be where you are to hear what you have to say.**

**In the Creation of human life, it has a different perception about it. It is not like an animal. It is not like a star. It is not like the sun or the moon. It bears flesh, and many**

assets of difference in how it comes through. One person may be born just like another person, but the first person may be subject to pain, fear, anger, and many things wherein the body responds.

Then, let us go down through time. Things change according to how an individual decides to live each day. The individual has the option to do certain things that he or she feels better at doing, more secure, and more able to cope with.

The only reason I speak this way is because We heard you speak a short time today. Our sincere concern goes out to you, because one of the most beautiful traits in being a human being is that part when you share concern for another individual. That is why, if you remember, your Soul often cares when you are in distress, or you feel an anger or a deep concern.

I speak to you like this to make you aware: To be created a human being has many facets to it, but always remember, you have that communication with The Divine that animals are not able to use, flowers are not able to use, but you, in your

**human way, have the privilege to think out loud and pray and ask The Heavenly One to help you.**

**So Many Saints listen to requests of hope, help, concern. Remember this because, do not forget, one day you might become ‘a Saint’ and you will be listening, and all the experience you have will pay dividends in some way, some form.”**

**JULY 15, 2005 AT 1:12 P.M.**

## **OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**There are Several of Us present and We enjoy every one of you, because it is evident that your love for The Divine is in many ways shown by how you act and what you desire to do, above and beyond something that could be called ‘crude’.**

**Today as I speak, I speak because We listen much to how you speak, and We see the sincerity in what you willed to be part of, and how you wanted to be good for yourself and for others who will read the Words, and who will begin to grow in a stronger manner, way, because of the strength gained on a Positive Wording.**

**I speak These Words to let you know how close We are to you, and that We share with you the things you like to do.**

**God loves you, I love you, and  
All The Saints Here in the Heavens do  
too.”**

*Note: This Revelation was delivered to those who  
work for The Miracle Of Saint Joseph.*

**JULY 15, 2005 AT 2:12 P.M.**

**“Yes, My *little one*, there are Many of Us present, but that is the way it is all the time, especially when We have Something to deliver that We feel is beneficial to several who you know, and who will be coming to meet you personally.**

**In so many ways, men, women and children are seeking, searching, and desiring to know more about The Creator and All that surrounds Him. In reality, it is more than the average person could fully understand and/or associate with while they are in the family way, raising children and having to socialize with many they are close to, and even some that are far away.**

**This Gift is Greater than It is seen to be. It is a Gift beyond what the human mentality ever thinks a Gift like This could be. The Closeness to The Divine is eminent, and many times a continuous Association, Closeness, Connecting Link to the possibility that Words might be requested to deliver a**

**considerable amount of Direction for the Souls of human beings.**

**Many of Us are with you all the time, even though it is not understood in the full manner I speak it, but those who work along with you for This Gift to grow, to aid the Souls that are not cared for by the ones in who They live, who They are part of, I could speak hours, All of Us can, because of the Importance of This Gift, and how important it is for it to be understood for how It stands in readiness to be used.**

**As I close These Words, I bless you and those who are with you, because the Blessing will give all of you the strength to persevere.”**

**JULY 18, 2005 AT 11:53 A.M.**

## **OUR HEAVENLY FATHER**

**“It pleases Me when you ask to receive Me, thus giving to your time, your day, and how you live, a Personal Support of My Love for you and My Will to aid you in how I feel.**

**My Words to many, in hearing Them, would be difficult for some to understand, but I speak Them openly because of My awareness of how you think, you act, and you plan.**

**Each time a prayer addresses Me, drawing My Attention to the one who speaks the words, I smile at this, because you see, it is a sign of welcome to Who I Am.”**

**JULY 18, 2005 AT 12:31 P.M.**

**SEVERAL SAINTS**

**“Many times I speak Words and Others Here with Me also. The Words are not as you expect Them to be formally spoken, but They are What We Will you to know, to aid you in many things.**

**We found out that sometimes when you know We are speaking and allowing you to know Who We are, What We speak becomes more formal, and We want you to know that Everything that is delivered has a purpose and a goal, and each time We speak, We want your Souls to be alerted to how We want a subject to unfold.**

**What I have just spoken may not sound as clearly to you as I Will it to be, but oftentimes to not announce something allows the importance of it to be felt differently, more securely, and more productively.**

**Several of Us Saints are present. We All smile at These Words, because in This Gift of Divine Love, The Father has designed the Words to be spoken to give**

**strength, purpose, understanding, and a reasonability to What They mean.**

**Always remember that through This Gift of Divine Love, you are cared for abundantly.”**

**JULY 18, 2005 AT 12:45 P.M.**

## **OUR HEAVENLY FATHER**

**“Everything in life has a purpose. Some are human. Some are mechanical. Some are different in how they are made, such as material and equipment and things like this, but when you were created, your Purpose was greater than any other thing, because in the Purpose there was a Creator that designed all you are, all you have within you, and how you appear.**

**The Purpose for a human life is greater than it is understood to be, because there is a Goal for a Portion of it that is never seen. It is called ‘the Soul’.**

**As I say These Words, I do it with much Love, because how often have you heard Me speak of The Holy Trinity? Did I show you in a physical form Each Part of It, or are Some of the Parts not for you to see?**

**So much should be understood when it comes from Me, because My Love, My Gift of human life, was to put within a Portion of Who I Am, What I**

**Am, to give it the Strength, the Purpose and the logic of what It was to aid the body and the mind to achieve.**

**A Soul is Important to Me, because It is a Portion of What I Am. I created It to be able to one day represent the one in whom It was given at a special time, in a special way.**

**I could speak hours on this subject I hold so dear, because you see, in My Creation of human life I shared with it a Portion of What I Am.”**

JULY 18, 2005 AT 1:20 P.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother.**

**I come on this day because it is a day of Great Importance. It was a day marked Here in the Heavens to keep it in a Sacred Way.**

**So much could be spoken at a time like this, but do not forget, sometimes in Divine Love, ‘the one chosen’ to accept Responsibilities beyond what others even know responsibilities to be like, in the manner and way of service to The Holy King. Through time, there have been many such as this *little one* is, in service to Divine Will and Purpose.**

**This is not a subject for conversation. It is a subject to be held in the degree it was meant to be, because of the importance of it and how much Divine Love has not just appeared in it, but in many ways, it actively gave strength to the Souls of those who participated in What was delivered at the time it was delivered, thus giving an individual the strength, the purpose, and the Love that The**

## Heavenly Father shares with Gifts of This Dimension.

**I will close My Words, but as I do, I say, ‘As a *Spiritual mother* to all of you, I bless *the little one* for accepting What The Father Wills.’**

**So much has been given to strengthen the Spiritual Facts, Spiritual Understanding. It is important that this continues on for a greater number of individuals to be the participants of, and to feel the Strength of Heaven.**

**You are Loved for your service in many ways, and always remember, your Soul appreciates everything you practice to give strength and hope to many, many other Souls Who walk the path with a living human being.”**

**JULY 18, 2005 AT 2:00 P.M.**

**OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**It is with much happiness I speak to you today, because there are days that are important that have already given to other human beings so much to think of, so much to look forward to, and so much to be a part of, thus giving to the Soul a happiness, because in the importance of what occurred, the Soul is treated with more respect, more love, more understanding, and yes, more devotion than It would ordinarily have had.**

**We hear some individuals ask this question: ‘What is my Soul? What does It mean to Me? Should I pray to It or for It? Should I discuss my Soul with other human beings? When I sin, is my Soul the victim of the wrong I have done? Does my Soul hear everything that others say to me at times when I feel trapped by what they speak, because it is not clean? Does my Soul give me the strength to stand up for what I will my Soul to look like,**

to feel like, and to have the pleasure of my Soul being gifted because of me?’

**P**ages could be written on the Importance of the Soul and the Importance It plays within each human life born. The Soul is the recipient of how you think, speak and do other things in association with other human beings, or even when you are alone and feel the urge to do something unkind, unjust, impure.

**I**n the Creation of human life, there were so many things looked into and about, because the Soul is the recipient of everything you think, say and do; also, your Soul is many times the recipient of the ones you are associated with, and in the fact that, do you allow others to control what your Soul will be requested to do?

**P**ages could be spoken on what a Precious Gift the Soul is. That is why It was given to every human being, because It alerts the mentality of the one in whom It is placed, reminding the mentality of many things, not always seen to be doing this, because the mentality backs off from letting It be seen.

**Always remember, it is important to think in pure ways, just ways, and never forgetting that everything you think, say and do is recorded in Heaven.”**

**JULY 19, 2005 AT 11:50 A.M.**

## **OUR HEAVENLY FATHER**

**“Due to the Importance of the creation of human lives, I come on this day to speak in a way, manner, and degree regarding My Reasonability in a Gift of This Greatness that expresses the innate love for The Heavenly King.**

**These Words should be passed to others, reminding them that a Gift of This Importance, stressing how close The Father Willed human beings to be to Him, human life is a Gift beyond what it is understood to be. In many ways it is a Gift as the first step to Sainthood, thus stressing the Love from The Divine that existed a long time ago.**

**So many individuals do not understand, do not comprehend, do not look at this Gift in the Greatness It is, and what it means when an individual is given a Small Wafer that expresses the Holiness that It contains regarding the Value and Importance of The One It was Named.**

**Do not forget The Sacred Heart of The Divine, because as you live each day you have the privilege to say to The Father,**

*‘I need to have Your Presence to give me the strength to follow Your Will, so one day I will have the privilege to be called a Saint.’”*

**JULY 19, 2005 AT 12:41 P.M.**

## **MANY SAINTS**

**“It is with much happiness We are with you today. There are so many times when We speak where you are. It gives Each of Us a pleasure to know that your Souls will cherish the time and the day, and hopefully you will remember to say what was requested to be said because, do not forget, the Souls of millions of human beings want This Gift, This Miracle of The Father’s Love to spread throughout the world because of the Importance of thousands of Souls that need to be thought about, and to be honored through prayer, but to give others strength in the fact that They are the Souls that enlighten many to come Where We are in Heaven.**

**So much could be spoken on the importance of the privilege you have, to learn about that time in life when the Souls are available to pray to, and to pray for. Do not forget that.**

**As We close These Words, We say together: Always keep in mind, you were created a human being. That**

**alone was a Gift from The Divine, but in this way of living, you have another privilege. That is to return to The Creator one day and say to Him:**

