PREFACE

These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.

On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.

In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.

One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.

There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.

PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.

SEPTEMBER 15, 1974 AT 1:56 P.M.

SAINT JOSEPH

“My beloved children, I bring hope through *this child* in a manner you cannot know and in a way you cannot feel, but to stand alone in the world for all things that God wants to reveal is an arduous task, a lonely road.

I am Saint Joseph, and through *this child* I must express My Love, for The Father first; for The Heavenly Queen, All The Saints, and *this child* next. I must express through her a Love for you, for it is His Will that I have come to the world to become known, for you see, when I walked the earth it was My Son Who walked with Me, Who is now My Father in the Heavens; and I want you to remember He was The Builder of the One True Church.

Men thought it wise, necessary to make Me The Protector of this Church, and now I come to the world to protect it openly, to protect it through *a child* such as the type, the way I walked with upon the earth. I come as The

Protector of Holy Mother Church. My Son desires it to be this way.

And now I will speak on another subject and I will draw *the child* deeper in ecstasy. There is not one moment of the day that ecstasy is not within her, and I, Saint Joseph, say, 'It has to be that way for *a child* to walk such an arduous, hazardous, hopeful path.'

The world must know that great armies, many men, are beginning to gather against what is good, right, fact. The world must know that to bring Faith to the world is a Special Task. So, through *this child*, a woman, I, Saint Joseph, bring to the world What My Son began, the Wisdom of the Heavens: the Facts, the Truth, the Way, the Line of Reality, the realization that logic must be used, not just knowledge; that wisdom must be taught, and through this, men will begin to grow and last. But, with the sin, corruption, the torment, turmoil, and the armies who are not God-driven, there must be men who will stand against such acts.

I will hold *the child* deeper and I say to you now, 'The Church My Son created is full of men who

walk communistic in every way,' so you must be aware that to stand as a Christian today means you must stand in strength and act. Bear the Sword of Michael; it is love for God. Walk in the sandals I walked in and protect what has gone before. Walk in the garments I did for they were a shield against the elements. Walk in the hope I clung to, for you see, in this hope Sainthood comes; in this trust, Sainthood is; and in this love, Sainthood is a reality, not a dream.

The Castles of Heaven, many; the paths to Heaven, many; Direction from Heaven, much. Bear in mind, My children, that you stand on the threshold of accepting Christianity, or walking away, feeling only the human touch. So through *a child* such as you, All Heaven comes forward. The first time was to build that beautiful Church; created, expounded upon, and the Rules given for. And now I, Saint Joseph, come to protect it so that children will begin to better understand the magnitude of it, the logic it is, and the need to protect it.

I bless you from the Heavens and I say, 'I will hold *this child* in ecstasy deep, for to remove her from it quickly

would be difficult on her physical in every way.' There are so many Lessons to be taught, so much Direction to be given, so much Faith to be shown, and yes, so much Hope that Heaven is ready to give on this Holy Place that bears My Name.

I bless you from the Heavens with The Father's Love. I bless you with The Heart of My Son; do not forget, He gave The Heart for everyone, and I bless you with the Wisdom of This Great Miracle that bears My Name; and do not forget, men say, 'Like Father, like Son.' So be it."

SEPTEMBER 29, 1974 AT 1:51 P.M.

SAINT MARTIN DE PORRES

“My beloved children, many of you do not know Who I am. Many of you have heard My Name, and now I will speak in the manner in which I did when I was upon the earth one day.

I am Saint Martin de Porres, and as I speak through *this child*, I say, ‘Be aware of the scandal that you could be causing in your way each day.’ Are you committing sins against The Heavenly One? Are you deliberately taking the love of another one and misusing it? Are you looking for purity in every way? Are you looking for self-discipline? Are you reacting or acting? Are you serving The Father in your little way? Are you offering to Him every moment of every day? Are you giving respect to others so they, in turn, will see the example you are, and then, they will act this way?

I lived in a time when many men sinned. I lived in a time when men were weak. It is this way today, but you must remember, you must act, not only react, for sometimes reaction

takes much time. Action toward The Divine is easier than you think.

I speak through *this child* in a distinct way for I want you to remember: Respect, self-discipline; action, not only reaction; and yes, serve with Faith, for as you do, when you do, others will follow you.

You are Loved much. You are recognized individually Here, so do not think you are one of many. You are separate, you are individual. Do not forget this. Your prayers are not enmassed with all. They are individually received and The Father says, and He smiles when He does this, 'That particular child needs Me.' So, do not forget, bear this Love and bear It well. Respect It and you will not go to Hell. So be it."

SEPTEMBER 29, 1974 AT 1:56 P.M.

VISION OF OUR HEAVENLY MOTHER

There is a, I would call it the horizon, because I see blue this side of it, and I see blue that side of it, but I see that distinct line which we know as the horizon.

Our Lady is in pure white, and the Rays from Her are shining on the water, and as they do, it's almost like a reflection of Her in the water. But the Rays that come up this way are different. They seem transparent and it is as though I see them glow. And they are Rays like — I can't explain it — they are bursts from Her, and then they diminish off into great heights off from Her; and She's smiling as I describe this.

Her Hair is a golden, golden brown, and it's about down to here and, if I'm seeing correctly, I see it longer in the back, even though She's covered. The mantle is not hanging straight down now. She moved it over and put part of it this way, and it hangs very gracefully this way, to the left of Her. Excuse me, it's to Her right and

it's to my left because She's facing me; so it's Her right. She's smiling. In the folds of it, there, it appears to me like it's a shimmering dust. She says it is occurring this way because of the fold, and the Glorification of Herself, and She's smiling.

Oh, She is Beautiful, and Her Hands are just magnificent. Her Gentleness, Calmness, Sweetness, Beauty, is one to behold. The reflection in the water is also showing the Rays, the burst, and then the diminishing of, and it's moving out. It's covering the whole sea, and the only place that I cannot see the horizon is where She is, and the Rays are continuing out this way. Oh, She's Beautiful.

OUR HEAVENLY MOTHER

“My beloved children, I want all men to hear These Words that I will speak through *this child* now. The Words will be distinct and give All Love, for you see, you are My children, you are His, and sometimes you forget your responsibility. You forget the beauty of being man, and you forget Where you must come to when the physical does end. My little ones, My little gems, All Heaven waits for you

to ascend, for you to stand before The Father in Purity and love, and look for the Judgment that will be Just, from Above.

My children, cling to My garment, cling to My Hand, cling to the Rays, cling to the Reflection, for as you do, you will find Grace in whatever you do. Cling to the knowledge, cling to the Faith, cling to the hope. Cling to The Commandments that He gave. Cling to the prayer I love, the Rosary. Cling to the Beads for there is great strength in Them, and cling to The Holy Eucharist for It is Part of Him. Cling to what you know is right; let no man disturb you, destroy you, and cling to the Purity of His Light, for through It you will be guided to Sainthood.

I bless the whole world on this day, through *this child*. I bless you individually and I say, 'Moments are worthwhile.' I bless you, not just with a mother's love, but with a Heavenly Mother's Love for each of you. I bless you in the Name of The Father Who created you, and I bless you in the Name of His Heart that He gave for you, and I bless you in the Ray of Light, and the Reflection I leave for you. So be it."

OCTOBER 13, 1974 AT 9:50 A.M.

GOD THE FATHER

“I speak to the whole world through *this child* who, in many ways, is dependent upon man to serve in particular ways. This *little one* whom I created, in which I instilled the Power of My Grace, through whom I speak openly, hopefully, lovingly, to every child standing upon the earth in your day, I transmit through her My Desires; I give Directions so children will not go astray.

I am coming to the world openly, for the first time this way. Through My Son I gave Wisdom, Teaching. Through Him I gave the Way to Here. Through others who walked the human path, I revealed what I desired to be, what had to be for the good of man; but This Time, It is direct, instantaneously direct, and *the child* stands, constantly listening, never anticipating, only waiting to serve at her best. The world will never know what Each Revealing takes from *this child*, for Each One is a test for her in obedience, trust. Do not forget this.

I say to the world today that the whole of mankind must listen to the Revelations, to the Teachings that have come through thus far, for in Each One there is a path, a means and a manner to Me. Each time that I speak or One of Mine speak, *this child* must listen attentively, and must express not her will but Mine.

The men who stand in high positions do not comprehend such a Miracle from The Divine, and do not truly have the Faith to believe that I would be this generous. I say to all mankind: 'Has not My Generosity in the past shown? Has not My Love been given? Then why would men decline to believe in This Great Phenomenon that only I could give, could Decree to be, for the good of mankind?'

This child through whom I speak is delicate in manner and yet carries a burden no man could. The weight of One Revealing alone should startle the whole world. The Power that is used, the Force of energy is One Alone, and yet I go through *this child* in a Power, with a Power that no man knows, and men take It for granted.

Oh, My children in the world, take nothing for granted, for when you do you become complacent, and the evil one, the enemy of Mine, can seep through, flow in. Use the energies you have to combat him. Stop sitting and doing nothing. Stop desiring total rest. Stop looking for only physical, human enjoyment. The time in which you live is not for that. The time in which you live is to truly stimulate life.

I send My Rays from the Heavens every day through *this child*, and as the Words flow through the world, men say, ‘Could It be true?’ It is up to you, individually, to say It is true. Believe It, It is for the good of you.

Men shout, ‘There are Commandments,’ and I say to men of all races, all colors, all creeds, ‘I gave Those Commandments to a man, through a man, to give to thee.’ These Commandments I gave were for the whole world of mankind, not just a few, not just him, but for the whole world to be able to understand how to reach for purity, how to acquire it, how to be sustained by it, and to sustain in it what you are, what you are directed to.

This *little one* whom I use is far more than *an instrument* of My Power, My Direction. She is a *victim* for mankind. I must always send a victim to balance things out, but sometimes when her tears fall, the Angels pick them up, take them to Me and say: ‘Father, *the little one* is crying again. The body is spent.’ And I smile at Them, for no one on earth knows the Love that is Here for *this child* who stands so alone in the world.

The Angels sometimes gather around her to spur her on, not to give in: ‘Don’t forget, it’s The Father’s Will, The Father’s Wish.’ And she quietly says to Them: ‘I know, do not fear, I do not want to forsake Him, but I am so tired, I am so weary, and I do love men. I understand the problems they are faced with, the hurts they know, the fears they have, and the abuses they accept. Ask God to help them have the strength to go on when all things are dim and black.’

The Angels carry the message and they say, ‘She is once again, Heavenly One, trying to intercede for men.’ I smile and say, ‘Go back and comfort her, for the Plan I have designed has only begun and she will need the

energy to carry on.' So the Little Ones go back, walk around her chair, stay over her head, and when the tiredness comes, They say, 'Wake up now, it is not yet time to go to bed.'

Oh, My world of children, oh, children in the world, know that suffering has to be for children to better understand, but bear in mind, that as I have given to the world a Great Miracle straight from Here, Direct, I have given mankind a Project so that others who come of a later date, in a later time, will be helped by This Great Miracle from The Divine. It is a Miracle of Now, but a Miracle of Tomorrow. It is a Miracle to give Strength for the coming years ahead.

Always, when I come with a Great Miracle for man, it is always for the present and the future of My Plans; remember this. Go back into History, look at every Great Miracle I sent to the world. It was for the present, but also for the years to come, many in number. This Time, the parallel is to those who have gone in the past, but the Direction is to the Heart of Heaven, Where I am.

I want children to hear this Great Revealing. I want children to know about This Great Miracle. I want children, not to understand It but to accept It in Faith, and see the Hope in It, see the Beauty of It, see the Peace and Magnitude that I bring with My Revealing of Facts.

Through *this child* I have Blessed many men. Through *this child* I bless the whole world on this day and every day she speaks to them. I bless with My Love, I bless with My Heart and I bless with My Light. So be it.”

OCTOBER 23, 1974 AT 11:09 A.M.

SAINT PETER AND OUR LORD

“My beloved children, there are many, many children in the world who are looking for distinct marks, remarks, signs, to tell them of The Greatest Miracle that God could give from The Divine, but I, Saint Peter, say today, ‘Be aware of those who look so hard they forget to see what God gives each day.’ Men go in corners, they find nothing but dirt. Men stand out in the open and they are so busy looking at the sky and the earth, they oftentimes do not see the beauty right in front of them, a Miracle from The Holy Trinity.

But I, Peter, come on this day and I say, ‘Men are diminishing the beautiful Holy Rosary.’ Many things come from these Great Beads, these Holy Beads that constantly say, ‘Our Father’, ‘Hail Mary’, ‘I believe’, ‘Glory be’. Each Mystery of these Beads is important for mankind, for the Mysteries on these Beads say, ‘He was born, He died, and He arose back into The Divine.’

Now I take you to other Important Mysteries of these Great Beads. Some are called 'Joyful' because there is always joy in the beginning of great things. So, do not forget this little Lesson for It will be bigger as I go on.

There is joy in the beginning. He first gave a Child, and then He gave another child in the beginning, the one who would be the — not the creator but the controller, in certain ways, of Baptism. He announced through these Beads that Mary met Elizabeth; the Child was within, in Both of These. So there you have it, the Great Announcements for the Great Sacrament to be. First, the Announcement was, 'You are with Child,' and this was truly the beginning of The Holy Eucharist. Do not forget this.

So many children do not realize what great things the Joyful Mysteries bring back to mankind, the beginning of many things: the beginning of the Teaching as He taught in the Temple, the beginning of His Expression of Love for the whole world. Does this not make sense to each of you?

Always the beginning; and then, that great interlude of suffering, hardship, hurt, heartache, abuse. He went through it for each of you. Do not forget the way it has been laid out: the Joy in the beginning, the interlude of Suffering, and then the Glorious end.

This is Example for all men. You began; the interlude is now, the time of striving to one day be Here with Him; and then, one day, you will personally enjoy the Glorious Way, for then you will say:

‘Thank You, God, for giving me the Way, teaching me so simply, first through The Commandments, then through the Great Mysteries of the Holy Rosary, for through the Mysteries of the Holy Rosary I learned to follow a definite path, and I learned and I saw that You had laid down each Fact.’”

OUR LORD

“The Announcement of My Birth; do not forget this. And then, My communication with men. And then, when I reached an age where I had to stand out in the midst of man, I worked and I prayed, but I did not always enjoy what men did say, for they abused Me many times, just as you. So, do not forget, My children, that these things are oftentimes a parallel to you. And then, the Glorious Ones, the Ones that come at the end of the physical path, the glorious way to say, ‘God, I’m Here at last.’ So be it.”

OCTOBER 23, 1974 AT 11:16 A.M.

SAINT MARGARET MARY ALACOQUE

“My beloved children, I am Saint Margaret Mary Alacoque. I speak through *this child* and I smile at each of you and I say, ‘A Heart has been given today, but not the heart as you know a heart to be, but the Heart of Direction for each of thee, for through the beat of the heart God gave you, the Love He extended through Great Mysteries, for you.’

Men say, ‘Mysteries, there is no mystery to a birth.’ There is no joy unless you see the Magnitude in it. Oh, My children, be aware of the Mystery of Heaven, The Holy Trinity, and when you do, know that there is a Heart Here that beats loud and each day for you.

Do not allow yourself to be distracted from This Heart, but know, that as The Commandments are for you the Guidelines to the Glorious Way, bear in mind, that the Mysteries of the Holy Rosary keep you in tune with the Beat of His Heart, the Way of

His Love, and the Beauty that only He can give to you.

So, do not dismiss the Mysteries of Love, the Mysteries of Hope, and bear in mind, the Joyful have a special meaning, because through your birth, you walked a parallel of Him; and through the Sorrowful ones, that interlude, that beautiful time when you can gain Grace abundantly; and then, one day, that Glorious time that you will face Him in The Divine.

So bear in mind, My little ones, the Ten Commandments are His Gift to you; the Mysteries of the Holy Rosary, His reminder to you that you are walking a human path. They did, too. So be it.”

NOVEMBER 10, 1974 AT 6:20 P.M.

SAINT LAWRENCE

“My beloved children, I am a Saint you have rarely heard from through *this child*. I am Saint Lawrence. I come through *this child* to give to the world a perfect way to The Divine. First, children must become pure. Next, children must better understand the beauty of the human way, and third, children must work in the world in which they stand to make it a better place for other men.

To be example is the greatest Gift in the world as you walk as men, for to be example, it gives you the strength to stand in the manner of teaching, the manner of giving, the manner of loving, and yes, the manner of moving things according to God’s Plan.

Children who selfishly live cannot enjoy the beauty that God can give. Children who love without self-discipline cannot feel the Power of The Divine, for they are too busy wondering about what is occurring around them, and yes, from them, and they do not understand that the beauty

of self-discipline is sometimes a great beginning for man.

There are so many children in the world who wonder and say: 'What is self-discipline, God? I feel it every day.' And those who do not walk a chosen way will never understand the magnitude of self-discipline, for when a child is chosen, the child understands that self-discipline is not to act in the form of man, but to act on Divine Guidance constantly; but, to use discipline where one's own self is inclined to move.

So, through *a chosen child* such as *this one* I use, I, Saint Lawrence say, 'Self-discipline is an example set forth each day, and through *this child* many Acts are shown, many Truths are given, and yes, much Example is the criteria for every day.' So, as I bless the world through *this child*, I say, 'Be aware of the truth of self-discipline, the actuality of it and the profoundness in it, and the truth that it is for all men in your day.'

I love you and I say, 'I stand Here in the Heavens and I try, in every way, to instill in others love for God, in a protective way.' For the beautiful

manner in which He displays to others His Perfect Love, I say, 'He is the Perfect Example of self-discipline in your day, for do not forget, The Son Who walked the earth, not only conquered and was conquered, but gave in every degree the beauty that self-discipline is, for when He was told to speak, He spoke; when He was told silence was the way, silence it was.'

And when He was torn to shreds, He looked at the men and He said: 'You know not what you do. Have you listened yet to another rule?' But the men were so obnoxious in their way, barbaric in their manner, sadistic in their role, that they could not understand that what He was telling them was that He was not only man, and they had better look beyond their acts and see the truth of all things.

I, Saint Lawrence, say to you, 'You are living in a time in the world special to The Father and yet special to men.' So, My children, know that self-discipline is far more than men suspect it to be. It is an act of love, a motion of action, and yes, a means to great progress. Self-discipline is: Do not act with what you feel; act on the Love of Him Who is Real. So be it."

NOVEMBER 10, 1974 AT 8:13 P.M.

SAINT ROBERT

“My beloved children, I am Saint Robert. Many children do not know My way. Many children say: ‘Who is He? I know His Name is of great worth in the world.’ But I come on this evening to say, ‘Men become great only for the efforts, and yes, the accomplishments that they are involved in, partake in, and the accomplishments that culminate in the life of their way, in the time in which they live.’

Children say, ‘God, help me today.’ He smiles and says: ‘With what? There are so many areas for you to walk and to stray.’ The child unknowingly says, ‘I want this, God, I want that,’ and He laughingly says, ‘What good will it do you today, child, to have what you desire?’ And of course, the child does not hear Him and the child goes on and says, ‘I will do great things with what You give me to work with.’ And The Father smiles and says: ‘I have given you a will. That is all you need, for you can do great things with that will. You can conquer many areas of life and you can project to other men,

great example. Oh, My little one, what more do you expect?’

And I, Saint Robert say: ‘You, too, have been given a will. You, too, have been given a desire, a task and a Goal.’ The Father will help you if you uphold His Will, His Rules, His Way, His Love, and yes, do not forget, each life can bear much fruit. It is according to the will of the child, the individual will.

Also, what would a child do if he had the whole world? He would reach for the stars, and do not forget, if he traveled and reached for the star, he would soon disintegrate. Do not forget, stay within your realm, participate, cooperate, and be motivated by love for Him.

I, Saint Robert, smile and say, ‘There is so much to be done in the way for each man, for the good of each man, for the sake of each man, and for the Soul of each man.’ Be happy in your work, be joyful in your participation in it, and as you partake, offer it to Him, for then you will know that He will put His Hand upon you and He will say, ‘This way, child; this way, child;

this way, child,' and you will not even feel the Power in it.

I bless you and I say, 'God loves you and I do, for I am a Saint and I come to the earth through *a child* who is but *an instrument* of His Way.' So be it."

NOVEMBER 24, 1974 AT 1:50 P.M.

SAINT ALPHONSUS LIGUORI

“My beloved children, I am Saint Alphonsus Liguori. I spoke through *this child* from the moment of her existence to you, and through her I gave to the whole world, The Father’s Love. *This child* is but *an instrument* of His Power, His Way, His Means and His Manner, and what He Wills all men to see, and what He wants all men to be: total, yes, in service to The Holy Trinity.

Men say, ‘I believe in The Holy Trinity.’ But do they truly believe that there are Three? Do they truly know What The Holy Ghost, The Holy Spirit Is? He is The Deliverer of Wisdom. Men feel that they are part of Him. God says: ‘You are the recipient of His Love, of His Way, of His Wisdom. Remember this. And the Part of Me that you are, is My Creation in the way of man.’

Oh, My children, there is much to The Father’s Plan, there is much Love given to every man. Men are deceitful in many ways, and in deceit, they

oftentimes try to gain acclaim. Men feel it is important to walk important to other men, and I, Saint Alphonsus Liguori say, 'It is better to be a servant of The Holy Trinity.' Let no man love you, walk a lonely path, but walk in Grace, not disgrace; walk, not only desiring human love, but giving love to Him Who has given you the privilege to walk the human role to one day be a Saint.

Men put value on wrong things. Men should put the value on What The Father gave through others just as you. Bear in mind, My children, that it is through Revelation, according to God's Will, that you, today, are able to know the Beauty and the Wisdom of Pure Truth, for it is through Revelation you learned the Beauty of The Holy Eucharist, the Beauty of a Man giving Himself to the whole world so that all men to come would be able to be a Part of This Holy Place. Through Revelation that was strong, firm, and founded totally on Truth, you learned the Wisdom of the Heavens. Bear in mind, My children, you are Blessed in special ways by a Great Worth.

I leave for just a moment, for *the child* is never without All of Us. The

Beloved One, Saint Joseph, has come to the world to give to the world Divine Touch, Divine Love, Divine Hope, and the Perfection that is His to give for all the good that is worth. Bear in mind, that no place in the world are Words driven through *a child* so instantaneously, to teach mankind the Beauty that God Is in The Divine. Instantaneously, you receive Our Words. You are Blessed, My children. It is now as it was then, a long time ago; as The Son taught, it was The Father's Will, Way, Love, Direction, that was given to the world, given to each man who would listen.

I, Saint Alphonsus Liguori say: 'As The Son walked, He gathered men and said, "Come." He would hold them by the hand or the arm or around the waist, and He would stroll and teach the Beauty of the Wisdom of The Father's Way. They would listen, they would learn. Some stayed and some walked away. Some felt to stay and linger on would take them from the physical role. What they did not truly understand was that it would have given them a special role.'

So today, *this child* who stands before you knows that oftentimes her

arm went out, put it on yours, touched you in a special way, and she would say: 'God, let them know it is You, not I. It is Your Love, not mine.' And He would say to her, 'Let the time reveal it so.' So through *this child* who acts in every way, to you, a natural means, manner, know that as she strolls by you, touches you, it is The Father's Will she do so. A slight remark, a quick retort, a smile, a quip, and yes, even a jovial touch of laughter, know that it is The Father Who has her do so, for in this He knows your attention will grow.

There is sadness when a child leaves this Touch, but *the child* has been prepared to let go, never to strain to draw you back, for there is always another child waiting for that Touch, that Word, and yes, the Retort, to hold them to what is real.

There are many areas The Father uses *this child* in: some, much in the world; some, truly not of the world, but bear in mind, she is in the world but not of it. So be it."

NOVEMBER 27, 1974 AT 11:12 A.M.

SAINT JOAN OF ARC

“I, Joan of Arc, walked a physical role, and there were some men who walked with me, who fought alongside of me, who you do not know, for you see, their name was not prominent; it was only I who was prominent at that time.

There are many children in the world now who are seeking acclaim and they do not care how they gather it, only that other people get to know their name. And I, Joan of Arc, come through *this child* today and say, ‘Best you not be known in the world and you walk totally God’s Way, for the time in the world now is worse than Sodom and Gomorrah, and The Father will have to stop what is occurring for it is drawing Souls down to the pits of Hell.’ There is a Hell, My children, there is a Purgatory, and there definitely is a Heavenly Place.

***This child* stands in a Grace, the Grace of receiving Who We are. We, when we walked the earth, fought, not for acclaim, but for a Personal One that**

we could not see, we could not feel, nor did He pay any special attention to us. It was not that way. When you walk for God, men sometimes hate you. When you walk for God, men disagree with you. When you walk for God, men try to dismiss you. When you walk for God, few men want to walk with you. Bear that in mind.

But We, Here in the Heavens, say that those who truly walk for The Divine are not lonely because He will be close to them, within them, and always hold their hand, for this is what the child depends upon when he walks in the human role for Him.

And so, through *this child*, This Great Miracle has come to the world, not for acclaim, but to give to the world the Truth that The Divine Is, and to give to the world the Direction to The Divine, for you see, the Power that is around *this child* is of The Holy Trinity; not of her making, but to give to the world the Strength that the world needs.

Oh, My children, you stand in the way of man now, but you must learn to be warriors for Him, for the greatest battle in the world has begun and you

will have to take sides soon, for satan is pushing and pushing and pushing to draw men down to him, and The Father has always allowed your will to make the decision. So, through This Great Miracle, you have been taught that you have the will to decide to walk with Him or to walk away from Him, to follow the Truth or to dismiss the Truth, to see the Beauty in The Commandments, or act as though you cannot see Them.

And do not forget, All of Heaven writes down in a book, not visual to you but visible to Him, your acts of purity, your acts of love, your acts of charity and your desire in hope, and do not forget, the book will remain Here waiting for you, for it will be the book by which you will be Judged for All Eternity.

I truly am Joan, and I say to those who are lazy, I say to those who are weak, and I say to those who feel time is precious, 'Do not forget, the time you have was given to you by Him.' So be it."

NOVEMBER 27, 1974 AT 11:25 A.M.

SAINT ANTHONY MARY CLARET

“When you receive The Holy Eucharist, and I, Saint Anthony Mary Claret say, ‘To receive This is Special in every way, for as It enters your physical, the strength you gain, the strength you hold, is truly God-given in every way, for It is Part of Him that enters you, in a different way.’ The Particle of this Great Gift, this Great Sacrament, is Special, and men must know this.

Children must begin to see, children must begin to understand that this Sacrament was given to the whole world and It is being misused by man, abused by man, and yes, diminished. It must be raised to where It is, to the Highest Place in the world, for men must begin to honor It, revere It, and yes, adore It, for It is truly He Who stands in this small Particle for each of thee. Hold It in your breast and as you have Him there, say:

***‘God, help me to walk in
purity each day. God, help
me to know what I must do,***

what I must say to help others walk Your Way. Dear God, help me to become so pure that my time of reparation is short before I enter the Kingdom with You.'

For you see, My children, All Things that enter the Kingdom of Heaven must be purified before they see the Face of Him.

Children must be taught the Sacraments are important. Penance is important, for through penance there is reparation and reparation is a cleansing factor to Him. And do not forget, the Water also cleanses.

Oh, My children, do not ignore the Sacraments and do not ignore the Sacramentals, for through Them you grow in strength. Through the Sacramentals you become stronger in His Way, for it is as this: talking to a Saint to intercede to gain strength, so the Saint will go to Him.

Oh, My beloved children, never be ashamed of loving Him and never be ashamed of being humble before Him, for do not forget, The Son walked in great humility and it was in the form of man. So, men who feel they should

not be seen praying, they should not be seen loving, they should not be seen accepting Truth, bear in mind, the Greatest Truth in the world was shown by The Son of God through the walking to Calvary, the beatings He took, and the Crucifixion in where, wherein, yes, and without the love of human touch.

Oh, My children, when The Beloved Heavenly Mother stood at the foot of that Cross, She shouted to The Higher One and said, ‘Can You not help?’ And He said: ‘All reparation must be made. Children must see it firsthand and it must be passed down through men, that reparation is necessary for My Plan. I have sent Part of Me to the world, and through Your Tears, My Heavenly One, they will see it is not shame when You shed tears, but humility.’ So be it.”

**NOVEMBER 28, 1974 AT 3:45 P.M.
(THANKSGIVING DAY)**

SAINT BERNADETTE

“My beloved children throughout the world, I am Saint Bernadette. I speak today because some men attach a way and manner of celebration to this day. Men have appointed one day in thanksgiving for the past gifts, for the past accomplishments, men’s way. In reality, men should look to the Personal Manifestation each day that is Thanksgiving in a Divine Way.

Children of all races, all colors, all creeds, acknowledge openly the manner of being a human being. I come through This Great Miracle that gives to the world more than men can see. First, it is Direction from The Holy Trinity, Teaching by The Holy Trinity, and acknowledgment from The Holy Trinity, to all human beings. I, Saint Bernadette say, ‘Men should bow their heads, fold their hands and openly acknowledge, in a loving, humble way, thanksgiving to The Creator for allowing each of them the privilege of being human for Divine Way.’

Men argue over the validity of God's Actions, over the directness of His Love, over the Beauty that only He can transmit to men of all kinds: the perfect, pure, natural means. Men are becoming lost because they are complicating, through human error, human indignities, the Profoundness of the Heavens, the Wisdom of The Father, which is more in line with men's being than men want to understand. The colors, the lights, the goal, should give men strength, stability, hope.

This Great Miracle that bears the Name of a Saint Here in the Heavens is to permeate the world with All that The Father Is, and wants men to have, to reach Him. The Teachings, in some ways, have been gentle; some ways, abrupt, forceful; sometimes even, almost in a staccato manner. *The child* through whom I speak is in a more natural speech when All of Heaven speaks than men will ever be able to accept.

