PREFACE

These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.

On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.

In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.

One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.

There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.

PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.

GOD THE FATHER

“As I have taken a Portion of Me and entwined It into your being, I want you to understand, to realize and to benefit by this Knowledge from Me, that This Portion is Divine Way, Divine Life, Divine Light, Divine Reality; It is called ‘your Soul’.

If I were to shower upon you, open for the world to see, the Graces I hand for your loyalty, for your dedication, for your commitment, for your love, for your Faith, for your diligence, in serving Me, you would see the Grace like gold dust over your whole being, flickering in the light of the sun, glowing in the light of the moon, and penetrating your Soul internally. It is necessary for children to know that the Grace they earn is given to their Soul, and when this Soul is returned to Me, the Grace they have received will decide the Judgment, for Me.

A child who walks obediently, as a servant of love wholeheartedly, is protected by Grace Everlastingly. My Love is not a competitive love; it is a

Love of Purity. Those who understand the Reality of My Being, must understand that time is necessary to be devoted to Me, in work, in words, in action, in charity.

This City that bears My Name has been brought to the attention of thousands of men. Some hear it and say they will wait for It to be accomplished. Some feel the drawing to It, physically. Some want to feel a part of this City. Others look at It negatively; their doubt in Me reflects their service. And I say: 'When you do something in My Name, you honor Me. I cherish this act of love, and I must add to this, that in My Memory I will remember to note that you did it for Me.'

My Name carries much Honor, much Justice, much Wisdom, for I am All Things. Children try to determine in a numeral way, My Structure, My Way. No man has the capacity to see Me, to show Me, to feel Me, in the manner man would like it to be.

I speak now as I have spoken many times through *this child*, through *this woman* in the world. My Directions are burdensome and many.

It is necessary for the physical of *this child, this woman*, to have respite from man, but I assure you there can be no respite from Me for I am sending her away to gain strength to fulfill My Will in other days. There are many issues on My Land, in My City, to be accomplished in a given time. One of the greatest difficulties on *this child, on this woman*, has been men's lack of understanding regarding the responsibility in given times.

I speak through *a voice* that carries the tones and the sound of a human voice, but I add, through *a voice* that has served in many ways and will. But there is much work yet to be received and to be handed to others so that My Will for man will be fulfilled in man's hour of need, hour of despair.

More men are walking in despair upon the earth than you can realize. They have Faith, they have honor, they have love, but they are disturbed by the instability of other human beings. There is a recklessness, a restlessness, a frenzy, distortion, incompetency, insubordination, immoralities, impurity, causing so many children to stray, not having the True Direction that

is necessary for them to submit to correct authority.

Many times a child prays to Me for help. There are so few who stand ready to give the strength, the aid, the direction, the help that is sound, good, correct, for the given area. The world is saturated with people who speak of their abilities of knowledge, their educational backgrounds. I, your Father, say, 'A man can be educated in many fields, in many degrees of retention, but to love Me and to serve Me, not just willingly, but in the blind justice I demand it to be done, few men see the value, for they want to expound on the physical dignities of the written knowledge they have accepted as their guide and their line of reality.'

I could speak on and on through *this child, this woman*, but she has been the receptacle for so long, of so much Divine Power, that her little physical is beyond human exhaustion in many, many ways. Take the weight of two oceans, take the weight of two great countries. Now take the weight of the deserts and take the weight you know the whole world must amount to, and multiply this figure by the thousands. In doing this you might come up with a

numeral that is comprehensible to you, but I, your Father, add to this: this numeral is inadequate to the weight *this child* carries for Me, for the good of man, every moment of your physical days.

You are Blessed in so many ways. Remember, My children, the Grace is like gold dust that enters your Soul internally, never to be removed. It adds up and multiplies, it grows. Keep this in your way of life and know, your Soul, arriving in a Heavenly State with Me, paying Me Honor and Glory for All Eternity, is My Goal for your Soul. So be it.”

SAINT TERESA OF AVILA

“My beloved children, I am Saint Teresa of Avila. I speak, I shout, I yell and I repeat, ‘Go to The Father, seek His Will, stop misinterpreting your way, for you see, man is weak.’

I stood in a convent, I stood in a building, I stood in an edifice, I stood in a place. Many, many young girls, older girls, were in my charge, seeking Divine Grace. As I prayed, as I vowed that things would be brought to His Feet according to His Will, I say to you now, ‘It takes strength to do this, it takes Faith, it takes perseverance, it takes dedication, it takes communication, it takes commitment.’

So many times children say: ‘I am without The Father. I do not have the stability of thinking. I do not have the Grace.’ I, Saint Teresa of Avila, say: ‘Ask for it, you will attain it. Use it wisely and you will gain from it.’

***This child*, through whom I speak, walks in a convent manner in more ways than you realize, than you see. So many areas of her life are**

dedicated to directing children of all races, colors, creeds, and when she is told to ignore a child, it must be. When she is told to be concerned for a child, she must be. She, in many ways, is at a disadvantage.

She hears with her Soul. She sees with her Soul. She is alert to the Souls Who surround her. The Father has made it thusly. A deliberateness, directiveness, a diligence, a perseverance, a presence, a current action, is necessary in the Manner in which she walks, in the Direction in which she must talk, and for the Purpose The Father Wills This Great Miracle of Light, Life, Hope, to be transmitted to the whole world.

I smile through her and I say, ‘As I held Convents in order in My day, she holds a City in the Light of God’s Will for the Purpose He intends, for Souls to come Here one day.’ So be it.”

JUNE 15, 1979 AT 8:43 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“My beloved sons, this is not an ordinary circumstance. This is not an ordinary speech. This is for a reason, special for Me.

You stand on a parcel of land. You stand, having heard issues that are at hand. In no way do We Here in the Heavens want unhappiness for any of you.

Men say I would not speak. I do speak. I am known as ‘Saint Joseph’. Men say, why a woman would I choose to use for This Great Miracle? I say, ‘For reasons of The Father’s alone, reasons perhaps not comprehensible to man, but reasons that are good, sound, reasonable, and for a purpose one alone.’

Let Me tell you this: ‘There are many kinds of courage in the world. There are many degrees of courage and there are many things to be courageous for, in. There is much purpose to courage. Seldom do men recognize real courage.’

When We were sent forth to the land, to the earth on which you walk, We were sent for a specific reason. It was to lead men to a Church.

I stood in the world. I stood as man. I was The Protector, I was The Advisor, I was The Provider, according to The Father's Plan. I stood as the Head. I stood in a particular place. I stood, recognizing the Will of The Father as I should.

In reality, I was sent to the world to be Example for all men to come, for men to see the value of a beloved Temple, of a beloved Church that was to give men Part of God. I was sent to the world to show men the reason, the beauty, the purpose of being the head of a family, for it is through this way that men are born.

When men are born to the world, they are born for a reason. They have a Soul. The Soul is to return to The Father for All Eternity. There are many, many reasons, there is much purpose to being a man, and the example you give upon the earth must be according to God's Plan.

So, do not forfeit your place, your position, and do not diminish it

in any way, and be sure, My sons, that as you stand as men in the world, you handle all things God's Way, for as you are men, you too, are the protection in many ways. You must stand as the providers, and on this land that The Father has chosen for This Place, you must act as the providers, for you see, the buildings must be built for children to come to in the re-establishment of the Church, of the Temple He first gave.

You are Blessed, it is true, by The Holy Ghost. You are Blessed, it is true, by Me, and you are Blessed by your time here in This Place for a purpose worthwhile, and you have been Blessed with Grace. So be it."

JUNE 20, 1979 AT 8:25 P.M.

SAINT ALPHONSUS LIGUORI

“I draw *this child* into a cone of Divine Love. I do not ask you to understand this Love, but I do say that through the Light of the Heavens, through the Hope that is The Father’s, this Love should strengthen you, for this Love is a Love you cannot discern, and the Light is the Light of Hope, for all mankind in the world. The Light that is sent through *this child*, through *this woman*, is a Light that is to show you the path for purity, so one day you will see the Glory of your Soul.

In the world in which you live, men have omitted the Treasure, the Jewel, The Father’s Love — the Soul. The Light that you feel, that in Faith you know, is the Light through which all things are revealed.

I ask you, My sons, to stand on the battlefield, not an imaginary battlefield, but one that is very vivid in the world. The blood on the ground is more than you see, more than you think, more than you can know. There is a great battle in the world, and on

one side is morality and on the other side, immorality; and it is greater than an ordinary tug of war.

I am Saint Alphonsus Liguori, and I stand close to *this child* in the day and in the night, and I instill within her The Father's Will, and as she has seen the field of blood, she has many times screamed out, 'Wipe it clean, God!'

Men tinker with reality. They forget the responsibility and they diminish the Purpose of their Soul.

I hold her in a manner you are not used to. I hold her in a way of Pure Truth. I hold her in the Power of Light and I say, 'There is nothing from God put upon the earth to fool you.'

You have been taught. Many things have been given to you for you to better understand the Faith that is innate in you. You have been handed Words, Descriptions, Titles, Information, Direction, Teachings, Knowledge, Wisdom, Revelations. What more do you want? You have been many times shown the Value of life and the sureness of it, and the path that you must walk upon in the world.

You have been taught and retaught The Commandments of God. You have been shown what they are all about. You have had the beloved Moses speak. In your day? Yes. Isn't this something that you should repeat? But men are afraid to repeat to other men what they have heard, what they feel, what they see, what they know is Truth in the world, and what they believe truly comes from The Holy Trinity.

Men say, 'I carry a Bible.' We Here in the Heavens say: 'You carry it and you open it and you describe it and you theorize in it and you analyze, but what if you walked in those days? How would you have written the same parable? How would you have determined what should be said? How would you describe your time with Him, and how many things could you teach through the words, from one translation to the next?'

We have come to the earth here and We are not asking you to translate, to interpret. We are handing it to you in the tongue of your time, in the language you understand, and in the format of life that you can handle, to be a better man.

There is great dignity in manhood. There is great dignity in hope, and there is reality in Faith, if you will but allow The Father's Will to enter into your life and give you the help and the hope and the strength that each of you need to carry on, to stand on the moral side of this great battle, to help in the attack that is going on.

The enemy of The Father attacks constantly. The enemy of The Father attacks in every way possible, and the enemy of God is evident throughout the world.

Tomorrow, be aware that you walk on a field of blood, of those who walked before you, who fought for what is right, what is good: the moral side of life, the purity, making Sainthood their Goal.

And that is why We have All come, because of This Great, Beloved Miracle in the world. We have come because The Father has requested it to be this way. We have come to show the world the Magnificence of the Beloved Role that Saint Joseph played in the establishment of the Temple, the Church God made, and We come to

reveal so many things about this Form of Man that took place two thousand years ago; and then, in This Revealing, men shy away from the Truth. It is sad.

But I, Saint Alphonsus Liguori, say to you, ‘The battlefield is real and men must stand strong, for you see, immorality is absorbing all that is good, creating a havoc unseen by most men, but creating a terrible famine of hope, a famine of Light, a famine that has been described in so many ways.’

Ask yourself: If you did not eat one portion of food for the next one hundred years, what would happen to you? You say: ‘I would be dead before that time. I will be dead anyway before that time.’ And I, Saint Alphonsus Liguori, say, ‘Eat well of the Bread of Life, eat well, for the Lessons you have been given, for it is your privilege to live forever.’ So be it.”

JUNE 25, 1979 AT 1:55 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“A Final Blessing to This Great Miracle that bears My Name was given many, many years ago. This Great Miracle that bears My Name was preordained, was prophesied a long, long time ago.

Children throughout the world take advantage of such a Miracle for they take What they receive, they run with It, and in the running, they drop Pieces of It along the way; for to stand still and to listen to the Love, the Teachings, the Hope, of This Great Gift in the world, takes strength, courage, hope, Faith.

I, Saint Joseph, smile upon the whole earth when children discuss This Great Miracle that bears My Name. I smile because I know the Magnitude that is in God’s Aim.

I am The Holy Ghost. Men say, ‘It cannot be,’ but if men were to look at the reality of How I existed upon the earth, Where I came from when I arrived upon the earth, and My Role in The Holy Family, they will have to

admit that it could only be that I am The Third Person of The Holy Trinity.

There is so much for men to understand. There is so little time for men to comprehend, and there is so much Teaching that has been sent forth to the world through This Great Miracle. And I say to you now: ‘As I am The Holy Ghost, I was The Father of The Holy Family. I was called “Joseph”; man called Me “Saint Joseph”.’

And now I say to you from the Heavens Where I am: ‘This Great Miracle has been given to the world for the benefit of man, for the good of man’s Soul. Now, Who could love you this much, to send such a Great Miracle to the world? Only God, My children, only The Father, The Son and The Holy Ghost.’ So be it.”

JUNE 27, 1979 AT 8:50 P.M.

SAINT TERESA OF AVILA

“My beloved daughters, I am Saint Teresa of Avila. I come tonight, I want to speak. I want to speak in a firm manner. I want to show you the reality of This Great Miracle, the Hope in the world, that has been given, straightforward, honest, open and direct; for you see, there is much, much need in the world for This Great Miracle to be.

There is much, much Teaching brought to the world through This Great Miracle, from Many of The Saints and from Me, for you see, My daughters, there is a time now when men must stand firm, men must shout against satan in every form, in every way, because he is real.

I, Saint Teresa of Avila, say: ‘Do not turn away from God for one moment. Do not be distracted by earthly things. Enjoy what is there, but be sure that when you turn your head, you turn it to Him, for you must return to Him for All Eternity.’

I speak quickly. I speak firmly. I speak directly through *a child* who stands openly, who is standing in immediate attention to The Holy Three.

As I leave this room I say to you, ‘You are Blessed through a Miracle of Light, a Miracle of Hope, a Miracle of Wisdom, a Miracle of Logic, a Miracle binding you to Divine Will.’ So be it.”

JUNE 27, 1979 AT 8:53 P.M.

OUR HEAVENLY MOTHER

“My beloved children, I am The Light of God’s Creation. I am your Heavenly Mother. My beloved Saint approached you with Love never-ending. I come to you through *a child* like you in the world, and I say to you: ‘It is necessary for men to see good. It is necessary for men to be good.’

The Light of the Heavens never dims. The Light of the Heavens is the Power of The Father’s Will. I have come to the world many times, speaking out, giving hope, correcting children, and telling them what is expected of them for their own good. Tonight I speak again through a Light meant for the good of men.

The evil one, the enemy, fights to gather your Souls to live with him. Be wise, My children, and do not omit prayer from your way, but follow the Light of communication with God, and do pray the Rosary every day. As you say the prayers, you repeat the words, know, I listen to every one of them. If thousands of you are saying it, I listen

to thousands of you saying it, and you are Blessed by God's Love.

Remember, I watch over you in many, many ways, and when I see danger I comfort you. I enfold you in My Garment so many times until the danger goes away.

Some of you are willful. Some of you are timid. Some of you are bold. Some of you are meek. Some of you love to feel the power of your will. And I say to you, 'Be gentle, be firm, be truthful, be honest, be modest, and know, impurities are against the beauty of your Soul; and your Soul must become so bright that when the time comes and The Father knows it is right, you will enter in a Form of Light to be with Him in the Eternal Role.'

Be blessed, My daughters, and know that tonight I give you My Love, for tonight I come to you for the good of your Soul. So be it."

JUNE 28, 1979 AT 7:20 P.M.

OUR LORD

“I transport and I transmit to the whole world what I want men to see, to know about, to feel, to aim for, and to extract.

There are so many avenues, so many areas, so many terminals, so many functions, so many things, related in the time in which you live to times in the past.

Men, in their desire, their hope, their dreams, their imagination, are trying to make things more understandable, more profitable, more in tune with how they believe, how they see, how they feel; how they, in their dreams, want things to be on the face of the earth.

I say to you now: ‘I am The Son of The Father, and if I were, at this moment, to take all of the waters from the earth, men could not exist. If I left the waters and took all of the soils, men could not exist. If I were to leave the water and the soil and take the air, men could not exist. If I were to allow men to not understand each other

in the beauty of speech, men would find horror in everything they did, everything they felt, everything they saw. If I were to take from men the foods they eat, men could not exist. If I were to take from men the love they feel, the Faith they have, the interests they depend upon, the abilities, the capabilities that they were given, men would find total disaster in their midst.'

I walked the earth in the form of a man. I worked, as man. My main Task upon the earth was to teach, to teach to men of all kinds, all walks of life, The Father's Will, for mankind to seek, for mankind to follow, understand, obey, be concerned with, and in every way, use as the means to return to Him.

This child, this woman in the world, speaks My Words fluently, concisely, consistently, and in These Words I tell you what I want the whole world to know. I have repeated many, many times what I want men to see, to follow, to know.

So many times, in This Great Miracle, bearing the Name of The Beloved Joseph, telling the world His Special Place, the Beauty of Him, the

Grace of Him, the Magnitude of Him, as Him being The Holy Ghost, men say, 'It cannot be.' Others say, 'It could be.' Men say: 'Why Him? Why would He come to the earth in a human form?' I now say to you, 'Why would The Father come to the earth through the sight of *a woman* if He did not want men to see the Beauty of This Place in the world, the Importance of It?'

There are so many things left to be said through *this child*. There are so many Lessons left to be given. There are so many degrees of Faith to be drawn into this great emphasis on the Soul.

I bless you, My children, and I say, '*This child, this woman* through whom I speak, is *an instrument* in your day, in a Special, Extraordinary Way.' All the Lessons that are formed through her, penetrated through her, perpetuated through her, accentuated through her, acted through her, are for the good of all mankind, are for the good of all men's Souls. So be it."

JUNE 28, 1979 AT 7:43 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am The Holy Ghost. I am Saint Joseph. I am The Protector of the Church that I established a time ago. I am The One known as ‘The Husband of Mary’. I am The One known as ‘The Father of The Son of God’.

I am The Wisdom of The Father for the whole world. I am The One Who came to the world to give the Strength, the Purpose, the Goal, for all of mankind.

I am the Fire. I am the Water. I am the Knowledge. I am The Protector for the whole world.

I am The Father. I am The Holy Ghost. I am That Portion of The Father that is the Mystery of Life, the Mystery of Hope, the Mystery of All Things. I am The Holy Ghost.

I am yet a Mystery to the world, though I have announced to the whole world that I walked the earth as a Man, and in this form I gave to the world a Church.

I am The One Who, in many ways, showed, to establish the Truths that had to remain for the whole world. I am, My children, The Spirit of The Father. I am The Wisdom. I am The Justice. I am The Hope. So be it.”

JULY 11, 1979 AT 8:13 P.M.

THE SACRED HEART

“My beloved children, I am The Sacred Heart. I am The Heart of The Father. I am the Love of The Father. I am the Light that shines for you tonight. I am the Light of Hope. I am the Vessel of Honor. I am the Truth. For, as I beat for you, I beat with a colorful view, seeing each Soul in a special Light.

I am truly The Heart of The Father. I am truly the Beat of His Love. I stand Here constantly and I arrive to you instantly from Above. Do not stop praying, do not stop pleading to My Heart, for you must know that My Heart is Special to the world, and My Heart holds The Saints to Me, as My Heart holds you in My Love while you are upon the earth.

There is so much Light in your midst when I send This Great Miracle to you, and as you are in this room, I say, ‘My Heart pounds with Love for you. My Heart drips with a Light of Divine Love for each of you.’

And also, My children, I have come to the world to tell you, you must see the wrong that is being done, you must work for the right to be won, for My Heart cannot stand still; but, if men keep insulting My Heart, My Heart will have to stop for a moment. It cannot stand the pain much longer.

I bless you and I say, ‘The Blood from My Heart was drained one day and what was left was but the Light of The Father.’ Know this, and look to It every day.

I give you a prayer to say in My Honor. I give you the Words right now:

‘Heavenly Father, help me to feel Your Love that I know is truly real. Let my heart beat with Yours every moment of the day. Let my Faith grow in purity Your Way. Help me to feel the necessity to strive for purity in everything I do, in everything I say, in how I dress, how I work, how I live and how I pray.’ So be it.”

JULY 18, 1979 AT 8:00 P.M.

GOD THE FATHER

“How much more will you ask of Me? How much more do you feel it is necessary for Me to give? How much more do you want from Me? I have said to you, ‘My Heart will stop,’ but so many times you do not feel I mean what I say.

The world today has ugliness all around. All men in the world avoid purity. I have spoken simple, I have directed with Love, I have instructed with Hope and I have extended My Will, for all who come to This Great Miracle to learn from, to seek out, and join their will with Mine, for the sake of justice and purity.

I speak constantly through *this child*, through *this woman*, and men of all kinds ignore My Messages. I say: ‘I will stop. I will show My Anger. I will destroy the immoralities, the impurities, the indignities in the world.’

Men scoff at These Words. Men feel They are not from Me. Men see no advantage in believing I would speak

this way. Men stand on the Altars that depict Me, and in every way, they apply themselves in desecration in My Name.

The evil one, the enemy, the deceiver, the one who hands gifts with great ornaments, is drawing men to Hell with him for all eternity.

Men shout, 'If I had the correct lessons, if I had the correct means, if I knew what The Father wanted of me, I would do it.' I, your Father, speak. As I did before in the world, I give Great Messages. And, at other times, in the time of The Commands I gave, one man heard Me, and today you have These Rules, These Commands to live by.

And then I sought another way to gather Souls to come Here Where I am, and I sent Portions of Me to the earth. What more do you want from Me? These Portions were extensions of All I Am, but you must bear in mind, in These Portions of Me is My Justice, My Love, My Creativity.

And now I come to the world, not to seek just some men paying attention to Me, but I come once again to tell mankind the necessity, the necessity to obey The Commands I gave; to seek

out the Values and the Truths in the Church, that through it and in which, I gave the positive desire for men to reach Sainthood for all time.

Why do you scoff? Why do you laugh? Why do you belittle? Why do you try to misunderstand? Why do you not see the Hand of God, of Whom I Am? Are you so taken with earthly measures, are you so taken with human ideas, that you do not see Me in what I have given? What else is there, without Me? There would be not just a void, but a total vacancy.

I am The Light of the world. I am The Hope of the world. I am The Father. I am The King. I am The Majesty. I am The Creator of All Things. I come now to not plead, but to speak openly and say, 'It is time men stop destroying the Soul I gave and reach for purity.'

This land I chose was My Choosing, for a Particular Plan. Men say, 'I cannot see His Reasons.' I do not ask man for reasons. I tell man what must be. This Place upon the earth, small in proportion to What I Am, I say, 'There is no more land necessary for My Love and My Will to show for all of mankind.'

***This child, this woman* through whom I speak, is at My Command day and night. Ridicule does not destroy My Will, My Way, What I design to be. The whole world must see This Great Miracle that enlightens man to Other Portions of Heaven, to give them the strength to come to be with Me for All Eternity.**

You are Blessed, for it is My Will you be Blessed, and I add to This Blessing: I want your loyalty, I want purity. So be it.”

SAINT CATHERINE OF SIENA

“God is Real. God is Just. God is Perfect, but God is Hope. There is not one Word that We could use descriptively, that would be a beautiful Word, that would not describe God.

But the one thing that God gives us, which I feel is His Most Generous Gift, besides, of course, our Soul and our will, and that is our hope. You have hope and I have hope and that is why He named ‘the Hill of Hope’, because on this small Piece of land, God extends His Hand to every man. Whether men believe it or not, God stands on the land, waiting for men.

There is so much Light to be handed there and so much Hope to be seen there. Love, men expect, but when The Father hands to each man His Hand, there is Hope in that. The Light of the world is in One Spot, handing to all of mankind Hope for every portion of man. The Signal of Light, the Shrine of Light is Hope for every man.

Men find the subject interesting. Men find the Light hopeful. Men know, in their hearts, that God's Love is in handing to man hopefulness. All the love in the world would diminish if there was no hope in the love, for all men would feel that everything they had did not have a finish. But the Hope that is handed to each man in the world is the Hope of Light, to be with God for All Eternity.

The Beauty of Hope is in The Spirit of Light, in the Beauty of Joseph, Who was The Light through which a Son was born to the world. Through The Channel, The Tabernacle, the Light shone bright and It reflected in other parts of the world.

