## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.**

**SAINT ALPHONSUS LIGUORI**

**“The world is in greater turmoil than men care to realize, accept, understand, or even consider. This Beloved Miracle is a point of Great Direction for the whole world.**

**A woman speaks on a mountain. The Beloved Son of The Father spoke from a mountain. Moses was handed the Greatest Commands the world could ever have on a mountain.**

**It is important for man to understand the Value of This Great Miracle. It is not ignorance in man that closes out the Dignity, the Beauty, the Reality, the Wisdom, the Logic of the Words that flow through *this instrument* of The Father’s, but it is arrogance, self-love, a desire for power for themselves, a desire for acclaim for themselves.**

**I am Saint Alphonsus Liguori. Men rarely celebrate in Honor to Me anymore. Men deny the Value of the Performance of The Saints. They ignore the Purpose for which Saints were made known to the world.**

**I beseech mankind, through *this instrument*, to recognize the Value of what has happened bearing the Name of *'The Miracle Of Saint Joseph'*. Men have ignored the Soundness, the Logic, the Consistency in Performance that radiates in Constancy for the benefit of mankind, through *this instrument*.**

**It is now as it was in the time of Moses, a persistence in Direction for the good of men's Souls. It is now as it was in the time of The Father Who placed the Church of Honor in a definite role.**

**There is so much for men to recognize, realize and use, that pours through This Great Miracle in such abundance, always with a tremendous amount of perception in what all men need, not just a few.**

**There is sadness in the Heavens because there are so few who desire to understand what The Father Wills. There is great joy in Hell, but it is because Souls are being lost and are accepting a definite place in this disastrous place.**

**Men do not understand what a terrible place Hell is and they try very hard to ignore it. In doing this,**

they justify all faults, all impurities, all their immoralities, and of course, all desire to please The Father in any manner, means or way.

It is true I am a Saint. It is true I gained Sainthood through my role, through my actions and through my practice of so many things contained in my physical life, and I directed all my goals for the cause for which I was born, to live forever in a manner prescribed, described and promised by The Father. I am not saying I ignored certain portions of life. I tried to face them so they would contribute to my way of life. I forced myself to face obstacles deliberately, determinedly, so that I might grow stronger, more forceful, more understanding, better able to cope with situations, blasphemies, indecent environments, involvements and conditions.

To be a Saint does not mean you accept a bed of feathers and all things are easy, or you accept a bed of straw and say it is the best way to become a Saint. Sainthood is earned, and it means facing the obstacles with dignity, integrity, and of course, goodness.

**Men in your time are shouting religion, Christianity, doctrine, dogma, change, History. Some are shouting it so loud they are omitting decency, charity, honesty, hope, purity, consistency, Sainthood.**

**Men are confused because they are torn between the persistence of so many who feel bound to conditions that seemed to have proved fruitful. What men must look for is within themselves: their own purity of mind, body and Soul; their own definition of their Faith in The Father, what it entails, what is good for the Soul.**

**Men must find within themselves the strength, the humility, the hope, the understanding of their own communication with God. They must ask themselves these questions: What practice do I make in speaking to The Father? Do I speak on the things I feel or do I concentrate on words made up by another? Do I feel the beauty of my Faith in how I honor The Father, how I want to please Him in all things, not worrying about other men's interpretation, translation, deliberation, fanatical attitude? Do I look into myself and say, 'I'm right, I**

**am wrong; I am good, I am bad; I am sincere, I am insincere’?**

**There are so many Lessons to be taught mankind through This Great Miracle. I beseech you, I beg you, I plead with you, do not allow *this instrument’s* time to be spent on man’s selfishness and lack of coping with responsibilities that should be handled by others than she. You take her from The Father’s Will. You take her selfishly. You do not allow Him first chance. You do not carry responsibility.**

**I have spoken through *a human form* that is beyond human strength to endure much more. I warn you on top of My request, and I say, ‘*The human body* cannot go on as it is.’ So be it.”**

## GOD THE FATHER

**“Men look for signals. Men say, ‘This is the way I understand things.’ When the signal arises on the horizon or in the vision of man, men look at the signal, and if they do not feel a tenseness, an alert, they ignore the signal.**

**This Great Miracle that I have sent to the world is a Signal to mankind for men to better understand the Purpose of human life, directed by The Divine.**

**I am The Father of all mankind. I am The Creator of All Things. I say to the world, ‘Look to the Miracle of Mine, and as you do, be assured that All Things that pass through It are of Mine. All Things delivered to you from It are because of My Will for you.’**

**Children say I would not speak. I say, ‘I speak through *a woman* in the world who is subject to Me for all mankind.’ It is difficult to walk for Me upon the earth for men say it cannot be, it shouldn’t be, that I would do differently. But I, your Father, speak**

and I say, 'This Miracle has given man a Signal: a Signal to think from, by; a Signal, an Alert to see the advantage of walking in a particular way upon the earth.'

I, your Father, shout to the world through *a mere woman* in the world, to change things to purity, to be alert to the need for sound morality, for My enemy, the enemy of man, is working to destroy the Souls of man.

Through This Great Miracle, I, The Father, am teaching men how to walk in the manner I Decree must be, how to perform in what My Will says must be. I give to the world a Signal. I give to the world the advantage of My Direction at This Time, for men to follow the Words of The Divine.

Men say, 'I read a book.' Men say, 'I understand this book; I know that He talked and walked before.' I, your Father, say: 'I am upon the world. I am upon the earth and I am using *an instrument* to give to mankind Words of Great Worth, Knowledge, that will give them Strength, Hope and Goal.' So be it."

### SAINT FRANCIS OF ASSISI

**“In every time of life men are faced with the reality of daily living, and in every area of life men are faced with decisions regarding living. In every vocation of life men are faced with responsibilities, according to the vocation they are in.**

**Mine was a vocation of service to God in a specific manner and way. I walked with many men. The Light I walked in was a Light of love for God, a desire to be in service to Him in all ways and in all things.**

**There were times in my life that men called me names and men said many unkind things. The Light I walked in was my love for Him, and my desire to please only Him.**

**Men walked as my friend. Men walked, listening to what I had to say. Men walked in strong courage, and I looked mild, meek to them in many ways. As they tried to change what I felt must be, they would argue many points with me, and I would perhaps act defiant, but then I would turn to**

**The Father and say: ‘Let my heart beat with love for You only. Let my heart love only You. Let the Light of Your Love shine through me so that others will recognize You.’**

**I walked in wealth, I walked in poverty, but I was never without Him. I walked in hope. I stressed it to other men for I was not without The Father’s Will within me.**

**Men refused to think my way, and when I passed on to The Father, men have mentioned My Name in every way, almost every day. Perhaps you can say I left a Message upon the earth. Perhaps you can say I left Something amounting to great worth. Perhaps you can say My Name, when it is said, says to many men ‘poverty’, but I would desire more for it to mean ‘purity’.**

**Men did not understand the true feelings I had as I walked with them in the way of man. My Name? Francis of Assisi. Men say, ‘He would not speak now.’ I smile at this for I, too, walked with great doubters in My day. It takes great strength to face the doubters for truth sometimes looks too difficult for men to feel they want to obey.**

**But, My sons, as you walk with *this instrument, this woman* in the world, I say, ‘Let the Light that pours forth through her guide you God’s Way, for if you follow this Light, if you are determined to strive for Holiness, you can gain it in your own way.’ Be guided, My sons, by The Rules for life. Be sure you always pray, and as you pray, it would be wise to light a light, for the light will give you the hope in many ways.**

**There are many fools in the way of *this child, this instrument*. She must walk past them, even through them, to give God His Way.**

**I, Francis, announce to you tonight: ‘The Father has traveled the lands. He has used Many Saints to attract children to help *this instrument* His Way.’**

**Fortitude, perseverance, sincerity, honesty, dignity, integrity — so many things are meant by These Words.**

**Let Me tell you now, how to pray. Use the intellect you have and offer to The Father every thought, every action, every word, every motion, that occupies your being every day. Stress acts of charity, actions of hope, for**

**others in your way. Perform acts of love, little acts that will make others' lives easier in every way.**

**My Light is a sincere Light, for I travel on The Father's Light to reach you today. As I was not just the victim of the Stigmata of My day, I want you to know that there are those who walk The Father's Way who suffer invisibly What He gave Me in an open way.**

**If I were to express to you now the pain that is being transferred through *this instrument* who is being forced to hold the instrument of sound (microphone), many of you could not bear the pain. It is not just the pain that is so terrible, but the pain affects the whole system of human life. The nausea is unbearable because of the pain.**

**I have allowed you this tonight for there is no Miracle like This in the world, and you must recognize the Greatness of It and you must use what you know to become a Saint."**

NOVEMBER 5, 1980 AT 8:06 P.M.

### SAINT JOHN VIANNEY

**“The Saints, when They walked the earth — Saint Catherine of Siena, Saint Teresa of Avila, Saint Therese of Lisieux, and of course, Saint Alphonsus Liguori, Saint Athanasius, Saint Bartholomew — had a specific job. They never considered themselves Saints. They couldn’t, because they weren’t Saints, and they recognized very readily how difficult it was for them to ever be a Saint, because when God hands the knowledge, the wisdom, the power of discernment, the tasks, that are necessary for particular jobs, the chosen person sees the responsibility so great that it blots out any self-ambition or self-concern. It is constantly in the realm of: ‘What next, God? What must I do next? I know the child is wrong. How do You want it handled?’ Very difficult, because children are very willful and they try you, and you know that your responsibility to God is so great that the right action is so necessary, that you do the right thing, whether the child thinks it’s right or wrong; but**

**you act for the good of the child's Soul.**

**I sat with someone a few nights ago, and I saw the Soul of the individual screaming, and I heard the physical saying one thing and I heard the Soul saying another thing. And I have never felt so helpless in my life as I did, because, no matter what words came out of me, no matter how logical they were, the part that was agreeing with me was the Soul of the individual. But the hurts and the upset, and of course, the naive way, the lack of maturity was screaming for solutions, and the Soul was screaming, 'Don't give up; I want it another way.'**

**Now, I actually heard the Soul. I stood in total, I would say, awe. I felt lost. I wanted to run for my life because the responsibility of everything I said I would have to account to God for. And I could call on no one to separate the physical from the Soul for five seconds so the physical could shape up for the good of the Soul.**

**I have carried the memory of this with me, and if I think about it, it's almost as if I can hardly stand to remember what happened between**

us. At first I thought, 'It cannot be, I cannot be seeing what I'm seeing,' and the longer I talked, the more I realized.

People say, 'There's something inside of me screaming to get out.' I wonder if these same people could recognize their own Soul being trapped in this cell that is doing everything against God's Will. There's a good chance that it is the Soul screaming. The next time it happens, I hope you will stop and pray, because I found myself that night not even listening anymore to what was being said by either the Soul or the person. I was screaming to God to step in and take over, and don't let me alone at such a terrible time when a Soul was fighting so hard to be heard. This morning about six o'clock, I went through it all again, and it was terrible.

If a man was standing on a corner and he was screaming, 'Save me,' you would do everything you could to find out if you could help him. But if his Soul was screaming, 'Save Me,' what would you do, especially if the man did not recognize Who was screaming, but you did? Tonight, there is not just one Soul in this room screaming; it is

**every Soul of every human being here, screaming for God's Will to be done.**

**If I could hear your Soul, how would I tell you what to do? Would you change?**

**It is a very, very Important Lesson, and I, Saint John Vianney, was present with *this instrument* at this very difficult time. When an instrument of The Father shouts, Many Saints run forward to hear the scream. Sometimes They are not heard nor seen by the instrument, but the devastation at these times is worse than total personal abandonment by God, for there is a great responsibility to God for the sound, for the request of a Soul harbored in a cell of flesh.**

**I spoke many times to many people. I warned them of their Soul, about their Soul, and the necessity for them to understand the Purpose of the Soul, and the responsibility of the physical man.**

**You men have gathered in My Name. I walked the earth, many times in anger, many times in hurt, many times wishing that God would take me from the earth, for I could not bear**

**the sounds of the Souls Who stood in front of me with men.**

**You have been given so much, My sons. You have been watched over delicately, strongly, intimately, purposefully. The Light of the Heavens has shone upon you. The Truth has been delivered to each of you. You have no excuse to not comply with God's Demands.**

**As your heart beats, His beats. As your eyes see, He sees. As your ears hear, He hears. As your mouth speaks, He speaks. As you walk, He travels too. As you depend upon knowledge, He shares His Wisdom with you. As you are example to all men, He is Example to you. As you work, He works. As you pray, He grants you Grace, privileges, and of course, hands to you hope for the future days.**

**I, Saint John Vianney, send not a Great Light that you can see perhaps, but the Light of the Heavens surrounds you and It instills in you hope for Divine Way. Do not be so stubborn, My sons, that you deny your Soul the Light The Father sends to you for a special day, in a special way, but be prepared,**

**through this Light, to live with The Father for All Eternity.**

**I bless you and I say, ‘As I was a priest upon the earth, I will bless you in My favorite way: *In Nomine Patris et Filii et Spiritus Sancti. Amen.*’”**

NOVEMBER 12, 1980 AT 8:09 P.M.

## SAINT MARGARET MARY ALACOQUE

**“There are Many Saints Who speak through *this instrument*. All of Us recognize The Father’s Will to be done upon the earth. All of Us Here desire to serve The Father’s Will by talking through *this instrument* who speaks to the whole world. All of Us enjoy the task of being told that We must give to the children who will listen, Words, so they will better understand the beauty in the human role.**

**Many of Us speak slowly. Many of Us speak rapidly. Many of Us tell Stories new and old. Many of Us speak as though We are of your world. Many of Us speak in the times of the old, the terminology, and of course, the thoughts. But remember this, My daughters, the time does not change the fact that you are born to the world a human being and that each of you has a Soul.**

**My Name? I am Saint Margaret Mary Alacoque, and I have spoken many times through *this servant* of The Father, in the world.**

**Another wishes to speak. Another stands with Me and says: ‘Let the Light of the Heavens cause My Words to give you time to think, to give you the desire to become a Saint, and for each of you to remember The Father’s Will.’ So be it.”**

NOVEMBER 12, 1980 AT 8:11 P.M.

## SAINT PEREGRINE

**“My beloved daughters, I am Saint Peregrine. I have spoken many, many times through *this instrument*. Tonight I come to say: ‘You must pray and you must honor and you must understand that The Father’s Will must be done in your day. There are so many blasphemies against Him, against His Name.’ You must understand, too, that as you walk in the physical role, you have a Soul that you must return to Him one day.**

**You must also remember the Light of the Heavens is to guide you with Eternal Love, Light and Grace for All Eternity, to walk at the Feet of The Father, to serve at the Feet of The Father, and to understand that you were given the responsibility of a Soul one day upon the earth, and that one time you must stand before Him and say:**

***‘I return to You, my Father, the Soul You gave to me. Give It the opportunity to walk with You for All Eternity. I beg***

*You, my Father, to hear my plea. I beg You to understand my way. I beseech You, my Father, to take care of my Soul, for as I walked in the human way, I walked perhaps weak, but I want You to know my Soul was not the One to stray. It was my weakness that I let detour me, delay me, in many ways. Dear Father in Heaven, take my Soul. Do not let It go any other way. And remember, dear God, that You taught me so many ways, so many paths, and this is the one I took Your Way.’ So be it.”*

NOVEMBER 12, 1980 AT 8:14 P.M.

## OUR HEAVENLY MOTHER

**“The Light of the Heavens, My little ones, is The Father’s Light of Love. The Light of Hope is The Father’s Will from Above.**

**I am your Heavenly Mother, and I say to each daughter here, and to each son, ‘Protect what you know is right, protect what you know is good, and remember that as a child is born to the world, The Father’s Love is showered upon the child like gold dust from Above.’**

**So many times a child is born into an environment of hopelessness, but always somewhere along the line the Gift of Faith occurs in many, many ways to give the child the path to walk in, the hope to run in, and the Spirit of Grace.**

**Be aware, My children, that I, as your Heavenly Mother, have taught you so much in so many ways, and as I did, sometimes you did not listen, but many times you turned a little later to pray.**

**N**ever forget the Beads of Hope, the Beads of Love, the Beads of Grace. Be aware that every time you say 'Hail Mary' you draw Me to your face, for when a child calls My Name I never ignore the child; I always look and see what the child has to say.

**I** am your Heavenly Mother, My daughters and My sons, and I want you to know that the Light I am in is the Light of Heavenly Grace. There are many children who do not understand such a Light. There are many children who do not see a Light, but I want you to know, with a Love you cannot know, that the Light is a Light of Divine Love for each of you and for your Souls.

**D**o not ignore the fact that you have a Soul, for you do. It is the Spirit The Father has given you to return to Him one day in Heaven Here. It will remain as That Part of you that you worked for, to become a Saint.

**I** hold *this instrument* in deep ecstasy and I hold her in the Light of My Rays, and I say: 'You have been Blessed with a Miracle of Teaching. You have been Blessed with a Miracle of Direction. You have been given

*someone* to lead you, who walks only under the Protection of Heaven.'

**M**en try to interfere. Men try to cause great harm to *this instrument*, some verbally and some physically, some mentally, some emotionally. I want you to know that to walk for The Father as *an instrument* of Light, walking in the Light of Divine Love and Divine Hope, causes many men jealousy, indifference, and very unworthy tactics, not considering Souls.

**T**he Light is bright. My Love is Pure. My Hope, deep. My Desire, strong. My Faith in how you must walk, one alone.

**N**ever omit Me from your prayers, My children, and know that through This Great Miracle in the world, We want you to see the beauty of doing The Father's Will so you will be with Us for All Eternity.

**M**y Light comes in different degrees, encouraging children to serve the way they should, encouraging children to understand what they must, encouraging children to strive for total purity.

**It is not easy to walk as ‘an instrument’ for The Father, but I say to you on this night, ‘Be aware that when an instrument is chosen, the Purpose is always Ultimate for the Souls of men.’**

**The whole world must understand The Father’s Way when He works with man. Men are running in all directions, away from The Father’s Will, sinning in terrible ways, causing great harm to the Soul.**

**Be alert, My daughters, and be aware that as you walk in the footsteps of the beloved Saint Therese, know that She is with you everywhere, for The Father has granted Her, Her wish that was requested in Her very strong will. There is no place upon the earth He does not allow Her to go. There is no time He does not grant Her, Her wish when She wants to answer a call. She served in humility and love. She served in hope, always with a gesture of happiness toward Him, and for the good of her Soul.**

**I, your Heavenly Mother, say, ‘You are Blessed, My children, to know how to become a Saint through the human role.’ Be honest and be sure. Walk**

**with dignity and integrity. Be aware of self-discipline and self-control, and always keep purity as your aim and your goal.**

**Be blessed, My little ones, with the Light of Divine Hope and Love, and know, that to some the Light is blinding and to some It is a pressure. To some It is like shimmering gold, and to others perhaps another way is felt, but do not feel left out, for no mother casts aside a child who wants to be loved by her, whether it be from Heaven or on earth. So be it.”**

NOVEMBER 19, 1980 AT 9:17 P.M.

SAINT ALPHONSUS LIGUORI

**“There are many, many men throughout the world who crave to know The Father hears the prayers they say in the world. There are many men throughout the world who dare to say, ‘*I want this, God, with my whole heart and my whole Soul.*’ There are many men who pray for a vocation in life, to serve God to the fullest. There are many men who pray that God will hear the prayers of those they love.**

**There are many men in the world who refuse the Light of Hope, for they do not want the responsibility that Hope bears. There are many men in the world who say, ‘I don’t care,’ but in reality, these very men whisper to God, ‘*Help me, God, I am full of fear.*’ There are many men in the world who jest in times of great worry. There are many men in the world who are too frightened to worry.**

**There are many men in the world who refuse to serve God, for they say: ‘If I serve, He will ask me to do more. It will take my whole life to please**

**Him.’ They speak in selfishness, arrogance, and they forget that to bend their knees to The Father, and to serve Him with every breath they take, is a privilege in so many ways.**

**The Light of the Heavens projects through This Great Miracle. The Light of Hope sends more Hope to the world. The Beloved Father stands in the Heavens and He blesses each man who desires to save his Soul.**

**There are some men who say: ‘I have no Soul. It is the spirit of my thinking, it is the spirit of my will.’ Other men say: ‘There is no Hereafter. Today is how I must live for all time, and when I die, there is nothing after.’ There are some men who say, ‘I know that God has a Place for me with Him for All Eternity.’**

**If I ask you the question, ‘Which man has the most Enlightenment or Light?’ you would have to say, ‘The man who says he has a Soul and who wants to spend All Eternity with The Father.’ Then why do men not desire to serve more?**

**You have been given a great privilege, My sons. You have been given a great chance. You have been**

**told of the Great Worth of your Soul. You have been requested to share in a particular role. The Light of the Heavens shines for you through This Miracle of Light, Enlightenment and Hope.**

**It is your duty to persevere. It is your duty to spread to other men hope. It is your duty to be example for The Father's Will to be followed by others with whom you come in contact with, who walk another role.**

**It is your duty to express to the young what they must do. It is your duty to reprimand the young when they are wrong in their thinking, in their actions. It is your duty to seek purity in every role. It is your duty to give your vocation a chance to serve The Father's Will.**

**The Light of the Heavens is yours. It lights the way to Sainthood. It is a special role. Your life in many ways expresses your depth of hope, your depth of understanding, your depth of Faith, your depth of realization that you walk a privileged road.**

**Men say, 'I cannot understand,' and We Here in the Heavens say, 'Your**

**lack of understanding is an excuse and that is all it is.'**

**My sons, there are so many avenues to become a Saint. There are so many ways that you can walk your role, your way, and yet become Great at The Father's Feet one day. Be aware, My sons, of the Light of the Heavens, the direction you must take as an individual, for you see, today could be the beginning of your becoming a Great Saint.**

**You will not be asked to be an Angel in Heaven. You are being requested to strive for Sainthood, for in this way, you will find purity for all time. Do it, My sons, for your Soul's sake.**

**So many men gather in groups, some for terrible reasons. Tonight you do not see them but there are men gathered, honoring the enemy of The Father, satan, in so many ways. They gather with horrible thoughts, horrible aims, and they denounce The Father in so many ways.**

**The Light of the Heavens spreads through this room. The Light of the Heavens gathers you within Its Rays, and I, Saint Alphonsus Liguori, say:**

**‘You may not speak eloquently, you may not speak Heavenly, but you can express beautiful pure example in your own way. Do it, My sons, and realize that Heaven waits.’**

**There is no better Goal in life than to follow the Light, to follow the Ray to The Father’s Feet where you will one day stand before Him and be recognized. And when this occurs, you will have to tell Him about your life, the good things and the errors you performed.**

**Men say, ‘I cannot believe The Father would speak today.’ Others say, ‘I hope it is true.’ I, Saint Alphonsus Liguori, come on the Light of The Father’s Will and I say, ‘Never forget, My sons, that your will is truly your line of decision every moment of every day.’**

**Be blessed by the Ray of Light you feel on this night, and be aware that these Rays of Light that you know are here, are Special, for They come to you through a Miracle that was designed by The Father, is being upheld by The Father, and through Whom The Father delivers His Will in your day, for the good of your Soul to come Where He is for all days. So be it.”**

### SAINT BERNADETTE

**“I, too, walked the earth, but not as *this woman*. I walked in a different way, not with the great responsibility The Father has passed her way. They called me ‘Bernadette’, sometimes in a very brisk way and sometimes in a very loving way.**

**I was a visionary, and the meaning of this is to see beyond the normal, natural means, as The Father does wish. The Light of the Heavens would open up and I would see with my human eyes, a Vision of Loveliness.**

**Men speak words of those who have Visions such as this. Men do not comprehend the Fullness of such a Light, for this Light does not come to man because of a wish.**

**The Light of the Heavens is Special. It is One Alone. The Light of the Heavens gives men Hope when men feel there is none.**

**Not too many chosen Souls in the world, My sons. All children must know this, for it is a difficult role. The**

strength of a True Mystic who truly sees a Vision of Hope, is strengthened by the Truth, by the Wisdom, by the Exactness, by the Power, by the undisturbed Reality of Occurrence.

Men of all kinds have all kinds of dreams, desires, hopes, desiring manifestations to give them exceptional powers. When there is 'a Chosen Soul', the first thing they learn is that nothing is of them; it is all for the good of others' Souls.

So much has been given to the world through the lips and the heart and the obedience, the work of a *particular chosen Soul*. There are no devious means, manner, ways, to inflict such responsibility upon one's self, for it is beyond human reasoning, understanding, or ability of work.

The Father sends Rays. The Heavenly Mother sends Rays. The Beloved Joseph, The Holy Ghost, sends Light. We Saints Here, through permission, in actions of obedience, appear, stressing particular Lessons, Direction, Hope. To be such *an instrument* upon the earth bears in it more than man knows, for if it

was humanly driven, there would be falseness in its foundation.

*The child, the woman,* looks at Me. I stand before her. She sees Me with the Eyes of her Soul. I come in closer and I show her an apron I wore a long time ago. I used this apron for work in the home and in the field, and it was the very apron I stood with around me when The Heavenly Mother appeared to me. There is a Light radiating from this apron, a blinding Light to her eyes. She says, 'What makes it glow?' I say, 'The Light of The Heavenly One remains wherever It goes.'

I want you to know, My sons, that the beloved Joan of Arc was set aflame, whispering, crying, pleading, beseeching men to understand her role. The flame was not The Father's. It was the arrogance of man, the fear of man, the impudence of man, the foolishness of man, the hate of man, the jealousy of man, but destroying her did not destroy what she stood for. I want you to know this.