***‘Thank You for the privilege to become a Saint. It is honorable beyond what I ever thought it to be. Thank You, God, for the privilege.’***”

**JULY 19, 2005 AT 12:55 P.M.**

**“There are always Several of Us present when this *little one* is where you are.**

**Today there is so much to be understood in reference to how close The Divine is to you. Think of it this way: When you care about another human being and you automatically enjoy being with that human being, is it not a good feeling? The reason I speak These Words is to bring to your mind that if you think this way about a human life, living, imagine what it will mean to you to be close to The Divine, The One Who created you at another time.**

**Our Words are sometimes confusing to some who take Them and some who read Them, but They are always logical, always sincere, and always there is some way of understanding Them to aid your manner of living, also your hopes for how you live. They are strengthening also, giving to you a purpose, a cause, logical in its very essence.**

**Today is a day wherein if you speak to The Heavenly Father, be sure you allow Him to know how you feel about This Gift He has given to you, giving you more understanding with all the times He speaks, but also how It is helping your Soul in manners and ways that you do not think about in every move you make, every thought you have, every word you say.**

**There are so Many Saints Here in the Heavens Who love This Miracle of Divine Love, This Gift that is not just enlightening to those who read the Words, but It gives strength and more in-depth understanding of the closeness human lives have with The Divine. I could speak hours on this.**

**Be assured that as you awaken each day and have it to look forward to, it can be a happy day, especially when you communicate with The Ones Who you know to be Saints because, do not forget, They hear every word you speak, They see every move you make, and They love you for it, because your Soul is the One Who gets Their Attention sometimes, and then They respond to the Soul, because They want the Soul to one day be Where They are.**

**As I close, I say: ‘The Father always blesses you for every good wish you make, and He does enjoy your words because, do not forget, He created the way for you to think, for you to speak, and for you to remember a lot of things.’ His Love is Far Greater, Far Deeper than It is seen to be, but you have the privilege in the human way, to think of Him in every moment of every day.”**

**JULY 19, 2005 AT 2:09 P.M.**

**THE HOLY TRINITY  
MANY SAINTS**

**“There are Three of Us present.**

**There is so much to speak about with those who will understand the Wording to be for the good of all human beings.**

**In living the human life, it is a privilege for everyone born to it, in it, because the very concept of it is to give hope and a lot of understanding in many subjects, due to the fact that being created a human being has so many facets to it, so many things to be able to enjoy while yet in the living state.**

**Today, as Many of Us Saints are present, We like to speak on what is good, what is feasible, what is enlightening, and what gives to the human way of living, hope, hope to be able to spread the Word or Words of The Divine.**

**Today as We were with you, We heard laughter. We heard words that gave to the human way enjoyment, and**

also a sense of togetherness. These things are good for the Soul, but also for the body and for the mentality to see human life in a manner and way greater than many individuals ever think about, because to be happy, to enjoy, to participate and to be a part of laughter, kindness and conversation, believe it or not, helps the physical, the mental, and also helps one more fully understand their Soul.

**How can this be? Very easy. The Soul responds to happiness, takes part in it sometimes, and the Soul enjoys the happiness of the one in whom It was placed at the moment of his or her conception.**

**I know We speak differently at this time, but it is a time to look at the human manner of living as realistic, also as a favor, but also with the privilege it has, a Goal. The Goal is Special, because the Goal is for That Part of human life, the Soul.**

**The Soul is not seen in the daily way of living, but the Soul does respond many times, in many ways. This would surprise most human beings, but the Soul participates in everything you are, everything you think, say, do,**

**promise, partake in and use to give to human life a Special Meaning, a Purpose and a Goal.**

**God loves you. Remember this. It was His Will for you to be created, and in His Love for your way of living, He will remember every moment of it.”**

**JULY 20, 2005 AT 8:35 A.M.**

## **OUR HEAVENLY FATHER**

**“This Gift I have given to the world must never be not seen for the Importance of It. I have given to the world a Message for others to learn from regarding My Love for human life, but also how important it is to follow The Rules because of the Souls that are in each human being as a Part of Who I Am, What I Am, How I Am.**

**This Gift was given to help all human beings be a Part of Me. There is so much wrong thinking on what an individual is expected to follow, to think, to accept, because of the Soul that is within it continuously.**

**I speak differently, I know, but My Love for human living is beyond what any human being can know. Each day I ask those who talk to Me: ‘Do you remember why you were created? Are you obeying The Rules set aside to aid you in understanding the Importance of human life?’**

**I will close, but I must add to this, it is only temporary. I will return when I know it will give strength to how you**

**think, how you respond, and how you remember the importance of how you live, based on The Holy Trinity.”**

**JULY 20, 2005 AT 11:30 A.M.**

**“There are many incidences in the life of a human being. Some have credibility to them, allowing happiness to be. There are other times when one’s mentality strives to use what they feel will give to them advantages, either mentally or physically.**

**The human mentality has numerous qualities, but it is not always seen for what it can nourish an individual human being with: many times, a more deeper understanding of the Gifts of what the mentality or the physical has the ability, have the abilities to be used, giving to human life, human living, a time wherein there is joy, more happiness, and a feeling of accomplishment within.**

**I know I speak differently at this time, but it has a purpose. Perhaps it will help others who read It to feel the advantage that being a human being has to offer, giving to human life more than reality, but other things that give strength, hope, positive thinking, and**

**the courage to share with one or more people.**

**I will close at this time, but My Words hopefully will give to the mentalities of those who will read Them, a more interesting purpose for the Gifts that are instilled, such as thinking, remembering, speaking. The list is endless. Be thankful for it. It has been a Gift greater than seen to be or recognized by most human beings.”**

JULY 20, 2005 AT 11:55 A.M.

## OUR HEAVENLY FATHER

**“**Though it is difficult for many to understand What this *little one* We use goes through to be in service to The Heavenly Father for the Souls that are to learn more than they would otherwise, she was given to the world some time back because of the necessity for Divine Will to reach thousands of individuals that would never have a chance to hear The Father’s Love firsthand.

Never forget, I, your Heavenly Father, would never leave you alone, and never forget, you have been instilled with a mentality along with the ability firsthand, to be able to address and to speak in a normal way what you see as important, either to the life or to the personality and ways of another human being; also, the Spiritual side that oftentimes needs help because the one in whom They are speaking, does not understand how close The Divine can be instilling into their mentality what is necessary, what is obviously Fact to be understood for

**either the mental or the physical mode of living.**

**I could speak hours. I would like to, because it is important for human lives of all ages to see the Importance of being created a human being, and being told that there is a Goal that should be reached for the sake of the Soul that is within each human living person created in the human manner and way.**

**There is so much to be spoken about, so much to be thankful for, and so much time to be seen as a means to one day returning to The Creator and being called ‘a Saint’.”**

JULY 20, 2005 AT 12:40 P.M.

## OUR HEAVENLY MOTHER

**“I am your Heavenly Mother.**

**You live in a time wherein The Father gives so much of His Time to enlighten those in the living state to be reminded that they were created by Divine Will, because there was a Goal for their Soul that was one day to become ‘a Saint’.**

**I speak differently, I know, but it is a privilege and a pleasure that The Father has allowed Us, Many of Us, to speak through *one small voice* and see so many putting the Words into print for the benefits of other Souls that will hear about This Gift, and It will give the Souls a strength beyond what it is understood to be.**

**I will close, there are Several of Us here, but as I do, I say: ‘Never forget, when you were created a human being, that alone was a Gift greater than it is seen, but the Gift will come at a later time that will be Far Greater than just being created, because it will connect your time, your existence to The Divine, thus always being looked at,**

**looked to, looked for, by others who will be praying and will remember your name at another time.’”**

**JULY 20, 2005 AT 1:18 P.M.**

**“There are Several of Us present.**

**There is so much to be delivered through This Gift of Divine Love in which The Father has allowed in many ways, to encourage individuals to use the talents they have, the abilities they have, and also the Spiritual understanding attached to all these things.**

**You live in a time of many differences in opinions. The opinions are based on what an individual thinks is proper, thinks is feasible, thinks is the only way that it would please The Creator. This is not always fact. Many times it is only imagination, thus distracting others who may want to do certain things and be able to profit from them morally, mentally, psychologically, physically, but they allow the individual's terminology to cause them to back off and to not do what they felt should be done in the first place.**

**My Words are different I know, but as I speak Them, I say Them**

**with much concern, because so many individuals allow others' opinions to stop them, to block them, to discourage them from practicing something that has merit to it, perhaps to the Soul."**

**JULY 21, 2005 AT 11:35 A.M.**

## **OUR HEAVENLY FATHER**

**“I, your Heavenly Father, have designed several ways to communicate with all human beings. Granted, one is in receiving The Blessed Sacrament that represents Me.**

**The world has been Blessed abundantly with knowledge, with what is Spiritual, and what is how I can be spoken to through prayer and through personal consideration.**

**I Exist in a Manner and Way not conceivable to the human mentality, but your Faith in Who I Am is of great importance to Me, thus giving Me the ability to understand you as a human being in how you think, you act, and of course, in your innate logic, understanding that your manner of speech and all other things you do, should be pure, just, and based on morality, because in this manner of existence, it means you respect Who I Am, and All I have delivered in ways to give you How I think, and How I want your way of living to be pure morally, mentally, physically and socially, leaving good**

**example wherever you are part of, where one or more human beings are present.**

**Responsibilities are various, and in many ways have an importance to them. Irresponsibility ignores in many ways, the Purpose, the Goal, the Reason to have, as a human being, a Portion within you that I Am, your Soul.**

**This is rarely thought about, but should be regarded as a Gift of My Divine Love wherein the Soul will be the remaining Factor when your life in the physical form ends.”**

**JULY 21, 2005 AT 12:11 P.M.**

## **OUR HEAVENLY FATHER**

**“It is with much happiness when I am able to speak My Words so They can be heard. I am your Heavenly Father.**

**As I have given to the world a Gift so close to Me so I can be more personally known to you, I am happy at this transition of Our Communication.**

**I, your Heavenly Father, want you to know that My Love for human life is Greater than It is seen to be. In the Creation of it, in the beginning, it gave so much happiness at that time. That is why, through the years it has developed immensely.**