So it is, My daughters, with This Great Miracle of Light, The Beloved Joseph has once again come to the world. He is The Light, He is The Hope, He is The Spirit of Wisdom, The Spirit of Justice, The Spirit of Truth, for through This Great Miracle He has given Hope to the whole world, and All of Us Here in the Heavens today, and all the days in the past and the days yet to come, stand in service to Him, to let the children know that He stands for Hope in the world.

He is The Justice which is the Light. He is The Hope which is the Peace. He is The Administrator of Logic. He is The Spirit of God for the whole world.

I know what I say for I walked the earth, and through the Justice of God I stand in the Heavens and see the Beauty of giving Hope to the world is straight from The Divine Three.

My children, I am Catherine of Siena, and All of Us Here say, ‘When The Father nods Our way, We move rapidly in the direction He shows to be, for We scurry to give the hope to all children who will listen, because We know the Light of God’s Love for the whole world is in *The Miracle Of Saint Joseph* and in the Hope of a Portion of His earth.’ So be it.”

AUGUST 3, 1979 AT 7:35 P.M. (EXCERPT)

SAINT ALPHONSUS LIGUORI

“My beloved sons, I am Saint Alphonsus Liguori. I speak openly on this night to not just attract your attention, but to give to you a formula and a format in which and by which you must live.

Since the Anniversary of This Great Miracle, *this child, this woman* has been held in a degree of ecstasy different than times before. There was a need and there was a necessity for this, for in the consummation of the Announcement of This Great Miracle there was a registration, Here Where I am, of *a superior nature* to a commitment beyond man’s measure, for the good of the whole world.

I speak slowly through her for there is an exhaustion in the physical, beyond man’s terms. The re-establishment of Holy Mother Church has been laid down in the written Words that have passed through *this child, this woman*, in the past years.

She sees you, she knows you are there, but she is more with Me than

with you, for there are many degrees of ecstasy permitted to *a chosen child*, for different purposes for The Father's Will.

I, Saint Alphonsus Liguori, say: 'You have been given, in the Words past, many reasons for why you must seek out the way of a man who walked the land thousands of years before you; His Name being, to your knowledge, 'Moses'. As This Great Miracle was put upon the earth to re-establish the Church The Father gave to the world, The Miracle was also to bring forth to men's minds the Beauty of The Commands, The Demands that were given from The Divine to a Soul, to a man upon the earth.'

There is great evidence in This Great Miracle that the Profoundness is The Father's; the Wisdom, His; the Direction, His; the Enlightenment, His; the Perseverance, His; the Integrity, His; the Dignity, His. The whole function of This Great Miracle He has given to the world so men would understand, verbally, visibly, physically. Great Miracles have been performed through *this child's* hands, through her presence in the world.

The time has come. This date is important for the whole world. Men have been told repeatedly the way The Father Wills them to walk, to work, to seek out. At no time in This Great Miracle has man been allowed to mistake What has been spoken to him for his own sake.

It is difficult, My sons, to stand before people and know that it is not your feeling for them, know that the feeling is not human, but of Divine Origin, Divine Making, Divine Giving, for no instrument in the world could walk in such a manner and feel a personal part.

***The child* is watching Me. I pace as I take this time, and she is watching the flow of My garment.**

I was a priest. In my mind, in my vocation, in my love, in my determination, I was a priest. I fought in areas you do not know. I knelt at the Foot of The Heavenly Mother and I begged Her to control my whole being. I sought Her Love. I sought Her Attention. I sought Her Acceptation of me.

***This child, this woman* in the world, has not penetrated the world**

with human decision, but is totally aware of the distinction between man's decision and Divine Decision on each issue that comes to her attention.

Her remarks, though they may seem flip or flippant, are totally from Here. The Father has allowed no human opinion to be left. And those of you present here now, who watched *this child, this woman* walk in the Plaza, against great odds, saw *a warrior* for God firsthand, for the climb was almost impossible.

It is the same way here. Men think opinions enter in. This is not so. There is no time for human opinion, for believe Me, My sons, you are not dealing just with the physical. You are dealing with the Souls of men, and They must return to Him.

The formula, the format for life is: seek purity, fight for purity; it is not beyond your reach. There is no man who ever lived, who ever walked upon the earth, who did not have to fight immorality; but there are men who, in the fight, decided it was not worth the determination that it took in the way of man.

I hold her tightly, I hold her firmly, for if I did not she would fall to the ground.

Let Me say this: ‘There is desecration all around. There is hate all around. There is paganism all around. There is satanism all around. There are men depriving other men of dignity, all around.’ I, Saint Alphonsus Liguori, say to you, ‘What are you going to do about it?’

***One child, one woman,* The Father uses, and because of the Greatness of This Great Miracle, because of Whom This Miracle was sent to the world, The Beloved Saint Joseph. He is The Holy Ghost, My sons, He is The Light of the world. That is why All of the Heavens comes forth to speak; to speak not just in His Honor, but for the Light of Love The Father sends to the world for the mere Name, ‘Joseph’.**

Men say, ‘The Holy Ghost is the Light of Heaven, the Light of Hope, the Light of Wisdom.’ That is true, but each of you, following in the Light of The Holy Ghost, in your love for The Beloved Saint Joseph, are a part of This Spirit of Hope.

There are thousands and thousands and thousands and thousands and thousands of Words to be spoken, and yet millions of Words have been spoken to this time.

Before you lay your head to rest on this night, I say, ‘Ask yourself: Are you a Saint? Are you ready to be pronounced a Saint in the Eyes of God, in the Eyes of The Saints? Have you worked for this Title, this Salute? Do you find that there is no more work yet for you to do? Do you find that human time is more important to you?’

My beloved sons, I use *a woman’s voice*, and I tell you, ‘You are the luckiest men in the world, for Heaven has spoken to you.’ There are so many issues to be determined, but the main thing is for you to strive to earn Heaven.

***The child* is fully aware of the noises that she hears. They are human frenzies in the world. But I say to you: ‘There is no frenzy where *this child* is. There is only Hope for the whole world.’ So be it.”**

AUGUST 12, 1979 AT 1:42 P.M.

SAINT ALPHONSUS LIGUORI

“*This child* is being victimized in many ways, in many areas. There is more to this stand than men could believe or accept.

The world is in a state of total calamity, disaster, a disturbance to the Heavenly Powers in ways men refuse to see.

If you were to stand and ask each man his views on hypocrisy, intimacy, heresy, you might hear just excuse. In fact, that is all you would hear, excuse, accepting what is available to them, informative only to a degree they accept in the way of man.

Men say: ‘It is a very knowledgeable world. It is a world of education, a world of educated men.’ There are many facets to education. There are many terms in which education is used as the foundation for the acceptance of a rule, a way, a means, a manner.

And I, Saint Alphonsus Liguori, come to the world today through a

mere woman, and I say, ‘There is no justice in man’s thinking, there is no reasoning in man’s action, and there is no Faith in man’s service to God.’

Men are selfish and they impose their selfishness on others, but to be victimized by man’s selfishness is a realm of thinking, a realm of standing, a realm of hurt, hopelessness, that no man can describe unless he is standing as the victim and not as a spectator on the side.

Sinfulness is all around. Men say, ‘It is no longer sinful to disobey The Commandments of God.’ Men say, ‘It can not be, because we live in a world differently.’ The Father says: ‘I created man to My Image and Likeness. I created the earth for man to live upon, to serve Me. And I created the will of men so that men could make a decision rightly.’

There are so many things upon the earth that men ignore, and in many areas they ignore it to make themselves comfortable, more at ease. Responsibility, men try to hand to someone else. In This Great Miracle of Light, Life, Hope, Endurance, Perseverance, Justice, Wisdom, there

is very little handed in return for the Gifts God has sent to the world.

This child stands on a mountain top. She stands on the swirls in the ocean. She stands alone, and in this standing, men try to diminish her Role. She will have to take many stands. They will take a toll on her physical. I am warning you. And the toll will be very difficult for her to stand up under.

It is one thing to be *a victim* for God, but it is another thing to be victimized by man because of man's arrogance, ego, selfishness and self-love. So be it."

AUGUST 15, 1979 AT 9:20 P.M.

OUR HEAVENLY MOTHER

“There is no child in the world who should not be dedicated to this Mother, of Whom I am.

This child, this woman in the world, who walks, stands, teaches, confirms, reiterates and professes what is necessary for each man’s Soul, extends to the world through obedience, a Light for mankind to know, and this Light, My children, always shows.

In the past days the world has given The Father many, many tears. That is why you have been asked on this night to meet together, to alert you to what is occurring, for you to be better informed, so you can fight for what is right according to The Father’s Will, and you can do it intentionally.

I hold *this child* in the Light of My Love, in the Light of My Love for you. And I hold her closely to My Mantle, for her physical is beyond what you know, and the Light of the Heavens are the Rays upon which she walks for the whole world.

Men jest, men disregard the Magnitude in how she walks. The Light is a helpful Light, a hopeful Light, a Light of dignity and purpose, for all Souls.

I hold her in an ecstasy different than man knows. The Light of the Heavens shine through her, around her, and from her Words. Behold, My children, your Faith is understood and your Faith is Blessed, in how you feel toward her, for as she stands, as if on the swirls in the ocean, on a rope across the ravine, I come to the world through her and I say, ‘No man can shake the rope, no man can push her deep into the wave, for The Father and I are in control.’

The Light is a Gift from Here. The world is Blessed by *a child’s* willingness to serve. Dedication is a daily act of love. Commitment is for a lifetime’s way. The Light is from Here, the Hope is from Here, the Love must come both ways.

Teach the little ones how to love Him, how to serve Him. Teach them with the Light you have learned from, learned by. Show the little ones the respect you want from them, and tell

them that The Rules He gave, The Commands He told were to be for all time, must be obeyed.

The Light is for you, through a *chosen child* who stands for Him in a very Special Way. The City must come about. Prayers must be said, and the Light of the Heavens will give you the strength, I promise you this. So be it.”

SAINT JOSEPH, THE HOLY SPIRIT

“There are so many areas of Light in the world that must be shown to the world, and the Light of The Holy Ghost will give all mankind what man needs, if man will but feel the need to look for the Light.

Through This Great Miracle I am seen, and I show to all mankind the necessity to know what is right, and it is given from The Divine. I hand to the world, through My Love, the Purpose of life, the Truth of life, and the Light for life, for all mankind.

I am known as ‘Saint Joseph’. I am also The Holy Ghost, for in this Lesson taught to you,¹ I smile and I say: ‘When I stood upon the earth a long time ago, one day, I stood in the human form, lighting the way. And when the moment came for The Son to be born, the Light that radiated from

the Crib, from Her, from Me, was seen in the sky a long way from there.'

Tonight I have given you the Light so you will better understand the beauty in why you were born, and that is to follow, not just in Faith, but in hope, for you see, the Light of The Father that showed through Me, gave birth to a Son through The Tabernacle of Creativity; for in the knowledge you know, in the wording you know, the Three of Us Were Immaculately Conceived. So be it."

AUGUST 26, 1979 AT 8:08 P.M.

OUR HEAVENLY MOTHER

“My dearest sons, My treasured daughters, I stand in a Cloak of Light. I stand above your heads, concerned for everyone’s plight. But I, your Heavenly Mother, say, ‘It is so necessary in your day to see the Value of This Great Gift to the world, given by The Father, announcing to each child in the world, the Beauty, the Place, the Greatness, and Who The Beloved Joseph truly Was and Is.’ This Message has been sent to you, this Message of shocking Words, calm Beauty, bearing with Them a realistic view of how it had to have been, for all of you.

Men speak. ‘But I am sincere, God,’ they say. And The Father says: ‘Yes, you are sincere in how you think, but your sincerity is enveloped with a certain portion of love for yourself. I see this, I know this, and I will not pretend that it is not true.’

I, your Heavenly Mother, speak formally, lovingly, sincerely, slowly, for I want each of you to know why I take

this time to reach you in the world, to help you grow.

This child, this woman through whom I speak, is *an instrument of Divine Peace, an instrument of Words, an instrument of Teaching, an instrument of Burden, an instrument of Transmitting, an instrument of Suffering, an instrument of Hope, an instrument of Direction, an instrument* that envelops The Father's Words, for the whole world.

This child, this woman, chosen at birth; perhaps it would be difficult for you to understand a child being chosen before birth; so, let us take the time, many years ago: the Purpose, for the time in which you live; the Reason, for The Father's Will to be given to the whole world.

There are many tasks to be accomplished from this day on. At the moment of the Announcement of This Great Miracle, if *this child, this woman* had been told all things that were to come, she could not have been able to withstand all the blows. But now I, your Heavenly Mother, 'The Beloved One,' you sometimes say, 'The Blessed One, The Mother of God,' The

One Who you trust in every way, I come to the world in a Light of Hope and I say, 'The tasks now are important for millions of Souls.'

If I were to put in your presence here, obvious to your eye, one Soul that will return to The Father, you would look at the Soul and say, 'I did not expect It to look like that.' And you would be so taken with the form, you would be so taken with the manner, that you would forget the importance of your role. So, The Father, in all time, uses a human form to hand to the world His Direction, for you see, it is necessary for men to be continuously alerted to necessity.

Today is just a day in most men's lives. Today children are being born; some men are dying. Today men are working for monetary means. Today, men have set it aside, for social fun, entertainment, meeting with others, for they had the time to do this, and some, though they had the energy, did not feel it was necessary to be with others on this particular day. All men treated this day differently. All men used this day according to their own will, according to necessities, according to what would be the part

of their life that they would have to have the responsibility for, at a given time.

But now I take you to a Place. I take you to where you are. This Spot of Ground, this Land, is not for you. It is for the whole world, and all men to come, for the physical time. It is difficult sometimes, to accept something that is not just for you, but I, your Heavenly Mother, say, 'It is better to give The Father what He Wills than to refuse Him in such an adamant way.'

You stand in a particular place. Millions are to pass by on this very ground in which you are now. You say, 'All over the place?' I say: 'I am taking this one spot now.'¹ They will walk in the door. They will look around. They will look at the walls and they will look at the place. They will make references and they will ask questions. They will determine what it was like in your day. They will not have the capacity to see, to measure, to understand or even to believe what took place, but their imagination, their

¹ Refers to the Experimental House on Saint Joseph's Hill of Hope.

love for The Father, their desire to feel what you felt here in this Place, will be evident all around. They will walk in, they will return, they will look and say: "Isn't it beautiful in every way. What a lovely way to live and to know that God spoke here in many ways."

So, you see, you are making History for other men to enjoy, for other men to learn from, and other men to accept, for the good of their Soul. This, to you, could be a minor part of this Great Place on which you stand now, but in reality, the personal touch, the human feeling, the desire to be where others were, is important to mankind.

So it is, My children, with this whole Place, for as they touch each edifice, as they touch each portion of Teaching in This Place, they will feel the History touch them. And, in their being here, it will be revealed to them, the Beauty that one time took place, for the good of their Soul to return to God for All Eternity.

Words say many things. This Great Miracle says to the whole world, many, many things. It hands to the world, Direction. It hands to the

world, Hope. It hands to the world, Attention. It hands to the world, History. It hands to the world a Hope that nothing else can give. It hands to the world, Decision. It hands to the world, Lessons on the behavior patterns of many, many men. It hands to the world, the Outspoken Way, that men understand what is taking place in this day. It will be handed down in Writings in many languages, far too many to speak of here with you now.

Men will translate the Words. They will teach the Words. It will be taught in classrooms one day: 'What happened here is History, My children.' And what is to take place is History. It is difficult to find one's self part of a History that men will look to one day, but I assure you, with My Love, that you are partaking in History, for thousands of men to learn from in their day.

Let us take now the edifices alone. They, in many ways, will bespeak the time in which you live, but they will return mankind to the time in which We lived, and before that time.

This child has undertaken a great responsibility. *This woman* will

stand with the responsibility. Her fears I have heard. Her misgivings I understand. But her loyalty to His Command is the most important step of this Whole Action in the world. Every point of obedience, every point of trust, every point that is carried through, in The Father's Name, in love with Me and for Me, for the good of Souls, cannot be cast aside by Us, for *a child* who walks in the world, as you must do, each of you, bespeaking The Father's Wish, bespeaking The Father's Will, you must know that all things will be returned to you in the form of Grace.

So do not put all earthly measures before the Will of The Father, before My Love. And do not allow your way to cause you to stray from This Place, any day. Be assured that as you stand in the world, millions of children will respond to These Words, These Directions, and the hope that will extend through you, for all time.

The Father blesses the whole world through *this child*, through *this woman*. The Father blesses man's wishes. And The Father, in His Direction of all things, teaches through *this child*, *this instrument*,

this woman, the Direction, the Truth, showing the fallacy of so many areas of men who walk pompous, arrogant, belittling and devouring in the wrong way, the good. You are Blessed, My children, with the Light of My Love, with the Hope that I extend to the world.

And The Father, in His Love, says, 'Let it be known that This Great Miracle has given to the world, has revealed to the world, a Great Message of Truth,' for the Light of The Spirit, the Light of The Holy Ghost came to the world one day to respond in the manner that was necessary for the Church of God's Choice to come to the world in a perfect way.

We stood upon the earth, holding the form of mankind. It was the Direction of The Father by which all things were guided from The Divine. We stood in the Light of The Beloved Holy Ghost. We stood in the Light of the Tabernacle of Hope. And We stood in the Direction of the Teaching that The Father said was for all men's good.

So, as We took the human form one day, We come once again through

a human form, in a human way, and
We say: ‘Let this City be built. Let the lights of this City one day shine for all men to come and see that Full Love from The Divine. And know, that as the physical lights light the paths, light the roads, light the edifices and light the sky with their rays of light, the whole City will bear with it all the time, the Light of the Heavens, to teach and help children come Here to The Divine.’ So be it.”

SEPTEMBER 12, 1979 AT 8:40 P.M.

SAINT TERESA OF AVILA

“As *this child* listens to My Words, the Words are transmitted to you, and in reality, Each Word is a Gift. The combination of Words reach you in the Light, through the Light of Divine Love, and in this Light there is a Hope, and this Hope is the extension of The Father’s Will for you.

As the Light radiates through *this child*, through *this woman*, there are degrees of this Light sometimes observed by you; other times, felt by you; and sometimes a small degree of this Light is seen by you.

There are so many areas of This Great Miracle that hand to each man in the world, not just a program of Faith, but the Total Direction for the Faith to be guided in the direction of The Father, for the good of the Soul.

There is wickedness all around, My children, and the Faith has dwindled because of a lack of trust in the Purpose of life, and for the good of the Soul.

In the last moments, the Light that surrounds *this child* has changed, for the Light is a Blessing a hundredfold.

Through This Miracle, and upon this Light, I come on this night to tell you The Father is concerned over many Souls. There is a sadness in so many ways. All children in the world must return to obedience to The Commands of a long time ago. They must see The Commands individually, and with a certainty of trust, obedience, dignity, and application for the good of each Soul.

It is one thing to read, My daughters, My sons; it is another thing to cast it aside and not let it be absorbed. You say, many of The Commands do not affect you, you do not affect Them, and I, Saint Teresa of Avila, say, 'Each Command was given to man for a particular part of his and her life, for every day.'

I stand Here and I know. I speak through her and I tell you, 'It is time that the world know the desecrations, the abominations will bring The Father's Arm to the world.'

Men have forgotten Who created the world. Men have forgotten how Powerful The Father is. Men have forgotten the Beauty of how much He has given for the good of mankind, in the physical, the mental and the Soul.

Ask yourselves, My children, on this night, when you leave this place, how much did you do in His Name today, for the good of your own Soul? How much did you remember to offer to Him? And tonight, could you hand It to Him, saying, 'It is in a pure state, my God, It is for You to hold'? Not one in the world could say this, for no man in the world is pure enough for this role.

I talk slowly, for I talk through a very exhausted *child, woman* in the world. There are hours and hours and hours of work in the days to come, with very few moments of rest, for the accomplishments to be done according to His Will and His Word.

Men are seeking pleasure. Men are desecrating His Gifts. Men are being subversive in their thoughts, in their actions, and they are deceitful in their speech. They shout, 'Obedience to man,' but I, Saint Teresa of Avila,

say: 'It is false obedience they have. It is false loyalty, and they are so full of self-love they cannot see the reality of what they are saying.' There are many indignities, obscenities, cruelties.

Please know, My children, that the Light of the Heavens shines for This Great Miracle to be revealed to the whole world, for the Truth that pours forth through It to give men hope, so they will not stress their own weaknesses, and they will find devotion to God a must.

Some of you, I burn your eyes with the Light of Divine Love; some of you, I am easier on. But I say to you, 'Be honest with yourself.' Ask yourself these three questions on this night: 'What have I done in His Name today? What charity did I pass on to all who came my way? Have I corrected my faults, seeking purity for all other days?' So be it."

OCTOBER 10, 1979 AT 1:26 P.M.

*This Revelation was to the girls
attending Saint Anne's Academy.*

SAINT ANNE

“So many times children use My Name and omit the Magnitude of Whom I am. I walked the earth. I was the mother. My Name at that time was Anne. I am now referred to, referred as ‘Saint Anne’.

I bless each prayer. I console each child who requests of Me a favor. And I say to you, My daughters, as I stand Here in the Heavens, ‘All of the Heavenly Beings refer to My Love, My granting things as “Cookies from Heaven” with God’s Blessings attached to give Love and Hope for It to last.’ Remember, My daughters, My Cookies don’t crumble, They always stay intact.

I speak through *a woman, a child* upon earth, who bears responsibility of Volumes of Worth. Men who try to deny what is, must one day reconcile with The Father their lack of Faith in how He works and what He gives.

I come on this day, it is special in many ways, for I want you to know, as you grow mentally, physically and spiritually, I expect beautiful progress to show. I am with you each day in more ways than you know. I have My Hand on your shoulder even though It does not show, but as It is there to guide every step, the movements you make are important to God, and they must be correct.

Be aware, My children, of the Love I send. Be alert to the Place from Where I am, and know that I, Saint Anne, guide all things around you, and they, too, I hold in My Hand; a Blessing from God and Divine Love from The Heavenly Mother, Who came to the earth to hand to the world the Beauty of Hope, and be The Light for God's Will to be done for the whole world. So be it."

OCTOBER 10, 1979

SAINT JOSEPH, THE HOLY SPIRIT

“As I speak through *this child*, through *this woman* in the world, I say to each of you now, ‘The Words you hear, you absorb, are Lessons of Great Worth for the good of your Soul to come Here one day.’ I am speaking through a human voice. There is no need for interpretation in your way. The Words are clear, the Message true, the Lesson right, for each of you.

The Light of the Heavens shines through *this child*, *this woman*. I am Saint Joseph. I am The Holy Ghost. My Light is The Father’s Will; My Words, His Will. The Purpose of This Great Miracle is to give men a chance to survive, to give mankind The Rules, the Goal, the means, the manner, for the path each man is to follow for the good of each man’s Soul.

My Light is Pure, My Light direct; My Light surrounds *this child*, *this woman*, every moment of the day, no matter where she is at. The Rays are from Here, the Light is clear; the color is to show the Power is Divine,

through this Special Glow. Do you see the Light I send tonight for you to follow Here?

Sometimes My Light distresses certain portions of your physical. It is because of the Power that is sent with, sent by, from Here. Sometimes you look for a light that you recognize as a worldly light, but This Light that I send is Greater than the light from the sun, the light from the moon, the light from the stars, for This Light is Divine, with no physical origin to help It appear.

You are Blessed by the naturalness of This Great Gift. The Blessings that come to you are from far and near. To love The Father is easy to do. To show you love is easy to do: respect, obedience to all His Rules, and to follow in Faith the beauty of dignity, knowing that each moment might be the moment you will stand in His View.

This Great Miracle that bears My Name was given to the world in this Manner, for it was the best way to draw attention to The Father's Will and the Beauty of the Role that I have always played.

Men are little in mind, body and way. The Soul of each man has a Magnitude to It beyond man's comprehension in any human way.

