## PREFACE

**These “*Stories From Heaven*” could not have been given to the world at a more appropriate time than now. The world is in a terrible state of corruption and confusion politically, religiously and socially. Honesty, modesty, genteelness and morality seem to have been eliminated from our way of life, at least in effect if not consciously. However, God has given the world a Miracle it needs.**

**On July 28, 1967, *The Miracle Of Saint Joseph* was formally announced to a True Mystic. God had chosen a woman to give us the sound direction, hope and example we need. It was not the first time God had chosen a woman to accomplish His Purpose, always for a specific task in a particular time. This True Mystic for our day is Frances Marie Klug. She resided in Southern California as a wife, a mother, and a grandmother until her death on November 15, 2009.**

**In This *Miracle Of Saint Joseph*, Many Saints have come forth to speak through Frances Klug. These “*Stories From Heaven*” are just a few of the thousands of Revelations received through her. Very often these**

Revelations were preceded by extensive Teachings which time and space did not allow us to put in print. However, some of these Teachings will be found in several of the many Volumes of "*Stories From Heaven*".

In these Revelations The Saints refer to Frances as "the child", "the funnel", "the spoon", "the instrument" and "the little one". God made her our Spiritual Mother. For many years now, because of this fact, she has been called "Mother Frances", or simply "Mother". Heaven also refers to people of all ages as "children" and emphasizes time and again, This Miracle is for people of all races, all colors and all creeds.

For someone turning the pages of these "*Stories From Heaven*" for the first time, they will easily recognize the sound logic and sound direction the Messages contain. Mother Frances heard the Words with the Ears of her Soul, and would repeat Them aloud when she was told to do so.

This Teaching Miracle is a direct parallel to the time Our Lord walked the earth. He did not loudly proclaim to everyone, "I am The Son of God." He taught in a quiet manner, simple, extensive, but always detailed

in repetitiveness, instilling in those listening what He wanted them to remember. He taught in parables, short, simple stories containing moral lessons. He knew men could more easily understand and remember the point He was trying to make this way. His “Teaching Stories” pertained to everyday living, practical matters, and how to become a Saint. He gave hope through these stories. He gave example.

Now in our time, God is once again giving us “Teaching Stories” through Saint Joseph and His instrument, Mother Frances. Through her, in a quiet, unassuming and genteel way which appears so “natural”, mankind is again being taught the Purpose of life, and what God expects man to be like in his daily living. People feel hope in these Teachings, Example always given.

Two major Revelations of significance have been given for us in our day. Our Heavenly Mother is Part of The Divine, and Saint Joseph is truly The Holy Ghost. These should not bring an immediate rejection, but should pique our curiosity and interest.

Our Faith in God is based upon many mysteries. Whether it be The Holy

**Trinity, the Incarnation of God, or The Holy Eucharist, men strive to understand These, trying to grasp a small glimpse of the Beauty of the Truth They Are. These mysteries also pique our imagination and interest. However, even though we know God revealed these mysteries to mankind and we accept them in Faith, they still remain just that, mysteries.**

**One has only to look at these “*Stories From Heaven*” to see the value They are, and to feel the hope They instill. No man can logically deny purity of thought when it is so obvious. No man can deny purity in direction, when it is based on sound morals, sound values, sound standards. Do not be blind to truth. Skepticism is for people who are unable to see the truth of a matter or situation, and many times skepticism drowns out purity because it is full of ego and pride in one’s self. Skeptics find it an easy out to disclaim truth.**

**There is no doubt that it takes time for such Phenomena as This Miracle to penetrate even those minds who feel they are capable of discerning such Phenomena. We must not be governed by purely another man’s determination, but we must understand that logic, sound reasoning and purpose must be the criteria of our Faith in God.**

## PLEASE READ

In some early volumes of “Stories From Heaven”, many Revelations describe edifices to be built on Saint Joseph’s Hill Of Hope. As just one facet of The Miracle Of Saint Joseph, God invited men of all races, colors and creeds to participate in building a “City Of God”. Every building, chapel, bridge, shrine, garden, amphitheater, and even a hospital and a research center, to be included in this Magnificent Project, would be designed down to the most minute detail by Heaven.

This City Of God would be a place of great beauty for men throughout the world to visit, to gain true spiritual strength and to learn firsthand that which Heaven wants all men to know.

Much to the great loss of every man, woman and child in the world, this City has not been built. Innumerable obstacles were placed in the way of Its completion by those who would have benefited the most. Not enough men volunteered to return the gifts of their time and talents to God. Not enough people came forward with the money needed to participate in God’s Plan in a monetary way. Donations became less and less, because the men in the Church said, “Don’t give.” They discouraged people from participating.

For many years, Mother Frances and a handful of volunteers made every effort to overcome all opposition to men’s lack of wisdom, to build this City for God. However, we are not at a total loss. The Sound Teaching and Sound Direction given by Heaven in the many volumes of “Stories From Heaven” continued through the years, and will benefit people everywhere for many generations to come.