**A human life is not just what it is seen to be. It has a Future to It, That Portion of Me.**

**Just as you many times make something that you enjoy, do you not enjoy it more because you made it, than you would if it was made by someone else?**

**Remember These Words, because you see, My Divine Love is in every human being created, because one day a Portion of it will be returned to Me Forever and ever and ever.”**

**JULY 21, 2005 AT 12:52 P.M.**

**“There are always Many of Us present where this *little one* is, because as she was chosen to speak What The Father Willed those in the human way to learn about, and to be aware of, and to practice if it was the right way for them, whatever the subject matter be.**

**At this moment there are hundreds, thousands of human beings. Some of them are offering prayers in response to how they feel in caring about their attitude, or their mentality, or what they must accomplish in the position they have been made to follow, to be a part of, and also to be with others, sometimes Ones they do not see.**

**Today is a day wherein some individuals, of all ages, are thinking it pleasant to sin. Sin makes nothing good, nothing feasible, nothing practical, nothing necessary. The sooner human beings remember this Statement, they will be happier for It, in It, with It, in how they use It.**

**I will not speak long, but I have spoken the Words that are important for the benefit of Souls, because the Soul is a victim of what an individual practices, thinks, or does.**

**I beseech you, remember this Statement, because the Soul is That Portion of The Creator that is to return to Him, a Saint.”**

**JULY 21, 2005 AT 1:48 P.M.**

**“There are Many of Us present as We speak Words for others to be reminded of in certain areas because of the importance of what They are meant for.**

**You live in a time where respect is not prevalent. It is in many ways minute in the actions, the theory, the manners and the ways of human beings, all human beings.**

**Today as I speak, I speak with much concern, because you do live in a time where immorality is prevalent, and also, not enough prayers are being spoken regarding the needs, the necessities, the hurts, and yes, the indiscretions that are so obviously advanced in what they think, say and do.**

**Today is a beautiful day, because in your manner of thinking and what you practice, you have a happiness of acceptance in degrees, situations, conditions and hopes.**

**I do not speak only to those present here, but those who will read These Words, because What I have just spoken would be a common understanding because of the day it is, because of the time it is, and because of the conditions that most individuals are involved in.**

**I know My Words to some mean nothing, but My Words are meant to awaken the mentalities of certain individuals that need to know that The Father, in His Love, His Divine Will, wants the Soul to be pleased in everything they think, say and do.**

**Throughout the world, there are so many diabolical practices. Little is thought of in this area of how you practice, how you think, how you speak, how you act, and how you advise others in, on, for.**

**I could speak hours on this subject, because in the human way it is evident every day, but as I close These Words, I say: Never forget, in your desire to please, you are thought of in a very loving way.”**

**JULY 22, 2005 AT 11:25 A.M.**

## **OUR HEAVENLY FATHER**

**“The Gift I have given to the world for a very long time is My Way of sharing all of human living, human lives, with Who I Am, What I Am. It is important that all dimensions of what is called ‘Christianity’ be alerted to the importance of It, the reality of It, the logic in It, and what a Gift It is to the human mind, body, and Soul.**

**So little is ever understood regarding What I have just spoken. So much is just taken for granted, with no realization in it, of the real importance of It.**

**A very long time, in the timing of lives, I have been available, but there are many changes of how individuals of all backgrounds determine My Existence, My Faith in It, and My Love that extends from It to support all of human lives.**

**What you have just received was a Very Important Time when it was begun by Me. It was My Announcement for human beings of all dimensions of life, of living, to understand My**

**Love for this Creation of Mine was to strengthen it, to direct it in how it should be morally, physically, psychologically.**

**I could speak hours regarding My Love, My Purpose, My Hope, My Will to share with millions of human beings, reminding them that as a human being there is a Goal for That Portion of it, the Soul, but do not forget, what allows this understanding to be is one's Faith, and the reality of It and all that the reality speaks."**

JULY 24, 2005 AT 10:20 A.M.

**OUR HEAVENLY FATHER  
SEVERAL SAINTS**

**“There are Several of Us present all the time, due to the fact of the importance of how this *little one* was chosen to accept obedience, and the willingness to speak to other human beings as she was instructed to do, in a manner and way that would be recorded, thus being assured that the Wording would be handed down to others for the benefit of their Souls.**

**A Gift of This Dimension is rarely given, but it is important that All that We request to be put into script be What is spoken because of the Importance of the Souls that need These Directions to more indepthly be able to practice what is beneficial openly.**

**I could speak hours on This Gift of Divine Love that in many ways is followed through on many individuals who speak important words, wanting them to be used at a particular time, thus being able to not allow wrong interests to be considered and practical advice to not be used.**

**I will close, but what I have spoken is a necessity to remind individuals to be able to use what they see as practical, logical, informative, for the good of others.**

**I could speak hours on the importance of what a human being has the privilege to follow, to use for the sake of themselves and other people.”**

**JULY 25, 2005 AT 11:38 A.M.**

**“We always gather when We know this *little one* will speak Words that The Father Wills others to know, to follow, and also many times to teach.**

**You live in a time in which there is so much lack of understanding on the importance of remembering each day a Creator Exists, hoping you will pray, wanting you to communicate in this way.**

**Never forget, you have What you were born to have, and to be with you until the time comes and you will be in a different Manner, Way, Condition, Situation, based on your Soul that will be remembered as being in you.**

**As I speak These Words, I know They are not usual to hear, but They are very realistic in concept, and in giving to you a strength, knowing that you have the ability to depend on Them.**

**I will close My Words, but as I do, I say: Never forget, you are Loved by The Creator Who speaks to you, listens**

**to you, and yes, is happy when you follow His Will, because within you, you have a Portion of Who He Is, What He Is. It is called 'the Soul'."**

JULY 25, 2005 AT 1:20 P.M.

SAINT AGNES  
SEVERAL SAINTS

**“I am Saint Agnes.**

**There are Several of Us present because We always enjoy hearing what is feasible, what is more practical and more valuable for individuals to take upon themselves the responsibility that is oftentimes necessary.**

**So Many of Us Saints speak through This Gift, always happy to relate to a subject that We feel you will be aware of as a subject that needs attention.**

**Please do not forget that Those of Us Who have been directed by The Heavenly King regarding This Gift of His Divine Love, to be aware of so many subjects that will be presented to *the little one*. I smile when We call her ‘*the little one*’. She says, ‘I am not little.’ We smile again and say, ‘We know.’**

**So many Beautiful Lessons are delivered, supporting what is valuable for others to think about and to know**

and to be able to use in the right degree of morality.

**We All smile when she questions a Word, because We are that close to where you are when We deliver things that We feel will help you live more like The Father Wills.**

**There are Several of Us present now, and Each of Us smile when We say, ‘Never forget, you were created for a Purpose, a Goal, and The Father loves you for all you partake in and all you desire to help others to know.’**

**I hope you don’t mind but I am going to bless you from The Divine. *In Nomine Patris, et Filii, et Spiritus Sancti.* Remember, God loves you.”**

JULY 25, 2005 AT 1:50 P.M.

## SAINT THERESE OF LISIEUX

**“I am Saint Therese of Lisieux.**

**I am so happy to be here with you today, because there are so many things that you should be aware of that will give you joy and a deeper understanding of how The Creator works through We Saints.**

**When it is seen or noted or understood, that *someone* yet in the living state who walks a Path directed to The Holy King, to The Heavenly Ones, then there are Words to be repeated because of the Importance of the Communication that is needed to allow others to know What is Happening, What is Occurring.**

**Most individuals understand Heaven to be a long distance away and a long time, in what is known as time, but this is not so always, because the Sound that Heaven is capable of presenting is to the Soul, through the Soul of an individual. That is why time is not the only thing counted upon when there is a need for Messages to be delivered to certain ones.**

**I have just told you a Secret that you, many will believe is a Secret, but it is the Truth and it will give you more of an understanding of how close you are to The Divine.**

**This *little one* The Father uses and The Heavenly Queen uses, is that *Important Link* to being sure that those who have the Faith to believe, and the understanding to strengthen their beliefs, a Gift of Divine Love is ready to be seen, to be felt, to be used.**

**Always remember, the Love The Divine has for you is Far Greater than you understand what Love is like in The Divine. Your love in the human way has a natural approach, and is always happiness to receive, but the Love of The Divine is a Permanent Love. It is Endless. Remember this.”**

**JULY 26, 2005 AT 12:35 P.M.**

**“Yes, there are Many of Us present wherever this *little one* is available to others, and even when she is alone, because This Gift of Divine Love is of such Great Importance for the Souls of millions of human beings who have no concept of how Important being a human being is.**

**In the Creation of human lives, much was made accountable for what the life was capable of practicing, of partaking in, appearing as, and productive in the importance of.**

**There are Many of Us anxious to speak through This Gift that was given to the world to strengthen, to give hope, and to persevere in the importance of knowing, of understanding that Divine Love is consistent every moment of every day.**

**When you pray, you can be assured you are heard. When you act in the human way in conversation, you can be assured you are being heard. The list is endless on this.**

**There are so many times you may think you are alone but you are not, because in you, you have a Portion of The Creator, the Soul. The Soul is consistently and constantly aware of all you think, say and do.**

**I will close These Words at this time, but I assure you, I will return at a time that you will be able to take My Words and then speak What I have spoken. Always remember, you are Loved by The Creator of All Things.”**

**JULY 27, 2005 AT 10:20 A.M.**

**“Love in the human way is not stated in the same manner that Love in The Divine Way is expressed and oftentimes reiterated because of the importance of how The Creator wants human beings, of all ages, to understand that they were created out of His Love for them, and that the time will come and the Soul they were gifted with at the moment of their conception, will be returned to The Heavenly Father as ‘a Saint’.**

**Divine Love has a Sincerity, a Sensitivity, and is based on the Love of The Holy Trinity for the human lives of all degrees of intellect and understanding.”**

JULY 27, 2005 AT 11:45 A.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**This *little one* I have chosen to speak My Words to others, for them to be better able to understand how close I am to them, and My Divine Love for them, according to Divine Plan.**

**I hold her tightly for she cannot hear My Sounds, so as I instill My Words within her, she can repeat What I Will you to know and to be put into print to give strength to others, and hope for how they live.**

**The world has been Blessed in many ways by This One Gift, because the human mentalities need what is delivered through This Gift for the sake of how they practice their manner of living, and how they learn to know what a Treasure human life is to them, for them, because it is created for a Goal Greater than it is known to have available to it.**