The stillness of the room, the Light that is projected is not foreign to you. I, Saint Joseph, speak on the Wind of God's Power and in the Power of His Winds, with the Light of Enlightenment, to reach each Soul. My Miracle is to touch all men's way, all men's Souls with the Light of The Holy Spirit, to give strength to each man's Spiritual role.

You are Blessed, and you are given a Hope of Truth that you must follow, in the Light of the Words you have heard from Heaven to the place you stand upon the earth. So be it."

GOD THE FATHER

“I have a History of handing to particular, individual children, specific burdens, with particular Directions from Me.

I am speaking in a manner, not in disguise, but using a voice I created, to hand to all of mankind My Will, My Direction, through a Specific Manner of communication. I, Myself, I, your Father, prepared *this voice, this woman*, to receive My Words with a clarity, in a Distinct Manner, for My Words to be handed immediately, consistently, with the Purpose I intended for the good of Souls.

So many times men try to refuse My Way. They determine what it should be, in what form, what the formula should consist of, and the manner it should be received in. In all the children I have personally chosen for particular, specific tasks, I use My Wisdom in how it will be approached, how it will be declared to be.

Now, in the world, I have given a solid formula for men to follow. I have

given them past History to return to. I have awakened them, I have alerted them to the positiveness of what I want them to follow. I have reiterated My Statements of the past.

Now, today I speak through *this woman* clearly, and I say: ‘Men have abused her long enough. It is time men be reprimanded for their misconduct toward This Great Gift from Me. It is time men begin to practice with charity, understanding and integrity, along with the dignity I expect, the roles I intended for each of them.’

The perseverance of This Great Miracle has handed to the world thousands of Words, Teaching, standing for Truth, the Facts and the Directions I want clearly given.

This child, this woman, that I use spontaneously to deliver My Will and My Way, will be consumed by a burning zeal to fulfill My Will. Men will be frightened at this zeal and they will try to get out of her path, feeling they must save themselves from the perseverance she will radiate to them.

Let Me say this, My children: ‘A man who becomes enveloped with the zeal will find the path to Me quite real.

Those who escape the zeal, through their own weaknesses, will find the path to Me scattered with thorns, given to them by their own false reality.'

I bless the world through *this child, this woman*, and in this Blessing I say to her, 'Obedience, dedication must continue, for in this, many more things will be revealed.' So be it."

SAINT ALPHONSUS LIGUORI

“My beloved sons, I am Saint Alphonsus Liguori. I want you to take notes. At this moment, I am going to reveal to you things for you to follow, things for you to see, things to help you grow in Faith in God Almighty.

First of all, I want you to say to yourself: How is your Faith? Has It grown? Do you expect It to grow more in the love of Him Who Is? The Light of the Heavens shines upon These Words. Ask yourself, My sons, about your Faith in Him.

Secondly, I say to you: ‘Do you believe more in yourself than you do Him? Is your love for Him shallow? Is your love for Him synthetic in any way?’

Not too many are chosen for this particular path. Not too many in the world are given the privilege for this path. Not too many children are asked to walk such a burdensome road. Not too many walk in the Light of the Heavens, in the world; for the Light of the Heavens shines deep and

much upon *this child* and through *this woman* in the world.

The light of the world is one kind; the Light of the Heavens, another. Neither of these lights conflict with each other. They are both individual lights for the whole world.

Light is Faith. There is Faith in this type of Light. Remember, if the sun and the moon were to collide, it would be disaster; but, when the Light of the Heavens comes to the world and collides with your littleness, there is Hope in the matter.

Light is sometimes stretched far. Light is sometimes directed near and far. I, Saint Alphonsus Liguori, say, 'The Light of Hope walks within *this woman* every way, every day.'

There are Others Here, standing with Me now, Who shine Their Light upon the earth, and They want each son to understand that the Light that shines is the Light from The Father, to reach where you are, to give you the Words, One from Another.

What light do you expect? Is it like the sun? Do not allow it to be this way in your mind and in your way.

Do you light the world with the Light of your example for everyone? This type of Light is from your Faith in Him Who has created everyone.

Do your eyes burn? Do you feel the pressure of Me? Raise your hand, My sons, if it be. Do you see the color brighter tonight? Raise your hand if you feel you see My Light. The Light is a Light of Divine Love. The Light is the Hope from Above. You are looking for a light of earthly means. Remember, the Light is the Light of Purity from Here, through the atmosphere that you know, not Our Way that is Pure.

I am showing her a Ray upon which Many Saints walk. It is a Ray of Divine Power in a given way.

The world is saturated with men who say, 'Go to The Father the easy way,' but I, Saint Alphonsus Liguori, say to you today, 'The easy way is the way of purity, for every man to come This Way.' Remind yourselves that sterility is without life, without hope, but purity is full of life and full of hope, and has action in many ways.

To love The Father is important for each human being upon the earth; to serve The Father, important for

each man's Soul. To have Faith in The Father's Will is a form of dedication and commitment, and a giving of one's own will. To trust in The Father's Way is the ultimate of obedience, through the human way. To respond to The Father's Request is important, for you see, it shows a desire to cooperate with The Holy Trinity.

Men say, 'Why her, why not me?' Men say, 'How can it be?' Men say, 'Why should the Light of the Heavens be in this Manner?' And I say to you, 'It is best, for it is The Father's Will it be.'

There are so Many Saints standing Here with Me, ready to help each of you if you will but request it accordingly. Be aware that your requests are requests of honesty, sincerity, and they do not bear doubt that they are received. This is a test of Faith in The Holy Trinity.

Men know that The Father exists, but men refuse to accept the Manner in which He hands to the world His Beauty.

A long time ago men walked the earth, few in number, many in hearing, and so many without the Faith to

endure the trials, the understanding, the beauty, and yes, the work. They walked with Him as disciples, as apostles, and so many of them walked away, for they could not bear the work.

It is today as it was then: a request for men to stand in Truth, to follow the Words and to hand to others the Will of Him for each man's Soul in the world. The Words you have been taught, the Lessons you have been given, the Directions you have been shown, are for you to hand to every other man so he will come to Heaven.

Be aware, My sons, that you do not dismiss the Value of the Words that have gone before and that are now being given. Be alert to the transference of These Words, for you to be able to walk for Him upon the earth and one day come Here to Heaven.

Be wise to The Rules He gave, to The Rules that were left, for These Rules are The Rules for purity for all men; and for all men to see the Worth of the Soul, God-given, and yes, continuously observed by The Holy Trinity.

The Rules are The Commands. They are numbered. But then, let Me say to you this, that everything every man does is numbered, for as the books total up, The Father sees immediately the obedience to The Rules, the disobedience to The Commands, and the frivolous manner in which each was accepted and directed.

Be aware, My sons, of The Rules, and in so many ways, there are so many men in the world who are disrespectful of Them. The First One, they say they never sin against. I say they do, many times over, every day, for men who put anything or anyone above Him sin grievously against the First Rule of His Way.

This Rule was given for a particular cause. This Rule was given because it is special in every way. No man must hold above Him any thing, any one, for you see, The Father is more than Heaven.

And then, the Rule so many abuse: They call Him names; they say things about Him, not always frivolous, sometimes in contempt. Remember, the sin against this is sadness Here in the Heavens.

And then, there are so many who say they have great Faith, and they say to others not enough Faith to accept paying attention to Him at a particular time.

There are so many men who omit the Fourth Commandment, and when they do this they say they do not feel that The Father of the Heavens, The Father of All Creation, The Mother, is important enough to worry about.

They all put These Commands, These Rules, on an earthly basis. I say to you now, ‘They are all directed to The Heavenly Ones, important to the Will of God, and for the Soul of man for all time.’ So be it.”

OUR HEAVENLY MOTHER

“I have held her with you and I have held her in deep ecstasy for you. My sons, I am your Heavenly Mother.

Men have asked, ‘Why a woman?’ And now I have come to give you part of this reason, for the benefit for much to come, much to occur, much to happen.

Before *this child’s* birth, she was chosen to stand here with you today. The reason for her being a woman was because of the Magnitude of This Great Miracle for the whole world, and The Father knew that if He were to send *a woman* to report This, to transmit This, to transfer This to you, you would instinctively protect her, and through this, instinctively protect What He wanted men to know.

It is important for this to be within your minds, for you see, if this Great Message was revealed through a physical man, the attitude and all that would surround him would depend upon his physical strength in the world, but you have been shown, you

have been given the privilege to walk in a protective role.

As The Beloved Joseph was upon the earth He walked in the Protective Role. Now, as The Miracle, bearing His Name, has been given to the world, men have been given the task to protect This Great Miracle for all that It is worth.

You will find the Words logical, understanding and sound. It is logical that *a woman* was chosen for this Task, for in this type and way of choosing, you are the protectors for Him at last.

You are Blessed, My sons, with the privilege, and yes, the obligation to walk in this particular role. So be it.”

OCTOBER 22, 1979 AT 3:19 P.M.

OUR HEAVENLY MOTHER

“*This child, this woman*, chosen by The Father to perform many tasks upon the earth, to give mankind the Beauty of God’s Will, for each man to better understand The Divine, there is much effort on Our Part Here, to extend to man, the will, the way, the path, the reason, the understanding and the perseverance it will take to accomplish the Will of The Father on a Particular Piece of land.

Men try hard to refuse this Great Commission. They fight desperately against the reality of It, for they say they do not understand It to be beneficial, and the Manner and the Way It is given.

I am your Heavenly Mother. I come through *a weak voice*. I come through *a tired woman*. I come to express, I come to deliver, I come to hand each man the Reason for This Great Miracle upon the earth, firsthand.

It should be obvious to every man in the world that as The Beloved

Joseph walked with Us, He was Special, not only in the eyes of the world, the eyes of men, but most certainly, in the Power of The Father. This Beloved One was sent forth from Above to protect the Will of The Father against the adversities that would have stopped The Father's Will, because of man's lack of understanding, lack of interpretation, lack of knowledge, lack of wisdom.

He came then as He comes now, not just to announce, but to protect, and I, your Heavenly Mother, expect all men in the world to find the way to protect This Great Miracle, as He did when He was upon the earth. It is put in such simple form, such simple language. Men must begin to understand that the chaos, the disaster, the horror in the world, the sinfulness, the hopelessness, must cease. So The Father now sends The Protector for Peace. He was The Justice of Peace for Us. He is now again The Justice of Peace for all mankind.

There are so many areas of great challenge to *this woman* through whom I speak. There are so many paths and there is so much momentum that has occurred, that I say to men who

desire to be in service to The Father: 'Walk as the Apostles walked with The Son of The Father. Walk as Joseph walked, as The Protector for The Father. And remember, you protect more than *a woman*. You protect The Father's Deliverance to the world for the protection of men's Souls, and the Beloved Sanctuary of Love He sent for men to begin to understand the Beauty of His Will for them, and the method and the means, the manner and the way He wanted men to honor Him upon the earth.'

He wants men to recognize the Sacrifice He gave and He left, the Dignity of the Sacrifice, the Beauty of the Sacrifice, the Purpose of the Sacrifice. So, once again, He sends to the world *a child, a woman* who stands and says: 'I trust wholly, totally in what I am told. I am little, I know, weak in the physical, but I am sure that this has a purpose to it, for the Greatness He is will then show.'

I, your Heavenly Mother, speak with a Love you cannot know and yet you seek, with a purpose beyond men's knowledge or reasoning, and I say, 'The challenges are and will be many for *this woman* who stands in the sight

of all men, speaking Our Words for the good of them.'

It is necessary that the schedule be met. It is necessary that determined rest must come to the physical. It is necessary that men see it be so, for the littleness of her is a challenge for the whole world. So be it."

OCTOBER 24, 1979

SAINT THERESE OF LISIEUX

“My daughters, men shout, ‘I do not want to be duped, I do not want to be fooled; I want the truth.’ These same men find truth difficult for them to handle in their own actions each day of their life, for they do not want to be caught accepting something that is untrue, for they do not want others to laugh at them. They want all men to see them in the right light.

I am Saint Therese of Lisieux and I speak to each of you on this night. Be aware, My children, of your Faith. Be aware that it is directed right. Be aware of the Light of Hope. Be aware of the Magnitude of God’s Will for you. And be aware of your littleness in His Light and absorb It as best you can, and let It express your Faith in His Will for all men.

There are so many things I have spoken. There are so many times I have reached you through her, *this woman* who stands in the Light of The Father’s Will for time.

Men are screaming, shouting and begging for more time; more time to follow what they will to be done; more time to show The Father they are willing to accomplish many things.

I, Saint Therese, say to you now: ‘Be aware, My children, of The Commands He gave. Obey Them and teach others about Them. Reflect Them in your own life. And when you speak to others, you begin to delve into the lives of others, be sure that you leave one mark with them, and that is that perhaps they met a Saint, living of course, but in human form; for allow your actions, your inflections and your reflections to say to each one you meet, you are obedient to The Father’s Will and you want to stand one day at His Magnificent Feet.’

Be aware, My children, My daughters, My little ones, My girls, for you follow in the footsteps of Divine Way, Divine Light. And remember, your Faith must shine, your love must show, your actions must be example of hope for the whole world. Be kind, be gentle, be generous, be firm, and stand in a Light of hope, and do not forget that Sainthood is earned. So be it.”

OCTOBER 27, 1979 AT 2:10 P.M.

SAINT MATTHIAS

“Faith is an important part of every man’s life. Faith is a living part of every man’s life. Faith lives as long as there is human life.

When a human being dies to the earth, he is responsible at that time for the Faith he showed, he acted upon, he moved in, he was example of, and the degree his Faith in God helped him to serve in an ultimate manner for the good of his or her own Soul.

Many times Faith is looked upon as an unimportant part of human life. Faith is a living part of human life. Faith bears in it a substance for living, in living, that no other part of man can acknowledge as a closeness in communication to The Holy Trinity.

Man’s will reflects his Faith in God. His nature reflects his Faith in the standards and the values, and the degree of his self-control, self-discipline, self-expression, in his example of actions, words and deeds. A man’s personality reflects his culture, his thinking, his sensitivity to other

men and women, his coordination of his actions with his desires, his motivations, and what he wants others to see him as.

All of the functions men project reflect back to the Faith in God, and the beauty and degree of respect for this Faith, in this Faith, and of course, with this Faith in mind at all times.

Faith is a part of man, a necessity for man, and of course, shows the whole man to the whole world. Faith is an intrinsic part of each man's stability, each man's Goal.

Faith is not spoken of enough. Faith is not shown in the manner The Father intended it to be shown. Men have put other titles where their Faith should have been given. Men must see the Magnitude of Faith in their life, and the responsibility that Faith truly is for the Salvation of each man's Soul.

I do not speak often through *this woman*, but I have spoken before. There are many days to come when this topic of discussion will be evident throughout her Role.

Men must begin to accentuate their degree of Faith: first, in their own mind; second, in their actions with other people; and third, they must develop it to a degree of purity for the good of their Soul.

I am Saint Matthias. There is so much in the world that passes and men do not see the importance of it. But This Great Miracle that bears the treasured Name of Joseph is giving to the whole world, not just an accent on Faith, but the True Direction that The Father intended Faith to be: soundness of thoughts, words and deeds; Faith in The Rules that He gave for all time; sound, logical understanding of the Sacrifice for hope, of hope, bearing no conditions of pro or con, but showing that sacrifice is important for each man to see the value of life and the Goal it was intended for.

Faith is man's path to Eternal Glory. Purity is the key to the door at the end of the path. And then, My children, the Judgment is, and will be, on the degree of Faith, the degree of service, the degree of obedience, the degree of pure example, and what each man used the physical life for: to share the beauty of their Faith, to

be good example for others, and yes, the service to The Father, showing the depth and degree of Faith, the privilege for the use of It.

And do not forget, as there once was in the world a man who walked, handing to all other men The Commandments of Value, The Commandments that were seeded with the Love of The Father, to grow for all time, so that no man would be without These Commandments; and then, the Gift of Faith, the Gift of Sacrifice; and now, My children, This Great Miracle, teaching all of mankind the Treasure The Father left, Faith for men to use to reach Sainthood.

A word is sometimes lonely alone, but when a word such as 'Faith' is expounded upon like I have just done, it makes Faith more than a word. It makes Faith a basis for Sainthood. So be it."

NOVEMBER 17, 1979

SAINT JOAN OF ARC

“My beloved children, I am Joan of Arc. I have spoken many times through *this child*, through *this woman* who walks a tightrope for The Holy Trinity.

We were All present when a particular prayer was given to her. We smiled and We encouraged her to say this prayer constantly, for there was not One of Us Here that did not realize and did not know that this prayer would be a great help in time of burden, hurt and despair, for no man can say, ‘*I love You, God,*’ and feel despair in any way. No man can walk a life of commitment to God and allow anything to come in the way.

The Light of the Heavens shines through This Great Miracle. The Light of The Father controls This Great Miracle, for in This Great Miracle there is Hope for the whole world.

The prayer, My children, is this:

‘For You, my God, I give my heart. To You, my God, I give my love. For Your Will to be done, I offer my whole way. I know, my God, You will give me the strength I will need in every way. Bless me, God, when I feel despair. Encourage me to always be fair. I love You, God. Help me to know what You want of me for the good of my Soul.’ So be it.”

NOVEMBER 17, 1979

OUR HEAVENLY MOTHER

“My beloved children, I am your Heavenly Mother. In so many ways I have spoken many times upon the earth, and so many times I have offered Direction to the children. It is not just a Mother’s Wish but a Mother’s Love, for All Words spoken through This Great Miracle are from Above.

There are areas for men to think about, facts for men to look into. There is a path for men to dwell upon; the path is purity. This path bears great light, great hope, great purpose, for the good of each man’s Soul.

Each child born to the world must be taught to look for the Light, the Light of responsibility. I, your Heavenly Mother, say, ‘There is never a Soul walking the earth that is not held by a Golden String of Light from Heaven in every way.’

It is true, it is your Soul that you respond to. It is true, it is your Soul that urges you to pray. It is true that the Light I send is for each of you, every one in a different way. It is true

that the String of Gold is a Ray from Here.

It is true that the Light in which I hold *this child* is the Light from Here. It is true, This Great Miracle of Teaching, for the Wisdom of The Father, the Love and the Hope are once again spreading throughout the world, through *a funnel, a channel, an instrument*, bearing the Light of Divine Will.

Be aware, My children, the Light is right, the Light is all of good. Be alert to what you know you must do. I love you. There is no greater Words I can give to you, but I say, ‘With The Heart of The Son, the Light of Life attached to the Light of His Will, is truly a Golden One.’ So be it.”

NOVEMBER 17, 1979 AT 7:15 P.M.

THE SACRED HEART

“So Many of Us have spoken today. So much Love has gone your way. So much courage is to be returned, for there is so much more to be done in the world.

Be thankful, My children, and be alert. Be wise, and know that today could be your step to purity, today could be a new life in the world.

Men look at books; they read the words. Men talk to friends; they hear the words. Men speak to each other of many things, but today All Heaven spoke: The Saints, and even Me.

My children, I am The One, I was The Sacrifice, I was The Light. Here in the Heavens, I say to you: ‘I have opened My Heart, I have opened My Arms. I have given you Words today for you to work on. I have never left you alone. I would never do this. My Love for you comes straight from My Throne.’

There are so many ways for you to honor Me, so many gifts for you to

give Me. Remember, I ask you with My Heart that shines in the light of the world: 'Do My Will. Offer yourself to Me. Bind yourself to what must be, and one day I will see that you enter the Kingdom I have promised you, to spend All Eternity with Me.'

You are Blessed, My little ones. You are Blessed with a Love you cannot know and you cannot see, nor can you feel, but be aware that as I transmit this Love to you, I hold each of you very dear. So be it."

NOVEMBER 19, 1979 AT 6:41 P.M.

SAINT FRANCIS OF ASSISI

“My beloved children, I am Saint Francis of Assisi. Many times We listen to children upon the earth speak of moments of pleasure, moments of desire, moments of hope, moments of expression. In so many ways, We want all mankind to understand that moments of silence are important to man, for in these moments much can be said, for automatically the words travel to Him Where He is at.

Men shout: ‘I want to speak. I feel bound by other men.’ I, Saint Francis of Assisi, say, ‘If man but realized the beauty of silence, the privilege it is, the purpose for it, they would strive to find times for just this.’ Silence displays many things, by meditation, concern, understanding, reliability, stability, endurance, self-control, self-discipline, wisdom. Silence gives life, gives opportunity, gives strength, gives hope, renews energy. There is no forfeiting position in silence.

I walked many hours upon the earth in silence. It gave me opportunity.

My outward expression at these times was in the amount I could accomplish without interference. My example of dedication spoke many things. It bespoke the power I was allowed for concentration, the power I needed for meditation. I forfeited nothing during these moments. I gained many things during these times. I found the time to beseech The Father to give me what I needed for the good of my Soul. I found this time giving me more energy to work for my Soul. I found my times of silence were times of gaining humility for the good of my Soul; I found that, in these times, the true reason for my physical role. I found God had a purpose. Never could I have responded to it if I had not gained self-control.

Words are good, silence can be better. When everyone speaks, there is little time for looking to Him, for in the noise of the world the Image of Him is easily cast aside, for what you cannot see and you cannot physically feel seems to drop to the background of what men refer to as 'humanly real'.

Men say, 'Silence is golden.' I smile at this, for silence can bear the

Golden Strings of Heavenly Light, giving man a true life of bliss. Merit for all the actions that are good is Grace from Him Who Is, so allow all your actions upon the earth to reflect the Beauty He Is.

One day He walked into the desert, retreating from man. In this action of silence, He was practicing Great Acts of Mercy and Love for man. The silence was, in many ways, deafening. The silence was broken into many times by temptation, hate, hurt, from the evil one, but in the strength of the silence He was able to pray. Here He showed the beauty of silence in many ways. He had no one to talk to, as He fought against the evil one, except The Father of All, of Which He was One.

So many times men forget to read into the stories from men the simplicity in the actions, acted upon for them. I am Saint Francis of Assisi, now in the Heavenly Realm. I speak through *a woman* who walks upon the earth, obedient to The Heavenly One. No man truly knows what Greatness is Here, so men must strive to work in every way so they can see firsthand.

You are Blessed in the world through This Great Miracle of Hope. There is no definition that explains This Miracle more than These Words. It is a Miracle bearing the Name 'Saint Joseph'. It is a Miracle of Enlightenment, teaching God's Justice and Hope. It is a Miracle describing in so many Words what The Father has given to the world. The Blessings are many to those who observe the Blessing, great to those who see the Beauty of Every Word.

Remember My Words and know this: Silence can be the means for each one to follow and to find the time to pray and to be example in. So be it."

NOVEMBER 25, 1979 AT 4:05 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I speak through *this child, this woman* in the world, and I hold her to Me in the Light of My Love for the whole world. The Mission she is upon immediately is a Mission of Faith, for the good of the Soul. Men try to deny the Magnitude of This Role.

The child will relay to you the Vision she sees unfold.”

VISION

It is Saint Joseph. It is, as you and I would call a tremendous dove, but the Dove radiates through His Body. And the wings are spread, I would say, within four feet on either side of Him. He stands radiant in gold. The Dove glistens with light, outlined with a shading of silver and gold. I can see separation in the wings.

His garment glistens. He wears a Crown on His Head and the Crown is highlighted with a shiny line undeterminable. The Crown is different in form. Saint Joseph smiles,

but I can see the Dove as though It is halfway through His Form. There is light extending in every direction. The form is too large for this room. He wants to speak. He is waiting.

SAINT JOSEPH, THE HOLY SPIRIT

“My beloved children, as you stand in the world, you stand alone. Your Faith is through you as the Dove is through Me, the Wisdom of Light, for the Purpose you were born.

Men try to deny the Beauty of This Great Miracle. I came to the world, I walked the earth some time ago. I have returned to teach mankind love for The Father, and The Rules by which each man must be ruled. A single glance at This Great Miracle that bears My Name is a glance for Hope for the whole world.

Men shout ‘justice’. Few men shout ‘wisdom’. Rarely do men shout ‘purity’. And if men will but look, these three must be combined for the good of the Soul. Men endeavor to have freedom. Men shout they want to be a part of the world. Few men understand the necessity to walk in a life of purity for the good of the Soul.