I, when I was in the world, would plead, not for understanding, but to be left alone by man, because I knew man did not truly comprehend my way, my love and my Goal. In interrogation, discrepancies were not of my way but

of men's doing: misinterpretation; foul, deceitful mannerisms, corrupt imitation of truths they tried to implant within my being, hoping to dissolve, dissipate, manipulate, what truly was there from The Divine.

I reach out to the world today and beseech men of all kinds to not make the same errors they did in My time, but to seek only the Truth, desire only the Will of The Father, and follow what they know is all good.

The child through whom I speak must carry on without men's acceptance. *The child* carries a burden which is a repeat of the time in which The Son of God walked the earth. No man must complicate nor stand in the way of the Project *this child* has been sent forth to the earth to accomplish.

It is the Will of The Divine that has asked Me to send forth to the earth This Message. I present It in God's Way, with God's Love, and through the Will intended. So be it."

DECEMBER 1, 1974 AT 1:41 P.M.

SAINT JOAN OF ARC

“You are not fools to believe in This Miracle. Only those who do not believe are the fools, for the Miracle is of such Greatness, such Profoundness, and such Charity, Hope, and Obedience to Divine Will, that a man who would not believe is the fool.

And I, Saint Joan of Arc say: ‘In My day, there were men who were fools. They did not truly believe the Voices that I heard, but Mine were different than *this child’s*, for Mine were out loud, hers are not, not until she speaks the Words to you.’ *The child* through whom I speak listens all the hours of your day and night, and when she is told to speak out, she does, for it has to be this way, according to His Light.

I am truly Joan of Arc and you are aware of how I walked, but none of you were there to truly hear me talk. The Odor of Sanctity would permeate the place, and those who were close to me would say, ‘Ah, Joan, I feel the Grace.’ And those men who stood right next to me, when I was in that

horrible place, were men of sin, men of hate, and only showed me disgrace. And the men with whom I walked were on the outside looking in, saying, 'Joan, ask the Voices to help you.' And I would say to them: 'Best you pray for deliverance for me. I fear what will happen to me,' but the men did not do as I decreed, for they were concerned about their own physical way.

And now today, I come and say: 'The war is being fought. Are you a warrior in His Name? How strong are you? How weak are you? And would you fight for the Christian Name?' Ask yourselves, My children, on this day, 'Could you walk listening to the Voices, handing What They say to the whole world, in dignity and trust, in hope and in love; or, would you say to The Father, "Take me away"?' It takes courage, My children, to walk in this way, for men are afraid to believe in Truth. Men are afraid to accept Truth, for Truth means that men must obey The Rules and The Regulations, The Commandments, and yes, the beauty of the given way.

I am speaking slowly through *this child* on this day so each of you will understand Each Word in the

simple form It is, but you are also to understand it takes strength to stand for God in your day. As there are many enemies of Him upon the earth, *the child* must fight all these enemies, because you see, heresy is developed untruth, and you walk in a time in the number of seven of them, seven heresies to draw you to Hell; Ten Commandments to draw you to Heaven. The Father's Number always is higher than the enemy's, for The Father is The Creator, and the enemy, the imitator. Remember this.

I could shout through the hills. I could shout, and It would remain in your minds and in your hearts. Have Faith, My children, have hope, and don't stand still, for if you stand still, you must remember this: the target you make of yourselves could be the one he wants to be his. Be active for The Father. Be a Christian, not in flight, but in word, deed, action. Give other men hope and do not ask to hear The Voices, for there is a responsibility to These Voices you cannot know.

Each of you here can become a Great Saint by doing His Will accordingly: according to His Commandments, according to the

Lessons that He gave through the Wisdom of the Teaching, not the knowledge that men have put in books. This can draw you down to the pits of Hell. Knowledge is good when it is according to His Will, and I, Joan of Arc, say to you, ‘Be alert to what you do, what you say, how you say it; and oh, My children, be alert to the friends you have, for some could be foes.’

I bless you from the Heavens and I say: ‘You are Blessed by the Truth. Be aware of It. And the voice that you hear is truly Mine from the Heavens.’ So be it.”

DECEMBER 1, 1974 AT 1:56 P.M.

SAINT ALPHONSUS LIGUORI

“I, Saint Alphonsus Liguori, say to each of you on this day, that the Teachings through *this child* are many, and They are for individual problems, individual children, in every way. Do not feel that God has forgotten you, but know that a simple prayer, a simple act of love is what He wants of you. Do not allow the past to interfere with now, for do not forget that God is Just. You are His child. Go to Him. Tell Him you love Him, tell Him you want to serve Him, and have hope in what He does.

Do not expect all things to be your way, for I, Saint Alphonsus Liguori, walked a very lonely way. Those whom I loved in the physical way disowned me; those who I wanted to love me always seemed to walk away. But as I stand Here in the Heavens now, I come through *a child* such as you and I say, ‘It is not necessary to be loved in the human way; it is necessary for you to love, in your human way, Divine Way.’

There are many Lessons I have taught, many things I have told, and much Love I have given through *this child*, and many times I have Blessed men of all races, all colors, all creeds, through her. And at one time, when I made her raise her hand in the action of the Blessing, she shouted to God, 'I am not a man,' and The Father said softly to her, 'But it is My Way and you must obey.' And the torture that *this child* went through, raising her hand to the top of you, and then to your breast, and then to your shoulders, was reparation, My children, far more than you know, for you see, reparation is made in many ways, and sometimes The Father makes it an open way through *a child* such as you.

I bless you from the Heavens with a Love you cannot know, and I bless you with a Light, with the warmth of Hope, for through this warmth you will grow more in love with Him and less in love with yourself. It is His Will you do so. So be it."

DECEMBER 1, 1974 AT 2:01 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi, and I speak through *this child* openly and I say, ‘Be aware that today you have received much Love, much Hope.’ And do not feel that this Great Place will be built by one man, two men or three. Know that men are being drawn from all over the earth to come here and to see: to see the Beauty that is here, the Love that is here, the Direction that is here; and *the child* will explain it when I am through.

You say, ‘Give me peace, God.’ He does, but you do not recognize it as peace because you want peace in your way. You say, ‘God, make me well.’ He does, but oftentimes it is a healing of the Spiritual. You say, ‘God, help me to have the acclaim other men have.’ He does, for do not forget, to be loved by one, two, three close to you, sometimes is more than you deserve to have.

So, as I bless you through *this child*, I say, ‘When I walked the earth men said I was small of stature, deep

of love, humble.’ And I say, ‘Humility is loving Divine Will first, and truly being small in man’s way is sometimes better, for you can perform many acts, gain much Grace, and no one sees you on your way.’ So be it.”

DECEMBER 1, 1974 AT 2:09 P.M.

VISION OF OUR BLESSED MOTHER

There is a waterfall, a small body of water beneath it, and there is a Woman. It's Our Lady and She's glowing, and She's standing at the foot of the waterfall. The water is splashing up around Her Feet as it drops, but it does not touch Her. Nothing can touch Her. She's in a glowing white. The mantle is glowing and She's All Perfection, All Purity. I hear the sound of the water, I feel the wind of the water, but I do not feel the water.

Our Lady is smiling. I would say She is about five-two — She's smiling — three. Her Hands, She has three roses in this one and She holds them up like this, and She extends it out; it's Her left Hand, and then, in this Hand She has the world, and She holds it out. Now the roses are turning color, and the roses are turning from red to pink, to white, to gold.

OUR HEAVENLY MOTHER

“My beloved children, as the colors changed in the roses I carry, so can the world change from the horrible state it is in, to a pure state I desire it to be in. I use *a child* such as you, *a child* whose heart, will and physical is more of Here than of your place. I use *one* through whom only love for Grace is taught.

Oh, My children, I love you so. The tears I shed are as the waterfall. They fall upon the earth to help purify it. My Tears are in *the child's* eyes and as they are, I say to you, ‘There are so many children in the world who do not understand His Love, His Hope for every man.’

I stand in this child to give to you what The Father Wills of each of you; *a Victim Soul, an instrument* of Him, *a puppet* that walks to the pull of the strings. The Light that shines on This Place is silver in tone, but in reality, it is Grace. *The child* always stands in a Light of Love, but the Light that surrounds her is Heaven's Above. The world is lighted by This Great Miracle, the Light of Hope. *This child* stands in a Light given by Heaven.

Remember the waterfall, remember the roses, remember the Message, and remember the Beads that I love so much, for through Them the Light will change the way of your life from a deep color to the golden touch. Do not forget that to love Him with all of your being is what you were created for; to serve Him with all you are is what He Wills.

I bless you from Heaven Where I am, and I say, 'Never be afraid to walk totally for Him, even if men call you a fool.' I love you and I want you to stand in such purity that nothing of His enemy can touch you. The Light is of a different way, the Light is the Light of Hope. So be it."

DECEMBER 8, 1974 AT 1:50 P.M.

SAINT MARY MAGDALENE

“I am Saint Mary Magdalene. Oh, My children, if you but knew the Beauty Here in the Heavens, you would say each day, ‘God, I love You.’ And, I come today and I say, ‘How many hours during the day do you express your love for God in your little way?’ You are little, you know; you are sinful, you know. None of you are pure. You may want to be, but remember this: You must strive for this Great Grace, and unless you gain this you will not enter Heaven, for only Purity is Here.

So, you must make reparation. Make it now. Earn the Grace, for as you serve, with time, for The Father, What He gives you, you earn. It is Grace. But do not forget, when you cater to the evil one, there is a price to pay and you will pay it much. I say to you in Love and I say to you with Grace, ‘Remember to earn the Grace so you do not have to pay the price one day.’ So be it.”

DECEMBER 8, 1974 AT 1:56 P.M.

SAINT MICHAEL

“My beloved children, We Here in the Heavens smile through *this child*, for you see, it is truly a time of great agony Here in the Heavens because upon the earth she fights so alone; and We smile and say, ‘Go ahead, *child*, fight strong.’ You, My sons, must understand that to walk upon the earth and fight in the way that *this child* does, as man, takes a greater strength than you know. Carry a Sword, use it well, and know that the Sword is your love for The Father, above all.

You have been Blessed many times on this Great Hill, through This Great Miracle. I am Saint Michael. One day My Chapel will be above you, and as I stand there I will look to the other hill, for I will guard it on this side and guide you there for the sake of your Soul.

I speak through *this child* and I say to all men throughout the world, ‘Be aware of how you pray, how much you pray, and how you feel each day.’ If you become ill, you immediately

become frightened. What if I were to say to you now, 'I am holding a mirror and I am showing you your Soul'? How many of you would turn your head, want to run away or die from the sight of It? Because, you see, It is shaded according to your will: your will to love, your will to give, your will to serve, and yes, your will to do His Will as long as you live.

It is I, Saint Michael, Who speaks through *this child*, and I say, 'There is more Power surging through her body than any electric current in any day.' So, as I bless you with God's Love, I bless you with the Sword of Truth and I say, 'As My Sword touches your head, I want you to think of the privilege of the human way.' And as I touch your breast, I touch your heart with His and I say, 'Let the warmth of His Heart beat with yours each day.' And as I cross your shoulders with the tip of the Sword, I say, 'Let the Light of the Wisdom and the Hope of the Heavens be your way every day.' So be it."

DECEMBER 8, 1974 AT 2:02 P.M.

SAINT JOSEPH

“My beloved children, it is truly I, Saint Joseph, speaking through *this child* in such a natural manner, but All Things coming through are Worthwhile. Do not be afraid of what is Good, what is Truth, what is Right, what is God’s, for you see, it is through Him you will come Here for All Eternity.

I was a Man, put in charge of a Woman and a Son. Both were Divine. I knew They were different from the very beginning, and I would oftentimes say to The Father, ‘Oh, Holy One, it is such a great order You have given Me,’ and I would hear the Angels say, ‘That’s all right, Son.’ So, today I come through *a child* and I say to you, ‘Be aware of This Great Miracle, as I was in My day, and listen to The Angels speak; listen to The Saints, for They are giving you the Direction to Here.’

You have been Blessed in many ways. You truly live in a time worse than Sodom and Gomorrah. So God, your Father, has given to the world This Great Miracle so He would not have

to destroy all mankind, for He says, ‘I do not want to destroy My children to purify the world, so I am sending You, My Beloved Joseph, to teach them, to give them My Words; and, as I do this, I will send All The Saints in Heaven to give the children what I want for them, Direction to Heaven.’

So bear in mind, My children, as you listen to These Words, It is not just a Sermon, but It is Divine Will, Divine Love and Hope for the whole world. Do not fear believing in Truth, for as you do, it is a strength for you; but, be aware of all the false things around, for they will distract you.

I stand upon this Hill. I stand every place *this child* is, for this Great Hill must be built for all men to come one day to see and to feel The Holy Eucharist, to see and to begin to know the Beauty of the Holy Rosary, and to learn to love the idea, the privilege to be a Saint in Heaven. I also want you all to feel the Blessings you’ve been given, for through This Great Miracle of Light and of Hope, the world is beginning to know Heaven a little better. So be it.”

DECEMBER 8, 1974 AT 6:00 P.M.

SAINT JOHN VIANNEY

“My beloved children, I am Saint John Vianney. Sometimes *this child* says to Me, ‘Saint John Vianney, don’t speak now, I am tired,’ and I go away, for you see, I know how it is to be tired in man’s way, but this time I did not let her get away with it. I forced My way into My talk with you. She tried desperately to shove Me away, but I will not allow it anymore, for *this child* is willful in many ways and has oftentimes shed The Saints, saying, ‘Come back another day, I am very tired today’; and so, the Saint went on speaking in a natural tone, and *the child* would say, ‘I know It’s You for I would not have known What to say.’ The Saint will smile, has in the past, and says, ‘That’s right, it is God’s Way.’

So today, I come through her with many things and I want the world to know the following Message, for It brings much Light to the world.

First, children must be taught the Ten Commandments in the manner they are used to Them.

- a) They must be taught thoroughly the meaning of each one.
- b) They must be shown the sins against each one and how to not commit them.
- c) They must learn the Commandment fully so they will not have to look back upon the Commandment to remember it, but they will know it automatically.

And now I speak on the beloved Holy Rosary, a repetitive prayer, but a prayer that says more to the world than men see firsthand.

- a) The Holy Rosary gives to men Important Times, for they are in categories: Joyful, Sorrowful, Glorious. Children of all ages must learn how things were introduced to the world in order.

Next, children must learn the reason for prayer, the beauty of prayer,

the purpose behind prayer. Many prayers have been sent to the world, many prayers have been given so that children of all kinds could walk into a Holy Place, or even stand in their home or outer place, and feel the need for prayer, the words of prayer; but, prayer must be told to men that it is a way of communication to Here. Men feel prayer in a flip manner. It is not to be treated thusly. Prayer is a special means and way to speak to The Divine.

Next, children must become aware of the Sacraments, for through the Sacraments they are given responsibility and stability, they are given the Reason for their whole life. These things are important for children to know, children to memorize and children to understand.

And now, children must be taught of the History of the human life: the physical birth of man, the beauty of it, how it began. It must be done in a dignified plan. Men of honor must be the ones who explain this to other men. Children must be taught that the creation of life is important and must never be treated lightly, for there is more to a body than just the physical;

there is a Soul, there is a Guardian Angel, and yes, there is a Goal.

Children must be taught about their will. The will is what makes children do what is good, weaken where things are evil. The will must be shown to children as their means to Heaven. Also, children must be told of the need of purity, what purity is; not that it robs them of the beauty of the physical way, but that purity is a way to fulfillment in the physical way, fulfillment in God's Direction.

Children must be taught slowly, assuredly, positively, and yes, in order that things are, in every man's day. Children of all ages must be given the highlights of the physical way. They must be shown many things, always with God's Will in mind.

I walked the earth a long time and the burden was very heavy, for I had the responsibility to teach, to instruct, to guide. My children, this is a task upon earth with a great responsibility in God's Eyes. First, children are taught to feed themselves, to stand, to walk, yes; and in the interim, how to talk, how to be good, and yes, how to take care of themselves, for

instinctively men know there is a great responsibility to these things.

Where does that important issue lie: teaching children about The Commandments, about prayer, about the privilege of being physically alive? What must a child be taught about The Father, The Son, The Holy Ghost; and The Mother, Who is Heavenly, Divine? A child must be taught right down the line, combined with the physical at all times.

Keep in mind, My children, there is so much not being taught to men of all races, all colors, all creeds. Men want to start out at the top and understand what life is all about, but I, Saint John Vianney, say, 'Children must learn right from the beginning; children must learn the beginning so they will better understand later on.'

Children of all ages do not know The Commandments. Children do not know the fulfillment prayer can be, the dependence upon The Holy Trinity. Children do not truly know about Christianity; they are complacent about it, they are lethargic about it and in it. They accept it as what they feel is the normal way of life.

I, Saint John Vianney, say, ‘Men use words to make things right.’ Men sometimes are instinctively lazy. Men are sometimes prone to accepting what other men say rather than looking into the truth of the matter, the means and the way. Men accept, too readily, what other men deliver. They do not balance it out; they do not say, ‘Is this against a Commandment?’ No. But I say to you from the Heavens Where I am, ‘Men must learn to listen and then relate to The Commandments what they have heard, what they feel, what they intend to do, and in this way they will be better able to make a decision as to the ability, stability, and yes, vulnerability that they could be standing in.’

Oh, My children, I know what it is to live in the physical role, but I say Here from the Heavens, ‘Purity is God’s Will for your Soul.’ Your Soul was brought forth into the world. It is a Part of the physical, and yet is in a distinct way all Its Own. You must know that as you have parts of you: fingers, toes, legs, torso, head, brain, eyes, nose, mouth, ears; also, there are Parts of you, you cannot see. They are

These Parts: the Soul, the Guardian Angel, the will. Do not forget These.

I bless you with a Priestly Blessing and I say, ‘You must know, you must connect and you must observe, that as you walk in the physical and as you do all things with your physical way, all these things are connected with the Invisible Parts of you that you walk with each day.’ I bless you and I say: ‘God is good to you. He created you. He loves you. He gave His Heart for you, and through His Deep Love, He has given you, through This Great Miracle, the Wisdom, the Light that will direct you to Him.’ So be it.”

DECEMBER 15, 1974 AT 1:54 P.M.

SAINT AUGUSTINE

“Remember this day, for one day you will look back upon it and you will say, ‘I heard it said, on a special spot, that God chose This Place.’ Do not forget, My children, you must remember Grace, you must be aware of the Power of It, in It, and that It is Reward for things you do in the Name of The Father, The Son and The Holy Ghost.

Children are forgetting the magnitude of prayer. They are saying, ‘I pray a lot.’ Are they doing it for self-satisfaction, or for a greater reason: to give to God what He wants? Oh, My children, you have heard little from Me in This Great Miracle, but I have spoken a lot. I am Saint Augustine.

You must remember that there have to be, has to be, must be, Rules for all men to live by, but men oftentimes omit The Rules and lean on a weak way. They say, ‘Obedience.’ What is obedience, if it is not to God first? Remember, obedience to God, then to The Heavenly Mother, and

then you will be keeping that Fourth Commandment, '*Honor Thy Father And Thy Mother*', for many men are anxious to break The Rules for they are using the weak excuse, 'obedience to man'. Do not forget this.

As a rose is given to the world, as a tree is given to the world, ask yourself, 'Where did it begin?' You enjoy them, is this not so? But how many times have you destroyed a tree? How many times have you thrown a rose away when it lost its beauty?

I say to you now: 'There is a Part of you, you cannot throw away, for It will be the Part that will stand in Judgment for all the things that you did, one day. That, My children, is the Soul, the Part you cannot see, but It is as real as your physical; even more so, for It will remain for All Eternity.'

I bless you with God's Love and I say, 'Through a weak *child* I hand to the world, not only a Lesson, but a Direction for all men to follow to Here, one day.' Do not feel you are a fool if you believe in What We say, for All the things you have learned have come down to man this way. So be it."

JANUARY 5, 1975 AT 1:52 P.M.

SAINT ALPHONSUS LIGUORI

“I am Saint Alphonsus Liguori. I have spoken many times through *this child*, and sometimes I speak rapidly, sometimes I speak slowly, sometimes I speak almost beyond what men can hear, for there is so much and so many Lessons to be taught to children throughout the world from Here.

I am truly in the Heavens. I am truly with The Father, and it is He Who has designed This Great Miracle for men to come and hear, firsthand, the Love of Him, the Direction from Him, and yes, how to earn Heaven through the acts of the physical man.

So many times you are Blessed when you enter This Land. So many times you are given Great Grace for your desire to love God, not only in a Special Place, but in a way ordinary to man.

But, as I say to you now, from the Heavens Where I am, *The child* stands totally for The Divine, in His Plan, and this Great Hill of Hope named after a Beloved Saint, The Beloved

Saint Joseph,' I say: 'This Place will be built. It will be a City one day, and as it becomes a City, will you be part of it, or will you walk away?'

Through *this child*, many Lessons have been given, but it is truly from Heaven that Love is shown; for, dedication, obedience and trust are the requisites to stand so alone. So be it."

JANUARY 5, 1975 AT 2:05 P.M.

SAINT MARY MAGDALENE

“My children, I am Saint Mary Magdalene. I speak many times through *this child*. I do not come to condone sin. I come to tell you that it is against Him. I come through *a child* such as you, to give to the world Love and Truth, and to tell you that each sin you commit against the Great Commandments and Rules He gave, darkens the Light of your Soul in His Way, and it is the Soul He wants to return to Him.

Bear in mind, there are three of you as you stand upon the earth: your Soul, your physical, and yes, your will. You have a Guardian Angel, but He will return to the Heavens Wherefrom He came; but your will, will decide the Light of your Soul and the feeling you will have inside.

I am truly Saint Mary Magdalene. I do not say, ‘Because I sinned, you can sin also.’ I, at one time in my life, when I looked into His Eyes, I found love for Him, I found reality, I found hope, and I found the beauty of serving Him. I

followed Him around because I knew there was no other way for me, and you, too, must feel this Love that He gives; for, through This Great Miracle, He extends to the world His Hand, His Heart, His Way, His Love, His Hope, His Direction, His Teaching.

I bless you with His Love, for in doing this, I can hand to you firsthand, His Hope for you, and as I do, I say, ‘Do not pretend to look into His Eyes, for He knows what you are about every day,’ but truly look and say: *‘I love You, God, in every way. Do not omit me from Your Love.’* And cling to His garment as a child does, and as you cling, say to Him, *‘I am here, God, I’m hanging on,’* for do not forget, He never lets go of you; it is you who lets go of Him. So be it.”

JANUARY 5, 1975 AT 2:10 P.M.

SAINT BERNADETTE

“My beloved children, I am Saint Bernadette. I come, not only to the small, but to the weak. I come to the short, I come to the tall. I come to the girls, I come to the boys, and I say this openly: ‘It is not easy to walk a chosen path. It is not easy to say what Heaven says to be said, but bear in mind, that as the Words pour forth through *a child*, such as you, the Words are given firsthand.’ The Words are to teach, to enlighten you, to brighten you, and to show you the Light God Wills for each man.

Let shadows fall, let despair go, and be aware that The Father created the sun, The Father created the moon, The Father created time, The Father created everything, and many things He created Divine. So do not fear and do not be so concerned, but have self-discipline, and yes, be prepared at all times to, not understand, but to walk in Faith, trust and hope.

You are truly Blessed through This Great Miracle. You are truly

given Love from The Divine. You are truly given the Sword of Love, Hope, Direction, Truth. Do not be afraid, for if you are afraid, you will not totally grasp All the things God extends through This Great Miracle for all men.

Do not be afraid to have a Soul, do not be afraid to have a Guardian Angel, and do not be afraid to extend your will to hand back to God the Soul. Use your will every moment of your life to give to God what is right. Use your will to love others in a true light. And, use your will to obey The Commandments every day, for through The Commandments, you will better understand why you were made.

You are Blessed so many times and in so many ways. And I, Saint Bernadette, come and say, ‘There is a personal prayer, for do not forget, She, too, is Divine. And when you say these prayers to Her, the Holy Rosary, They were God-given and directed for attention from Her.’

So as you say, first of all, ‘*I believe in God,*’ She smiles and She says, ‘I do, too.’ And then when you say, ‘*Our Father, Who art in Heaven,*’

She smiles at this, for She said, 'Yes, He is truly Here.' And then you say, '*Hail Mary, full of Grace*'; She says: 'I hear you, child, I know. I listen and I will give you Grace.' And then, when you say, '*Glory be to The Father,*' and so on, She says, 'That is good, My child, you are showing Reverence to the right place.' And then, when you end the prayer and you ask Her Love and you say the '*Memorare*', do not forget, She remembers you in every way. So be it."

JANUARY 5, 1975 AT 2:15 P.M.

VISION OF OUR BLESSED MOTHER

I see a mass of grass and it seems to be blowing, first one way and then the next, and it seems to be fields and fields of the same grass. It is green but it seems to be slowly turning, and now it is gold.

Our Lady seems to be coming down to just above the grass. She's radiant and a Vision to behold. She stands just above the weaving grass and the grass is about two feet high.

Her dress is a little deeper than a powder blue and She wears a Crown, and the Crown is all mother-of-pearl. The Crown is highlighted by the rainbow of mother-of-pearl. And the blue, in back of Her, is deeper than Her gown. The gold is deepening and the Crown is becoming brighter, glistening. And Her gown seems to glow, and Her Hands are just beautiful. The Vision is so bright it hurts my eyes.

OUR HEAVENLY MOTHER

“My beloved children, it is truly I, your Heavenly Mother, Who speaks. *This child* has endured many, many Visions of Me and of The Beloved Saints Who stand Here in the Heavens. *The child* has endured many ecstasies of different degrees. I come to the earth in a manner different than you know Visions to be, but I come as evident through *this child* as any Vision has ever been of Me.

As I look around and I see the weaving, back and forth, of the blades of grass, I picture them as the Souls upon earth, going back and forth, not knowing which decision to make: to follow the right, the good, the truth, or the evil, the bad and the untruth. I have come to the earth through *this child*, to steady the weaving of the grass, and to give each child Hope, Light, Love, Direction, Truth, that will last.

You live in a time worse than Sodom and Gomorrah, and the Strength that is shown through This Great Miracle is truly of The Divine. Men must listen. Men must work. Men must pray. Men must serve for

this Great City of The Beloved Father in the world. Men who stand in doubt must try to see. Men who stand in fear must turn to The Holy Trinity, and men who stand in weakness must ask for Faith.

Men who listen to the screaming sounds of the world must learn that only satan screams, only the demons have to talk so loudly. The Father is of such a Magnitude that He gives simply, quietly, His Will. He is firm, He is direct, but He does not scream. Only the evil one does this.

And I, your Heavenly Mother, come to the earth to say, 'One of the greatest hardships for the evil one to bear is that he is no longer an Angel Here, nor is he man with any hope or plan to return Here.' One of the things The Father gave him was a partial body. It was part of his punishment. And that is why he is shown in such an ugly manner, and that is one of the reasons he hates man so much. Man can go to The Father with the body.

I am your Heavenly Mother. I am The Queen of Heaven, and I am Divine. I was sent to the earth, to bear The Son to open the Gates. I stand, oftentimes,

waiting for children to come. I have come to the earth once again, to announce to all mankind, 'The Father is doing everything to draw man to The Divine.' And through This Great Miracle, Heaven-sent, men will have to learn to earn that one step, from a wandering way, to the peace inside the Gate.

I bless you with a Mother's Love and I bless you with Hope, and I bless you with the Light, through a Miracle, God-given, God designed, God created, from The Divine. So be it."

JANUARY 5, 1975 AT 6:42 P.M.

SAINT MARTIN DE PORRES

“I am Saint Martin de Porres. Children do not understand when The Father speaks firsthand. They better understand when they read What He has said in a book, in a letter, in a form. But I come through This Miracle to give, not an evaluation, but a Valuable Point of Information.

The Father has given to the world a Miracle. Reasons for This Miracle are many: first, to teach children who now live, the Purpose of life, and The Rules, ones already given through another child, Moses by Name. There are many Biblical Stories men get excited over, for they feel the Divine Touch, the Divine Love and the Divine Truth that stabilizes these Stories.

This Miracle is to teach men how others lived and to give men the beauty of vocation of life; to teach men of all races, all colors, all creeds, that it is not the heritage as much as the will to give, to serve, and to stand in obedience to Divine Rule, that makes man a Saint.

All children love to hear beautiful words, love to read beautiful descriptions of how Those Who went before lived. Sometimes the stories are exciting; sometimes the stories just too beautiful. But now, We Saints come to the world to show that the natural was not as men depict it to be. We had the hardships to endure, We had the burdens to conquer and We had the obstacles to cross.

Men do not realize, when they write about Us, how these things were difficult in the time in which We lived. It is easy to read or to hear about sacrifice. It is different when you walk the path. It is easy to read about suffering, to hear another's suffering given in the Name of The Father, but it is difficult to be the one who stands in that position of doing.

So many children throughout the world have imaginations untold. They like to imagine themselves as great people, High Saints; they love to imagine themselves as having world acclaim. I smile from the Heavens when I say this: There is nothing wrong with this attitude, desire; it is how you intend to gain it, how you intend to hold it, and for what purpose

you desire it, or you have drive to have it.

There are so many things here on The Beloved Saint Joseph's Hill Of Hope. First, you have The Beloved Father, and then you have that ever Beautiful Christ The King. Of course, The Heavenly Mother goes with These Two automatically, for She is truly Divine in every way.

You have a place where children will come and say, 'It looks like there is a chance for me to become a Saint.' We Here in the Heavens smile, for children do not realize that to become a Saint is far easier than they realize: first, obey The Rules; secondly, pray for purity, desire it, and then acquire it.