**I bless those who work with this *little one*, because you see, It is a Gift of Divine Love from The Holy Trinity.**

**We know that the more you understand, the more you will follow, and the more you follow, will give strength to the purpose of how you live, but also, it will strengthen your mentalities, your wills, and how you approach each subject according to what and how it will affect your Soul.**

**I will close. My Voice is difficult for *the little one* sometimes, because there is no sound in It. It is implanted into her in a Manner and Way that does not show.”**

**JULY 27, 2005 AT 12:39 P.M.**

**OUR HEAVENLY FATHER**

**“Your Faith in how I would visit with you, speak with you, to you, and speak of conditions, situations that you are confronted with, for and by, I am your Heavenly Father.**

**Your service at this time, your willingness at this time, your Faith at this time, your cooperation at this time, is Loved by All of Us, because your Soul is happy when you serve. Your Soul enjoys your time with Us. Your Soul is the recipient of all you think, say and do. Your Soul is Who will represent you at another time.**

**As I close These Words on this day, I plead with you to look at what a Treasure it is to be chosen to walk a road in service to The Creator, helping others learn what is good for them, what is helpful to them, and what will help their Soul.**

**As I close, I remind you, The Heavenly Father loves you and all you do.”**

**JULY 27, 2005 AT 12:55 P.M.**

## **OUR HEAVENLY MOTHER**

**“I smile when I say My next Words.  
I am your Heavenly Mother.**

**I am oftentimes in your presence  
and urging you on to follow what you  
know is valuable for the benefit of  
your Soul.**

**As a mother, many of you would  
know what it is to speak to someone  
you love and you want to share it with  
The Divine, because no matter what  
the age of the other one, you know The  
Divine is waiting for them, to speak  
to them any time. Remember this to  
be told to your children, that a prayer  
just spoken, reminding the Saint that  
you are there, will give you strength,  
more hope, and you will feel the Love  
you share.**

**Always remember, God created  
you out of Divine Love, and in this  
Manner of doing things, He enjoys  
seeing it done by you in a form, a way, a  
degree and a purpose for other human  
beings, helping them to understand  
more indepthly the happiness there is**

**in sharing, and in communication with  
The Holy Trinity.”**

**JULY 27, 2005 AT 1:25 P.M.**

## **OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**There are many subjects I would like to speak on because of the Importance of the Souls that must follow a path of cleanliness, of purity, of justice, and of Divine Love.**

**As you walk the human way, you are the custodian of a Soul. The Soul depends upon you, what you think, do and say. You cannot see the Soul, but you are aware of Its presence, because within your mentality, your logic lets you be aware and to remember that there is a Higher Being, there is a Goal for your way of life, and that your Soul will be the One Who is chosen to bear your name, walk with The Divine, and represent you at a time when you least suspect it. Remember this.**

**There is always so much to be spoken about and for, because as you were created a human being, you were given Gifts galore: your mental, your physical, your Spiritual, but all these Gifts pertain to parts of how you were created, and of course, reasons**

for your mentality, for your heart, and again, for your Soul. The list is endless, but it is a list of Divine Love, because everything you represent mentally, physically, emotionally, morally, reflects your intentions, your Spiritual love, and your Divine Love, for the benefit of your Soul.

**Y**ou are automatically aware that there is a Creator Who Designed All Things and All Purposes for the way human beings will be Judged. You have a chance, or I would say, the chance to become a Beautiful, Great Saint. Remember, if you make Sainthood your Goal, you have the benefits to attain that Goal because of what you feel, what you care for, and in many ways, how you live with your Soul.

**Y**ou are Loved from the moment of your conception. Never forget, your conception was accepted by The Divine, and in this Goal to one day become 'a Saint', you have had the privilege to walk in a pure role. Never forget, you were created for this Goal, and your Soul depends upon you to make it so, and God depends on you to one day be with Him in Another Way of Living, a much Holier Way of Living, because in

**Heaven it is important that you will find Many Souls in the Holiness that is in Heaven.”**

JULY 27, 2005 AT 2:02 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“I am Saint Joseph.**

**I smile at this time, because *the little one*, when she heard I would speak, smiled and said: ‘I’m happy, Saint Joseph, for this time with You. It oftentimes makes me think how Important You are in The Divine.’**

**The world has been Blessed; perhaps it is thought only to be where you are, where you live, but as These Messages travel in faraway places, it will enlighten many individuals to more fully understand how close Those of Us in Heaven are to them.**

**When you say a prayer, and you say it to One of Us, We hear it in a way that The Father designed for it to be, thus alerting Us to your presence and Our Love for you, based on The Holy Trinity.**

**There is so much to be accomplished and there are so many things to be learned, to conquer all that is wrong, and to magnify what is right, what is correct, what is pure, what is feasible,**

and what is an advantage to your Souls.

Today, as you listen to Us speak, this Communication with you is Greater than you know It to be, because as you address what you will Us to know, We will find means and measures and purpose to aid you, to give you the strength to endure what obstacles you might incur.

Never forget, a prayer is never not heard, and your Faith in a prayer is a Beauty to see, because yet you are still in the human state, human way, and you are able to communicate with Us through the means of a prayer.

In the Creation of human life, The Father designed it in such a way that prayers would be heard, communication would be understood, and it would give so much in caring and in usefulness for the mind, the body and the Soul.

I know I speak differently than maybe you expect It to be, but always remember: When you mention the Name of a Saint and you use words you want Her or Him to hear, it is done in such a way it is a Beauty to see, for each time you call on One of Us Saints, it is

**a privilege beyond what you discern it to be. It gives Us the chance to serve The Holy Trinity.”**

**JULY 28, 2005 AT 12:06 P.M.**

**THE THIRTY-EIGHTH ANNIVERSARY OF  
THE MIRACLE OF SAINT JOSEPH**

**“Yes, *the little one* has counted Us in number, reassuring her of Our Presence at this time.**

**The Father in Heaven has requested All things to be put into script for the perpetuity of All that Those in the Heavens feel is necessary for others to understand, to practice, and to be able to reveal to others the importance of.**

**Today, as We are present where this *little one* is, when she is with you, We are present with you also; sometimes not seen as this, but logic should tell you We would be with you as she stands with you.**

**There are so many human beings who delight only in self-love, self-preservation, self-pity. The list is endless, but as you have accepted an association pattern with This Gift of Divine Love that constantly instills into mentalities who listen, the Importance of Divine Will, Divine Importance,**

able to discuss with you through *one voice*, Words to give you power to be strong mentally, physically, and also to give you the Foundation to support what you know is feasible for your Soul, because your Soul is the victim of all you are, all you speak, and all you admit to, and all you desire others to know about you.

This Gift of Divine Love has been given to ‘a particular place’ in the world through *one small voice*. What you transmit, transfer to others in the written form by What We say to you, is a Greater Help to the Souls than you can imagine It to be, than you can comprehend It to be, because the Words will give strength, hope, and a fuller understanding of what truly exists.

I could speak hours without stop, but it is important that What I have spoken be seen for the worth It is, the good It is, and The Divine Will that is using It to help you be example and be the deliverer to aid the Souls of countless other human beings.”

**JULY 28, 2005 AT 12:42 P.M.**

**THE THIRTY-EIGHTH ANNIVERSARY OF  
THE MIRACLE OF SAINT JOSEPH**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**It is with much pleasure I greet you on this day because of your love for What I have given to the world for you to be able to learn more of Me, and Others Here in the Heavens, because you see, your Souls are happy too, because when you honor Who I Am, the Soul delights in being in you.**

**There are thousands of human beings who should know about This Gift of My Communication, also It can be called ‘The Holy Trinity’, enjoy speaking to those who are present. Your Soul enjoys every moment you work for Me.**

**Today is Special, because you have created more to be present, thus allowing more to fully understand the Beauty of What I have given to man: Words to give Strength, Direction and Hope; Words to aid when They are needed, but the Words also encourage others who do not know about ‘this**

**place', helping them to strengthen the Importance of Divine Grace.**

**As I close, I do it because I could speak hours on end on how happy you have made Me, and also Many Here Where I am. My Love is Divine, and My Blessings to you are combined with Holiness and Desire for you to one day come Where I Am."**

**JULY 28, 2005 AT 1:23 P.M.**

**THE THIRTY-EIGHTH ANNIVERSARY OF  
THE MIRACLE OF SAINT JOSEPH**

**OUR HEAVENLY MOTHER**

**“I am your Heavenly Mother.**

**I have come to speak to you and to thank you for your show of love for The Divine and the Purpose for This Gift that will prove so Important to many facets of human life, human living, based on Divine Love.**

**A Blessing of This Nature is not always recognized, but when you recognize It as you have done for such a long time, it strengthens many individuals who do not partake in association with It, but many times in what they hear about It, instills a certain amount of hope dealing with their own situations, problems, concerns and practices.**

**To say you have been Blessed is not enough when you walk and work for The Heavenly King. His Love for you persists, because when you serve in a love for The Divine and you are able to cope with even the time, you are Blessed in more ways than you**

**will ever know, because The Heavenly Father appreciates your service to Him and to all the Souls Who are Blessed by what you think, you say and you do. Remember this. God loves you.”**

**JULY 28, 2005 AT 1:30 P.M.**

**THE THIRTY-EIGHTH ANNIVERSARY OF  
THE MIRACLE OF SAINT JOSEPH**

**SAINT CATHERINE OF SIENA**

**“I am Saint Catherine of Siena.**

**I speak at this time because the joy that All of Us Here in the Heavens feel is beyond what you could understand it to be. Just to know that human beings of all different ages are happy to serve The Holy Trinity speaks of a love that is rarely seen in the open, but when We see several individuals, or even one alone, who desire to please The Holy Trinity, Our Love goes out to them, and Our Wishes for them to one day be ‘a Saint’ Here in the Heavens.**

**In the living state, few human beings ever think of what the Future can be. It is far different than what it is thought to be, because so much depends on how an individual lives, practices, and uses the living state of understanding, of hope, of dreams, of purpose, many times not realizing how important this is to their Future as ‘a Saint’.**

**Today can be a day of much change in many people if they would but just learn that they were created by human beings, but the reality of their creation was from The Divine Desire to have them one day be ‘Saints’.**

**The Father loves human lives. There is no question on this, and that is why He uses human lives to speak about it, to talk about it, to make stories about it, to encourage it to be obvious in how humans can become ‘Saints’ at a time important to The Divine.**

**I could speak hours and enjoy every moment of them, but What I have just said is hopefully to open some place, some will in a human life, or many perhaps, to realize there is hope where there is love, there is love where there is devotion to the Future of living as ‘a Saint’.”**

JULY 29, 2005 AT 12:27 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I fully understand the importance you feel in This Gift of Divine Plan. As I speak each time, I feel strength within you that was not the strength in the beginning, but now I feel it because you more fully understand My Closeness to human lives, and that I sincerely care about you.**

*The little one* We All use is ready at a moment's notice to hear What she does not hear, but to speak What We instill into her. This Gift of Divine Love may not be understood for how Important It is, because some individuals cannot fathom that the Words are not openly spoken to her, and as We implant What We Will her to know, the strength returns to her physical in a manner and degree of Communication from The Divine to you, through her.