I send Light, I send Enlightenment, I send Words, I send a Vision, I send Hope. I send the Directions for the good of each man's Soul. I send The Father's Will for each man in the world. Men must begin to look for, to seek, and to enfold the discipline, the self-control needed to one day be a Saint for All Eternity.

My children, ask yourselves this question: What does your Faith consist of? How pure are you? Do you see a need for change in your personal role? What have you given to help others understand that Sainthood is for the Soul? Have you denied yourself and others a pure role?

I will slowly take the Vision from *this child, this woman*, and return you to the time with her, to reflect upon what must be given to the whole world.

The Light I send is not the light of human way, but the Light of the Heavens that surrounds her in every way. Obedience to The Father, commitment to service is not the easiest way, but necessary at this time in the world, for Souls to come This Way. So be it."

NOVEMBER 28, 1979 AT 8:12 P.M.

SAINT ATHANASIUS

“Men cry for Facts and when they get Them, they do not believe Them. Men depend upon Facts and when they are given the Facts, they cannot comprehend Them. Men are given Enlightenment and they only retain a certain amount of It. Men are given Great Times, Great Miracles, and they sift what they want from Them. Men are told that God loves them. They abuse this Love. Men are told that God is coming to the world in a Special Way. They hear the Words, they read the Words, and they see the Phenomena in many ways, but here again, they do not comprehend God’s Love for them.

God sends Light in many forms. They see It with their eyes but they only remember It a short time. They say, ‘Maybe I didn’t see It, maybe I didn’t feel It, maybe I was not worthy enough to see It as others saw It.’ Men debate many things with themselves.

God says, ‘I have given you time.’ Men say, ‘I am busy using it.’

With a Miracle as big as *The Miracle Of Saint Joseph*, there has been much Light given. Sometimes the Light appears as though It is strained through gold, sometimes through white, sometimes through silver, but It is the Light, not of human way, but of Divine Love. Many times people wonder why God would send Light through a *human form*. It is the way that men understand Sound Direction, Fact, Truth and Format.

***The Miracle Of Saint Joseph* looks so natural, It looks so down-to-earth and It looks as though It is so human in every way. I will describe to you some of the facets of This Great Miracle.**

Men speak of a religious way of life. They connect it only to a vocational role. I, Saint Athanasius, describe to you tonight these facets that for all these years have delicately unfolded before your very eyes.

The Father Decrees a Miracle to be. Men immediately see It physical. How could men receive Direction, Words, without the human role? This Great Miracle upon the earth has handed to mankind a high religious

state of life, handing to all men Pure Light. What you have been told, What you have been given, was direct. What you have been shown was direct. There are degrees of Spiritual belief among all men. You have been Blessed by the Greatest Degree men have ever been Blessed with; this Degree of Blessing, totally from The Father, directed by His Will.

Men have been refreshed spiritually, mentally and emotionally. Men have been given Facts, Formula, Standards and Values to uphold. With the Light that has been given through This Great Miracle, I, Saint Athanasius, say to the whole world, 'The level upon which It was given is a level beyond what men know.' When a Great Miracle is sent to the world, it is to uplift man's thinking for the good of his Soul. So I, Saint Athanasius, say, 'Lift your heart, lift your mind, and look for a pure role, for purity is necessary for Sainthood, and This Great Miracle is to teach mankind the Value of the Soul.'

Men must begin to make reparation, follow the Light of Divine Rule, and absorb the Light that will give them the strength to follow The

Father's Way and obey His Commands and His Rules.

I hold *the instrument* tight, and I say to the men in the world, 'The Light that shines through her is the Light of the Heavens, burning each man's mind, eyes and will with the desire to find purity for each man's Soul.'

It is a difficult time in the world. It is a time that men must see the reason for self-control. The world is in turmoil. The evil one, The Father's enemy is loosed upon the earth. Men are falling into the traps, ignoring the Light through This Great Miracle that has been given for each man's Soul.

I speak firmly, and yes, clearly, for each one here is like a grain of sand in the world, but The Father has come through This Great Miracle to gather each of your Souls. So be it."

SAINT JOSEPH, THE HOLY SPIRIT

“The Light of Bethlehem was far more than a star in the sky. It is easy to talk about a star. It was the closest association to a phenomenon in the sky, that man wrote about. We may call it ‘a comet’, ‘a star’, ‘an aurora borealis’, anything, but it took more than a star to have History remain two thousand years.

Men follow stars, but you and I would not follow an ordinary star unless we were navigating or looking for a particular thing. The men followed a phenomenon; but what encouraged these men to follow the phenomenon? They saw a Light, a Light of Faith, a Light wherein they saw more than just a human feeling, human direction, human need.

Light has a drawing power to It, and Light, when It shines or shows or radiates or penetrates or reflects, It indicates more is happening than the ordinary thing.

We, for years, have talked about the Light of The Holy Spirit, and men

refer to It very glibly and men refer to It very lightly, but the Light of The Holy Spirit is God's concern for every Soul in the world. And the Light of The Holy Spirit is not something that should be confused with man's words, man's opinion, man's intellect, man's knowledge. And the Light of The Holy Spirit is a Light beyond human measures, means.

The Light of The Holy Spirit established Holy Mother Church, and the Light of The Holy Spirit is never forced upon a man. It is there for the man to follow. Many times God's Light penetrates a man's path and the man is too arrogant, too egotistical, too permissive to see It or recognize It.

Whenever God used a human form upon the earth, to show a specific Light to the world, God used the innocence of the person, not just the Faith of the person. God used the person's desire for purity of mind, body and Soul, but He also used the love of the person, for He knew this love for Him would never stop.

It is easy to love another human being when the love is based on relationship, companionship, but when

the Light of The Holy Spirit radiates through, from a chosen individual, the Light is for the good of every man's Soul. There is nothing frivolous about this Light, and the Light is passed through the individual so that those receiving It are not volunteers to It, but recognize It because of the Faith they endure.

Bible History has been given to man in many languages and Bible History is for men to know. But the time in the world has become so, that men must have something else, something greater, to use, to follow, to look to and to see, as truly a Benefit from God, a Benefit of Love from The Holy Trinity.

I use *this child, this woman* that each of you understand, in the Speech, in the Delivery, in the Content, in the Motivation, in the Sincerity, in the Dignity, in the Direction, as being from Me. You know her, and you also know that the Light that pours forth around her, through her, from her, is the Light of Me.

My sons, I am Saint Joseph. I am The Spirit of The Heavenly King. I am Many Things. I am The Fire of Divine

Love. I am The Expedient of Hope. I am The Deliverer of Light.

I come to the world now, not to express just The Father's Desire but The Father's Will, and through Me, men are learning to see the value of values and the beauty of standards they must uphold.

I speak in a strong voice through *this child*, through *this woman*. I speak effortless. I speak with the Light of Divine Love, through a human voice that you can understand, that you can see.

I am The Light of the Heavens. I am The Hope for the world. I am known in many places as 'a Saint', for in this manner it was easier for men to face Me, to cope with Me, to understand Me.

I have Blessed thousands through her. I have listened to thousands of children speak to her. I have delivered many Words through her.

I am once again coming to the world openly, to re-establish the Truth, the Magnitude, the Values, the Standards that are the Will of The Father's for all mankind. No man has

the right to argue, debate, reject This Great Miracle of Mine.

Hours will be before the release of My Power through her, but then it will only be to a degree.

Ask yourselves, My sons, ‘Something of this Magnitude, this Greatness of Light, is more, is it not, than the littleness of man could endure or see?’

My Light is with you. My Hope blesses you. My Words are true. The Light of Heaven comes through *this child, this woman*, for each of you. So be it.”

DECEMBER 8, 1979 AT 8:58 P.M.

OUR LORD

“Only I know what courage it takes to stand in the line of fire and be the target for man’s mistakes. Only I know what courage, what honor, what dignity, what sincerity it takes to stand as the brunt of man’s ego, working to solve their mistakes. Only I know the need for hope, the way, the path, the means that men must seek, to absorb the Beauty of Me.

I speak through *a child* of Mine, *a woman* who walks upon the earth. I speak through her voice. I show through her being. I explain, through Words that are totally of Me, the necessity for man to accept the Beauty of Grace. Many men differ with what is told. Many men argue, for they do not understand how I would unfold the Mystery of Me, for the good of all men’s Souls.

***A child* walks the earth, *a woman* to man, *an instrument* of service according to Divine Plan. In the atmosphere of the earth, men live. In the atmosphere of the universe, in**

many ways, The Saints use this place to reach man upon the earth.

Men say, 'What is the distance between Heaven and earth?' and I, The Son of The Father, The Second One men speak of, point out to man, 'The distance between Heaven and earth can be decided upon in one small sentence: What degree of Grace are you speaking of, what degree of Faith do you imply, how much love for The Father do you feel inside? Distance, to man, is seen by the eye and felt through time. The distance between Heaven and earth is totally the Decision of The Divine.'

Men shout, 'Why a woman?' I say back to man, 'It was necessary to give this Important Plan through this *particular one* for reasons little understanding to man.'

All Information, All Direction, All Words, are from Us. All things are directed for the Purpose of The Father's Plan. Men must not ridicule This Great Miracle. Men must not try so hard to find difficulties within It. Men must see the Beauty of It, the Reason for It, the Direction in It, the Magnitude that It involves, for the good of man.

I am The One Who walked the earth. I am The One Who speaks often through *this child, this woman* upon the earth.

The days ahead will be filled with many, many Messages for the whole world. She is aware of this. She understands this. She has been prepared to be a Part of This, and in this 'Preparation' there was a handing of the will, a relinquishment of nature, personality, and the love of the heart for The Father's Will. Many strippings had to take place; many, many relinquishments; many, many hours of service.

There are so many men upon the earth who refuse to understand, who refuse to comply, who refuse to make reparation for their sins. In the coming time, men will be given offenses against The Father in detail, for men must reach for purity, a pure state of mind, body and Soul, to release the pressure, so the Wrath of The Father will not have to be delivered to the whole world. These Words are frightening to *this child, this woman*. They should frighten all the men in the world.

Be blessed, My children, for your Faith. Be blessed for your service, and be blessed through The Miracle that occurs through *a woman* in the world. So be it.”

DECEMBER 12, 1979 AT 8:12 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“There is no man in the world so learned, so wise, he can doubt God’s Will for the world.

You have been given the Light and you have been given the Hope. You have been given the Direction, you have been given the Reason. You have been given a Hope beyond hope, and you, too, believe that Christ was risen. And I say to you now upon the earth, ‘If purity had not reigned for many a moment, the Ascension could not have occurred, the Assumption could not have been; and the Mystery of Joseph, of Whom I Am, would not have remained two thousand years.’

Men speak of purity. Men speak of piety. Men speak of innocence.

Ask yourselves, My children, on this night in your time: How much Faith do you have in The Divine? How much courage would you stand in to be Joan of Arc? How much Faith would you be able to radiate, if you were Catherine of Siena? How much work would you give the time to, if

you were the beloved Frances Cabrini? How much humility, how much service would you radiate to the world for so long a time, if you were the beloved Francis of Assisi? How many hours would you fight to get men to know the beauty and the worth of prayer and hope, if you were Teresa of Avila? How much love, how much dedication would you radiate, if you were Therese of Lisieux?

I say to you now, ‘The Fury, the Direction, the Words pouring forth through the Light of the Heavens on this night, are the Words, not of human care, but of Divine Origin.’

As I stand in the Heavens, I stand upon the earth. As I listen to men argue, offensively, defensively, for the pros and the cons against the good, against the bad, correcting nothing, all arguing for the sense of position, status, control, ‘There is nobility at stake,’ some say; and I say to the world: ‘Are you just in your thinking, in your speech, in your direction, in your walking? Are you just in how you act towards the whole world?’

This woman, through whom I speak, does not ponder justice, but

radiates it in every Word, every Action, every Thrust forward to gain success to accomplish The Father's Word.

The Light of the Heavens shines through, around. Men say: 'My eyes hurt. I know it is good. I feel the right. I see different Lights.' How can you, children in the world, not walk a stronger path, a more deliberate road, when you know Faith is but the foundation, service is the way; piety, a great step forward, and purity the ultimate goal?

There is no One Here in the Heavens Who has not walked a very trying role. There is no One Here Who could accept, while upon the earth, man's injustice. I announce to you tonight: 'The longest this has been done is through *this woman* who walks for Me upon the earth.'

It is time men begin to see the Justice in This Great Miracle governed by The Holy Trinity. It is time that men begin to understand The Commandments were given, a *Particular Faith* was developed, and the importance of this Faith was stressed by Divine Plan.

This Time I come once again to the world, announcing Myself as The Saint Who walked the earth. It is what you understood first. It is what you cling to. It is the Portion of Me men relate to; but, in reality, I am now as I was then, The Holy Ghost.

Men do not have the wisdom to debate this Great Mystery of Life, of Light, that only I control. A woman has been placed in your midst; not her doing, Mine, to walk, to direct, to lead and to serve, so that mankind will be able to re-establish that beautiful Church. *This woman* is ready to face all who doubt. They do not face her, they face Me; and they must not forget What I Am All About.

The Light is Pure; the Hope, Sincere; the Reality, Complete. The world must turn a listening ear.

Men want love. They put love on their terms. My Love is Supreme, not mythical, not merely man's dream.

I am a Being Above All. I am The Light of the world. I hold the universe together. I am stronger than any wall, so do not put a wall between yourself and Me. My Heart will penetrate it, as

It does through the Light, Me. So be it.”

JANUARY 1, 1980 AT 5:16 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“*A child, a woman*, has been put upon the earth to act in a manner and a way to give strength, to give purpose and to establish a definite way.

The world, created by The Father, has men upon it who know there is a definite Force of Power holding the earth in place. This Power is also the Power that determines man’s place, but along with this, this Power demands of each man to be the recipient of Special Grace.

***This child, this woman* through whom I speak, is *an instrument* of Divine Love, Divine Power, is *an instrument* to not just demonstrate, but to direct, to instill and to enforce the Beauty that men must see, men must acknowledge, men must seek as Divine Grace.**

There are many accomplishments to be acknowledged for the coming decade of time. There are many structures to be built for the good of mankind. There are many Lessons to be taught, many Directions to be

given, many Commands to be fulfilled, for all time. *This instrument*, used by The Father, is of human origin, but works, walks totally at the Will and the Command and the Demand of The Father of All Creation.

Men must see that man was created for a particular Purpose, and that is to one day face The Divinity, The Holy Trinity, for man to live on forever with The Divine, with The Holy, with The Supreme King.

Men have been Blessed with a Soul, a Portion of The Divine. Men have been Blessed with a will, a treasured Gift from The Divine. Men have been given Direction. Men have been given The Commands to live by, The Demands by which, through which, from which, The Creator of all the universe, of all mankind, gives to all who live in the human role, the Way, the Means, the Direction, the Purpose.

No man can say he does not know there is an Ultimate One Who is The Commander of All, in Command of All. Remember These Words.

My children, throughout the world I am called 'Joseph', but in reality, I am The Wisdom, I am The

Light, I am The Hope, I am The Direction, for The Father's Will to be done upon the earth. So be it."

JANUARY 23, 1980

SAINT MARGARET MARY

“There is a Special Light to Heaven that is many times shown in a small way to the world, at specific times, for men to better understand the Purpose of life.

And I, Saint Margaret Mary, say through *this woman* in the world, ‘The beat of man’s heart must beat with The Father’s Heart, for in this union of man with God, the Soul of man lives as God intended It to live: surrounded by Grace, beating with hope for Life Eternally with Him.’

When I was upon the earth my heart beat with His, for the Purpose He intended for me to leave upon the earth for man.

It is now in your time, and now in His Way, *a woman* stands upon the earth every day, speaking the Words Decreed you must hear, strong in the Direction The Father Wills for you to come Here.

There are so Many Saints that speak Words coordinated with a

consistency easy for men to understand, coming forth on the Rays of Light from The Father, through His Hand.

I come to you tonight in your time. My Light is His, My Words at His Command.

No man upon the earth can say, 'It is not so,' and do it in total truth, for if this man rejects These Words, he has little Faith.

My Light shines through *this woman* for the whole world. The Light of The Father she walks in; the Purpose, all for Souls.

You are Blessed and you are given Grace. There is a sadness Here, for so few men understand the Beauty of Grace and what a Precious Reward It is from Him. So be it."

JANUARY 30, 1980

SAINT BARTHOLOMEW

“My beloved sons, I am Saint Bartholomew. I have spoken many times through *this woman* in the world; My Words, The Father’s Will for all to hear Direction, Purpose and Goal.

The Light that shines through *this woman* is a Light of Heavenly Grace, a Light for men to follow, a Light for men to feel the Beauty of God’s Love for each one. The Light is to reveal to man the Hope for the whole world.

Right now, My sons, you stand in the world. There is great discussion over This Great Miracle, but the men fear the Power of This Miracle for they do not want to change their thoughts, their ways, their purpose. They say that their thinking must be recognized, for in their thinking they have learned to teach that particular way, their thinking is good and it had to change in the manner they were directed to change it in, for this was the method by which they were given

their destiny, their vocation, their way.

I, Saint Bartholomew, say to the sons throughout the world, and I direct this to you who sit here before her, that you must recognize the reason for this Society¹ being formed. You are to partake in the learning that must pass through the world in many ways. You are to learn, in a direct manner, how to cope with the things that will come your way through this Society. You must stand strong in honor, you must stand strong in dignity, and you must express integrity in everything you do.

There are many, many areas for you to think about, but more to learn about. There are many, many avenues for you to walk in, to adjust to, and to see the Beauty of God's Love in, for you.

The Light that shines through *this woman* is a Grace far greater than anything you know. It is a Grace of Heavenly Design, Heavenly Union with Him.

¹ Refers to The Society Of Saint John Vianney.

There are so Many Saints Here in the Heavens who speak through *this woman*, for the good of mankind. There are so many purposes given through *this woman* for the world to better understand the reason for man to be upon the earth, and the Love and Charity of The Divine.

Men mock. Men say: ‘How can it be, *a woman* in the world? Why not me?’ And I, Saint Bartholomew, say: ‘It is The Father’s Choice, not man’s. It is for The Father’s Will to be done by man.’

There are so many men who fear *this woman* in the world, for instinctively they know that the Grace that pours forth through her in These Words is a Special Grace for The Father, from The Father, by The Father, for the good of mankind.

If you walk in sin, My sons, any time in the day, remember to immediately ask for forgiveness in a very special way. Remember to repeat the words, ‘*Help me, God, help me to know, help me to save my Soul.*’ These Words, My sons, will give you the strength to not sin, the strength to walk in line with Him, and the strength

to remember that through This Great Miracle, He gave to the world, not just a Promise, not just a Prophecy, but the Direction for the good of your Soul.

I leave you tonight with a Promise and I say, ‘The more you become pure in His Way, the Greater the Saint you will be one day.’ So be it.”

FEBRUARY 8, 1980 AT 5:15 P.M.

GOD THE FATHER

“Men resist My Authority. Men reject My Love. Men bypass My Gifts. Men refuse to be honest with Me. Men are everything but loyal to Me.

Men are positive in their thinking, their opinions, their theory. They are motivated by self-love, self-indulgence, self-preservation. Men capitalize on what I have given them, and they refuse to say ‘Thank You’ for them.

Men procrastinate, deliberate, and then mutilate My Gifts. Men cause abominations in regard to respect to Me. Men are blasphemous when they refer to Me. Men are sacrilegious when they partake in Me, in ways with Me. Men are scornful, and refuse My Love. Men diminish the hope I hand to them from Above.

It is sacrilegious what is happening through men, with man, in man. It can be referred to as a diabolical scheme to draw man from Me.

I am The Father, I am All Powerful. I am The Creator of All Things. I have the Power to begin over, to rid the world of man. My Justice is the Ultimate of Justice, My Mercy the Ultimate of Mercy, but I come through *this woman* with a warning to men: ‘Though I am unlimited in all things, The Heavenly Mother speaks for Me to not be limited in My Tolerance, in My Patience to men, because of the desecrations.’ It is Her Will, Her Wish, Her Desire, Her Hope, that man will see the Value of My Love, My Purpose, My Intention, My Direction, My Wisdom, in all the things I have given man to follow and to see Me in.

As I hold together, in perfect balance, all things, I say, ‘Be aware of My Justice, for in My Justice there is anger against immorality, impurity, indecency, indifference to Me.’ So be it.”

FEBRUARY 10, 1980 AT 8:18 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“There is no Miracle in the world as This Miracle of Me. There has never been a Miracle in the world as This Miracle of Me. It is first in Its Way, in Its Delivery. This Miracle of Me has many Directions in It, many Teachings through It, and much Prophecy from It.

There are many men who stand on the brink of acceptance, but they fear that *this woman* through whom I speak, through whom I am announced as ‘The Third Person of The Blessed Trinity’, will weaken and fall to the side, and they will be laughed at, scoffed at for believing in her.

I am known as ‘Saint Joseph’. I am The Wisdom of The Father, I am The Light of the world, I am The Hope for the world. It would be logical for Me to come to the world at this time when the world is in such chaos, such frenzy, such horror, when man is in such a disgraceful way. It would be natural, logical and wise for Me to make an appearance now.

In man's years, two thousand, I appeared upon the earth for a different reason. I was there as Part of The Divine, in human form. I stood in a particular place, in a particular manner, for a particular purpose.

I come once again, two thousand years later, in a particular way, one for the time in which you live; in a particular manner, to teach and direct the way you live. I come in a Position of Authority, handing through *a woman* the responsibility to man to listen, to follow, and to seek out the Truth in What I say. It is there. Men do not have to hunt for It. Men do not really have to look for It. It is obvious in Content, Consistency, Constancy, Repetitiveness, and Clarity.

I am known as a Saint. My Way is totally for the Souls of men to come This Way. There is so much in the world that men are using against The Father. Men must see This Great Miracle for What It is, the Importance It is, the Greatness It is, the Purpose It is, the Magnitude It is, the Wisdom It is, the Simplicity It is, for all men to understand more about The Father's Will.

I bless the world through *this child*, through *this woman*. I have Blessed them many times. I have Blessed with a Power unknown to man. And I say once again: ‘In the Name of The Father, The Creator, The King, The Majesty of the Heavens, I hand to you Hope, Justice, Mercy, Love, Direction. In the Name of The Son Who walked in the human form for everyone, I hand to the world Sacrifice, Penance, Loyalty, Kindness, Example, Generosity, Charity in every form of life. I hand to you all things He portrayed, He stood for, He was Example in. I bless you in My Name, in My Way, with My Purpose for you, for you to become a Saint.’

The Father would not expect you to know the path so clearly unless He handed it to you directly. That is why I have come to the earth again, to hand the path with a Clarity you cannot mistake, with a Dignity that shows respect, and with the Wisdom that is Pure. You are Blessed. So be it.”

FEBRUARY 11, 1980 AT 8:38 P.M.

OUR HEAVENLY MOTHER

“When God speaks, it is not imagination, but it is always demanding and commanding. When The Saints speak, it is different, but with Each, They come in a Light that is different than man knows light to be. The Light, when It shines upon the earth, is a Light that glows, perhaps a little brighter, and you see a Light, but sometimes the Light is so penetrating It burns the eyes or makes one sleepy. It is not a hypnotic light. It is a Light of Grace, a Light of Hope, a Light of Love, and a Light to instill within each one close at hand, more love for God, and to cherish the Love He sends.

Men are screaming for hope and men are screaming for help, and men are shedding it when they get it because they want it to come a different way. When The Father sends Light, there is Enlightenment in It. When He sends Direction, there is always Hope in It. When He sends children a Blessing, there is always Mercy and Justice in It.

It is easy for man to understand God's Love, because God only sends It to the degree each man can handle. He sends His Light in a manner man can stand It. He sends His Words so that man can hear Them. The world has been Blessed with Clarity, Honesty, Sincerity, Dignity and Grace, through a Miracle that has handed to thousands of men the Way to Sainthood.

My daughters, I am your Heavenly Mother. The Light envelops you, It surrounds you, It penetrates you, It caresses you, in the manner I Decree it to be. The Light rays forth from Me, your Heavenly Mother, as I speak through *this woman* immediately.