So it is now in the time in which you live. You have been given a Privilege, given an Honor, given a Way,

**given a Purpose, given the Direction to help Souls come This Way. The Words before were meant for each of you. You are to know you were born of flesh, you were given a Soul. All men have this.**

**Charity must reign within your heart, within your whole being, for this charity will show. Charity is not just a word, charity is not something you do in an offhanded way, nor is charity something that is just a special thing for a special day. I, Saint Bernadette, say to you now: 'Live charity, think charity, speak charitable. Live with charity in your heart every way, every day.'**

**Let the Light of the Heavens flow through you and touch others. Let the Light of your example shine so bright that what you wear will speak out loud of The Father's Will being done by you. For one person or a crowd, let the Light of your words flow forth from you so that others will feel the beauty of them and realize how pure your words flow for the good of them.**

**Remember, charity is not for someone else. It must be a way of life for you. Respect charity, for God is**

**the Greatest Example of charity. He has given you life. He has given you hope. He has given you intellect. He has given you a will. He has given you a Soul. There is no Greater Act of Charity than the Gift of your Soul, for it is through your Soul you will live with Him for All Eternity.**

**Keep this Lesson close to you, and remember that charity is a way of life. God has expressed it in so many ways, for charity was given by Him first, when He created the world.**

**Men forget the beauty of charity and what charity gives to all who come in contact with it. Remember, one small act of charity can travel throughout the world. So be it.”**

## GOD THE FATHER

**“Grace is many, many things. Grace can be termed ‘knowing the truth, accepting the truth’. It is a Gift of Grace to know what is right, to know what is wrong immediately, and it is a very Generous Gift from God when we speak of Grace. Grace is being able to tell people to stop it when they are doing wrong. Grace is very often evident when you must correct a child, no matter how old the child is.**

**The Light of Grace sometimes given to a True Mystic, is one of burden at all times.**

**We read books, we read a catechism, we look at definitions, and they are understandable to us, but unless we accept, or we are chosen to accept the tremendous responsibility of others with whom we come in contact, we many times do not realize the Importance of human life in the way God puts Importance upon the human life. When we understand, we realize more the responsibility of correction to man.**

**The Light of Grace has been dispensed by Heaven through *The Miracle Of Saint Joseph* for a very long time, and the Light of Grace has been handed to individuals and to groups when they would listen to the Words God would send, through Himself, by Himself, from Himself, or through His Beloved Saints.**

**It is easy to be charitable when you love God and it is easy to be example when you love God, but sometimes children do not realize that every moment of their life they are example to another human being, whether the other human being is family, friend or acquaintance, or just someone passing by.**

**Sometimes people have tasks that they do not like to perform because these tasks make other people 'toe the line', but when the task is performed with God in mind, the task is easier to perform, and there is much love in any portion of it because God is present in the body and the mind.**

**I have sent forth to the earth a Miracle, a Miracle of Hope, a Miracle of Justice, a Miracle of Truth, for all of mankind. I have placed This through**

**the Light of Divine Grace and I use a woman in the world to express My Love for all of mankind.**

**The Light shines, the Hope shows; the Direction of where I want you to go, what I want you to do, is always evident in the responsible way the Words flow to you in every way.**

**I hand you Grace, My daughters, I hand you Love, through the obedience of a woman who listens to only Heaven Up Above.**

**Men say, ‘It cannot be.’ Men say, ‘Why her, why not me?’ Men say, ‘I am not sure.’ I frown about this, for you see, I have always handed Grace to man to see firsthand My Love, and of course, the Direction I Will them to walk.**

**There are so many avenues, so many paths to Heaven. I have handed man many at a time, and I have never allowed man to walk without, some Direction in instinct, Faith, hope, need, or otherwise.**

**I am The Father of Creation. I am The Light of the world. I am The Hope for mankind, and I say to you: ‘My Light that shines through This**

**Miracle is a Light beyond man's world. It is a Light of Greatness, a Light of Truth. It is a Blessing for man, from Me to earth.'**

**The Light is Pure. It flourishes where This Miracle is, and the Words spoken through the voice of *this woman* can always be said through your lips as His. My Words are Pure, I want you to know. My Light is Pure; It is full of Grace for each of you.**

**My City must be built. It must be soon, for I want men to come here and honor Me as I Will it to be. I want men to begin to look at things purely.**

**I have spoken many times through *this woman* in the world. I have given many Directions. I bless you, My children, with more than Words. I bless you with Grace from Heaven to the world. So be it."**

**JANUARY 2, 1981 AT 6:58 P.M.**

**SAINT FRANCIS OF ASSISI**

**“What is the price of true  
bravery?**

**What is the price of sound  
logic?**

**What is the price of total  
commitment?**

**What is the price of sound  
learning?**

**What is the price of  
dedication?**

**What is the price of justice?**

**What is the price of being  
a leader, standing for God,  
giving directions?**

**What is the price men are  
asked to pay for truth, for  
logic, for hope, in your day?**

**The Father has given the whole  
universe to the world of man. The  
Father has a reason and a purpose for  
every portion of His Plan.**

**The Father says to man: ‘Do not worry about this area for I will keep it in balance for you, according to Divine Plan. Live a pure life, follow My Direction. Here are The Rules to think like, look for, speak highly of. These are The Rules that will govern everything you do. I will never let you alone in the world without giving you, not just Advice, but Directions.’**

**The manner in which This Great Miracle was given to the world was to allow mankind to readily see the Value of Divine Protection. It was given to the world through *a gentle woman, a woman* who would transfer the Words as They were said, without injection, always with protection for Every Word that would be said.**

**This Great Miracle of Hope, of Honor, of Dignity, of Integrity, of Justice, of Morality, of Purity, was given to the world to extend to man Balance, Purpose, Goal, Dignity, so that men would better see the Value of God’s Will, and desire purity.**

**There has never been a Miracle such as This One in the world. There has never been a Miracle such as This One. It is a parallel to the time**

long ago when The Son of The Father, The Heavenly Mother, and of course, Joseph, The Holy Ghost, walked the earth. These Three were Divine, to transfer this Great Time, to transfer This Great Miracle that has been given to *a human woman* in the world, with the innocence, with the integrity, with the drive, with the perseverance, with the honor, and yes, the desire for only logic and soundness to be heard.

**H**oly Mother Church, the Church you love, the Church designed by The Father, established by Him, left for the whole world to honor and to see, has been instituted by Him, granting each man, through The Sacrifice of Love, companionship with Him, communication with Him, unity, through The Tabernacle of Life, giving Hope, as it was in the beginning.

**T**his Great Miracle that bears the Name of the One Who established the First Church in His Name, has been sent to the world to re-establish for many reasons, what was once began.

*This woman* through whom I speak is *an instrument* of Hope for the whole world. We know that time in the last days has been almost disaster

to her whole being. And I, the Saint Francis of Assisi, say, 'It is important that the world constantly hear of This Great Miracle and that This Great Miracle be seen throughout the world.'

There are so many, many men who try to ignore What *this woman* stands for, her Position. This has been very trying on her whole being, for she is more prepared to deal with The Father's Will than to deal with man's will in the world.

I, Saint Francis of Assisi, come prepared to give you the strength to go on from here, and I want you to know that as this Great Direction was handed to *this woman* in the world, The Father watches over It every moment of your time so that the Words that must pass through her, will, for the good of mankind. So be it."

JANUARY 14, 1981

SAINT CATHERINE OF SIENA

**“I, Saint Catherine of Siena, walked the earth with all the desires of human nature, human loves, human hopes. My environment, and of course, my way was to walk a heavy path in many ways; a responsible role.**

**When I recognized the Light of The Father I knew that my position was a very tedious one. My voice was not always gentle when I spoke, and my step was not always, perhaps dignified and slow, but I desired to accomplish God’s Will in the world, and I knew, as His Light touched me, it was for the good of the world.**

**I did not walk in a Light that men saw. I did not feel the heat of the Light like you may think I did, but I knew in my heart and I knew in my mind that the Words I spoke, the Steps I took, the Direction I gave, was from The Divine.**

**I have spoken many times through *this instrument* in the world. She takes My Words, she picks Them**

**up, she hands Them to you, she delivers Them as The Father Wills.**

**I was one day upon the earth, I would say, as tired as she. It is difficult to walk in the Light of Divine Love with physical tiredness obviously.**

**Men say, 'It's possible she tells the truth today, but what if she makes a mistake?'**

**I walked this way. Men would say, 'I believe you, Catherine, I see it that way.' And I would say: 'Then follow it. Be prepared to carry it on in every way.' 'I want to, Catherine, in every way. Don't leave me, Catherine, I know I will stray.'**

**Today, *this woman* in your time hears these words in a very same way. But there is so much more, for you see, men do not see the beauty of the will they have, the choice they have, and the Love of The Holy Trinity.**

**The Light of Heaven's comes to the earth. It is ever present, but you are not always aware of It or Its Worth. The Light you bear is the Soul you have, and I, Saint Catherine of Siena, say, 'Do you care?' Some of you say, 'Yes.' Some of you say: 'I wonder if I**

do. I wonder if I know how to care.' And I want you to know there is a beginning to caring and there is a way to care. There is a purpose to caring.

The first step, of course, is to care; care about your Soul, care about your life, care about what you are doing, care about the words you speak, care about the role you play, your fairness in it. Is it a deliberate role? Do you protect this role with your life? Do you think in a petty manner? Do you not care what others have? You must, you know, for this is the way God intended life.

Example is very important in your everyday action, thoughts, deeds and words, for you do not know who will imitate you in a small way. It could be a child. It could be a grownup. What impact do you have on other men?

I remember one time I stood with a very special man. He was used to giving orders, and when he came to me I said: 'Your Lordship, are you fair? Do you allow the freedom of a will to all you speak to?' And he said to me: 'Not always, Catherine, I disagree. I disagree with how they think, I disagree with their intention.' And I

said to him, quite sharply, 'Is it just your opinion they are wrong?' 'Well, perhaps it is,' he said to me.

**S**o tonight I, Saint Catherine of Siena, say to you, with the Light of The Father, with the Hope in His Love, that when you speak, you speak with Him in mind Up Above. When you walk into a room, don't expect a light to shine, but express the Light in your eyes and your words, in your steps, so others will know that you do love The Divine.

**A**nd as you motivate others to do many other things, be sure that your example is what you would show to kings. Do not be on your good behavior for those who are important. Be on your good behavior for everyone you meet; for never omit the Soul of a man, Who is always present, Who greets your Soul as you meet. Imagine the shame of some Souls when They walk into the presence of someone else's Soul Who shines purely.

**B**e aware, My daughters, that when you face tomorrow, you do not face tomorrow alone; you face it as a duo, you and your Soul. Your Soul does not tug at your garment and say, 'Don't

**go that way.’ The Soul is ever aware of the will God gave you to decide a way, but be aware that everything you do, your Soul reflects in many ways: the beauty of your thoughts, the ugliness you express, and of course, the purity of light you gave your Soul that day.**

**It is truly I, Saint Catherine of Siena. I have spoken on this night to make you aware that there is a great fight. You are a warrior on the battlefield in more ways than you know, for you are a warrior for moral good; and you must be aware of this and you must be cautious, for do not forget, every move you make, every thought you have, every word you say, every step you take, your Soul reflects this. So be it.”**

JANUARY 21, 1981 AT 8:47 P.M.

### SAINT JOHN VIANNEY

**“There are Many, Many Saints Here in the Heavens Who have given Lessons for you to learn from. There are Many Saints Who have sent Light, Rays of Hope, and of course, tremendous dimensions of Wisdom. There are Many Saints Here, My sons, Who have spoken to you quietly, personally, in many ways.**

**The Father has chosen *a woman* in your time, to lead you, to guide you and to guard you, and The Father has given her a Task with ultimate pressure, because every moment of the day God’s enemy fights *this woman*. He challenges her, he competes with her, and many times We hear her say, ‘Go away, I will not respond to you in any way.’ He sometimes uses men, their weakness, the weakness to get their own way, and I, Saint John, want you to know that when this happens, the greatest earthquake in the world is not worse than the shattering of her body the human way.**

**The Light is bright, the Hope is there; the Lesson, always to help you one day come Here. I have taken My dialect and I speak in your tongue your way, so you will understand. It would be foolish for Me to speak to you in the language I spoke. It is The Father's Will that All of Us Here give you firsthand Direction and Goal.**

**A fool does not walk for The Father. Remember this. An obedient servant attends to every Thought of His. This type of service upon the earth is rare, for men tend to desire personal gain, personal attention, personal acclaim.**

**I, Saint John, speak through her to you forcibly, with Words you understand, and I want you to know that as you walk the earth as men, you must one day walk in the Heavens as a Saint. There is only one way for you to walk: gaining all the merit you can for acts you do, for words you say, for example you give, for hope you display; for your piety, for your integrity, for your dignity. And always remember, you are a soldier, you are a warrior for God, for the Heavenly Court, in your little human way.**

**When I was upon the earth, I did not consider myself a warrior. There were many times when I stood abhorring what I heard, and I would feel that The Father was displeased with me. I did not mean the disgust I felt as judgment; only a feeling so strong inside of me to help the one who was standing before me become a Saint. There was not one day that went by in my life I did not feel the necessity to instruct, to lead, to tell, to teach, to show, that The Father Willed all men Sainthood as their Goal.**

**You are not fools for listening to Me. Those who do not hear Me, who do not desire to hear the Words Heavenly-sent, are the fools of your day. All the things spoken of before These Words were to alert you to stand up to the wrong in your day.**

**There is no time in History that there was no evil, but there were times of courage, times of reparation, times when men realized that some had strayed and they needed help; but, it was not necessary for them to stray to give the others help. Keep that in mind in your day. You do not have to fall into the pits of despair, disaster or immorality to give a man a hand if you**

**know he is wrong, if he has fallen into the pit of sin.**

**There are many men in the world today teaching about The Father. There are many men who feel they have the Light of Wisdom, and some of them say, 'It has been sprayed through me, it has been given to me in every way.' I want you to know, My sons, that such Wisdom, when it is God-oriented, God-given, comes only on the Winds of The Holy Ghost, and it is not self-made. It cannot be, for then it would be watered down in every way.**

**The Spirit, the Light, the Wisdom, the Hope, of The Holy Ghost, is in This Great Miracle that has been put upon the earth to re-establish Holy Mother Church. The groundwork, the fundamentals, the basics, may sound like the same thing to some men, but in reality, there is a difference; and of course, as the Plan was, It is again.**

**So as you have gathered in this room, and you see the Beauty of Truth, the Wisdom in It, the Value It is, the Purpose for It, the Goal It has for you, I, Saint John Vianney, want you to know that This Great Miracle has been given to the whole world. The Light of**

**The Father, His Love passes through It, and I want you to remember The Father proves His Love each time The Sacrifice is on the Altar. Each time the words make the Change, your Soul leaps with joy and desires to be in communion with Him forever.**

**Do not deny your Soul the reward for Eternity with Him, for knowing you as I know you, there is not one man present here today that cannot change and become a Saint. There is no hopelessness in this room. Be aware of this. There is hope, there is stature, there is dignity, there is loyalty, there is honor, and I want you to know, for all your effort there is reward for your Soul. Your awareness is the first step; your changing, your step. Your desire to show The Father your willingness to become what He wants you to become, is a wise man's reasoning, decision, willfulness.**

**I walked the earth as a man. My vocation in life, to help men like you become Saints. I, too, had the Task for myself. It was not easy, for the responsibility of so many sometimes became too heavy and I would say to The Father myself, 'I am so busy telling**

others how to become Saints, I think I forgot for myself.'

**B**ut always remember, when you are feeling the lowest, and in your heart you feel you are failing, ask Him to send you a ray of hope; nothing big, just the ability to make the right decision for the good of your Soul.

**I** bless you, My sons: '*In Nomine Patris et Filii, et Spiritus Sancti. Amen.*' I have given you a Blessing, I have given you a Message, I have given you Direction, all on the Rays of His Light, for remember, I am a Saint only because He made it so. It was my desire; He answered my prayer. He will also answer yours. I can say no more. So be it."

## OUR HEAVENLY MOTHER

**“Man tries very hard to be successful in the world, to walk in acclaim, and he omits God. And yet, if God were present in the room to man’s eye, he would expect all the Things of God that are good, that are beautiful, that are honest, that express hope.**

**Man does not demand it of himself, and God is not going to present Himself physically to every man. So it is important for man, walking in the Image and Likeness of God, to be Godlike to other men, to be sincere, to be dignified, and to do the best, act the best way possible.**

**It is up to man to express charity in every thought, every word, every deed, every action. It is up to man to stand up when things are wrong, stand up to the immorality, to the impurity. It is up to man to say, ‘I don’t want it; it is not right, it is not good.’**

**Too few men in the world say, ‘It is wrong.’ They say they do not want to stir the water, ruffle the water. They do not want others to think they**

are prudes, that they are 'picky' about certain things.

**M**y beloved children, it is important tonight that you have understood Every Word I have spoken.

**I** am your Heavenly Mother. I am The Mother of all mankind. I am The Queen of the Heavens, and as I speak through *this child* in the world, I speak in a humorous way, I speak in a positive way, and I speak All Truth to all in the world.

**T**here are so many, many children walking around not understanding the dignity, always thinking that dignity takes something profound. They eliminate the beauty of sensibility. They eliminate the beauty of simplicity.

**I** speak through *a child* in the world. The Power of Me is so great for I want to reach you individually, so you will become aware of the Light of the Heavens through This Great Miracle, and you will feel the Power of This Light for the good of your Soul.

**W**hat I taught you tonight was for you to better understand, no man should rule you. You have been given a

**will to make decisions, to decide things for yourself, and to see the value of all things, for the good of your Soul.**

**Your physical is important to The Father, for your physical is the custodian of your Soul. That is why it is so important that your mental strength, your physical strength be sound, and that you stand strong in all your decisions in the world.**

**And know, My children, that as you pray, you are heard. As you work in prayer, you are seen and observed. As you doubt your own abilities, you must pray for strength in these abilities. You are capable of many things but you limit yourselves in so many things. You have many capabilities and yet you do not use them in His Name. You say your occupation, your vocation, your way of life, stops you from using all the things and causes you to have certain strifes.**

**I, your Heavenly Mother, want you to know that if you keep busy in My Name, if you act in charitable ways in My Name, you will find the beauty of life worthwhile and you will see that the challenges of just doing little things will keep you busy and keep you**

**strong, and they will make the physical life a beautiful way. It will encourage the Soul in so many ways.**

**Your life upon the earth is one of greatness. You do not see it this way. You feel depressed, you feel worried, you have problems. You can conquer these problems, My little ones, in so many ways. I do not say, 'Ignore the problems and they will go away.' Use the effort The Father gave you, use the willingness He gave you, use the balance of things, the intellect, the knowledge, the purpose, to accomplish what He Wills you to do.**

**I have looked at you each individually tonight, and I want you to know I reach you through the eyes of *one* like you, I reach you through the lips of her way, but I must add: 'The greatest way to walk for The Father is to walk in obedience every day, and be aware, My little ones, that purity must never leave you. You must seek it out. You must search for it. You must apply it to everything you do and everything you say.'**

**You walk a beautiful road for you walk the human way. You walk with a**

**Love you cannot understand and you are guided by It every day.**

**My Light touches you tonight and I say, ‘You walk in a very important day.’ There are many challenges: challenges, challenges and challenges. There are more challenges, and more and more and more, but if you will look at these in the manner and the way they are allowed to be, you will find that life is worth living. There is hope in challenge. There is beauty when it is for God’s Will and Way.**

**When I walked the earth, there were so many who passed Our way. Our work was constant. It gave meaning to every day. We, too, had challenge. It made life interesting in the human way.**

**Do not deny yourself the beauty of challenge and do not say you are limited; you are not, for you must remember: Your Faith in God gives you strength nothing else can, and you have this strength to use in every way.**

**I beseech you, My daughters and My sons, to know, that as I speak through *this child*, through *this woman* in the world, I speak to the**

**whole world with These Words, and I want you to say:**

***‘Heavenly Father, I promise  
You today I will give You my  
heart, I will do Your Will,  
I will work to fulfill Your  
Wish for me — I will become a  
Saint.’ So be it.”***

**JANUARY 30, 1981 AT 2:17 P.M.**

## **SAINT JOSEPH, THE HOLY SPIRIT**

**“There is truly a Blessing upon the world in your day, in your time, in God’s Way. There is truly a Deliverance of Great Truths in your time, in your day, God’s Way.**

**All Things that pass through This Great Miracle of Me give to the world Direction, Truth, Understanding and Purity. There are so many things man has been taught by Me, through This Miracle of Hope, This Miracle of Justice, This Miracle of Mercy, This Miracle of Action, This Miracle of Sound Beliefs.**

**The whole world must hear of This Great Miracle for This Miracle talks of Me. It scatters My Name throughout the world. It tells all men How I once walked upon the earth, How I truly stand in the Heavens: The Third Person of The Holy Trinity.**

**When I made My Appearance upon the earth, I did it in a manner and a way men could feel My Presence, My Words, My Example. I did it for the good of mankind so that men for**

all time would be left with an Image of Me that they could relate to, that they could respond to, that they could imitate, for the role they play as a human being in their day.

**The Heavenly Queen, The Mother of all children, Divine in all things, presented Herself upon the earth in human form to teach mankind the beauty and the necessity of purity, and the dignity of the birth of a child, the meaningfulness of it, so that the memory of each human being would be seen as lasting for all time.**

**The Dignity of Her Charity for mankind was Ultimate in manner, way, means and deliverance. The Beauty She bore, taking on the physical presence of a human being, drew attention to Her, but She allowed the Example She expressed to overshadow the physical beauty She stood in.**

**Men should understand This Time in History, and men should learn of This Present Time in History wherein and whereby they are receiving direct from God Himself, the path to Sainthood as it was originally meant.**

**I have Blessed thousands of children through *this instrument* and I bless you today, for I want you to know that no Words that pass through her are hers to say. We guide and guard Each Word well, and when she reprimands, it is Us Who reprimands.**

**She has given her life to the Will of The Father. She has commended her whole being to perform only for His Will to be done. This is difficult for man to understand, but I, The Holy Ghost, I, The Father of The Son of God, inform you and confirm that This Miracle is an Ultimate Gift for all Souls. So be it.”**

SAINT TERESA OF AVILA

**“As I have spoken through *this instrument*, I have said all things plainly, directly, and without question. I have spoken firmly, concisely, and wisely.**

**All men should understand the Light of the Heavenly Beings shines through This Great Miracle. Your task is important.**

**I have spoken many times through This Great Miracle. I walked the earth. I was in charge of many people. I directed many to save their Soul. I was not always personable when the task became heavy. I was brusque. I sounded indignant, but I always got my point across to people in the world. They would confer with me, they would argue with me, and when they doubted me I shouted louder than they could doubt, for I would not back down on what I spoke for I knew it was for the good of their Souls.**

**I am Saint Teresa of Avila and I have spoken many times to men, to women, to children, to people of all**

kinds. I have spoken and I have said things some of them remembered, some of them did not, but most of them remembered my approach, my loud voice, my intention.

I did not come to the world through This Miracle to be sweet, loving, and give you a patronizing example, but I come many times through an abruptness, through *this instrument*, and I may snap My finger, I may call you short, but I want you to know: Nothing I say, nothing I do, is less than God wants of you.

I am a Saint. I travel on His Light. I serve in so many places. I cross the seas. I stand on the water. I stand on the land. I stand on ships. I ride the air. I do everything. My purpose? To answer the call of a Soul crying for help, pleading for mercy, looking for hope, expecting to return to The Father; wanting the physical, the one who is in charge, to change, to act purely, to walk away from dangerous immoralities.

The Light of the Heavens shines through My Words. The Light of the Heavens flashes many times as *this instrument's* eyes touch yours, as *this*

*instrument* shouts, 'Stop it, we do not have time for that, let's move on to greater things.'

The men who walk in her presence, those who do not understand her way of life, signal each other and they laugh. She knows this. We know this. And she says: 'Oh, God, they are fools. I would like to smack them back but I know I would only delay Your Will. I will not say anything unless You say I can.'

We oftentimes smile for We allow her little things, but what is so amusing is We tell her she cannot look back. We say to her: 'One day you will find out how many were affected by These Words, but it is not necessary for you now to see. It is only necessary for you to go on and do the Will of The Holy Trinity. It is not necessary for men to understand the hurts. It is not necessary for men to feel what you feel. It is only necessary for men to be given everything The Father wants revealed for the good of their Souls, for you see, it is necessary for all Souls to return to God for All Eternity, to shine bright in His Presence as diamonds with many facets, diamonds that have

**been polished, shined, diamonds of purity.'**

**So, My sons, as I speak through *this instrument, this woman* in the world, I say, 'My Words are direct to you, for it is your Soul that pleads with All The Saints, to be returned to God one day.' So be it."**

**FEBRUARY 11, 1981**

**SAINT JOSEPH, THE HOLY SPIRIT  
OTHER SAINTS**

**“Some people say they never see the Light. Light from Heaven comes in many, many ways. It comes through the Words. It comes through the Direction. It comes through the Example. It comes through a physical way. It comes through a tremendous pressure sometimes, on some people’s physical.**

**It is not a streak of lightning. Light from Heaven is Hope, It is understanding, It is a personal thing to each person who comes in contact with It, who opens their heart to It, and who has the Faith to believe in It. Light from Heaven is many colors, has many facets to It, many reasons for It, many purposes to It. Light from Heaven is varied, but It is consistent in one thing: It is for the good of man’s Soul.**

**When We listen for Words to be said, for Direction to be given, We listen for the Ultimate of Direction that We can receive no other place,**

and in Our Hearts We know at such a time as this, God has given His Love a special way through *a particular Soul*.

We Saints Here in the Heavens respond to His Love for mankind immediately, always ready to speak and to give and to radiate Hope as He prescribes It to be, for the good of man's Soul. We have spoken many times through *this instrument, this funnel*, who walks in a cocoon of His Direction, His Control. It is not just for the wise or the learned. The Miracle of Hope is for the whole world.

When all men stand before The Father, He will not say to them, 'Were you wise upon the earth?' He will say, 'Were you "just" upon the earth?' He will not say, 'Were you rich?' He will say, 'Were you charitable to other men?' He will not say, 'Were you happy?' He will say, 'Were you good example to other men?' He will not say, 'Did you see the Light I sent one day?' He will say, 'Did you have the Faith to believe how I would act?'