**Every prayer you speak, every kind word you say, every act that has within it respect, you are Blessed for in many ways. The time you spend**

**upon the earth in the human way, I assure you, you will be accountable for at a given time, a given day, and you will be grateful for how much you are responsible for, because your Soul is happy when your Soul knows that you are in an obedient manner and way, thus giving Blessings to your Soul you cannot see, you cannot feel, but They are there.**

**So many times We hear those of you who are taking the Words, act kindly towards someone that you know needs to feel the hope in how you act, the sincerity in what you show, and your capability in how you address a condition or situations that could be binding to someone else's Soul.**

**Today I speak differently, I know, but This Gift that has been given to a group of human beings to think more indepthly on the importance of communication with The Divine, the Blessings in a task such as this is, are outstanding, because when you place your Faith and your abilities to give strength and hope that otherwise would not have been treated this way, you are being blessed abundantly. Remember this.**

**I will close My Words, but as I do,  
I smile when I say, ‘Always remember,  
The Heavenly Father loves you.’”**

JULY 29, 2005 AT 1:05 P.M.

MANY SAINTS

**“We are present. We smile at this *little one* when We All say: ‘We love you, and We love the way you serve The Creator in a manner and way not just pleasing to Him, but one that accomplishes many things in many ways for the good of the Souls, of so many Souls. The count is beyond what you would say.’**

**Today as We speak, it is to strengthen the Faith in those who take the Words and those who will read These Words, because you see, The Heavenly Father, in His Love for this Creation of His, giving to so many Souls, a Living Direction to one day become ‘a Saint’.**

**The world has been Blessed abundantly by Words dictated and then put into script, so as those who will read the Words find a new dimension to Them, their Soul will be happy. I assure you of this.”**

## MANY SAINTS

**“There are Many of Us present because Each of Us, in Our Love for This Gift wherein The Heavenly Father, The Heavenly Mother are so Generous in delivering Words of instructive nature, constructive in every format, every syllable that is spoken.**

**We hold *the little one* tightly, because she depends upon What We say to fulfill The Father’s Will for Souls to be returned His Way.**

**Divine Love is not spoken of often, only because It is not understood in Its full dimension of Perfection, of Divine Love, and also, in Its purpose for the Souls that without It, human beings would not fully understand what a close Association each human life is to The Divine, and how Important the Soul is of each human being, because the Soul is That Portion The Father Wills returned to Him, Forever and ever and ever.**

**I am going to say a few things that might surprise some, but in The Heavenly Design regarding human**

beings, much had to be thought about, much had to be evaluated because of what a human being was to be created for. The Goal for human beings is far greater than It is seen or understood to be. The Goal is a time to be with The Creator Forever and ever and ever. A Blessing beyond this, there are none. Nothing could compete with this Blessing. Nothing could supersede It; It is of such a great privilege.

We hold *the little one* tightly, because her love for The Divine is to serve The Divine, and never want to disgrace The Divine in the slightest manner.

You live in a time to have the privilege of so much being spoken, explaining so much more indepthness to what and in what a human being has the privilege to reach, to be a part of, to partake in. There has been no other time in the History of human living. The closest time was when The Son of The Creator walked the Path upon the earth, instructing continuously a Love beyond what anyone understood It to be, because it was new, this knowledge that human beings were the custodians of a Portion of Something they could not see, they could not feel, and this

**was the Soul that nothing else created was the custodian of, or would be the custodian of.**

**You have been Blessed abundantly by the time in which you were born, and of course, the Goal that you are capable of and able to one day return to The Creator, That Portion of The Creator, your Soul. No Greater Love could The Father deliver at this time, than to renew your understanding and help you realize that the Goal you have is the Greatest Gift of Divine Love, because only Divine Love could have assisted The Father in this particular manner of sharing Who He Is.**

**As I close These Words, I want you to remember: We are always available for you to speak to. Do not forget, Many of Us Here in the Heavens walked the human way, the human role, just like you do.”**

**JULY 29, 2005 AT 2:36 P.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**I am present where you are; of course, in a different Degree and Manner, but I appreciate every word you speak, every sentence you make, and your decisions will be the means to help, hopefully millions of human beings pursue the right paths, the right understandings, and yes, the method of doing things that assist many, many numerous Souls to go and be in Heaven. The state of a position like this is not always easy to understand, but it has much promise and it has a Goal beyond what the human mentality can perceive It to be.**

**The Gift of what you call a ‘Revelation’ is many times Greater than It appears to be. Sometimes It can change the whole life, the whole living factors in a human life, giving to it more moral strength, more mental abilities to be able to deliver to others a stronger view and a stronger understanding on the importance of all the facts of being a human being,**

**plus the Goal that is available for every human being created.**

**Human love is a treasure, also a Gift, but human love has the chance, the ability and the means to one day become 'a Great Saint'. By Great, I mean be known, and be able to give others aid, help to be stronger as a Saint, because Sainthood is Greater than It is seen to be. Sainthood has a Purpose, and yes, is available to aid, to comfort and to give strength where it is needed mentally, morally, psychologically, physically, and many other facets of how a human being exists.**

**My Words are Words of Love, because there is No One Here in the Heavens that does not want those who are yet upon the earth to not one day reach that Goal for the Soul that is close to The Creator. You are Loved for all you think, say and do. Remember this."**

**JULY 30, 2005 AT 10:05 A.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**Those who accept and receive What I have declared to be a Portion of Who I Am, What I Am, I bless them abundantly. This Gift is no secret. Its Message goes far and wide, thus allowing thousands of human beings to be aware how close I am to them if they decide a Gift of this Message cannot be understood in the degree It amounts to, but I, your Heavenly Father, want you to know: Each time you bend to My Will, My Way, I deliver My Love, My Way for you.**

**There are so many things that can be accomplished to aid the Souls Who receive no understanding from those in whom They were placed, but always remember, your example can be spread in ways, degree and manner not openly spoken, but it can fulfill what it is and has.**

**I love those who want to share with Me a Gift that nothing else has. I call it ‘a Piece of My Bread’ for the Soul that desires to receive It through**

**the one They have been given to care for. I could speak hours on this, but I assure you, My Love is Longer and Greater, and is always present for those who care.”**

**JULY 30, 2005 AT 4:35 P.M.**

**OUR HEAVENLY FATHER**

**“I am your Heavenly Father.**

**It is always a pleasure, a delight to speak and have the Words put into script so that many individuals, in many walks of life, will read What I have to say, because when I speak in an open manner, it is to assure those present that I Exist and that their facts in life, and how they live it, is capable of so much in the form of receiving Blessings in a personal manner, way, degree, for the Souls of those who participate in the manner of communication.**

**To many this will be difficult to understand, but I assure you there are several ways for the Blessing from The Divine that awaits just to ask for, to have.**

**As it is natural when someone says a prayer, it is never spoken or silently said that it is not heard by Someone Here. The Close Association The Divine have with those in the living state is always there. When you say a prayer you are heard, whether**

**the prayer is silent or with sound, because the communication your Soul is capable of, is the Transmitter of your love for The Divine and how you will The Saints to hear you speaking to Them.**

**God loves you. Remember this. Our Heavenly Mother loves you, and All The Saints Here respond to your request.”**

AUGUST 1, 2005 AT 12:02 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I have given a Gift Greater than It is seen to be. It is a Gift of Communication Personally. I use *one small voice, one small body* to be My Love that will speak for Me, helping others to more fully understand My Existence and My Love for them in My Divine Plan.**

**So many in the living state of the human way cannot comprehend a Place called ‘Heaven’, a place called ‘Purgatory’ or a place called ‘Hell’, but I assure you they exist because of the importance that human beings, of all ages, must recognize as having a Purpose for how they live the human way, the Gift of human life, and all the Gifts that are entailed in it, exist within it, and are part of.**

**Though I speak differently than I usually do, perhaps I am a little more emphatic at this time because, do not forget, when you were created in the human role I was present, and as you live each day in the human way I am**

**present, and everything you think, say and do, I record in My Love for you.**

**Your Soul is present and communicates with Me in a way different than you know. I love you, because in the creation of your being able to be a human being, I want you to remember: You have a Portion of Who I Am, What I Am, within you, called ‘a Soul’.”**

AUGUST 1, 2005 AT 12:45 P.M.

**“There are always Many of Us present where this *little one* is. When The Father presented to her a Gift of being able to receive What We would speak, it was a Gift Greater than We can tell you about, because We knew her love for God would supersede anything else she would want to do.**

**You live in a time wherein so much occurs that you recognize as not being pure in spirit, or in concept, or in content. The list is endless, because human beings very often speak on subjects that have no sensitivity in them for other people, no sound direction for the goals that they should be striving to indicate to others for the benefit of Souls, because the human mind is what helps the Soul use talents, mental, physical, thus giving strength to the body in which It is placed at the moment of conception.**

**I speak differently, but Many of Us Here in the Heavens do because of the so-called ‘progress’ human life looks to, tries to follow, and wills his or**

her will to be exact in it, and to show how important it is for certain things to occur in the manner they have just learned about, or seen to be practical, logical, hopeful.

**T**here is no greater Love than Divine Love, there is no greater Hope than Divine Hope because, do not forget, the Soul, as a Portion of The Creator, is within every human being created, because this Soul is to give strength, help, hope, and enlightenment to aid the one in whom It has been placed to strive for what The Father Wills to be good for the Soul, for the Soul to return to The Creator, Pure in every way.