Oh yes, there is one other place on this Great Hill of Hope. Men will walk by it. They will not want to enter it, and We Here in the Heavens will say, 'Go in, He is strong, He will capture your heart, and He will hand you the Sword of Love that you are trying to not see, not have, for once you are given it, it is difficult to not use it.'

The beloved Saint Michael's Chapel will be a place for all mankind

to see the Heavenly Delights: the Angels, the Beauty They are, the Magnitude They stand in, and the Joy They are to All of Us Here; the pleasure They give The Father, when, in an impish manner, They say things about children upon the earth, and He says, 'What did You say?' And then, They immediately change it from an impish way to a very straightforward look, and then tell Him, without a smile, what He is to know.

Of course, He knows it already, but They are the Little Deliverers, They are the Little Messengers and They are the Joy, for as They surround Him, They latch on to His Beauty and walk around in many ways. They are able to transport back and forth to the earth, to Him, every day, every moment, and this is His Gift to Them. Sometimes, One will run to Him and say: 'Oh Father, oh King, the child down there is doing wrong. I tried to push it aside, but the child would not listen.' And He says to Them, 'Did the Guardian of that one remove the wall?' And of course, They report accordingly.

So I, Saint Martin de Porres, have handed you a Touch of Heaven on

this night, and also, I say: ‘Take care of This Great Miracle and do it with delight. Be an angel upon the earth. Be, not the impish one but the one who serves constantly, steadfastly, and don’t forget, be aware that whatever you do, whatever you say, there’s an Angel by your side, guarding you, guiding you, loving you, God’s Way.’ So be it.”

JANUARY 5, 1975 AT 7:43 P.M.

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I come through *this child*. I have not been through This Great Miracle for some time now, but I come through to deliver a Great Message on this night in your time. There are so many Messages to be given to the world through This Great Miracle of Love from The Divine.

First, children must first begin to better understand that This is a Teaching Miracle for man. This Miracle is to give to the world, as The Son did one time, the Basic Truths for The Divine, the Basic Love of The Divine, and The Rules to live by, one at a time. There are so many children in the world who must come to This Great Miracle to see this Hill of Hope, as you call it, as The Father has named It to be, and The Beloved Saint Joseph stands Here, High in the Heavens, and smiles when children say, ‘Don’t forget, say “Saint Joseph’s Hill Of Hope.””

So Heaven does have a sense of humor, My little ones, and remember,

that as you walk in This Great Miracle of Light, children must better understand that Light is the Wisdom from The Divine, and Light is the thing that makes you pay attention to certain things; for, what if you were sitting in the dark now? You would want to leave this place, but the light that God allowed to be man's way is lighting the room in a special way; but, there is a Far Greater Light coming to you every day, and it is the Light in the Wisdom, of the Wisdom of The Divine through This Miracle, guided, governed, controlled by The Father Himself, for all men to better understand the privilege of the human role.

And now, I, Saint Teresa of Avila say, 'The world must see This Miracle for a lively, happy, loving, giving, serving One in the world.' This Hill must be given to the world firsthand. It will teach Bible History, it will teach Church History, and it will give men Direction according to God's Plan.

Also, children must see this Hill in picture form so they will better understand with their eyes, what This Place is all about, and children must be taught through this

Hill that there are Sacraments to be followed, to be honored, and yes, to be shared with other men according to the Commandment controlling It, according to the Sacrament and Its way.

Children will come to This Place. They will sit and ponder over what It is all about, and when they go away they will remember the time they spent here was very special that day. Children, little, larger, taller, older, will begin to better understand what a privilege it is to have This Place in the midst of man.

Also, remember that all the happy events you have connected with This Project for God, is also in His Plan, for when you dance, when you sing and when you adorn yourself with happy things, Heaven smiles, for if you did not get accustomed to beauty upon the earth, how would you truly accept it when you got Here?

We smile when We say, ‘Happiness should reign upon the earth and you must enjoy all things in your day, for truth, love and beautiful things are not against God’s Will, for He says, “Enjoy them and love them, for you

will be better used to them and want to have more of them, so you will desire to come This Way.””

I, Saint Teresa of Avila, loved The Beloved Saint Joseph when I was upon the earth, but I love Him more Here, for you see, He stands High in the Heavens, He stands close with The Divine, and in many ways, He radiates What Divine Light Is. Remember What I have just said. So be it.”

JANUARY 5, 1975 AT 8:32 P.M.

JUNIPERO SERRA

“My beloved children, I am Junipero Serra. I have come oftentimes through *this child*. I come tonight in a very definite role.

Children accept the missions wholeheartedly and with all the love that any man could have for The Divine. Many of the missions in the world are being taken over by men who do not remember the challenges of My time. They are now so wrapped up in the times in which they call ‘modern thinking, modern way’, but I say Here from The Divine, that men better understand that God has not changed, only man; and so many things must be returned to; and that is, to honor The Father Who is Divine, to revere all things that He sent to the earth for men to better understand the Way He had planned for them to walk, in the way of man, to one day come Here to The Divine.

The sadnesses I saw in My time were different than the ones you have, but in reality, there were many

similarities. And now I say: ‘When men are poor, it is best that they learn to love and to serve. When men are wealthy, in many ways it is best that they, too, learn to conserve and yet serve.’ So many children do not understand the beauty of challenge, the beauty of obstacle, and the beauty of time.

I say to you now, ‘Men should be taught, men should learn, men should begin to understand that time is a Gift from The Divine.’ Every moment of the day should be a happy time, for you must remember, it gives you time to serve The Divine.

Bear in mind, when you awaken on the morrow, keep this one Line in mind: ‘Time will give you the way, the means and the manner to serve The Divine.’ If you do not feel well, offer it, but serve with it, in it, through it, and yes, use it to the best advantage you can. If, mentally, you are low, say, ‘*God, help me grow in Your Way alone.*’

I, Junipero Serra say, ‘To have the Title “Saint” is not important when you stand in the Light of God’s Way, but to children upon the earth,

they say “Saint”, and then they feel the direct connection with God in every way.’

So, I leave This Message with you today: Would it not be wise for you to strive, through time, and become a Saint for All Time? So be it.”

JANUARY 5, 1975 AT 9:31 P.M.

SAINT AUGUSTINE

“I am not the last to speak through *this child* on this day, but you will not be present during the other times; but Heaven will deliver through her, God’s Love, for her to act upon and extend to all mankind.

Sometimes it is difficult for men to understand what Heaven wants of them. And now I come to say in a very deliberate way that, first, men must desire to give to God their love firsthand. They must desire to give time, service, and not say to Him: ‘When I have the time I will give it to You. When I find the time I will see that You get some of it.’ No, My children, this is not the manner in which you should treat your God.

I am Saint Augustine. Many times children walk a very long path, and when they do, they decide to suddenly turn His Way. I was one of the fortunate ones. It was not too late. But, there were many times in my life that I wondered what I was missing. I knew that there was emptiness all

around me, and yet I could not decide what was best, but through the Grace of God and through the finding of Hope in a definite way, I suddenly realized that there must be more to this life than I found in my way.

I, in sorrow, and yes, hopefully at that time, in strict obedience to Divine, I wanted to walk solely for the good of God's Love and for Grace that I felt. I did not know what It was, but I knew there had to be Reward, for at a special time in my life a mistake I made, made me stop and think, 'Is this all there is?' and I felt inside there had to be more. So I reached out with a reverence and a hope, a desire and a will to find what truly made life not stand still.

So I come on this night to deliver to you that you must take things in an orderly view. First, look to what you want out of life. Do you want Sainthood? That is a good question.

Next, do you want to have your time all for yourself, or do you want to share it and extend it to God for how He Wills it to be?

Another thing: What vocation have you chosen? Is it a purely selfish way?

Another thing: Do you enjoy working for total acclaim for yourself, or do you feel it is not worthwhile upon the earth, and you would rather just stand in the background and serve an Ultimate Goal?

There are so many things men should be told. This Great Miracle upon the earth has been given to give men Direction, Solid Foundation, Basic Truths, for men to live by, to reach for, and extend in, for you see, men are walking a tightrope, but men are deliberately swaying the tightrope to see if they can stay on it, or if someone will help them reach the other side.

My children, The Father gave each of you a will, and in the will He wants you to decide, not to depend upon other men, but to stand for yourself, for the Soul He gave you, and listen to Him.

I bless you from the Heavens and I say, 'Do not sway that tightrope you stand upon, for if you do, you could fall into a depth that you would not, in which you would not, want to stay.'

As you are Blessed, know, you are given the strength to make good decisions, sound decisions, right decisions, for through This Great Miracle you have been given the strength to stand for What God Wills. So be it.”

JANUARY 19, 1975 AT 1:58 P.M.

“My beloved children, I will describe to you what *the child* sees. *The child* sees many men. Some of Them walked a long time ago. Some of Them were in a time, what you would call ‘The Old Testament’. There are other men in *the child’s* vision. *The child* sees with the Eyes of her Soul. The men and women coming into the Vision are of ‘The New Testament’ and many of Them will speak to you.

It is not a fantasy nor is it mythical, but it is truly Mystical how We come to you, for through this Great Power, this Funnel of Wind, this Line of Hope, you are being taught, firsthand; The Greatest Miracle in the world, bearing the Name of the Highest Saint, for He, too, was Divine. Do not forget that.

Men have tried to diminish His State. It would have been impractical for God to give to just an ordinary man, such a responsibility. You can go forth throughout the world and tell What I have said: The Beloved Joseph

was of The Divine Way, and that is how He could understand the Magnitude of The Father's Will, the Magnitude of The Mother's Place, and the responsibility that was all His. Do not forget, man would never have been able to bear the challenges of that day.

And at the moment that The Son was being torn to shreds by the soldiers, you have been told many times, that as Joseph was a Place with The Father, it was only The Father's Words that stopped Joseph from returning to the world, for He would have. And The Father's Words were these: 'Remember, He was My Son first.'

Oh, My children, you have been given a great piece of History today, Bible History. Men never quite knew where The Beloved Joseph really came from. He was associated with a family. That is good, but then, do not forget, so was The Son of God.

I bless you from the Heavens, for More want to speak to you, and that is why This Great Miracle has come to the world. Too many children are feeling they have the power of great things within them. I say to you from

the Heavens, ‘Such a Power has to be designed by The Divine King.’

So remember, Great Grace, such as The Beloved Joseph had, had to be given in a Special Form, a Special Way, and delivered to the earth in a manner that appeared natural, just as The Son of God was given to the world, one day. So be it.”

JANUARY 19, 1975 AT 2:01 P.M.

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I have come oftentimes through *this child* to speak openly to the whole world, and I want to say on this day that so many of you could be working for Divine Will, in a human way, and you are standing by, letting others do all the work. You are standing by, letting others do all the sacrifice.

And I come through *this child* on this day and I say to you: ‘Pitch in, get your work done, and participate in serving The Father in your little way. Your way is very small. Your talents could be used.’ And yes, one day, when I was upon the earth, I prayed to The Beloved Saint Joseph and I said, ‘*Help me,*’ and He said, ‘Yes, Teresa, you’ve got to work.’ So be it.”

JANUARY 24, 1975 AT 5:15 P.M.

GOD THE FATHER

“My beloved children, I am God The Father. I am The Creator. I am The Mystery of Life, I am The Mystery of Hope, I am The Mystery of Light. I come through *this child* in an open way. I come to deliver to the world what I know I want the world to have, and what I see the world needs. It is not the earth, at this time, that I am concerned about, but the children who stand upon the earth, through which I send to the world Love, My Way, and for which I send to the world a Great Miracle in your day.

I have been known to come in time of need. I have been known to strike out The Commandments, The Rules I expect children to heed. I have been known to hand children tests of love, firsthand. I have been known to give to the world Love, through My Hands. I have been known to extend to all men, My Way, My Means and My Manner.

Through *this child*, I give to the world firsthand, My Love, My Charity,

My Mercy, My Hope, My Light, My Truths, My Wisdom, My Direction, and yes, I tell the world they must understand, they must know that I am The Father, I am The Mystery, I am The Creator, I am The Blest, I am The Holy, I am The Beginning and I am The End. I Am All Things, and All Things I Am could be compared to the facets of a gem: one facet, a brighter light, a higher glory; another facet, a little dimmer, but still important to the whole of the gem.

Oh, My children, I come through *a child* who has given her physical life, her mental being, her mental way, her Spiritual, to Whom I Am, to What I Am, and yes, to All Things I stand for. I want the world to see This Message, and many in the world to hear This Message, for in It, I am giving firsthand, What I Will for man.

First, I want men to see the Value of The Rules I have given. I want men to see the beauty and the necessity of prayer. I want men to hold close to them, the necessity and the privilege of human life. I want men to understand, in a logical manner, what it is to be man; where men must search, reach, follow, and cling to.

I want men to beseech Me, to pray to Me, to beckon Me. I want men to implore Me to answer their prayers. I want men throughout the world to know that it is I, The Father; I, The Creator; I, The King. I Am All Things, and yet, I am a Mystery to all mankind.

I want men to feel My Charity. I want men to know My Judgment. I want men to seek out the Love I have for them. I want men to feel My Power, to know My Strength and to desire My Love.

I want men, not to be critical, but to bend to Whom I Am. I want men, not to constantly use physical knowledge, but seek the Wisdom in What I have said, What I have done, What I have promoted in the world, and What I have given them in truth. I want men, not to rationalize, not to justify their way, but to seek out the Values of the Truths I have given.

I want mankind to seek a beauty for their Souls, to understand that the will that they have is to make them stronger in My Way, to give them hope, and to one day sanctify their Souls.

I am truly The Father. I use *an instrument* of the smallest means, *a child* who has said to Me, ‘*Thy Will, my God, not mine*’; *the child* whom I send to retreat, not for self, but so that the scope is broadened, the discernment deepened, the love brightened, by the Wisdom of My Way. I am The Father of All Things. I am The Creator of All Things, and All Things are of Me.

Through My Desire, My Will, I created a Church, a place, a means and a manner, and I took the Grace of My Way, the Beauty, the Purity, to make It the Vessel to begin what I knew men would need. I sent forth upon the earth through This Vessel, oh, My children, The Child, Who men took for granted, was The One Who instituted the Church. I gave to the world Another Son of Me, and This Son was The Protector of The Vessel and The One Who instituted the means and the manner through which men could come to Me.

Men say, ‘Is It a symbol?’ And I say to mankind, ‘A symbol has its place, but anything that would come from Me with such a Magnitude of Degree, would have to be consummated in a manner and a way to make it Formal, Official,

for all men to see the Strength of It, the Magnitude of It, the Perfection of It, the Glory of It, the Beauty of It and the Love in It.' The Vessel came to the earth, and The One Who instituted My beloved Church came from The Vessel, and I sent forth, before this occurred, The One Who would protect all things.

I come to the world again, and it is The Protector, This Time, that I put firsthand and I send forth in an open way to the world; for, now again, once again, this beloved Church named after The Heavenly Queen, begun by Her, instituted by The Son, protected by The One I am sending (Saint Joseph)¹ is now, once again, protecting what once occurred. Oh, My children in the world, can you not see the Magnitude of This Great Miracle? It takes courage to stand for Me.

I want all men to know that the beloved Holy Mother Church is My Will, My Design, and men are destroying what It stood for, what It stands for, what It is, and men must stop and look at what they are doing. Is it selfishness? Is it self-acclaim? Men must look into their own hearts,

¹ (Saint Joseph) added to clarify.

their own wills, and men must see the magnitude of this place, this structure, the permanency. Men must feel My Hand. Men must feel the Beat of My Heart, and men must know that It is not a symbol, the Sacrifice. It was formalized by The Son of Me. It was consummated in the Formal Way.

I beseech mankind to see the Magnitude of The Divine and stop trying to relate all things of ugliness and sinful manner to Whom I Am, What I Am. You say, 'But You are All Things.' And I say to you, 'I am All Good.' It is the evil one who makes you feel that you are doing the right thing, and I say to you: 'He is jealous of man. He is jealous of this beloved Church.'

I gave to the world a place, I gave to the world the unity, and I gave to the world what men would say is 'universal'. I used men with words they could understand, not with words they could not understand. How else would they have understood Me? I have given men translation. I have given men the perfect form. Then why do men ignore Whom I Am?

I say to you now from the Heavens Where I am: 'Men must know

that This Great Miracle that bears the Name of The Protector of the Church, before the Church had been sent to the world, is now once again coming to the Church, to the world, to protect what was begun a long time ago. And, I want the world to know His Name. I want the world to know that they must show Him Acclaim, for He is The Instrument of Love, He is The Instrument of Hope, He is The Instrument of Stability, Purity, Chastity, and yes, Work.'

I worked when I designed the world. I worked to promote the areas that would be the best for mankind. I worked. The word 'work' has been a derivative for men to understand what work is all about. They had to have a word they could understand. The word 'work' truly is connected with the word 'creation', for to create, you must use what you are, what you have; you must use all the things that depict the talents, the motion, the action, the love, the hope, the purpose, and yes, I worked to create all things.

I bless you in My Name and I bless you with My Heart, and I bless you with The Light and I say, 'The Words I have spoken are for you to hear, for you to understand.' I created the Church.

The Beloved Heavenly Queen was The Vessel to allow It to be seen, and The Son of Mine, and Hers, instituted It in the world; and The Quiet One, The Humble One, has always been The Protector of It, for you see, It began with My Holy Word. So be it.”

FEBRUARY 6, 1975 AT 12:15 A.M.

GOD THE FATHER

“I have given many men a chance to follow, in a direct line, My Love for mankind. I chose men to follow a given path, to dedicate their lives to all that is good, all that I love, all that I have, All that I Am, and all that I hope for them. Some men have been sidetracked. They have walked off the path of truth. They have been diverted by their ego, and yes, by the mere fact that they felt their talents were greater than the ones they were able to express in a given way; so they, in their own way, through their own will, chose another path, a path on which they felt they could express, expound what they could feel would give to the world something for the men of all kinds, races, colors, creeds, to relate to.

I am The Father. I am The Creator. I am your God. And I say, through a *small child*, to the world, ‘Through the voice that is hers, the Power is Mine; through the love that is hers for The Divine, but with the Love and the Will of Mine, I express to the whole of

mankind My Will.’ Men of all ages, all ways, all types, must understand that I have given a Definite Plan.

I gave men opportunity, I gave men ways. I gave men wisdom, I gave men knowledge. I gave men Rules, I gave men a Church. I gave men a path, a way, a means, a manner, a direction and a drive, to desire perfection. I gave men Stories to read, to listen to: Stories of what was, what took place. I gave men other children to relate to, other paths to follow. I gave men Visions with Great Messages. I gave men hope in many things. I gave man stability. I gave man reality.

I give man a Miracle to live by and to be guided by, to have strength through, for I know that the Gifts I have given, the Love I have shown, the Direction I have taught is sometimes not able for men to know. They feel it is too much, and in My Flexibility, I extend many ways, many means, many manners, many Lights, many Directions, many Degrees of Faith, many Degrees of Light, many colors in this Light, for men to connect to.

Today, in the world, I give a Miracle. It bears a Name. The Name

is of a Son Who walked a given Plan in obedience to Divine Will and in a manner of trust, for a higher degree to be attained, for the Will of Mine to be accomplished, sustained and consummated for the good of all mankind; to remain upon the earth in a manner men could understand, could accept, could follow, and, oh yes, to love.

I have given mankind a Part of Myself. I have given them the human guidance, the human way. I taught them what the beauty of humility could be. I gave them a standard to live by, morality. I gave the world, through a Son of Mine, through Others Who were Divine, the motivation to come Here for all time. I not only opened the Heavens but I gave men the path, the means, the way, the assurance, and I say, 'It was My Love for My Creations, it was My Hope for children of all nations.'

I speak in a language you understand. I speak in a manner that you can comprehend. I speak with desire in My Voice and hope in My Way, that all of mankind will come Here one day. I speak, not of a false way, but of a deliberate Truth, a Light that only I

can give mankind in any day. Follow what is good, follow what is right, purify yourselves, and know, that the scale of life and of love, purity and impurity will be balanced by the Justice I am known for and I am of.

Men have forgotten the beauty of sincerity, the beauty of clarity. Men seek progress for only themselves, and I say to all mankind, 'Progress must have gain else it would become just experience, but bear in mind, progress in My Name always brings Me Souls.'

This child walks in the world but is not of it. Her Tasks: to drive men to victory, to give them the motivation to seek Sainthood; but, in this Task that has so many facets to it, she must keep in mind at all times, the good of all men's Souls. Men have learned to relax with her, and yet they instinctively know there is a barrier they cannot cross, that they must adhere to.

I am your Father. I am your Love. I am your Creator. I am truly Above. *This child* must be seen throughout the world, and *this child* is more than *an instrument*. She is *the puppet*, she is *the link*, she is *the light* that the world is stimulated by, that the world

feels motivation in, and that men who surround her, feel it is wrong to sin.

I Am The Holy King. I Am All Things. I love My children, and *the little one* that I use is weaker physically than men know and men see, and much protection has to be. I have oftentimes Blessed the world through her. I love you. I have given you *a sacrificial lamb* for you to understand My Will. So be it.”

FEBRUARY 10, 1975 AT 8:45 P.M.

GOD THE FATHER

“I have disrupted *this child’s* life many times. I have awakened her at many hours when men found sleep necessary. I have brought to life many of My Desires through *a child* who belongs to Me complete. The world does not know what such *a child* endures physically for men, to not compete, but to complete My Will in the world.

I am not a satisfied God nor I am a mere Entity that men sometimes apply to My Way. I am Divine. I am The Creator. I am The Light. I am a Mystery, but do not forget, I am The Beginning and The End.

I, one time, had a child. Men called her ‘Joan’. She walked a given path, one of a warrior. I used her to the ultimate degree planned for that time and My need. And now, once again, I use *a child* in the manner I used Many Others. This one errand for Me soon will be as Joan walked for The Holy Trinity: *a warrior*, not only with the Sword but with the Love of Reality.

Soon I will send Joan's parallel to a place, and other places, too, for men to see not heresy, but Truth, Fact, Logic, Reality, Stability, and yes, Hope.

Men are now trying to decipher what *this child* is all about, and *this child* says to the world, 'I am but *an instrument* of God's Light.' Men are sitting around in rooms, trying to diminish *the child's* way, but in their physical heart, in their knowledge, they cannot totally cast her away for they see a mere stream of Truth, and where there is this mere stream of Truth, this Ray of Hope, there could be Me. So, do not forget, as you go your way, think, love, hope, trust, act, and yes, serve Divine Way.

I am speaking slowly, for *the child's* physical is ready to collapse. I am speaking distinctly, so at no time can you say the Word was slurred in any way and you did not hear It pass. I have sent Most of My Saints; that is, the Ones you know the best, to the world through *this child*, not to test but to give to you firsthand My Love, and to teach you as My Son once did: direct, clear; Fact, no fiction; Light, Truth, Hope, and that ever streaming

Light, Ray, of My Will for you in every way.

The child is but an instrument, but I, your Father, say to you, 'An instrument is sometimes misused by many men.' Men sometimes are very, very rough with an instrument, for they say it can be replaced easily. All 'the instruments' I sent to the world had moments when men treated them roughly. They were blasphemed, they were abused in every way.

Let Me begin with My very Own Son. He was beaten, abused, ridiculed, and even crowned. The Blood flowed all around, but men did not care. They said, 'If You are King, let the Power You are, rise above our acts against You.'

He stood, He looked into their eyes and He said: 'I am a King of the Kind you have not touched in the physical role. I am a King Who has Great Control but I am a King of Great Love. It is you who are in distress. I have come, not to favor you, but to free you. I have come, not to serve you, but to love you. I have come, not to be crowned as a King by you, for I already have a Crown far different

than the crown you know one to be. I have come out of Love for the Whole of The Holy Trinity.'

I sent The Beloved Mary, Part of Me, to the world. She came; men did not understand the Beauty She walked in, the modesty in which She gave the dignity to every role She partook in. They did not truly understand, and there were many around who were jealous of Her, but in Her Love for Me, in Her Love of Me, She stood in the humble ground.

And then, The One Whom, for all this time men felt was a mere man, was Another Part of Me, the Part of Me that I wanted men to imitate; I wanted the man who headed the family to see what I wanted for him to be.

I gave the Example of Motherhood, I gave the Example of Priesthood, I gave the Example of Fatherhood; All Parts of Me. How else could These Parts have been so Perfect? How else could These Parts have refrained from the weaknesses that were so evident in that time?

And then, I gave to the world examples in that time: traitor, Judas; the Apostles. I gave to men the

stability of the Church; the stability of The Vessel I gave as Mary. I gave Peter, I gave Andrew and All the rest. I gave you Someone to imitate, Someone to love, Someone to cling to, and yes, I left upon the earth Great Announcements of other men. The Names you know. There were more than most of you know. The Ones you are used to is the Great Peter, the Rock, and yet the one who denied; and yet, when he felt inside the Beauty of What I had given, he could not stand his denial. I gave you Many, Many. I gave you Moses, Who gave you, from Me, The Rules to live by.

And then, I will give you the Names of the Ones you know so well. The beloved Teresa of Avila; how else, as you say, 'There is strength in the convent, there is strength in the religious way, there is strength in a woman who stands strong and yet loved the world.'

I gave you the little One but strong-willed, Therese of Lisieux. She stood strong, firm, and like a giant, 'To do the little things,' she always said. But I watched over her and I said, 'Oh, Therese, you are clever, and in your cleverness, I await you, for your *little*

way will give other men the idea that it is not the menial tasks that men should deny themselves in any way, but to use them to love Me in every way.' So, I allowed this child of Mine, this chosen One, to say, 'I will find *the little way* to Him in my own way.'

She was clever and lovely and beautiful. She was willful, because she would say to Me in the quiet of an hour: 'I am coming to You, God, know this; the little or the big way, but do not deny me Your Presence because that is what I aim to have. I love You with my whole being every day.' You know Her. They belittle Her, and just as they did Joseph, they said His was the humble, small way, the Quiet One, the Silent One. And I smile and say, 'You have Two Great Saints Here.' He was of Divine Way, She was of the light way.

She was brilliant in her way, and she used to trick Me in saying that I loved her, because she'd say, 'I served You little today, God, I will serve You more tomorrow.' And I would say, 'Yes, child, be sure you do it,' and she'd say, 'I will.' But then, when the morrow came she would say, 'I can find nothing too big or big enough for You.'

And I would say, 'Have you looked well enough, My Therese?' And she would say, 'Well, I looked as close as I could and as far as I could, but You have me behind walls.'

So she would trick Me and I loved every moment of it, for you see, in her *little way* she said to Me, 'I am so little, my God, cherish me.' But, she gave to the world the humility, the love, not trickery; but, not emotionally, but as a child she would come and she would say, 'I would want to sit on Your Knee if You were close by,' and I would say, 'I am close by.' And she would say, 'Then I am too busy, I guess, to see You,' and I would say, 'No, but you are not too busy to work for that star in the sky.' So she would say, 'All right, my God, I will take *the little way*, but remember, I loved You very much, I love You.' And I would smile and say, 'She will be example for children who cannot feel that they can do the great things in life.'

And now, let Me take you to Others Who walked in great strife. The beloved Augustine, oh, how he mourned for himself, and then one day he found Me and he said, 'Oh, Heavenly Father, I love You so much.' And I smiled down

upon him and I said, 'I am glad you are at last returning My Love, Augustine, for I have always had My Eye upon you.' And so, Augustine, declared to be a Great Saint, but he really did not know what Sainthood was. So remember, My children, neither do you. You must walk in Faith, in hope, in love, in trust.

And then there was a Beautiful One, Saint Martin de Porres. Men have downed Him always in a humble way, and He says, 'Oh, My God, thank You for every test, thank You for the beauty of humility, thank You for giving Me the path, thank You for letting Me be the little broom that You did use at last.'

And then there was Another One, the Beautiful One; and, of course, no more beautiful than the Rest, but He is serving Me much in This Great Miracle of Hope, and He, too, had to face many tests, the beloved Alphonsus. You say: 'He comes in so much lately. He teaches us so much and He's constantly telling us, in detail, what God wants of us.' And I say: 'Yes, I have sent Him. He was a learned man and I use Him much in the Heavens, for you see, He truly trusted in My Plan.'

I could go on and on and on, for so Many have spoken through *this child*. I have allowed it and I have Willed it to be, for This Great Miracle of Light, of Hope, bearing the Name of a Son of The Divinity, The Beloved Joseph must become known throughout the world, must be seen for What It is. And, children must begin to know that when the Pronouncement came, ‘The Family was Holy’, remember, They had to be of My Way to give you the Exactness that I wanted you to walk in, the Beauty I wanted you to see, and the Perfection I wanted you to follow, and the Modesty and the Hope and the Love that I Am; for a human being would have lacked one little link of This Great Part of Me. I am All Perfection. I am All Things. I am All Good. I am The Holy Trinity.

I give you My Love and I give you My Hope. I have given you a Miracle for you to cling to, for you to stand for, and for you to stand in, for you to reach through, for Me. I have given you a Light to see. I have given you a moment of courage. I have given you My Hand to cling to. I have given you My Heart to see, to touch, to know, to love, to feel and to want.

I have given you all things through This Miracle bearing the Name of a Saint men want to hold down in a human way. They want Him to be human. Why? Because they feel if He were Divine, they would have more to live up to, and they would have to stand stronger and straighter; but, to feel that He were human at all times, they would feel that He must have had a weakness.

And I say to you through a child, ‘His Strength was Mine; His Humility, Mine; His Service to Me, Divine; His Hope, that My Will would be done, carried on to the last moment, the last breath.’ And then, when He arrived back to Me, He said: ‘Father, King, stop what is going on upon that earth. They are desecrating The Holy Way.’ And I had to say to Him: ‘Remember, Son, He was My Son first. You walked the earth for Me.’ And He bowed His Head in Reverence and Honor and He said, ‘Thy Will, My God, not Mine to be.’