It is difficult, My daughters and My sons, to fully understand such a generous questioning and act, but all

**things that are spoken are for you to understand better the Purpose of life, the Goodness of God, and the Hope He has in His Plan.**

**He may say, 'You were very generous but in your generosity there was selfishness, for you felt if you were to give, it would be returned back.'**

**My children, I am The Holy Ghost, and I come to you tonight in a Love that I want back, but in a different manner than you would act.**

**I want you to understand, I want you to know the Beauty of being man. I want you to see the Purpose of it. I want you to know the Reason for it. And I want you to understand what a privilege it was to walk upon the earth, for Me, as 'man'. The Example, the Charity, the Purpose was All from Divine Plan.**

**The light in the world you always recognize, the natural, the artificial, but you do not always recognize God's Light. It is Ultimate in every way, Pure in every facet, and is given through your Faith, through your love for Him, as He planned.**

**He** has always used ‘an instrument’ that men could understand. The Perfection of the time the Three of Us walked the land was a time of Ultimate Means, Manner and Way, but all the other times, most of them, were through a human man.

**I** have come to the world for many reasons at This Time. I have come to make Announcements and to encourage men to better understand The Father’s Plan, the beauty and the dignity of human life, the Love that was sent through many means so that men would understand God wanted each one to return to Him.

**You** are special in so many ways. You must know this, for you must realize He made each man to His Image and Likeness, and the Purity of His Plan was more than generous to every man.

**I** come to the earth at your time in life, and I give to you Hope to counteract all the strife. I say to you, ‘Be pure.’ I say to you: ‘Understand the Purpose of your Soul, and remember, you are Its custodian. It is the Part of you that will return to Him.’

**In the world men many times do not want to understand that I am The Holy Ghost, The Wisdom and The Light, The Truth and The Hope. I warn you, alert you, that This Miracle of Hope and Light is also the Justice by Which and from Which you will be Judged for your actions, for your intentions, for your example, for your charity, for your obedience to His Commands.**

**You are Blessed in so many ways. You have been given the Rays of Hope but you have also been given a responsibility for your Faith, for your Faith in God must see the Value of your Soul. Do not try to escape the reality of why you were born. There is no escape. My children, I, The Holy Ghost, beseech you: Tell God tonight you will become a Saint. So be it."**

FEBRUARY 25, 1981

### SAINT THERESE OF LISIEUX

**“Men talk about many things. Men ask many questions about many things. Men want the answers, but men want the answers they want to receive, comfortable for them, palatable to them, and totally understanding for them, to them.**

**The whole world is suffering, My daughters, from immorality. The Heavens are fearful for men’s Souls because of the immoralities.**

**You must take this time to understand what you are doing, where you are going, how you are acting, and how much service you are giving to God for the good of your Soul.**

**The Light of the Heavens, generously given. The Light of God’s Love, constantly given; Hope for the world, continuously. Love for mankind is never omitted.**

**Be aware, My children, and be alert to the Truth that is given through the Light of God’s Love for all men in the world. Be aware of sacrifice and**

**penance, but be aware of the part you play in the world, and be sure that when you walk upon the earth, you do it according to His Will and His Word.**

**Be watchful, My daughters, of how you think. Watch every word you say. Be careful of the steps you take, for you do not want them to lead you astray.**

**Prayer is important, for through prayer you communicate. Be aware, My children, of All The Saints, and as you are, notice, Their Company will lead you to the right place, for sometimes the decisions you will have to make, you will wonder why you made a particular decision. You may have a Saint to thank.**

**Saints are throughout the world, working at The Father's Will and Command. Saints are everywhere you are, for They are ordered by The Father to share the Beauty of Their Way, the Light of His Hope, the Direction They understand to be the correct way.**

**The whole world must understand that the time in which you live now is terrible for man. You truly live in a time worse than Sodom and Gomorrah, and We Saints see this. We cry for it**

and We try to keep you from walking astray.

**I am Saint Therese of Lisieux and I say to you today: ‘It will be difficult for some to believe I could speak through *a woman* in the world but it is truth, for I appear in many places, in many ways. I work constantly as I asked The Father I could.’**

**So remember, I bless you tonight with His Love, and I say: ‘Your Soul must come This Way. Your Soul must respond to The Father’s Will, but you are the guardian of your Soul, you are in control of It. It is your will, your work, your thoughts, your prayers, that reflect in your Soul, for your life with Him one day.’**

**You are Blessed, My daughters. There is so much for you to do. I love you, but I love you through His Eyes, I love you through His Ears, and I love you through His Mouth, I love you through the Words. I love you through His Heart, I love you through His Light, I love you through His Hope, I love you through His Mercy, but be sure, I love you through His Justice which will one day address you. So be it.”**

*Note: This Revelation followed a Teaching on Our Mother of Perpetual Help Novena.*

SAINT ALPHONSUS LIGUORI

**“I** have spoken many, many times through *this child*, through *this instrument*, through *this woman* in the world. I have given many Lessons through her to mankind. I have asked men to change their ways, to see the value of prayer, and to abstain from sinning, offending God. I have taught many Lessons to many men. I have advised men to think differently, to be cautious, and to protect the Beauty of their Faith.

**I** have expounded in so many ways. I have gathered attention to Other Saints, and through *this instrument* I have spoken emphatically and many times so simply. I have shouted, I have spoken softly. I have taught children prayers to say.

**I** speak softly today so you will understand, not in a legal way, but in a manner of Faith, in a childlike way, that today you can decide to become

**a Saint. It is not impossible. It is possible. It is not improbable.**

**Leave here today, knowing this. Take what you are, be what you are, and correct your mistakes. Walk in Divine Love, walk in Divine Hope, and be sure that you do not forget to pray.**

**I am Saint Alphonsus Liguori. Men must know that the beauty of prayer Her Way will guide you to Sainthood His Way for All Eternity. So be it.”**

MARCH 14, 1981 AT 7:24 P.M.

SAINT ALPHONSUS LIGUORI

**“I have signed many Revelations through *this child, this woman*, through allowing My Name to be affixed for the responsibility of the Revelings, the Directions, the Teachings. I am Saint Alphonsus Liguori.**

**No woman has ever walked the earth in the same manner as *this woman* walks. The totalness of All Teachings can be compared to the Time in which The Son of God walked the earth.**

**This Time though, it has been The Father’s Permission to allow All of Us Saints to partake in a Beautiful Commission of teaching children of all Faiths, of all degrees of Faith, how to love God more, how to correct their mistakes.**

**Many of Us were eager to speak and as not just time allowed, but the obedience of *this child, this woman* to speak when others were present, was a very Important facet of This Great Miracle, for this was difficult for her**

and it was never a common manner of way to her, and it is not yet.

**M**en must find the Value and the Soundness transmitted through her as truly being from Us, and Heavenly sent.

**M**en use formulas. Men figure many things mathematically. Men many times make mistakes.

**T**hese times are crucial for all of mankind. These times are critical for all of mankind. These times are of great concern to many men for they recognize turmoil, uneasiness, imbalance, cruelty, and satanism that is evident.

**T**his Miracle was given to the world by The Father and has a tremendous responsibility attached to It. So many times men ignore what The Father gives because It is too reasonable to understand, too sound in Its application, and too simple for men to comprehend, for they expect if It comes from The Father, It will come in a blaze of light, a thunderous noise, and maybe even be complicated to understand.

**M**en want phenomena and yet they try to decide when something is phenomena or is a natural act or action. The universe is phenomena; men take it for granted. The physical life is phenomena; men have spent countless years determining the beginning of life and all facets involved in it.

**F**aith is a phenomenon, for it says the Existence of a Higher Being, and yet men take it for granted. This Miracle of The Beloved One is Phenomena. Never forget that. But It is like the universe, lived with. Some look into It and some really are not concerned about It, for if It is there, if It remains, It's probably a fact.

**M**an is such a dependent being of God, and God has given man a will to use so man can have a line of decision, a use to decide right from wrong, an opinion. There are so many things man has that are daily phenomena.

**I**, Saint Alphonsus Liguori, say: 'To walk for The Father, constantly obedient to His Will, is Phenomena, and it's just that. For *a woman* to listen to All that We say, to speak It out loud when others can hear; to not be concerned with the fullness

**It is, is truly Phenomena, for human curiosity, human will would question It, unless *the instrument* of God had total submission of her own will to never deny obedience to His.’ This, My children, is a Beautiful Phenomenon.**

**My signature is affixed here not in a written way, but you can tell the whole world that Saint Alphonsus Liguori spoke These Words through *a human being* in a Phenomenal Way. So be it.”**

MARCH 16, 1981 AT 12:25 P.M.

**SAINT ALPHONSUS LIGUORI**

**“It is difficult for man to understand True Mysticism that is balanced by The Father’s Will, allowed by The Father’s Will, conducted by The Father’s Will, promoted by The Father’s Will, for The Father’s Purpose to be done for the good of man.**

**It is difficult for men to understand this extreme obedience to Divine Authority, Divine Existence, Divine Intercession.**

**When most men think of an association with The Father, they base this relationship on their degree of Faith, on their exposure to the words in the Stories passed down through time.**

**This Great Miracle that has been given to the world is One Alone. Its facets are many. It is like a pure diamond that has been cut by artistic hands, a brilliant mind, through an artist of great renown. Each facet is distinguishable by what radiates from It, through It.**

**One facet is totally Words of Direction, of Instruction, of Teaching.**

**Another facet is reminding man of the Importance of what The Father is giving man, has given man, and the Purpose of each Dimension, of each Direction.**

**Another facet with its very brilliance alerts man to the dangers to each man's Soul. This particular facet is so bright that All that It reveals has a clarity in Its delivery, for pure understanding of It for the good of men's Souls.**

**Another facet is distinct by its color. It showers a rainbow of colors in the Beauty of Sainthood that should be each man's Goal. Each color points to a way of life, a type of person, showing men of all races, all colors, all creeds, that through their Faith in The Father they are united with Him by the same Goal.**

**Another facet is the sound of a *voice* that men can hear say All the Words. This facet has a ring to It and Its very glisten gives tone to All the Words.**

**Another facet bespeaks the beauty of the family life, the reason for it, how God intended it to be, and of course, the values, the standards, and its goals.**

**Another facet shouts: ‘Whatever vocation in life you have chosen, use it, perform all actions in it, to give strength to other men in the world. Never belittle your profession, your vocation. Never allow it to be diminished, and understand that as it is a major portion of your life, you will use it as your path to Sainthood as your Goal.’**

**Another facet, as it turns, shows the beauty of the whole universe, and the need for all men to know that The Father belongs to everyone, and that the Words through This Great Miracle of Hope must travel throughout the world, bearing the Name of Saint Joseph, The Holy Ghost. Men can relate to Either One and they do not fear combining Them. Their resistance stems from a lack of knowledge, a lack of Faith, a lack of observance to how The Father would work.**

**Another facet shouts in Its very existence, that men must follow the**

**Ten Commandments according to the manner and way in which They were given.**

**Another facet says to the whole world that The Beloved Saint Joseph must be seen, must be heard throughout the world, and in order to fulfill this Great Commission, a City must be built so that men will not just hear the Words, read the Words, but will have a Place to go to renew their thoughts and to correct their directions, for you see, men sometimes choose paths that are comfortable, accepting less than they should because they do not want the responsibility that another path would make.**

**There is another facet and this one seems to show the color of all the other facets. It is the reality of the Soul, what the Soul is all about, what The Father expects man to do about the Soul that is a Part of God, This Part that will remain for All Eternity.**

**As The Holy Ghost is The Third Person of The Blessed Trinity, and as This Spirit of Wisdom, Light, Hope, Love, Mercy and Justice, is not just related to The Father but a Part of The Father, the Soul of each man is to**

**each man a Part of the man, but a Part of The Father that The Father created especially so that men would remain with Him for All Eternity.**

**I am Saint Alphonsus Liguori. Men must begin to see This Great Miracle, not to satisfy their human curiosity, but for the distinctness It is, to give mankind the Truth, the Facts, in such clarity that there can be no denying the Source from which It comes for the whole world. So be it.”**

MARCH 17, 1981 AT APPROXIMATELY 3:47 P.M.

**“Men use the expression ‘Trouble is brewing.’ We Here in the Heavens use the expression ‘Trouble is being allowed,’ because of men not understanding the Purpose of life, the Reason for life, and the Goals intended for human life.**

**Men say they have become ‘unglued’ because of the problems that ensue. We Here in the Heavens say, ‘It is difficult to watch the immoralities due to men’s laxness in self-control and self-discipline.’**

**Men say: ‘I am tired of worrying. I think it is too late to change.’ We Here in the Heavens say: ‘It is sad that men do not see the advantage of correct decisions when they are made. It is such a waste of time when men procrastinate and deliberate on wrong things. The time involved is wasted, and many times so much reparation has to be made.’**

**There are so many men in the world today who do not see the value of performing acts of charity, acts of**

**honesty, acts of courage the first time around rather than to take chances and be slipshod in their thoughts, words and actions. Men shout, 'It is irrelevant.' We Here in the Heavens say, 'Do you mean it is not of concern to the results that will take place, or do you not want to perform and you are shouting a word that you think will make the responsibility go away?'**

**These Words are to help you think. These Words are All to show you that We Here in the Heavens take every chance We can to encourage you to understand what Rules and Regulations you are not following as God intended."**

MARCH 25, 1981

## SAINT JOSEPH, THE HOLY SPIRIT

**“God extends logic through example and God sends Light through His Love. God is Hope. God is Mercy. God is Fact. And through History, through time, God has given children a Blessing, and this Blessing was always for the good of the children’s Souls. God does not make it a habit to give a Blessing to make a particular person famous or one particular person a Great Saint. Such Blessings from God are for the good of all, or many.**

**This Great Miracle that bears My Name, bears a Light of Recognition, a Light of Purity, a Light of Hope, a Light of Direction. This Miracle is for all mankind. This Miracle is to alert mankind to the dignity of the physical, to the Purpose of the Soul. This Light that I extend through This Miracle is to penetrate the whole world.**

**My daughters, it is necessary to understand what duties you have to perform, what obligations you have, for the good of your Soul. There are responsibilities to life, there is beauty**

to life, and there never has been a conception in the world that a Soul was not immediately placed. It is a rule, it is a way.

**R**emember, life is Important, and at the moment of conception, it is the Soul that breathes the life into the cells, it is God's Presence. It is important that men know this. It is important that men understand the act of creation is God-designed, God-approved, and always has His Intercession.

**A** Soul is a Gift beyond man's knowledge and measure. The Soul is a Portion of The Father. In some ways It is His Spirit of Love, His Spirit of Hope, but It is more than this. The Light of Divine Love is in each conception. The Light I cast through This Miracle is a Light of God's Intercession. So be it."

APRIL 1, 1981

## OUR HEAVENLY MOTHER

**“I feel it is necessary, My sons, for you to understand, for *one* to speak the Words of Ours at a given time to man, can only be directed for the Purpose of the Soul of each man.**

**To walk the earth in strict obedience to Divine Plan, to acknowledge the Words given by Us, and to repeat These Words to direct man, is a Blessing for those who hear, a burden for *the instrument*, for Each Word carries a weight of responsibility, and Each Word must be seen, must be heard with a clarity beyond man’s.**

**You have been given so many things, My sons, so many things to enlighten you and to brighten your way to Here. I have spoken many times through *this instrument*, and in this speaking you have heard the Beauty of Truth and the Direction to come Here.**

**As *this instrument* walks throughout the world, physically or in Other Ways, it is the Light of Our Divine Love that penetrates her being**

so there are no mistakes. And though she stands with you in what is a normal physical task and view, I, your Heavenly Mother, say, 'The burden is greater because of the weight of your Souls every day.' If you were to take the weight of the oceans, the weight of all the lands throughout the world, you would not come up with the measure of weight that the Souls are to her.

**I** come in a Light of Love. I come with a Mother's Hope. I come to tell you that whenever you feel a decision is too difficult for you, I will hide you in the folds of My Garment, in the folds of My Mantle, so you will have the strength to not sin, so you will have the strength for the good of your Soul. You oftentimes forget to ask Me. You oftentimes forget to run to Me. You oftentimes forget what you have been taught.

**I** have Blessed so many through the Light of Divine Love, through This Miracle of Hope for the whole world. I have Blessed them, I have pleaded with them to walk a pure road. The Light of understanding has a clarity in It you cannot deny, clarity when It is heard. I speak in a manner you understand and you do hear Every

**Word. I imprint These Words in your mind and I hold you close to Me, for there is not one of you here that has been cast into Hell for all eternity.**

**You have the Way, you have the Light, you have the Path, you have the Learning. I, your Heavenly Mother, bless you with Divine Light, through *an instrument* who bears a great burden. You are Blessed, My sons, with The Father's Will for you. You are Blessed with My Love and you are Blessed with the Light of The Holy Ghost.**

**All of The Saints want you to come Here and They are working diligently every day, and They are All eager to teach through *this instrument* when you are willing to hear. So many ask The Father, when this time arrives, 'May I speak and help them?' He smiles at Them, at Their eagerness to not just hand you Their hand but to give you the insight to understand the Purpose of each man.**

**You are Blessed, and when you go your way, be reminded The Father is not sending you out into the world without the armor to protect you, without the strength, without the knowledge. You have It. It has been**

**handed to you with a clarity, with a purity, and always remember: a wise man protects his Soul, a wise man chooses the Will of The Father and many times ignores his own.**

**You are Blessed, My sons, know this, for do not forget, The Father is not asking you to conquer worlds; He's only asking you to conquer your weaknesses and return to Him the Soul. So be it."**

APRIL 4, 1981 AT 3:54 P.M.

## THE HOLY TRINITY

**“I have spoken with millions of Words, repeating what I desire, what I expect, what I demand each man to use, to follow, to perform, for the good of each man’s Soul.**

**I am The Father of All Creation. I am The Creator of All Creation. I am The Justice. I am The Judgment, and each man born to the world is bound to Me in a manner and in a way that must be seen as Purity.**

**The noblest of men are My Creation. The simplest of men are My Creation. The intellect of men comes from Me. The physical of men was designed by Me. The Soul of man is a Portion of Me.**

**I have given to the world a form of total communication with Me, through *an instrument* who is bound to Me, in obedience to My Will, according to what I Decree.**

**This City of Mine is designed by Me for the benefit of mankind, for the Purpose to return Souls to Me.**

**Men talk about their Soul but they do not always see the reality of It as Union with Me. They speak of Its existence and many firmly believe in the Judgment I will pass, I will place on the Soul accordingly.**

**Men reportedly and repeatedly discuss their Faith in Me openly, but they sometimes, in fact, many times, omit the reality of their Soul's Value, Truth, Reason, Purpose, Goal, that has been set by Me.**

**I am The Father. I am The Son. I am The Holy Ghost. I am The Almighty One. I am Reality. I am Life. I am Hope. I am Destiny. I am All Things.**

**Be understanding in All that I have spoken. Feel security in What I have said. Take nothing for granted, but use all I have given you and commend your whole being to serve Me in the manner I Decree it must be.**

**I have Spoken. I have Commanded. I Am The Holy Trinity.”**

APRIL 8, 1981 AT 8:33 P.M.

**SAINT ALPHONSUS LIGUORI**

**“Obedience to man can be a very big disaster to one’s whole life. Obedience to God always carries a burden, but it’s not disaster. And as These Words are spoken for each of you to understand, it is necessary for you to hold in your mind the Beauty of God’s Command for you to not just believe, but to walk the path of hope; but to have hope, My daughters, must be preceded by understanding of the Beauty of Truth.**

**The Light of the Heavens has shone forth many times through This Miracle of Life for the whole world. The Light that you sometimes see is generated by The Father’s Hope that you will one day return to Him, the Soul.**

**The Father is not in competition with the evil one. The Father, through This Great Miracle, says to the whole world: ‘Be aware of all the things you are. Be sure of where you want to go. Learn what is best for your Soul. Ignore the tragedies, the chaos, the**

horror of the world, and find peace, tranquillity and contentment in The Rules I gave for all mankind, for all generations of men in the world.'

**I** am Saint Alphonsus Liguori and I speak through *an instrument* upon the earth. It is My privilege to give to you Divine Words. Never deny your Soul the chance to live with Him for All Eternity.

**All of Us Here** wish, hope, and pray, that everyone who hears Our Words will strive to come Here one day. The Beauty of This Place, the Magnitude of Its Purpose, the Love of The Father and the Beauty of Her Grace cannot be compared to anything upon the earth, for as We walk in the Light of The Holy Trinity, We walk in obedience and service to gather more Souls for This Place.

**It is easy for men to condemn Truth given to the world in This Form, but I, Saint Alphonsus Liguori, say: 'The Words We speak are more than just words; They will live forever upon the earth. The Justice of the Heavens will always be, and the Purpose for Souls is never ending.'**

**You were made to the Image and Likeness He Decreed. I, too, was made in this Image and Likeness. I, too, walked the earth. I, too, struggled in many ways. I, too, fought against great odds, and many times when I would lay my head I would immediately rise, for I realized there was so much work to be done among men.**

**One day you might say to The Father, ‘If I had but known the Magnitude of What I was hearing, I would have laid prostrate at Your Throne.’ I, Saint Alphonsus Liguori, say: ‘There is time for that. The time now must be spent in fighting for what is right, what is good for your Soul.’**

**Never deny your Soul the Vision of Him, for the evil one waits constantly and uses every bit of strength and power he has. He is constantly hanging close, not giving you the freedom to choose, but he bears down so you cannot get away. The freedom of a Pure Soul cannot be touched by evil ways.**

**Be mindful, My children, that as you live today you must use what you are so you will live for All Eternity.**

**There are so many ways to bless you. There are so many things to say. There are so many Directions to give you, and there are so Many Saints Here Who want to add Their Words to what I say.**

**The Light of the Heavens is in the Words you have been given. It is in the Rays of His Power and on the Power of His Rays. You are Loved, but remember, you must be obedient to what you know is right, you must be obedient to what is good, and you must never stray. So be it.”**

APRIL 15, 1981

**SAINT ALPHONSUS LIGUORI**

**“Holy Week and Lent are not always giving up. Sometimes True Mystics don’t give up things. Sometimes God places more responsibility, so it isn’t a giving up, it is a taking, it is perhaps accepting more burden than a human being can understand or recognize.**

**Holy Week is, to most people, a time that they spend more hours in church, at services, to help them understand and to remember the Crucifixion. To some, who walk the earth in the human way as a servant of God, called ‘a True Mystic’, the time is very heavy and in many ways frightening, for it isn’t just a recalling of what occurred two thousand years ago; sometimes, in some ways, it is a reliving what occurred two thousand years ago.**

**Sometimes, when a True Mystic is given tremendous tasks to perform in, no man understands the burden, the responsibility, perhaps even the fears, and many times no man understands the great amount of work that bears**

down on the mental, the physical, and even the Spiritual.

Very often, when God chooses a True Mystic, He makes them aware of the Greatness of The Saints, and in this awareness alone, the True Mystic sees a tremendous burden of realization that must be passed on to all of mankind, and in this transferring the Information and the Importance of The Saints, the True Mystic is tossed around because of man's inadequacies, incapacities, lack of understanding, and of course, man's lack of humility, in seeing what it's all about.

As I speak through *this woman* in the world, I want you to recognize that the Words I have spoken, the Definitions I have given, are for you to understand that as you are man, and she is *a True Mystic*, you must recognize the advantages set before you so you can utilize the Direction and imitate the lives of Those Who have gone before you.

An instrument of The Father is like a funnel, and through this funnel pours Truth, Facts, Direction, Logic, Wisdom, Information, for the good of your whole being. Now, when We

**speak of a funnel, We speak of a funnel that can only be used by The Father's Will, not a funnel that can be used by any other means or force. The funnel is subject to One Force and One Force alone.**

**Men say, 'It cannot be.' Men say, 'Why, in my time would it be?' And We Here in the Heavens say, 'There is no time in History, there is no time in man's time that The Father has not sent someone with Direction for man.'**

**The time in which you live is a time of great distress to All of Us, for the time is a time of much sinfulness. Men do not admit they are sinning. They use every excuse possible to deny it. All of Us Here in the Heavens say, 'Unless man changes for the best, all men will be committed to Hell for all eternity.'**

**It is now as it was a long time ago. You have been told this. You have been told you live in a time worse than Sodom and Gomorrah. You say to yourself, 'I am not so bad.' Could you stand before The Father and say it like this? Are you pure in mind and Spirit? Do you accept All that is given**

to you and do you use It to help you become a Saint?

I have spoken many times through *this funnel, this instrument*. I have spoken to men and women of all ages, and I have spoken face to face. I have spoken to many at one time. I have spoken casually, I have spoken instructively, I have spoken sympathetically, I have spoken interestedly, I have spoken commanding, I have spoken softly, I have spoken with a gentleness they thought was hers. I have spoken in a manner showing total distress. I have spoken in an authoritative way. I have spoken, teaching direct, just as I speak now.

Perhaps at that time I did not hold her in the ecstasy you would expect if the Words were coming from Me, but I will say this to you: 'Many times the degree of ecstasy is to protect *the instrument* from you, accordingly. Ecstasy is not always advantageous for *the instrument*. Ecstasy sometimes permits others to act out harmful things, to act out against The Father's Will, using *the instrument* as the target for one's own success.'