When I walked the earth, men did not know Whom I was, what My Full Mission upon the earth meant. My Light did not shine then for them as It does tonight for you.

I hold *this woman, this instrument* in My Hands, in the Rays of My Light, in a manner to not distract you.

Fervor in prayer must begin, for many prayers must reach Him. The Father is angry, and rightly so, for He has given to the world a Great Miracle.

Men refuse to see the Value of It, for It demands purity.

Be aware, My daughters, that you, as you stand encircled by My Love, bear a responsibility, and that is to encourage good example, more prayer, and more self-discipline, more self-control in those you live with and those with whom you work, and those with whom you spend enjoyable times.

Satan is everywhere in the world. He is trying desperately to destroy man's Souls. Men have become weak, men have become despaired over their inability to stand up and be counted for purity.

As you are caressed by My Light, My Love and My Purity, you must know that the indecencies are boundless in number, limitless in their way, and have caused many abominations. It must stop. Men walk into the briar patches eagerly. Men do not care about their Souls. Men refuse to act decently. There are many desecrations throughout the world.

I will withdraw gently now for it takes a Great Power to speak through *this child* I use in the world. Her physical is close to human collapse

because of the strain, responsibilities and the burdens The Father has laid upon her back. When I withdraw to a given point, It will be felt by many.

I leave you now with My Love and I say: ‘Walk in purity every day, for The Father wants your Soul to be returned to Him. It is His Will it be done this way.’”

FEBRUARY 23, 1980 AT 7:07 P.M.

SAINT ATHANASIUS

“It is exasperating to see *a child, a woman*, chosen by The Father, put into such exertion to supply the means for which The Father intends to help children of all races, all colors, all creeds.

It is exasperating to feel the pressure that penetrates *this woman’s* way, that stifles the Importance of her way, and corrupts the Beauty of this way.

It is exasperating to see men not understand the Value of This Great Mystery: *a woman* being chosen by The Father to supply the world with Words, Direction, and yes, Hope.

It is exasperating to view ignorance to This Great Miracle, and so many who have partaken in It, to be able to walk away from It because it did not happen to them, through them, but through It, they are told what to do.

It is exasperating to Those of Us who watch *a woman, a child*, struggling

to show the value of truth, the necessity for purity, and demonstrating the path to Sainthood through Words, through Perseverance, through Love, through Mercy, through Hope, through Utter Obedience to The Father's Will.

So much in the world is vile, contemptuous, and a horror to see, for men are not just acting impurely, but men are desecrating the Name, the Way and the Will of The Father. It is astonishing to see men who feel they are righteous, be contemptible where The Father's Will is involved, concerned, or obvious. So many times men try to justify their ways, only because they are unjust in their thinking and their habits.

This day, much has happened in error where *this child, this woman* was concerned. So many things were said derogatory where her name was involved, but I, Saint Athanasius, say, 'These who have spoken against her, those who will act against her, must account to The Father for each thing they do or will have done.' I know this is not satisfaction now, but the immorality of man is not extinct to the time in which you live, but it is distinct in its action, for you see,

men live in a time of great knowledge, men live in a time wherein they have called themselves 'civilized'. We Here in the Heavens wonder what men term 'civilized'.

I, Saint Athanasius, speak through *this child, this woman*, and in My Speech there is sadness, for the Magnitude of This Miracle is for the Souls of mankind, and the Performance of This Miracle is to demonstrate the Beauty of God's Will through mankind. Let the world know of *this sacrifice* upon the earth in the human role, but even more than this, let the world know The Father is speaking through *a Chosen Soul*. So be it."

FEBRUARY 27, 1980 AT 8:55 P.M.

SAINT ANASTASIA

“God’s Power, holding back all the oceans, is equivalent to the size of a grain of sand. That’s all it takes for Him to hold all things in place. It can be compared to when He touches those who love Him; He always uses the most physically weak, for His Power shows through them and from them. He also protects you through the weakness of ‘the chosen child’, for in His Wisdom, the Power is put into a degree that you can handle, for His Anger, if He were to allow It to be expressed, would be so violent It would kill you.

The Light refreshes you, the Teaching always strengthens you. The time sends forth Hope, giving you the courage.

I am a Saint Who speaks through *this woman* at the Will of The Father. I have spoken many times. The Light envelops you, penetrates her, and gives strength where It is, for many things. I hold her, I use her, I command her.

Many men imitate her, but they cannot imitate the Light that shines

forth through her, from her, for This Great Gift to the world is One Alone.

I come to you tonight in your time, touching each one differently, holding back the Light for some, for the Light that is sent to the world through This Great Miracle is a Light different than any other one.

She has asked Me if I have favored you with seeing the Light. I smile at this, for there never has been a time that she does not be concerned with you receiving what The Father Wills, to the fullest.

My Light burns some. Is this not so? My Light reflects the Beauty of all that is good, burning the human flesh, to remember what is right.

I am Saint Anastasia. I come, cradling *a woman*, holding her, as *the instrument* to reach you, and your attention to all that is good. As you feel the Light, be sure you do not refuse It. As the Light forces Itself into your company, It is dimmed to protect you, for It is far stronger than the sun, greater than any light in the world. So be it.”

MARCH 5, 1980 AT 8:50 P.M.

SAINT ATHANASIUS

“Through *this woman* much Direction has been handed to the whole world. Through the Words transmitted, transferred through her, the Light of the Heavens has opened a new world.

It is difficult to stand in the Palm of The Father’s Hand, moving only as He directs it to be so. When this happens, the human form, the human life, the human mind is absorbed into another Realm.

Sometimes it is necessary for the strength to be restored, for diversion to be acknowledged for the littleness of the human form. When you fight a heresy as This Great Miracle does, men yank and tear until it is almost torn.

I walked the earth a long time ago. I am Saint Athanasius. I, too, played a definite role. The Light of the Heavens in My day did not show as They show through *this woman* who stands in the world, not blinded herself, but handing to mankind The Father’s Words.

It is true that the devils are loosed upon the earth. Hell erupted, and as they came forth, it was a horror to see, for All of Us Saints knew they would attack the whole world. Babies are being born. They must be protected. Little Souls are entering the world. They must be protected.

This Great Miracle is Greater than you know for It hands to you All Good for your Soul. To be a *True Mystic* in the world at any time is a very burdensome Role; the Reason, always The Father's; the Purpose, always for men's Souls.

As you must know, you must vomit from your being the sins of your past and allow them to enter no more. It is right that you promise, important that you see it through, and only just, through your example, to give to others The Father's Will.

The Light is to burn your eyes; the Purpose, to strengthen your way; and the time, to extend to you Hope for your physical role.

Be aware, My sons, do not omit yourself from the task of changing your ways and your will, for The Father waits for men to see, through

This Great Miracle, the Teachings, the Light, the Hope and the Warmth of His Love for your Soul.

The child asks Me questions as I speak. We always smile at her protection of mankind under these conditions, when We speak. I, Saint Athanasius, ask for her: ‘How many sons of The Father have seen the Light I gave to the world? Do you want to raise your hand? How many felt the warmth in their eyes? How many felt the firmness in their body? How many felt they did not understand the Words?’

The Words are Pure, the Light is Divine, the Hope is open for all of mankind. Admit to God when you close your eyes that you will walk as He Wills it to be for the rest of your life. So be it.”

MARCH 12, 1980 AT 8:40 P.M.

SAINT THERESE OF LISIEUX

“The Light of the Heavens radiates through This Great Miracle with an expression of Hope for all mankind. The Light of the Heavens speaks through *this child*, through *this woman*, with Hope for mankind.

Let the Light burn your eyes. Let the Treasure of It bestow upon you Grace to endure the little hardships of life, but let this Grace handed to you tonight give you the strength to fight for all that is right for the good of your Soul. Let honor and dignity be your way and let the Light of God’s Love glow your way through *a child*, through *a woman*, who stands in this Light night and day.

I smile as I say My Name, for I am now the ‘Saint of The Little Way’. We gathered with *this child* to reach you tonight. We hurried her along the way so We could speak to each of you, for The Father wants your Souls to come This Way.

Many Words have been transmitted, much Love has been

given, and Hope has always been in the Rays. Be aware, My children, to walk 'the little way', and as you do, do not fret, but know that as you reach for purity, the blur of the Ray, the haze of the Ray will envelop you every day.

I shine before you tonight. I glow with God's Love that is right, and I stand with *this child*, with *this woman*, united with God, for This Great Miracle of Hope for all mankind. As I hold her in ecstasy, the Light is fused with the Grace He declares to be.

Read My way and then use your little way to follow the Light that is now displayed. Let your being know, promise your Soul that you will work to become a Saint. Let Sainthood truly be your Goal, for when you make this commitment, you will become dedicated to a specific role.

The Heat, the Light, the Hope, the Grace, the Love, the Mercy, the Justice, are all given to children who love Him above all things.

Promise yourself that you will say to Him, '*I give You my life, my God, so my Soul will return to You.*' Know, My children, it must come from your own will: dedication, service, commitment,

love, and yes, the will to do His Will with the littleness you are, in the little way you walk, to become a Saint in the manner He decrees, accountable only to Him for All Eternity.

As the Rays lessen, the Graces multiply, the Hope remains, the burning zeal to become a Saint should increase, and the effort you must put forth will be revealed as you reach for purity, as you reach for His Love, as you reach for the stability and strength to persevere in the human way to be with Him Above.

I walked upon the earth. I committed my life to Him. You also can. Remember, His Love is in your little being. Let your love for Him join His, for in your Soul He lives. Remember What I have said. So be it.”

VISION OF OUR LORD

Let me tell you what I see. I see twelve men gathered around one Man. The Man they're gathered around has what I would call a golden brown hair, but there's a light in the hair different than human light. The men are not dressed in real heavy garments. The weave of the garments is not refined, but it is more like a wheat looking color.

The men are intently listening and some are hunched over. One man is leaning on the other one, like this. He appears to be having a difficult time hearing.

The Man in the middle is Our Lord and He's teaching what He wants the world to one day have, and He says He's imprinting it into their memory as only He can. It's in the Light, in the Words, or a Light from His Father to the earth.

He says: "Stop them from their desecrations. Teach them to hold firm on the Truths."

And a man asked a question over here, and He answers it. He says: "The question is good. You worry if you have heard correctly that I will be leaving the earth. It is true, I will leave, but I will also remain where men will never be without Me. I will come to the earth physically again, but I will be upon the earth in a Form men can consume for strength."

MARCH 19, 1980 AT 8:12 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“My beloved sons, I am Saint Joseph, and I come on this day because it is necessary for men to learn the Beauty of God’s Love in a special way.

This woman that stands before you is *a puppet* for Here. The Words of Enlightenment give reality and value to the Teachings, to the Lessons for hope.

It is My Will tonight that you see the control I have over her. It is not easy for her to stand before you in this Light. As My Son once said, *‘They have numbered all My Bones,’* the hand that I show you moves totally under My Control. I move each part, one at a time.¹ Her physical has been prepared for this time.

There is no place in the world that such a Miracle as This takes

¹ Saint Joseph manipulated the bones in Frances’ hand and wrist individually. It appeared as a disjointing at the sockets. A doctor who was present admitted this was scientifically impossible.

place, for you see, This Miracle that bears My Name is to re-establish the Church. Don't try to do it your way, but respond to Me and My Way, and absorb the Teachings, absorb the Love, absorb the Light, absorb the Message of obedience. Absorb all you can for you will need the strength to endure the blasphemies, the ridicule, the hate, the contempt, that men are conjuring up against *this woman* who stands so alone in the world.

When This Miracle of Me was announced, men said, 'Could it be?' I, Saint Joseph, have once again come to the world to show mankind the beauty of loving The Father, the need for charity in the world; and the Goal of life, Purity, for Sainthood must be.

If you do not see the Value of This Great Miracle, you are not listening. All ages must follow the Words and be example of What is taught, What is given, What is demonstrated, for men are seeking vile ways, and you truly live in a time worse than Sodom and Gomorrah. We relate to this time because in your mind you remember the tragedy, but in reality, you are not familiar with the ugliness that took place, the degradation that was

constantly offensive against The Father.

If you were asked at this moment to swallow the slime of the earth, you could not stand the thought of it; but when you commit a sin against purity, it is as though you swallow the slime of the earth and are contaminated with foulness indescribable.

As you walk in purity of mind and body, remember, you walk in the Light of Divine Love, with the Will of The Divine surrounding you.

Men argue about *this woman* but no argument can be solved, for no man can know how or why The Father would do things in the manner He does.

You heard of twelve who walked with My Son. There were more, but the twelve who stood out from the others passed on to millions of people, the Words.

I hold her in ecstasy. I hold her in a bondage to Him. She walks with My Name. She gives you Our Words instantly. I am a Power beyond what you know power to be. I control the power of the world. I stand in the Wind of The Father's Power, in the Light

of His Power, and I hold together the universe.

I have sent you a Light different than you know light to be, but I hand you a prayer I want you to say to Me:

‘Dear Saint Joseph, teach me the way You want me to be. Give me the strength to walk in purity. Stop me before an impure thought controls me. Make me think of what an impure act will do to The Father.

Help me to be example of Faith, Hope and Charity. Help me to be the protector that You want me to be. Give me the strength to provide what is necessary for my family, for my Soul, so I will be with God for All Eternity.’

I have held her in this position as a sign for you. I have used her to show My Love for you. A *Victim Soul* I have before you. Let the Light of My Way be your Light until We meet Face to face one day. So be it.”

APRIL 16, 1980 AT 8:00 P.M.

SAINT PETER

“Three of Us have alerted *the child* to a positive Presence of Us in your company on this day in your time. The reason for the silence was that she was not sure Which of Us was about to speak to you. There are Three very strong Saints gathering her attention, for in the world today there is only One Miracle such as This, with such Greatness in Teaching, for the whole world to better understand the dignity of mankind and the Purpose for which man was brought to the earth.

I speak slowly through *this woman, this child*, for her physical is totally spent: spent of energy, spent of emotion, and spent, in many ways, of hope. In reality, My Voice is powerful and strong. In reality, My Voice, through her, many times came almost like a whip.

Men call Me ‘Saint Peter’, and I come on this night because of the Greatness of This Miracle, that men must realize and see the Magnitude of Truth in the Words and the Beauty

and possibility of Its Delivery. Logic would tell man that the Knowledge, the Truth, is so clearly given in a clarity of understanding, joined with Direction for the good of the whole man. We were taught this way when We walked with Him another day.

The Power of My Words blasts through her body, and it is only the Power of The Father that holds her in an upright position. I am speaking slower, not for her to hear, but because the physical mechanism strains to pick up in a solid manner, the clarity of the Sounds I project through her, so you may hear Them in a distinct way.

Men, many times, abuse This Great Miracle. It is sad to say that two thousand years ago, in another time, we did the same. The Body was not so fragile, delicate, and of course, was of a different Origin.

Another will speak, and We hang on to *this woman* for it is difficult to explain just how weak she is. We have been warned to not shout. I tell you this intimate Message so you will better understand *the warrior* that has been chosen to lead men of many lands

to the correct manner of thinking for the good of each man's Soul.

I was a man. You are men. A blow to your body, you would feel. Through her, the Sounds of Us have passed through a mechanism far weaker than any of you have. A *warrior* for God, I would say, 'par excellence'; I would say, 'ultimate in fervor, dedication, commitment, strength, purpose and achievement'. Warriors of This Magnitude are not always physically strong but wear armor difficult to penetrate with weakness from the outside.

I pass to the side, to the left of her. The Light that shines through her is of Us; that radiates from her, Us."

APRIL 16, 1980 AT 8:12 P.M.

MOSES

“My beloved sons, I am Moses. I come on this night to repeat to you the Value of the Words that were given to me a long time ago. My Words are strength, My Words are Hope, My Words have Purpose, but These Words I obtained from The King, The Father of All Creation, The Father of all mankind. I received These Words, and They are marked indelibly in the world for all men to know the right and the wrong, and the way they must walk to come Here Where I am.

Men fail, men fall, men falter, but men must know The Rules by which they must cling to, to once again stand straight, stand tall, not to observe but to follow. Men must realize that The Father, The Creator of all mankind takes These Rules once again, hands Them to the world to be followed to the smallest degree, for you see, there is no rule given to man in the world that exceeds These.

I speak firm through *this child*, through *this woman*, and I say, ‘I

personally admonish any man who ignores These Rules given by The King.' I speak through *a delicate voice*, but as I do, the Power of Me is handed through These Words to you, for as These Words are spoken with a weak voice, there is not One of Them that does not ring true.

We, Here in the Heavens, use *this child, this woman*, to continuously teach mankind to see the order that must be kept, the dignity that must be upheld, and the integrity holding mind, body and Soul in a position where values are sound; morals, sound.

You live in a time worse than Sodom and Gomorrah. You live in a time of hate for The Father, a time of sacrilege, blasphemy, heresy. You live in a time of ugliness. You live in a time of total weakness, but that does not mean that you cannot rise above it. You have the means, you have the intellect, you have the Words, you have the Direction. You have been given not a new set of rules, but you have been given the Light of Hope, showing you that The Rules He set down three thousand years plus ago, are The Rules you can live by, and live forever because of.

I close My Words on this night and I say: ‘The Light of the Heavens hands you Truth. You have a will to use the Light for the good of your Soul, or to dismiss the Light because you feel you are bold.’

Be blessed, My sons, and My daughter, by the Words of The Father, and know, the whole world will suffer greatly if men do not change and obey The Rules. So be it.”

APRIL 17, 1980 AT 12:30 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am The Holy Ghost. I am The Light of The Father’s Will. I am The Perpetuator of trust, of hope, of concealment for the Mystery of The Holy Trinity.

I am The Activity amidst men. I am The Motivator of Faith. I am The Way and The Means, The Manner, in which and about which men learn what The Father Wills for them to know.

I am The Sanctifier. I am Sanctified. I am The Instrument of Light, called ‘Saint Joseph’, for men to better understand the Purpose of life, the necessity to follow The Rules He set for mankind. I am The Holder of Dignity wherein the Faith of men is concerned. I am The Extension of The Father’s Will. I am Purity.

This Great Miracle bearing My earthly Name prefixed with Honor, I say to the whole world, ‘When you speak My Name I am readily alert, whether you call Me “Saint Joseph” or “The Holy Ghost”.’

In the beginning of time, The Father so Willed it that Portions of Him would obviously be placed upon the earth, bearing human dignity, integrity and purpose, so that men would have Pure Example, Pure Logic, Pure Direction, to follow for the good of each man's Soul.

I come again to re-establish what has already been established, to once again inject, insert, instill, what men must see as The Father's Will: This Great Miracle of obedience, dedication, pure commitment, with a total acceptance of The Father's Will in a period of time wherein men are scandalizing the Creation of man, the Purpose for man, and the Beauty of each man's Soul.

Oftentimes, when I speak through *this woman* in a casual manner, men try to create a deflection of the Meaning of My Words so they can walk in excuses for not observing the Direction of My Words.

A Great Retreat is available to man, with *this woman*, a Retreat of learning, a Retreat that must change man's reluctance to see the Value of God's Will.

**You are Blessed, and I add to this
Revealing, ‘*This woman, this child*
must rest.’ So be it.”**

APRIL 21, 1980 AT 6:20 P.M.

SAINT ATHANASIUS

“I am Saint Athanasius. The honesty that men must begin to uphold, generate, motivate, perpetuate, is for the good of all men’s Souls. Honesty is oftentimes taken for granted. Honesty should never be taken for granted. Honesty should be a fundamental basic standard of life, for life, in life.

Honesty is a projection of man’s integrity, dignity, sincerity, charity. Honesty expresses man’s true values. Pure honesty, true honesty is a strength by which, in which, from which, all people find hope. Honesty sets a firm foundation for human relation.

I, Saint Athanasius, alert you to honesty and warn you, ‘There is no honesty in heresy or hypocrisy.’ Heresy is developed untruth, and in this time that you face, the reality of living your Faith in how God wants you to be instructed, and the Honor you must show to God, is being destroyed by heretics and hypocrites.

So many times men convince themselves that what they are

expressing to others is fine to do, but they omit the soundness and rely upon the emotions and emotionalism that this direction motivates.

Heresy is like a disease. On one hand there seems to be improvement, on the other hand tragedy. This, of course, is due to the instability of developed untruth. In your time there are many areas of heresy upheld by stubborn thinking men and women, not totally honest people. These people are blinded by delusion and too stubborn to reconsider the value that they try desperately to enforce upon others. Usually these people are in authoritative positions, for who would pay attention to someone who had no authority to speak or who had no one to listen.

I, Saint Athanasius, shout to the world, 'Don't accept heresy or hypocrisy; it is not the easy way out. It is a state of confusion, frenzy and control, eliminating self-control, self-discipline, sound logic, sound reasoning.' The world is full of heretics and hypocrites. So be it."

APRIL 23, 1980 AT 8:24 P.M.

SAINT THERESE OF LISIEUX

“It is true, The Father has *this child’s* nature, personality, heart and will. What made this all necessary was His Love for man, for He wanted to assure man that nothing of her could penetrate This Great Miracle of Life, of Light, of Hope, of Direction, of Teaching, for the sake of men’s Souls.

I speak through *a little one* in the world and I, Saint Therese, say with Great Love, ‘You are the recipients of Great Love.’

***This child, this woman*, walks in the Light of Divine Hope, bare of what men use in the world. She is not allowed the use of the treasures men are given to make life more bearable in the midst of men. We, Here in the Heavens, call it ‘a life of blindness’, ‘a life of feeling totally abandoned by The Father’s Love’.**

Many times, men create happiness with their nature and their personality. *This child, this woman*, in the Light of The Father’s Will, can only act according to His Will, not

using the God-given nature, the God-given personality men are used to.

My Light burns. My Light soothes. My Light extends hope. My Light radiates through her to the whole world. My Light expresses His Love for you.

The world is full of shame, His Way. The world casts shame on His Name so many ways. The world blasphemes Him, using His Own Name. There are many sacrileges passed between men, using His Name.

I burn her being with My Light that is ultimately His Light, for I am in service to Him always.

This child, this woman walks a path, deliberate, controlled by Him, with a burning zeal to accomplish for Him. This Great Miracle has been given to the world to teach men the Beauty of the Soul.

I have a prayer. I hope you will say it for all time.

*‘Dear God, as my Creator,
I thank You for all I am.
Heavenly Father, help me to
use my nature, my personality*

and my love for You. Give me the strength to persevere in charity toward all men.

Dear God, help me to know how I must return my Soul to You. Help me to never stray. Help me to know how to pray. I love You, God. Thank You for today.'

My daughters, it is a simple prayer, but if you will but read It, you will find the content of It says so much and makes you aware of The Divine.

I found, in My life upon the earth, the little things I did and the little things I said were important when they gave to others strength, hope, and the will to live. So be it."

MAY 14, 1980 AT 7:56 P.M.

SAINT TERESA OF AVILA

“When man accepts a challenge, he uses all the facilities available to him through natural means, and he uses these facilities and faculties to accomplish his goal. When The Father chooses a child of any age to walk upon the earth and perform in a given way, the child does not have the opportunity to choose as the child feels necessary. The child, whether it be of a young age, man or woman, must depend solely upon The Father’s Will, Desire and Way, to accomplish the results The Father decrees to be.

I am Saint Teresa of Avila and I say through *this child*, who struggles to speak My Words, that This Great Miracle upon the earth was given at a time when men were in great need. It was handed generously and It was given in a Light of Teaching, a Light of Direction, a Light to promote more hope in man so man would not be taken into wrong areas of faith, hope and charity.

So many times We Here in the Heavens have spoken in a dignified, loving, charitable, instructive way. The Father has handed a great amount of Light through This Miracle, to all of mankind, here and over the seas.

I, Saint Teresa, come to you tonight and I speak firmly. Men must begin to understand The Father's Will is Special and must not be ignored to favor men. Men must begin to see the necessity to teach the young the correct manner of Faith, and how to handle It. The children are being led astray. Men must begin to admonish other men for frivolous thinking where children are concerned.

The little ones are being victimized in so many ways, by heresy; so much heresy in the world that it would take hours to describe it, days to teach about it, and yes, weeks, and even months, to work at correcting it.