But He had the Power, and let Me tell you this: Let yourselves know at this moment now, that He could have returned to the world and destroyed My Plan. He had the Power to do

this. He was of Me, but His Love, His Service, His Hope and the Beauty of His Way, the Part of Him that said He was not the Highest, He was a Part, a Facet of Whom I Am, and that told Him that He must stand aside and wait.

What joy there was in the Heavens when the Consummation came. What joy there was, and the Angels sang. The Angels sang great songs, and one day they will be heard throughout the world, because the Angels knew that men now would have that ultimate chance to return to Me their Soul.

You have been given a Miracle. You have been given My Love. You have been given Hope. And, I say to you, 'I come to the world now.' I want warriors to stand up to the men who are bold, who are following heresies, a number untold. I want you to stand, and stand in Truth, and say: 'You are a heretic if you follow that weak way. Emotionalism is not God's Way, but peace and tranquillity, service and love, humility and patience, and Divine Will must be the Goal for all men to go Above. Not human acclaim, not human way, but the Beauty of God's Love must be seen above all things.'

Men must stop being arrogant, men must stop being the way they are. They are lacking self-discipline. They think it is a thing of the past, a thing afar. And I say to you now from the Heaven Where I am, 'Beauty is all around, and through This Great Miracle men will begin to see, begin to know, begin to feel, begin to have a desire to serve, a desire to love, a desire to give, and a desire to grow in Faith, My Way.'

I could teach you constantly, but *the child's* physical could not stand the Power I Am. I flow through her. She is as a sieve and I pour forth out of her What I want to give for men to see, to understand, to know, and to accept the Training, the Teaching, the Light and the Hope, and I say, 'My Will is only for your best.'

So, as I bless you from the Heavens, bless you through *a child*, I say, '*The child* is on a tightrope every day.' I have given the world *a sacrifice*, and the consummation of it will be when the world shouts, 'Joseph is Divine.' It had to be that way.

A warrior stood strong, a warrior stood to the last, but *another child*

will go down in History and no one truly will care what suffering it took, what love had to be, what service had to be given; for men will have to feel only the personal things they had to face and the personal tests they had to go through. It will be then as it was when the Sacrifice was made and the Consummation given, attained, so that men could realize what had taken place. Up to this time, men did not know the Magnitude of Loving and Giving, until the Teaching through This Miracle.

So I, your Father, say to you, 'You are Loved so very much, but do not allow your weakness to draw you down, but allow your strengths to reach out and reach to serve, reach to give, reach to love, reach to fulfill the privilege of your life upon earth.' So be it."

FEBRUARY 19, 1975 AT 11:15 A.M.

SAINT ALPHONSUS LIGUORI

“*The Miracle Of Saint Joseph* is many things, many ways, and It gives much to the world. There are so many Lessons that have been taught, so much Direction given and so much Hope shown through This Great Miracle, and I, Saint Alphonsus Liguori say, ‘*The child* always speaks Our Way, for through her, We have been given, by The Father Himself, the privilege to reach you and to teach you what life is all about, why you were born, Where you must go and the Goal you must reach for, for you see, if there was no Miracle such as This upon the earth, you would not be retaught the dignity and the beauty of Bible History.’

I am Saint Alphonsus Liguori. I have taught much to the world through *this child*. You are not a fool if you feel that morality is important. You are not a fool when you say, ‘*I love You, God, above all things.*’ You are not a fool when you expect of others to stand strong for what is right, what is good. You are not a fool when you

obey The Commandments He gave to a man, one day.

Bible History never ended. Men closed the book on a particular page because there was too much to be recorded thereafter. Bible History is being made today, and I, Saint Alphonsus say, ‘As long as men live, as long as God Exists, there will be Bible History being made.’ There will be Christianity in the obvious ways, and satan will try to force down, with his evil ways, the beauty of purity, modesty and hope, obedience, trust, love. And he always tries to diminish that special love, the family. And, in his eagerness to draw from The Father all things, he moves in to diminish that one great vocation The Son of God gave to the world: the Priesthood, the religious way, the way of hope. He is diminishing it throughout the world.

And I say to you now, ‘Bear in mind, through This Great Miracle for all of mankind, children must see the obvious heresies, the immoralities in the world.’

First of all, what right do you have to take a life of anyone, even those unborn? Secondly, what right do

you have to diminish a man's mind by pornography, by constantly accenting the human animal way? Another thing, My children, what right do you have to say there could be any other way than the One True Way He gave to the world?

And I, Saint Alphonsus Liguori, come through *this child* with a Message today: Unification can mean more than it says, because oftentimes, in unification there is great compromise. Compromise means a portion or a part has to be weakened or has to weaken itself to be able to absorb what the other is. Does this make sense to you, My children? Shake your head yes or no. Men are shouting, 'Unification.' Men are screaming, 'Let's be brothers.' How can men have unification if some men know they stand in the One True Faith, and the others are but offspring of it?

I ask you on this day, I, Saint Alphonsus Liguori, 'If you have one truth and you have five things that are partially of this one truth, and men want this one truth united with the five partial truths, would you say that to draw the truth into this area would cause compromise?'

Ask yourselves on this day: What is compromise? Is it not watering down the full truth? Is it not extending to others weakness rather than drawing them to the strength? Yes or no? Then, I say to you, My children, 'It is better to think of unity in a way of constant, strict example, teaching others to be drawn to you through the Truth you stand for and in, rather than to walk over to them and compromise what you are.'

I stood in the world as a priest and I say to you now, 'Allow no compromise to be in your way.' Stand in the Truth, stand in the way God Wills it to be, and if other men rationalize, theorize, speculate on the magnitude of compromise, say you will have nothing to do with it.

Do not go into the briar patches to reach one. You will become tangled up, have to compromise. You will come out with many scratches. You will have to tend your wounds, and when you do, you will be caught off guard and you will find yourself, not unified, but crucified. So be it."

FEBRUARY 23, 1975 AT 2:04 P.M.

OUR HEAVENLY MOTHER

“My beloved children, the world does not know the Magnitude of This Great Miracle for the world is too busy looking for personal love. And I, your Heavenly Mother say, ‘I come today to put My Stamp of Approval on This Great Miracle of Hope, of Light, of Truth, and yes, of Teaching,’ for when I walked the earth, My Son, Who was Divine and yet human, taught in the same way: natural, but always giving proof of the Stability, of the Balance, of the Truth and of the Light, the Way, and yes, the Means.

Children throughout the world are reading books. Other men have written these books. It is their interpretation, their thinking, their needs that went into these books. And I, your Heavenly Mother, say through *a child* such as you on this day, ‘Be aware and beware of the heresies in your day, for you are not a fool to believe that The Father would send to the earth Another Son, for at that time that He was upon the earth, much sacrifice had to be made.’

Many times We had to flee. Many times We had to go into seclusion, for men instinctively knew there was something to This Child, Man. So Joseph would look into My Face and We would say, 'It is time to go to another place.'

Many men in the world do not know what it means to have to flee, and also, to carry the Wisdom for The Holy Trinity, for wisdom has a burden to it; knowledge, many times, just satisfaction. There is very little satisfaction in the world *this child* does live in. Men criticize, and yes, men try to take This Great Miracle and use It to their own means and manner.

Many, many men throughout the world must come to work for this Great Hill God has put forth upon the earth to give strength once again to mankind, so men will know what is real. It is sadness Here in the Heavens Where I am, to see so many children responding to other men, and not seeing the Value there is to the Truths that were begun a long time ago. Do not allow any man to diminish the Church that bears My Name, and the One Church that He gave to give you the way Here.

Do not forget, that at the moment of conception, I knew I was bearing, holding within Me, One Truth; and as I was The Vessel, I was The Tabernacle, I say to you now, 'Be aware that The Tabernacle still holds His Body for you, and It waits for you, each day, to go there.'

The Father, through *this child*, asked the world for a miracle, and how many children have responded thus far? One day, He said to her, 'Tell the children I want a miracle,' and she argued the point and said, 'How can we give You a miracle, my Father?' And He said, 'It is the easiest thing for men to do.' So He allowed *the child* many hours to wait for the answer He wanted to give, and in the answer, there was such simplicity that it was astounding to hear: 'Rather than one day for men to come and participate in The Holy Mass of Divine Way, ask men to sacrifice every day. Fill My Churches and pray. It is such a simple miracle. Men can do it.'

So, through The Miracle of The Beloved One, The One Who many times fled to save The Son of The Father and Myself, I say to you: 'Give God a miracle. It's the least that you can do.'

He has given you so much. He gave you the Crucifix to remember Him by. He gave you the Church, a long time ago, and the Sacrifice to give It to you was One Alone. He gave you the Way to Him. He gave you The Commandments and He gave you the Sacraments. He gave you Life, He gave you Hope and He gave you Light. Do not forget this.

And you always ask for Miracles, and many times you receive them. Many times you do not know that the Miracle has occurred, but The Father has heard your prayers and gave you the Miracle, in the manner and in the degree, in the way that you could handle it.

But now, through This Great Miracle of Hope, The Father comes to the world and says: ‘Ask the children to give Me a miracle. I want My Churches filled, each day. I want My children to understand the sacrifice will be small, and My Response will be great. I want My children to know that that small time each day will be more fulfilling than anything any man can give them, any day, for in reciprocation for their answering My Call, I will bless them abundantly and I will say to one and all: “I give you Grace, I give you Hope,

I give you My Love, because I know your sacrifice was meant to serve the Divine Way. I know that your sacrifice, though small, was great to you, for you see, you not only had to awaken earlier, but through the walking into this place, the awakening was far greater, for I met you at the door and I met you Face to face.” So be it.”

MARCH 30, 1975 AT 1:49 P.M. (EASTER SUNDAY)

SAINT ALPHONSUS LIGUORI

“My beloved children, I am Saint Alphonsus Liguori and I truly speak through *this child*, for through her, I have said to many men: ‘Do you truly understand what it is to be man, and do you truly understand what it is to have a Soul? Do you truly understand what it is to walk in the willing way to serve God, or do you truly understand what it will be one day when you stand before Him in Judgment?’

I was a lawyer upon the earth and I say to you now: ‘Let us now have a courtroom scene, and let us now have God as The Judge. Let us now have you as the defendant, and let us now have you as, also, the dependent. Let us now look to what sin you are being Judged for. Is it the First One, against that Great One: did you have another god before you? Is it the Second One: have you blasphemed Him? Is it the Third One: have you kept the Commandment according to the Rule? Have you kept that one day aside and have you spent it honoring Him? Have you honored The Father and The

Mother? Have you done all the things according to The Commandments that He has given? Have you given to the world, justice?’

I say to you now, I, Saint Alphonsus Liguori, ‘Remember this: You are but a child in God’s Eyes. You will be but a child when He Judges you. And you, My children, must learn to serve Him.’

I bless you from the Heavens and I say: ‘In The Father’s Name, you have been given a Great Gift of Faith; in The Son’s Name, you have been given The Son, the Way to Him; and, in The Third, you have been shown through Wisdom, through This Great Miracle of Life, Love, Hope: the Way to Him, the Light of Him, the Hope in Him.’ So be it.”

MARCH 30, 1975 AT 1:54 P.M. (EASTER SUNDAY)

SAINT JOSEPH

“Oh, My children, I am Joseph. And as I speak to you this day, I say to the whole world through *a child*, ‘Beware and be aware of Judgment Day.’ Walk in Faith, not conscience; walk in hope, walk in charity and walk in light, for you have been given, firsthand, What is right.

I am Joseph and I say, ‘My Name truly means the Words I gave *this child*, yesterday and today.’ Another son will hold the Words up for your attention, so know that as you read Them, you will feel no apprehension.

The ‘*J*’ stands for the *Just*, the *Just* that I am known for. The *Justice* in the ‘*J*’ says that’s the way I saw all things. I had to have *Justice* for He walked that way, and He was The Holy King. *Judgment*, I could have, and in it, I could show that I had to have the *Judgment* to accept or deny My Role; and, also, as We fled into other lands, I had to use My *Judgment* according to The Father’s Plan.

And as the 'O', it stands for *Obedience*, you must know it was *obedience* to His Will. I was the only One Who walked this way, for I walked it according to His Will. I was *Orderly* in all I did. I had to be that way. I stood totally for The Father in a very special way. And yes, I was and am *Omnipotent* in everything. Remember the Word; remember the Light; remember the Direction. And do not forget to walk in blindness but see. And that is how We, as The Holy Family, did walk in the world: in total blindness, but to see.

And then, the 'S' in My Name does stand for *Sincerity, Silence*. I was a *Son*, and I was the *Staff* of The Holy Family. I stood for *Sanctity*. I stood in *Strength*. I stood in *Service* and I was *Steadfast*; and I was a *Shepherd* in every way. I not only had a flock to nourish My Family with, but I was a *Shepherd* in many ways, and do not forget, I walked like that.

The Father said, 'Joseph, be *Efficient*.' I was. *Enterprising*, for I was the architect for the dwellings that We lived in, and I was the architect for many others; you have not heard of that. And do not forget, I was *Ethical* and I stood for All *Eternity*. I was

Eternal; that I am yet. I had ***Energy*** and I used it according to The Father's Will. And I was ***Everlasting***, for My Name has remained upon the earth still. I had ***Great Empathy*** for men, for to have this meant I understood them. And I certainly used ***Enthusiasm*** when The Father said to Me, 'Go, Joseph, it has to be.' I did not act in sorrow, but I was ***enthusiastic*** for all He Willed of Me.

And so, you come to that part of My Name that stands for ***Procreation, Patience, Perseverance***. And I was a father upon the earth. I was The Foster One. Do not forget, His Birth was Special, as Ours was, perhaps in a different degree, perhaps a different Facet of The Holy Trinity. I ***Protected*** all, and now I come, once again, to ***Protect*** that Great Church that He instituted when He was Man. I was the ***Provider*** in many ways, and I was ***Powerful*** as I am now, for you see, I stand in the Heavens as ***Part*** of that Great Trinity. I delivered to the world ***Peace***, in My Way. I did not show how I felt, but I extended ***Peace*** to every man for it was God's Way. And My Way was ***Providential***, and men must know that.

And then, the last letter of My Name stands for *Heaven, Hope, Humility, Happiness* and *Honor*, and may I say '*Holiness*'. But last of all, I say to you, 'As I was *Helpful* then, I am *Helpful* to you today, so you can become a Saint, God's Way.' So be it."

MARCH 30, 1975 AT 2:01 P.M. (EASTER SUNDAY)

OUR HEAVENLY MOTHER

“There are so many children in the world who put so much emphasis on what is in the world, and what attention they are gathering. This is not necessary.

And I, your Heavenly Mother say, ‘Know, that as there is color in the sky, color in the sea, color upon the land, I, too, am of The Holy Trinity.’ I, too, give to you firsthand, The Father’s Love, The Father’s Light, and all the Hope that My Name can, for in the world, I have said to you, ‘Be aware, My children, of the evil one who is all around and wants you.’

Do not forget, My little ones, I do not stand in a tree here, but I speak through *a child* openly, readily, and I plead with My sons to stand strong, I plead with My daughters to share modesty, and I plead with the little ones to pray to Me. I plead with the world, through *a child* such as you, to stand in hope and to serve in love, and to give what you can to The Holy Trinity. Please, My little ones,

save Souls. I work constantly. I work openly. I beseech pleadingly. Do not reject My Request.

I am truly your Mother. I am truly of the Heavens, and I truly speak through *a child* and I say to you on this day, where men celebrate through conscience, not Faith: to love Him all the way, and as you do, love Him with self-discipline, with hope, with charity and light, and love Him in service, as We did one day.

Be aware of all things. Be aware of what is truly Faith and be aware of the Truth, for without it, you cannot come This Way. Be aware of purity. Be aware of charity. Be aware of humility; it is not weakness in any day.

The child through whom I speak has suffered much for you. *The child* through whom I speak, has been torn by reparation, of late, for you. I say to the world, 'If I stood before you, would you recognize Whom I am?' I say, 'No,' for I might appear very natural, as I am today to you.

As this Great Place must be built to give Hope to the whole world, I am truly your Heavenly Mother. I am truly The Blessed One, and I am truly

The One Who walked upon the earth to give Light to everyone, to be Example for what you must know, and to hand to the world a Son Who instituted that Holy Church and Who gave of His Life for everyone.

And The One Who went before, The Beloved Joseph, The Father took Him first, because He knew His Love was so great for Him, and for Us with Whom He walked the earth. And when the time did come and The Son held Him in His Arms, He said: 'I do not want to go. My tasks are not yet done.' And The Son, Who instituted the Church, looked into His Face and said, 'Father, Son, Your work has just begun.'

So now, in This Great Miracle, you come upon His Birth: The way He must walk upon the earth, through a woman who walks in the family way, through a Mound of Soil, who must be dedicated totally His Way. And through this Soil, men will learn the Truth an honorable way. They will see the dignity in walking the path of Faith. Conscience, of course, is but a reflection of Faith. So, do not forget that, as you say:

‘Good morning, God, I love You today. Help me to know what is best for me. Help me to see what You want of me. Help me to feel Your Love every moment, and help me to walk as You deem it to be. Help me to give to others Your Love, Your Path, and help me to become a Saint and be Where You are At. Oh, God, do help me to know all this.’

And I, your Heavenly Mother say, ‘A Grandmother will speak to you today. It is Her Love for All of This.’ So be it.”

MARCH 30, 1975 AT 2:07 P.M. (EASTER SUNDAY)

SAINT ANNE

“My beloved children, I am truly Saint Anne. I am your Heavenly Grandmother.

I offer you today a favor, a cookie, My Love. I offer you today, The Father’s Way from Above. I offer you today, the Will of Him; and I offer you today, the Light of Him, the heat of His sun and the Light of His Love, the Action of Truth and the Faith from Above. I offer you, not only what a grandmother would, but the Truth and the Hope that He Wills for you.

I am truly your Grandmother. I am truly the Light. I am truly Part of your family, day and night. I am truly in love with what He desires for you. I love you. What more can I say to you? So be it.”

APRIL 2, 1975 AT 11:10 A.M.

SAINT ALPHONSUS LIGUORI

“I, Saint Alphonsus Liguori, have spoken through this child hundreds of times, and through the speaking, I have taught many things. The children must learn to make decisions for themselves and must learn the beauty of wisdom over knowledge. They must also understand that the personality they were given, in the way of man, must also be the extension of their lives. Those whom they meet will depend upon the personality to react to. Is this not so? They do not react so much to what you look like, as the personality shown.

Now, My beloved children, there are many sons in the world who have forgotten the beauty of personality. They have become so in tune with knowledge that they have forgotten the personality they have is very important to them, also to others that they meet each day. Personality does not always say ‘success’, but personality does say, ‘Through my personality, I will either be example of God to others, or I will be a distraction from Him, to Him.’

And, do not forget, there are so many things in the world that children easily forget.

I bless you from the Heavens and I say, ‘Be aware of the personality you have developed up to this day, for through it, you can either lead men to God or away from Him.’ And be aware that how you walk will depend much upon all the things you love in the world.

First of all, I would suggest that you begin to love The Commandments and The Rules He gave, for through Them you will have a better personality, and through Them you will be better able to project God’s Love to all mankind through your everyday’s acts.

I bless you from the Heavens and I say: ‘It is truly I, Saint Alphonsus Liguori, Who speaks to you today, and through the speaking, remember this, that you were given a Soul and you were given a Guardian Angel; you were given a physical, you were given a will. And do not forget this: You were the recipient of a personality, and through the personality you can direct all children to God.’ Remember this and keep it intact. So be it.”

APRIL 2, 1975 AT 11:24 A.M.

SAINT MARGARET MARY

“I, Saint Margaret Mary, will tell you this: Through *this child* I speak often and I say, ‘To walk the path as a chosen child for God is not bliss, but one of burden, one of Great Direction, and one of All Truth in every day.’

There are so Many, Many Saints Here in the Heavens Who have spoken and Who desire to speak through *this child*, but Each One is told, at a given time, when They must go to the earth through a manner, through a funnel, through a tunnel, through a Wind of God’s Power, and give to the world what He wants Each One to say, to show, to direct and to speak.

So many children in the world are not aware of what a heart truly is. They think it is but a motor in their body but, in reality, it is the life of the body governed by The Father Who does care. And through the motor, through the heart, you must return much love, for you must be grateful, first of all; you must stand in thanksgiving and you must know that, through the heart,

He will show. And you, too, must act through it, in a way, in a light, that will blend your Soul with His Way, His Truth.

My beloved children, I oftentimes gazed into His Heart and when I did, It always spoke to me in this manner: ‘Do what I say; I command you today to let others know, let others see what I want of them for The Holy Trinity.’ I sometimes would turn my head for I always knew that the Lesson was so important that it had to be passed on in a manner He Decreed to be. And through weariness, I would sometimes want to stay in bed, but He would say, ‘Margaret, up on your feet, write what I say, do what I want, to give others a special way.’

So, I now come to you through His Love and through His Way and I say, ‘Up on your feet, look to His Heart and obey, for through His Heart, He extends to you every day the motor of love, the motor of life, the motor of hope, and the motor for you to go on and continue in every way.’

So, as you extend to Him your heart today, be aware, do it in service, do it in love, do it in charity, do it in

hope. And whatever you do, whatever you say, say this:

‘Dear God, I offer You my heart today. Do with it what You Will so I may act according to how You desire me to be. Dear God, help me to know how You want my heart to be, what You want my heart to show to all I meet.’

And, do not forget, as it was said before by the beloved Alphonsus Liguori, your personality can extend your heart, and through the extension you can give others a start: a start to love, a start to know, and a start to share in the great Miracle of the motor of life for the Soul. So be it.”

APRIL 2, 1975 AT 11:33 A.M.

VISION OF OUR LADY

I will tell you what I see. It's Our Lady and She has — it's an ice blue gown. Her Hair is a golden, reddish brown. Her mantle is ice blue. Her Hands are tapered like hands I've never seen, except on Her. Her Nails glisten with the light. And Her little Feet, the sandals are an ice blue.

She has beneath Her Feet — it looks like it's water and it's a very deep, rich blue, but it's not glistening because the Rays from Her Body are piercing, penetrating the water. She's smiling.

And there are ships in every direction. And there seem to be — there are Angels about this high off the water; this high, and They're standing in back of Her. Her little Feet are about this much off the water. Her Feet are very beautiful. And the water seems to be rippling.

And there are One, Two, Three Angels come in degrees of size on this side. And then there's Michael over here, but there's also Raphael,

Gabriel; there's Another big Angel; there's Another big Angel; there's Another big Angel; there's Another big Angel. And They're smiling because I just think They're big and Michael's the smallest.

Our Lady is looking at Her Angels, and Michael is smiling the brightest. And She is taller than Michael. Michael's little; He's — I don't think I've ever seen Him so small. And, the little Ones are over here.

OUR HEAVENLY MOTHER

“My beloved sons, My beloved daughters, it is truly I, your Heavenly Mother, speaking to you on this day. There are so many Subjects I would like to discuss with each of you, in many ways.

A *child* has been chosen in the world, who stands upon the world, for many reasons and for many things to be done. I stand Here with My Angels in the Heavens, and the Vision that is in front of *the child* is, in reality, Here Where I am. I did not come to the earth. I come, though, with My Love. I come with My Heart, and I come with a Motherly Direction for each child.

There are so many men in the world now who are trying to extend to others only self-love, and a lack of self-discipline is evident, in every way.

My sons, some of you are present in this Vision today to better understand why you were born to the world as a son, and why many of you are now men. To be a man in the world is, in some ways, quite easy, but to be a man for God is sometimes difficult, for you must respect first what He is All About. You must stand in obedience to His Will so you can become purified.

Know, My little ones, that the world in which you take so much part, you can become shaded in many areas. And know that when you stand before The Father for Judgment, purity is the key to Heaven.

So be aware now of what true reparation means, what true penance means. Penance does not mean to harm your body, but it does mean to respect your body against all temptation. And know, that one day you will grow to love purity so much that you will think of what it means to your Soul.

I want you always to remember this Vision I extend to you today.

The water upon which I stand is the cleansing way. It cleanses many things. The water of Baptism is important to The Holy King. Water is a life way and the way to life. Do not forget, as you were born, you developed in a fluid, a liquid. Then, when you came to the earth, born to the world through your will, and of course, through the Power of God, you came out of the liquid, only to desire liquid.

Oh, My children, know that all things upon the earth have a parallel, and all things upon the earth are coordinated according to God's Will. Be aware that, as the Angels stand Here with Me and I stand upon the water, beneath the water there is earth.

So, as all things are connected, you, too, must remember that to do The Father's Will takes a connection of things. First of all, to love Him; next, to desire to obey; next, to desire to serve; next, to desire purity in every way; and next, to grow so in love that you have only your Soul in mind, every day.

Now, I speak to the daughters who must imitate My Way. Be aware that, with all the temptation in the

world, you must not be a part of this temptation, for in the temptation, you will not feel the beauty of purity nor of God's Way.

So, I bless you all, My little ones, not from the sea, but from the Heavens Where I am, and The Holy Trinity. The Angels will slowly disappear and I will remain upon the water, in the Eyes of *the child*, the Eyes of her Soul, and she will see It even more clear, and as this occurs, she will be held deeper in the ecstasy that I have caused to be, for without the ecstasy she could not stand in the world, so constantly listening all the day and all the night to What The Father does Decree.

So, be aware that through This Great Miracle you have been given a Lesson, none to compare, that there are Angels Here in the Holy Heavens, there are Saints Here in these Beautiful Places; and I, your Mother, The Heavenly Mother, expect each of you to arrive Here. So know that today I have handed you purity, for in the fluid you were developed in, it was pure; and so you must return in this pure manner to Him.

**I bless you with a Mother's Love
as I hold *the child* deeper in My Way,
and I bless you with Purity, for know,
that it is the Way of the Heavens. So
be it."**

APRIL 5, 1975 AT 8:40 P.M.

GOD THE FATHER

“My beloved children, I have put *a child* through, not a new pace for her, not a new task for her, but one through which, in which, I have touched many Souls, and I have desired men to desire more. I am truly your Father. I am truly your Creator and I must be your love.

Men say, why would I speak through *a woman*? Men say, why would I have chosen *this one*? I have My Own Reasons, and I say to you on this day, ‘Where you are is one of great privilege for you, for if I wanted, I could attract the whole world in one moment, gather Souls, gather children, but then the children would feel that I had to keep doing these things because they would walk away and always want the phenomena of their choice, not how I deemed it to be for the good of their Souls.’ Do you understand, My children, what I say? Yes or no?

So many times, I have exposed *this child* to great numbers of children, and in placing her on a tightrope for

Me, I have given much Light of Wisdom to the children. Men are shouting at Me: 'I love You. Have You forgotten me?' I whisper through This Great Miracle, 'I have not forgotten one child that I have created through My Power, My Means.' But I ask all children, through This Great Miracle, to listen to the Wisdom, to follow the Wisdom and to seek Me.

I give to the world a Saint, Highest Here in the Heavens, but Named thusly so men would begin to relate to the privilege of the human role and the Magnitude of being a Saint. You truly stand in a privileged way; you truly are Loved, My Way.

I have sent *this child* forth to the world, in pain, with burden, to give Hope, to extend Light, and many times she has been abused, blasphemed by men who walk in ego, pride, and refuse to accept peace and tranquillity. If I took the form of a man and I knocked on your door and I said, 'I created you, may I come in?' most of you would say, 'I don't believe You.' So, knowing this and understanding this, I have sent to the world a Miracle, *someone* to stand for Me, bearing the Name of a Saint

Who is Part of Me, for do not forget, I Am All Things.

Men say, 'The Beloved One, Saint Joseph, cannot be of The Divine.' He is of Me. He is a Facet of Me. He is a Facet of My Way. I Am All Things. Do not forget that to knock on your door, I would have had to walk up to each door, individually. So, in giving to the world the Wisdom, through *one child* I reach thousands instantly. There is no reason why you cannot believe how I would work. If you find one, say to yourself, 'Why wouldn't it work?'

Oh, My children, there is much burden to walking for Me, much suffering, for when I sent Part of Me to the world, the task was Great, for I said to Him, 'I want a Church.' He bowed His Head and said, 'Thy Will, My Father, let it be.' So I sent to the world a Man to begin My Plan. His Name was 'Joseph'. And then, of course, in the natural form of things, a Woman had to follow so men would not see phenomena, but see the Beauty of How I Am. And then, of course, through the natural way, according to how men knew others to be born, Another Son of Mine came to the world to hand to all of mankind My beloved Church.

I gave a Church for many reasons. I wanted men to be able to have a place to go to, to hear the correct things. I wanted men to have a particular manner, means, way, to follow My Plan, to be with Me for All Eternity. I had set down The Rules. I have given the Way, and now I have come back to say, through *another child* such as you, 'The Plan is Mine, The Miracle is from The Divine, and instead of a Church, I want a City built, a City that will bear the Name of Him Who did care, a Facet of Me, Joseph.'

When I sent That Part to the world, I sent Him to protect the Church before it was begun. So I say to you now from Where I am, 'He stood in Protection at the moment of conception, in ways you do not know; and when I took Him from the earth, at that moment of leaving the earth, He knew that there was so much work yet to be done, but in My Plan, I had to create a separation of time.'

And now I am returning Him to the earth to protect, once again, My beloved Church, the one that I want all men to understand has in it the Total Sacrifice of and for man. I sent the True Words, I sent the Light, and

through This Great Miracle I send the Protection, *a mere child*, but the Real Protection is That Part of Me, Joseph, for through His Name, men will know the Security, the Beauty that has been preordained.

So, My little children, I bless you in your day and I say, ‘Through prayer, you will develop in Faith; through Faith, you will develop in service to Me, and in service, you will give Me time; for do not forget, I control the motor, and through that motor I connect your heart with Mine, My Life with yours, and the Hope I hold in The Divine.’