**You have been taught so many things, and there are many degrees of ecstasy that you find it easy to reject. Many times We have smiled through *this child*. Many times We have allowed her to appear as though all things were social in all aspects. I, Saint Alphonsus Liguori, come to you tonight and I say, 'It is time that you grow up and see This Great Miracle for how The Father has directed It to be, and the Importance It is in your life, to guide your Soul to Him for All Eternity.'**

**The Light of the Heavens has been given to you many, many times, in many, many ways. The burden for such a walk upon the earth is greater than any man can suspect. So, as this night proceeds, I want you to know that We govern All Things spoken through her and We determine What will be said next, and next, and next, and next.**

**And I want you to remember in this time with you, that this time of year that you put much emphasis on is a very important time for your Soul, and you must see that as you give of yourself in the slightest way, as you take from yourself in the slightest manner, it is slight, it is small compared to the**

**burden of walking for The Father's Will amidst men.**

**When I finish speaking she will go on. She will remember All I have said. It is instilled within her being. But My prayer, My sons, is this: that you will remember All the Things I have spoken so you can change your way of life, from This. So be it."**

## SAINT CATHERINE OF SIENA

**“Heaven has walked through *The Miracle Of Saint Joseph*, and I, Saint Catherine of Siena have spoken many times, for men do not realize it is a time of a great war and that many men refuse to accept their place on the battlefield, fighting for The Father’s Will to be done, according to His Word.**

**When I walked the earth, I was placed many times in a position explaining what The Father Willed, and many times men would confer with me and argue with me and deny me, and then beg me to understand. Sometimes they wanted me to be right and sometimes they wanted me to be wrong, according to their mood or their situation regarding their environment, their own case, their own opinions.**

**Today I speak through *a woman* in the world and I say to the whole world through her: ‘Do not lean upon man’s opinion but lean upon the Truth in the given Words. Lean upon the**

**Logic, the Wisdom, the Sincerity, the Humility, the Greatness, the Hope, the Understanding, the Justice, and yes, the Sound Direction that makes the Words have Great Worth.'**

**It is truly I, Saint Catherine of Siena, and I say to you upon the earth: 'You stand in the Light of Divine Hope. You stand in the Light of Divine Words. You stand in the Light of Divine Direction, and you stand surrounded by Divine Help.'** Do not ignore what you know is right, what you know is truth, what you know is good, what you know is for the good of your Soul. Do not deny what The Father Wills for you. All things directed through This Great Miracle are for the good of your Soul.

**The Light of the Heavens is a Special Light, it is a Grace-giving Light, it is a Light of Direction. It is a Light of Superior Knowledge, a Light of Superior Hope. It is a Light from the Supernatural Love of The Father's Will.**

**It is difficult sometimes for men to understand the role of purity is the way The Father Wills for each man. There are excuses all around. We hear**

**them. They are nothing but excuses. Many times there is no hope in excuse, there is only denying the correct way, what is expected, what should be.**

**All of Us Here in the Heavens come through *this woman*, according to The Father's Will, as He Decrees it to be. Remember, the Light that burns your eyes, the Light that presses against your being, the Light that maybe some of you feel or some of you see, is a Light that shines forth from The Father, through Me. And when These Things are here, I, Saint Catherine of Siena, say, 'It is a Blessing beyond man's understanding, and All the Words you hear are to give you strength and understanding.'**

**Be aware of the Light. Be aware of the Rays. Be aware of the Wisdom. Be aware of the Direction, and be aware, My children, that The Father's Will is in Each Ray that surrounds you, that encompasses you, that instills in you the knowledge that you are present and touched by Supernatural Grace.**

**Be alert and be aware. Be concerned, choose well, and know that as you live upon the earth your Soul**

**seeks the Purity The Father teaches about, directs you in, for do not forget, the will you have was given by Him. The Goal He has set for you; He gives you the freedom to choose to be with Him.**

**As I speak, I want each of you to understand that My Presence here with you this night in your time was allowed by Him. It is a privilege for Me to speak in this manner, and I speak to you because of My Love for Him, and All of Us Here hope that you, too, will one day be able to share in the service to Him, in the same way that We share with you.**

**His Blessing reaches out and draws you to Him. My Love for Him beseeches each of you to never stray from Him. So be it.”**

## OUR HEAVENLY MOTHER

**“One of the main purposes for The Holy Ghost to be upon the earth in your day is because of the Wind of the Power of The Holy Ghost, and the Power in which This Wind generates help for all mankind.**

**It is true you live in a time worse than Sodom and Gomorrah. It is true that you live in a time where The Holy Ghost had to come to the earth to help all of mankind, and in so many ways, to give mankind the strength of The Father’s Will so that men would not fall into the pits of Hell. The time now is for The Beloved Holy Ghost to be known in so many ways, and also, for children of all ages, all colors, all creeds, to become aware of the Power of The Holy Ghost.**

**The evil one, The Father’s enemy and your enemy, knew that this time in History was a time for The Holy Ghost to be seen, to be heard and become known to all of mankind, and that is why there have been so many things occurring upon the earth to**

draw men's attention away from the Beauty, the Dignity, and of course, the Greatness of The Holy Ghost that is in the midst of mankind for all time.

Men have rationalized and men have theorized on what The Holy Ghost is, and so many have determined it is only a Spirit of Light, only a Spirit of Direction, only a Spirit of Being, only a Spirit of Hope, and they connect a Spirit with Something inconceivable to man, Something that exists, but there is no full true description of It.

That is why, through This Great *Miracle Of The Beloved Saint Joseph*, God has allowed the world to know that as The Holy Ghost is the Spirit of Himself, He allowed This Spirit to take human form one day and to go to the earth and become a Great Part, an Important Part, of the Teaching for mankind to better understand what the physical was all about and why it was given to man.

Also, what better way to begin His Church, His Way of man's Faith, than to send The Holy Ghost, the Part of Him to be the Foundation and the Force to give to mankind what He wanted mankind to have. It is the

**Stability of the Foundation of Holy Mother Church that has remained and will remain for all time.**

**Men say that certain men in this Church have the Spirit of The Holy Ghost within them and they are driven by The Holy Ghost to not make mistakes. This is true, but let Me say this, that as The Holy Ghost is the Foundation for this Great Church, This Foundation is God Himself. Do not forget this.**

**So as This Miracle has touched upon the earth, and this City will be built, be assured that It will be built on the Winds of The Holy Ghost, in the Power of The Holy Ghost, for the reason God intended The Holy Ghost to be seen upon the earth.**

**Be blessed, My children, in many ways, for as I have spoken, I have spoken to you firmly, but in My Gentleness, in My Grace, in My Love, I want you to know that as The Beloved Joseph walked upon the earth with The Child and Myself, We walked in the Unity of The Father, We walked in the Unity of the family way, and We walked for the Unity of this Church to be seen in every day. So be it.”**

MAY 13, 1981 AT 8:09 P.M.

**SAINT JOSEPH, THE HOLY SPIRIT**

**“So Many Saints have spoken so fairly, so justly, so positively, and They have given people of all ages the strength to better understand what God is All About and the Power of God, not just through The Holy Ghost but through many other means and measures.**

**I have spoken many, many times through *this woman* and I have spoken critically of many things. I have spoken directly, and I have always spoken justly.**

**There are so many, many people in the world who must understand that the Light of Me is for all time and that their time upon the earth is measured, and the time they have must be used not just to find thrills and excitement, but to follow the Light of Which I Am, the Light that you have seen many, many times through This Miracle of Me. Sometimes It is brighter than others. Sometimes It is softer than others. Sometimes It casts a Power within your being that you feel in your**

chest, you feel in your eyes, you feel sleepy, perhaps because you are tired, you are weak.

**But I am truly The Holy Ghost of The Father. I am truly The Holy Ghost of Life and you must understand that as I speak, I speak for the Soul The Father has given you so that this Soul will return to Him for All Time. As I speak, your Soul stands at attention. As I walk into any room, wherever you are, your Soul seeks Me out and does not want Me to leave in the Visible Form, for your Soul gathers the Grace and the Love that shines forth from Me. Your Soul belongs to God, remember this. Your Soul is a Part of Him and I am in constant touch with the Soul of each of you.**

**It must be understood, it must be read aloud, and children of all kinds must understand that as I am The Holy Ghost, I am The Light of the Heavens, but I am The Link between your Soul and The Divine. You must never forget This, and you must never omit praying for your Soul, for through your prayers, through your actions, through your love, through your dedication, through your service, through your commitment, your Soul**

**will earn Grace to one day be with God for All Time.**

**Never ignore the Gift of Grace. Never ignore the Hope of your Soul, and never ignore the Will of The Father, for you must understand you were born to the world to return to Him, to spend All Eternity with Him, in the Shadow, in the Light, in the Hope and in the Love of His Very Being. So be it.”**

MAY 20, 1981 AT 8:40 P.M.

## OUR HEAVENLY MOTHER

**“When the Light of the Heavens comes forth to the earth, it happens because God allows it to happen. When you feel the pressure of the Light in your chest, in your eyes, in your mind and in your hearts, it is allowed to a degree you can handle, you can stand.**

**Some people say, ‘God never answers my prayers.’ God does answer prayers but He does it in a way that is best.**

**The Light of *The Miracle Of Saint Joseph* is a Light that will never dim nor will It ever go away, because the Light of *The Miracle Of Saint Joseph* is the Light of The Holy Ghost that will be for All Eternity, even when there are no more men.**

**The Light of The Holy Ghost does not give verbal answers. The Light of The Holy Ghost gives strength, gives motivation, gives hope, gives purpose. The Light of The Holy Ghost spreads as It moves, wherever It is, and the Light of The Holy Ghost penetrates one’s mind, one’s Soul, one’s heart,**

one's being, to give strength to every fiber of the body so that obstacles can be met in dignity, serenity, tranquillity and peace, but with the strength that only God can give.

**The Light of The Holy Ghost is precious to man. The Light of The Holy Ghost comes to you tonight, and you are man. The Light of The Holy Ghost is not man's gift to man, it is God's Love for man. And when you tell a man he is lucky to have the Knowledge, the Truth, the Hope and the Love of The Holy Ghost, he might doubt you.**

**But I want you to know that I, your Heavenly Mother, say with a Love, as I am The Mother of The Father, that you are cherished in so many ways for the Faith you have, and through This Great Miracle the Light of The Holy Ghost spreads far. And whenever you need a helping hand, ask for His, for He is always ready and always willing to spread His Light, to share His Hope, and to give Love to every man.**

**The Holy Ghost is the Light of The Father. It is not a myth, It is not legend. It is a Reality, It is Living, and**

in so many ways It is never away from man.

**As** you are present tonight your Soul is also present, and where This Great Miracle is, especially This Great Miracle in the world, the Souls of those who attend are especially touched by the Light of Him. That is why it is so necessary, My sons, that you understand the responsibility is not a burden; it is a privilege for every man when responsibility works for God, when responsibility is committed to Him, when responsibility is pointed in His Direction and worked at for the good of other men.

**Be** blessed, My sons, with the Light of The Holy Ghost and be blessed by Me, for I am The Mother of all men. And as I stand in the Heavens and I speak through *this child*, through *this woman* in the world, I want you to know that her obedience must always be, for she is a *channel* of Light for the whole world. Obedience is not always easy, as she said, but the more you are obedient to God's Commands, the more willing you become to the obedience He demands, and in this obedience you will find the Strength of God's Light to carry you back to The Divine.

**I stand in the Heavens and I am upon the earth. I shine forth through the Light of The Holy Ghost on this night, and I say to each son in My Presence: ‘Fight. Fight for what is right. Fight for what We have asked you to do. Fight for the Truth and stand on firm ground when you do.’ Do not allow other men to knock you down, for they do this to bully you all around, but you have the strength through the Light of The Holy Ghost, to be firm, to be truthful, to be honest, and do not forget, it is This that will give you hope, for you see, as you stand upon the earth in your day, it will not always be this way, for one day you will stand before The Father and the Judgment time will be. Please, My sons, remember this time, and as you do, know, that as you stand there all alone, I will be with you. So be it.”**

MAY 22, 1981 AT 1:03 P.M.

## GOD THE FATHER

**“I** have placed in your midst *an instrument, an instrument* through which My Power passes to the whole world. I have placed *this instrument* in a particular place, to demonstrate, to direct, to coordinate, and of course, to participate in the action I want, to motivate men of all kinds to see My Will in their particular place.

**I** am The Father of all mankind. I am The Judge of all mankind. I am The Creator of all mankind. I am The One Who has given to mankind My Rules, My Direction, My Commands, My Hopes, My Love, and of course, the Soul that must be returned to Me for all time.

**I** speak through *an instrument* of Mine. She is of human birth. She is of human ways. She is of human nature, personality, intelligence, knowledge, needs, but beyond all this, she is *an instrument* of The Divine, she is *an instrument* of Mine, for the sake of all mankind.

**At this moment men discuss *this woman* in the world, not all in kindness, not all in understanding, not all in a view of how she truly is for the whole world. This does not concern Me, this does not concern her; but, what they say concerns My Will to be done for all mankind.**

**Let Us take one moment in the Time of This Great Miracle and help you to understand that What is said through her must be obeyed. What is done through her must be seen as Mine, and what Corrections she makes must stand, not just in the minds of man, but in the actions of man, for there is much dependent upon the obedience that must be seen, heard, acted upon, and driven into the minds of men so they will uphold What I Decree to be for the whole world.**

**I bless you but I also remind you, obedience to What *this instrument* says, What *this instrument* directs, is Important for all men, for you see, I have rarely come to the world in such an atmosphere, in such a direct manner, to relate to man, to direct man to particular ways that must be followed to the minutest detail, according to My Commands.**

**This is an Important Time in the History of mankind. This is Important for every man throughout the world, no matter what race, color or creed this man stands in.**

*This woman is an instrument of Mine. This woman stands for The Divine and this woman must be seen for how she is, what she is, who she is, and how she walks upon the earth. I demand it, I command it; and I want you to know, if this City is not done according to My Will, men will walk in total despair, agony, fear, and without hope. It is not just a threat. It is Important, for men have reached the lowest forms of life they could. So be it."*

MAY 27, 1981 AT 8:22 P.M.

**SAINT JOHN, THE APOSTLE**

**“One time, a long time ago, when men were standing in a particular place, I, too, stood there listening to a Man speak. I wondered if what He was saying was what I wanted to hear. And the more He spoke, the more He delivered the Words, I found Direction in Them for me. I found in Each Word a Ray of Hope. I found in Each Word a Streak of Light. I found in Each Word, Direction, and I found in Each Word a Purpose for my life.**

**I found that I wanted to stay and I found that I wanted to hear more from this Man that I really did not know too well, but I knew I would linger for more than days. I listened and I walked away when the crowd was dispersed, but in my chest I felt a weight and in my eyes I felt a hurt.**

**I want you to know while you are upon the earth, that it was a long time ago that I stood with this Man on earth. In your day My Name is known, but in your day men, in their own way, throw at Him stones. They ignore**

**What He gave, they ignore Who He was and Who He is, because at this time they believe more in man's words. You know now He is and He was The Son of God. Would you have believed it then? Would you have stayed? Would you have looked to Him or would you have walked away?**

**You live in a time that such times are being repeated for the good of your Soul. The Truth still travels on The Father's Light. The Beauty of Purity is transferred through Her Love for mankind. The Purpose of human life is special, you are told, and I ask you, each of you, 'Do you truly love Him as you stand in the world?'**

**At that time they called me 'John'. I am yet known as 'John', and I now travel on the Power of His Light and in the Light of His Power, from Heaven to the world. All of Heaven rings out to give mankind Truth, but I must tell you this: Before We speak We ask for permission, unless We are already told.**

**It is important, My children, for you to understand that as God speaks through *this woman*, it is His Love for every man. You are never without the**

protection from Him, but you must remember that your Faith must be bound to Him, and as you stand in the world in such a little way, He gives you the privilege to do more than just pray. He asks you in your little way to re-establish what He began another day. Do not be frightened though the task is heavy. Remember, He only asks particular things from particular children, for He knows they will do His Will accordingly.

**I** beseech you to do His Will and He will repay you abundantly, but be aware that as you perform His Will, do it with dignity and humility, and as you do, remember that the Light of His Love passes to you, and though you may not feel the warmth of It, know that Grace passes through This Light for the good of your Soul.

It is a tragic time upon the earth and that is why All of Heaven has come forward to give men Hope, for without This Great Miracle, the world would not know what The Father Wills for the good of men's Souls.

**I** stood and listened, I walked along, I thought about what was said, and now I say to you: 'Do the same, and

**when you do, recognize the Hope, the Love, and do not forget the Truth that you are given will live on forever; the things in life that you enjoy will pass. Cling to the Truth and be assured that following the Truth with Pure Faith will get you to Heaven.’ So be it.”**

**JUNE 5, 1981 AT 2:45 P.M.**

**GOD THE FATHER**

**“I have handed a Miracle of Great Renown to the world. Men have not listened to what I have said. They want more proof of what I want them to do. In the beginning of time it was the same way. Men wanted proof of everything I did and everything that I did say. Men must not question My Will and men must not criticize My Way.**

**I have given to the world a Great Miracle, One in which Hope is expressed in many ways. I have given man Direction in how to be, in how to think, and even in what to say.**

**I want This Miracle that I have given to be seen for what It is. I want men to value the Truths that are given through This Miracle for all mankind, no matter where they live.**

**Men try to dissect what I say, they try to diminish My Commands, and they try to act with My Powers so they will be important to man. Men who imitate My Powers are false prophets in many ways. My Wisdom**

would not permit many men to have the Power I Am, to use as they decide It to be used.

I want men to understand that no matter what race, no matter what color, no matter what creed they have accepted, they must see My Ten Rules as I gave Them to be, for the purity of mind, body and Soul, so the Soul would return to Me.

I want *this instrument* freed for My Use and My Use alone. I want detail to be done in the manner I have already Decreed. Men, at this moment, are discussing points so that this City will not be done accordingly, but I, The Creator of all mankind, Decree It must be, for the Souls of men to come Here to be with Me for All Eternity.

I speak instantly through *this instrument*, and I want you to know that in every way and in every thing, the Directions I have given for this City must be obeyed. There must be a great thrust forward to accomplish My Will and men must understand the Value of My Wish and My Will in the time you live.

I have Blessed you with My Words and I have Blessed you with Hope

**through This Piece of land, but I want you to be fully aware that no man must stand in the way of My Will to be done for My Souls. So be it.”**

JUNE 10, 1981

SAINT TERESA OF AVILA

**“It is always enjoyable to speak through This Miracle of The Beloved One, The One that I, too, went to for favors, for direction, for hope, for understanding, and for everything that I wanted. I would kneel and I would speak to Him. I would say: *‘Heavenly One, grant me what I want. It is for The Father’s Will to be done upon the earth.’* And sometimes when I rose to my feet, I would think about what I had said and then I would immediately go down again upon my knees and say, *‘Forgive me for my abruptness but time is short and there is a need.’*”**

**So please, My daughters, remember All that was spoken before this time tonight, and be aware that when you kneel, be concerned with what you say, but be sure you say it, for you must know there is no request, there is no prayer that is not heard. And when you pray, pray in Faith, for in this way you are a child, and The Father looks upon you and says, ‘How can I not give to a child such good things, for the child does not want all**

**this for themselves but they do want it for others, and this will give charity every way.'**

**So please, My daughters, remember this, and you, My sons, who listen to what I say. Be aware of kneeling in prayer. Be aware of the Light through This Great Miracle that comes your way. The Miracle of The Beloved One is never without the Light of The Father's Way, for The Beloved Saint Joseph walks in the Light of The Father, expresses the Light of The Father, gives Light to everyone who come This Way. And remember, He is the Light of The Father, He is the Love in many ways.**

**I have spoken to you in your time, your way, and I want you to know that as I come to the earth, I speak of ordinary things for that is what you know, but as the Light shines in this room and as the Words flow through *this instrument* to you, be aware that it is the Light of The Holy Ghost that touches each of you. The Father's Will is being done, The Father's Love is extended to everyone, and The Father's Hope is for the Soul of every child born to the world.**

**Be sure, My children, when you pray tonight, kneel and say the words just right. And as you pray, look up to Him, and then bow your head and nod again. And do not forget, when you are through and you say, 'Amen,' whisper a little note of thanksgiving and of love, for He will hear all of them. So be it."**

JUNE 13, 1981

## SAINT JOAN OF ARC

**“There are so many, many Messages that I have given to the world through *this instrument*, through *this woman*, through *this child*, the obedient servant of The Father, for men must know that the day must come and they must stand before The Father, not the physical as you know, but the Soul that stands in the Light of The Father’s Will, and Who reflects all you are, all you have done, all you have given to the world.**

**I am Saint Joan of Arc. Many men speak My Name, many men say, ‘She did great things,’ but I want you to know, no matter what I did upon the earth, I could never accomplish all the things God had wanted me to do, for men got in my way. But Here in the Heavens I see the necessity to help *an instrument* that must walk a particular way.**

**All of Heaven comes forward through This Great Miracle for We have been commissioned, We have been commanded to see that the whole**

**world receives The Father's Way and Will, for the Soul to be with Him for All Eternity.**

**Men might get tired, men might become weary, and men might say, 'It is difficult to walk such a particular path every day,' but I, Saint Joan, want you to know it is worthwhile, for the Light of the Heavens shines upon the whole earth through This Great Miracle that looks so natural, feels so good, says so much, and is like the Star over Bethlehem for the whole world.**

**Follow the Light, My children, and be aware that God's Love is in This Great Miracle, and when you touch the Light of This Miracle and you learn from What is said, pass It on to others, and be aware that example is what God wants you to be, of This Great Miracle for The Holy Trinity.**

**And as you walk in the Light of the Heavens, through your Faith, in your love for Him, know, All The Saints, All The Angels, and yes, The Heavenly Court says: 'Love God so much you will do nothing but serve Him. Love Our Heavenly Lady so much that you will do all things to please Her. And be aware of The Holy Ghost, for in This**

**Light that shines from God, you must know that your Soul will feel Eternal Glow.' So be it."**

**JUNE 24, 1981**

## **GOD THE FATHER**

**“As you leave here tonight, be aware that This Great Miracle was given to you because God is so fair and God is so right. And All the Words, All the Directions, All the Teachings, All the Revelings, All the Messages, were given to you through God’s Light, passed on to you in the Wind of His Power and on the Power of His Wind, Which is One Alone. There is no other one like It.**

**The Mystery of Heaven has not been totally revealed, but the Beauty in some ways has been told to give you a better understanding of God’s Great Love for each of you. This Miracle of Hope is special in your time for the Miracle of Hope has been sent from The Divine, and through *an instrument* upon the earth, God’s Love radiates in Every Word. The Light of God’s Love has changed many lives. The Faith in each man develops according to the will of the man and the Light He allows to shine in his eyes.**

**A Miracle of Greatness has been given to the world, not myth, not legend, but It takes place instantly. There is so much, My children, for men to learn. The Words that I have already given must be spread throughout the world, for though I speak in many ways, I speak directly so that when you pass These Words on, you will gain the Grace momentarily. Never ignore the chance to grow in Grace, for Grace is strengthening.**

**As I pass the Light to you through This Miracle of Love and Hope, the Rays that touch you are of Me, and within the Ray is Grace to support you. As I stand Where I am in the Heavens Above you, I stand in your midst to bless you, for I can be all places at once, I can bless millions and trillions, for there is no man in the world I cannot touch, but in your littleness, I want you to know that the Light of Me has touched your Soul. So be it.”**

**JULY 1, 1981**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“There are so many children in the world who have yet to meet The Miracle that in Its very essence has the Ray of Light. There are so many men who tonight, on a battlefield, are praying to God for hope, for understanding, and to know about the Light.**

**You are privileged men in many ways for you stand in the Presence of a Light. Sometimes you cannot see the Light you hear about. Sometimes you cannot feel the Light, but many times when It touches you, you are so used to It that you ignore what It is and you want something else to show.**

**I, My children, am The Light. I am The Holy Ghost. I am The Light of Heaven. I am Hope. I am in service to God The Father, for you see, I do light the whole world. And in This Great Miracle that bears My Human Name, I say to all mankind, ‘Know, that as I walked upon the earth and I stood for men to know, I bore the Light of Heaven and to men It did not show.’**

**Today, I walk the earth again, this time through *a woman*, and when My Light is extended to man, It is in the Words The Father Wills for men to know. But many times I shine the Light, I let a glimmer of It show, for I want you to know that as you are held in this Light, It is the Light of Faith for you to know that Here in the Heavens Where I am, I say to you tonight, ‘Be aware of the necessity of prayer and be aware of how you sin in the world.’**

**The Father does not want to lose a Soul to the evil one so you have been given so many Lessons to help you grow in the Light of Faith, in the Light of Love, in the Light of Hope, and you must know that All of Heaven has come forth through This Great Miracle of Mine to give you Strength, to give you Love, and to let you know there is a path to The Father’s Feet, there is a path to the Throne, there is a path for you to take and you must know you are never alone.**

**So, My sons, as you stand upon the earth and you walk in the physical role, bear in mind that you must imitate the way I walked in the world I knew, and do not forget that as you walk in the world, you do not have to imitate**

**other men. Imitate The Father's Will. Imitate the way I walked, for I went to the earth at that time to give you the role.**

**So be blessed, My sons, and know on this night, All you have been given you must learn from, so when the army walks you will walk straight and tall, for one day you might be called upon to show your 'Sword of Love', and when this time comes, I want you to know the Sword must be shined brightly and it must be seen from Above.**

**So be aware, My sons, the Light I extend to you tonight is a Light of Words and a Light of Hope, for there are many things that you must begin not just to understand, but to follow for the good of your Soul.**

**And when this City that The Father intends for all men is built, you must be a part of It, for you must serve other men and help them know the Beauty of Light that came to you, the hope that you felt in the world. And you will be the disciples, the apostles, to hand to them not tasks, but the delivery of so many Words, and many of you will teach the Lessons that are**

**to be taught to the whole world. So be it.”**

## OUR HEAVENLY MOTHER

**“So many times, as I speak through This Great Miracle, children listen and children think about what was spoken, but children walk away then determined to think it over, act upon it later. So many children have received in the Light of Heaven, the Hope in the Light, the Beauty of the Light, and the Strength that the Light gives to the Soul, to the will, to the mind and to the physical.**

**I will allow *the instrument* to describe to you a Vision of Me. A similar Vision has passed into the world before, but I want you to know that as I stand on the field of wheat, the Gold of the Wheat, the White of Me is for all mankind, Strength, to give harmony. Men are not harmonious with each other. Men are full of guilt and men lack respect for purity.**

**I am your Heavenly Mother and I am All Purity. I stand in the Heavens and I speak through a Miracle that has been called by The Father ‘The**

**Miracle of Light' for enlightenment for all children in the world.**

**As *this child* looks at the wheat beneath My Feet, the wheat waves in the breeze and My garment twists around My Knees.**

**My garment becomes much brighter to her and the wheat seems to still as the Light grows greater. My mantle is white, My garment is white, My cincture, white.**

**She is staring at the smile on My Face for as My Lips part, she waits for My Words. There is the sound of wind all around Me, but she sees no wind now. The Vision closes in and her eyes burn with the Light of Me.**

**I have touched your hearts, My daughters, I have touched you in many ways. I want you to know that the Power I stand in is the Power of God's that controls and holds the whole universe and your world.**

**I have many Names, but tonight I want you to remember a Name I give Myself for you alone, and one day the world will know this Name, for I know you will repeat it again and again. You must call Me *'Our Lady of All Light***

*and All Purity'*, for when you say this I will always know you were present when I spoke the Words through *a Chosen Soul*.