**W**hen you awaken from a sleep, no matter what time it is, always remember to say a prayer of communication. A short one will do, if you just say:

*‘Father, help me to be what You want me to be, because I love The Father Who gave me my life, gave me my will. Thank You for all You participate to give me the strength to follow according to Divine Will.’”*

AUGUST 2, 2005 AT 12:40 P.M.

## SEVEN SAINTS

**“There are Seven of Us present. We gather in a very happy manner, because it is a privilege to be able to speak openly for others to put into print the Beauty and the Importance of This Gift of The Father’s Love, assuring those who have been and will be created, that there are many things to think about and to understand regarding the importance of what The Father Willed to instill into human beings: love of The Divine, but also respect, concern, and a certain amount of caring about each other. It is automatically instilled, and it shows each time one or two or more gather. Sometimes they do not understand why they are thinking so personally, so caring, so sincere, but it is because of how they think and how they associate with Others like themselves in Heaven.**

**Heaven is not Something to just think about. It is a Place of Divine Love for those who have a Soul, to be able to enter The Kingdom of Heaven and obey The Heavenly King on what**

**He Wills Them to think, say and do, to perpetuate more like Themselves who are yet upon the earth and will one day have the opportunity for their Soul to be placed in Heaven.**

**The Words I have just spoken may be difficult for some to fathom, but as you seek a goal for many things, many times in how you live, what you want, and yes, things you do, the Soul that exists within you at this time, wants to return to from Where It came, Divine.**

**As I close These Words, it is sad for Me, because Many of Us Here in the Heavens would not just enjoy, but cherish speaking to those yet in the living state regarding the Soul that they are the custodian of, and that the Soul is Special in every way.**

**As I close, or I should say, We close Our time at this time, We All want you to remember: Purity of mind and body cause the Soul happiness, joy, and the Gift of Heaven.”**

AUGUST 3, 2005 AT 12:03 P.M.

**“It is with much Love and happiness as I enter your presence today. There are so many things I would like to discuss Personally.**

**As you walk a path for The Heavenly Father, I share this walk with you every day that you make this approach to Where He is.**

**Many times when I pray to Him, I think of you and your love for Him. He Wills Our Communication to be, because He depends on it more than you understand it to be. When We communicate verbally, and then oftentimes putting It into print, We become One in companionship, in understanding, and with the ability to understand Each Other, and to think more indepthly of the Purpose for which human beings were created, and that is to be the beginning of one day returning a Portion of What a human being is the bearer of, a Soul.**

**There are so Many of Us present, and *the little one* tries to see Each One, but We close out All but One so**

**We do not distract her, because What We speak to you is a Message of Divine Love, and the purpose is to assure you that as you walk, as you think, as you speak, We are always present, because you are the custodian of a Portion beyond what you understand It to be. It is called ‘the Soul’; and, of course, Where the Souls are, you will always find The Holy Trinity.**

**We will draw back from this *little one*, but she leaves you with Our Love, Our Commitment, and Our Divine Hope for the Souls that are the recipients of Truth, logic, understanding, and an in-depth ability to fully comprehend that as a human being, Divine Love to you is always present.**

***The little one* is told to raise her hand and say: ‘*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*’”**

AUGUST 3, 2005 AT 1:03 P.M.

**“Yes, there are Several of Us present. *The little one* is concerned because there are so Many of Us. She says, ‘The room is crowded now,’ and We smile at this and say, ‘Yes, Our Souls in a number such as these can number now, would crowd the room, but it is not quite like this.’**

**Each of Us is so happy to see This Gift of Divine Love be accepted, first like It has been, and then to spread the Words that are so important for the Souls of not just thousands of people, but millions of human beings who in their own way of life would never get the chance to read Words with such full meaning and Divine Love. They would not have access to Them, but through This Gift they will be able for years to come, to read how certain individuals became ‘Saints’ and used Sainthood to develop what those yet in the living state could learn about becoming ‘a Saint’, the privilege it would be, and the Divine Love that would assure the Soul of the Beauty, the Importance,**

**and the Divine Love available every moment of every day.**

**So much more can be spoken on how We Here in the Heavens enjoy being with this group of human beings who practice what they preach. It is beautiful to see and to know that basically you are willing to spread what you know is beneficial for others who will one day realize that what they have learned through you, by what you have accepted, their Soul will bow their head and say, 'Thank You', one Soul to Another. Remember this."**

AUGUST 3, 2005 AT 1:52 P.M.

**“There are at least Fifteen or Twenty of Us here with you all. Our time with you is always happy, because We see a sincere interest in wanting to serve The Creator to help others more fully understand the Purpose that each human being is the custodian of, and that is to one day be announced, be pronounced, be greeted, be understood as having the privilege of being ‘a Saint’.**

**Many of Us Here in the Heavens smile each time this *little one* receives a Task, because We know she will carry it through as far and as well as she can.**

**Each time you say a prayer, you are drawing attention to who you are and where you are. This is part of Divine Plan. Never forget to use a thought, asking The Father or The Mother, or even a Saint to help you in how and what you are doing, and to guide you so that your credit will be clean.**

**I smile when I say These Words because, do not forget, Many of Us Saints walked the path in the human form with all the responsibilities that perhaps you have.**

**Today as I speak, it is much Love for those who take These Words and those who will read the Words, because it is not often that We get to speak regarding how We know, how We think, and also, how much We care about those who are yet in the living state.**

**God loves you because within you, you have a Gift of His Divine Love, and His Love is Hopeful that one day you will return to be present Where He is, to help save Souls and to be a Guide for others yet in the living state.**

**As I close These Words, I am rather reluctant to do it, because it is always a pleasure and a happiness when We can communicate in a manner and way It can be seen in script, proving the point that We were present when We dictated This or That.**

***God bless you for all you do, and never forget, God loves you.***”

AUGUST 4, 2005 AT 12:10 P.M.

SAINT JOHN OF THE CROSS

**“I am Saint John of The Cross.**

**I have come on this day because of the importance of all that you partake in, encouraging others to not be remiss in how they understand The Holy Trinity to be.**

**Each prayer you speak, you think, is a gift of your Divine love to The Heavenly Ones. It is a gift because it recognizes Their Existence at a time that They Exist in a different Form, Degree, Way, reasonable in understanding, because They, too, walked the human role at another time.**

**All of Us Here in the Heavens are so pleased that We have ‘a funnel’, ‘a means’ to reach those of you who may not think of Us, but We have Something to say to strengthen your beliefs, your manner of living, and of course, for the benefit of your Souls to be returned to The Creator another time, and I would say, another way.**

**When This Gift was opened up, allowing Us to participate and to penetrate your mentalities with Our sensitivities regarding Our Divine Love, hoping to give you the Example, the importance that a Communication or Association such as It is, gives strength, more understanding, thus giving to the Soul, hope and an assurance of Divine Love.**

**I could speak endlessly, but I thank you for taking My Words. Hopefully, They will be passed on to others at a time not just when They are needed to remind someone of some particular thing, but to remind others that as you live the human way, and then The Creator says, ‘I need you in Another Manner of Life to serve in a different Way,’ that means a Communication based on Divine Love.**

**God loves you, and We All love you. Remember this, because your service in what you think, say and do, is helping more than you understand it to be, because in your manner of how you act and how you speak, opens a door you cannot see, but it does reflect in Hope, Divine Love, and yes, Mercy.”**

**AUGUST 4, 2005 AT 1:15 P.M.**

**“There are Several of Us present. All of The Saints Here are very aware of what is occurring upon the earth regarding Spiritual understanding, Spiritual needs.**

**There are many, of all ages, that do not understand how simple it is to think of Our Heavenly Father, Our Heavenly Mother, and then to also think of the Existence of Many, Many hundreds, thousands of Saints.**

**In the Creation of human life, there was a Purpose. It was to allow those being born to understand that there was a purpose to their living; there was a purpose to what they would learn as a living human being, but also to learn there was a Goal for a Portion of them called ‘the Soul’.**

**When you think of a Saint, you think of a human body, a human mind, but many times it is different in The Divine, because many things are different than you understand them to be. It is because of the manner of Weight, and Communication that**

exists between The Saints. It is not like yours. It is different, but the day will come and you will be in that State of learning to speak, learning to hear, learning to think, but it will be in a manner and way different than you are used to when you pray.

**T**here are so many things to think about, because as you were given the human role, you learned many things. Is that not so? Your body, your mind, and all the things associated with these things in life, living, that were in a normal human way, in the Divine Stature of what it will be one day.

**I** beseech you to take each day at a time and offer it up for all you think, say and do, and ask for aid to guide you. You will receive it I am sure, because you see, there is no human being living that Heaven does not want to please, but to help sincerely.

**C**hildren are not being instructed on how close The Saints are to them, but I assure you, they feel strength when an older individual talks to them. It is a learning state of security, of understanding more than they know or think. It is a Gift almost of necessity,

**because the Souls needed it, and need it continuously. Remember this.**

**Never forget, the moment you were created, you were Loved by The Holy Trinity, and also by Many Saints Here in the Heavens because They, too, began human life the same way you did and do. God loves you. Remember this.”**

AUGUST 5, 2005 AT 10:05 A.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**I am always available to what you feel, think, speak, do and practice. Your Soul communicates with Me silently. My Love for human beings is Far Above what It is understood to be.**

**As I have chosen *one small voice*, I have done this before, thus showing each generation of human beings they are never without Me. I am always present when the Gift of prayer was announced to be for the benefits of human beings to understand and to appreciate that I am always available to them.**

**I smile at *the little one* because her communication is personal, and appreciated more than it is seen to be.**

**I bless those who call My Name and ask Me for a favor or aid in some way. The Angel you were given at another time is always happy when you speak to The Divine.**

**I love you, and I appreciate your return of different ways, using your mentality, your physical and your innate love, sharing with Me your human abilities and communication.**

**Blessings abound with no questions asked, because when you were created, it was a Gift that would last.”**

AUGUST 5, 2005 AT 11:50 A.M.