So, as you have been taught, as you have been given, as you have been shown, do not forget, The Son that was risen, The One Who instituted that Great Church, stands with The One now, Joseph, in the world, to teach and to reteach, to show and to give, to extend the Light and the Hope; for do not forget, I created the universe, I created you, and I hold the key to your heart, for I hold you. I am The Judgment of every moment of your day and I am The Justice that you will have to face one day. I am The Light of the world. I am The Hope for you.

I am The Holder of the key, and I want you.

I bless you with a Love you cannot know and I bless you with a Heart that I oftentimes show, and I bless you with Light, for I want you to see that today you partake in Prophecy, not a prophecy of man, but a Prophecy of Me. And I want the whole world to know that I am The Father, I am The Judge, I am your Life. Let them know. So be it.”

APRIL 6, 1975

OUR HEAVENLY MOTHER

“My beloved children, I am truly your Heavenly Mother. I have used *this child* so much of late, talking Our Words and delivering many things, knowing that she would be the target for much controversy. But the time has come, the time is now, to give to the world Truth, and yes, a lot of Grace, for through her, I have said to the world: ‘I Am Of The Divine. *Child*, now you have to face What I have said. It is you who will have to face all the peoples in the world with the Words I have said.’

Oh, My beloved children, know that I was Divine before I went to the world. I am Divine now. It takes courage to say These Words, not My courage but *the child*, for you see, to stand so strong in the midst of men with a new thing, makes all children say, ‘How can it be?’ But now I, your Heavenly Mother say, ‘I Was Divine, I Am Divine.’

And now, on this day, I make an Announcement, ‘The Beloved Joseph

Was Of The Divine, He Is Divine.’ He is known as The Highest Saint. For this reason, *this child* has been sent before you today, so you will carry the love in your heart for all days. How else could it be: a Family sent to the world to be Example of The Holy Trinity? Oh, My little ones, it would not have been right to give such a task to three little children who were not of The Divine Way, the human love.

And do not forget that *this child* through whom I speak is exhausted and will fall soon to the ground, and much burden has been placed upon her, all around. She does not like to hear what I have spoken, but it has to be this way, for the balance of things are always there, and the hurt has to be, because you see, a price does always have to be paid.

So, as you are Blessed with The Father’s Love and with the courage to go on, I say to you now from Heaven Where I am, ‘I have always been Here and I want you, too, to come Here one day, Where I am.’ I bless you with The Father’s Love and I say, ‘It is a sadness Here when children do not know how to pray, for The Father has given the

means and the way.’ You are Loved, My little ones, every day.

Another wishes to speak to you. He is standing by My Side and He wants to share this moment of Love, on this day, in your time. I leave you now with a Heavenly Mother’s Love and I leave you with Grace, for the time you have spent listening to Heaven has given you a share of God’s Love and God’s Grace. So be it.”

APRIL 6, 1975

SAINT JOSEPH

“My beloved children, I am Saint Joseph. I will speak loudly through *this child* and I will speak firmly through her. There is no child in the world who has been given such a Task. When I found the Announcement had to be, of The Miracle of Me, I said to The Father: ‘Please, can it not wait? *The child* is not strong enough for This Great Task.’ And The Father said, ‘It has to be now, My Son, for the world is looking more to the other one.’ So I said, ‘*Thy Will, My God, not Mine.*’

And now, I come to the world of mankind through *a child* who suffers much; not known to the world as it truly is, but the world will soon know that *one child* has to be sacrificed, as it was a long time ago. Be assured, My little ones, that all the things that you do learn through This Great Miracle are for the good of your Soul.

It is important that your Soul reach Here and it is important that you learn what your Soul truly is. It is important that you begin to stand

up for what is right, what is good, and what is God's Will. And I will give you a prayer, a prayer for you to say every day of your life, a prayer for you to extend your love and to seek the Light.

'Dear Father, help me on the road to You. Help me to see what is right for me. Help me to not sin against You. Help me to reach for purity. I commend my whole self in Your Way. Please be my eyes, be my ears, and be in everything I say. I love You, God. Help me to understand, not the Mystery You are, but the privilege it is to be man. Help me to recognize why I was born and help me to seek the Goal for which I was born. Help me to be example to every man I meet. Help me to pray at moments when I am weak. Help me to love with charity, those whom I dislike. Help me, dear God, to see Your Light. Amen.'

APRIL 13, 1975 AT 3:02 P.M.

SAINT ATHANASIUS

“Are you in tune with God now? God is not an emotional Being. God is Strength, He’s Purpose, He’s Light, and God is All Things. But when you pray, what do you feel: self-love, or do you feel love for Him? Are you in tune with why and how He sent His Son to the earth, and in the warmth of this, are you truly in tune with yourself?”

So many people throughout the world do not truly know what it is to be in tune with God, to love Him. And I, Saint Athanasius, say that in the time in which you live today, be aware that it is better to be in tune with God than with man, for God says, ‘Watch Me, obey My Commandments, and pray according to the manner I have Decreed to be.’ Man says: ‘What stimulates me? What stimulates you? What motivation is there in the plan?’

I, Saint Athanasius, say that I walked the earth and I fought a heresy in My day; the heresy, similar to the one in your day. And oftentimes, I would walk to my room and I would

say: 'God, help me in every way. Help me to know if they are right or wrong. Help me to feel what they say. Help me to know what You want of me today. Help me to fight, if it is a heresy against You, all the way. And do not allow me to compromise, do not permit me to pacify, and do not walk away from me, but stay with me so I can stand strong, stay with me so I can give to them the example of right and wrong. God, help me to know. Help me to diminish this heresy, as I feel it to be.'

Now, in the time in which you live, there is a great heresy in the world; great only because it is big, not in the beauty of it. But remember this, My children, that Pentecostalism is a heresy. It is against all things God would give. It is against the Beauty of Him, it is against the Truth of Him, and it gives man a feeling of being Him. So, be aware and be in tune with what God would want you to have.

A woman speaks, but it is truly I, Saint Athanasius. I lived a long time ago, and the heresy I fought was one such as this one. And she, too, feels alone. But, in the world in which you live, you must become strong, not

arrogant, but strong: strong in Faith, strong in love, strong in light, strong desiring purity, for there are men all around who say, 'I want to go where *that woman* is and hear What she does say,' but they are too lazy and they feel they have the human way.

So remember, My children, to be human is a privilege; to be Divine is God's Judgment, God's Love, God's Way and God Himself. But be aware that as you fight the heresy today, know that We, too, fought a heresy, strong, firm, and it was against all The Father Willed.

So, as I bless you from the Heavens Where I am, I say: 'If you were chosen on this day to stand and fight for God, in spite of everything that other men say, would you join the army? Would you fight strong? Would you stand in firmness and Truth, or would you hide from the throngs? Would you walk in back of a door, like some children do? Would you hide under a counter, as so oftentimes children do?' When there is an earthquake, there is a bomb, children hide under the flat surface of a table, sometimes out of fear, sometimes because they feel it would protect them.

And now, I return to what the beloved Saint Alphonsus Liguori said today: ‘To hide in a cabinet, under a table, be sure that you know while you are there, you have a way out, because you see, the door could lock and you couldn’t come out again, to see. And when you hide under the table, beware and be aware that you are not hiding from God, for He is there.’

So, as I bless you from the Heavens, and I say, ‘The door is not closing on you, but opening for you today,’ come to Heaven. Be aware of purity and fight heresy, for as you do it, when you do it, be sure that you do it in His Name. I bless you and I say, ‘Remember the table, remember the door, remember the heresy, because as you do, you will find the Way to The Holy Trinity.’ So be it.”

APRIL 20, 1975 AT 2:15 P.M.

GOD THE FATHER

“Ask yourselves on this day, how many of The Commandments did you, today, sin against? If you sinned against that particular one, ‘*Thou Shalt Not Steal*’, you didn’t have to take a monetary value thing, but you could have taken away a man’s dignity, hope, love.

And also that Commandment that says ‘*Thou Shalt Not Kill*’; how many people today, have you killed? In what age bracket have you killed them, with your own pride and ego, with your own self-love, with your own lack of hope? How many people have you killed?

How many people have you stopped from going to ‘*Keep Holy The Sabbath Day*’ by your attitude, by your possessiveness, by your own lack of understanding of what this is all about?

There are few good people in the world who can teach what God is All About. And I have come on this day, The One Who created each of you, and

I say: 'I am truly The Father in every way. I am truly The One Who created you in such a small way, and I am truly The One Who stands with *this child* every day.'

Men feel that in diminishing the Sacraments of life, of hope, that all of nature will be revealed. I have spoken oftentimes through *this child* and I have said to the world, 'I once before revealed, and I come again on this day to reveal to the world what I want all men to be, all men to hear, all men to see.'

Men say, 'Who are You, God?' And I say to them: 'I am more real than you. I am all you are.' And those who get nervous when I speak, are nervous because of their own inadequacy. But be aware, that it is truly I Who speak through *this child*, and I say to you on this day: 'As I use her physical, I do not use her mind, for her mind would be much smaller than Mine, but I use her Faith, I use her trust and I use her service in a time as thus. I use her to allow the world to know what is right, what is good.'

And I say, 'Many false prophets have arrived in the world, of late.' If I

were to stand visibly to you, you would not understand. So, all through time, I have used men. I sent to the world, of My Own, in the form of a Family Who started childhood to be grown for specific reasons throughout the world, to give men hope, example, strength, light, and the way for the world.

I have oftentimes spoken through *this child* who is but *an instrument, a puppet*, of All Things Worthwhile, and I have oftentimes given to mankind of all ways, all colors, all creeds, Divine Love, Divine Hope, Divine Means, Divine Way. I gave a responsibility to *a child* in your day, and in this responsibility, men have tried to cause weakness and others to stray. But *the child*, in the firmness she knows is Mine, is the strength for the world, for all mankind.

I have never dealt with a child quite like *this*, for she has tried to get Me to be easier on each of thee, and I oftentimes say to her, 'If I am as easy as you want Me to be, the child will go amiss.'

The whole world must know of This Great Miracle that through the Seeds of My Love I have truly sown;

and through the Hope that is given, the Light that is shown, the Love that is demonstrated by *one alone*, the world must accept the Beauty of My Throne, the Magnitude I Am, and the Force that I portray through *one alone*.

I hold *the child* in a portion of ecstasy, in a particular manner and way. Some of you shout, 'Is it truly The Father in every way?' *The child* knows Whom I Am. *The child* knows it is truly I Who speak, and *the child* says, 'God, help them, for they do not understand the Magnitude of You.'

And I say through her: 'I am Who I Am. I am All Things. I am The Power of Light, I am The Sign of Light, I am The Motion of Light and I am The Giver of Light. I Am The Father, I Am The Son and I Am The Holy Ghost. I Am The King of the Heavens.' And no man has ever been allowed, or able, to give a complete description of the Heavens Where I am, because men would immediately decide, in their own way, manner, and in their human degree, of the limits of Heaven, of which there are none.

I have used *this child* through All of My Saints. I have used *this child*

in every way, and I extend through her eyes, My Love for you; and I extend through her whole physical, Me, for I am The Kingdom, I am The Light, and I am The One Who projects through her sight, the action of Hope, the use of Hope, the manner of Hope and the means of Hope.

The child is aware it is I. I could drop her to her knees as I have so often done. I have, in many ways, caused *this child* to suffer much in reparation for sins, in reparation for many things, and in reparation for those who feel they are just. I hold her deeper than you can know a holding to be. There is no man in the world who is so subservient to Me. I hold her with Love as I did Him on the Cross, through the pain and the agony.

The trials and the errors that men permit to be, I say, 'Woe to the world,' with a Light of Divine Love, 'if you do not understand My Love from Above.' You have asked that I show My Love, My Light and My Hope. I send My Light in the Rays of Hope.

I could burn you to the ground. I could burn you in every way, but *the child* says, 'No, God, not this way.'

There is no man in the world who fights so hard for mankind, and I say to you now from The Divine, 'Would you truly sacrifice as *this child* must?' Are you selfish, unkind, and do you use My Name to gather, to muster up self-acclaim?

The child is Mine; I want you to know this. *The child* is truly an *instrument* of The Divine; I want you to know this. *The child* stands as long as I Will her to stand. And I say to you on this day: 'I have spoken to you in a special way. You have heard Me, firsthand. Listen to no man, and be aware of the Soul I want to come This Way.'

A *victim* I put before you, and as the birds sing and the Light shows, the Rays come, the Hope glows, it is Me Who is in control. Men have pleaded, 'Don't throw her to the ground, not again, God.' But I want you to know that even though the suffering would be pronounced, she has said, 'If it is Your Will, let it be.'

I am The Father. I am The Beholder of your destiny. I am The Light through which you must reach Life for All Eternity.

There are Many Here in the Heavens Who say each day, 'God, *the child* is tired,' and I look at Them and accept Their love, and then I say to her, 'Are you too tired to work for Me?' I have always gotten the same answer: 'Let it be only as You Decree. Let the false prophets fall by the ground. Let them, dear God, fall away so men will understand what You are all about.'

The Wind is My Love, the Light is My Love, the sound of a voice I want to return to Me. I bless you from the Heavens, from Where I am, and I bless you with Light, warm and gentle, surrounding each man. I Will that this Mound of Soil be as I Will it to be, and I Will that the world know of The Heavenly Mother and The Beloved Saint Joseph's Divinity.

I want you, My children, to look at the lily that I sent to the world to announce His Way, His Acceptance. It is the Star of David, in every way. The six points are what I have taught, the joining together is what I want you to know. And the heart of the lily is The Holy Trinity, spreading out My Love, extending My Way. Look at the lily, and through the lily, you will be able

to see The Divinity of The Three. So be it.”

APRIL 24, 1975 AT 7:30 P.M.

GOD THE FATHER

“I have sent forth upon the earth *a child* to stand in Direction for, in, with, My Will. Each moment of the day I use *this child* to distribute My Words, to enable others to learn My Way according to My Will. Sometimes the child tries to get Me to diminish the Magnitude of what I Will, for she understands that I am All Powerful, All Means, All Manner, All Matter, All Way, but I always gain My Point, and *the child* succumbs totally to Me and what I Will in your day.

Blaspemy is a horrid thing for blasphemy denounces, and in its derogatory way, diminishes the Dignity of The Divinity, those whom I choose to walk My Way, and in many instances, men. Indignities to a chosen child come in many phases, phrases, degrees, means, ways, manners, and through many areas of the vocations of physical life. Since *this child's* conception, the one through whom I speak, many errors, blasphemies, indignities have been acted in, upon, to, for and with.

Now I will make an announcement to the world through This Miracle of Light, and by Light I mean Wisdom, Truth, with no compromise in It, no pacifying in It. This Great Miracle is to give mankind not only Proof, but Path of Divine Love, Beauty of Divine Love, Sincerity in Divine Love, Flexibility of the manner in which Divine Love is extended to man: a *child* in the world but not of it; a *child* totally dedicated to Divine Love, not aware of the Magnitude of It, only the Beauty It is and the sense of Direction It is for mankind.

I, your Father, speak through a *child* and I say, ‘What is your interpretation of The God Whom I Am?’ In Hope and in Love I say, ‘I desire it to be your acknowledgment of a Higher Being, One you do not understand, but One in Which, for Which, through Which, you accept the Beauty of Divine Mystery.’

Next, I ask you, ‘What is Faith?’ I would like you to say, ‘My sincere love for The One Who created me, my sincere hope that I will one day return Where I began, how I began, and in the Love that created me.’

Faith, My children, is hope; Faith is strength, Faith is light; Faith is childishness in, to, with, Divine Way, Will. Faith is a Gift I instill. Faith is a manner men use and a means men use to grow in enlightenment for the Soul. The world expects much when they depend upon Faith. I say now, 'Depend upon what Faith realizes for you: Eternity with Me.'

The next question I say and I want you to think about is this: 'What is hope?' Hope is a human need, a human force that gives strength, whether the need be physical, mental or Spiritual. I send Hope to the world through a Son, Joseph. I once before sent Hope. I do it again in a language you understand, in a way you can comprehend, and in a manner easy for all men.

Now I say, 'Why do more men not love Me?' Are they so adequate with all the worldly measures, things, ways? Do they feel so justified in accepting the human determination, translation, that they do not need Divine Revelation in every day?

Thousands upon thousands, thousands and more children in the

world are becoming bored with the lack of new things to know. I am a God of repetition. I am a God that knows men must repeat again and again so they will be able to have strength against all human blows, errors.

I have Blessed many times, all children in the world, through *this child* I use. I bless them once again to give them strength to carry on in decency, dignity, modesty, prudence, for you see, these things are the foundations for the Soul.

I bless you, I love you, and I want the whole world to know of This Great Miracle that was a long time ago foretold. So be it.”

APRIL 26, 1975

SAINT ALPHONSUS LIGUORI

“Oh, My children, I am truly Saint Alphonsus Liguori. I speak much through *this child*. I teach much through her and I give to the world God’s Love, firsthand. I hand to the world The Beautiful Queen of Heaven. And now, I come in defense of Another One men called ‘Man’. The Beloved Joseph has come to the world. He has been reborn so that men will get to know Him, get to see Him, and get to love Him in the manner He was truly, and the manner He is now, for He stands The Highest Saint in the Heavens. He is a Facet of The Divine. He is of The Divine, and He is God’s Love.

Do not forget, My children, that to stand in Truth you must stand strong; to stand for God, you must be Christian all along. Allow no man to determine your Faith, your degree of Faith, and allow no man to tell you what is right and wrong. Depend upon the Wisdom, depend upon the Truth, depend upon the Light, depend upon what is right for you. And do not

extend to other men false love, but extend a human charity, for through charity there is love, and through love there is hope, and through obedience there is Goal.

Men say, 'I will be obedient.' What is obedience, My little ones? Obedience can sometimes be a lack of your own ability to stand on your own. So, you apply your obedience to another one and you say, 'I will be obedient to him or to her.' This way, it relieves you of the responsibility. Do not forget These Words.

I bless you from the Heavens and I bless you with Love and I bless you with Hope, and I say, 'Remember, you could use obedience as an excuse, for you see, obedience can be misused.' Men who shout, 'I am obedient,' should practice what they preach, and be aware and beware of what they are obedient to; and know that it better be strength, it better be truth, it better be right, it better be good, for some men are obedient to the wrong things. So be it."

APRIL 30, 1975 AT 9:25 P.M.

SAINT ALPHONSUS LIGUORI

“Man suddenly wonders why there is so much uncertainty in profession, in the social life, and in the Spiritual way. Men seek points of stability and basis for fundamental findings. A sound way is a stable way. Instability causes crisis. Insecurity causes instability. All men fear many things. Few fear the loss of the Soul. Man is most unstable in the physical life when the Soul is in jeopardy.

Many men applaud, not the adventuresome man, but the one who is termed a ‘daredevil’. A hazardous task can be man’s way of getting attention, or a degree of desire to portray, to partake, to establish, to coordinate, a goal far beyond the ordinary path of life.

Let Me now list for you some of the hazardous things that men take upon themselves as necessities, as realities. First: Men loosely treat the Ten Commandments, creating a hazardous time for their Soul, and even the physical body in many ways.

Second: Men become outcasts in life in the world when they accept for their everyday way, indifference to social measures, grace and timing. Next: I say this with all the Love from the Heavens, ‘Men walk a tightrope, determining, not infallibility but fallibility, not dexterity but imbalance in physical ability, mental stability, and Spiritual control.’

I am Saint Alphonsus Liguori. Hundreds of Lessons I have given through *this child*, always to give strength to This Miracle so Worthwhile. I beseech you on this day in your time to acknowledge the Wisdom I present, cling to the Knowledge I extend, and seek the Hope in God’s Plan. So be it.”

MAY 11, 1975 AT 1:46 P.M. (MOTHER'S DAY)

SAINT ALPHONSUS LIGUORI

“It is truly I, Saint Alphonsus Liguori, that speaks through *this child* in an open way, in a loving way and in a way of Light. I come through *this child* immediately, day and night. I speak forth through her to give to all of mankind the Beauty and the Wisdom of the Heavens Divine.

I ask you, My children, on this particular day, ‘Do you truly understand the magnitude of honoring a loved one today?’ A kind word, a thoughtful gesture is good. It is not only man’s way, but Heavenly Way. But I add to this on this day: Remember that the moment of happiness, if it is once in awhile, does not linger on memory alone, so it must be repeated again and again.

I, Saint Alphonsus Liguori say, ‘The Father, when He sent the Three Divine Ones to the world one day, repeated constantly the Messages from the Heavens, through many chosen children in many ways, and the children would become open to the

world, open to the eyes of men, and the men would feel that they could contradict and they could condemn.' But in the time in which you live today, I say to you now, 'It is easier to condemn than to accept the Truth and the Know-how.'

So, as I speak slowly through *this child*, for I do it in this way so men of all ages will understand the Magnitude of What I say, I come forth with a Message of Beauty today: The Commandment that you honor today is the Fourth of the Ones, '*Honor Thy Father, Honor Thy Mother*'; and in the reality of this Commandment, there was more said, and the beloved Moses came down to the men and women and he taught them the beauty of These Words.

He taught them the beauty of the First Commandment, far greater, far more than is now said. And then he took the Second One and he went into great detail on this, and then he took the Third, and then he took the Fourth. And then when he got to the Fourth, in those days men were so corrupt, so immoral, so full of sin that they did not realize the Magnitude of the Command that He gave, for he

said: 'It means first The Heavenly Ones. First, remember The Creator, The Father; The Mother, The Vessel, for all men.'

But men did not understand what this man was saying and they could not understand that the Motherly Way was the Vessel of Life, of Hope, of Direction, of Truth, of continuing on God's Love for each of you. So men, through time, have diminished the Magnitude of These Commandments, and in the diminishing they are forgetting the reality of Them.

First of all, My children, He said: 'I am God. I am The Creator. I am Above all things. I am The One you must look to. Have no other thing before you that takes My place, that stands for Me, that you lean upon. *I am The Lord thy God; thou shalt not have strange ones, strange gods before Me.*' And through time men have diminished this great Rule, this great Command, this great Demand, and men have put many things before The Father.

Men have a way of putting self before The Father. Men have a way of putting material things before

The Father, not to honor Him, but to replace Him. Remember These Words. In the days of Sodom and Gomorrah, they, too, placed many things before The Father.

Another One, My children, is: *'Thou shalt not take the Name of The Lord thy God in vain.'* In reality, The Father said: 'Moses, go out and tell them. Do not use My Name in places profane. Tell them to not use My Name in ridiculous ways. Tell them to hold My Name high so others will see It, not just in the sky but in the Divine Providence. Oh, Moses, teach them the Quality, the Meaning and the Divinity of This Name. Moses, tell them they must not ridicule in any way. Moses, give them This Name, tell them It will become Many Names, but they must hold It above all things in the world. Moses, teach the children how to love Me first, how to respect Me, through the first two Commands I give.'

And Moses, filled with the Wisdom of Light, knew that there was more and more, and he stayed there and he listened to all the Teaching he could. And when he went down to the children, they laughed at him, they mocked him. They even terrorized

him, and so he became angry at them because they could not see what he knew was Truth, and they could not feel what he knew was for their good.

And then, The Father said to Moses: 'Tell men to keep one part of their day, one part of their life for Me alone. I do not take every moment, but tell them to keep Holy certain moments. Tell them to respond only to Me, not to themselves in these moments.' And I, Saint Alphonsus Liguori say, 'Through the beauty of a special day, God offers The Sacrifice of Divine Love, and men are showing great disrespect to It every day.'

And now I come to that one Demand, that one Command: '*Honor Me and Honor The Heavenly Queen above all men.*' Oh, My beloved children, I truly speak and I say, 'It is good to honor man every day. It is good to be respectful of those you love, those you should love, and those who stand in responsible ways.' But I say to you on this day that the Heavenly Court, the Divine Love should be honored today above all men, for without this Great Beauty, there would be no men.

So, as I speak through a child who stands in a fleshly manner, who stands in the worldly way, I, Saint Alphonsus Liguori say, ‘Before you lay your head tonight, before you say, “God, make me right,” say,

*“God, thank You for this life,
and thank You for The Mother
Who was The Vessel to carry
The Life to the world, The
Light to the world, and Who
remained as The Tabernacle
of Divine Purity.”*

Say it, My children. Say it in dignity and in hope. Say it with love and admiration. Say it in devotion and adoration. Say it in petition. Say it in repetition, and say it with a love from your heart.

Remember, The Commandments were given in the order that The Father said They must be: He first, then honor, and then the Soul that He gave each of thee; but then He said automatically, ‘To uphold these Three, the Fourth One must be, for all men to better understand the dignity and the beauty of man.’

I bless you from the Heavens and I bless you with The Heart of The Son, and I bless you with the Light of The Commandments that were given, one by one. So be it.”

MAY 11, 1975 AT 2:11 P.M. (MOTHER'S DAY)

VISION OF OUR HEAVENLY MOTHER

There is a light. It's almost silver, and it's brighter and brighter and brighter, and it's as if it were in a swirl around Her. And there's a sky behind Her and this swirl of light is as a rainbow, and it appears that there is mostly blue; no, it's a purple. No, it shades from a pink, a mauve, an orchid, a purple, and the shade under the pink is almost like a crystal.

Her dress is, it's green but it's that green I've seen Her in before. There's a Crown on Her Head, of emeralds. The Crown is — the Crown is not too high; it's about this high, and it's, it's something like this; and the blue in back of the rainbow is slowly turning to a brighter color. It's almost as if the Light from Her Body is making it brighter, and it's getting brighter and brighter and brighter.

And now the rainbow is raying out, like this; and it's almost as if it's all over and the light is brighter, and She's smiling. Oh, there are Three Angels on this side and Three Angels

on that side, and They have picked up the hues of the rainbow.

OUR HEAVENLY MOTHER

“My beloved children, I speak in a special form on this day. I speak totally of Love, Divine Way. I speak in a loving manner, and I speak requesting each child to examine the truth, to examine the beauty of light.

As the light beats down upon you, the warmth of it is My Love. The rays come from the rainbow and the heat of it from My Body. My garment is green. It is the Hope for the whole world. I have stood at the foot of a Cross, and the color then was red. I come now once again to the world in hope, sharing with all of mankind a Saint Who truly stands at the head.

I say with My Own Lips and I say with My Own Love, ‘I was born of Divine Way.’ Our Relationship upon the earth was to extend to all of mankind The Father’s Will, so all men could learn of The Divine. There was no other way to teach such Profoundness, so The Father sent Three to the world, not to astound the world, not to confound the

world, but to prepare all of mankind for Judgment Day.

The Father has never allowed man to be alone upon the earth. So now, through This Great Miracle, I come to say, ‘The Holy Family comes once again to the earth to repair and to hand back The Father’s Will for all men.’

I hold *the child’s* eyes tightly, for through the shadow of the lid, I hand the light brightly; too much for *the child* to stand. I bless you, My little ones, not only today, but each time you offer a prayer My Way. And I give you a prayer now to say for all time:

‘Heavenly Father, allow me to know Your Will for me and let it show.

Heavenly Mother, hold me tight, enfold me in Your Mantle day and night.

Beloved Saint Joseph, protect me in the physical life so I might enjoy the Beauty of Eternal Light.’ So be it.”

JUNE 11, 1975 AT 5:25 P.M.

SAINT ALPHONSUS LIGUORI

“I know for many of you, it is the first time that such a Miracle as This One has been seen by you. It is a Miracle direct from God, from Heaven, to the world. It is a Miracle on behalf and in behalf of The Beloved Saint Joseph. The whole world has known about This Miracle, for the Teaching and the Direction is straight to you. It passes through *this child* through whom I speak, and as I speak, the Words are direct so the repeating of These Words will bear no mistake in the Content of Them.

My beloved children, I am truly Saint Alphonsus Liguori, and I say, ‘I speak to you with Love from the Heavens today.’ There have been so many Blessings given to this world on many days, and there has been so many Gifts accepted by mankind in a deliberate way.

When I walked the earth, I walked the earth as man, and I gave to God as little as any man. But I come from the Heavens now and I say: ‘Be aware of

a Great Miracle in your day. Be aware of the Truths you must follow for all time, and be aware of The Divine at all times.'

Be blessed by Holiness, and My little ones, reach for the Holiness, for it is The Father's Will for each one.

I wish I could stand in your midst in the way I once stood, but it is now The Father's Will I stand through *a child* such as you. I give All Blessings to you on this day and I bless you from the Heavens in this way, and I say, '*In Nomine Patris, et Filii, et Spiritus Sancti. Amen.*' So be it."

JUNE 11, 1975 AT 5:27 P.M.

THE SACRED HEART

“My beloved children, I am The Sacred Heart. I speak to you with Love, not emotion, but I say to you now, ‘I request from you, through a *child*, action in My Way, action for My Love that I have constantly delivered to the world every day.’

Men are doing unkind things to Me in every way. Men are saying, ‘God, give us a Miracle,’ and I, The Heart, say with the Beat of My Heart, ‘You have a Miracle: the life you know, the physical you feel every day.’

You, My children, must act in Truth. You must follow The Rules that were given to you by a son one day. You must act on These Truths, you must teach others These Truths, and you must see the Value in These Truths for your day. I gave Rules. The Father said, ‘Let all men know,’ so through The Beloved Holy Trinity, the beloved Moses gave you The Rules. He was a man, and through him the Wisdom was passed on for every man.

Have These in the place where you dwell so you will each day be able to look at Them, so you will not go to Hell. Abide by Them, reach out to Them and teach others of Them, for there is much Wisdom in the Teaching in each of Them.

Through These Great Rules, men and women have become Saints. Through These Great Rules, men and women have learned to walk a path, a Beauty of Light, of Hope and of Love, accepting, expecting Justice from Above.