The Truth has been given in a physical light and the Truth has been given in a Spiritual Light. The Truth has been delivered to all who would listen, whether it be in Words spoken or in the written way.

The Light of the Heavens blesses This Great Miracle, and We, The Saints Here, use It to express God's Love to all mankind in a Very Special Way. Men try to design their own way of thinking, their own type of miracle, but they come up only with self-delusion, self-interpretation and self-opinion.

This Light I hand you tonight, gentle as It may be, has in Its Rays, Hope for your Soul for All Eternity. Be blessed, My daughters, and do not ignore the Beauty of God's Love in the Light of His Heart from Above.

So Many Saints have said many Words. The Father Himself has spoken many Words. The Heavenly Queen, The Beloved Mother of All, has spoken tenderly to each child who would listen, has given so many Words for children to understand the Beauty of God's Plan for the whole world.

You deny yourself when you deny God. You cheat yourself when you cheat God. You are children in His Love and His Eyes. You are creations of His. Remember this. And as you ponder These Words, know that the Light that is given to you tonight is the Light He extends that is His.

Be blessed, My daughters, and be aware that The Beloved Joseph stands Here, High in the Heavens, and says to all: 'My Name is upon the earth, My Way has been told. The Fullness of My Existence men now know.' Do not doubt the Truth, do not accept lies. Be assured that as the Light of the Heavens pours through This Great Miracle, Truth is on the Rays God sends. Men do not understand Truth; they have been lied to so much.

Be aware, My daughters, as the Light touched you, your eyes, your heart, your whole being, it was God's Love that sent the Light; the Words flowed through Us. So be it."

MAY 28, 1980 AT 8:35 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I am the Light of the world and I am a World of Light. I am Saint Joseph. I use *this woman, this child, this instrument*, in so many ways. There are many times that We, Here in the Heavens, force the physical beyond human endurance, but always for the good of the children in mind.

Men in the world will benefit from this Hill of Mine. Do not try to anticipate the measures in which this will be, but know that as I say These Words, My Light shines forth from The Divine.

I hold her tight for the weakness is beyond your knowledge, the pain much in size.

I have come through This Great Miracle to give mankind not just Lessons in Purity, but the Direction in which it must be for all time. I come in the Wind of The Father’s Power. I come in the Power of His Wind.

The Light through *this woman* touches the Light of your Soul for you

to remember the beauty of obedience that The Father expects of your will. Do not pretend shyness, do not pretend you do not know, for I am The Wisdom and I see what your mind holds.

I have set My Foot upon the earth through *a woman* just as you, through *a woman* who walks in obedience totally, according to His Will. I have set My Foot, I place My Mark upon the world, a Piece of Soil for all men to come to.

I give to you, Grace. I give to you, Hope. I give to you, Direction. I give to you, Light for your Soul.

This Great Miracle is a Strength beyond what you know strength to be, for It is Divine Love for your Soul.

I shout many times through *this woman* in the world, who stands not of it, but in it, on it, for *this instrument* walks in total observance of Our Call. It is not a natural phenomenon. It is Supernatural in All Measures of It, All Degrees It is, and for All Purposes told and untold.

They called Me 'Joseph' upon the earth. Men debate all these things, but the courage of strength,

the courage of truth always wins out, and you must know I am more than a Saint. My Light is Pure, My Love is Pure, My Hope is Pure; the Reality of Me, Purity. Do not forget.

I spoke to you on this night through *the voice* of one such as you. I spoke earlier to give the strength needed for this time. You must know that as I speak now, the Power of *the voice* has to be Mine.

Be aware, My daughters, of This Great Miracle for you. Spread It to the corners of the earth and let the Graces shine back on you. Be prepared to stand up to the Truth. Be prepared to deny men who do not believe you.

I could talk for hours and you would listen. I would give you My Light for hours. All that is necessary is a Touch of My Light to sustain you. I have presented Myself in this small place, in this humble abode, for you gathered in trust God's Way. Let the heathens walk by you. Do not walk with them. There are many in your midst, outside of this place.

Be aware, My daughters, what was said before: It is possible to have

in your midst, future Saints. So be it.”

JUNE 4, 1980 AT 8:59 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I have spoken many times through *this child*, through *this woman*, and I have read the thoughts of those who have listened. I have expressed many Directions for the good of each one’s Soul, but many times the Lessons have fallen on closed ears.

This child, this instrument, this woman, who speaks only The Father’s Direction, walks in a cocoon, and this cocoon, My sons, is made up of the Power of My Wind, and she is carried on the Wind of My Power. Never before has there been a Miracle put forth upon the earth in This exact way.

I am known as ‘Saint Joseph’. I am known as ‘The Holy Spirit’. I am The Deliverer of many things. I hold this *small woman* in this cocoon so that there is always a barrier between you and *this woman*. To be held in this cocoon bears much responsibility, for there is always a blinding Light where she is.

My sons, you have been spoken to on this night with reference to what

is right for the good of your Soul. Be mindful that there is no delusion in the Words, only Direction for you to recognize as right, as good.

There is a Light that surrounds her all the time. Men try to see It. They look for It. Sometimes I only allow the effects of the Light to touch other human beings, for this Light bears much Power, much Grace, much Love, and yes, in It there is Justice and Hope.

Men have fought violently against *this instrument*. They have been deceitful in many ways. They have been corrupt toward her, using her name in wrong places, trying to erase who she is, What she stands for and What she stands in, forgetting that the Truth in which she walks is Heavenly Grace.

You must remember to cling to the Beads that are repetitive in so many ways, for it will be through the Power of The Heavenly Queen that this Church upon the earth will change.

A Great Task has been placed on *this instrument's* shoulders, in her heart, through her mind. Men have neglected to truly see it is All from

The Divine. But be aware, My sons, no man, no human being could stand the Weight of This Great Miracle without standing in the Cocoon of Mine.

You are Blessed. Remember, when you speak, you represent Faith, you represent unity for a given Saint, and you have been given the path to be a Saint.

The Power of My Wind, and on the Wind of My Power, I release *this child, this woman*, from a portion of the cocoon, so she can exist in the world until I speak this way again. So be it.”

JUNE 11, 1980

“Men write books. God sends ‘True Mystics’. Men make many declarations. God gives Commands and Demands. Men speak out with knowledge. God speaks Wisdom. Men speak with the tongue of their way and God speaks to all men with clarity every day.

The thought of God, the Faith in God is hope to man. Dependence upon man is weakness to man. Loving God has Pure Reciprocation. Loving man, there are questions: What is in return for the love? What is expected? What is the commitment? What about the time? Do I deserve it? Do I not deserve it? Men question.

God sends light through the sun and through the moon: safety measures, health measures, to keep all things in balance. God’s Light comes through His Words, through the Words of a *True Mystic*. The Light of Heaven is unknown to man.

Each man’s Soul bears a Light. No man sees the Light of his own Soul. God sees the Light of each man’s Soul.

If a Soul has impurities, shadows, God sees them. If the child stands radiant to the world, looking perfect in all things, God knows the imperfections that must be fought against for the child to enter the Kingdom of Heaven purely.

Men are deceitful. Never is God deceitful, for God is All Purity. The demons are deceitful, the devil is deceitful, and he and they deceive men, preying upon men's weaknesses, men's egos, men's vanity, men's selfishness, men's lack of self-control, men's lack of self-discipline.

So many times God's Love is given. Men do not recognize It because they are too busy trying to gather the love of other human beings. So many times men criticize what is good because they cannot come up to it and they feel very inadequate, so they act blasphemous, vile, contemptuous, causing great harm through jealousy.

The Light of the Heavens has been given to the world through The Great Commandments. The Light of the Heavens was most certainly given to the world through a Man Who walked the earth, giving the

world Christianity. And the men who followed, the men who learned, passed on to others the Light of His Words. And when they did this, they felt security, for the Light that passed through them emanated in everything they did, and they felt the strength of It, the hope in It, the Beauty of Them, and, oh yes, they realized that without Him nothing was worthwhile in the world.

Through *The Miracle Of Saint Joseph*, men have been given the need for trust in God and the purpose for it. The Light may be seen very dimly but the Words have been given, with the Light of the Heavens, for each child's Soul."

SAINT ANTHONY MARY CLARET

“I will announce Myself immediately. I am Saint Anthony Mary Claret. I have spoken many times through *this woman* in the world who walks a Path of Direction, handing to all mankind the Words We say, and using Our inflection.

My Heart glows with the Light of The Holy Eucharist, and for some time now, the hurt within My Heart is large, much, voluminous in size, for men are striking out bitterly at This Sacred Gift of The Father’s, for His Closeness with mankind, the Promise made a long time ago regarding the Sacredness of This Sacrifice, holds true in your time, in your day, God’s Way.

The Light of His Love shines forth through This Great Miracle from Above. Men must begin to honor, hold in high places, This Sacrifice that was given, depicting, expressing, showing the Love, the Gift, the Hope that is The Father’s.

You are privileged children of His, for the Light upon which My Words travel to you is a Light of Divine Power, Divine Glow, Divine Existence, radiating from The Father's Will, for men to know the Value of Faith in God, the necessity for children to serve, and yes, the beauty of each child's role to not just search, not just prepare, but to utilize the human role to its fullest as 'Sainthood the Goal'.

I, Saint Anthony Mary Claret, in speaking to you today, want you to know that though this is a Blessed Role *this child, this woman* walks in, it is a Role of commitment that takes much physical strength, much mental strength, and of course, much Spiritual innocence, with confidence, trust, in The Father's Will.

Men throughout the world are blinded by their emotions, by their desires, by their personal ambition, and of course, by their own selfishness. It is terrible for Us to see the blasphemous manner, the undignified attitude, and the immorality men accept in every vocation of life, always omitting the Purpose of their Soul.

The Light from My Breast is the Light of Hope for the whole world. It is the Light of The Holy Eucharist that must be protected from the vile matter, manner, of men who are in control.

I, Saint Anthony Mary Claret, have spoken These Words. I have come to the world to tell you: You must never walk away from This Great Miracle, for you see, you stand on the battleground of Faith shouting ‘Christianity’, but even more, your Sword is the Sword of Love from Him to protect what you know is definitely Him. The Light of His Power has given millions of Words to the world. Protect These Words, protect the Solemnity of Them, protect Where They come from, and know, all through time, it has been the Special Faith of a few that have given the world the Way The Father Wills.

I bless you with the Beat of the Rays that emanate from My Breast, for in this Blessing, I am blessing you with The Holy Eucharist, of Which, by Which, with Which, for Which, I am well-known. So be it.”

SAINT CATHERINE OF SIENA

“There are so many Stories not written and there are so many Stories that Heaven has told, so all children could grow in love with God. There are so many Revealings through *The Miracle Of Saint Joseph* that give Hope to the whole world. No one has ever been forced to accept the Light. No one has ever been forced to accept any of the Words. God has always informed man, persisted in this, that man use his own will to determine the Greatness, the Goodness, the Beauty, the Reality and the Hope in What was spoken.

It is easy for a child in the world to become so involved in the world that Heavenly Words pass by, and are passed by, but through *The Miracle Of Saint Joseph*, man has been asked to take the time to stop, to think, and to use What has been given for the good of his Soul.

My children, I am Saint Catherine of Siena and I have spoken many, many times through *this woman*

in the world. No time is easy for one who walks for The Father, for one who speaks, through Him to you, from a Place such as Ours.

This woman through whom I speak, walks a tightrope for the whole world, and she has been commanded to not compromise. Men say, 'Take it back.' God says: 'How can you? It is Mine.' Men say, 'Say it is a mistake.' We say: 'She can't. It is from The Divine.'

So, you see, My children, My daughters, the time has come for men to realize, men of all kinds, that the Light that has been cast upon the earth, for you to see, for you to feel, for you to know about, is a Light, the Light from The Divine.

The woman through whom I speak, weary, far wearier than men know weariness to be, for there is not a moment in the day that We do not reveal to her, instill within her, things, matters that The Father desires to be used, sometimes even at a later time.

We have used the voice box, We have used the face, We have used the body, We have used the internal organs, We have used the outward expressions,

for such a long time, always on Command of The Father, always in a way men can understand, always taking a great toll upon *this woman* who stands in the world, is not of it, but yet appears totally in the manner men want her to be. This is a difficult Role to be in, for you see, listening to The Father's Will day and night sometimes causes much tiredness, for the human form, the human body is not meant to receive so constantly, so consistently, such Power.

Tonight, as I speak through *this woman*, I say to you, 'The Lesson given to you: to not compromise, not dilute the Truth, the beauty of your Faith in God, How He would work, What He is all about, must be remembered by you.'

The Light is always with *this child, this woman*, not always noticeable to the naked eye, but be aware of this Light, for It has touched your heart, It has touched your flesh, It has touched your eyes, but most important, It has touched your ears, and you have been instilled with a Beautiful Lesson, God's Design.

As I take her from you, as I walk with her for the hours to be, before the night rolls deep into morning, I say: 'Be aware, My daughters, of the Holy Rosary. Be aware of The Commandments of God. Do not dismiss Them in any way.' Let the Light of His Love enfold you. Let the Light of His Love cause you to remember the beauty in the practice of saying repetitively, 'Hail Mary,' for you see, in these words you recognize Her as your Beloved Mother. In these words, you recognize Her Purity. In these words, you say to The Father you love Her. This pleases Him more than I will say.

I, Saint Catherine of Siena, love you in the way God intends you to be loved, teaching you how to serve Him more, how to become a Saint with Him for All Eternity.

My daughters, love is not the way men express love. Love is in pure example. Love is in charity for the good of a man's Soul. Love is in standing for Truth, with no compromise. Love, of course, is based on God's Will.

Remember, My daughters, What you have heard on this night, and remember, too, never dismiss from

your daily practice, daily habit, the prayer of repetitiveness. Say it often, say it many times, and do not ignore the Blessings that come with this prayer, that are given to you by The Divine.

I have Blessed you with His Love. I have Blessed you with His Light. It is His Power I have come to you with and upon. Do not forget, the Light of the Heavens showers down on This Great Miracle that you are aware of, that you are listening to, for God has expressed through This Miracle, Right. So be it.”

VISION OF OUR HEAVENLY MOTHER

I'll tell you what I see. It's Our Heavenly Mother and She's smiling, and She's holding out Her right Hand, and from the right Hand, it appears like gold dust coming down. She says that the Light in the gold, the Light in each particle of dust is a sprinkling of Grace on the children's Souls.

The look on Her Face, it is a smile. Her dress is all white, Her sash is blue, Her mantle white. Her Hand is thin, graceful, and the gold dust is pouring. Through *The Miracle Of Saint Joseph* the Grace from Her Hand is to work Itself into every corner of the world for the good of man.

The pressure of the Vision is much and the Light that surrounds Her almost too much.

OUR HEAVENLY MOTHER

“The Father has chosen *a woman* in the world to walk a path of obedience. The Father gives to the world Grace, for obedience. The Father says to all

children: ‘Be aware of My Rules. They will lead you to Me forever.’

My daughters and My sons, I am your Heavenly Mother. I have spoken many times through *this instrument*, through *this funnel* of The Father’s. I use her to reach you. I gather Light around her to remind you that you are children of Ours and We want you to live a life of fulfillment and be with Us forever after.

As I speak through *this woman* in the world, I reach out to you and I say, ‘Men do not understand the position she stands in, nor the degree of work that has been placed upon her for all days.’

Men who stand in high places know she is of Truth. They try to deny her for she is the strength they want to be, and We are the Power behind her.

No woman has ever been asked to stand in such an obvious place, in such a time of great distress. I, your Heavenly Mother, say: ‘The burden is more than men can know. It is the weight of all the oceans in the world, plus all the soils that any men could understand have to be present.’

The scientists have talked about her. The theologians have discussed her. The humble, in their own way, have praised her. We Here in the Heavens use her as *a funnel*, as *a channel*, as *an instrument*, as *a transmitter*, as *a deliverer* of Our Words, for men to follow, for men to see in the Beauty They are, from The Holy Trinity.

You are Blessed in so many ways and you must remember that the Light that glows around her, shines forth from her, glows at given times for you to see, for you to feel, for you to wonder about, is the Light of Divine Grace that passes through This Great Miracle for men not to be blinded by, but to see better because of.

I, your Heavenly Mother, bless you, My daughters and My sons, for your Faith, but also for your desire to grow in Faith so you will one day not stand looking into, but be a Part of Divine Grace.

Be aware, be conscious of, be deliberate in your actions. Be pure in thought, word, mind, deed, motives, directions. Think of purity in all things. Ignore things that are impure. Bless yourselves with the Sign He

loves to see you make, for **This is the Sign of Faith in The Holy Trinity.** Say the prayer that is devoted to Me and how I am, how I was, and yes, for you to see the Value of Me.

Do not forget, My children, that the Light of Hope is a Light of Divine Grace. The Light I give you is a Light for you to grow in. This Light could burn your eyes, be a weight on you, or shine in a manner I Decree best for each of you.

Be blessed, My little ones, and know, This Great Miracle upon the earth has been given not just for tonight, but for all times. It is a Miracle comparable to the Beauty of The Commandments, the Greatness of the Church He instituted for all mankind.

Be sure you accept the Light of Hope with love, thanksgiving, and desire to please Us more. So be it."

JULY 16, 1980

OUR HEAVENLY MOTHER

“The Light is clear, perhaps not what you expect It to be, but the Force of Light that *the child* sees is blinding to her eyes, causing a burning. It is like a branding of an iron, imbedding into her mind the responsibility of you men, for many ways must be entered by you to reach other men to stand by your side for many days. My sons, you are not reaching out far enough. I want you to know this.

I love you much. I spend much time encouraging you to be concerned with your Souls. I am your Heavenly Mother.

Do not waste time fretting, but take the time to conquer all your weaknesses so one day, when you face Me, you will face a life of fulfillment, and I will be ready to take your hand and walk you to the Place He intends for you to be.

As you stand upon the earth and I speak to you, I use *a woman, a child, a voice, an instrument, a servant*, just like you. It is the best way to reach

you. It is the most understanding way to reach you.

As My Love shines forth from the Heavens, It is always present where you are, but you oftentimes dismiss It for other decisions. You do not take into consideration My Presence, My Love, My Interest, My Sincere Hope for you. You take what is there and many times it is not pure. Please don't do it. Your Soul is at stake. My Love you abuse. My Hope for you is real, for as I was a Mother upon the earth, I am to you a Mother in the Heavens. Do not forget These Words.

Be sure you take no risk with your Soul. Be sure that your love for Him shows. Be aware of My Presence wherever you go.

I am The Patroness, The Mother of this Society for Souls. The beloved John Vianney is the One you must follow. You must understand, His desire for purity for man was great while He was upon the earth. His service to God earned Him Heaven. His service to God earned Him the privilege of being the Patron for you.

I bless you, My sons, with a Love indescribable. I bless you with

the Power and the Beauty of Grace, and I bless you with My Desire for your purity, for you see, I want you to remember, wherever you are, I am in that place. So be it.”

JULY 20, 1980 AT 11:30 A.M.

OUR LORD

“In the time I walked the earth, there was much dilemma among people regarding the strength of their Faith and in Whom their Faith lied.

I am holding *this woman* tightly for the physical is close to collapse. She may not be allowed to wait the time she decreed should lapse. The pressure, the Power, the Force, the weight, the burden, upon the mind, the body of her, are beyond human comprehension.

I use her to hold together the Faith I intended for men to uphold, to live by, to value, as the means to Me. Responsibility is without end where she is concerned. Men have drawn strength from her and men have not used this strength to the degree I intend.

The world is in a disaster state of human affairs, human needs, human spirituality, human endeavors, human motivations, human encounters, human determinations, human standards, human values. All things have become

so humanistic oriented, so humanistic evaluated, so humanistic generated, so humanistic perpetuated, so humanistic degrading, that diabolical forces have been allowed to not just intrude, but to be included in man's values, standards and morals.

I speak through *this woman* as I spoke to the multitudes once before. I use her physical to transmit in your language, the Direction, the Intention that I want man to see, to understand, to become a part of and to follow.

Men promote monetary values, needs, necessities or motives. I promote only all things that will lead men of all colors, all races, all creeds, to The Father.

Through This Great *Miracle Of The Beloved Saint Joseph*, men learn the Beauty of God's Will for man. This is so natural to understand in the manner it is extended, delivered and elaborated upon, for only God Himself, Myself, and the Will of The Father, the Wisdom of The Father, would take the time to demonstrate, elaborate, deliberate, motivate mankind to look to the Goal intended for man, in the Creation of man by Divine Power.

Balance is important in all things. Know this, but also hand it to others. Men talk of how they can transmit to others, transport to others The Father's Will. Speech, example, of course, are the two main areas of furthering the lines of Truth men are to have so they may follow in the footsteps of the first Apostles, and of course, All Those Who walked for Me since that time.

There are no Words from Us that do not have a High Value in Them, around Them, through Them, radiating from Them. Do not forget to look at the Tremendous Love passed through This Great Miracle in such a manner that It is not just palatable to man, but understanding to man.

The enemy is all around. Hate, jealousy, is the stench, the evidence of this presence. Emotionalism, contrariness, cunningness, hate, immorality, impurity, indecency, a lack of integrity, a lack of discipline, radiates from all areas wherein this is evident. The horror of this presence is sometimes accepted because of its strangeness, its evident permissiveness.

I have spoken millions of Words through *this woman* in the world, All not written, but today I come through her to you, but also, to leave a Message for her to obey.

She has allowed man to abuse her in many ways, always with the concern for the man's strength that she knew they were receiving from her. I mark this time as the time of necessary change. She can no longer cater to man.

It will take her two of your weeks to adjust to this Command I give. Without obedience to this Command there will be delays upon delays upon delays. This frightens her, but We have warned her.

There has never been a Miracle in the world such as This One.

The diversion, the rest, are necessary for the times of communication she will be confronted with by angry men, indifferent to her position, indifferent to her physical weakness, indifferent to her will that she has given Me. Abominations, they think, they relate to. Condemnations, they are familiar with. Personal

mortifications, they are unfamiliar with.

It is difficult to speak My Will to men who have set their will to display.

There is no challenge in her way of life. There is no anticipation in her manner of life. The goals are never looked at by her until We give her the degree, which goal We speak of, for she depends solely upon Me. Men question some things. Her Spiritual innocence causes her to bypass what they have spoken, and she waits for Me.

I will close now and I am sure you know that I would not have made My Presence known if I did not have Something Important to convey. You are Blessed for your time spent My Way. Remember this. And I hold Grace for you so that one day It will be stored up in your name. So be it.”

JULY 30, 1980 AT 3:15 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“Suddenly upon the earth there is a Miracle. Men talk about Miracles but when a real Miracle happens, they oftentimes do not recognize the Phenomenon, for in Miracles such as This One the Phenomenon is delicate, forceful, has clarity, and is understandable to men’s intellect and way of thinking. A Miracle is a point of attention and a point for attention. A Miracle such as This One is for the good of man and for the Intention The Father has for his Soul.

This Miracle of Greatness, of Purity, bears My Name. I speak through *a woman*. I use her human faculties to extend to the world The Father’s Aim. Through her physical, Words are given of Direction, teaching all children perfection. I am The Light of The Father’s Will. I am The Wisdom in this Light. I am The Hope He extends to the world. I am The Protector of all that is good.

In My time upon the earth I took the form of man, for it was the only

way that What I stand for could be understood. I spoke in the tongue of man. I walked in the way of man. I worked as all men should. I was the Foundation. My Presence established what The Father Willed. The Light I reflected in at that time shone forth through My Way and My Will. It was the same Light that radiated from The Mother. This Light gave to the world The Tabernacle of Hope, The Sacrifice. Through this Light Another came to the world. The Teachings immediately began with verbal Words through Him, from Him, before He became a man. This action drew attention to Him. This action made all things to come fall into place from the Special Son. His Knowledge went forth throughout the world. It was passed on from one to one. In These Words a Church was begun. To establish something of this Magnitude, something of this Greatness, could only be done by The Supreme One.