**Be blessed, My children, on this night, and as I fade away from view, the wheat will begin to move again and the Light will leave the room, but the Light will never leave your heart for I have placed It there with My Love for you. So be it."**

**JULY 12, 1981 AT 2:45 P.M.**

**GOD THE FATHER**

**“I have delivered continuous Messages of Direction, Solid in content, Truthful in all pure ways, Valuable to all men no matter what race. What makes men reject What I say and permit themselves to walk away? What determines man’s loyalty to Me? What makes man’s decisions have more creditability than Me? What gives man permission to determine My Directions can be interpreted differently?**

**I have sent many Messages. I have given the world of mankind several Chosen Souls. Why do men not see the Value, the Perfection of Direction in What I have spoken? My Will is for the good of man. There is no pretense in Me. There are no children that I love more than others, for all are made to the Image and Likeness of Me.**

**I asked a very small favor. It is only a material thing. Men have not given it to Me, and yet men base their whole life on material things. I asked for some buildings to represent Me. I**

asked for a specific spot, a Grotto to be accomplished for men to remember Me. I asked for a bridge so men could cross this bridge and honor Me. I asked for specific spots, you call it 'the Via Dolorosa'. I call it 'a Way of Physical Suffering for Me'. I asked for a Rosary to be seen so men would pay Honor to The Heavenly Queen. I asked for men to see the necessity to house the elderly. I asked for My Messages to be revealed to the whole world, Messages directly from Me. I asked men to re-establish the strengths in Honoring Me. They have gone off on tangents deliberately. I have requested men work in a particular way, so that they could devote time, energy, talents, intellect, knowledge, to accomplish My Will upon the earth.

**You are surrounded by My enemy. If I allowed him to show, what would you arm yourself with? Where would you go? Would you use a sword? Would you use an explosive measure of your time? Would you toss rocks and stones? Would you shout names to defile? Would you run in the opposite direction? Would you fall into his trap, forgetting what I have taught you, forgetting to remember to attack? Attack with piety. Attack with service.**

**Attack with purity. Attack with solemnity. Attack with honor. Attack with dignity. Attack with love only for Me. Attack with commitment of life, limb and all purity.**

**I speak in this manner, for you are as the scribes once were. You write the Words, and These Words must pass on until Eternity. Be blessed, for you have taken My Words from Me, and you have been allowed to practice your ability in My Name, for My Will, so that men will be able to read what I have spoken, and to hopefully fulfill what I have Willed men to partake in, men to be able to see. So be it.”**

JULY 15, 1981

## SAINT ATHANASIUS

**“Speaking so constantly, so consistently with Someone Else’s Words, with Someone Else’s Ideas on Direction, is not the easiest way to live in the world, especially when the Words and the Directions are from Us, Beings not human, but Beings of Supernatural Origin, transmitting positive Directions on the Power of The Father’s Will and in the Wind of His Power, for men to better understand the road to perfection. It is not easy for *an instrument* to walk totally under the Direction that is not the ideas, the ideals of the normal human will.**

**We have spread much Light upon the earth, We have divulged many important issues to you and to thousands of others. All did not hear the Words firsthand, but thousands of others were able to read the Directions, the Thoughts, the Ideas, the Prayers.**

**There has been so much given to mankind through This Great Miracle of Light, of Hope, of Sincere Divine Love for the whole world. It is time men**

listen, but also follow the Directions. It is also time for men to stop making excuses for their mistakes, their lack of piety, their lack of usefulness, for the Truth to be handed down for all mankind throughout the whole world.

I am Saint Athanasius and I have spoken many times through *this instrument*, and many times when I spoke, I gave Directions, I gave Information, and I talked about the time in which I lived upon the earth.

It is so necessary for all who hear the Words, who read the Words, to understand that These Words must be forever, for the good of man.

It is true, there are many heresies in your time, but men ignore heresies for then they become so involved in moral issues, immoral issues, that the heresies take a back seat to what is at hand.

The Light of the Heavens is a Light One Alone. The Light of God's Love shines from His Throne. The Light of His Purity is for all men to see the path to Him for All Eternity. The Light is not a light like you know light to be. It is the Light of Heavenly Grace for a Purpose, for one day you

**must see the Light of The Father's Face, the Beauty of His Will and Grace, and the Hope realized that He sent to each of you.**

**Never ignore gaining Grace. Never ignore the beauty of looking forward to God's Face, and never feel that you cannot become a Saint, for if you strive for this Goal in mind, if you work every moment of the day doing what you must but never forgetting to pray, the time will come for you to face the Judgment that hopefully will be filled with Supernatural Grace.**

**You are Blessed, My sons, in ways more than you know. You are Blessed with The Father's Will and you are Blessed with the knowledge you have gained. You are Blessed with Special Love from The Heavenly Mother, and you must know that All The Saints Here in the Heavens want you to be assured that for every thought you have to do The Father's Will, for every desire you allow yourself, to realize The Father's Will is waiting for your will to join with His to accomplish what He Wills for your Soul.**

**The Light is sent by Him. My Words are in the Light, the Hope is**

**in the Light, and the Beauty of God's Love allows the Light.**

**So remember, My sons, place the importance on what you know is right. Place the importance on changes that will make you right, and put much importance on your piety. You do not have to walk around with your hands pointed in His Direction, but when you work with your hands, offer the labor to Him. When you work with your mind, offer the labor to Him. When you work, giving to others, sacrifice, love, hope, offer it to Him.**

**You are Blessed by His Love. You are Blessed by His Light. You are Blessed because you are here tonight. The Father knows that you are here because of Him, because of what you know is right. A Special Blessing of a Special Grace pours through the Light to give you the strength to endure, and yes, to persevere for His Will to be done with your will, until one day you come Here. So be it."**

**JULY 17, 1981 AT APPROXIMATELY 2:50 P.M.**

## **GOD THE FATHER**

**“Responsiveness to My Will means acceptance of responsibility according to My Will. I have chosen many children to respond to what I Decree to be absolutely from Me. I have received reports from different Saints that many children respond, but do not accept responsibility.**

**Through time, through the ages, through the decades of men’s lives, men touch upon many things I have given to the world, wherein their Spiritual Life, which is a Portion of living that should be concerned with Me and Me alone; men without Spiritual understanding are men who are not free.**

**When I created man, I did so to the Likeness of Me. The Likeness is many Things, the Image many Things. Men associate these two Things with the manner in which they think and the physical form in which I have created them. There is more meaning to These Words than men think. A man without a Soul would not be a man.**

**When circumstances, injury, ill health deprive a man of his will, it is a great sadness for many reasons, for it takes from this man the freedom to think, the freedom to decide, the freedom to serve Me.**

**There are many issues men make great deliberations upon, but few men truly understand the full Magnitude of how and why I created man. By These Words, through These Words, because of These Words, many men will begin to try to better understand more of the Purpose and the Reason for man, but I add this: In order for any man to better understand these things, this man must be dedicated to My Will, committed to My Way, and totally responsible to Me, responding to All I have given and responsive to My Request that This is.**

**Many men have portrayed Me. Many men ignore Me. Many men blaspheme Me. Many men act sacrilegiously where I am concerned, but all these things are justified through man's inability to see the Greatness of Me. When men speak of being made to My Image and Likeness, men sometimes frivolously act impurely, making the quick remark,**

**‘I am human, I have faults, I make mistakes; God expects this of me.’**

**Men are more interested in what they feel, what they say, what they desire, that emotionally, physically, or intellectually pleases them. I Am All Intellect. I Am All Knowledge. I Am All Wisdom. I Am All Experience. I Am All the Actions in the world. I Am All the Life in the world and All Things in the world are Mine for They are Part of Me.**

**When men think of Me they think of a figure of a man. This is how they relate to Who I Am, What I Am, but let Me tell you this: I am more than a figure as you. I am more than the light that you know light to be. I am more than you know water to be, land to be, fire to be. I am more than any man can fathom in his wildest dreams. I am more than Supernatural. I Am Purity beyond what you know purity to be.**

**On ‘this piece of land’, I have asked that the physical structures be made so that men could honor Me in ways understandable to man. In the next weeks of your time, action must be**

**for This Place to take order; changes, a necessity.**

**I will accept no excuses and I will accept no tomorrows. There are many things that must be done to give to Me what I have requested to be. So be it.”**

**JULY 22, 1981**

**SAINT CATHERINE OF SIENA**

**“When we walk into Holy Mother Church and we genuflect and we look at The Blessed Sacrament, it is very important for us to understand It is not just a box. It is God. He’s in there in a particular way. He’s in that Compartment and it is Our Lady Who is still holding Him.**

**Our Blessed Mother is so Important to the whole world and Our Blessed Mother is not recognized in the Importance She is. Ever since the beginning of time She existed, for She is The Mother of God. And in the different Visions in which She came to the world, to direct children, to instruct them and to warn them, people have felt it, they’ve thought about it, and they many times wanted to be where She was. But many times also, their human zeal made them selfish, and if they thought they weren’t getting what they wanted, they immediately shouted at the visionary or visionaries, and were very unkind.**

**People demand of Our Lady and of God and they shouldn't demand, because the Light of God is a Light of Peace, a Light of Gentleness, a Light of Tranquillity, a Light of Hope. It is also a Light of Energy. The Light of God is different than the light upon the earth. It is different than the moon, It is different than the sun, It is different, but It is a Light that is Far Greater than the light we talk about.**

**And so many people in the world, when they talk about Our Blessed Mother, they really don't do it with respect nor dignity. They do it sometimes in a very coarse, crude way. When they talk about their Rosary, they sometimes do not hold the Rosary with the love the Rosary should have, and sometimes, in saying the Rosary, they say it in such a way that there is no respect in it, no true veneration in it, no real love for Our Blessed Mother. This is wrong. She is The Mother of God, She is Holy, and She is All Things. She is The Creativity of Holy Mother Church and She is The Tabernacle of Holy Mother Church. She gave us our Church, She gave us our life.**

**She cares about our Soul, no matter what age we are. She cares**

about how we talk. She cares about modesty. She cares about the purity men think, men feel. She cares about the immorality in the world, because with so much immorality She knows the children will be deprived of Heaven and will have to go to Hell. She loves each child as an individual and She is ever giving Hope to all children. When She sends a Ray of Hope, She sends so much Love with It. We talk about an earthly love from a mother. No mother upon the earth could love her children like Our Heavenly Mother loves Her children.

So, when we go to church and we venerate Her in any way, whether we are saying the Holy Rosary or whether we are looking up into the face of a statue, we should do it with piety. We should feel the Glow of Her Warmth for us, through Her allowing that statue to be there. We should let Her know that though we do not see Her, we know She is there, for She is our Mother and She would not leave us alone any time.

And very often when we kneel in church and we pray to Her, we forget the Magnitude of Her, we forget the Beauty, and we forget the

**Purity.** We forget all She has given us as Example and we forget that maybe in the vocation we have chosen we are not using the vocation to the fullest, in Her Name. We are so busy being worried about all the things we don't have, about not being as good looking as someone else, not having what other people have in their home, we forget She lived in a very modest home even though They were wealthy, but She lived with beauty all around Her, for it was Her Joy that spread in the room, Her Tidiness, Her Modesty, Her Gentleness, Her Graciousness, and Her Love for mankind. So, even if you lived in a castle, and you had none of these virtues, none of these ways in which you dealt with other men, you would not be wealthy.

**So** in these days when Our Lady is being so mistreated, My daughters and My sons, We Here in the Heavens beseech you and beg you to take care of all the times you talk to Her, take care in your attitude, in what you say, how you say it, and even though you do not see a Vision of Her or you do not feel the Light from Her Love, know that She is Here.

**My Name is familiar to you and I come on this night to let you know All of the Heavens, All in the Heavens want you to feel the Beauty of Her Love so you will not turn in the wrong direction, away from Her.**

**I am Saint Catherine of Siena and I have spoken in firmer terms, but tonight I speak only with the Love of Hope, for you see, there is great need in the world for the Holy Rosary to be said not once, not twice a day, but as many times as you can, for if you say these Beads, I want you to know that She hears every word, and each word you say is Blessed by Her. But when these Prayers are said, whether you say them quietly or loudly, whether you are alone or with others, each word is heard.**

**And sometimes when the Angels hear the words, they join with you in prayer to Her so that the sound will be greater, there will be more words, and some of the Angels even sing the words. And The Saints join in, for do not forget, We, too, love Her very much, and We, too, still honor Her, and We, too, love to stand at Her Feet, feel Her Presence, feel Her Grace, and know that She will always love Us.**

**As you stand, you also are to know the Glow of Her Love is a Light no man can imitate, but the Purpose of Her Light is to give you strength for your Soul.**

**My way upon the earth was a very busy way, and when I left the earth, I want you to know that as a Saint I have not stopped working for Holy Mother Church. The Father sees to it in many, many ways. You live in a time worse than Sodom and Gomorrah, and you live in a time of Great Grace. So be it.”**

**JULY 28, 1981 AT 3:10 P.M.**

### **SAINT THERESE OF LISIEUX**

**“One day many people throughout the world will celebrate this date, for they will realize that this date was the beginning of Special Important Revelings from God Himself, about God Himself.**

**The Mystery of God is a Mystery few men would truly dare to feel they had a solution of, and a solution to, as the Mystery is necessary, is obvious, and always there. Such a Mystery is for the good of mankind, because man could not handle, cope with, fully understand, such a Magnitude or Extreme Being in existence.**

**When This Great Miracle was given to the world, God Himself had determined the Time, the Place and *the Instrument*, for all things in God’s Way are timed, so that they will promote the results God intends to be.**

**As We stand Here in the Heavens, We All take Part in This Great Miracle that is giving to all mankind a Portion of One of the Mysteries of God, this being a very Important Revealing, for**

it informs man of the Truth behind the Physical Form of Joseph, Who not only portrayed a human life, but through This Existence upon the earth, this manner of being, gave to mankind the Institution of Religion, a form of Spiritual belief, understanding, involvement and practice.

Up to this time, it had not been God's Will that This be revealed, but the time in which you live made it The Time God chose, because of man's lack of sound piety, lack of pure understanding of how Faith in God should be practiced, and the false prophets who are misleading mankind into the briar patches of strictly humanistic values, humanistic standards, humanistic controls, humanistic interpretations, humanistic translations, humanistic theories, humanistic opinions, placing all the emphasis on the importance of humanism, leaving God out of many lives. Men omit piety in its full sense of sincere reverence, dignified participation, and purity in its example to others.

Noticeably, upon the earth men are warring against each other, lacking in respect for each other, showing only barbarism toward human flesh. The

**imbalance of sound values and sound standards is prevalent throughout the world.**

**I was given the privilege by God to be the One to announce to *an individual* that she had been chosen for a Particular Task for God. At the time of the Announcement, The Father withheld the Saint's Name for Whom *the instrument* would be subject. Since the disclosure of This Name, the world has grown closer to God, to this Beloved Saint Joseph Who, It has been disclosed, as being 'The Holy Ghost'.**

**With this Important Message that was timed by God, each Step was considered Important in Its own degree, way, and amount, leading to the privileged Information men were to have. So many things have been revealed through This Great Miracle of Light, of Hope, of Knowledge, of Wisdom. All of Heaven has been involved. All were given the privilege to partake in This Great Miracle that was to help men of all races, all colors, all creeds, learn more about God, learn more how to please God, and learn more in how to become a Saint.**

**So much has been given to the world, it cannot be termed in a fashion men would use as love, hope, truth, but it must be said this way: In The Father's Pure Love for mankind, He has handed man Pure Hope from The Divine. He has enriched man's intellect with more understanding of Him, and He has given man a Divine Gift, teaching man how to return to Him. In His Infinite Love for man, He has shown man direct paths for piety, direct paths for purity, direct paths that are paved with His Justice, His Mercy, and His Hope.**

**I am Saint Therese of Lisieux. I speak fourteen years later, this time knowing that *the instrument* has served in the Manner Decreed, but I come today to say there is much to be done in many ways, and men must realize that everything The Father Wills, everything The Father Wishes, must be done according to His Will. No obstacle can be too great, no diversion too much to change, no hurts too deep, no adversities more than can be coped with. All of Us Here in the Heavens shout to mankind: 'Never give up, never stray, never procrastinate, never delay. Forge on against all odds, penetrate**

**the cities and the wilderness. Let no man stand in the way, so that God's Will, will be done in your day.' So be it."**

**JULY 28, 1981 AT 6:32 P.M.**

**SAINT JOSEPH, THE HOLY SPIRIT**

**“You call My Name. I hear you. You do not hear My Response to you. You have learned more about Me in your day, and in many ways you have grown to love My Way and you have begun to recognize the Example I one day gave.**

**You call Me ‘Saint Joseph’, and there are other times you address Me by ‘Holy Ghost’, ‘Holy Spirit’, but always you know I am One and the Same. You also now know that I am also The Third Person of The Holy Trinity, of The Blessed Trinity.**

**You are aware of the Importance of My Way. You speak in a respectful way to Me. You have learned to understand that The Father’s Will passes through Me to you, for you to know and for you to seek to be done by your will.**

**Today is an Important Day in the world. It was an Important Day fourteen years ago. It was a day of great concern because it was a day that not all things were revealed to help *an***

*instrument* understand the Purpose of ‘the choosing’ in a particular way.

**T**ime has passed on and much has been accomplished, much has been left for mankind to learn from. Much is to be done with the physical strengths of man, with the physical abilities of man, with the intellect of man, and many men must learn to cooperate and to operate in a manner that will lead to the success of God’s Plan.

**I**t is important for men to work together. It is important for all children to seek the same Goals. It is important for children to understand that given the privilege to work upon the earth for the privilege of other Souls is a privilege of your time, for the men in your time.

**M**any, many displays of Honor are passed on to Me in your day, but I want you to know, service to The Father’s Will, accomplishing what He Wills for many, many Souls, is Important to Me, for through My Name and through this manner of your working to accomplish The Father’s Will, many, many Souls will come Here and spend All Eternity with The Father in His Way.

**T**here are many Designs that must get down on the paper of your day. There are many, many materials to be chosen so they will be ready when the time comes. There are many men to be gathered to accomplish this task upon the earth, and there are many men who must understand that if they do not have one talent, they perhaps have another talent, and if they do not have a talent they feel they should have, they must begin to know that there are schools that will teach them things they will be interested in and things that will help this City grow.

**T**here are many obstacles to cross, this is true, but then the worthwhileness of this great task for The Father's Will is worth tackling all obstacles with His Will in mind; and do not forget, children, all things that are good should be directed to The Divine. All acts upon 'this mound of soil' should be done according to The Father's Will and for the benefit of Souls to be won.

**D**o not forget also, that as you stand in a desire to do The Father's Will, your action is important, your example is important, every word you say is important, for in these things

**others will be gathered and others will feel the draw.**

**Do not forget, that as you stand in My Name, you must remember that for you perhaps there will be no fame, but when you think of the Souls that will be saved, and each Soul will be a Mark of Grace that God will remember for All Eternity.**

**My children, each of you different from the other, each of you with a Soul that must come Here to Where I am, each of you with a degree of Faith that you must never smother, each of you with a degree of love for God that must be used according to His Will, so you will live with Him forever.**

**I bless you with The Father and I say: ‘His Love is One Alone for you every moment of every day. His Desire is for your Soul to arrive Here with Him for All Time.’**

**I bless you in The Son’s Name, for do not forget, I walked upon the earth with Him and We were as One then, as We are now. He sends His Love but He wants to remind you that His Love was left upon the earth for you to partake in, partake of.**

**And now I bless you with My Name, and I want you to know that as the Light of God's Will shines forth through My Name, as the Hope in God's Will shines forth through My Name, the Wisdom of God's Will says to you: 'You can accomplish what He has requested of you. Work steadfast and do not linger. Know that every moment counts. There must not be one moment of waste from any of you.' So be it."**

AUGUST 12, 1981

## SAINT CATHERINE OF LABOURE

**“When Our Heavenly Mother speaks through *The Miracle Of Saint Joseph*, She speaks with a Love you cannot describe, She speaks with a Direction no man could describe, but She speaks with Her Motherly Love that touches each one’s heart, each one’s mind, each one’s Soul, for as you stay in your place here, your Soul is right there with you, and your Soul is a Light and this Light is constantly alert to Divine Light. It is in constant communication with Divine Light.**

**That is why it is so sad when people upon the earth hurt each other mentally, emotionally, physically, or in any way, because it is so unlike the Beauty of the Soul to be any part of such an unhappy situation. We cannot fathom our Soul arguing or fussing with someone else’s Soul because our Soul belongs to God, It is a Portion of God, but our being, in its imperfect state, struggles to be seen, to be heard, and also sometimes to have power it shouldn’t have.**

**I am a Saint and I speak through *this child, this woman* in the world. I have spoken many, many times. In speaking to you and thousands of other children, it was to give an awareness of what The Father expects from each of you.**

**The Light that I travel upon, the Light that I express to you, is the Light of Divine Will, the Light of The Holy Ghost. The Words I have always spoken were permitted to be spoken so you would better understand the Value of life, the Beauty of life, the Greatness of life, and not allow human depression, human problems, human dilemma to control you.**

**I walked the earth in many ways. I walked the earth desiring to one day become a Saint. In the beginning of this feeling, this desire, this hope, I did not know what it was I felt, but as I struggled through daily life and as I struggled to find within myself what The Father Willed for me, I found the path to Sainthood in many ways not so readily.**

**My children, I did not feel that in my state of being I stood in purity, for I knew there were so many things**

for me to change about myself. One unkind thought, and I knew my Soul would have to take the brunt of it.

**M**en call My Name and many say many beautiful things about Me. My Name, My children, is Catherine of Laboure.

**Y**ou must learn more about The Saints and you must understand that though We are Here in the Heavens, We are obedient to God's Every Command. And as We are told to reach out to children of all races, all colors, all creeds, We do it with love and humility, only desiring to serve The Father's Will accordingly.

**A**s I come through the Light of His Will, I come to you at a time when it is necessary, for All the Words, All the Direction that has been given through This Great Miracle, men must begin to see the Beauty, the Practicality, the Promptness of the Meanings, and yes, the Purpose behind Each Phrase that We speak.