I am truly The Heart and I beat with you today. I am truly the Light of the world and I have come to say: ‘My little ones, be mindful of My Heart, be mindful of My Way, be mindful that I come through a Miracle in your day. Be mindful of the Life to be and be mindful of The Rules that We gave each of thee. Be mindful of prayer and what it will do. Be mindful, My little ones, that I do love you.’ So be it.”

JUNE 17, 1975 AT 3:50 P.M.

OUR HEAVENLY MOTHER

“I repeat, Peter oftentimes said to Me, ‘Mother, as You were His Mother, You must be ours.’ So many children throughout the world must know that I was The Mother of The Son of God. I am The Mother of all children. I am not just Heavenly inspired, but I am Divine in every way and I am of The Father, for one day you will see My Kingdom Here in many ways.

Peter would come to My home. He would say to Me: ‘I know He is on a Throne. Tell me of the Throne He sits upon. Tell me so I can help others know.’ I would say to him, ‘Peter, children of all time will never truly understand the Magnitude of the Throne upon which He sits for all mankind, but in the world and in the time, men will be given definite times to learn of the Beauty of Him.’

And now, My children, you partake in a particular, definite period of time wherein The Father’s Heart says to all mankind: ‘Come to Me. I

created you. I love you. I seek you out.'

Oh, My beloved children, I am truly your Heavenly Mother, and I did, in many ways, give strength to the men whom He left behind, so they would be able to teach mankind the Beauty of Heavenly Ways. I come once again to teach men how to teach others, what to give to others, and how to help other men learn of the privilege, the way and the means of why they were born as men.

Peter would sometimes come to the place where I was and he would say, 'As You have been always full of Grace, teach me to be that way.' And I would lovingly smile at him in a mother's way and say: 'Peter, do His Will. Give His Will to all men who come your way. Go forth into the world and send the Message of Light to their hearts, to their minds, to their bodies, and you will find that in this manner of teaching, this Light of Love, this Delivery of Hope, men will truly come Above. And do not forget, Peter, that as you were chosen for a Particular Task, many men thereafter will be chosen to give the same words, the same way, in a manner of speaking, a manner of

action, a manner of thought, and in a way of charity.'

And now, My children, I say to you, 'You partake in a Miracle, as others must do.' You uphold, you withstand, and you deliver unto man, The Father's Will firsthand. Do not anticipate any action you take, but look to the answer through prayer and do as Peter once did: stand before Me and say to Me, 'Mother, what next?' for there are many thousands of Souls to be saved, many children to be helped, much good to be done, and many Facts to be given to the world, for the Souls' sake. You must walk for the good of Souls. You must walk in the Light of The Father, and you must desire love, His Way, to deliver to other men, for you see, you must love Me. I am your Mother.

I bless you from the Heavens and I say to you now: 'As I once Blessed the Apostles that walked with Him, I bless you from Above. I bless you with Honor, Dignity and Hope. I bless you with Love, a Mother's Way.' And, do not forget that the manner in which you walk has a greater scope than you know, for it is throughout the world for all men to see, for all men to want

the Beauty of seeing, one day, The Holy Trinity. So be it.”

JUNE 25, 1975 AT 11:26 A.M.

SAINT ALPHONSUS LIGUORI

“I, Saint Alphonsus Liguori say, ‘The Power that pours forth through *this child* is to give you strength to better understand that there are many powers used by man, and all powers governed by The Father Himself.’ So be aware, My children, that as He sends forth to the world the Power of life, the Truth of life, and that Beautiful Power for the Soul, of the Soul, in the Soul, remember that the Soul is guided by the will, but the Soul is governed by God. Do you understand What I say to you? There is a Great Lesson, My children, in What has been said by Me.

You must depend upon the powers in the earth for they are governed by The Holy Trinity. You must be aware that all powers, too: the wind, the water, the sun and the moon, were given for your protection, by The Holy One.

And now upon the earth, He sends forth Another Power, His Love for the whole world. Through This

Great *Miracle Of The Beloved Saint Joseph*, He sends to you the Light for your Soul; the Wisdom, the Teaching, the Hope and the Demands that He has for you.

So, be aware of All you are taught, be aware of All you learn, and be aware of the Goal He has for you. Do not walk away from Truth. Do not sidestep what is best for you, and if you are physically ill, know that the powers He gave to the world can help you. If you are emotionally ill, know that the Light of His Way, the Hope He has given will be good for you.

Oh, My children, I stand many times through *this child* and I speak, giving to the world firsthand, God's Love that is not meek. It is Strong, It is Powerful, and It is Hope for the Light to be. So, as you are in the world, you stand on the world, know that you must always look to The Holy Trinity; for, from There comes All Power, from There comes All Truths, from There comes all ways of life for your will.

The Power that shows forth, shines from, extends to the earth on this day, is to give the whole world the strength to stand in the orthodox way,

and be aware of The Rules you must live by. They were given one day, but They have remained for all time, for you see, all the powers in the world would mean nothing if The Rules to live by were not given, one day.

My children, you must understand that a Great Power came to the land, and through the Power The Rules were given. And one day a man did stand; his name, Moses, and he was handed the Wisdom of each Rule, he was handed the Way of each One and he, too, had to one day fade away; but, What he was given, the Strength he showed, was left upon the earth for you to know.

So as I stand Here in the Heavens, I do say: 'The Rules, be aware of, and obey Them every day. The Powers, be assured of. God will leave Them until the end of the world's way. But you must know that in the Strength He has, it is He Who holds together, through the Rays of His Powers, all men and the beloved Church, at last.'

So, as His Hands, as His Rays hold the Powers intact, be aware, My children, that you must seek out, look to, look at, look for, the Goal He has

set for you. I know you understand. I am aware of your degree of understanding, and I say to you, 'The Power of The Father has reached you, the Gift of His Love touched you; the Degree of His Hope for you, in the Wisdom of This Beloved Miracle for each of you.' So be it."

JULY 6, 1975 AT 2:04 P.M.

SAINT ALPHONSUS LIGUORI

“I, Saint Alphonsus Liguori, smile through *this child* and I say: ‘You were programmed at the moment of your conception. You are being programmed man’s way, but you are also, through This Great Miracle, being programmed Divine Way.’ And, many times I have spoken, many times I have taught, many times I have directed, and I say to you now, ‘Eliminate the manipulation, forget the malfunction, watch out for the interpretation, and be wary of the translation men have put upon the programming God set down for you in your day.’

The Commandments were given, The Rules to live by; the Love was shown, the Direction your way. Remember, My children, there is security in the Purity of The Divinity. Be aware of this every day, God’s Way. Have Faith, for in Faith there is security, there is strength, there is hope, inspiration and direction.

And, as I have stood in many courts of law and many theological

cases, I say to you today: 'Watch this place, watch These Words, and be sure that you do not manipulate Them to your own liking, for it was through manipulation, malfunction, that man walked away from the Truth and the True Inspiration. Men walked away to appease themselves, to please themselves, and they began other faiths. They began faiths that would comply with their way of thinking, comply with their lives, and would give them a new strength, only to be immoral in another way.'

And now I say to you, 'Through these things, God The Father must show above all things.' Men place much emphasis on Jesus, Who is God The Son, and men say, 'The Sacred Heart is an Only One.' And men say, 'He was called a "Lord",' and I say to you now, 'The men in the time in which He walked did not call Him "Lord"; they called Him "Jesus".'

So remember, My children, as you walk through the Grounds of This Great Miracle, be aware that Four Names still did not make Him any greater than The God that created All Things, for He was a Part of This God, and men must return to seeking

Him, loving Him and beseeching Him; for, God The Holy Ghost, is The Power and The Wind and The Light and The Love; The Action, The Motion of the Two Above.

Some men call Him 'a Spirit'. This they relate to and say, 'The Spirit is inside me today,' but remember, My children, without The Father and without The Son, The Spirit would be too much for anyone, for The Spirit has the Action of The Father, the Power of The Father. So do not allow men, the Pentecostal ones, to say they have only The Spirit in them, for The Spirit would knock them down, and do not allow false prophets who have manipulated the Truth, caused a malfunction, touch themselves to you.

And now, My children, I say to you from Heaven Where I am, 'A Miracle stands alone.' You are a Miracle of God, in the way of man, and all things that happen within you are Miracles each day, for the blood that flows, the heart that beats, the action that you stand in, the movement of your body, are Miracles of the one Miracle of Life He gave one day.

But as you seek out a Miracle Divine, *The Miracle Of The Beloved Saint Joseph* is directed by The Divine, and many facets there are of This Miracle for you; and many Parts of It are extended to you to give you Strength, to give you Hope, to give you Love, and to give you the Direction to ‘the Kingdom come’.

I have talked many times through *this child*. I have given much Advice, but today I have taught you a Lesson of Great Light.

Oh, My children, man has the ability and limit of description. God is unlimited, so through The Miracle, has given a multitude of Definitions on the orthodox and basic fundamentals He created for all men. Read These over, look into Them well, and feel the Magnitude of Them. And remember, My children, that you must go to Heaven, not to Hell. So be it.”

JULY 20, 1975 AT 2:15 P.M.

SAINT ALPHONSUS LIGUORI

“People in the world need The Miracle. Professional men need This Great Miracle, for I, when I was in the world, was learned in many ways, and I spoke in a manner that some men were confounded by, and I speak oftentimes through *this child*, and today it was I Who said What was printed for you to read. I am Saint Alphonsus Liguori.

This child through whom I speak is more than a mere *instrument* of Divine Hope, Love, Flexibility. *The child is a victim*, not timid, not meek, but bold in her love for The Holy Trinity. Her one desire is that all men will love Him above all things, that they will put themselves and others after their love for Him, Who is All Things.

My beloved children, I speak, not in a court of law but in a court of men, to teach; to teach men the Flexibility of The Father, the Generosity He has, and the Justice He always shows for men to reach Him in Eternity. Men sometimes doubt what they hear, but

they only doubt because they fear they cannot come up to the standards given. But I, Saint Alphonsus Liguori, assure you on this day that the Standards set by God are for the good of every man, in every way.

Be mindful, My children, that as you stand here, you will stand one day at a moment of Judgment, perhaps inconvenient at that time for you, and you will say, ‘I was not yet ready to come, my God.’ And He will look at you and say: ‘It was not your decision to make, but Mine. While you were upon the earth, you had the will to walk for The Divine. I am The Divine, I am Omnipotent, I am your Judge, for I was your Creator. And now I stand you before Me and I say, “As I made the decision of your birth, the time, I now make the decision for your Judgment.”’

Oh, My children, much has been spoken to you today. Much has been given to you today. And I ask you now, I repeat What I said to some the other day, ‘When you were born to the world, was it convenient, the time, for all men concerned?’ And those of you who gave birth to another one, was it convenient, every birth, or did you

have to move, did you have to run? Bear in mind, as your birth was not convenient for anyone, the death of the physical will not be convenient, unless you are prepared to stand readily before Him Who Is All One.

I bless you with Hope and I bless you with Love, for the Power I use through *this child* today is a Power you cannot see nor can you feel; nor can you determine the Greatness of It, the Flexibility of It, the Wisdom It is.

But I say to you, 'Will your moment of leaving the earth be determined by The Greater One or by you, the little one?' There will be no excuses, for you will not have control, but use the physical to walk for the Divine Role, and every moment, use your will. Do not shout a lack of charity, but extend charity so others will begin to know the beauty of what charity is, in a human role.

Be blessed, My children, in a manner you do not understand, but walk in trust, put Him first, and thank Him for the privilege it is to be man, for in no other path, no other way of life, would you have this great privilege of will. Use it, direct it, thank Him

for it, and be sure that you use it in a charitable way, you use it telling Him you love Him, every day; but use it to serve, every moment of every day.

***The child's* weakness is more than you know, but penalty had to be paid for God's Love to show. Speak of God, teach others about Him, and thank Him, every day, for your role. So be it."**

JULY 26, 1975 AT 3:35 P.M.

THE SACRED HEART

“My beloved children, I am The Sacred Heart. I announce Myself in the beginning so those of you who love Me much will share these moments, to a degree that will help you carry on for Me.

I was sent forth to the earth to show children The Father’s Heart, to show life, and to show the meaning of purity. I was sent forth to help men better understand the reality of being man and the reality of a Hereafter.

Men abused Me at the last but I knew that the abuse would not last, but oftentimes, during this particular time, I would say to The Father: ‘Help Me. I do not know if I can endure physically, as man, the abuse, the profanity, the indignities they place upon Me. I could not, even if I were just man.’

I say to you now, from the Heavens Where I am, ‘If you allow certain men to place the rules they have made for you to follow in their way, you will be doomed when you are physically dead.’

You must awaken to the Truth, you must begin to beseech The Father for more Faith, for more hope, for more understanding. You must act and not react. You must give time where it is needed. You must profess, you must confess, and you must have progress, else those who are evil, full of self-love, will lead you astray so you will not come Above.

Oftentimes, children say to Me, ‘Sacred Heart, I love You very much.’ They do not hear My Words to them, for as they love Me, they must love Him, for I am but The Heart of Him and He is Totally All Things. Children sometimes emphasize but One Facet of The Father. Children must realize that in His Omnipotence, He is All Things. I am a Part of Him. I am The Part He has allowed to be seen, and as The Heart beats, It rings out through the world, children hear the Angels sing.

I will give you a verse for you to remember for all days; hold it dear, keep it close, say it often:

***‘Heavenly Father, Beloved
Mother, never let me stray.
Hold me close to Your Hearts
every day. When I am***

despondent, help me to understand it will pass away. When I am fearful, help me to grow more in Faith. Help me to be strong, to be a warrior each day, for the good of my Soul and other men's Souls to return to You, one day. I love You with the beat of my heart; and my littleness is all Yours; for whatever You Will it to be, to do, I ask You to let it be done, Your Way.' So be it."

JULY 27, 1975

SAINT CATHERINE OF SIENA

“My beloved children, I am Saint Catherine of Siena. I have spoken many times. Today I deliver a Message from The Divine, and I say to all peoples in the world: ‘Be aware of being a warrior for God. Be aware of your time. Be aware of the times that went before this time, when The Father sent to the world a particular child to stand as the one who would lead men of all kind.’

I come now and I teach you a Great Lesson, I teach you in a firm manner, and I teach you so you will be able to pass on to others what God Wills for all mankind.

First of all, My children, announce to yourself today, and to others, that you intend to be a warrior for The Father in every way. Secondly, as you do this, bear in mind that to be a true warrior for The Divine, you must first understand The Commandments, The Demands He gave. Third, also you must say to Him: *‘I will give You a degree of time. I will spend more time*

with You, my God, so I will get to better know You and so I will be better able to serve You, in my way.'

The next one, My children, take your home, clean it the physical way, and then pronounce, announce in this home, that certain things will have to be carried out in a loving, giving way. All in this home must know that the home is dedicated to God in every way.

Next, My children, be sure that when men translate to you the given word, transcribe it the correct way, be sure that you understand the lesson in it and the lesson it leads you to, for every day.

I have come many times. I have given many orders through *this child*, and I hold her more deeply now, for you see, I want you all to remember the prayer to be that will lead you daily to The Holy Trinity.

'Forsake me not, my Heavenly Father. Forgive me for all things I do against Thee. Help me to strive for Sainthood. Allow me to be a warrior in Your Name. Teach me to extend to all mankind

***Your Love, Your Mercy, in
Your Name. Help my Faith
grow in what is good. Help
me to know what I am to do.
Help me to see, not beyond my
capabilities, but to the degree
best for me.' So be it."***

JULY 27, 1975

SAINT ALPHONSUS LIGUORI

“There is no place in the world such Teaching occurs, as through This Great Miracle with so many Words. I am Saint Alphonsus Liguori. No podium is needed, no textbooks allowed, only the constant trust of The Divine Above.

So, as I deliver through *this child* to you, a Message of Hope from The Father, through His Heart to you, first, My children, take an accounting of all you do; first in His Name, then in yours. Write a documentary of your daily life. One day will do. Do not become fanatical, do not become ethereal. Do not walk in scruples but walk in truth, with your feet on the ground and your sights on Him.

My children, throughout the world, no man could speak so readily with so much Lesson for each man; only The Heavenly Ones that speak through *this child* at The Father’s Command. Make ready for that time, the inconvenient time, of Judgment for you, by Him. Prepare well, offer

all things in His Name. Request His Help, and whatever you do, make Him your Aim.

I have spoken before many men in the world. I have given many Lessons to many who walked the path of the Men of God, and I have said to them, without them knowing Whom I was, I have said: ‘Walk it straight, take the correct path. Do not dream, do not meditate too long, but use what you are, what you have been given; give it back.’ And the men would listen, thinking it was their thought.

And now, in the world, all men must renew These Thoughts. All men must drive for the Highest Goal, strive for the Highest Goal, and when they find it, they must take care of it, handle it with love, for it is a Gift from The Father Above.

I bless you and I say: ‘No more could you take today on this subject, for you will have enough to do. Remember, one day, take it apart, dissect it, go over it, and then change it for the betterment of you.’ So be it.”

JULY 27, 1975

SAINT JOSEPH

“Nowhere in the world has God ever designed so much, in so little time, through so few men, except, of course, Holy Mother Church, and the Holy Mother Church, designed by The Father, handed to the world by The Son; and The Vessel that carried It, The Tabernacle, was that Heavenly One, The Beloved Mother. I was The Protector even then, and as I stood with Them, I oftentimes would say, ‘Father Above, oh Heavenly One, I feel inadequate sometimes, to walk with such Holy Ones, but I know My Tasks upon this earth are given direct by You, for in the fulfillment of them, I know I must return to You.’

So, children of all races, all colors, all creeds, throughout the world now, I give you My plea: Follow and fulfill and establish your way, for when one day will come, you must return to Him Who Is Truly One. I stand on that Chosen Place, the Land He gave in My Name, but I want you to know, His Name is first at That Place. Remember this, oh, everyone.

I am Saint Joseph. I speak from the Heavens and I speak in a manner and a way: a way of Hope, a way of Love, but a way of Truth for everyone. Tell the children about this Great Place. Teach them to love It. Teach them to desire Grace. Tell them of Her. She is The Vessel that walked upon the earth for everyone. Teach them of Him. He was The Sacrifice, He was a Particular One. Tell them of The Father, Who loves so deep that He gave a Sacrifice for those who are weak.

And, oh, My children, remember this, that as the children flow in that gate, they will one day flow into the Gates of Heaven which are open for everyone. So, when This Place is built, bearing My Name, His first of course, for I do not want fame, I say to you now from Heaven Where I am: ‘You have been Blessed in many ways.’ Do not let pride, do not allow ego work inside, that it destroys you and you receive no Grace. Bear in mind the beauty of your way, and the Gift of your will that you must use every day.

Be subject to no man, only to God. And walk a path, not easy, not hard, but a path of love, a path of

hope, a path of service. And bear in mind, the time that has been given to you from The Divine, must be returned somehow. Every moment of the day, every word that you say, takes time. Use the time and give it to Him. Return it with love. It need not have your signature for He will know from where it comes.

So, be blessed, My children, with the Enlightenment from Heaven, and with the Hope of seeing you Where I am. So be it.”

JULY 27, 1975 AT 8:45 P.M.

GOD THE FATHER

“If I confess I love you, can you return the confession to Me? Can you say, ‘God, I love You above all things and I give You my life totally with love for The Holy Trinity’? I say once again, ‘I confess to you now My Love, My Dedication to the good of your Soul, the benefit of your way, and the hope I have for you every day.’ So I, your Father, say with a True Love, ‘I confess to you today through This Great Miracle, My Love.’

Oh, My children, understand that as I love you as you are man, I am your Father, I am All Things. I created you, I created All Things. I have given you many things, and today I give you My Love, for It is above all things.

I say to you now, not in desperation, but in truth, and yes, admiration, for you are a creation of Mine that I love above all things, you are a creation of The Divine, and as I hand you My Love, I say: ‘Serve Me every day. Hand Me your whole being in every way, and as you do, you will

grow in more love with Me and My Will, for I am The Creator, I am The Love.’ I am not the imitator, for you see, I am The Designer of All Truth, of All Light and All Love.

Be subject to Me, My little ones. Serve Me in every way and I will return, in a later day, the Grace and the Reward for all days. So be it.”

AUGUST 8, 1975 AT 3:00 P.M.

“Wisdom is beyond a practical knowledge. Wisdom is accented in a profound evaluation of a subject, a matter, a means, a manner, an area, beyond the normal, natural expectation or evaluation man can conclude.

Men are sometimes astonished by a profound conclusion. Some might even think it was stimulated by trickery, imagination, or the ability to research knowledge already established but not placed in a pronounced way.

A child chosen by God looks at the Wisdom that pours forth for the good of mankind, in a simple, trusting, obedient way, for when Heaven speaks, the child is so in tune with submission that there is no boundary to the Wisdom that men on the outside sometimes try to place.

In not understanding God’s Ability to use a child, men say, ‘Give me proof.’ The child says, ‘What more proof is there than what is said?’ The child, in reality, does not see confusion in what is occurring, for with God

there is no confusion, only stability and strength.

***This child* through whom I speak is always instilled at the last moment, for to retain the Degree, the Amount, and even the Structure of What must come forth, would take an intellect beyond any man's in the world. *This child* has been prepared to accept moment by moment, Word by Word. It is The Greatest Miracle since the Time when they called Him 'Our Lord'. So be it."**

AUGUST 8, 1975 AT 3:45 P.M.

“Ask yourselves this question: Is Pentecostalism permitted without a firm stand against it, not because of its untruth, but because of how it has been allowed to grow, involving thousands of people, causing men to be afraid to take a stand against it because of the repercussions it could cause? Satan would use this kind of trickery to ‘gum up’ the beautiful mechanism of Holy Mother Church.

Why is it that God, through time, does not use the masses to show His Power, but a single human being? Even in the Major Visions before this, there was always one Visionary that received a greater responsibility than the others included. God does not need people to profound other people. God’s Power is so Great that He, through a link, small, can spread Wisdom, Logic, Foundation, Solid Truth. He does not need men to feel Him, but men to work for Him in a simple way.”

AUGUST 10, 1975 AT 2:01 P.M.

SAINT MARY MAGDALENE

“My beloved children, I am Saint Mary Magdalene. Men are refusing other men the Gift that helped Me to become a Saint. Men are diminishing the Sacrament of Penance, and this was the Sacrament that helped Me to better understand the beauty of telling, the beauty of giving, and the beauty of penance firsthand.

So I want to say to you from the Heavens Where I am, ‘It was through knowing this, through understanding this, through being given the chance to make amends, that I stand Here in the Heavens and I can say to you, “Prepare yourself to become pure, for in this act of love to Him, the act of penance, the act of reparation, you will better understand the purpose and the privilege of the human way, the beauty of the natural way, and God’s Gift to every man.”’ So be it.”

AUGUST 21, 1975 AT 1:00 A.M.

SAINT PIUS X

“Hopes, dreams, ambitions: some are to aid the need of a moment, some to fulfill a desire, and some to accomplish comfort for the limited time upon the earth. I could elaborate upon this portion of this Revealing from the Heavens, but I will limit this part of My time with you.

The world must know that *a child, a woman*, has been placed in the midst of man to extend to all men the Direction of The Father, the Light He delivers in Teaching, Informing, in Transmitting, in endeavoring to give men Strength, Hope, Light, Knowledge, Wisdom, Goal.

Men draw pictures. Some of these pictures are done with an artistic flair and could be described in an articulate way, giving hope, promise, love; some, even despair. I draw you a picture of the world today. The picture is one in which there is a frenzy, a chaotic appearance. There is despair in many ways, every direction. There is no tranquillity, no peace.

There is anxiety, anticipation. Men are shouting 'Progress' and in reality they are causing desecration.

I, My children, am a Saint in the Heavens. My Name you all know. I am Pius X. My Name is as men know Me to be, but I, too, had another name when I walked upon the earth. If I were to announce it, to most it would not mean a thing. This should tell you that men do not always remember what is important to an individual, such as a given name. It is the name that is pronounced and announced in the world that men would cling to, attach things to.

I oftentimes speak through *this child* to the world of men and I say, 'You live in a time worse than Sodom and Gomorrah.' Be aware of What I say. A *child* stands in an aloneness, on a precipice, on a tightrope, in a manner and a means delicate, unique, almost transparent some days. There is no difficulty in her thinking, no confusion in her acts, no anticipation in the results, no preoccupation where submission of her will has taken place, but I announce to the world, through her, that the momentum of This Great Miracle has taken a speed that men

could never compete with, comply with, or even anticipate.

Men take a book. They look at the words, they see the meanings, the definitions that others have placed upon these words, and these words were made up with the alphabet designed by men, allowed by God, so the words form, the words fall into a comfortable manner, stand. Men say: 'It sounds like this. We will throw this letter in and throw that letter in, and we will come up with a word easy to say, palatable'; some intriguing, some quite shallow, but men will always find a meaning, a definition, and they will justify this.

But what men do not understand is that when The Father speaks, the volumes of definitions, the volumes of interpretations, the volumes of translations, He is able to expound in, upon and with, outnumber whatever men could come up with.

I stand in the Heavens and I say: 'Look to the Faith in your heart. Look to the acts you perform each day. Look to the part of your life you submit to His Will. Look to the reasons in which, for which you act.' Ask yourselves

each day, each moment that you think of it: ‘What am I doing to please Him? How much of my life do I render unto Him? What do I say to comfort Him? What more can I do to show Him my love, and let it be true?’

Oh, My children, the world must see This Miracle. The world must know the Validity of It, the Justification of It, the Beauty of It, the Wisdom in It, the Light It has shed for the good of man, the Light It has given to sustain man. Be in hope, rid the world of the chaotic action. Present to the world the Information, the Teaching, the Light and the Hope, that This Great Miracle that The Beloved Saint Joseph is in charge of for the world, let men know that you stand for It, stand in It, and will give your life for It to be delivered in the manner proposed.

I bless you from the Heavens and I bless you with Love. I bless you in a Priestly Way, for it was the vocation of Mine I loved. In the Name of The Heavenly Father, in the hope of His Light, in thanksgiving for His Love, I beseech you to look to Him each day. In Honor of The Heart, in thanksgiving to the Sacrifice, and in love, with the sharing of His Love, I say, ‘Let the

Hope in His Power, the Action of His Wisdom and the Beauty of His Love lead you to Here, beginning today.' So be it."

AUGUST 21, 1975 AT 9:10 P.M.

SAINT PIUS X

“Behold, My children, an era of time, a period of time in which God Himself, from The Divine, whispers the Direction to Here, the Direction to follow, and makes the way clear. Behold, My children, not the last moments, but the moments to begin to understand the privilege of life, the beauty it is to be man. Behold, My children, that great orators spoke on the beauty of time and the difficulties of the time in which they lived. Behold, My children, that all things must balance out according to The Father’s Will and The Rules that He does give.

I speak again. I am Saint Pius X and I say to you, ‘Behold an era in the Church wherein men, some in wickedness, some in doubt, some in fear, some in personal trial, some in misunderstanding, misinterpretation, and following the wrong translation, are diminishing the Faith, the Magnitude of the Church, and the responsibility they have in it.’ Behold, My children, the time of teaching has almost reached a point where men feel

it is no longer necessary. They feel that teaching is a thing of the past, that men can read what is right and men can interpret, and yes, look to the translation themselves.

But I, Saint Pius X say: 'It is not right. Men do not have the capacity, men do not have the Wisdom, and men do not have, truly, the Light, the Light of understanding, the Light of hope, the beauty of Faith, for time has diminished much of this.' Men have related to the humanistic errors and they say, 'It is human to err,' but they forget to add, 'It is human to seek Light.'

Men have softened the blow of justice for themselves, but I say to you on this day and this night, 'Judgment is for The Father, not man.' Justice is The Father's Way for man, so men, in standing in judgment, and yes, determination to interpret what the judgment should be, are fools in the way of man; fools that do not have the ability to distinguish the beauty of truth, the right of justice, and the humility that is in strength, to conceive and to perceive, to admit, and yes, to commit.

I say to you from the Heavens Where I am: 'It is Love through which I come. It is obedience in which I act. It is Faith, the manner in which I arrived Here.'

Many times, in the time I lived upon the earth, I would discuss with men the need for self-discipline. I would talk to them at length regarding the facts that they must, first, deny themselves the physical. Next, they must interest themselves in the Goal for the physical, and then I would talk to them about the beauty of observing Another One, Who was sacrificing to the last. I discussed at length with many men and women, too, the necessities of life and the beauty that life could be for them; and now I say, for each of you.

Men conspire, men inspire, men transpire, and men, in the littleness they are, can teach by their actions, their deeds, their words. Men can elaborate by the very power of their being, their will, to extend hope to other men. Men must understand that preaching has not stopped, teaching has not stopped, Truth has not come to an end, and the beauty and the privilege of a human being, the way of

man, has not stopped, but will go on as long as The Father determines it to be.

So I, Saint Pius X, come to say: ‘*This child* stands in strict obedience. *This child* stands, always with The Father’s Will and committed totally to His Way, not always in love with His Decision or happy with His Judgment or, I would say, in agreement with His Justice, but committed, dedicated in service to follow His, not Opinion but Direction, His Love and His Hope, His Desires for the world.’ And sometimes He looks at her and says, ‘It will be difficult but it will be good for those I am concerned of, for those for whom I am concerned, and for those with whom I speak and cannot be heard.’

I bless you, My children in the world, and I bless you with a Love you cannot know. I do not stand on the pulpit, I do not stand on a podium before Me. I say, ‘I stand in a vision to the whole world: the vision through My Words, the vision through My Lesson, through *a child* who has submitted, to the sound of her voice, a personal commission.’ I bless you and I say, ‘Through her eyes I send Love, through her heart I send Help,

**through her mind I send Wisdom, and
yes, through her body I send Obedience
to God's Will.' So be it."**

AUGUST 24, 1975 AT 1:49 P.M.