**“I smile when I address My Words with you on this day wherein so much has been spoken the correct way where this *little one* is. So much should be seen and heard regarding the Importance of What It Declares to be: The Father’s Will, My Will, and also The Holy Trinity.**

**Though I speak differently, I do it with much Love because of how We heard others speak the Words that gave strength to the purpose, to the goal for the Words to be seen, understood, and express the ability to give strength to a Goal that hundreds or thousands would not realize, unless they were told.**

**We hold *the little one* tightly, because as she learns to understand how others think of This Divine Plan, her body says, ‘*Thank You, God.*’**

**So much could be spoken at this time, but I will release her slowly from The Divine. Her body is used continuously, but do not forget, the mental Force she is, in many ways a**

**victim of, due to the importance of What she receives, the purpose for which It is delivered, and The Divine Love that gives It the strength to be heard.”**

AUGUST 5, 2005 AT 12:40 P.M.

**“There are Many of Us present. *The little one* asks, are We going to announce Our Names. We smile at this and We say to her, ‘Not this time, maybe the next.’ She responds with, ‘All right.’ This always amuses Us.**

**This Gift of Divine Love is far greater than It is seen to be. It is a Gift of Personal Communication that results in so much being instructed regarding the Importance of human beings and what they consist of, plus the Soul they are the custodians of that will one day return to from Where It came, but their Place will be Where Souls will be accepted also.**

**Even though a human being cannot see his or her Soul, the Soul is innately felt; not always recognized, but felt. Without the Soul, human beings would not have the advantage they have, because the Soul is the Custodian, also the Keeper of what an individual practices in many ways mentally, morally, spiritually, even secretively.**

**To be created a human being is a Gift of Divine Love. Many times it is not seen in this manner, way, degree. It is only seen as a human life conceived in the human form, way, but the very fact that it is human says there is a Goal for it, because of the Soul in it that is a Portion of The Creator of All Things.**

**I would like to speak hours on this subject. It is always a delight, and brings happiness of just remembering that millions and millions and millions of human beings have been created, bearing a Soul of The Divine. Think about this. Hopefully, this Statement alone will awaken some minds into accepting with love, how The Creator of All Things shared and still shares, a Portion of Who He Is with them; granted, unseen, but It is obviously there through the senses, through the mentality, through the logic that is evident that The Creator would not put a Portion of Himself into a Gift of life, living matter, the human way.**

**I will close at this time, but as I do, never forget a prayer of thanksgiving for What The Creator of All Things endowed in you.”**

AUGUST 8, 2005 AT 12:33 P.M.

**OUR LORD  
MANY SAINTS**

**“There are Many of Us present, too numerous to mention all the Names, but I assure you, We are All happy to participate in This Gift of The Father’s Love for human lives.**

**To be a human being has many responsibilities, and there are many differences in how individuals born at the same time, think, speak, and express in so many ways, a difference in attitude and many other things.**

**Let us take now a Time in the History of human life, the Birth I chose to be created in. The date was normal to many human beings, but when I announced My Name and Who I Was, it drew much attention and many other subjects for individuals of all ages to be happy about, to be interested in, and yes, use that particular time to feel they had Someone to stand for them when they decided to make decisions, that others may not realize would be favorable in many ways on different conditions, but they would**

be practical, giving strength to what the subject matter was all about.

**I** speak so differently at this time, but there will be some who will read the Words and they will feel, in their manner of understanding, a closeness to The Divine that will give them hope, strength and a Goal to one day reach for their Soul. The list is endless.

**We** hold *the little one* tightly because of the importance of how she walks, how she must speak. The Responsibilities are boundless, because she repeats What We Will her to speak in the presence of others, thus giving to them also, how close We are every moment of every day to them, along with her at given times.

**We** will close at this time, but We will return because of the importance of what Our Presence means to those who hear What We have to say and the importance of the subject matter that gives strength in many ways.”

**AUGUST 8, 2005 AT 1:06 P.M.**

**“There are so Many of Us present.**

**Today, as you gather together in friendship and in caring, We want you to know that What you have joined others in, is a Gift far greater than It is seen to be, because It is The Holy Trinity that does so many things to encourage those who are in the human state to learn more about The Creator and All The Saints.**

**Thousands and thousands of pages could be written in detail how much a Saint cares, even sometimes when He or She does not get called upon to care, to help, or to be part of a situation or condition that an individual is praying for hope.**

**As This Gift that you hear so much from, through, develops into a degree and manner where those who hear about It, triple or quadruple in number, because to listen to The Heavenly King, The Father, and to listen to The Heavenly Mother, or to just depend upon Them for how you think or the help you might feel you**

**need, is of great importance in more ways than you realize.**

**There is no human being ever created that does not need some degree of strength to see them through, not just difficult times, but the daily manner of living, and just finding responsibilities that must be taken care of.**

**The Father, in His Creation of human life, gave to the world the privilege of making so many Souls, ‘Saints’, thus giving more strength to those in the living state, able to pray to Those Who had walked what might be called ‘the tightrope of human living’, and the assurance that these individuals accomplished the privilege of being able to be close to The Divine and able to be called upon at any time.**

**Needless to say, thousands and thousands of Words could be spoken on This Gift that is a Treasure for human life, but as I close, I say, ‘The Blessing comes from The Creator. He’s not far away.’”**

**AUGUST 8, 2005 AT 1:38 P.M.**

**“There are always Many of Us present when We are made to know that much of what will occur is based on The Heavenly Father, The Heavenly Mother, and The Saints, great in number.**

**You live in a time in which so many human beings do not always see the importance of each day they live, or the Gifts that can only reach them by, through Divine Love, because it would not be logical to receive Them in a normal human way. Many times this Statement is not understood, because the human mentality tries to ignore the innate satisfaction that leaning on The Divine creates.**

**There are so many men, women and children who try to put all their hopes, their acceptances and their motives, plus their thanksgivings on just the human state of living. I must add to this: Without the Help of Divine Love, Divine Giving, Divine Serving, Divine Hope, the human manner of living would be empty.**

**You have a Soul. It is a Portion of The Creator. The Soul pleads for help. The Soul knows Who to go to, to get you as a human being to think differently, think more prudently, more justly, more logically.**

**Words like These that I have just delivered are not often heard, but The Father accepted My speaking Them because of how much it will aid those who take the Words to be able to see the benefits in Them, for Them, by Them, to support what is logically so.**

**As I close These Words, I do it out of Love for you who take the Words, because I am fully aware of the human state of living, and how many changes can occur mentally, emotionally, psychologically, physically. The list is endless.**

**God loves you. Be aware of this. The Saints love you. Be aware of Them, and be sure that as you make changes in what you are doing, or thinking, or practicing, or accepting, never forget, you are responsible to The One Who created you, that gave you a Soul.”**

AUGUST 9, 2005 AT 8:38 A.M.

## OUR HEAVENLY FATHER

**“I have given to the world an obvious Blessing of My Divine Love. It is sad for Me to say, ‘It is not always recognized as Important as It is.’**

**So much emphasis is placed on the physical aspects in how an individual considers the in-depth value of what I left upon the earth to give hope, strength, purpose, and an obvious Goal for the Souls of human beings.**

**So many individuals who feel successful in the way of life, are in so many ways ignoring that My Presence gives them much more than they realize, and that is in My Willingness to help them.**

***The little one* finds it difficult to understand My Words, because They are different than she has heard before this.**

**There is no human being alive that does not have the privilege to recognize the Importance of human**

**life and the Goal for the Soul that was designed a long time ago.**

**I could speak hours on this subject but I will wait for another time.”**

AUGUST 9, 2005 AT 12:05 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**There is so much I Will to deliver to strengthen the Purpose, the Meaning, and yes, the Goal for human ages, of all ages, to be able to see, to practice and to be example of morality over immorality, care over a lack of caring, sincerity over doubt and/or insincerity.**

**As The Father Who created so much, I Will those who are yet in the living state to understand the importance of not just what is natural, but what is an advancement in caring because of the Importance of the Souls that are the victims of, or just the recipients of wrong wording, wrong acceptances, and wrong interpretations of the importance in how they desire to project the good in individuals they deal with, or they meet, or are example of.**

**This is not difficult. This is practical in every phase of it, because in the practicality, it advances the meaning to a higher score, a higher**

core, and a higher practice for what is reasonably correct in every way a human being is capable of using or instructing or being part of, for the benefit of the Souls they cannot see, they cannot feel, but the Soul is the custodian, but also can be 'the victim' when things are not correctly administered.

**T**oday as I speak, I speak with the desire to want all ages of human lives to be aware first, of what The Creator of All Things would appreciate: the thoughts, words, deeds or actions to not just coincide with what He is expressing, but to act indepthly on the Purpose, because the Purpose is to aid, to direct, to console, and to bind what is correct over what is incorrect.

**I** speak so differently, but as I do, it is to communicate with Words that will help you think more indepthly on the important acts, thoughts, words, deeds and impressions that only the physical mentality, understanding, can be example of, for those who have no one to look up to, look at, and be guided by.

**I** say These Words to encourage everyone who hears Them to fully

**understand that in their creation they were given the abilities, the logic, the reasoning to use human living in coinciding with what The Father Wills it to be, even though He does not appear present.**

**All human beings are Loved by Someone they cannot see or feel, but the Love is evident through so many degrees of change in what an individual uses to comply with What they have learned is important for them to one day become a Part of The Holy Trinity.”**

**AUGUST 9, 2005 AT 12:48 P.M.**

**“There are always Many of Us present where This Gift of The Father’s Love has shown how deeply He cares, and how much He loves those who serve in many ways.**

**This Statement may sound out of how you would think He would speak It, but in many ways, when He said These Words, it meant He would go the length available, the degrees available, to be able to see that the Words spoken by The Holy Trinity, or directed by The Holy Trinity, would reach the Souls that He felt should be reached because of the Importance of why they were created, and the privilege human beings were given to work with the Soul or many Souls, or to be example of What The Father Willed for others to learn about and from, and for things to be done in a manner respectful, dignified, and yes, Holy in the degree, manner and way feasible for whatever reason It was instilled or spoken about.**

**Each generation of human living has always been gifted with a certain amount and degree of what would aid them in a more in-depth understanding of the Purpose for human life, the Goal for human life, but also, the Importance of The One Who created it, instilling into the individual, the Soul.**

**The Soul is evident in how an individual responds, acts, thinks openly or quietly, thus giving to the manner of living many reasonable facts understood by those who are present, or who are given the Gifts for some purpose, some reason, helpful for the Souls.**

**Needless to say, hours could be spent on the importance of what a human being can personally be entrusted with. That, of course, is to respond in what is necessary, what needs some course, some force, some means to give hope and to give strength mentally, physically, morally, consciously.**