**C**hildren love to hear Our Names but children do not always obey the Directions We give. It is important that you understand that What We say

**is for your good, for the good of your Soul as well as your being man.**

**There is a great crisis in the whole world. Men are full of greed. Men are full of turmoil. Men are full of anger. Men are full of lust. Men are full of gluttony. They do not see these things as being wrong, for all these things have become habits with them, habits they do not think they need to change.**

**As I stand in the Heavens in The Father's Light and in service to Him, I want you to know that through This Great Miracle that bespeaks All The Father wants told to the world, His Words are not getting passed on. They are being held on shelves, in drawers. Some children are not eager to share. Some children are afraid to share. Some children are not sure enough of their own Faith to share the Beauty of Our Words. They say, 'Can it be?' They say, 'It cannot be.' And We Here in the Heavens say: 'It is now as it was then; it is now as it will always be. The Father will never allow His children to be alone, for His children are all too important to The Holy Trinity.'**

**Be blessed, My daughters, and know, that as you seek The Heavenly Mother's Love, show Her love in return, and when you do, address Her in the way She asked you to: *'Our Lady of All Light and All Purity, bless me.'* So be it."**

**SAINT THERESE OF LISIEUX**

**“When the Light of Heaven shines down upon the earth, it is because God’s children are upon the earth. When the Light of Heaven shines for the good of Souls, it is because God’s children have these Souls and God wants these Souls to return to Him.**

**We are very lucky children of God, we are very fortunate, and we must understand that when God has given us such a privilege to be a human being upon the earth and we have the responsibility to return our Soul to Him, the Light of His Love shines within us, but the Light of His Love, our Soul, must be taken care of by us, and we cannot just throw It around the way we want, or scar It in any way.**

**It would be a terrible thing to live upon the earth if there was no Soul in man. The world would be very dark or it would be very dim. The only light in the world would be the moon, the stars and the sun, because the Light of each human being, the personality, the nature, the Faith that each human**

**being has, is a tremendous Light upon the earth, and we are fortunate to be upon the earth, for in this privilege from God we are given the privilege to serve Him for All Eternity.**

**Tonight, My daughters and My sons, think about this: To be human is not always happiness, but it is always a privilege from God. To have a Soul should be a Treasured Gift because It is the Part of you that will return to God for All Eternity. To be the one to have a Part of God return to Him, bearing your name, is an Honor of Greatness for each one.**

**I am Saint Therese of Lisieux and I have spoken to you much tonight, for I want you to know that as you live upon the earth it is a Gift from The Father for your Soul to return to Him in a Perfect Glow. So be it.”**

## GOD THE FATHER

**“I have given the world so much. I have expressed My Love in so many ways. I have directed men in Truth so they would understand My Will for them. I have entrusted to man a means to earn Grace. I have endowed men with Faith to better understand Me.**

**Each day I express through a Miracle of Hope, My Desire for men to seek more a direct path to Me. I have encouraged men to be obedient to The Rules I gave man to follow in many ways. I gave man Parts of Me, and through These Parts I showed man, through Example, what I expected of them. I constantly encourage man to seek piety. I created man for a Great Purpose. It is My Will that all men return My Soul to Me. There is so much that men ignore because they are unwilling to set aside their weaknesses.**

**I am The Father of all mankind, and I am The Creator of all mankind, and men must begin to have the Faith in how I would work, how I would**

**express My Will, and how I would present My Intentions for the good of men. I have given the world many Gifts, great Gifts, and men have chosen to ignore these Gifts because they have accepted self-love above loving Me.**

**Some men say it is strange, it cannot be, that God would speak through a mere *human being*. Look back in time and it has been this way from the beginning of time. I use My children to teach others of My children, My Will, My Words, My Way.**

**There are so many blasphemies, there are so many sacrilegious acts and actions being performed every moment of the day against My Will, My Being, My Purity. This Great Gift I have handed to man must be seen for Its Greatness, Its Worth, Its Beauty, Its Importance, Its Purpose. All chosen manners and ways in which I give Direction, give Hope, give Understanding, display My Total Love, My Sincerity, My Desire for My children. The time has come when men must see the Importance of Faith in Me, the delicacy of Faith in Me and the Purpose for which this Faith has been given.**

**Men rarely pray in Honor to Me. Their prayers have mixed emotions, lack tranquillity, have confusion in their very essence, and there is a great lack of Faith in the prayer that is said. Men do not understand the value of respect. Men do not see the necessity for penance.**

**I am showing *the child* a Soul begging to not be sent for reparation. The arms are outstretched to Me, the terror in the eyes is difficult for her, and yet I show her where this particular case had been forewarned a multitude of times, and no change was made to correct the errors against Me. I have no alternative but to see that this Soul make reparation, because under these conditions and circumstances, I cannot allow It to enter My Kingdom. It is a sight, a viewing, she will never forget, but in this act of impression, she will better be able to pass My Instruction, My Teaching, My Direction, on to you. As this Soul slips from view, It is on Its way to cleansing according to the necessary means.**

**This Great Miracle has been sent to the world as a Gift from Me to avoid Souls being lost for All Eternity. So be it.”**

SEPTEMBER 16, 1981

**“All The Saints in Heaven have at one time spoken through *The Miracle Of Saint Joseph*, and They could not have done this if God had not allowed it to happen. All Things that pass through to the world, pass through the Wisdom and the Light of The Holy Ghost.**

**We know The Holy Ghost as a Third Person of The Holy Trinity, but we also know The Holy Ghost as The One Who hands to us soundness, hope, understanding. We also know that The Holy Ghost is much a Part of God, and of course, was an Important Part in the Creativity of all things.**

**The Holy Ghost ever watches over our Souls because The Holy Ghost wants our Soul to return to God. The Holy Ghost is evident every place you are. It is in constant Union with your Soul, but you must remember that your physical, your mental and your will sometimes reject The Holy Ghost, and you must begin to understand that as**

**you reject The Holy Ghost, you reject God in many forms.**

**Goodness can be an obvious way in all your thoughts, words, deeds and actions, good example, soundness, morality and hope, for all of mankind, when they see you, when they think about you, when they address you, when they salute you, and when they call your name, whether they call your name for personal needs or just to get your attention.**

**Remember that as you live upon the earth you are a child of God, and in this particular place that you walk and you live, you must know that you are never without the Protection of God, because of the Soul that you bear, the Soul that is within you, and the Soul that is in constant Union with Him.**

**Any unkindness, any lack of charity, any sinfulness that you perform, makes your Soul turn away from God in shame and then it is God's Love, God's Mercy and God's Justice to the Soul that drives the Soul back in attention to Him. Remember, shame is transferred to your Soul through your lack of goodness, and of course, all your impurities.**

**Be blessed, My sons, and know that as I speak through *a child, a woman* in the world, This Miracle will grow, for as It grows men will be gathered to listen, to hear, to read, and to see the Light of The Holy Ghost.**

**Be mindful of all things that occur around you, for you, in you, and be assured that all is allowed by The Father through His Love for you and for your Soul. Know, that as you are present in this place, know that your Soul is also present in this place. And know that as you listen to These Words, The Father touches your heart, He touches your mind, and of course, He holds your Soul. So be it.”**

SEPTEMBER 23, 1981

SAINT ALPHONSUS LIGUORI

**“All of Heaven has spoken through *The Miracle Of Saint Joseph* to give men strength and to teach men the honor and the dignity of Faith in God.**

**My beloved children, I am Saint Alphonsus Liguori. I have spoken many, many times through This Great Miracle and each time I have spoken I have left Words upon the earth for men to learn from, for men to understand, for men to better see the Beauty of Faith in God; how to practice it, how to keep it, how to share it, how to honor it, how to dignify it.**

**There have been millions of Words spoken through This Great Miracle. We have spoken Them deliberately, kindly, gently, and in a form of conversation many, many times. Men listened but they did not always follow the Lessons. We have referred back many times to the time The Beloved One walked the earth.**

**But tonight I bring you a Message of Great Hope, for as you know that God is really your God, and God has**

**truly left Himself upon the earth in the Form that you must participate in, knowing that you are receiving a Portion of This Beloved Father of yours, know that It is truly The Holy Spirit of God Who enters your being, joins in Union with your Soul to give you the strength of life for All Eternity. So be it.”**

OCTOBER 3, 1981

**SAINT THERESE OF LISIEUX**

**“Many people expect a Miracle directed by God to be an emotional situation, or one that is constantly giving out Great Facts that will stir people’s imagination, or cause a lot of people to become so excited about their Faith that they will start doing things differently.**

*The Miracle Of Saint Joseph* has given much Light to the world, through Its Very Existence first of all, through Its Teaching, and of course, through Its Directness in what It teaches. The Light that It has been dispensing for so long is a Light of Hope, for everyone born to the world is born with a Soul, and everyone who has the Gift of Faith must practice this Faith for the sake of one’s own Soul.

**Heaven has Many Saints, Some known, Some not known, but it is important for man to understand that God, at a time like this, would not leave man alone. Men must understand that purity and piety, humility and hope walk hand in hand, and the Beauty of**

being a human being is God's Gift to man, with all the facets of human life: personality, nature, talents, likes and dislikes, hopes, desires, needs. And of course, the beauty of the family is important to man because this is how God showed His Love for mankind, for He, too, came to the earth in an important way, but He came to establish a Church that will never go away.

My beloved children, it would not be right if on this day I did not come to say that I am Saint Therese of Lisieux, and I come in a very Special Way for I come through *a chosen child* in the world, to give many Lessons so men will get to know the Importance of the human way, and that man will learn more about the Beauty of God's Love, and of course, the path to Him in many ways.

There is so much Love passed through *this instrument* to the world, man could not understand the Degree of Love. But I come to you on this day and I say, 'This day has been Blessed in many ways, and though many Souls wait to hear the Words of Truth, as disciples, through your example of the Light you have received, you are to

enlighten others with hope.' You do not have to walk around in a manner of feeling important. Just be example in humility and show other men the beauty of charity. And as you say the Words, the Light of The Holy Ghost will give to the other one what you cannot, the Beauty of Purity in the Truth you speak for The Holy Trinity.

**B**e aware that The Father is aware of everything you do, but be conscious of everything you do, so when you are doing wrong, you will correct it, you will change, and then you will ask forgiveness and never do it again.

**B**e blessed, My children, in a very Special Way, and know that to walk a path of teaching The Father's Will to man is a path not easy, but has the Light of The Holy One all the way. The Light of Truth can not be denied, the purpose is always there. Know that as I speak, I was once man and My Work is Here with Him for All Eternity.

**T**he Heavenly Queen, The Mother of All, signs Her Name to This Love when She blesses you from Above and says, 'Never forget to say the prayers I love to hear, for when children say

these prayers to Me, I feel they cannot sin, they will have to look to purity.'

**The Light is The Father's Will, the Manner, The Holy Ghost's Way, the Lessons, from The Second Person of The Holy Trinity, so you can pass These Words to others and say, 'It would be good for you to pray, it would be good for you to know that God must be first, and in your actions it should show.'**

**As *the instrument* is held by the Power of Divine Light, All of Heaven smiles today, for as the Words rapidly came your way, the Words were Ours for her to say. The Words are yours now for you to convey. So be it."**

OCTOBER 14, 1981 AT 5:58 P.M.

**GOD THE FATHER**

**“I have addressed the world many times through This Great Miracle of Light, of Hope, of Courage, of Understanding, and I say to the world through *a child*, through *a woman*, through *an instrument*, *a Chosen Soul* in the world, that you must understand My Reason for this Great City to be built, My Purpose, is for the good of all men’s Souls.**

**Many men, in their interrogation about This Great Miracle, find themselves deploring what It’s all about because they feel they cannot come up to Its Standards, in which, by which, through which, for which, with which, the Lessons are given. The Purpose seems unobtainable by man, only when man disfigures the Beauty of Faith, disfigures the Purpose of life, and finds himself reveling in the humanistic pleasures that he feels are relevant to man.**

**There are so many things upon the earth that men can enjoy without a lack of purity, without a lack of**

moral values, without a lack of moral standards.

**N**ow I come to the world through a Great Miracle, a Miracle that is controversial to some men. In reality, It is a parallel to the time in which The Family walked the earth, Parts of Me, Portions of Me, to give to the world, to give to all mankind Example, but above Example, a Pure True Sacrifice of Love, Honor and Dignity, for the sake of all men's Souls.

**I** speak through *a soft voice*, but the world must know that the Power I Am, the Strength I Am, the Wisdom I Am, the Being I Am, is One in which the whole world could end in a moment. So do not put all the emphasis on *the soft voice*, but remember, I Am The Power behind *the voice*, I Am The Power within *the voice*, and I Am The Power that controls *this voice*, for the good of men's Souls.

**T**here are many things to occur. There are many happenings that must be soon. There are many obvious obstacles, and there are many men who want to see this *chosen instrument* foiled.

**I say to you now, I, The Father, The Father of all mankind, The Father of the universe, The Father for All Eternity, uses this *chosen instrument* to defend the Souls of all mankind, to prepare the Souls through the Teachings I give through This Great Miracle of Hope, of Life, of Endearment, and do not forget that My Words will remain forever, and through This Great Miracle of Light, Enlightenment, Direction and Hope, I set the Standards in which, by which, through which, for which, with which, men can walk to reach Sainthood as their Goal. So be it.”**

OCTOBER 14, 1981

## GOD THE FATHER

**“Through *The Miracle Of Saint Joseph*, I have given you the Direction, I have given you the Time, I have given you the Way, and I have given you the Lines to know what you must do to return the Soul that I gave you.**

**You must understand that the Light of your Soul I see all the time, and sometimes your Soul says, *‘Father, help Me, for I do not want to be lost to You for all time.’***

**The pleading of the Soul God hears, and then the Soul turns to you and says: *‘Be good, you have a will. Understand that your offenses affect Me, and in your understanding, make Me ill.’***

**No human being wants to be ill. Well, always remember, My children, that the Soul I have given you does not want a blemish, a gray spot, a scar, a dimness, because of you. Your Soul is loyal to you in many, many ways, and yet your Soul yearns to be with Me for All Days.**

**Remember These Words tonight and remember Them in a little Light, and when you do, be assured that your Soul, in knowing that you are remembering These Words, will turn to Me and say, *'Heavenly Father, Heavenly One, oh, King of All Creation, bless the child and help the child return Me to You for All Eternity.'***

**Men must begin to realize the Light of Heaven shines through This Great Miracle and the Light is meant for men to understand the Purpose of life, the Beauty of the Soul, the Dignity of the will, and of course, each man's intended Goal, Sainthood for each Soul.**

**Today I am losing so many children, and so many Souls are being lost because of so many offenses, so many children forgetting the beauty of how they must hold their Soul in attention to all that is pure.**

**Remember solemnity, remember piety, remember Grace and remember purity, and never forget, that as you walk in the world and you are distracted by so many things, as you work in wanting to appear to all**

**mankind as best you can, do not forget that the Soul within you faces Me.**

**You are Blessed, My children, for your Faith, in your Faith, and remember, that as you live in the world as man, I wait for your Soul to return to Me so I may use your Soul in the tasks I intend. So be it.”**

OCTOBER 21, 1981

## GOD THE FATHER

**“As I spoke to you tonight, I spoke through *a very tired voice*. I spoke of reasonable things and I spoke of terrible things. I spoke of the necessity for men to see the value of good, the reason for good, the practicality to good. I spoke in a manner of a human voice and I spoke to you as man to man. I spoke to you, not comforting, perhaps even cruel, but I spoke to you in an honest way so you would not come out a fool.**

**I spoke to you of responsibility. I spoke to you with Love, I spoke to you with Concern, for the Soul you have must return Above. I spoke to you, not in a passive way, but I spoke to you with Enlightenment My Way. I spoke to you with Deep Concern and I spoke to you with a Love that some of you perhaps did not earn. But I spoke to you with a pleasant voice, and though it was firm, *the voice* expressed My Love in a tone, far less than you might have heard had I spoke to you alone.**

**T**here are so many things, My sons, that you must understand, that you must enrich your life with, so as you live, you will be a worthwhile man.

**T**he time has come for Me to show a wrath to many men. The time is here, the time is now, for men to understand the Beauty and the Value of life, the necessity for men to think in an orderly way, so they can command the dignity, the privilege, the light and the hope, the love that is necessary to be a good man.

**B**e honest with yourselves, My sons, and look at all things in truth. Accomplish all that is good for the good of your Souls, and remember, I truly do love each of you, but I cannot tolerate much longer the sacrilegious acts so many men have put upon the daily life of man.

**B**e assured, My sons, that the Soul that I gave you was Good, was Perfect, and that is how I want this Soul returned to Me, in a Glow of Light, reflecting all the good that you did do.

**B**e blessed, My little ones, and know, I come from Heaven through a

***voice*, and yes, through another Soul. And as I speak through *this Soul* to you, I smile at your Soul and I say, ‘I am doing all I can so You will return to Me one day.’**

**I bless you with My Love but I bless you with My Hope, and I bless you with the Love of The Heavenly Queen, for Her Love for you, you all do know.**

**So remember, as you leave this place and go your way tonight, I spoke in a very simple way through *a Soul* to the Light of your Soul. And do not forget, the Rays of Heaven glow, and your Soul is constantly alert to These Rays that do not show. So be it.”**

NOVEMBER 4, 1981

## SAINT JOSEPH, THE HOLY SPIRIT

**“As I speak through *this woman* in the world, I smile through her and I say: ‘You have been given an opportunity to see the Light of the Heavenly Way. You have been taught much in your day and you have been Blessed with a Great Love God’s Way.’**

**My sons, I am Saint Joseph. I am The Holy Ghost. I am The Light of the Heavens and I am The Light of The City of God. I am The Light by which, through which, men will see the Glory of the Soul God gave for them to return to Him, through Me.**

**The Heavenly Queen beseeches you to look into the Light of Hope, not see It dim, but see It glow for the Soul that God wants returned to Him.**

**Men call Me ‘Saint’. It is a Salute of Honor. I answer to the prayers, I answer the requests in many ways. And when men speak of The Holy Spirit, The Holy Ghost, I also answer these prayers in another way, for there are so many things not yet explained to the world, but you must be reminded at all**

times that you were placed upon the earth for a Special Reason, a Special Purpose, designed by The Father for the good of your Soul.

I speak through *a woman* in the world, and I say to you that once before, the Words of a Woman, though She was different in Origin, were for the benefit of mankind and for the good of Souls.

You must understand, My sons, that This Great Miracle placed upon the earth, that bears My Name, is for all good to come, for all men to better understand the necessity of the Soul to return to God for All Eternity. We wait Here in the Heavens and We descend upon the earth to attract your attention, so you will better understand that the time upon earth is Special for man and must be utilized for a time later on, to spend Eternity with Him.

So many times men say, 'If You are The Holy Ghost, are You not The Father?' I always smile at this and say, 'I am the Light of Him, I am the Wisdom.' So many times children try to put so much emphasis on one word, and I say to you as I say to them, 'Have

**Faith, My little ones, and be aware that the Purity of the Light that I send to you tonight is the Purity that your Soul understands.'**

**So be aware, My children, and be concerned, for the Light that I give you is a Burning Light of Hope, a Burning Light by which, through which, you can save your beloved Soul.**

**I bless you from the Heavens. I bless you in a way you will understand, for I say, *'In the Name of The Heavenly One, The Creator of all mankind; in the Name of The Father and in the Name of The Son, Who gave to the world a Portion of Him, Who gave to the world the Way to Him.'* And then I say, *'As you cross from one shoulder to the next, My Light will remain with you.'* You must remember this. So be it."**

NOVEMBER 11, 1981

**SAINT JOSEPH, THE HOLY SPIRIT**

**“There are so many Lessons yet to be learned by all the children throughout the world. There are so many children yet to be touched by All the Lessons that have been given and are yet to come.**

**There are many avenues to Sainthood. The first one is, of course, to become so dedicated to The Father, so in love with all things that are for Him and in His Name, that nothing else matters. Love for The Father must be pure. Love for The Mother demands purity.**

**You live in a time of many errors. You live in a time of much adversity. You live in a time when your strength in God will show eventually. Do not weaken, My children. Do not stray from the path that is meant for you to follow, but become aware of the necessity to grow strong on this path and to help others walk beside you, through your example, your love for Him, and your desire to become a Saint.**

**N**ever forget that you must not clutter your mind with a lot of big words, but keep in mind at all times the simple prayers of devotion, dedication that strengthen your Faith and make you lean more on Him. Be charitable to all men and be assured that no act of charity ever goes unseen. Also, be assured that This Great Miracle that bears My Name is for the whole world.

**I** have sent much Light through This Great Miracle, and some children say, *'Saint Joseph, let me see the Light.'* I smile at this and I say, 'Is it more important that you see the Light or you feel the Light or you follow the Light, or you say to Me, *"If I cannot see It, I cannot feel It, I know It is there, Saint Joseph, because You would not eliminate me"*?'

**I**t is a great Act of Faith, My children, you show in this. It is an act of love, and I smile when you say such things to Me. But I cannot resist saying another thing: 'Seeing the Light is a Blessing from The Holy Trinity.'

**You** are Loved, you are watched, and in many ways, All The Saints Here in the Heavens intercede for you every day, for when your Faith is good, your

**Faith is pure, and you have hope, do not forget, that the prayers you say, the hopes you have are heard in many ways.**

**You are Loved, My children, in Divine Light, and as I am with you tonight, I want you to know it will be your will that will help you grow more in love with The Father, in more purity Her Way, and I will always be there when your example shows.**

**I am everywhere at all times, and through This Great Miracle I come Personally, for it is the time in the world for men to better understand the Beauty, the Purpose, the Reason, the Goal, for which, in which, by which The Father created man. So be it.”**

DECEMBER 29, 1981 AT 2:53 P.M.

### SAINT MARGARET MARY

**“My beloved children, All of Heaven uses *this channel* to teach, to direct, to console, and yes, to encourage in ways human and yet Divinely Oriented.**

**I am Saint Margaret Mary. As The Heart appeared to me, I speak through His Heart to mankind with Words solely for the good of each man’s Soul. All Words that flow so readily through *this channel* of Teaching, of Direction, flow on the Winds of the Power of God, and in the Wind of His Power to reach mankind. The Words must never stop being delivered to all who do not have the privilege to be present when the Words arrive where you are.**

**There are Many Saints Here in the Heavens Who have spoken and Who speak The Father’s Will for the good of men’s minds, bodies and Souls. The True Character in All that is spoken, the Sound Doctrine in All that is said, and the Purity with which It is given, must be responded to in the way It is intended, for men to be alerted to the**

## **Beauty of The Father's Love, Hope and Will for all mankind.**

**I speak in a simple form so men will understand that The Father's Heart is in the midst of man through All the Teachings that have gone forth, and through All the Words that have been put in print by the proper men, in the proper order, for the proper intention, which is always the good of man.**

**You truly live in a time of great distraction, much corruption and turmoil that has tragic ends, but you must understand that you have been Blessed by The Father's Will in What has gone before, and What you have been receiving through the Power of His Wind and in the Wind of His Power, firsthand.**

**Men speak many words offensively toward The Father's Wishes and Will for how He expects men to be. Many times these actions of men are offensive to The Father, defending men's weaknesses, and always carry with them rejection of His Will according to His Plan. Men say, 'I cannot walk in blindness,' and yet men use blindness to evil so they cannot**

be blamed for allowing weaknesses to be, to occur to their way of life, to their thinking, and of course, to the satisfaction of their senses.

**Blind men many times say, 'It is good to be blind, I cannot be blamed for what I do not see.'** But when a man blinds himself Spiritually, he must be accountable for what he feels, doubly accountable for the offenses he allows himself to be a part of.

**So many men throughout the world truly are asking for The Father's Will to be seen by them. It is here in your small place, and yet men try to ignore This Great Blessing because they feel they do not want to partake in things that go against their nature, personality, desires, hopes, dreams, or imagination. So many men cry for help. The Father sends It through His Heart, through His Love, through the Purity of His Intention, but men ignore such Purity because they do not want to feel they must change their morality, their integrity, and they feel that purity demands total dignity of mind, body and Soul.**

**As I speak through a Pure Way there is nothing to cloud What I say,**

for His Heart is Pure Light, and All Things that pass through It must be Pure or they would not, they could not penetrate His Light. So as men read the Words, the millions of Words that have been given according to The Father's Will, through All The Saints in Heaven, men must begin to realize that These Words had to pass through the Pure Heart of The Father in order for Them to reach the earth in the manner They arrived, for the Reasons They were given, and for the Goal He intended.

Children of all ages must see The Father is requesting Holiness for each one. Holiness is not impossible, it can be obtained. It is necessary for men to reach for it, to strive in every way to gain it, and to have it as their Goal, for through this action they will find that Holiness is greater than any earthly thing they can acquire throughout the whole world. Holiness consists of a pure mind, a pure body, and a Soul nourished by these so that the Light of the Soul burns with The Father's Love, The Father's Will in all things. Holiness is what The Father wants all men to desire, to gain and to have.

**I, Saint Margaret Mary, am privileged to bring These Words to the world. I am privileged to give mankind such a Profound Loving Desire of The Father's for all mankind. It is one of the great privileges that being a Saint gives to an individual Soul.**

**The world has been Blessed by a Tremendous Miracle. This Miracle is destined to guide millions of men's lives. This Miracle will give many men Hope. This Miracle will encourage men of all kinds to reach for Holiness as their Goal. So be it."**

JANUARY 6, 1982

SAINT FRANCIS OF ASSISI

**“As I speak through *this woman* in the world, I have oftentimes said, ‘I speak through a very tired *chosen instrument*.’ Men understand the word ‘tired’ but they do not all understand the words ‘*chosen instrument*’. They form opinions of such a Statement and they do not always realize the Magnitude of These Two Words.**

**My life upon the earth was difficult in many ways, and there are many stories told about Me, some true, some partly true, but many of these stories are men’s opinions, for no one knows what’s in another man’s heart, another man’s mind. No one truly knows how another man feels. Many times men do not care how another man feels.**

**I have spoken hundreds of times through This Great Miracle. I am Saint Francis of Assisi. I am close to This Miracle upon the earth because I walked a similar road, different in many ways, similar in some, and of course, understanding the Magnitude**

of The Father's Will for the Souls of men, for the Souls of all kinds of men, so that they would learn about The Divine.

Men frivolously use words that they feel they have control of, and I, Saint Francis, come to the earth tonight in *a physical form*, with Words to tell you about This Great Miracle of Light and Hope that is directed by The Father's Will from Above.

The Miracle has given to man Direction, Teaching, Words, so simple, so plain that men easily understand the meaning; also, why These Words are given in such a form for them to understand. I could speak in a complicated way, in a difficult manner, but My time with you then would be useless and it would not be according to God's Plan.

All the Teachings, All the Words, All the Love, All the Hope, All the Direction, has been handed to the world firsthand, in a way men may not fully understand, but in the fullness of What is said, men must learn the path they must take to be with The Father for All Eternity. The Lessons are Magnificent, Pure, Simple, and in

**so many ways give Hope if men would only try to understand.**

**The Project, the Task for the City to be built is one alone upon the earth. No one has ever been given a project of this Magnitude, this Size, this Tremendous Means, Goal. This City is for the good of billions of Souls, and This City must be seen for what it is to be, what it will be. And one day men will walk on the ground not knowing the past History, only interested in the moment they are in the world.**

**You have been given a great task to support. You have been told many things that should be. You must understand that your intellect, your talents, your time, your capabilities, your abilities will be used if you allow it to be, but you must also understand that the tasks performed for This City must be done brilliantly, and all things must be done according to His Will and His Word so This City will show a Light of Great Magnitude to the whole world.**

**In so many areas of This Great Miracle, time has been wasted by man because man took too much time to try to understand the Purpose. And then**

men would say: 'Why me? Why would God pick me to walk in this time? Why would God allow me to work on a Project so Great, so Divine?' It is not yours to question, it is yours to do. It is not yours to be concerned about, for. Just do what you can, do what you must, and then offer all things for The Father's Will.

Sometimes it is difficult for men to say, '*Thy Will, my God, not mine today,*' but if you learn to do this every day of your life, you will find your days easier, happier, more fruitful, and yes, many even a delight for, for each day that you walk and you say, '*Your Will, my God, not mine,*' you will find you will become closer in Spirit, in mind, to The Father's Will for all time.

So be alert, My sons, and understand that this time tonight with you as man is special for Me, a privilege in many ways, for you see, as I walked the earth I had many tasks, and now, as a Saint in the Heavens, I still have many tasks. Part of My task is to help those chosen by The Father so they can perform accordingly. My task tonight was to say the Words to you so you would truly see the Light:

**the Light of Example, the Light of Action, the Light of so many things.**

**And do not forget, be aware that as you walk the earth you are human in every way but there is a Part of you, from the moment of conception, that is Part of The Father, the Part you call 'the Soul', the Part that He says one day He wants to return to Him, a Saint.**

**Be blessed, My sons, and know, whether you see a bright Light or a small Light, whether you see no Light at all, be assured My Presence was with you tonight. It was The Father's Will that I speak, and you have been Blessed by The Father, The Mother, The Son, and The Holy Ghost. So be it."**

## OUR LORD

**“There are many things through *this instrument* that are talked about, instructed in, and directed, and never at any time is *this instrument* not with The Divine. All of Heaven has been directed to speak through her instantly and constantly.**

**The benefit of This Great Miracle is for all mankind, for men’s Souls to be thought about, to be talked about, to grow from the Teachings, the Example, in a Light totally Divine.**

**What passes through her is a Truth men cannot comprehend, but a Truth that all men should begin to understand; not just a service to God, not just a way of life, but a manner and a means as a Funnel for Life.**

**You live in a time worse than Sodom and Gomorrah. You live in a time of immorality, satanism, and yes, total corruption of men’s minds and bodies, dedicated to the corruption, devastation of each man’s Soul.**

**I** have come in Light many times, different degrees of Light, Light with Rays, Light with Pressure, Light with Understanding, Light with Hope, Light with Direction, and so many people say: ‘I feel the Light, I understand the Light, I have hope through the Light, I see a Light. Now what do I do with What I know?’