SAINT MARY MAGDALENE

“I, Mary Magdalene, say to you on this day, ‘Be aware, My children, that as you walk the human way, you become selfish, you become arrogant, and you respond only to a lack of self-discipline.’ Be aware of self-discipline, be aware of the life it is, the light it is, the hope it is, the security it is, and the consistency of values that self-discipline gives to you.

Men teach, men preach, men shout, ‘God is here.’ And I say to you now, ‘God is everywhere,’ but you try to find Him, sometimes in places where it is easiest for you: dark corners where you are hiding, and yes, in the sin of the world. Even though He is everywhere, I say to you now, that when He finds you in the corners you are not to be, there is sadness there, and He always waits for you to reach out and say, ‘*God, help me.*’ I did, you know, and when I did, I followed Him throughout every place I could. And I would look at His Garment and say, ‘Through the touch of His Garment, men will be healed; through the look

in His Eyes, men will feel the revealing of truth.'

And so it is again in the days in which you live, the time of your time with men, God Himself is giving the Teaching, The Heavenly Mother has come to bless each of you, and The Beloved Joseph says to everyone, 'Come to My Hill, for it is a City governed by Him, it is a City bearing His Name, and He is allowing Me to be The Protector for men throughout This Place, for time.'

Oh, My children, I say to you now, 'The sins against the flesh are many.' You truly live in a time worse than Sodom and Gomorrah. You live in a time where men have no self-discipline and men react in sadness to The Father, against His Will. There is a consistency of immorality, and I have come through This Miracle today to say: 'Bring back to the world, morality. See that it has a consistency to it, in your mind, in your words, in your thoughts, in your deeds, in your vocations, in everything you do; a consistency of values to lead you to Him.'

Men talk about being famous. What is it to be famous? In the next moment, men can turn from you for their moods change, their likes change, their loves change; but, there is only One you must look to, and that is The Creator of All. He will never change. He will always hold out His Hand, He will always extend His Arms. And do as I did, touch the Garment, and you will know that, through It, the Power of Him and the Love that is inside this Garment will show, for the Power is greater than men can know; and the Light that you will feel, the Love that you will learn to know, will be revealed through the slightest touch, for the Glow of Him is so Powerful, It will flow through the Robe.

Be aware, My children, that prayer can be made different ways. Prayer can be an Act of Faith, helping The Father to help another child. Prayer can be an act of charity. Prayer can be casting aside the sins you have. Prayer can be a desire to do His Will alone. And prayer can be a mere thought as you pass Him by, by saying:

'I love You, God; help me today. I do not have the time to stop in and pray, but I am

aware of Where You are. Do not be unaware of where I am today, for in the reality of life, You gave me hope; and in the beauty of hope, I want my life to return to You, for where else could it go?’

My children, I cannot give you a Priestly Blessing, but I have the permission of The Father Himself to hand you the Blessing of Love from a Saint Who walked the human way, and sometimes, on a tightrope. So be it.”

AUGUST 25, 1975 AT 10:10 P.M.

SAINT ALPHONSUS LIGUORI

“Seldom do people say, ‘*I love You, God, in every way.*’ Seldom do children react to the beauty of fact His Way. Seldom do men say, ‘*Your Will alone, my God, in every way.*’ Seldom do children trust in the total manner, means and way. But I say to you now from the Heavens Where I am, ‘I want children to begin to listen, to learn and to act upon a Gift from The Father, firsthand — Faith.’

What is Faith? Faith is a Gift of belief. Faith is a Gift of hope. Faith is a Gift of strength. Faith is a Gift of humility. Faith is a Gift of service. Faith is a Gift of obedience. Faith is a Gift of love, love in a way that extends to every fiber of the body. Faith is truly God’s Love for man, but it is man’s love for God also.

And now I say to you another Lesson. I, Saint Alphonsus Liguori, want you to think much on this next word, ‘will’. You say: ‘I will do this. I will not do this. I will these things to be done my way. I will not have these

things done another way. I will send this object, letter, decree, and I expect an answer.' Man's will is limited by man.

Now I say: 'This is the true meaning of your will for The Holy Trinity: The heart of your whole being is the will of doing, not doing; accepting, rejecting truth, untruth. The heart, the motor that keeps the physical going is a parallel to the will, for in reality, the will is the heart of your action, mental, Spiritual, yes, and even physical. But the motor, the heart of the body, has been designed by The Father to pump, pump, pump, and extend the motion for the body, to sustain it. And now, the will, the heart of all the other parts of the human way: Think of your will as the heart of action, motivation, light, hope, sound, love. Think of your will as the motor of intention, the motor of submission to Divine Will.'

I have spoken in terms you are not used to hearing, but I want you to hear this Revealing again and to think about It, for you walk in two hearts today: one, the one that sustains the body; the other, that sustains

everything you are, everything you do, and what you think.

I bless you from the Heavens and I say: ‘You are gifted children in many ways for you have Faith, a Gift from The Father: Faith to believe in What He Is, How He Would Work, How He Stands, and the Goal of your life, and the Goal for your life to be. You have a will, the heart of your life, a heart of everything you stand for.’ Remember these two things from now on. So be it.”

SEPTEMBER 9, 1975 AT 11:00 P.M.

GOD THE FATHER

“I want the whole world to picture the daily life of the individual. Now I want the whole world of mankind to imagine a great door of magnificent size, shutting out the world and enclosing themselves in the world of Mine. Let Us now see what obvious Beauties, Gifts and Advantages are behind these doors. First, everything the world cannot offer, Eternity with Me: the Beauty and Glory of Whom I Am, How I Am, What I Am. Second, All of Eternity with Me. In reality, no man would want to leave What is behind this great door of Spirituality.

I have placed upon the earth a *child*; perhaps not a child as men think one to be, but most certainly a *child* of Me, to Me, for Me. I have entrusted many obligations, many burdens, many privileges, never a substitute for *this child*, in My Honor, in My Way, in My Light, and in Whom I Am. I am more than The Father of mankind; I am The Creator of, for the direct path for all subjects to Me, all subject to Me, all subjective to My Will.

I announce through *this child* as she stands in such a natural form, living through breathing, service through living, and giving through service: My Wisdom, My Light, My Direction and Hope for all of My world, all of My Souls, all of My Love for mankind. Prior to this Great Announcement that I have given to the world a Miracle of Light, I allowed men to see the world in what they term ‘a normal light’. But now, in True Essence, I shine forth through Wisdom in Teaching via a simple form, the sound, fundamental, basic Logic that I established, the One True Denomination of Faith, Structure of Spiritual growth, for the whole world.

***The child* through whom I speak is about to journey on a commission of My Love for the world. Her pleading to restrict this journey to a particular length of time, to constrict this journey to another time, has been ignored by Me, because I am aware of the tremendous conflict in the world I created: the conflict of substantial, fundamental, obligatory Truths, against the shallow, negative, impetuous, perverted miscalculation**

of factual, productive paths to Eternal Strengths, Light and Goals.

The child is more subject to Me than any man knows. She bears well a facade of worldly measure, worldly love, for it is My Will it be done this way, for mankind to understand and to be happy in the way of man. But, in behalf of her place, she stands in an aloneness, reflecting only the Gift of My Grace. Seldom have I chosen such a *victim*. Seldom have I come to the world so openly, so naturally, so lovingly, so productively, as I do in the time in which you live.

Men say, 'God.' Others say, 'Sanctity.' Groups pronounce infidelity. Segments of mankind cringe with the faculties that other men must show: a Strength, a Faith, in Faith, for Faith, with Faith. Men shout, 'Why her, why not me?' And I, The Father, say: 'In creating All Things I left nothing amiss or out. In, not just sanctioning a *child's* path, but choosing it to be, I would see that all the things necessary would be to the advantage of the Souls I wanted to return to Me; not to conquer, but to return with a love and a desire of necessity.'

I have Blessed the world. I bless it again and again through *a child* so subservient to Me that she knows no other way but to accept the beckon of My Call without question; to walk where no men would walk, knowing there could be deception; never questioning My Reason nor My Will, but oftentimes crying out through the aloneness she feels, the stillness of the air, the suffocation of My Love, that span in the funnel between Heaven and earth, unbearable to accept, impossible to know, and yet accepting in Faith, the Beauty of Me alone.

I bless the whole world through This Gift of Love, and I reach out to all men and I say, ‘Cling to My Garment, respond to My Will, respect Whom I Am, and be aware that as I created All Things I have never allowed man, left man to be alone in only despair.’ I project Hope in the manner I know it must be, and today I hand Hope to the world, Blessed by a Name dear to Me: a Part of Myself, a Creation of Mine, Joseph, Who, yes, arrived from The Purely Divine, accepted His Mission for the good of mankind, and Who now permeates the world with the Wisdom of The Divine. So be it.”

OCTOBER 2, 1975 AT 12:35 A.M.

SAINT BARNABAS

“I am Saint Barnabas. You must know, My children, that to walk in a particular role for Divine Mystery, Mastery, Piety, Purity, Commission, Demand, is a privileged path, means, manner, way, role. So many children throughout the world try to walk a path such as this. They encounter many difficulties and much, sometimes, imagination. Where a path is chosen through Divine Love, by Divine Love, Hope and Intention, the path is oftentimes a path of burden, a path of understanding, not apprehension, but you must see that any Divine Guidance that comes to the earth, is sent to the earth, is done in a manner almost naturally.

Many men profess to believe, to have Faith, to desire what The Father Wills. These very same men, under fire, would relinquish all things for the moment to attain either satisfaction, acclaim, understanding, or perhaps a delay in judgment by another man. Politically speaking, men adjust their lives to and with and in, also according

to the desires and the plans acceptable by other men.

A child responsible totally to God for every act sometimes may appear political, but if you will but look into the depth of the action, the quality of the action, you will see only the correct love for The Holy Trinity administered through the action, rather than the reaction to what men do and think.

A total summation of what I have said thus far is this: You stand, not in the mere throes of a Miracle, but in the actual Action of It in the world. It will one day be written up by particular men, but it is and it will be as *this child* has often said: 'No man will ever be able to write what has just occurred.' This is true. Even those who are present do not see nor feel the Depth nor the Magnitude of each step.

So, you have been Blessed in many ways. You are participants in a true fight, a total war, for the Will of The Father to be seen, to be accepted, and to be followed. Many corrections will have to be accomplished in the world. It is true it will take time, but

then, who owns your time? You? Not really. God? Definitely.

So I, Saint Barnabas, say to you today in your time: ‘Be alert to All Words spoken to you from The Divine. Perhaps the Lesson will not be full Light to you at this moment or at any moment you hear It, but at a time when you need to act, you will find the decision easier, for you will have not only Evidence behind you, but the Light to be able to determine the correct act.’

I bless you from the Heavens and I say: ‘An orderly life has much happiness in it. A life with turmoil cannot see the Beauty of The Holy Trinity, for it is too distracted in manner and way, uncontrolled, sometimes by the lack of peace in it.’ I bless you and I say, ‘You are warriors for God in your day.’ So be it.”

OCTOBER 3, 1975 AT 12:05 A.M.

SAINT JOSEPH

“You cannot love man without loving God. You cannot love God unless you love man. There is a pattern of degree, there is a pattern of force, there is a pattern of balance, for you see, The Father sends to the world men’s attention to each other, men’s need for the companionship of woman and brother.

There are so many things in this world, My children, that men take for granted, but through This Great Miracle bearing My Name, men will begin to see the Beauty of God’s Balance and the Truth of His Aim. So many children in the world procrastinate in accepting others in a manner and in a degree feasible, acceptable, advisable, and I say, necessary.

Many men can promote great things. The Father says, ‘Promote Me.’ Many men can elaborate on given areas of life, science; and God says, ‘Elaborate on Me.’ Many men can be what men term ‘professional’ in the world, and God says, ‘Be professional

for Me.’ Many men can be intellectual and accept many things. They can speak in a profound manner on a given subject, and God says, ‘Speak of Me.’ So, in the world He sends *a child*, totally submissive to His Will, not the desires of men, not for self-acclaim, and He says, ‘I will send Those of My Kingdom Who will speak My Name before all men.’

So, My children, it is in your time that a Miracle has been brought forth to the world. It bears My Name. It is for the good of all in the world, and I, Saint Joseph, proclaim: ‘Listen to the Wisdom. Be aware of It, beware of It, seek the Beauty in It, and look to the advantages and the gain.’ Do not tear It apart so much that you distort the Purity in It, the Piety It gives, the Profoundness It shows and the Beauty It stands in.

I bless you from the Heavens, all children in the world, and I say, ‘You are Blessed through a Miracle, God-given, in your day.’ *A child* stands alone. Men say, ‘Why her, why not me?’ And The Father says, ‘Listen to the Stories, listen to the Truth, and you will say, “Thank You, God, that You did not choose me.”’

So I bless you with Truth, I bless you with Proof. I bless you with Hope and I say to you: ‘Thank The Father for the Blessings. Thank Him for the privilege and accept your capacity, for you see, in the capacity you stand, you will gain much Grace in the Realm of The Holy Trinity.’ So be it.”

JANUARY 4, 1976 AT 2:45 P.M.

GOD THE FATHER

“Enough are not interested in Who I Am, enough are not interested in how I work, but it was this way one day a long time ago. Those who walked with My Son were few in number at given times, and that is why He had to go to many places upon the earth. Many times, He was sent from one spot to the next, to gather men, to teach them, to instill in them, for they would have to face a test. And He would say, ‘You must learn right today, for you must pass It on to others in a very special way.’

There are many times upon the earth that men shout, ‘*God, a Miracle.*’ I send a Miracle today, and how many men say, ‘*Thank You, God, for The Miracle of our day*’?

My children, I am truly The Father of all men upon the earth. I am truly The One that holds all things in place, and I am truly The One Who stands through *this child* in every way. I am truly The Giver of life, and I am truly The Beholder of

Judgment Time. I am truly The One you have come to hear, and I am truly The One that holds This Place dear. I am truly The One that has set forth upon this earth *this child* like you, for what it is worth. I am truly The One Who gave to you responsibility to return yourself to Me, to spend with Me All Eternity. Sometimes in your selfishness, sometimes in your weakness, sometimes in your little knowledge, you forget Me.

I come through *a child* such as you, who is totally given to Divine Will, responsible only to Me. I come through her because I love you totally. I do not say, 'Let the sins pass by,' and I do not say, 'Pass by your sins,' but I do say, 'Look to Me, for in the looking, you will find the Beauty of My Way and the hope I have for each of thee.'

***A woman*, in the world, subject to Me. Do not forget, at one time I sent forth to the world a Part of Me. She was a Woman, and She, in Her Walk, in Her Way, worked totally My Way for each of thee. And through Her came Another Part of Me, a Son. I did not ask a Daughter to hang upon a tree. I asked a Son, for I knew it was more in keeping with His Way.**

And then there was Another Son, a Part of Me that was The Protector until that time, but I knew that though He protected all the time, He was the Gentleness of Me; He was the Hope, the Love, in a different way than She, and He could not have stood by to see the suffering that had to be, because of mankind, for Me, and I knew, when I took Him from the earth, That Part of Me that was what men call 'Humility'.

I said to Him, 'Joseph, that is Your given Name.' And He smiled at Me and He said: 'A good Name, My Father, and I know it will remain. The Part of You, of Which I am, will be seen one day, I know, but I beseech You to let men stand strong before that time, for it seems so long to go. They must know Who You are, My Father. They must know how Beautiful You are. They must feel the Greatness of Your Way, of the Beauty of near and far.' And I said to Joseph, 'Ah, yes, My Son, men will be weak all the time, but through the Teachings, one by one, they will grow to love Me in the way I desire them to be.'

So I, your Father, truly speak, no matter what any man says. Remember, My children, I love you; I created you

and I want you to return to Me. So, Here in the Heavens, I speak down to you, around to you, through *a child* such as you, and I say, 'This Place I have set aside to bespeak My Name, to teach all children throughout the world the beauty of life in every way, to enjoy the physical, relax the mental and grow in the Spiritual. Bear in mind this is a trinity, but bear in mind that as I Am One, I Am All Things.'

And oftentimes, *the child* through whom I speak says, 'God, I am so physically weak.' And I say to her, 'Ah yes, I made you so to prove My Power, to prove My Strength, to prove My Greatness, for all children to become Saints.' And as I speak through her, I say to you on this day, 'I am not a myth, I am not a physical, I am what you would term "The Divine Mystical".'

So be aware of the Lesson you have learned, and be aware of the path you must take. The Power I Am is so Great. *The child* is held by It. There is not a child present here today, hearing My Words, that does not see the Power of Me through her.

Be aware of false prophets, My little ones; they were in My Son's time. Be aware of the Beauty of The Divine, and be aware of the Soul I gave you, not in a capsule, for in a capsule It would be closed in, but I gave It to you with the Beauty of My Will, so you would return It to Me as I demand.

I bless you from the Heavens. I bless you with a Light and I bless you with a Hope, for I created you through a means and a manner, a balanced way, for you to return to Me your Soul. So be it."

APRIL 12, 1976 AT 9:00 P.M.

GOD THE FATHER

“My beloved children, I speak to you, not from around the world for I am with you in your part of the world. I am The Creator of the world so I have the advantage to move where I am, where I please, where I desire to be, for I am All Parts of the earth and the earth is All Parts of Me. As things grow upon the earth, so does My Love, so does My Gift of Creativity. As things become in a motion way, they are of Me. I am Motivation, I am Motion, I am Exactness, I am Truth, I am Balance. Remember this.

You work, perhaps in the blindness of Faith. I am the Blindness of Faith, and in Me the Blindness is My Love for you no matter what you do, the Flexibility of which I am, the Hope that I am, the Love that I am. Men put a great emphasis on love, but I, your Father, come to you today, in your day and your time, in your position of life and in your effort to please Me.

Time is timeless to Me, but what about the time you spend awakening

in the morning to the light of the day, to the motion of the day, to the activation of the day, the motivation of the day, the perpetuation of the day, the procedure of the day; do you not think of Me? for it is I Who have given you this day.

Some men never think of Me in this way, but remember, when the light flickers it presents to you the dawn of a new day, and in the dawn of a new day much can occur, for your body reacts to the light, the light of the day you react to. Then can you not react to the Light of Me, the Love I have for each of thee? Remember, when you awaken you feel the light of the day, and many of you say it is in this great moment: the step of light, this activation of light, that you feel the most strength; and as the light dwindles through the day, you become tired.

Oh, My children, can you not put the parallel in your life, what light is in your day, what light is to you? Then, does it not make reason to you that the Light of your Soul makes Me respond to the beauty I presented upon the earth through you? The Light of your Soul is My Love, My Communication, and as It grows brighter than when I

gave It, I say, 'Ah, the child knows I am Hope, I am Love, I am a Light.'

That is why I sent forth to the world *this child* who sees only the brightness of things, loves only the brightness of things, for in the brightness of all things there is life, there is hope, there is generosity, there is meaning, there is motivation, there is activation, there is projection.

Oh, My children, I speak in a natural tone. I speak in a natural way, in a natural means, through *this child* who is totally submissive to Me. I have jested many times, through her, about her littleness, but I, your Father, say on this day, 'Without the jesting you could not relax under the Power I Am and in the distinct Ray of My Hope for you.' I, your Father, say, 'If there was no lightness to the Light, men could not stand the Power and the Pressure of the Ray.'

I have picked *a child* in a lonely position, a lonely spot, and through her I am illuminated to the world in My Love, My Hope, My Desire, My Will, and the Goal I chose for each man to reach. Every fiber of *this child's* body speaks, every cell of her being reacts

to Me, and through the reaction to Me, she must act accordingly.

You say, ‘God, You speak in my tongue, You speak in the manner I understand.’ And I say to you, ‘Ah, did I not create man, did I not give men the distinct difference of place, of time, of action?’ There is an excitement in action, in difference. Can you not see this? But the Goal is the same. If all men spoke the same language, if all men looked the same, would there not be a lack of activity, a lack of motivation? But yet, I have created all men in the same form, and yet look differently. Then, would I not take this and put them with a different sound so they could be alive with love, hope, understanding, and see the Magnitude of My Creations?

One man I created like the sea: turbulent, excitable, motion, determined. Another man I put as the desert: solid, monotone, stable, colorful, firm, and with the slight shifting, giving the activation a scene; and then I gave the other man the power of life to drive others on, the power of growth, and the desire to show that from a seed much will grow.

Did I not make men to the Image and Likeness of Me? And did I not give men the parallel to all I created, and make men the parallel of this? Ah yes, I did. Think about it. I do not ask you to understand it. You cannot; for, you take one man, he is placid; one man, he is motivated by something, ah, he sees. One man is activated by intelligence. Another man is given the beauty to create happiness for others to see. And through all this, men use these great things, these Gifts I have given, for immorality. I am your Father. I say, 'Turn all things into the beauty of the Goal I have presented them, for all men to see and for all men to pay Homage and Glory to Me.'

I Am The Father. I Am The Giver. I Am The Light. I Am The Hope, I Am The Desire, I Am The Goal, for men to return all things to Me. All children in the world must learn to love Me. They must learn to see that a Higher Being, of Which I Am, Whom I Am, gave Light, gave Love, gave Hope, Sacrifice, and Learning and Teaching for men to better grasp what this physical life is all about.

I did not say to a tree, 'If you produce many trees I will honor you,

I will glorify you.’ Ah, no. I gave the tree to the earth for many things. I gave the tree to the earth to stabilize the earth, to give beauty to the earth, ah, and to give men the woods for shelter, to give men the fruit to sustain themselves, and to give men the beauty of fruitfulness I intended for them to use and to see.

I gave you the sea. I gave you the waters for all different purposes. I gave you the water to balance things. I gave you the fluid of life. I gave you All Things I Am, in a distinctive manner, in a manner of distinction. I gave you Part of Me.

And I now request upon the earth that *this child* stand for What I Am, Whom I Am, and how I want men to be. The Mission is difficult, burdensome, lonely and perpetual, but in the world men are insensitive to Whom I Am, insensitive to What I have given, insensitive to What I request, insensitive to the Goal I demand and I command for them. Through *this child* I give Whom I Am. I am not subject to you. I am The Creator of you. I am The Creator of the world, and I have come lovingly through *a child* such as you, to once again give you the chance

to better understand what you are all about, and for you to return to Me.

I bless you in My Name and I bless you with My Heart, and I bless you with The Sacrifice of Life I have laid upon the earth, I have given to the earth, and I have allowed to stay upon the earth, which men are destroying at this moment; and I bless you with The Light Whom I Am. So be it.”

JUNE 6, 1976 AT 1:56 P.M.

SAINT ALPHONSUS LIGUORI

“I beg of you, I, Saint Alphonsus Liguori, do not allow yourselves to be brought or talked into the briar patches. They are all around you, and sometimes, even though you have the ability to escape many things, you may not have the ability nor the strength to escape your own ego, your own pride, your own need, nor the positive action of doing things. Many men throughout the world feel so positive, that they are eliminating The Father from all they do.

Oh, My children, I truly speak from the Heavens Where I am, and I say to you: ‘Be aware of the briar patches. Be aware of untruths and be aware of the heresies that could envelop you. Be aware of all things you are involved in, and be aware of all who try to lead you into sin. Be aware also, that in your intellect you do not mistake the values of life, the beauty of truth, nor the Greatness of God, for your own sake.’

There are many parts of each of you, My little ones. You have a will, you have a heart, and yes, you have many innate features, and do not forget, that through the will you will say 'Yes' or 'No.' And through your heritage you might be put into many, many places where not just sacrifice will come, but decisions on what to do for the rest of your life.

I say to you now from Heaven Where I am, 'Divide your life into four pieces.' *The child* will show you what I mean. Take your life, My little ones, and remember, each one goes through childhood, each one goes through vocation, each one has a social life, and yes, up here, is preparation. So take the four pieces that each of you all know, and take them one by one, look into them well and let the best of you show, for as a child you are responsible for all the things you do, for do not forget, the Gift of Faith was bestowed upon each of you. So do not deny the Gift of Faith that was given to you way deep inside by The Father Who created you.

And then, when you look to the social life, you will meet people of all kinds, and be concerned, each of you,

for how you act. Do not forget, as you are man, in mankind, you must demand respect. Dignity must come natural, respect gives assurance, and do not forget, the vocation of life brings you into other areas where men will try to intrigue you.

And then, of course, what is left, My little ones, the Goal of life, the Goal you were set forth upon the earth to accomplish, for each of you. You must be aware each day of the Soul The Father gave to you, and do not feel you are smarter than you are, for do not forget, you could fall if you do. And people will always wonder about you, and do not forget, My children, that every day when you awaken you would be wise to say, *'God, let me today see Your Will before I am mistaken.'*

So be blessed, My little ones, and as I pace back and forth as I speak through *this child* on this day, it is because I oftentimes stood in a court of law and gave direction that way. But I say today, that many times I looked at the whole situation and I would shout, not to my conscience, oh no, but to The Father of All, and say: 'Am I doing right? Is this the truth I am displaying today, or am I just looking

for my own sake, to accomplish what I want today?’

So keep this in mind, My little ones, for I truly stand Here in the Heavens now. It was a long path upon the earth, and I have been given the privilege to come through This Great Miracle, not to give *this child* tests, but to hand you the Beauty of Wisdom, which, in many ways has to be learned, acted upon, and yes, held withinside, only used when it is right, it is logical and the time is good. So be it.”

JUNE 27, 1976 AT 2:44 P.M.

SAINT GERARD

“At the moment of conception, the life of the cells is the life of God. At the moment of conception, as the cells meet, God preordained these cells would form a human body. At this moment of life, there are many things in the formation of these cells: the form of a body, consisting of a mind, a brain, a heart, a motor. The insides of a human form all take form so that the physical can move upon the earth, can live upon the earth. But along with this, God plants other things.

First of all, He places the Unknown, the Soul that will never be seen, only through the reflection of the physical actions. He places a will, He places a personality, He places a nature, He places desire, He places hope, He places Faith, He places intellect, He places all the things that will help this body act upon the earth.

I am Saint Gerard, and if I were to walk into this room as a man, you would not see my Soul, you would not see my will, you would not see my

personality, you would not see all the things I just mentioned to you. But through my actions of my physical, I would reflect all the things I am.

My body lives, my Soul never dies; but, when my body dies, my Soul must return to Him. So then, how can you say that the body is the Soul? The Soul is an Important Part of the body, as the will is, and of course, the Soul is the Highest Part of any man's body. The Soul you cannot see, but The Father in the Heavens has made you conscious of the fact that you have a Soul, a Portion of yourself you cannot see, but that Portion of yourself that grows with your Faith, your hope, your love, with your vocation of life.

The Soul is a Light of His Love, blended with the light of your life, your love. The Soul is the Portion of you, the Part of you that will return, will never die. The body itself is not the Soul. It would be imperfect then, for no body is perfect. The Soul is God's Light, the Spirit of Love of God. The Soul must return to Him, and He will have to wait for that body, and so will you, until Judgment Day. Does that make sense to all of you? So be it."

JUNE 27, 1976 AT 3:26 P.M.

GOD THE FATHER

“I come to you on this day and I say: ‘I am The Father of All. I am The Creator of All Men, and I am The Creator of All Things. I am the Visible Sign and I am the Invisible Sign for you to see.’

You oftentimes call My Name, and I answer you in My Own Way, for I heard the pleas of a Part of Me on a Cross men built one day; and I look into your hearts and I look into your motives, I look into your needs and I look into your whole being, for you see, it is from Me.

And through This Great Miracle of Light, through This Great Miracle of Hope, I send once again to the world a Part of Me I want the whole world to see and to know. I want men of all races, all colors, all creeds, to see the Magnitude of Him for Me. At the time before He left the world, no one really saw His leaving, but I return now to you and say, ‘As He once protected Me upon the earth, He comes today through *a child* to protect Me once

again, for men are trying to destroy Me and what I built to save men.'

So through *this child* I come and say, 'It is I, your Father, Who speaks today, and in this speaking, know, you are not foolish to love Me.' You must remember I Always Was and Always Will Be. The earth will move, and men will make mistakes, but I am never in error, and I have come to the earth once again to give Hope.

A *child* stands before you, such as you, but I am The Commander of this great army, and today I command you: Walk in the light of reality. Walk in the truth of logic. Walk in the beauty of hope, and when you do, you will share a love with Me, because I created you. Do not forget, I am your Father. And men say I do not speak, and when they say this, say to them, 'Does your heart beat?' And if they have to answer 'Yes,' then I want you to say this to them: 'As your heart beats, The Father speaks.'

I bless you from the Heavens with a Love you cannot know, for I am your Father and I love you so. But as your heart beats, remember, it is I Who speaks. So be it."

AUGUST 1, 1976 AT 2:40 P.M.

SAINT ALPHONSUS LIGUORI

“Pentecostalism is the gravest, most serious heresy in practice among men in the world today.

Pentecostalism is more than men are saying it is. First of all, Pentecostalism is a parallel to the time in which Lucifer, feeling he had the Great Powers of The Holy Spirit, insulted The Father, but also was disobedient and had to be cast out of the Heavens because, through his wrong use of the Powers of the Heavens, he was trying to become equal to The Father and to The Son.

The Holy Spirit is the Greatest Mystery of The Holy Trinity because It is the Light, the Wisdom, the Power and the Hope; and the Magnitude It is, is Far Greater than any man or Angel could comprehend. There is a Beauty in The Holy Spirit because It is All the Things God Is, in relationship to the Power of Creation and the Power of Wisdom.

Men have put so much emphasis on the Mystery of The Holy Trinity,

trying desperately to be a part, a personal portion of this Mystery, that they have taken this Mystery and are using It as Lucifer did, to express themselves, to seek attention to themselves, falsifying What The Holy Spirit truly Is.

The Holy Spirit is of God; and God, in His Mercy and Love for man, has always limited man in having powers that show great manifestation beyond human realm. The greatest power God gave to each man was the power of the will to make decisions; beyond that men are limited.