**Though I may speak differently, I know that the subject matter will help certain individuals to be able to think more indepthly on the facts that occur,**

**the conditions, the situations, to those in the human life, living, that are not always feasible to the natural mode of how an individual practices morality, kindness, and association with others they know.**

**Always remember, as you speak about loving someone or someone loving you, this Gift was handed down from The Creator a long time ago, and it has never not been a means that an individual can feel, sense, or want for themselves.**

**The Father loves human lives, Our Heavenly Mother loves human lives, and there is No Saint Here in the Heavens that does not want every human life to one day be Where They are, in Heaven.”**

## MANY SAINTS

**“There are Many of Us present with this *little one* and We All have Something to say to others, because it is of great importance that there is more understanding regarding how an individual lives each day, because the Soul depends on the individual’s moral activities and what he or she says, due to the conditions of how an individual accepts The Holy Trinity.**

**This Factor should be continuously a subject of great importance to those in the living state who bear a Soul that is the victim or the receiver of, or the One Part of human life that draws attention that is not always recognized as Important.**

***The little one* finds it difficult to repeat My Words today because of the tremendous amount of Responsibilities she is the custodian of, the receiver of, and sometimes the victim of.**

**If you were to openly speak to someone you barely knew, ask yourself what they would think and how they would respond to what you would**

**have to say if it was regarding your Soul and/or their Soul. Would many of them reject your company, your conversation, and how you think?**

**We All speak different on this subject, because it is not a subject most individuals want to think about.**

**You live in a time where a Great Blessing has been given through so many Words spoken regarding the importance of morality over immorality, justice over injustice, and human weaknesses should be in the decline to the point where they no longer exist.**

**Needless to say, All of Us Here in the Heavens could talk endlessly on this subject, because of the Importance of every human being's Soul.**

**Ask yourself: Did you thank your Soul today for helping you in some way, or do you ignore your Soul every day as though It is not present? This is more common to human beings than I like to say.**

**I could speak hours on the importance of the necessity to be conscious of not just what you speak, how you work, or how you think, but**

**there should be a reminder within you because of those who were gifted to you when you were conceived. A Soul is of Great Importance. Even though you cannot see It, you are instinctively conscious of Its being there, through the fact that you were instructed on what is pure morally, mentally, psychologically, physically, over what would be considered impure, unjust to The Holy Trinity.**

**I will close with a Blessing, because through What you have accepted to follow is important, because through what you speak, how you act, you can be a beautiful example of Divine Love for The Holy Trinity, thus not using anything that would demean Their Presence in any way.”**

**AUGUST 11, 2005 AT 12:21 P.M.**

**OUR HEAVENLY FATHER**

**“I smile as I enter your presence now. I am your Heavenly Father.**

**I come on this day with much happiness, because of your willingness to do so many things to please Who I Am, What I Am to you.**

**The world has been Blessed abundantly through so Many Saints Here in the Heavens Who want more Souls to come This Way, and one day aid those who are yet upon the earth in the human way.**

**Heaven is difficult perhaps to understand, but right now there are millions of Souls throughout the world Who want the ones in whom They are to remember that the Soul, as a Portion of The Creator of All Things, wants to return to The Heavenly King, The Heavenly Mother, and All that They know about because of the Importance in It, of It, for It.**

**The enemy works hard in such simple ways, but the enemy forgets that the love for The Divine is a safe**

**path, safe road, and there are many willing to stand in line to just wait for the Souls of millions of human beings.**

**God loves you. Remember this, and All The Saints Here in the Heavens want you to know this, because as you walk each day and you must associate in many facets of life, living your life is at stake, but not when you promise to follow The Heavenly Will and the Divine Love you possess on your own.”**

AUGUST 11, 2005 AT 2:03 P.M.

**OUR HEAVENLY FATHER  
SAINT ATHANASIUS**

**“I am Saint Athanasius.**

**It is with so much thanks to The Father that I speak today. There are so many times that Many of Us Saints think that This Gift of Divine Love should be seen by millions and millions and millions of human beings of all ages, because in The Father’s Love, He has opened a door instructing in a very beautiful way, important Words that give strength, hope, and an in-depth understanding of how important The Divine feels toward This Gift that reveals so much, and allows so Many of Us to partake in It.**

**The timing of course was perfect, because as the First Words entered a page, They were welcomed by those who read Them, due to the fact that the Wording gave strength, purpose, hope, and an obvious Communication with The Divine.**

**Those of Us Who speak and request the Words to be put into print, it is for a Special Reason, because**

**it will be important in a time when others will read These Words and find in Them, Faith in The Creator, Faith in Hope, Faith in Perseverance, based on love for The Divine.**

**The Father beckons to this Organization and says with Deep Love: 'It is a privilege to have so many walk a path and show openly love for The Divine. There is no Greater Communication available in any words, any script, or any thought.'**

**The last Words could be, 'I love you for how you consider My Way, My Will, My Love for you.' Remember this."**

AUGUST 12, 2005 AT 12:05 P.M.

## OUR HEAVENLY FATHER

**“I am your Heavenly Father.**

**Is it not so that you have the privilege and the ability to read Words I have spoken hundreds of years in the past of now? I dictated to others Words I felt, I knew, I hoped would instill into their mentality, the logic and the purpose and the need to be aware of My Existence, to guide and guard human beings.**

**The greatest way, the best way I could Judge it to be, was to put It into script that would be understandable for a great length of time, until others learned how to discern What I meant for them, What I Willed them to know, and many times follow for the good of their Soul.**

**I hold *the little one* tightly, for the Power I project is different and very strong. It is not the Power mankind would accept, because It has within It a Communicative Balance of being able to discern My Manner of Speaking, My Manner of Thinking, My Manner of being able to describe the**

**importance of What I mean others to learn.**

**As The Creator, My Love for human beings, human living, is Greater than It can be seen.**

**I beseech those who have the privilege to take My Words, to be able to be examples for others to imitate and to realize that the meaning of the Words I speak is to help the Souls of millions and millions and millions of people, all ages, all backgrounds. Please, remember this.”**

AUGUST 12, 2005 AT 12:24 P.M.

## OUR HEAVENLY FATHER

**“It is sad for Me to not see thousands of people where this *little instrument* of Mine is. She is My Voice, and uses My Will to follow What I Will others to understand, also learn indepthly, because What I speak with and on is My Divine Plan.**

**So many individuals like to learn what is spoken in a written form, but very few understand the importance of taking My Words so They can be remembered.**

**Formal prayers are good, because they strengthen one’s understanding in the meaning they were meant when they were put into script, because each word uses My Manner of Understanding and Means on What is the Focal Point for What I Want to be remembered.**

**When you say, ‘*Our Father Who art in Heaven,*’ that Statement alone calls upon The Creator of All Things. When you say, ‘*Hail Mary, Full of Grace,*’ you recognize the Importance of What She has given to you through being a Mother, thus showing the**

**importance of what motherhood has the privilege to do.**

**I could speak hours because of My Love, for you to be able to pursue and to address and to instruct through your actions, your beliefs, the importance of how you think, how you feel about Me and All The Others Here in the Heavens with Me.**

**I love you. Remember this, and as I use you to spread My Will and My Love to others, you are Blessed in many ways and in many degrees, sometimes abundantly.”**

AUGUST 12, 2005 AT 1:14 P.M.

**“There are Many of Us present wherever this *little one* is. It is The Father’s Will for this to be because of the importance of how We Saints might want to deliver to her important Messages because of this need that Souls have in every human being.**

**A Blessing of This Degree is not always understood, because the human mentality has a difficult time to perceive a Gift of This Measure from The Holy Trinity. Without This Gift, your Soul that you were gifted with, would have an awful great degree of responsibilities, but when you open the door of your mentality, of your acceptance to be able to receive What The Father generously gives you, you are gifted in a greater measure than you can perceive it to be; even sometimes when you feel you are not thinking on a definite subject matter, oftentimes the Soul is aiding you in being able to discern what the subject matter could be, or should be.**

**Each day a human being awakens for the time to be for many things, the reason for opening the day with a prayer or more, is to help one's intentions, one's thinking, one's habits, and one's dedication to The Holy Trinity.**

**I know I speak differently, but I assure you it is because The Father has given to a certain group of individuals, the Gift of understanding, the Gift of persevering, and the Gift to always think: 'Could it be important for me to understand What I am being told to accept, or to reveal, or to practice?'**

**The reason I speak These Words is The Saints, when They can use *a direct line* and *one* that can be entrusted with important Words, issues, subjects, it is basically a Gift of Divine Love in service to The Holy Trinity."**

AUGUST 12, 2005 AT 5:10 P.M.

**SAINT MARGARET MARY ALACOQUE**

**“I am Saint Margaret Mary Alacoque.**

**There are Many of Us present because there are so many things that We feel by stating Them through this *small voice*, They will be found important to Our thinking and to Our manner of expression in how They should be accepted.**

**For a Gift of This Divine Love to be made so possible for so many individual human beings to be able to partake in It and learn from It, is definitely a Gift Greater than It is bound to be seen in Its full consideration to aid many individuals in learning What they are expected to realize: such a close Association with The Divine.**

**This is not always a Statement that is understood, because most individuals find it difficult to visualize that they can be partaking in the sound of voice, or the print on a piece of paper that in Its being so close to them, and also being put into print**

**with What They speak openly, that no one else hears.**

**My Words may be difficult for some to comprehend, but nonetheless, It is factual when The Father Wills a voice of *one* He chooses, to be able to speak important Facts to others present, or those who will read the Words at another time.**

**A Gift of This Dimension is obviously a Gift of The Divine.”**

**AUGUST 14, 2005 AT 10:40 A.M.**

**THE HOLY TRINITY**

**“The Power you see Me use is to let you know I am truly here, because so much Divine Love is centered, helping hundreds, hopefully thousands of human beings to adjust to Who I Am, My Love for them, and My Willingness to share with them strength, hope, that otherwise they would never learn about, or be able to fathom what a Gift of Divine Love is to them. Without It, all things would be void of interior strength, and/or the knowledge that there is much more to human living than just awakening in the morning and lying to rest at night.**

**The Gift of human living has a Purpose and a Goal that nothing else created has the privilege to reach, not in the manner that this has. Divine Love designed It. The Heavenly Father caused It to be a Personal Gift of His Divine Love for every human being.**

**I close My Words, but I am always with you, because of your Faith in The Holy Trinity.”**