**The** world must know of This Great Miracle. We have said it often, We have said it many times, but few men dare to follow this role, for so few men say, ‘I don’t know how.’ Others say, ‘I couldn’t do it,’ and then a greater number say, ‘I will wait and let someone else carry the ball.’

**Be** sure, My sons, that as you carry the responsibility of This Great Miracle, you are constantly aware of the Souls that you touch, that you could help through their knowing about This Great Miracle in the world.

**Men** say, ‘What is The Miracle?’ We Here in the Heavens say, ‘It is We Who speak; is this not enough?’ Men say, ‘Others want physical Miracles.’ We Here in the Heavens say, ‘This is a Special Physical Touch.’ Men say, ‘Why her, why not me?’ We Here in the

Heavens smile at this and say, 'Do not envy such a difficult road.'

**T**here is so much, My sons, for you to learn, for you to know about, and for you to help others with. There is so much that you must begin to do, for the world has become worse in many ways, and men, women and children of all ages are destined to Hell if men do not quickly learn the Purpose of This Great Miracle for all men's Souls.

**Y**ou are not foolish to have Faith. You are foolish to not have Faith in how God works. You are not ridiculous to say prayers. It would be ridiculous for you to not say prayers, for prayers are your communication with God.

**S**ome of you do not pray much. Some of you want to and forget about it; you are too busy in the world. Some of you say, 'I must make a habit of prayer; I will begin tomorrow,' and then tomorrow comes, the habit has not begun. You have forgotten or you have begun in such a weak way it cannot last. There is no interest in it, there is no hope permeating the prayers you have said.

**I** hold *the instrument* deeper, not in your worldly way, but in a Way of

**Divine Love, for the Light that We pass to you tonight is a Light of Divine Ray. As I speak, I hold her insides together, for the Power I Am, the Power upon which I come to the world is a Power that could destroy the whole world if I would want.**

**I am The Son of The Father, I am The Second One. I use the Light of The Third to pass My Words to everyone.**

**There is so much for you sons to understand, for All the things that were spoken of other men were said to make you understand the delicateness of this *chosen one*, and the depth of love and hope, the beauty of the responsibility she bears for everyone. When I speak through *this instrument*, through *this funnel*, for the whole world, the amount of Divine Hope that passes through her is endless, timeless, and enough for everyone.**

**You are Blessed, My sons, with a Light and in a Light you could not copy or imitate, but in This Light your Faith must grow, for It is truly the Light of Heavenly Beings, truly the Light of The Holy Ghost. I speak not from the Cross, but I speak to you from Heaven**

and I say, 'This Great Miracle of Light is a Miracle One Alone.'

She searches out My Face for when she has seen Me, she remembers What I said in a personal tone. I change the Light for her so her eyes can focus on the Light of Me that she knows is in the room.

Many children must understand the Importance of walking in the world for The Father's Will to be done for the good of man, and I, The One Who walked with men, say to you now: 'You rarely take Me with you wherever you go. You rarely call My Name so I will show. You rarely beseech The Father's Will for Divine Plan to be done by you.' It is true, some pray, but not enough, for the time I spent upon the earth I saw men foolishly use time, and in your time men fritter away the moments of the day and few understand the Purpose of life, the Dignity of life, and the necessity for personal control.

As I hung upon the Cross, men saw Me as man. As I was taken from the Cross men saw Me as man. But when I left the tomb and rose to My Place where I am now, all men really felt was the fact that I was gone and a Miracle

had been performed. But through time men have willingly forgotten the Magnitude of My Ascension. They celebrate it, they think about it, they talk about it, but they really do not dwell upon it for it is beyond their comprehension.

But I come through *this instrument* today to warn you and to remind you that you must begin to see the necessity for better understanding Me and why I presented Myself upon the earth, What I gave to the world for the good of man, and the Importance in how it was done, why it was done. The reason was so Perfect, so Right, so Good, and It was All in Divine Plan.

I bless you in many ways and I say, ‘Do not allow tonight to just float away, but before you lay your head say prayers My Way, and when you do this, make a habit of it; and I will remember tonight in a special way, for I want you to know you need prayer in your life, you need the help of prayer to help you grow.’ So be it.”

FEBRUARY 10, 1982

SAINT ATHANASIUS

**“People should talk to their Souls. When was the last time you talked to your Soul? It’s a Part of you. You talk to your Guardian Angel once in awhile. You should talk to your Soul, It’s a Part of God that is to be with Him for All Eternity, and assure this Soul that you will do everything you can to make It a Saint.**

**So, tonight before you go to bed, remember to talk to your Soul because your Soul is very much a Part of you. Your Soul is very much a Part of your everyday living. If you lost your temper today or you were unjust to anyone you know, if you gossiped, if you committed any sin against any of The Commandments, tonight your Soul might have a little scar on It that wasn’t there this morning. Souls do scar, and if this offense against God continues in the same way, the scar can be deeper tomorrow or the next day, and it is necessary to perform acts of penance to eliminate the scar from your Soul.**

**And when you talk to your Soul tonight or tomorrow, be assured that your Soul hears you, even though you cannot see your Soul, and it is actually a Gift of Love from God that you cannot see your Soul. You might be so discouraged that you would not try to make It a Saint.**

**Through *The Miracle Of Saint Joseph*, All of Heaven has spoken to thousands and thousands of people, not just the group here. *This child, this woman, this instrument*, has spoken to thousands of people, not with self-acclaim in mind, but to give each man the opportunity to listen firsthand to God's Will, for the sake of each man's Soul.**

**You cannot plead ignorance to what you know is Truth. You cannot act with indifference to what you know is right. You cannot make excuses for yourself or anyone else. When God is offended, the Soul is scarred and the Soul's Light is diminished because of self-love or arrogance.**

**The world has been given millions of Words of Direction, of Hope. People ignore What is given because they say, 'This is a new world,' but I, Saint**

Athanasius say, 'You live in a time of many heretics, much heresy, and desecration in many ways.'

I am a Saint. I stand in the Heavens and I am but One Who speaks through *this instrument* of Light and of Hope. There are many men who surround her, feel the Light that radiates through her, around her and within her, and they do not know Its Great Worth. Some do not recognize What It is. They deem to guess, they seem to know, but in reality there is more wonderment, and that is the part that shows.

*This child, this woman, this instrument* is never without Us in the human role. The Light that passes forth to the world through this *great instrument* of Words, passing to the ears, through the minds of thousands of children, must be seen in the manner Decreed by The Holy Trinity.

Be mindful, My children, that to stand in Truth any time, any era of man's existence in the world, is difficult, because men try to destroy what is good; men work at destroying what they cannot handle according to their own moods.

**We shout through *the instrument*, 'Do not walk in a lethargy, a laziness, a disinterest,' and men hear These Words but they toss These Words around within their mind, in their mouth, and then the practice of These Words does not occur in the manner We have requested it to be.**

**Your Soul is Special to God, It is Special to you, and you must know this, and you must speak to your Soul, make promises to your Soul, and keep these promises that you decide to be.**

**The Light of the Heavens expresses Hope. The Light of the Heavens touches Each One of your Souls, and as This Light comes through This Great Miracle many times, I must tell you this: Your Soul bows to the Light, refreshes Itself in the Light, and hopes that the Light will strengthen you so one day the Soul will stand in Glory before God in Heaven, as a Saint.**

**It would be foolish for you to not believe What I have spoken, for there is Hope in What I have said. It would be foolish for you to think it to be otherwise, because tonight before you lay your head, your Soul will wait**

**for you to speak and your Soul will respond with a Love not human. But you can be assured the Light from the Heavens and the Strength in your Soul will give you strength to conquer things when you are weak.**

**A Blessing comes to those who have Faith in The Father, a Blessing beyond man's knowledge or understanding, but I, Saint Athanasius, say with a Special Love from a Saint, 'Do not set aside your privilege or your responsibility to your Soul; make It a Saint.' So be it."**

FEBRUARY 17, 1982

## SAINT JOSEPH, THE HOLY SPIRIT

**“Tonight, before you lay your head, it would be wise to kneel by your bed and say a prayer asking for forgiveness for all the mistakes, all the errors, all the weaknesses displayed during the day. It would also be wise to ask God to help you tomorrow be a better man.**

**Men say, ‘When the sun is very hot you can fry an egg on the sidewalk.’ This heat is controlled by God. Have you ever thought that if the sun was not held at a distance from the earth, you would die, but the Control is One Alone.**

**The Rays that come forth to your Souls tonight, My sons, are governed by The Father’s Will, controlled by how much He is aware of what you can stand, what you can take, what you can endure.**

**The Light of Heaven is all around where *this instrument* is. The Light of Heaven falls gently upon you, in a form and in a way for you to better understand the necessity of not walking**

**upon the earth vulnerable to every weakness of man, but grow in strength so you can walk in the Light of Hope to be good example for every other man.**

**The Light is bright, the Light is dim, the Light is strong, and you must understand, the Light that is sent by The Father lights the Light of you within. Be conscious of the depth of this Light. Be aware of the Light that gives to all men more Faith, more Hope, more Understanding, more Grace, more Strength, to walk in the world with men.**

**The issues are many, My sons, that must be corrected, conquered, solved, and yes, eliminated.**

**There is so much immorality in the midst of man that men forget Who I Am. I Am The Light of The Father, I Am The Hope for the world, and through the Light that I Am, I pass on to you Grace to give you strength to be a pure man.**

**It is no disgrace to be full of Grace. It is something to be envied by every other man. So if you feel unsuccessful in life, be a success in your Spiritual way so that you can**

**feel the Grace of God enter your Soul during the day.**

**You must honor The Father as He wishes to be honored, with dignity. And do not forget, the beauty of piety is special to Him for it says you love Him, you respect Him, and you want to return to Him one day.**

**The Light is different for each of you, for each of you are in a different state of Faith. The Light is bright, the Light shines true, the Light I send to you tonight is Pure clear through. The Light is blue, the Light is pink, the Light is yellow, the Light is orchid, the Light is white, the Light is green, the Light that I send to surround you. It is all the colors created by God, and through each color He sends you a Spark of Hope, a Ray of Love, and a Direction to go.**

**You are Blessed, My sons, in more ways than you know. You are Blessed with Truth, be bound to It. You are Blessed with Love, recognize It. You are Blessed with Hope, secure It. You are Blessed in Light too profound for you to understand, but This Light is a Blessing from God to man.**

**No time in the world for falseness, no time left for substitutions. Relationship between you and God is one in which He holds you deeply. He respects you. You must respect Him.**

**I Am The Light of Him. I Am The Wisdom, and I Am The One Who sends to the world through *this instrument*, All the Words, All the Direction. All of Heaven has come forth to give mankind this Absolute Protection. So be it.”**

FEBRUARY 27, 1982

**SAINT THERESE OF LISIEUX**

**“No man is ever too important to pray and no man is ever too important to not serve God. No man is ever too important to not be humble. No man is ever too important to not have to strive for Sainthood.**

**Men talk about Divine Light. Men talk about hope. Men talk about what they will do to grow spiritually, but so many men forget along the way and they stray.**

**All of Heaven passes through This Great Miracle, not to end men’s miseries, but to help men direct all they are for a Higher Goal. The simplicity with which This Miracle has been given to the world is One Alone.**

**Men love to think of themselves with great minds, power over other men, and so many times through This Great Miracle, when We speak men slow down, sometimes to a complete stop, and do not know why they have stopped. It is We Here in the Heavens Who promote this, permit it, and take action for it.**

**This Miracle of Light and of Hope has been given to the whole world for men to see the Purpose of life, the Reason for life, and how the physical should be daily. We have spoken lovingly, We have spoken professionally and We have spoken personally, all different ways to attract man's attention to what The Father Wills for individual men who must strive for Sainthood especially.**

**On this night many men argue over This Miracle in the world. Some try to understand It. Others try to ignore It. Others try to diminish It. Others try to be a part of It. From Where We are to where you are, We see so much dilemma over Something so Beautiful, so Pure, so Good, and yes, with such Purpose for all of mankind.**

**Be assured, My children, that as you listen, as you read, as you partake, We hear all you say, We see all you do, for do not forget, We are Saints.**

**It is important for you to understand that The Father, in His Creation of man, formed man a special way, showing His Love in many ways, and giving man so many benefits so that man would not find the physical life**

impossible, but always with hope, that man would not find life in the world in a manner unreasonable.

All the things This Great Miracle speaks of come from God. All the things you are told to look forward to comes from God. So do not forget, the Soul that you have been made so aware of on this day is Part of God, and that Soul that you carry within you, that you must return to Him one day, is a Blessing that only God can give to each man born to the world in every day.

Be blessed, My children, with the Love of Divine Way, and know, that through This Great Miracle many Souls will follow a pure road. It is true, so many men do not understand, but I, Saint Therese of Lisieux, want you to know that *this instrument* through which I speak is *an instrument* totally of Divine Will, and in the days to come, men with whom she walks will find the strength We pass through her, to give her what The Father Wills. So be it.”

MARCH 3, 1982

## GOD THE FATHER

**“Many times, through This Great Miracle, men recognize the Truth. It is not always the way they would design it themselves, for they say, ‘It seems so simple when I hear *this woman* say the things I know, and yet to think about them myself, I complicate them.’**

**I have spoken many times through This Great Miracle of Light in the world, and in My Words I have said to many children, ‘Beware of your self-righteous thoughts, beware of your biased opinions, and be concerned with how you act with what you are, the talents I have given you.’**

**I am the Light of the world. I am the Hope for the whole world. I am the Ray of Peace, I am the Sound of Tranquillity, I am the Perseverance of God’s Will. I am the Gift of Light that is handed to the world through *this instrument* of Divine Love.**

**This Time that I speak is a Time of Great Importance to the whole world for it is a time that children must understand the chaos, the immorality,**

**the impurity that men accept as a way of life, must end.**

**I am All Purity and I respond with Love to all that is pure. It will be your actions, your acts, your deeds, your charity, that draw more Souls to Me.**

**Be assured, everything you say, everything you do, everything you act upon, every example you are, I am aware of, and I see the intentions you hold in each of them. Be honest, be sincere, and remember that your code of life, your code of ethics, your code of standards, must be based on My Ten Commandments.**

**I hold *this instrument* with My Power and I hold *this instrument* to allow My Words to pass through her, for you to understand, as you walk in the world as man, you must seek Sanctity every hour.**

**Do not be permissive in any way but begin with yourself every day. Do not expect others to walk in perfection unless you show them the way. Remember, My children, I did not say, 'Unless you tell them,' I said, 'Show them the way.' It is indeed different in many ways.**

**Men love to hear what is happening. Men love to partake in what is occurring, especially when it has signs of progress, success, power, good, and self-acclaim. But I, your Father, say to you on this night, 'I have passed on to you a Soul that I expect to return to Me again.'**

**You have been taught well by Me, and through My Example of Charity you have learned so much about What I Will. You have learned, not how to struggle, but how to have peace, calmness, tranquillity.**

**I hold the universe where I want it. I have given you intellect to use for yourself, for your responsibilities, and for Me. I expect this intellect to have flexibility, not arrogance.**

**My children, there is so much work to be done in My Name. I expect it to be done, beginning today. So be it."**

MARCH 10, 1982 AT 8:20 P.M.

SAINT ALPHONSUS LIGUORI

**“All of Heaven has been with *this instrument* for so long, and All of Heaven was today with *this instrument* in a very important way.**

**It is difficult for men, women and children to understand the responsibility of walking with no self-opinion, but all things being based on the Will of The Father, for Souls to be returned to Him one day.**

**You have been the recipients of so much. You have been given Treasures beyond man’s measures. What have you done with Them? How have you sheltered Them? What price have you put upon Them?**

**Men shout, ‘I have paid a price for this,’ and they will show an article of human undertaking, human means. Their concern for the price is more than I can tell you, because this is how they measure things.**

**But tonight, as I speak through *this instrument*, I say to you, ‘When you stand before The Father He will not**

say, “What have you gathered to show Me how you have worked in the world I gave?”” I am Saint Alphonsus Liguori. But The Father will say: ‘What have you done with what I have given you? How have you acted with the Gift of Faith? Have you shared it or have you stored it away for another day, hoping to never have to use it, hiding it from others, spending your time doing what other men are doing in your day?’

I have been known for many titles. I am known for one now. My Name is prefixed by a word that is dear to Me, treasured by Me, and I use this to remind you that you, too, must become ‘a Saint’.

In the time in which you live, you talk about battered people. How many times have you battered your Faith? How many times have you allowed other men, women or children to stomp on it, reject it, abuse it, misuse it, and call it by another name? The Faith The Father has given you, the Faith in your Soul, the Faith that you have a Soul, the Faith in how He works, must be of the utmost importance to you.

All children who walk the earth are not True Mystics. There is no need

**for this. It is a different role. But all children are chosen by God in a special way because of the Soul.**

**Please, My children, know that you have been given so much more than you know, and you have been given the Light to understand It, the Reason to recognize It, and the Purpose of It as a Goal.**

**The Father does not give you an impossible dream or scheme or plan. The Father does not say, 'It is impossible so I will test them a difficult way.' Not so. The Father has given you the means and the manner, the method and the way, the plan and the path. Use it as best you know.**

**I have spoken many times through This Great Miracle. I intend to speak many, many more. It is The Father's Will that I hand to the world Direction, Teaching in many, many ways so that children will spiritually grow.**

**It would be no good if you had all things in the world and you had a black Soul. Bear this in mind, that all things you must do must be for the good of your Soul. Remember, nothing enters the Kingdom of Heaven unless**

**It is in a 'Pure State of Light', a 'Pure State of Being', and of course, in this is Its hope for All Eternity.**

**The Father loves all children. The Father Wills that all children return to Him, the Soul. Let no man destroy yours. Let no selfishness be a distraction to you. Be aware that the Light of the Heavens is ever available to you if you will but look to the Truth, the Logic, the Sincerity, the Honesty, the Purity, the Integrity, and of course, the Beauty of God's Will.**

**Men say, 'It is easier for someone else.' I, Saint Alphonsus Liguori, say: 'Why do you look for something to be easy? It is only your interpretation of what is easy.' Do not forget, The Father, when He requests something of you, always gives you the strength and the courage, the perseverance and the hope, to fulfill His Request. When you deny Him this, it is your own self-love, and you must know Heaven waits. All you have to do is respond in love, in action, expressing piety and purity in all you think, you do, you say, and you are a part of. It is not impossible. Turn to the Heavenly Court and you will get all the aid you need, you will**

**get all the help to give you the strength to carry on as The Father Wills.**

**Be blessed, My children, and know, the Light of the Heavens has been given to the world openly, visibly, through a Miracle in the world. So be it.”**

APRIL 7, 1982

## SAINT ATHANASIUS

**“I have spoken much since the beginning of This Great Miracle, and tonight I speak again. We do not use *an instrument* for self-acclaim, We use *an instrument* to reach Souls as God Wills it to be.**

**The Light of the Heavens shines through *this instrument* in Every Word and Every Thought and Every Deed. The Light that shines is a Light of One Alone. The light of the sun, the light of the moon, the light of the stars, cannot compare with the Light of Divine Will.**

**I am Saint Athanasius and I speak in a manner and a tone, never regretting the time it took while I was in the world to fight for what was right, what was good, what I knew The Father Willed men to know.**

**Each of you has a path to take, a will to use, and I, Saint Athanasius say, ‘Make no mistake, The Father has a special task for each of you.’ You are dedicated and you are committed to other things, and many times you**

feel that the path you are in now takes you away from more progress, more success, but I want you to know you will never regret the walk in the Light of The Father's Will, for life upon earth is so short and in so many ways so incomplete.

**B**ut tonight, as you look into the Light of Hope, the Light of Divine Will, be aware your stand must be strong, you are all alone; your will, for you to use on your own. Your decisions must be correct; they must have The Father's Will in mind and then you cannot go wrong.

**B**e assured that as I speak through *this instrument*, the body is tired, but the will to do The Father's Will, one alone.

**S**o Many Here in the Heavens smile upon This Great Miracle, for The Miracle is more than men know. The Miracle is a Miracle of Announcement, a Miracle of Teaching, a Miracle of Direction, a Miracle of Hope, a Miracle of Constructive Love that must be placed upon the world. The Miracle of The Beloved One, The Miracle of Light, The Miracle of Hope, is a Miracle

wherein men must begin to see that living the life of man is no joke.

**Be men of honor, be men of strength. Be men of dignity, be men of integrity, be men with direction. Be men with your eyes upon God's Will alone. Be proud of the way you are, but in this pride remember this: you must work for honor, you must work for all that He Wills you to have, and when you do, there will be honor and dignity, and yes, a deep love in the service to Him according to His Will.**

**Never deny yourself the Beauty of Heavenly Grace. Never deny yourself the beauty of service to Him. Serve no man who demands of you what The Father does not want you to have. Serve no man that offers you Spiritual disgrace. Serve no man that is abusive to your flesh. Serve no man that tries to rob you of your will.**

**Always remember, The Heavenly Mother, The Queen of the Whole Universe, loves each of you, holds you close to Her and whispers each day, 'My son, be good.' So be it."**

APRIL 14, 1982

SAINT MICHAEL

**“All The Saints have taught you to love Him. All The Saints have walked different roads, paths, ways. None of The Saints have ever misled you. I know, because I am a Saint in Heaven. Many times I would stand by, listen to Them speak, and then I would turn to The Father and say, ‘The task is complete, the children know.’ I am the Guardian of Heaven.**

**When I was sent to the earth in private moments of preparation to *this woman, this child, this instrument, this funnel*, I want you to know that at no times could I have been gentle, for the tasks to be done, to be accomplished, were to be so many, in such a strong manner and way, that the preparation had to be hard, difficult, giving her no leeway.**

**They call Me ‘Michael’, they call Me ‘Saint Michael’, and I am the Guardian of This Great Miracle upon the earth. My Light shines, It penetrates, and It is combined with The Father’s Will for all mankind. It**

is the Light of Divine Will. The Sword I carry, different than the sword you know, for the Sword to protect the Kingdom of God is a Greater Sword than a mere blade used by man.

The perfect way to live, My children, My daughters, My sons, is a way that you must understand, you must begin with obedience, not support, to God's Commands. You must be example of each of These for you cannot defy one and be obedient to All the others. One reflects into the other. He made it thusly so a man could not go through life just offending one Commandment and obeying All the others. Think about this.

Heaven is bright with Glory and Heaven protects This Great Miracle for what The Father Wills to be done through It, what is to be accomplished from It; and of course, the Purpose of It, to draw Souls to Him for All Eternity.

Ask for the Light of Enlightenment, ask for the Light of Peace, ask for the Light of Tranquillity, but know, in order for you to feel It, to have It, to exercise It, you must act according to The Father's Will.

**So many men are ignoring Me and I say, 'It is foolish to ignore the Protection that God has chosen for Himself.' Would it not be wise to think and to see that as I am given the Task to protect Him, I would automatically protect you if you ask Me. So be it."**

APRIL 21, 1982

## OUR HEAVENLY MOTHER

**“When you say a prayer, a prayer is an important thing in your life, whether the prayer be a request, a mere statement or a thanksgiving, because a prayer responds to the Light of Heaven and a prayer is communication with God.**

**When you think of a prayer, you don't necessarily have to say a long one. Make it short, say it on the run, but when you say it, say it with love, say it with dignity, respect, and always say it as a child, as a servant to God.**

**When you walk in to work, into a store, into your home, from room to room, make it a habit to say a prayer. Communicate constantly with God. All you have to say is, *'I love You, God.'* All you have to do is think the prayer. He'll know you're there. When you're tired, all you have to say is, *'Stay with me, God, I don't want to be alone at this time.'* When you're in fear, call His Name. You can be sure that He will hear.**

**So many men walk through life not communicating, thinking it always has to be done in a special place, in a special way, at a special time. Keep in mind, you are children of His and children should constantly call upon the Authority, the Parent, the One in which they can seek True Love.**

**God waits every moment of every day for a child to say, *'Hello, God, don't leave me alone today.'* And then later on He remembers to watch out for the child who remembered to think about Him in a little way.**

**My sons, I am your Heavenly Mother and I speak in a very solemn way. It is necessary for you to know The Father Exists and He is in constant communication with your Soul. Do not let men who do not believe cause you to stray. Do not permit men to distract you from the small prayer many times every day.**

**When you awaken in the morning He loves to hear you say:**

***'Good morning, God, help me today.'***

*‘Good morning, God, I’m  
awake now, I’ll talk to You  
later.’*

*‘Good morning, God, help me  
to hurry, I’m late again.’*

*‘Good morning, God, today is  
going to be a special day.’*

*‘Good morning, God, I’m  
in a hurry, don’t let me be  
argumentative today.’*

*‘Good morning, God, help me  
through the rough spots, I  
feel irritable today.’*

*‘Good morning, God, I’ll talk  
to You later.’*

**My sons, how many of you have made this practice part of your life? How many of you have felt it had to be a lengthy prayer? Don’t think this way for if you do, your communication with Him will be less and He will wonder where you are. Even though He sees your actions, He wants your thoughts, and of course, your attention. Through these attentions from you, through your remembering little things, little thoughts, little actions, you will grow more in love with Him, and of course,**

for each one of these He will bless you.