Lucifer hates mankind, for all men born to the world have the chance to return to God to spend All Eternity with Him.

Pentecostalism is not only marked by Lucifer's action, in the parallel to his time, but men have become so self-righteous, so powerful in their active tongues and their active healing, and in their disturbing influence of emotionalism, sensitivity in Church and other places, that Pentecostalism has downgraded the Institution of Holy Mother Church.

The emphasis is on the power, not on the True Creator and the Sacrifice given to the world. It would be better for men to walk with God, seek only His Love, and accept The Holy Spirit as His Power, as the Mystery It is, and depend upon This Part of God in the degree God intends.”

AUGUST 11, 1976 AT 3:05 A.M.

SAINT ALPHONSUS LIGUORI

“Pentecostalism puts the emphasis on what man can do. It eliminates the Power of God. It puts The Father and The Son in the background. Pentecostalism is man’s development of the Gifts of The Holy Spirit within himself. It builds a man’s pride and ego, saying that he is exceptional, unusual, powerful, and has strengths beyond the ordinary measures.

Pentecostalism is, in reality, a thief trying desperately to steal the Powers of God that only He has the Wisdom to control and the Wisdom to deliver as He Wills it to be done. Pentecostalism is thriving on the pride, on the ego and the senses of men. Men will have to perish if they do not come out of this emotional drive to be able to be equal to God in many ways.

Satan has inspired this movement. It is to stimulate man’s thinking so man will no longer need to turn to God. It should be obvious in many ways that satan is using man for his own way. If men will but stop

and realize that satan is jealous of man; when God cast satan, who was an angel by His Side, out of the Heavens because of his trying to do the things that he knew God had the Power to do, men must realize that they are being made fools of by this evil one. When are men going to realize and try to understand that they are being used by the foul play of the demons and by the leader of them, satan?

Man does not have the power he wants to have. God, knowing man, had to limit the degree that man could utilize his talents, his senses, his will. The freedom of a will does not say what men feel it says. The freedom of the will is the only power that man truly has: the power to say 'Yes,' the power to say 'No,' the power to participate, the power to just stay away from situations, people.

So many men in the world are trying desperately to become obvious to others, examples to others, and popular. Some men thrive on being the center of attention. This is the evil one's way.

When a Blessing is of God, the Blessing is controlled by Him, and

there is no way for the person that God is using to perform great Miracles; all Miracles are decided upon by God, performed by Him, and yes, resolved by Him.

There are many, many moments ahead when men will read many Revelations on what Pentecostalism is truly about. Some will be shocked. Some will cast Them aside because it does not please them, but hopefully, a great group of men and women will open their eyes and their hearts to the reality, to the logic and to the beauty of walking with God, and not trying to compete with Him, use the Power He has.

People must learn to be satisfied and to use their time and their energies, their hopes, to help others in the world. And all people must learn that survival of the fittest is not a selfish survival but a life of giving, serving, extending oneself with the true meaning of charity involved.

Charity is many things. Charity is sometimes saying 'No,' sometimes saying 'Yes.' Charity is sometimes not giving, and yet at other times to give is a great charity. Charity is standing

up for the Truth, to be example for others. Charity is being discreet. Charity is kindness and yet not compromise. Charity is sensitive but not patronizing. Charity is stability and hope. Charity is forgiveness, and yet forgiveness to the point where it does not weaken another man or woman: charity with understanding; charity with the staunchness of being a warrior for God, not dominance over other men but example to them, for them.

One of the greatest acts of charity is to reflect every day, belief in the Ten Commandments, belief in that God truly Exists, and to believe that the Power of Sacrifice, the Physical Life He gave has a strength in It when we receive Him, that nothing else in the world has.

Belief in God's Way can be the greatest charity we can give another man, because belief in God's Way says we have the Faith to believe that only God can do all things. How can one say they have charity if they only feel that charity is a monetary measure? Sometimes a monetary measure is far from charity; it is selfishness, pride, ego, possessiveness, and yes, used to

control men's lives, men's wills. Men must stop thinking of charity in a monetary measure.

**I am Saint Alphonsus Liguori.
So be it."**

SEPTEMBER 11, 1976 AT 12:15 P.M.

SAINT ALPHONSUS LIGUORI

“Many people throughout the world could not be termed religious. Many are, in essence, sanctimonious, indifferent, and paganistic in their views. Throughout the world, people are being instructed in, convinced of the fact that the God they learned about, felt existed, cannot be. The theory behind this is motivated by satan, God’s enemy.

Let Me describe to you a man who believes in the One True God. He is a man of Faith, a man of justice, and one in which, through which, by which, other men feel sincerity in how he walks, integrity in how he works, and dignity in every movement of his way. He is not self-righteous but his person bears with it right. He does not condemn but he does have the strength to reject what he knows is against his beliefs and his Goal of life. Many men are envious of this person because he seems to know where he is going, feel what he has, and the strength to stand up for what he believes in.

I am Saint Alphonsus Liguori. The greatest prayer that men in the world can say is this:

‘God, help me to stand how I must, how You Will it to be. God, help me to trust only in You. God, give me the courage to face the tests. God, help me to be humble so I can teach other men.

God, thank You for The Commandments that You gave to all men, The Rules of life, for without Them I would have no guidelines to follow; I would have been deserted because, in my littleness, there would have been no direction. Thank You for loving mankind so much You took the time to send the Direction for us to reach perfection.

I love You, God, in my own way. Please help me to never stray. And, when I let go of Your Hand, please God, reach further out to me, for remember, I am only man.’ So be it.”

SEPTEMBER 24, 1976 AT 6:45 P.M.

SAINT AUGUSTINE

“A task: What do you do with it? Permission: How do you handle it? The accent on reality: Where does it go? The purpose of the task: Is it for a higher goal? The reality of your participation in it: Does it weaken you, interest you, strengthen you, create adventure in you, or does it leave you cold?

A task for The Father is different than a task ordinary to man, for a task for The Father is not judged by Faith, but acted upon, with and in Faith. Judgment is The Father’s Privilege, Way, Will, for all men. A task to give others Life, Light, Hope, is a task that should be accepted with joy, and yes, love. No man is expected to understand the Will of The Father; just be obedient to It for the Goal He intends It to be.

Perfection is not man’s to enjoy, but perfection, purification is for men to seek. No man is capable of the perfection, the purification he wants. So, to be critical, to have lack

of understanding is not reality. Reach for perfection, reach for purification, and do not feel you have it, for it will take many hours of concentration on the Ten Commandments, in the understanding Them and living Them, that will create the perfection of the physical role. Do not use meditation alone as a form of communication, for meditation can sometimes draw you away from the Throne.

Many men in the world are unsatisfied with how they are, who they are, and the reason they were born. I, My children, am a Saint, Saint Augustine. *The child* is surprised Whom I am, for sometimes she becomes so accustomed to hearing from Certain Ones that Those of Us Who speak less often surprise her.

So many times men like to read upon, about the past History of men who appeared weak, indifferent, unable to control their feelings, emotions, manner and way of life, and then to suddenly feel the force and the forge of strength that came forth to give them a new role.

I, Saint Augustine, smile at this and say, 'Men of all races, all colors,

all creeds, have much to learn.’ Many men feel they are as strong as a rock, as pure as what you would call ‘the snow’. But let Me say this to you: ‘A rock has a breaking point and snow is not pure. It appears white, but with each particle that falls to the ground, a particle of dust could possibly show.’

I bless you from the Heavens and I say with great Love, ‘Do not put yourself above The Father, for if you do, you will be overshadowed by the weakness that is yours because, you see, no man is as good as he might feel he is. There is always room for improvement to reach a Higher Goal.’ So be it.”

NOVEMBER 14, 1976 AT 11:52 A.M.

SAINT ALPHONSUS LIGUORI

“There is no time that *this child* stands listening and then just writing it down and repeating to you, for you see, the time in which you live is a time of great error, terror, disgrace. Do not forget, My little ones, that a Miracle handed to the world in this Given Place is a Gift of Love from The Father. And I, Saint Alphonsus Liguori, smile and say, ‘*The child* hears My voice so much each day that she oftentimes jests at My Words, and Who It is speaking to her that day.’ But I have come to the world to give to the world the Truth that The Father wants revealed in every way.

There is so much to be done, so much to be given, and so many places for This Great Miracle to give Direction to, in, from. Do not forget, My little ones, that all through time The Father has given to the world Love from The Divine. Children cannot always see the Love, children cannot always feel the Love, and children do not always recognize It as Love. Children sometimes reach out and say, ‘*God,*

hear me.' He does. Do not omit that beautiful communication of your love for Him, His Love for you; your Faith in Him and the Faith He gave you. Do not forget that to be Loved by Him is a Special Love, One Alone. And do not forget that He uses man to teach you, to give you something strong to hang onto.

Now, in the time in which you live, so many false prophets have come to the world. They have said, 'I have the power to do, I have the power to bless you.' I say to you now through *a child* such as you: 'These children do not have the power they say they do, for satan has come out of Hell and has gone through the world with many demons. It was allowed by The Father to be, for it is a time right now in which you live that many Saints will come Here, after persevering through the great turmoil in the world today.'

Many, many men must understand that the time in which you live is, in some ways, a good time for man. It will make Great Saints of many. It will give credence to many things, and oh, My children, I stand in the Heavens and I look down upon you each day and I say: 'Thank You, Father, for letting Me

partake in This Great Miracle given to the world through The Protector of all, The One Who protected You. Oh, Father, Heavenly One, make all children aware that *a child* does walk the earth and You do care.'

And do not forget, My little ones, that every day of your life you walk in the physical, you have a nature, you have a personality, you have a will; and do not forget, you have a vocation, you have the time, and through these things you can reach The Divine. And be aware also, that Faith will give you hope and hope will give you strength, and strength will give you the ability to follow what is right.

Never omit The Commandments that were given to a man a long time ago, for through These Commandments you will have a Beautiful Soul. And when you feel the Beauty of your Soul, the closeness of It, know that It is a Gift from The Father, extended to you to help you grow to be a Great Saint in Heaven, Here with Us one day.

I could speak in poetry through *this child*. I could speak in many ways, and *the child* is but *a puppet* for The Father and We use her every day.

You have been Blessed much on this day, for many things said to you were to give you strength to one day be a Saint.

‘What is a Saint?’ I say to you now. Some of you say, ‘It is the means and the way to be with The Father.’ There is more to Sainthood than you know. First of all, Sainthood says: the Purification of a life, the Beauty of the Entrance into Heaven to live Forever with The Holy One. To be a Saint is a Great Goal. To be a Saint should be your Goal. To be a Saint says ‘Eternity with Him’. What a Beautiful Place, a Place of Color, a Place of Light, a Place of Constant Hope, but I smile when I say this: ‘It is a Place of work, for you see, as long as there are children upon the earth, The Father uses His Saints to help them come Here.’ So be it.”

NOVEMBER 14, 1976 AT 1:51 P.M.

SAINT JOSEPH

“Do not forget, My children, that as you stand in the world, All the Lessons you have learned through This Great Miracle come firsthand. Each of The Saints Here in the Heavens have come forward for Me, to teach you the Beauty that is Here, awaiting each of thee. The Beauty that was given to the earth a long time ago was to give you the strength to go on so you would have the courage to come Here and be with Us one day.

I, Saint Joseph, do not speak much through *this child*, for All of Heaven has come forward and said: ‘Joseph, let Us, this time, do the work; and in the end, when Your Name is known and Your Face is seen throughout the world, You will stand in Glory. It is Our job, Joseph, to make You known throughout the world, and to give to the world the True Position that You stood in a long time ago. Oh, Joseph, stand back and let Us unfold the Beauty that You stood in and the Beauty that You gave, the Perfection that You showed a long time ago. Let

All of Heaven come forward, Joseph. We will, You know. It is The Father's Will that We do so; and, Joseph, don't speak too much. Your Beauty will one day be seen, and the whole world will know that as You were The Protector of The First Tabernacle that glowed, You will be seen, once again, protecting The Tabernacle of the Church The Son will institute again, will re-establish again in the world; for We, Here in the Heavens, came Here through the Love of God and We want to return this Love by letting You be known.' So be it."

NOVEMBER 14, 1976 AT 2:29 P.M.

SAINT MICHAEL

“I take you to a battlefield, My little ones — I am Saint Michael — the battlefield of life. You are warriors for God and I am the Leader, and I say to you, ‘Follow Me.’ Would you follow without question? Would you follow Me in need? Would you follow any place I will take you? Some of you, I know, would. Some of you, I know, would ask Me a question. And some of you would be foolish and say: ‘I can’t make it today, Michael. It’ll have to be another day. I’m busy doing my own things.’

You see, every day I form a line of warriors for God. When you awaken in the morning, the Angel that stands close to you whispers in your ear, ‘Today, offer it to God.’ You do not hear Him, and then I receive the message, ‘Michael, this child is looking another way,’ and I say to the Angel: ‘Give the child a nudge. Make him look up. Make him see the beauty of the sky today.’

These are natural words to you, a natural means of prayer, but I, Saint Michael, have to deal with you in this manner until the day you come Here, for I do stand in the Heavens and I have been pictured very small, but sometimes the burden of All the Angels Here makes Me appear that way, for you see, the flutter of Their wings, the happiness that They sing, I could say 'wears Me out', for Their happiness is a joy, but I want Them to get busy doing other things.

So please, with the jest I have given you, I send you God's Love, for to walk in the battle of hope, in the fight for The Divine Above, there will be times you will want to sing, times you will want to jest, times you will want to fall back, and times you will say, 'Saint Michael, oh, how I want to rest.'

So, all the things I lead you in, I am aware of what you will do and what you will say, and I am aware of your feelings; for remember, I am in close contact every day with the Angel that you walk with, that you cannot see; the Protection that The Father sent, Which is a Part of Me, for in the Choirs of the Angels many things do occur,

the joy in the Heavens, and They work upon the earth.

The evil one, Lucifer, was up Here in the Heavens one day, but he became so powerful We could not let him stay. The power that he used was the Power of The Father and he wanted to be equal. It cannot be in any day. There is no Greater Power than The Father, in the Heavens or on the earth. So bear in mind, My children, that to be a Saint has Great Worth.

I bear the Name ‘Saint Michael’. It is a privilege. Do not forget this, for to be called ‘a Saint’ says responsibility, leadership, and, oh yes, responsibility for Souls to come Here.

I could speak in a letter form and I could say, ‘Dear child, I write this letter to you to encourage you to make your life worthwhile, to give every moment of your day to the Purpose of your life, the Purpose God intended it to be.’ I could go on and write and say, ‘The other day you were not good, you looked away from Me.’ I could write and write and write and write, but you could not follow all the Directions I would give, for you see, your weakness in the human form would make you

linger, procrastinate, or even walk away.

Men say, *'God, show me a sign.'* I am a Sign. Men say, *'God, help me.'* We do. You do not see Us, and sometimes you ignore the plea. Children say, *'Let me be healthy, God,'* but the children do not take care of themselves. Children say, *'Let all things be beautiful,'* and when they see beauty, they do not recognize the beauty. I could go on and on.

You do not expect Me to speak this way; but Another Here wishes to speak, not in a foreign tongue, but in a tongue, a way that you can understand in your day.

Oh, My children, you are Blessed through a Miracle of Hope, through a Miracle of Light and a Miracle of Understanding. Don't be a fool, don't walk away. Look into the Logic, look into the Beauty, look into the Love, that is in This Great Miracle, Designed, Directed and Governed by Above. So be it."

NOVEMBER 21, 1976 AT 10:32 A.M.

SAINT JOSEPH

“Be aware, My children, that as the Words come through, This Miracle of Mine is to give Light to you. Once before I came to the world in a physical way. I am Saint Joseph and This is The Miracle of Mine. I stand quiet in the Heavens. I direct The Other Saints; The Father has Decreed it so.

And when *this child* walks away from you today, ask yourself this: Through This Great Miracle of Mine, have you learned to think about your Soul? Through This Great Miracle designed by The Divine, have you grown more in love with God? Have you learned to pay attention to The Rules? And have you thought lately about where you will go when the breath ends and a New Light shows?

Through This Great Miracle bearing My Name, have you thought much of fame, fame for yourself? I would say, ‘No.’ Because, through Example, through the Teaching, through the Light, through the Wisdom, through the Hope, through the Love,

extended to you, I know you have learned to look at things differently. You have learned to have hope. You have learned to look for the light of reasoning, and yet you have clung to logic more so. And those who walked in with their head in the clouds, their eyes on a dream, have learned to come down and look at things in a reality.

So, children, it is truly I, Saint Joseph, Who speaks through *this child* today to give you the strength to be a warrior for God in this terrible day. *The child is a warrior, a leader of men, bearing My Name*; for when I was upon the earth, I took The Tabernacle with Me every place I went. She rode on a donkey, She stood in a kitchen, We talked to The Son and We prayed in the Temple. We looked to Each Other for Our Task was great, but We had much Wisdom, for do not forget, We were aware of The Saints. We knew more than men knew and We stood with men.

And now I come to the world through *a child* and I say, 'As she is a woman, as she is a mother, she walks for Me, for man.' So be it."

DECEMBER 5, 1976

SAINT ALPHONSUS LIGUORI

“My beloved children, I am Saint Alphonsus Liguori. I speak much through *this child* every day of her life. I tell the whole world to look to the beauty of life. And, in the Beauty and the Truth of This Great Miracle, The Father sends to the world Love unmeasured, for the good of the Soul. The Father says to the whole world: ‘Look to the Purpose of life. Look to the meaning, look to the reason, look to the way, and do not forget that I love you. It was I Who created you and I Who want you to return My Way.’

I, Saint Alphonsus Liguori, have been given to This Miracle because *this child* stands in and to and with and for, civic responsibilities, ecclesiastical responsibilities, all directed for the good of men’s Souls. Be prepared, My little ones, for much to be, for the world in which you live is not the beauty God decrees.

So many children live a time of simple pleasure, saying they have so many needs. I, Saint Alphonsus

Liguori say: 'Pleasure is a need, but watch out for the pleasure, for the pleasure could take you into the bramble weed. And if you are caught, the stickers hurt; and remember, the deeper you enter, the more difficult it will be to get out, for not the claws of satan, but the venom that he bears will reach out, touch you, and you will feel you have to stay there.'

Do not forget, My little ones, the time in the world is now, the time to continue the History that was begun for you to share The Commandments that The Beloved Father gave to a man who stood in another place; and then The Commandments were The Rules. And in These Rules, Another One came to give strength to The Rules and to give a place for men to learn in and through.

The First Tabernacle that came to the world was a Woman of God, the Beauty of Him, The Tabernacle She was. But before The Tabernacle came to the world, The Protector came. He was of God: the Justice of The Father, the Creativity of Him, the Beauty, the Morality, the Obedience, the Loyalty, the Light and the Hope, the Strength and the Wisdom; and This One was

to extend, as The Commandments did through a son, for you see, The Commandments were the Foundation. Another Part came to institute and create the Place. And now once again, The Protector comes to the world to protect the Place, the Temple that He began.

There are so many Lessons to be learned, so many Lessons to be taught. Never have too much pride and say you don't need Them. I, Saint Alphonsus Liguori, bless you from the Heavens and I say: 'A *child* stands in the world, totally subject to Divine Will in every way; mocked, ridiculed, but it is now as it was another day. Souls must be saved. Children must learn not to be just Christians, but to follow Divine Word.'

I, Saint Alphonsus Liguori, say that all the laws that men can create, all the laws that men can give, are derived from the Ten Commandments that were given one day. So be it."

DECEMBER 5, 1976

SAINT ATHANASIUS

“My children, I am a Saint you have rarely heard from. I am Saint Athanasius. Through *this child* Many of Us speak, and through *this child* Many of Us seek many children to walk for Him, strong or weak. You live in a time of great heresy. You live in a time where you must fight. Warriors are needed. Warriors are needed to stand for all that is right.

Do not lean upon a movement, do not lean upon a cult, but lean upon the strength that was given a long time ago: The Commandments, through a man who fought for each one. He came down from the mountain and he said to all around, ‘You fools, here are The Rules,’ and they said, ‘Moses, forget each one.’ But what the beloved Moses did not know at that time was These Rules, These Commands would live on for all time. And though the men who stood there did not listen to Every Word, the men who passed the Words on brought Them to this world, the world you live in, the world you walk in, the time in which you live. The

Words of God are carried on through the Seeds of Light, the Truth in Hope that only God can give. So be it.”

JANUARY 20, 1977 AT 5:30 P.M.

SAINT BONAVENTURE

“My beloved children, I am Saint Bonaventure. Solemnly I say, lovingly I extend, prophetically I deliver the Words, to children in the world that The Father desires to be given, to extend to the world, a Miracle of Light, a Miracle of Hope.

Men have denounced such a Gift from The Father. Men have rejected the promise of This Gift to gather them together. Men say, ‘It cannot be true.’ The Father says, ‘It is true.’ All The Saints in the Heavens shout, ‘Do not be fools.’

All the Teachings, all the Deliverances, all the Love, all the Direction, is from Above, to give you the practical way, the logical view, the Lessons for you to follow, so you may one day better understand the Purpose of life, the beauty of life, the fulfillment of life, the achievement of life, and the exactness for which you were born. The simplicity of living, the frivolity in living, the talent of life, is a way, are Gifts, and in their

totalness reflect Many Things Here in Heaven.

The beloved Moses was given a Task from The Father, to hand to the world, at that time and thereafter, The Rules to live by, the facts to be followed and the paths to be seen; the ways for men to remember and the purpose of each manner of things. Men denied this man, men rejected him. Men said: ‘It cannot be. Why would he be given these facts, these figures, these means, these ways, from a Heavenly King? I am as good as he. Why would he be chosen? Why would he be taken from a group of men and have this distinguished honor for the good of men?’

Men do not understand The Father always chooses one man, one child, to deliver to thousands His Way, for you see, if He were to choose a thousand men from ten thousand men, the other nine thousand would say, ‘Why them?’ And so it is with but *one child* in the world: they say the same thing. But The Father, with His Great Power, needs only one link, one instrument, one ray of hope, for His Power is so Great and the Words

so Profound, yet simply made to give Direction for the good of the Soul.

And so today, in the day you live, the time that you are upon the earth, a Great Miracle has been pronounced, announced, extended and determined to be the path of Great Worth; the reiteration of Great Words, the Beauty of The Father's Will extended to the earth; The Commands brought back, given in Direction, Completion, Extension, Meaning, for men to better understand why They were given, for what They were given, in the manner They were given, for the good They were given, to each man born to the earth.

The Father, in His Design of all mankind, said, 'It would be foolish to design such a creature of life if I did not give the Beauty of Light for them to follow, to return to Me the Part of them, the Spirit of Hope, Light, Love, Hope, Which is Me.'

This child, placed upon the earth a time ago, has been given responsibility, a position of authority, but a position that must have great achievement in it for the good of mankind. The Father has promised

this child nothing. And the prophecy is that The Beloved Joseph, Who walked as The Great Protector of The Tabernacle, of the way The Father decreed men to be, in Faith and hope, is now once again sent forth upon the earth, through *a child* this time, to extend again for all time, the Beauty and the Fortune of Hope.

This child stands on a tightrope designed by man, protected by God, and swings with the weakness of mankind. Instead of men stabilizing This Great Miracle and forfeiting much among themselves and saying, 'Let me stand with her so we can extend to the world the Hope of The Father, the Dignity,' it is now as it was then, in the time of Moses. They say, 'Why her?' They said, 'Why him?' They say: 'Why now? We do not need these things again. They are of the past. Let us have something new. We have strange powers, we do these things well.'

And I say to you, I, Saint Bonaventure: 'Do not be foolish in the time in which you live. Do not be erratic in your thinking. Do not be ethereal in your motives. Be practical, be logical, and see the Strength in The Commands He has given, the

Strength in the Light He has shown, and the Beauty in the Teaching of the Revelings, to give strength to each man, one alone.'

I, Saint Bonaventure, shout to the world, 'Listen to *this child*, for in her timidity, in her lightness, the strange Words come forth; not strange, in reality, but always with a Lesson of Force, a Lesson of Protection for you, a Lesson to protect you, but a Lesson to make you stop and think of why you were born, the Magnitude in which you were born, the Purpose for which you were born to the great earth.'

You say, 'I cannot live, Saint Bonaventure, without the frivolities of life,' and I say to you, 'To be happy is one thing, to be frivolous is another, but to be weak is another.' There is no stamp of disapproval on gaiety, happiness, love, hope. There is no stamp of disapproval on being a human being, but there is a stamp of disapproval on taking the actions of life, using them against The Heavenly King.

***This child*, and through her, the Things brought back to the earth: the responsibility men have to Commands**

that were given to a man a long time ago; the History of life, the History of Light, the Direction, and yes, the many things, the small stories, the Directions, the Wisdom that has radiated the fewest Words, the smallest Words, the Words of Heavenly Control.

I, Saint Bonaventure, say to the world: 'Be not fools. Be men of lightness. Be men interested only in the Light of The Father's Will, the Protection of It, the need you have of It; be stimulated by It, be active in It, and produce only good for the whole of the world.'

This child, on the tightrope across the ravine, is alone in the world. Men stand on both sides and they swing it forth and back, back and forth, forth and back, back and forth, saying, 'If she is of truth she will stand at the strain of this swing.' And I, Saint Bonaventure, say to you, 'Only a fool would swing that tightrope, for *the child* is standing in the world for the good of everything.'

I have given These Words, necessary, for men do not understand the distinguished place of This Great

Miracle on the land. Men are very quick to analyze, theorize, and they say, 'Through meditation, I will find The Father.' And I, Saint Bonaventure, say to you, 'Men, in meditation, wander many times into sinful occupation, so meditation turns into degradation.' So be it."

JANUARY 21, 1977 AT 1:24 P.M.

OUR HEAVENLY MOTHER

“My beloved children, I have interrupted many, many, many meals experienced by children put upon the earth to serve The Holy Trinity. And at this time, the time of meal, the time of food, I say to you throughout the world, ‘There is a Greater Food upon the earth, and that is The Son of Me: the Strength, the Hope, the Beauty, and yes, the Stability for all men to one day see the Physical View, the Eternal View of The Holy Trinity.’

Oh, My children, let My Words ring throughout the world. Let men who diminish This Great Miracle of the Body and Blood of The One Who walked with Me hear the Words that all men must return to The Blessed, The Beloved, The Holy Trinity.

This child, set forth upon the earth, is as a prophet of many years ago, many centuries, many areas of time. We walked the earth and We relayed to all of mankind the Desire of The Father for things to be seen, things to be followed, things to be

heard, things to remain upon the earth for every time of every man's life.

It is once again in the world. Through *this child* comes Direction, through *this child* comes Inflection, through *this child* comes the Beauty and the Purpose of life. Men say, 'It could happen, but why her?' I, your Heavenly Mother say: 'Why not her? Why not *this child* whom God has chosen? Why do you reject *another one*? Because it is not you who has been chosen to walk this path for everyone?'

Oh, My children throughout the world, you are but children in the Eyes of God. You are but creations of Him, and I say to you quite aloud, 'Remember, you are subject to Him above all things.' And the weaknesses of the senses are the means that the evil one uses against you, so you will work against The Father through these things, through these means; through these, what you call 'needs'.

These senses can be put to great progress for the good of your Soul, great beauty for the good of your way. And these senses that The Father has given you, you say are normal senses;

they adjust to what you see and what you hear and what you say.

And I, your Mother say, I, The Heavenly Queen, The Mother for all mankind, say to you on this day: 'This Great Miracle of Hope is not a dream. It is the deliverance of Many Things from The Father, to teach men of all kinds the Beauty of Him, the Purpose of life, and to look to the senses of life as the means to Him.' When you talk, when you hear, when you walk, when you feel, when you see, oh, My children, be aware of Him.

Many men walk around in a facade of greatness, in a facade of truth, in a facade of sensitivity. And I, your Heavenly Mother, come to the world and I say: 'They walk in misgivings, they walk in a covering of truth, hoping that they will be seen, not God; hoping they will be felt, not God; hoping they will be able to instill in others how they are, what they are, who they are. They are eliminating The Father from all things upon the earth.' Men say, 'It is the time in which we live,' and I, your Heavenly Mother say, 'There is no time different than another time.'

It is sadness Here in the Heavens when The Father cannot say to All of Us: ‘This is a blessed time in the world. This is a time where all children seek out My Love, seek only Me Who is Above.’ It is a sadness when We look at The Father and We say, ‘Oh, Heavenly One, oh, King of all men, oh, Almighty One, please guide them more strongly so they will not see the untruths around and believe they are truth.’ And He says to Us, with the Humility of Light, the Power of Humility and the Hope that is in Humility: ‘The children I have given the means and the way. I have given them the power to decide, through what men call “will”, to say “Yes” or “No”.’

There are many false men upon the earth who say they have the power to forgive, they have the power to instill, they have the power to enlighten everyone. And I, your Heavenly Mother say, ‘There is no power upon the earth by The Father, only through specific chosen ones, and they are few in number.’ And I also say to you, My little ones, that those who are running around with the powers of light are looking for self-satisfaction, self-delight, self-purpose,

self-reliance, and they want all men to see them as great.

Oh, My little children, I say to you in the world: ‘Be aware of all that is wrong. Be aware of satan for he announces himself strong, but he is not as strong as the love is that *this child* has for The Holy Father, The Father of all mankind, and the Beloved Ones Here in the Divine. So, be assured that This Miracle of Strength is stronger than anyone in the world; and stronger than satan, as you have seen through This Revelation I have spoken to you today.’

I bless you with a Mother’s Love and I say, ‘Do not fear the Strength in This Great Miracle for you are working with The Protector of Me, The Tabernacle of the Church; and you are working for This Beloved Saint Who will defy all of satan’s approaches. And through *this child* He will be seen, He will be known, and He will become what He is Here in the Heavens — The Greatest Saint God ever created.’ So be it.”