As The Son walked with men, He taught to them the Beauty of the Kingdom of God, the Reason why each one of them had begun. He walked with them in the fields, He walked with them socially. He had repast with them, respite. He was kind to them. He

visited friends, He partook with them in celebrations. He showed them the Beauty of life if it was used well for the Purpose intended. He gave to the world a specific Form of dedication, a Specific Manner of doing things, teaching them at times the ceremony necessary to perform acts of charity in and with, always alerting them to where all things did come from.

I am now What I was then. This time I speak in your tongue and I use *a voice*, an earthly one; one you are familiar with, one who speaks only Our Words. The Light passes through her. The Light shines around her. The Light of The Holy Trinity speaks through her tongue. My Name is for everyone. My Light is the Light of The Father's Will, of Which I am One.

There are so many men who are walking in a confused state of mind and spirituality, who refuse to see the actuality of what a Miracle can be, and the Generosity of Where It comes from. Let no man call you a fool, for it is only an expression of his opinion, not his Spiritual charity.

The Lessons you were given on this day were from Me, to give you

hope, enlightenment for all time to come. As the breath of life flows from each human being every moment of the day, this is how We breathe into *this child, this woman*, the Words for her to say. No woman, no man for that matter, has ever been given a Task so Great as This Miracle of Me. The benefits of her obedience are not for her, but for all the world to hear and see. My Light has returned to the earth in a physical form to re-establish What I once established a long time ago.

This Miracle that bears My Name should be on the lips of every man, woman and child in the world. Men are jealous: 'Why her? Why not me? Why not someone who walks in a different role of life?' This is only the weakness of man speaking, not his Spiritual charity.

My Light shines wherever *this child, this woman* walks. My Light to some is blinding. It burns the eyes, but in this burning, It hands to those a Spirit of Hope. To those who see a touch of Light, a degree of Light, a Ray of Light, a feeling of Light, a motion of Light, a transmission of Light, It hands to them Spiritual charity. But

whether your eyes burn or you see the Light, or you feel the pressure of My Presence, or you even become sleepy, It is never to be abused or misused. It is to be passed on to others, the Lessons you have been given.

When the Apostles walked with Him, they too, felt the pull, the draw, the strength, the heat of the Light that would pour forth from Him. Never forget that the human body of man in the Presence of such Phenomena has some touch of change, or some form of special attention.

It is true that in thirteen years of man's years, My Name has been sent forth to the world through This Great Miracle of which I am the Attention. No man can deny the Magnitude of the Words that have been spoken unless he is a man of debatable integrity, debatable sincerity, debatable Faith, in how such a Miracle would be given to the world. There is no challenge to *this voice* I use, only obedience to Divine Will.

As I bless you, I say, 'Be aware of the Light I Am in the world today, the Purpose for this Light to be so obvious, the Reason for My Name to be so

widespread and so much attention to be on It, and never forget, The Father does not send such Great Gifts unless there is great need for Them.’ You live in a time worse than any terrible time in History. You live in a time of much desecration to His Holy Name. Men refuse to separate weakness from love, moral values, standards, and moral strengths. This Miracle of Me has come to point out where men must change, and the History of Who I Am must be given to the world to help men with a Mystery. So be it.”

JULY 30, 1980 AT 7:40 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“My beloved sons, it is true I speak through *this woman*. It is true her Words are Mine. It is true, each time she speaks men are Blessed by The Divine.

It is true that this Great Place will be built, for men to come to, for men to pray, to see the full value of all good. It is true that men will come from all over the world, mention My Name, kneel to pray in Honor of Me, always with The Father in mind.

It is true that It is rare, such a Miracle would be in any time, but I, as Saint Joseph, I, as The Holy Ghost, want you to know that the time in the world is important for many, many Souls.

Men speak of their Souls. They do not know the Importance of their Soul. Men speak of Light, they talk about life. Men do not understand the Magnitude of what life is all about. The physical life is a preparation time for the Soul to return to God for All Eternity. The Commandments that

were given were necessary for men to not forget The Rules to live by and the way to purity.

The Pressure I Am, the Power I Am is much on *this woman, this child*, for today many men listened to the Words spoken by Me, guiding them to Here for All Eternity. As long as men listen, We will speak. As long as men want to know, We will talk and tell them what The Father Wills them to know.

As I stood in the world, I took the physical role, only to lay the groundwork to establish what The Father Willed, for men to be able to walk in, to learn from, and to follow in a given role.

Today, as in the past years, I have returned to the world through *a voice*, through *a human form*, not Mine, but that of one born to the world. My Words are always Complete, My Direction always Pure, always for the good of men's Souls.

My sons, there are so many avenues to Here, so many paths for those who have the Faith to understand the Beauty of being human and the Importance of returning their Soul.

This child, this woman, this instrument, this funnel that I use, is in obedience to The Father's Will at all times, in spite of those who do not have the Faith to believe, to understand; in spite of all the obstacles by man.

There is always a Light where she is, always a shade of Hope, always the shining Truth comes through to men. So many times, as she speaks the world glows, but in her voice, in her Words, I always show. It is a serious path, My sons, more serious than you know, for you see, the burden is made by man; the responsibility, men's Souls.

She will tell you what she sees."

VISION

I see all silver. The Light is blinding. It hurts my eyes. And Saint Joseph is standing in an oval, and from the oval are white Rays, and the white Rays are going into the earth. It is difficult to hold the instrument (microphone), for the Power is blinding.

I see men kneeling and I see some crying, and I see Saint Joseph looking at them. I hear, around Saint Joseph,

a Wind like a tornado. He's smiling and He's glowing brighter, and He's telling me what I have to do.

“There is no question, My Words have been instilled. There is no way *this child, this woman*, could misunderstand what she has just viewed. The pain in the eyes are great.

And I say to you men, ‘I stood in the world in a Pure State, as Example for all men. As I stood, and I stand in the Heavens, in a Pure State of Divine Light, I walked the earth in this Example, for men to see the way they should walk for their Soul to return to The Holy Trinity.’

You are not fools, My sons, if you have Faith to understand how The Father Wills things to be. A fool has no reasons, has no reasoning, has no sound logic to what he does, how he thinks, how he performs. A fool has no Goal; a wise man does. A fool is unstable. A man who has Faith, has strength. A man who believes in The Father's Way is a man who is fulfilled. A man who has a Goal is walking the Divine Way. A man who allows others

to lead him is a fool. A man who leans upon God can be a Saint. So be it.”

JULY 30, 1980 AT 9:09 P.M.

GOD THE FATHER

“I have given man a brain. I have given man intellect. I have given man physical faculties. I have given man a Soul. I have given man the will, which is his way to go.

I have showered man with many things. I have instructed man in My Way, teaching man My Will. I have shown man the way to pray. I have allowed man time to do these things.

I am The Father. I am The Creator. I am The Maker of All Things. I am The Justice men must face. I am The Mercy that helps men in every place. I am Holiness. I am Perfection. I am Truth.

I have interest in every part of Creation for I am its Root. All things are cast in shape, in form, in purpose, determined by Me.

I am The Light of the world. I am The One Who makes All Decrees. I am The Giver of Rules. I am Faith in its Greatest Form. I am Charity in

all degrees. I am Master of the whole world.

Those who serve Me, I love. Those who deny Me, I worry for. Those who ignore Me, I fear for. Those who doubt My Existence cause Me great hurt.

I am the Unity of Three. In reality, there are Four of Me. I am All Beauty. I am All Love.

All things, one day, must return to Me in the State I created them, in the Purpose I Decreed they would be. In My Charity, I allow many things to be used. I expect all men to use them in the manner, the way they were made for.

I am truly God. Men say, 'We would not hear from Him.' As the stars are in place, as the moon is predictable, as the sun is necessity, it is I Who hold them in place. You can depend upon Me.

I come to a few in the world today, and I ask you in your little way: 'Can I depend upon you? Can I count on you to return to Me My Soul one day?'

It is strange to some men, I would come through a mere *human being*. It

is not strange to Me, for I have been known to do things this way.

Obedience to My Will is available to each of you. You have been instructed in so many ways to see My Will, to pay attention to what I Will, for the good of your Soul every day.

I do not ask you to not enjoy life for I am The Giver, The Creator of happiness. I do say, 'Make the enjoyable times a joy for Me to watch, so that through these happy moments I can share the time and I can be assured that these moments will see you through adversities at given times.'

My Love is beyond human comprehension. My Desire for you, beyond your comprehension. My Love is a Pure Love and the Purity of It has Pure Intention.

Be blessed, My children, by My Words. Be alert to the fullness of Their meaning, and do not forget that as I keep all things in place, I never forget to hold your Place with Me forever. So be it."

AUGUST 1, 1980 AT 6:28 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“Men do not realize how fortunate they are to be the recipients of This Great Miracle’s Words. Men do not realize the Gifts The Father hands through This Great Miracle.

I am Saint Joseph. I am The Holy Ghost. I am The Spirit of Life. I am The Spirit for Life. I am The Giver of Hope. I am The Protector for God’s Will among men.

I say to the world through *this woman, this funnel, this instrument, this puppet* of His: ‘Men must stop the blasphemies, the impurities, the promiscuous acts. Men must begin to be logical, be realistic, and forget being humanistic, for in being totally humanistic, they are eliminating the Spirituality God intended for each of them.’

Men chatter. Words become fluttered sounds, flattering to only man’s ego, never really passing on the Truth that men should be hearing.

Men shout, 'I know what it's all about'; life, that is. I, The Holy Ghost, I, Saint Joseph, say, 'No man knows unless he has spent his time in obedience to The Father's Will, observing The Rules, The Commands The Father gave for the good of each man's Soul.'

This Great Miracle that bears My Name, that bears My Direction for all mankind to not just become acquainted with, but to follow for the good of each man's Soul, the Directions, the Promises, but also the Claim.

Balance is important to each man's thoughts, each man's words, each man's intentions. Perfect balance is necessary for the benefit of sound reality to take place. Balance in all things should be the aim for all men, for you see, balance has in it sound discretion.

I speak through *a child*, through *a woman* in the world. My Name is on her lips instantly, constantly, consistently, purposefully, sincerely, and My Name is for the whole world to better understand how I walked the land for the good of man, to establish a given Form of Ceremony,

to establish the Communion with Him, for men to lean upon, for men to see as an Important Part of life that is constant unity with Him. The Reality, the Physical is evident, purposefully given in a specific manner, so men could unite themselves with The Holy Trinity, so men could feel the strength from Him, the dignity, the Purpose for which life was given to man, for the Goal He intended.

There are many, many Choirs of Angels Here in the Heavens, constantly alerting man to safety, to caution, to precaution, to honesty, to sincerity, to hope. They are the Messengers of Light, of Love, for Him, of Which I am a Part.

You must remember, My children, that God is All Things. God is All Time. And there are Mysteries upon Mysteries upon Mysteries, not just surrounding Him, but within Him. These Mysteries are necessary for men to know about, to feel, to wonder about.

It is necessary at this time in the world for men to follow the given ways, the Beauty of the Teachings that

are passed through This Great Miracle that bears My Name.

It is nonsense to hear a man say: ‘The Father would not speak that way. It cannot be the way it comes forth to us through *this woman* in the world.’ They said this two thousand years ago. They said it three thousand years ago, and they repeat these words today.

There are many Blessings passed through This Great Miracle of Me, of Mine, bearing My Name, to all who will listen, to all who will take part in the service to The Father. There are many Blessings that are not felt but that are obvious, because the Faith in which these Blessings were received has grown to a degree beyond human comprehension.

I bless you, My children, with The Father’s Will, Way, Love and Mercy, and I say to you: ‘Be aware, beware of all the things that have been revealed and will be revealed from Here. Be alert to what is expected of you. Be conscious of what you must do to attain the goals set for you.’ Be blessed with Heavenly Grace, and know, that as time passes you must grow. So be it.”

AUGUST 2, 1980 AT 7:10 P.M.

GOD THE FATHER

“Men defy My Will. Men defy My Rules. Men defy My Church. Men defy what I want them to do. Men defy the Beauty I want them to see in Me.

Men define what they want life to be. Men define it according to their own ambitious ways, according to their own animosities, according to their definition of life in the world, accusing Me of not understanding what life is all about. They forget that I am The Creator of life, I am The Giver of all things.

Men defile Me in many ways. There are many sacrilegious occurrences in the world. Men honor My enemy.

Men procrastinate when I want things done. Where I want them done, they say it cannot be. Men refuse to see how I would work in the world for the betterment of men and for the good of each man's Soul.

Men intimidate Me. Men, in so many ways, blaspheme Me. Men steal

from Me. Men are gluttonous where life is concerned, omitting Me from their way, their will. Men lean on lust, of sensuality, for sensuality, in sensuality, catering to what they feel is reality to them, omitting Me.

Men walk in anxiety, not tranquillity and peace, for men are always trying to outsmart Me. Men are practicing creativity. They are demoralizing creativity as I intended it to be.

Men, in ignorance, are accepting the evil one's manner of gifts, always putting self-love, self-preservation, selfishness, as the motive for all things.

I say to the whole world, through *this woman* in the world, that men must begin to realize and to see the reality of where they are going, what they are doing, and how they are opposing Me. I cannot allow man to continue to do all the things against Me that man is not just practicing, but violating My Rules, My Commands, in every way. Men are alibiing, not just making excuses. Men are defiling My Name and All Things about Me.

I want man to know I know what he is doing and I do not favor his approach. My Anger is welling up and I want man to know the sinfulness I see must cease.

I have Blessed the world through a Great Miracle, a Miracle of Honesty, of Truth, of Sincerity, of Dignity, delivering to all men My Name, My Will, and what I want each man to do, to perceive, to conceive, to admit to.

I bless you, My children, and I say, ‘Pass These Words on to all men, for men must begin to see It, read It, delve into the Full Meaning of It, and then change their ways.’ So be it.”

SAINT JOSEPH, THE HOLY SPIRIT

“This Great Miracle of Me was placed upon the earth for men to begin to see the Value of Sainthood as It was intended to be. As she listens to the Words I say, she sounds out Each One of Them and listens with you today.

This Society¹, bearing the Name of a beloved Saint, bears in it, carries with it, stands for, Great Strength. The foundation of it, the basis for it, are Heaven’s Way. That is why it is so important that the Light and the Power and the Love and the Direction We send through her to you today and every day, is not just to establish the Strength that is needed in the world, but to re-establish a Formal Way of Religion, for man to see the necessity for The Father’s Will to be accomplished, to be done every day.

I hold her in a deeper ecstasy. There is no effort on her part to succumb, to submit to Me, for she has

¹ Refers to The Society Of Saint John Vianney.

been prepared physically, mentally and Spiritually.

There are Many Here in the Heavens Who speak through *this woman* in the world. There are Many Who dictated These Instillings for you to walk a better road. Never deny the Beauty of Truth. Never defy God's Will for you.

The Light is the Light of the Heavens; the Rays, Those of Us Who want you to see, to feel, to acknowledge, and to grow in Grace, This Way. Do not expect the Light that shines through *this woman* to be as your light of your day. Light comes in many ways. The Light of the Heavens comes on the Rays of Grace, on a Power and in a Power of the Winds of Divine Way.

So much has been given to you today, My sons, so much for you to think about, so much for you to understand, so much for you to hand to other men.

I hold her in a deeper ecstasy and in this depth of love for Him, the consciousness of her being is more Us than men. This is a stage of ecstasy men think about, but it is not a stage of hypnotism as men feel it must be. Ecstasy is different. Ecstasy is

controlled by Us and We say to all children: 'Watch out. Do not desire what you cannot handle, but use what you are in the world to return to God your Soul. You have intellect, you have physical faculties, you have perseverance, you have hope. You have a love for the Faith in Him you have. You have Goal to reach for.' Remember all these things.

She moves closer, for I hand to Someone else a sign for her to read. She is reading it this way², My sons, different than she is used to. This is what the sign says: *'To be born to the world is no accident. To have Faith in God, His Will alone. To be taught to practice in the right manner says you have a Special Goal. To be human and to be given the means to understand, for the Purpose for the physical life to never truly end, is a Blessing from The Father handed down to man.'*

She will go to the next chart: *'Make each day a blessed one. You can, as you walk the world as man, for you have the Foundation and the Way, the Facts and the means to walk as God Decrees. Be alert to The Rules. Never*

² Right to left.

feel They are past. Be sure, My sons, that you are aware that Eternity will last and last.'

Another chart, she looks up at:
'Do not resist the Love that comes your way but guard it well and help it grow every day. Let no man stand in your way of Truth. Be wise, My sons, and God will give to you, not just Hope, not just Love, not just Mercy, but Justice in all things from Above. So be it.'

The Message is clear, the Words direct. There is no more to be said except this: I remind you, My sons, What you know, the Faith you have, the Direction you have been given, you are responsible for. Do not forget that. So be it."

AUGUST 13, 1980 AT 8:30 P.M. (EXCERPT)

SAINT THERESE OF LISIEUX

“It is our Faith in God that makes us better understand real protection. It is our handling of our responsibilities that helps our Faith grow, for He was the Greatest Example of being a Responsible Person in the world, through His Actions and What He gave us, What He left for us, to guide us.

God’s Light shines in many ways. We think of It as a flame burning. We think of It as something unusual. We think of It as something not ordinary, and yet the Light of Divine Love shines in our midst every moment of every day. We are never without God. We are never without His Love for us.

Men speak of love. There is no love in the world comparable to the Love God has for all of us. Men say, ‘I want hope.’ God hands man hope, perhaps not in the particular way that man has asked for it to be handed to him, but hope reflects from many things to man daily.

Sometimes the Light that is given through a kind act inspires each of us to walk a better path. Sometimes, someone just telling us what is right, what is good, makes us stop and think of where we're at. Sometimes a favor makes us respond, wanting to return the act of love. We must always remember that God's Light shines through many things, through many words from others, and of course, always shines back to us from our own acts.

My beloved children, I am Saint Therese and I speak through *this woman* in the world, for I can remember back to the things that affected My life most, and they were little acts. I was not always the performer. Many times I was the receiver, and I found in these things, hope, and I found that this Light, this Ray, this Glow, gave stability to me and made the dark hours of each day worth more, for in them, I found I could pray, perhaps more deeply, perhaps more sincerely, perhaps in a more sound way.

I ask you, My daughters, on this night, to see the Beauty of God's Light not just with your eyes, but in all things that you experience during the day.

And be sure that when things become unreasonable He is there, if you will but think of Him, speak His Name, and remember that He truly does care.

Sainthood is for each of you. He waits for you Here. It is not impossible, it is not for someone else. It is His Goal for each of you, intended personally, for you see, you are the custodian of a Soul, you are the one He has given this Soul to, to return It to Him.

Do not ignore the small acts of love in which you can perform constantly, for these add up to many Graces earned by each of you individually, and the Light of His Love will shine on you particularly one day when you stand before Him and He does say: 'It was through all the little acts you accepted in My Name. It was your Faith in how I would love these acts you gave Me one day. I am ready for you to be with Me in the Light of the Heavens so you will see what you have earned through loving Me.'

Oh, My daughters, I heard These Words, and the Sound of Him rings all through the Heavens, and All of Us Here say, 'It is worth every thing you do, it is worth every effort you make,

it is worth every thought you have, to do all things His Way.'

The Light is of Him; I come to you on It, in It, surrounded by It. This Miracle of The Beloved One is a Treasure to behold, a Treasure for everyone. The Light is a transferring of Grace to touch you so you will grow more in love with service to Him, whether you are here in this room or any other place.

There are Others Here with Me Who stand in these Rays. They, too, bless you and say: 'It is worth fighting for. It is worth all the trouble you may want to ignore.' Fight, My children, so one day you will stand at This Door, not having to knock, but knowing this: We will be waiting for you and He will be The One Who will let you in. So be it."

VISION OF MANY SAINTS

I will tell you what I see. Saint Therese of Lisieux, Saint Margaret Mary, Saint Athanasius; Saint Peter, smiling; Saint Teresa of Avila, Saint Bernard, Saint Elizabeth, Saint Damien, Saint John Bosco.

There are countless Numbers of Them, and Saint Alphonsus Liguori says:

SAINT ALPHONSUS LIGUORI

“The reason you have experienced through This Great Miracle, the Words from so Many of these beloved Saints, is because All of the Heavens has come forth through This Miracle because of The One for Whom This Miracle came to the world. All of the Heavens want the whole world to know Who He Truly Is, the Greatness He Is, and the Beauty of This Miracle. So be it.”

AUGUST 17, 1980 AT 3:30 P.M.

MANY SAINTS IN UNISON

“There is always a parade of Us where *this woman* is. There are always a Number of Us surrounding Him. It is happiness to be close to Him. It is sincere love for Him that makes Us wish to please Him.

It is His Love for man that encourages Us to give all children in the world Teaching, Direction to Divine Plan.

The Beauty of Heaven is to be with Him. The more We are with Him, the more We want to please Him, to serve Him, and to show Him that Our Love is for Him.

We are The Saints in Heaven. One time We walked the earth as you, and now it is Our task Here with Him, to do His Will.

There are Many of Us present wherever *this woman* is, but you must also remember that as He promised to be with her through Every Word, through Every Action, through Every Step, through every moment of every

day, We cling to Him, for there would be no happiness to be away from Him.

We have come here today to say These Words in unison with Each Other, for We want you to know the Importance of This Great Miracle must show in your actions, in your thoughts, in your words, in your deeds, in your service, for the manner in which you act now will be repeated Here in the Vision of The Holy Trinity, close to Him in every way.

There is no better way to live in the physical role than to work for Sainthood as your Goal. So be it.”

AUGUST 20, 1980 AT 8:40 P.M.

OUR HEAVENLY MOTHER

“This woman listens to the rustling of My Garment. I drew her attention to My Way. As she spoke, I spoke, and there were times in the speech I showed her different things.

My sons, I have appeared many times in the world. I have appeared to many children. I have appeared to children of an older age. I left Messages to be honored, to be obeyed.

Light travels with Me, Light necessary for My arrival with you any day.

I speak through *this child* in the world, rapidly, slowly, comfortingly, hopefully, interestingly, purposefully, sincerely, honestly, and of course, truthfully.

I speak through *a woman*. I speak through *a voice*. I speak on the Rays of Light. I speak verbally. I speak with intention. I speak with attention. I speak deliberately. I speak vocally. But *the voice* that you hear is not My

Voice. It is the voice of *an instrument* chosen from Here.

The Words that I speak are to remind you, to instruct you, to teach you, and to draw you to Me Here. In the Direction I give, it is for the good of your mind, your body, your Soul. In the Love I extend, it is for you to remember His Will, My Will, for you. In the Light of Hope, through the Words I give, you must remember your time upon the earth is short-lived, but you must live forever.

I speak, and I stand in a Vision.”

VISION OF OUR LADY AND THE APOSTLES

Our Lady is surrounded by the Apostles after the Crucifixion. They are all pleading with Her to help them understand what occurred, why it was truly allowed, for it was unjust. She is consoling them, She is correcting them, She is instilling in them the Full Meaning of the Crucifixion.

Her Eyes are burning into theirs. Her Shoulders appear strong, yet weary; Her Figure, not real small, but very graceful, very beautiful, very

serious, very sensitive, very refined, very deliberate. The Light is all around Her. She is looking into Peter's face. He is returning the look.

She says to him: "The trouble is very serious but the work ahead more serious. You must not delay. You must not convince yourself it is over. You must be determined to follow through according to all the Directions He gave. You must stand forth before all men and say in dignity and truth, the Messages He wants them to have. You must not omit one thing. You must persevere and you must always be committed in dedication to what you knew, what you know, what you must do, through what He taught you. You must stand firm and you must show other men that through your example and through your love for Him, you will follow through on all the Orders He gave for you.

"As you must stand as the foundation, the firmness, the strength and the hope, remember Peter, also you must extend His Justice, His Love, His Mercy, and you must tell men that they, too, must pass on to others the Words that will pass through you. Remind them of the responsibilities

that are so great. Remind them of why He came this way. Remind them that they, too, must persevere so others will not be left out of This Great Miracle that He gave.

“Teach them, all of you, to be aware that: to walk in dignity, to teach others the way, and to stress purity all the way, through the mind, the body, for the good of the Soul. Teach them obedience to The Holy One. Teach them of Him, and show all children that you meet, the beauty in how you walked with Him.