**Do not expect The Father to hand you everything you want. Some of it is not good for you. And, as a Mother to each of you, as The Queen of Heaven, as The Mother of The Son of God, I want you to know, there were many times when I was upon the earth and We saw The Son in need of things and He would say to Us, 'It would be nice to have it,' We would say, 'Yes, it would.' He did not always get it, but He knew that Our Decision was correct for it was part of living in the human life, and everything We did was as Example for you.**

**Be aware of the Light of the Heavens. Be aware of the Truth of the Heavens, and be aware, My sons, that God does love you. I love you in such a different way than you expect Me to. I love you as a Mother but I love you because I want you to one day be with Us, through the Gift of your Soul, for All Eternity.**

**Your Soul is Special. You do not always see this. Your Soul is a Portion of God. Remember this. And every time you communicate, every time you**

**remember a small word, a small prayer, the Soul responds to the Light of The Father's Love.**

**Do not forget, you have many hours in the day to talk to other men. How can you forget to talk to God, Who watches over you, Who gave you the Light to walk in, Who gave you the Faith to believe in Him? A small prayer, He responds to. Love, He never rejects, for you were created to His Image and His Likeness, and the will you have is from Him. Your Soul, a Portion of Him; your personality, your desires, your hopes, your dreams, your imagination, your abilities, your capabilities, all from Him, part of the Likeness of Him.**

**Be blessed, My sons, and know, tonight you must remember to always communicate with Him. So be it."**

SAINT ATHANASIUS

**“We Here in the Heavens realize, understand, and encourage men of all races, all colors, all creeds, to go to The Mother for their needs, for Here We see Her in the Glory of Pure Light, Pure Wisdom, Reality. Here in the Heavens We call Her Name, We bow Our head, We genuflect many times at the mere thought of Her, for it is an act of love to honor Her.**

**In the world men, in many ways, are rejecting Her because they are resorting to, complying with the wishes of the evil one. They are consorting with impure actions, ideas, plans, motives, finding it momentarily pleasurable, but I want you to know the results of such are dangerous to your Soul.**

**If All of The Saints were to come down upon the earth and use Their Power, Their Strength against you, you could not handle the Power or the Strength, nor could you endure the blows. The Father has chosen a better way to reach you, through an**

*instrument*, through Words, through time, giving you the chance to help to build a City for The Divine, giving you the chance to grow, not more emotional but more Spiritual; not to walk with your head in the clouds but with your feet on the ground, seeing the reasonability of all things, the rational direction.

I hold *the instrument* deeply and I show her a Vision of what could be if men do not change drastically. She has seen the Vision before. It is as though an earthquake struck. There is total devastation and she is walking on the street alone. I do not allow her to cry for what she sees, but the fear of such a horror is more than words can reveal.

The buildings are down, the rubble all around. The rocks are jagged on her feet. The pain in walking is excruciating. There are Several of Us Saints walking with her, but in her Vision of this she sees only what has occurred. The Father has destroyed the world.

The Light of the Heavens must be recognized for the Purity They hold, for the Hope, the Justice, and

yes, Divine Authority must be seen throughout the world.

**I** am a Saint in the Heavens and I speak for All of Us Here. Men must begin to be logical, sensible, and more solemn in their prayers.

**W**hen I walked upon the earth I was like you in many ways. I am known for particular things, but I was a man and that's how others saw me.

**A**s like Other Saints, I am always with *this child, this woman, this instrument*. I am Saint Athanasius, and you live now in a time of not one heresy, but many. You live now in a time of great tragedy, chaos, turmoil, and demonic pleasures. You live now in a time where there are so few leaders in sound Spiritual measures. Most talk of what they read, what they have interpreted. Most want attention, most want to be known. Most want their name to be on the lips of other men. This gives them a power in human exchange.

**B**e conscious and be aware that as you walk in the world as man, you walk as many of Us did, human in every respect, with an intellect of all degrees, in vocations perhaps that you

are not happy with, but you have one thing in common with Us: We, too, had a Soul; We, too, recognized that We must fulfill Our life according to the Will The Father Decrees.

*This instrument* is in the throes of many decisions, some of them earth-shattering, some of them for great measures at a later date. But as We stand with her through all the decisions, We are sure of one thing: The Father's Will is first. She is relentless in this. Other men do not always feel the subject should even be brought up, but it is, and We are happy about this, but let Me tell you this: 'Her strength on this issue is their strength in many issues, that they draw from her for their decisions to be made in areas far beyond what they think. Her presence to them is as important as her presence is to you, yet they do not understand why.'

I have come to you on this night with a Love that is protective, with an Earnestness that is sincere, and with All Sound Direction for each of you here.

Never let one day go by that you do not kneel in Honor of Our Heavenly

**Mother, that you do not bow your head when you say Her Name, and that you do not think before you act impurely, knowing that your purity is important to Her, for you are a son She cherishes. She does not always say it for you to hear, but you must understand, one of the Great Mysteries of Heaven is, you must understand and realize that Faith is a practical view of what made you exist, how you must live according to this Faith, and the attention you must give to this Faith so one day you will truly live.**

**My sons, you are Blessed in so many ways. The Light that tires some of you can remain with you if you allow it. Just remember to say the prayer:**

*‘Our Lady of All Light and All Purity, be with me.*

*Do not leave me and do not allow me to stray.’*

**And then do not forget to kneel, bow your head or genuflect. So be it.”**

## SAINT JOAN OF ARC

**“When you were born to the world you were born out of God’s Design, through His Will according to how men would come. You were also born to His Image and Likeness, and you were born with a will and a mind. You were born with a Soul, to return to God one day. You were born with hope, in the Faith He gave. You were born with a Light of intellect and you were born with the Light of understanding.**

**You were born in a manner, perhaps painful at times, but you were born to rarely remember the hurts, the harms, the sadnesses, for you were also given the beauty of hope. You were also shown in a certain way that God Himself suffered for your deliverance. Such Sacrifice was necessary to teach in a special way the Purpose of life, the Reason for it, and the way it should go each day.**

**I am a Saint in the Heavens. I walked the earth like you, in a time different, but you must know that I, too, was born in the same manner**

you were. I was told by the elders that I would one day have to face an Almighty Father and I would report to Him all the things that I had done with the mind and the body, with the senses I was given at the moment of my conception. Remember, just like you.

Many Rules were given to the world and many people feel the necessity to break Them because they feel rules are sometimes ordeals.

I speak through *an instrument* of The Father's Will, and as I do, I feel within My Heart a racing. The Heart is not like yours. The Heart I bear now is the Spirit of Grace welled up inside for the Souls of you.

I fought in battles. I fought deliberately. I fought tactically. I fought laboriously. I fought prudently. I fought intelligently. I fought for a country, but I fought because I was commanded to fight. I led because I was commanded to lead. I instructed because I was commanded to instruct. I directed because I was commanded to direct.

I died wrongfully. It was not until it was over at that time that I realized

God had not decided the time I would leave the earth. The ruthlessness of man, the deceitfulness of man made this decision, in my name, for that time. These men stood in fear, for themselves of course. These men were enemies of God, yet many of them wore cloaks in His Name at that time.

I am Joan. You remember Me, you know Me as a warrior, and I have come on this night to say, 'There are many types of warriors for Faith in God to be restored God's Way.' All through time they have come forward. They have gone into battles where it was not seen as a battle. But today you live in that time in the world, a battle of Saints fighting demons throughout the world. Never forget what I have said, for I have spoken it well. The battle must end or it will be the world. So be it."

**JUNE 9, 1982**

**OUR HEAVENLY MOTHER**

**“When God gives to the world Enlightenment, God hands this in a degree of understanding, limited to some people, and of course, in different ways to all people. When God expresses Enlightenment, He delivers it in a manner understandable to those to whom He delivers it. He delivers it in the tongue of the individual. It would be useless to deliver it any other way. When He sends Hope, He sends it in many ways. He sends it for the good of the Soul and the good of the individual involved.**

**When The Father of all mankind reflects Love in His Gifts, He does it in a manner sufficient and in compliance with the individual who receives It, in the manner they can handle It, in the way they can absorb It, and for the manner, means or matter best for them.**

**When God sends a child to the world, the child is always with certain Gifts. These Gifts are not always evident to those who are in charge of**

the child, but the Gifts are Tremendous in Value, for the Gifts are, first the Soul, and then the Guardian of the child.

So little is done at the birth of a child in regard to a new Soul upon the earth, a new Guardian Angel in the presence of mankind. Through These Two Parts of the human flesh, God's Light truly shines.

Men look at the child and they 'Ooh' and they 'Aah'. Some say: 'It's a lot of work. I'm glad at this time that I have the strength to endure it for I will enjoy the child.' But so few look at the child and say, *'I promise You, God, I will work every moment of every day to return the Soul to You that You so generously gave.'*

Rarely is it mentioned, this little note about the Angel Who stands by the side, Guardian of many ways, many things, and of course, One of God's Eyes, always watching out for the child's benefit, protecting the child at times no one is around, no one ever hears about, no one ever thinks could happen to this darling physical human being.

**My daughters and My sons, I am your Heavenly Mother. The Light that comes through This Great Miracle is truly Divine. I, when I was upon the earth, took Part in the Light of Hope for all of mankind. The Son of The Father was born in this Light of Divine Rule, Divine Way. The Light shone brightly in what you call 'a cave'. We always smile when children relate the Story of This Great Birth, for no matter how they tell it, they oftentimes omit to say the Light that surrounded Me and Mine was the Light of The Holy Ghost, controlled by The God of All Mankind.**

**When a child is born upon the earth, there is a Light, the Light of the Soul in Union with The Father, the Light of the Angel guarding all things at that time. You say, 'Why then are there sometimes mishaps, problems?' And I, your Mother, say: 'Accept God's Will for all that occurs, for you will grow stronger in love with Him many ways. Bend your knee in Honor and thanksgiving for the privilege and the honor to participate in His Purpose for the child, the Soul and the Angel that, to Him, was obviously there.'**

**Be understanding of His Will. Do not try to correct His Will, but offer**

**your dedication to Him in service of many ways, many kinds. In this manner you will grow in Grace unlimited, but more than this even, He loves so much a child that says to Him: *'Your Will, my God, not mine. My service to You is so small but my Faith in how You act and why You do things is great, and it is a Gift from You, I know this.'***

**So, My daughters and My sons, know, that as you walk upon the earth in your daily living, recognize your degree of Faith in God, help it grow, and as it grows, you will find it so much easier to say: *'Your Will, my God, not mine. Teach me more to serve. Teach me how to better understand Your Love, for I know one day I will stand with the child before You and then I will see, but it is important now for me to accept Your Will.'***

**My children, as your Heavenly Mother, in the Light of Divine Hope, Divine Will, you must understand, All of Heaven is working to help build God's Will upon this land. The obstacles are great, the burdens numerous, but the plan is God's Will for man. So be sure when you kneel tonight to pray, you remember to say, *'Your Will and Way, my God, not mine.'* So be it."**

**JUNE 16, 1982**

**GOD THE FATHER**

**“Sometimes, when men feel a need to respond to the Love of The Father, they do it in many ways. They research in books, they decide to pray more, or they make decisions to follow in the Footsteps of Our Lord.**

**In any of these decisions or instances, men find themselves preparing in certain ways. They look for the Light of understanding, they look for the Light to draw them closer to their goal. They look for the Light to radiate within their being, to give them warmth, understanding and hope. Men instinctively have goals to reach and to feel secure with and in.**

**Tonight, My sons, I want you to know the Presence of Mine attaches Itself to your Soul, for through the means and the manner, the method and the way, the Direction in the Goal of The Father’s Will, the Soul that I gave to each of you attaches Itself to Me through a force, a matter, a means, a method and a way, not understandable**

by man, but felt through Faith of each man in How I Will things to be.

Importantly tonight is for each of My sons to understand The Commandments I gave were for all men. The Church I gave was for men to better understand My Love, the Depth of My Love, and the reason for such a Plan. Later in time, I gave to the world men and women of different kinds, to instruct, to lead, to guide, to direct, so that men would feel the Presence of Whom I Am. It is not My Way to leave men, that I call 'My children', alone in the world without preparation and plan.

I pass a small amount of Light through *this child, this woman, this instrument, this funnel*, for you to hear My Words, for your Faith in Me to grow, and for My Blessings to reach your Soul. I have been known to use *a physical means* to reach men of all races, all colors, all creeds. I do it again. I speak your language to you so you can understand. I use *a gentle child* but My Words are Powerful, Direct, Meaningful, Persuasive, and yes, Consistent with My Plan.

**You must never deviate from what you know I desire of you. You must never compromise when you know that you must stand in Truth. You must never allow anyone to destroy you, and you won't if you will remember this night, remember My Words, and always be aware of the Soul that I gave to you, the Closeness of this Soul to Me, and the reason for this Plan.**

**I smile when I say to each of you: 'An earthly family, though they disagree, is bound together by blood to Me. Each child born to the world, in all families, is bound to Me by the Soul Who is a Portion of Me.' Do not forget My Words for I have given Them to you Personally. So be it."**

**JUNE 23, 1982**

**SAINT CATHERINE OF SIENA**

**“It was not easy when We walked the earth. It was many times a time as terrible as the time in which you live. There were circumstances, individuals, and of course, parties of people who indulged in indecencies, permissiveness, promiscuities, and constant, consistent immoral actions against The Father.**

**I speak to you tonight, there are Several of Us present, but My Words are to instruct you. Many of you have read what has been written about My life, but I want you to know I oftentimes fill you in a little more when you read the words that were written by someone else.**

**I am known to you as Saint Catherine of Siena. The Light upon which I speak, from which I come, that I use to reach each of you, is the Light of The Father’s Will, granted at this particular time by Him, for the Soul of each of you.**

**There were times when I was ill and I would pray for health; you do**

that too. There were times when I felt distracted and I would ask The Father to give me a little more patience, and of course, a little more strength to endure; you do that too. There were times when my appearance meant much to me for I wanted to look my best for others; you do that too. There were times when I dealt with men who I did not agree with and I would sometimes pout or shout, demand or command, and sometimes I would speak very clearly, very plainly to get my way, for I knew I was correct in the goal; you do that too.

I come tonight through *a child, a woman, a True Mystic, a funnel*, and I say that the Light shines through This Great Miracle for the good of you. All cannot be Blessed in a responsible Role as *the funnel, the instrument, the child*, but then the responsibilities are a millionfold.

I walked the earth in ways that perhaps some of you do, instructing in a constructive way, speaking directly to get a point across, but I always felt, beyond my own will, that I must be pleasing to The Father and to accomplish what He Willed for the

good of man in the time in which I lived.

I was frightened of dying, just as you. I was concerned over illness, just as you. I was concerned that I was displeasing others, just as you. But I want you to know that as I stand Here in the Heavens in the Direct Light of The Father, yet doing His Will, it is not satisfaction I seek today; I ask continuously, *'Heavenly Father, give Me the opportunity and the privilege to serve You to any degree You Will it to be.'*

I go throughout the world, My children. I am not seen. But All of Us Here in the Heavens work continuously. It is necessary that We yet serve The Father until the end of the physical time, and then We will All be in a joyous manner, radiant in His Love for all time.

Never allow a man to talk you out of Heaven. Never allow a man to tell you it cannot be so. Never allow a man to destroy your confidence in your Faith in The Father, and never allow a man to cause you to sin. Never allow a man to diminish your will in any way and never allow a man to break your

**confidence in your Faith, in your hope, in your love, in how The Father Wills you to be.**

**Be just, be honorable, be respectful, and yes, be obedient to The Father's Love, for through The Commandments He gave, His Love is extended to all mankind so that all men will have the chance to live with Him for All Eternity. Be confident in your Faith, be responsive in It, be responsible for It, and be aware of It at all times.**

**You are Loved, My children, and do not forget that the Love that you were given to use is a Love designed by The Father, a Gift from Him for you, and One that you can use to return your Soul to Him for All Eternity. The Light of the Heavens is bright. The Light of the Soul that you stand with tonight is the same Light We walked with in Our day, day and night. So be it."**

## SAINT ALPHONSUS LIGUORI

**“Before us, Many, Many Saints came upon the earth and They walked like each of us. They walked in a very physical manner. They had problems, disagreements, misunderstandings, and of course, sometimes violent lives, lives that covered many violent actions.**

**Some of These Saints walked as warriors. Some walked as victims. Some walked as great theologians. Some walked as heads of departments in Holy Mother Church. Some of Them realized that life was very difficult and to persevere had many problems. And of course, there were many times They would say to God: ‘God, I’m tired of living exactly as I feel You want me to. Men do not hear what I say. They criticize me, they ridicule me, and I feel like I want to walk away.’**

**I, Saint Alphonsus Liguori, want you to know that I, too, felt this way many days, but through This Great Miracle of Life, Light, Hope, Mercy, Justice and Love, I come to the world through *an instrument*, from Above,**

and as I do, I say to you in a very personal way: 'Your obedience to God's Rules, God's Commands, are important in your day, for as you live your daily life, keep in mind at all times, that though there are problems and there is strife, you must understand that through these things you can enjoy a beautiful life. If life were all easy, all simple, all laid out for you, what would you gain and how would you gain it, for there would be no reason to live a normal life.'

Many a time, when I suffered much, I would say to The Father: 'I cannot go on. I feel I will die before morning.' He did not always answer me, and when I would close my eyes for a short time I would say: 'Wait a minute, God, I don't want to die. I want to work more because I want others to know the responsibility of life. I want to share with them the honor of life and I want to give mankind a Purpose for life.'

I say to you tonight, through *a woman* in the world, *one* that has been used thousands of times for such a Purpose; that is, to give to mankind the Reason for life, the Way of life, the Direction for life, the Purpose of life,

to teach mankind how to become a Part of the Divine Life, for this is why men were born.

**Do not allow anyone to destroy you for if you do, satan will win, the enemy of The Father will gain. The Father will only have sadness.**

**And you must understand that as you live, there is a Great Blessing constantly given to you, the Light of The Mother's Will, the Light of The Mother's Hope, and of course, the Light of Purity for you to walk in and be a part of all times through the day when you are alone. When you are with others, be sure that as you come into temptation in any way, say a prayer to Her. She will understand your need but She will give you the strength to respond to what is good. Sometimes you forget to call upon Her.**

**And I, Saint Alphonsus Liguori, want you to know She was the Salvation for me, for when trouble came I went to Her. When doubt came, I went to Her. When fear enveloped me, I went to Her. When strangers talked unkindnesses to me, I went to Her. When friendships seemed ugly, unkind, I went to Her. When my Faith**

seemed to be shattered, I went to Her. I stood in the Light of Her Love for me, as I want you tonight to do also, for in This Light She gave me the strength to survive.

**Do not forget, My sons, that as you are man, you are Her son, and as you are Her son, She will always protect you from everything and everyone. And if you think She has not heard you, shout Her Name again, for sometimes She waits to hear you say it again and again, for then She knows you truly are not just shouting to be heard but you want Her to help you.**

**Oh, My sons, if you but knew the Strength and the Power of Her Will, and Her Love for you, you would walk straight, think pure, be example of all things in Her Name. Do not forget, I, too, was a man in the world. I, too, had all the problems you have. I, too, had the temptations of man. But, without Her, I could not have made it.**

**Tonight I want to impress upon you that as man you, too, must be in love with The Mother's Purity and be example of It to all you know and all you meet. The Light of Heaven is yours for the asking. Sainthood is**

**yours; just ask for It, then work for It,  
and you will obtain It, I promise you.  
So be it.”**

**JULY 28, 1982**

**GOD THE FATHER**

**“A man who is handed a diamond and takes care of it is a wise man. A man who is handed the freedom of his will and protects it is a wise man. A man who is handed Faith in God is a lucky man. And a man who becomes aware of being the custodian of a Soul is a man who has a responsibility and a privilege beyond anything else created by God.**

**The ocean can dry up, sands can move in every direction with no reason or purpose, but a man, if he is on the water, on the sand, on soil, if a man is in a cellar, a man is in a plane, a man is in distress, the man has the privilege nothing else has, for the man must always remember he is the custodian of a Soul.**

**I have sent This Great Miracle to the world for many reasons; the main one, to alert all of mankind to the Purpose of life, the Reason for life, and the Goal I intended for men to have.**

**T**here is no man present in the world, of any race, of any color, any creed, who is not the custodian of a Part of Me: a Soul linked to Me in many ways, a Soul linked to Me through intellect, Likeness of Being, responsibility, privilege, hope, mercy, charity, and of course, justice.

**I** have placed upon the earth *human flesh*, and through *this flesh* I give many Lessons for men of all kinds to learn from, and these Lessons are directed for the good of men's Souls, for men to live for All Eternity.

**F**ew men would believe I would speak. Few men would understand why I would speak. Few men would comprehend the Magnitude for which, in which, by which, through which, on which, My Words could be passed on through time in languages unknown to you, for all time.

**I** hold *the flesh* that through My Power could disintegrate, but I hold it in place as I hold the universe in place, for a Purpose One Alone.

**S**o many times I have spoken to the world in different ways, different manners, always to give mankind My Love, My Understanding, My Direction,

transmitting all these things with the Light of My Divine Love for each man's Soul. Men say, 'I do not see the Light.' Others say: 'How come some are so fortunate? They seem to be gathering so much from the Presence of Heavenly Means.'

It is truly I, your Father, Who speaks openly. You are aware of My Presence in The Tabernacle of Love, My Love for you, for your Soul to come to Me. I did not create man foolishly. I did not create man for no reason. I created man to return to Me, to share a Place with Me for All Eternity.

It is true I oftentimes ask children to repeat to Me, fuller commitment, more dedication, through prayer, through service, through love, through example of purity.

I walk constantly throughout the world. I am not seen by man in ways men wish to see Me, but I use many things so men will not walk away from Me.

You live in a time of great horror. You must understand this, for there is much impurity. You must become so pure in thought, word, deed, action, and example, that your very presence

**exudes stability, honor, integrity, dignity, and of course, love for Me.**

**My Words are powerful, My Purpose has much responsibility, and I want each child here, and others whom you will touch in your own way, to feel the Presence through you that I Am, and I want you to share with them My Words so they, too, will reach for purity.**

**Men call some men fools for their actions, their thoughts. No man can be called a fool who believes in Me the way you have been taught to believe.**

**You have been taught to live generously. You have been taught charity, honesty, dignity. You have been taught The Rules that I gave for all men. You have been taught to walk with a love for each other and you have been taught to walk as example to men of all races, all colors, all creeds.**

**You have been taught to be the cornerstone of your existence. You have been taught to pass on Pure History. You have been taught firsthand to understand My Will for you. You have been shown the Beauty of being man in the world. You have been told that fear is natural but you**

have also been told and taught that to conquer fear, come to Me.

So much has been given to the world. So much has been told to mankind for men to learn about what I Will for each man's Soul.

You are Blessed in many ways, and through this *instrument of Light, instrument of obedience, instrument of commitment to My Will*, I say to you, 'Respond to What I have spoken and do not eliminate one Direction, saying, "I cannot follow that one; I think that was for someone else," for do not forget, if man does not begin to change, My Wrath will have to show.'

Men speak of My Wrath very loosely but I want men to know there is Mercy in My Wrath, but to man it may not show. Men will shout, 'Where is the Justice of God?' because they will be too weak to see the Mercy in what I do.

I want man to understand that at different times in History I come in a small way or in a grand way, for men to hear My Name, speak My Words, and desire to be in My Presence to feel My Love firsthand.

**I am The Father of all mankind. No child in the world could say These Words, for you see, no child would be this presumptuous nor would a child not fear such a declaration of speech. A child who would say, 'I am The Father,' would have to know that the Words that flow, flow deep with a Power of Divine Control.**

**I hold *the instrument* strong, for the Purpose of This Miracle is to give mankind Courage, Knowledge, Direction, Strength, Stability and Goal. So be it."**

SEPTEMBER 1, 1982

## OUR HEAVENLY MOTHER

**“*The Miracle Of Saint Joseph* will remain upon the earth as long as God intends It to remain. You are lucky men because you are given, in such a beautiful way, your responsibility to life, to mankind, and to God. You are given this responsibility in a format you can understand, a format that you see in a very logical way.**

**When This Miracle was presented to the world that you live in, most men at that time had more Faith in how God would work than they do today. More men at that time followed a more moral behavioral pattern of life, due to the total resignation of their will that The Father’s Will must be obeyed, and that The Queen of Heaven was The Mother of all mankind and that The Son, Who was conceived by The Holy Ghost, came to the earth in the form of man.**

**You have each been given a candle and if you truly understand that when you are told to light the candle, the light of your candle will**

reflect the Light of your Soul as The Father sees all Souls.

I am speaking through *an instrument* that you can relate to, respond to, and be totally aware in understanding of what is being spoken.

It is This Time in the world for men to better understand there is more to man than being man, than being human flesh and bones. Men must understand and men must respond to the Purpose for which life was given, and that, of course, is for each man's Soul.

I am your Heavenly Mother and there is great sadness Here in the Heavens when men try to diminish Who I Am, What I stand for, My Existence in Divine Rule, and the Purpose for which I have come to the earth in many Forms, many times, many ways, for many reasons, for multiple Lessons to be taught and learned.

I will ask you to turn the mechanical lights off and to light your candle representing your Soul.

The next time you look at the stars in your sky and you see them

**glimmer, let it remind you of your Soul. Never allow the Light of your Soul to become dimmer or to burn Itself out. Always replace It with goodness, love and hope.**

**My Lesson, My sons, is because at this time in the world you are being quartered by so many immoral rules drawn up by the enemy, and these rules are a disaster, a hazard, a horror to your Soul.**

**Each time you accept temptation, it is as though a drop of water drops on the Light, the flicker of your Soul, to put it out. It is not cleansing, it is a damaging factor. You always connect purity with water, but remember, My sons, that water can also be damaging and fire can be purity all one alone.**

**The candles are small, but in some ways so are your Souls. But the Beauty of Light that reflects through your Soul is a joy to The Father, to Myself, to Our Son, and of course, to The Beloved Holy Ghost.**

**When you leave this place tonight, remember, your physical is opaque, but your Soul glows like the glimmer of your candle, just for Our Sake. So never allow anyone or anything to dim**

**that Light, but be aware of the need for It to continue to flicker with hope, love, charity, and yes, Our Delight.**

**You are Loved, My sons, in many ways, too many to speak about at this time, but you learn gradually, logically, and of course, simply, the Importance of, the continuation of Love from The Divine.**

**Be blessed, My sons, with the Purity of My Heart, the Love in My Hope, and of course, the Purpose for which I have spoken to you tonight. So be it.”**