“Hold your head high. Stand firm and be alert, and always know that All the Words that He gave will pass on through time for thousands of years, for anything The Father leaves upon the earth cannot die. It will remain for all time, for all men.”

“Tonight, My beloved sons, I say these things to you. I repeat the Words, and I say with Love, Compassion and Hope: ‘Do all things with good in mind. Do all things with Him in mind, and do all things with the purity of your Soul as the Goal.’ Do not be concerned with what other men think of you, for do not forget, they are weak, they are

vulnerable, and they try to draw you down with them because they are in fear of so much.

You must remain in the place you know is good. You must follow all you know is Truth. Follow the Light of The Father. Follow the way of the first Apostles that He taught, and be sure, My sons, that as you do this, you do it in dignity, with integrity, and you look for what example you leave upon the earth.

I spoke earlier to you tonight, and I said to you: ‘If you stand with The Father on the morrow and you look at the earth, what reflection of yourself will you see? Will you see good or will you see evil? Will you see that your life had great worth?’

I bless you, My sons, with a Love, perhaps you do not understand, but it is the Love of a Mother, a Heavenly One, and as you are Blessed on the Rays of His Power and in the Power of His Winds, I, your Heavenly Mother, bless you with His Will and say: ‘Let the words that pass through you be good for all who come your way. Let the Light that shines forth from you be example for men to follow in a perfect

way, and let your life be one in which you will be able to look back upon and say, “It was example for all men to arrive God’s Way.” So be it.”

AUGUST 24, 1980 AT 10:10 A.M.

SAINT JOSEPH, THE HOLY SPIRIT

“There has never been a Miracle of Love in the world like The Miracle of Me. There has never been such Constant Direction given to mankind so men would reach for perfection.

My Name must be spread throughout the world. All men must hear what has been revealed about Me. All men must begin to see the Validity of This Action, the Greatness that occurred, and the definite Purity in which I stood in the world as Example to all mankind, so men would imitate My Way, so men would begin to see the value of fatherhood, of manhood, of protection for a family, for neighbor, for friend, that I stood in.

Men must begin to recognize *this woman* in the world as *the transmitter* of Information, Important for all men to observe, Important for all men to see, to understand as truly coming from Me.

The men in high positions must stop ignoring the Words that pass through This Great Miracle, that We

give to the whole world. Men must stop omitting These Words, rejecting These Words, because they do not want this new Idea, this new Truth, to disturb what they have already heard.

I am truly The Holy Spirit of The Father. I am truly The Holy Ghost in The Trinity. I am truly The One Who went to the earth to stand as The Father of The Holy Family.

Men say, when they listen to some of These Words, ‘Well, a lot of the information had been interpreted by man, so how can we be sure *this woman* truly speaks Heavenly Words?’ Does it not make sense that the interpretations were sometimes allowed to be in a definite way because The Father wished it so?

So many men in the world would be happier men if they could teach These Words. They would have the stability in their Faith that they need. They would have more purpose to their words. They would have more love for The Holy Trinity.

The world cannot continue to ignore Truth. Men cannot continue to be blasphemous, sacrilegious against What is Pure. Men must stop trying

to destroy the Beauty of The Heavenly Mother Who, too, went to the earth.

There is so much desecration. There is so much dishonor among men. There is a distortion of Faith in The Father. There is truly evidence of the evil one everywhere in the world.

I bless you with a Love you cannot understand, but I ask you to receive This Love with an innocence, with a hope, with a desire to only please The Father's Will. I ask you to act in This Love so others will understand that you believe, you are sincere, and that you know everything that passes through *this woman* is God's Will for all men's Souls. So be it."

AUGUST 25, 1980 AT 4:54 P.M.

SAINT ATHANASIUS

“We have handed you *an instrument*. We have handed you Lessons. We have handed you a Miracle. We have handed you Truth. We have handed you the path to Here. We have handed you the Light of Hope. We have handed you the Way to Grace. We have handed you God’s Words. We have handed you His Intention for all mankind. We have handed you the road, the means, the manner, for your Souls.

We have handed you the Faith you must rely upon. We have handed you the Documents of past History. We have handed you The Commandments He gave. They have been elaborated upon. We have handed you All that He wanted you to have, and We ask you: ‘What have you done with It? How much of It have you absorbed? How much of It have you passed on to others?’

It is important, My children, that you listen to These Words. It is important that you look into These

Words, for These Questions are for you to answer, for you to see in the value They are, for the Direction you have been directed in, and These Words are to alert you to What is occurring for you.

I am Saint Athanasius. I am a Saint in the Heavens with The Father. I have come with The Father's Light. I have come at His Direction. I have come to your presence for many reasons. I have come to say to you again, that the time in which you live is a time of sinfulness, a time of arrogance, a time of desecration, a time of blasphemy; a time of untruth, all error, insubordination, and many demonic pleasures.

The time now is diabolical. The time now is a sadness Here. The time now must be seen for what it is. It is truly worse than Sodom and Gomorrah.

Men are depriving their Souls of so much Grace. Men are casting their Souls into the pits of Hell. Men are ignoring the Rays of Light coming through This Miracle. Men are ignoring the Facts of Truth radiating through This Miracle. Men are scandalizing

The Father's Will in so many ways. Men are doing all things to hurt The Father. Men are causing many tears This Way.

My Name is known in many places. Some men try to refuse to say it, to acknowledge it, for they put Me in past History, but I am evident in This Miracle for many reasons.

This instrument faces many things, and Those of Us Who have had experience in these avenues of work, in these areas wherein the evil one works constantly, We are active in This Miracle so that Our Presence, Our Words, Our Direction, will help to avoid total disaster.

You are Blessed, and you must remember that in the time I lived, there were many problems, there were many men fighting The Father's Will, but in your time it is worse. I beseech you, you must pray more. You must better understand what is occurring is fatal to man. It is fatal to the Souls of men, and the arrogance, the ignorance, the egomaniacal manners of men, are total destruction to the Beauty of God's Will for man.

You say, ‘If it is God’s, He has the Power to stomp out the evil that is all around.’ There is no denying this, but men must know, All Places in Heaven are earned by man’s will to do so. The Lessons are available to you. You have heard thousands of Words. Do not try to pass on to God what you must do for yourself, for do not forget, Heaven is earned. So be it.”

AUGUST 25, 1980 AT 5:23 P.M.

SAINT DYMPHNA

“It is true We are smiling at the hesitation in pronouncing ‘Dymphna’. I am Saint Dymphna.

There are so many areas for This Great Miracle to be projected to the world, that men must begin to see that The Father has not forgotten them, that He has remained with them to allow them to know what they must do. The Father would not allow man to be alone at a time such as this.

There is great tragedy in the world. There is great turmoil. Men are extremely sensitive to the horror and it is affecting the nervous system of man. Men are joining in the horror because they feel it is expected of them in this time in which they live; but, it is important for men to know that this way of life, this type of living has an extreme effect upon their nervous system, and upon their thoughts where stability is concerned, logic is concerned. You must know this.

Be aware, My children, that the sensitivity to all that is going on

throughout the world will take its toll on your nervous system, and the nervous system is a very important system of life, for your nerves in your body can give you a feeling of good health, sound mind, and sensible spirituality.

Do not forget, Saint Dymphna has spoken to you today and wants you to know that it is through God's Love for you that I have been allowed to talk to the whole world through This Great Miracle. So be it."

SEPTEMBER 2, 1980 AT 10:48 P.M.

SAINT JOSEPH, THE HOLY SPIRIT

“I have been speaking all evening. They call Me ‘Saint Joseph’. I am known as ‘The Holy Ghost’. I am The Spirit of The Father. I am The Spirit of the Light. I am Enlightenment in Wisdom.

I am Fortitude. I am Gentleness. I am Kindness. I am Meekness. I am Justice. I am all the things that portray the Justice of The Father in every way. I am Sincerity. I am Dignity. I am Protection. I am The Provider.

When I walked upon the earth I provided a way for a Family to live in the human way. I protected this Family in every way. And now I come to the earth and provide the Means and the Manner, the Method, for men to not just search out, but for men to better understand where they must go, how they must act, to walk a particular role for the good of their Soul, and to make amends.

This woman through whom I speak is a chosen instrument of The Father, and through her lips, through

her vocal chords, through her way, I will be known throughout the world in the Manner The Father Decrees to be, for I am The Spirit of Light, I am Holy in Name. I am One of The Three.

Men say, 'It cannot be.' Men say, 'There is no way it could be known in this manner.' I say: 'Who are you to say that I could not be The Spirit of Light, The Spirit of The Father? Who are you to determine all things about Me?'

Men, in many ways, try to hold things in a manner they can understand, in a way they can feel must be, but I say to the whole world, through *this woman* through whom I speak: 'I am The Spirit of The Father. I am The Reflection of All He Is. I am The Hope for all mankind throughout the world. I am a Light upon which His Words arrive upon the earth. I am The Spirit. I am The Deliverer. I am The Provider. I am The Protection.'

I am All Things to all men, for in My Way, I am the Closeness to each man's Soul. I am the Companion of each man's Soul. And that is one of the reasons I have come to the earth at this time, for men's Souls are being

drawn down to the pits of Hell, and The Father has sent His Spirit to the world to gather Souls His Way so that They will not be lost to the evil one.

As I protect the Souls, I protect human life. As I protect all things, I want you to know that on this Light that I travel to the earth, the Light is to draw Souls to This Great Miracle.

Men must learn of This Great Miracle: the Miracle of Hope, the Miracle of Truth, the Miracle of Sincerity, the Miracle of Loyalty, the Miracle of Faith, that is taking place upon the earth.

Men must begin to see the value of service to The Father. Men must begin to see the Magnitude of this Great City, the Purpose for which It was given to the world.

Men must begin to realize that The Father's Will for man is to supply mankind with the Right Words, Pure Direction, Truth, and through This Great Miracle men have had The Father's undivided attention. Does this not say to the whole world, the Beauty of His Love, the Purity of His Love, the Protection of His Love, the Greatness of His Love, for mankind?

You live at a time Special in all History. You live in a time of perfection. You live in a time when men must seek out the way that they must walk, the way they must live, the way they must search for the Goal God intended.

There is a God, My children. There is a Heaven, just as there is an earth. It is real, It is realistic. It exists, and to attain It is Great Worth. So you must understand that, through This Great Miracle that says to man, 'Find the pure way, search it out, work at it, serve in it, and be protected by this Faith, this Knowledge, this Wisdom, this Love, that has been given to you freely, justly, lovingly.'

Do not look at This Great Miracle and say It is not for you. It is. It is for all mankind upon the earth, just as it was thousands of years ago, the Ten Commandments, The Commandments of Love, The Commandments of Truth, The Commandments that gave birth to a new way of life.

Now, in your time, I come to the earth, The Spirit of The Father, The Light of The Father, The Hope of The Father, and I say, 'The repetitiveness

of These Commands, the Truth that has been given to man, must be seen for what It is worth.'

Be aware of The Commands. Be aware of the meaning of Each One. Be aware that it is 'Positively The Way' to Here Where I am, the following of These Commands, the understanding of Them, the belief in Them, the Faith in Them, the obedience to Them.

Men must begin to see the reality of the Ten Commandments that came to the earth for a particular purpose. And men must begin to see the Value of why the Sacrifice was given, why The Son of The Father went to the earth to give to men a Lesson, not profoundly but simply; a Lesson by which, from which, through which, men could better understand the Words of life, the Reason for life, the Purpose of life, the Beauty of life.

I am Saint Joseph, but more than This, My sons. I am The Spirit of The Father. I am The Light of the Heavens. I am The Protection of each man's Soul. I am The Connection to each man's Soul with The Father. So be it."

SEPTEMBER 10, 1980 AT 7:42 P.M.

OUR HEAVENLY MOTHER

“The whole world is crying for a Miracle and the whole world has a Miracle. The whole world says, ‘Show us, God, what is right.’ God has, through *The Miracle Of Saint Joseph*. God has sent Light, God has sent Hope and God has sent Strength, through the Words.

The physical is extremely tired; the mental, alert only to the Will of God. As I speak through *this woman* in the world, I say, ‘The Golden Strings that hold *this instrument* to Divine Will are Strings of great strength.’

There is no one in the world who walks in This Way, who has ever walked in this totalness, Divine Way, except two other times in man’s way: one was when The Commands were given; the other, when The Holy Family walked in the Light of Heaven.

***This woman*, through whom I speak, is *an instrument* that carries to the world, Words, Manner, Means and Way. The Light that surrounds**

her is of Heavenly Design, Heavenly Declaration, Heavenly Force, Means.

Men say, 'I see the Light.' Others say, 'I want to see the Light.' Others say, 'I cannot bear to not see the Light.' My daughters, it is a Light of Heavenly Purity.

I hold *this child, this woman*, and I speak through her, Words of Our Way. I am your Heavenly Mother and it is My Light that comes your way.

All of The Saints in Heaven come forward through *this woman*, and men must hear the Words We say. The Words are Truth, the Words are Hope, the Words flow from Here to you through *an obedient child* upon the earth, just as They did through Moses, just as They did through The Son of God.

The Words are Special. The Words bear a Great Value. The Words are not just words, but They are Words to alert you to the beauty, the privilege, the way and the Purpose for which you were born to the world.

All of The Saints, My daughters and My sons, gather around where *this instrument* is, to show to mankind the

Love of The Father, the Force of The Father, for everyone.

The tasks¹ that have just been undertaken are tasks beyond man's knowledge, tasks guided by Us, fortified by Us, and given to the world for the Souls of His children. You must recognize the Value of these Great Actions upon the earth.

You must remember that Every Action through a Great Miracle is for Souls to return Here. It is His Will for man.

Many times We speak to many, many children, through *this instrument* of Light, to give the Direction, the Hope, the Words, the Knowledge, that is needed for specific things. Do not forget, My children, that as We use *this instrument* who walks in a funnel of Our Light, We transmit, We transfer The Father's Will to be done upon the earth.

It is sadness Here when men try to make little of This Great Miracle. They did it to Moses. They did it to The Son of The Father, Who was My Son, Who is My Son. He walked in disgrace

at times, always continuing to hand to them the Purpose of life, the Beauty of life, and yes, with all things pointed to the Justice of life.

My Light radiates all around you. My Light touches you in ways you cannot know. It is through This Great Miracle that We so obviously come to the world.

The Beloved Saint Joseph, Who is truly The Third Person of The Trinity, must be seen throughout the world, must be heard for Who He truly Is. It has not been allowed to be so obvious for all these thousands of years, but the Time has come, the Purpose unending; the Reason, The Father desires for all mankind to grow in, grow from. The Revealing has been given to mankind to strengthen the world at this time.

I am your Heavenly Mother. I am The Grace of Heaven. I am of The Divine. I am totally of The Father. I am The Light that shines forth for the whole world. I shine in so many ways through This Great Miracle that bears the Name of Joseph.

You are Blessed, My daughters, and I send to you not just These Words, but the Light of Divine Love, the Hope

that is in Divine Love, and the Glory that can be yours when you serve. So be it.”

SAINT JOHN VIANNEY

“*The Miracle Of Saint Joseph* is the brightest Light in the whole world. It’s like the sun in the morning, to some men. The day is beautiful when they see the light, but if the day seems gloomy and the light never shows, they forget the Light that is in their Soul. They do not look at this Light, for they say It is hidden from them, but All of Heaven travels on the Light of God and All of Heaven joins Heaven’s Light with the Light of each man’s Soul.

As I stand Here in the Heavens and I speak through *this woman* who walks in the Light of The Father, I say to men in the world, ‘It is difficult sometimes to stand on the Light that is so bright, so strong, that men refuse to see It shine.’ It is very difficult, My sons, to tell others of the Light, for they refuse to see It, they refuse to feel It and they refuse what It is for.

I stand in the Heavens, directing *this woman* every day, when she is alone and when she is with you. And you must remember that the Light that

shines around her is a Light of Divine Control. It is a Light of Love, Charity, Hope, Generosity. It is Divine Light for the world; the heat, the pressure, the amount, all in different ways; the Purpose, for the good of each man's Soul.

The Ray of Light, the Wave of Light, the Breath of life and the Hope for life, are All in the Rays of this Light for the world. If It burns your eyes, It is pressure on your chest, if It causes anything different than you know the physical to be, to have, to see, know that It is the Light of Divine Hope. Be assured that the Light tonight is different, for you see, each time *this child, this woman*, is with you, the Light shows differently from Here to you.

I am speaking slowly through *a woman*. I am the Saint you honor, bearing My Name in the world, and I want you to know that the Light that I come forward to you upon is the Light of Divine Role.

I walked the earth. I, too, was a disciplinarian. I, too, corrected mankind a thousandfold. I, too, spoke out and caused others to not like

me, to disagree with me, but in my words there was always hope: hope for Eternity to be with God, hope for reality to be with Him.

Remember, My sons, I walked a different path than you. I walked one in which I corrected men like you. I walked in many ways, blindly, but many times I looked at a man, and though I saw his physical, I saw more into his Soul, and in my correction at that time, the man might want to walk away, and I would always bless him and say: *'May God be with you, my son. May He be with you every moment of the day, and most of all, may you spend All of Eternity with Him, His Way.'* My Blessing sometimes was short, but always the same: *'God be with you so you will be with Him one day.'*

I am Saint John, Saint John Vianney. I love the sons who walk in My Name. I say to the world, 'Thousands will begin to see the value of these Academies that must be begun in a very definite way.'

I bless *this child, this woman, this instrument, this funnel, this spirit of hope* for the whole world, and I say, 'It is not just a Priestly Blessing that I

give today, but a Blessing for all time: One to give strength to her physical; One to give you strength to stand up to be counted for the offenses being caused, done against The Father.'

I bless her with Hope, for it is a hopeless world in many ways she walks in for The Father. I bless you with Hope, for you see, you must earn Sainthood your way, and know that God expects your Soul to return to Him one day.

I bless *this woman* with more burden, for the world to better understand the Truth The Father is extending to the mind and the eyes of every man. I bless you with work in My Name, but first in The Father's Way, for through this work you will be assured to come to Heaven one day.

My sons, be alert to the needs that are at hand. Accomplish many things, and know, that the Light of Heaven comes to you on this night for the good of each man's Soul. So be it."

SAINT JOSEPH, THE HOLY SPIRIT

“There is no place in the world that such Light of dedication and commitment is so totally Heaven delivered.

Through This Miracle that bears My Name, I have shouted to the world The Father’s Love in so many ways. There is no Greater Miracle upon the earth than This One, for the Words that flow through *this instrument* are not heard by *the instrument*. The Purity of Each Word sounds to you at the same time it bears sound to her. There is no cavity of repeating, for repeating, in repeating What is heard. As I transmit My Words through her Soul to you, you recognize the Light of the Words, the Purity of Them. I know you do.

I use the Soul to reach you. I use the physical so you will hear the sound, you will be able to understand the Messages that are so simple and yet so profound. I speak through her Soul in ways you cannot know. It is a Blessing for the world.

I am Saint Joseph. I am The Spirit of God. I am The Light of the Heavens. I am The Justice. I am The Hope. I come to the world through a Soul. Remember, My daughters, men imitate Our Way but no one can do it with the Power I Am.

I want you to know that as I spoke to her as you approached her in your role¹, her prayer was that you would return to The Father your Soul. As she looked into your face I whispered The Mother's Desire to hand Grace. That is why sometimes you thought she was not noticing you, but there is so much in each child's presence and there is so much being said to each of your Souls, that the Light of the Heavens must be seen so that you will not stray from God's Beam to your Soul.

I send to you, My daughters, a Light, a Gentle Light, but a Light on which Grace travels and glows. I bless you and I say, 'Be aware of your Soul, for It must return Here one day.'

The Purity of This Great Miracle is, there is no sound to the Words but

They reach you on the Winds of My Power and in the Power of My Wind, to touch your Soul. So be it.”

SAINT THERESE OF LISIEUX

“Heaven has showered much Light upon many Subjects for men, and Heaven has showered Love through Direction that seemed so general and yet was so personal for so many hundreds of people.

Men light an electric light and if the bulb is burned out, it’s an upsetting situation. But when the Light of God reaches man, man does not always accept It as the Light of God. He wants It to be a very demonstrative expression of Light. He does not see It as Light. He oftentimes sees It as something that he has to endure, to put up with.

All of Heaven has showered Light upon the world through *The Miracle Of Saint Joseph*. All of Heaven has given man another chance to feel the Light of Enlightenment and to feel the Light of Hope, Sincerity, Dignity. All of Heaven has performed diligently, and of course, with Great Sincerity, through *The Miracle Of Saint Joseph*.

When *The Miracle Of Saint Joseph* was first announced to the world, people made It very light, and then others took It very serious. They came to The Miracle, all wanting personal healings: mental, physical and Spiritual. They were told many, many things to guide them to the Feet of God, and many of them were very arrogant. They would not have gotten away with this someplace else. It wasn't just tolerance shown to them. It was sincere consideration for their lack of understanding in how God would work.

For thirteen years men have asked, through *The Miracle Of Saint Joseph*, for Direction, for prayers, for help, for hope, for understanding. It is God Who answers prayers. No human being can answer your prayers. It is God Who has enlightened the whole world with the Facts and with the Sound Reasoning, with the Values and the Standards, with the Direction. It is God Himself Who has brought back to the world the Ten Commandments, through the Light of His Love, through the Teachings through *The Miracle Of Saint Joseph*.

Thirteen years ago, when it was announced that It would be *'The Miracle Of Saint Joseph'*, people used to say, 'What is *The Miracle Of Saint Joseph?*' And Heaven would very graciously say, 'It is time that Saint Joseph become known to the world for Who He really Is, How He really walked, and for What Part He really plays in Heaven.' People hear the Words, they accept Them, but perhaps they never really understood Them.

***The Miracle Of Saint Joseph* was to divulge certain things about Him, and He once again has come to the world to teach, to instruct and to help children become devoted to God Himself, and to better understand what devotion is all about.**

***The Miracle Of Saint Joseph* is Saint Joseph re-establishing Holy Mother Church through handing to the world the Teachings, the Blessings, the Truth, in how all people should act, should work, should walk, should speak, and should live. People are possessive sometimes of a Miracle, but no one can possess God. He belongs to every one of us.**

And sometimes when Heaven shines the Light the brightest, the children reject It the most. And sometimes when the Light hurts the eyes, the children say, 'I didn't see It, just my eyes burned.' I've heard this a thousand times.

Heaven says: 'Let the Light of the Rays touch each child's heart. Let the Light of the Rays touch each child's mind. Let the Light of the Rays touch each child's Faith. Let the Light of the Rays touch each child's will, so they will come Here one day.'

As the Light shines, do you see It, do you feel It, do you know It is there? Is a Lesson Light enough for you? Is the feeling of the pressure that the Power of the Heavens gives, enough for you? Does the Light that is different than your light give you more understanding, hope, assurance? Does the Light, the Rays from Heaven, promote more Faith in you? Do you reject what you have? Do you reject what you feel? Do you reject what you know is real? Do you reject what God gives because of a lack of Faith in you? In your prayer, do you point your way to Him or are you distracted by human things? Your Soul desires Him.

Ask yourself, My children, on this night, before you lay your head, have you asked His forgiveness for all the little things you did that were not right? Ask yourself, did you say, ‘Excuse me, God,’ in your own way, when perhaps you were rude to Him? Before you lay your head tonight, before you even say you’re sorry, tell Him that tomorrow you will change, you will give all you are to making the world brighter for all who come your way. And with this very statement, you will know then that the Light of the Heavens will guide you in every way, for as you make one step in charity toward another man, you will find God’s Hand in yours, guiding you in Divine Plan.

Have Faith, My children, and look to a Light, but let the Light shine through you for all that is right. Be aware that you are children of His, and in this way the repetitiveness of prayer says to Him:

‘I am little, God. I must repeat it often so You will hear me when I pray. Remember, God, I know so few words, so I must repeat the ones I know each day.

Take my prayer, God, and help others with it, and teach me the way, for I know that Your Light shines forth to the world when I express my Faith in You in my little way.' So be it."