In the future, if the hearts and minds of men change, the world will one day see the Beautiful City Of God.

**All Revelations are delivered spontaneously and continuously as witnessed by all those present at the time.**

SAINT THERESE OF LISIEUX

**“Perhaps it is difficult every day to think about what is available to grow in, for. Perhaps it is not in keeping with one’s way of life, but when we walked in the walls, in the halls of a convent, we had fewer distractions, but that does not mean God took our minds.**

**One of the first steps to creating our own distractions from thinking impure things was to be good example to each other, be joyful for the benefit of everyone else, and to keep ourselves busy so that time was useful in every possible way. The time in which you live, men waste the beauty of it, the benefits of it, the meaning of it, the purpose of it.**

**Tonight I, Saint Therese of Lisieux, have spoken much to you, and I encourage you, My daughters, to use time for the benefit of your Souls, to take the time to be good example, and to prepare your time so well that discouragement, distasteful**

**things, impurities are wiped from your minds.**

**Never think we were not distracted, but remember, we used every means to rid ourselves of impure distractions. It was survival for our Souls we were intent upon. It was survival to keep our Faith aglow that kept us busy doing things, charitable acts for each other, honoring God in ways that perhaps would not be understood by many, but little things, and of course, always being sure that what our faces showed was encouragement to others, even though sometimes we felt despair in our own Soul.**

**Tonight I come to ask you, to plead with you, to encourage you, to help you have a life of fulfillment. Be charitable. Do not try to understand everything you want to do, but do it when you know it is good. Encourage others to do things that are creative, that help another person's life be more fulfilled.**

**This room seats many of you. Many of Us are standing, looking at you and saying, 'My, what a beautiful convent this would be, with all**

dedicated here to The Holy Trinity,' but I, Saint Therese of Lisieux, add this remark to this Hope and Love of Ours and say, 'The walls you live in, the places you walk, the words you say, the thoughts you think, the example you are, can capture more Souls than you will ever know.'

**N**ever forget, everyone you meet, you touch, everyone you speak a word to, remembers you. And never, never forget that when you meet another one, as you speak, as you glance, as you smile, as you move about, do not forget, there are two Souls, three, four, five or more involved in every act.

**Y**ou are Loved and you must know this. Do not forget to pray for guidance and do not forget to encourage others to pray this way, for as you do, God will answer your prayers, The Heavenly Mother will guide you; The Son, ever present, waiting for you daily to partake in What He has given you of Himself, and of course, the Light of the Heavens always surrounding your Soul.

**C**hildren, daughters, be blessed by tonight for Many of Us have stood

**in this room with you. Many of Us  
have touched your Souls. So be it.”**

## OUR HEAVENLY MOTHER

**“As I speak through *this instrument* on this night, I say that All Words spoken are Mine. All things that have been said are to encourage each of you to be more aware of what is around you, the traps you can fall into innocently if you do not look into the values, the soundness of all things you become involved with and in.**

**You do live in a time worse than Sodom and Gomorrah but you are too busy to see it, you are too distracted to recognize it, and in so many ways, you are ignoring it because you feel in ignoring it, it will go away.**

**My children, I am your Heavenly Mother and I have spoken of things you understand, in ways you can understand, and I have done this in a natural form of speech so you would listen to *a voice* you can remember, Words you are familiar with, and in a place conducive to your health and your time of life.**

**Whether I stand here with you and speak through *this instrument***

or whether I stand on a hill on open ground, or I speak from some form familiar to you, other than this, I would say the same Words for the same reasons, in the same tone, the same length of time, because it is important for you in your time to understand you truly must see the practicality of all things, and you must recognize danger when it lurks, where it lurks, how it lurks, and identify it with the balance of good against evil.

There are so many times I have spoken through *this instrument*. There have been so many Words said to inform you, to confirm to you, to direct you, to bless you, and yes, in My Way, to draw you closer to Me, to enfold you in My Garments so you cannot get away, so you cannot drift from the Beauty of what The Father wants of you.

Know, My children, that as you are present on this night, you must bear in mind, Faith is a Gift of Love, Faith has a Beauty in it that you can act with, you can act on, you can act for, and you can perform in example to others.

Faith has reward, for Faith, in the Gift that it is, has promise to it.

**Obedience to this Faith, dedication and commitment to it, service in its name, will form the Key to open The Heart of God for you alone.**

**As you look at The Sacred Heart and you look at the Rays in all directions from It, picture these Rays as little doors, a door for you, a door for someone else, a door for a loved one, a door for someone you do not know. But there are enough Rays in His Heart for everyone who has ever been born to the world, who is in the world now, or who is yet to come. The Rays never end, for His Heart is a size you cannot comprehend, but for every Soul there is a door to live with Him for All Eternity. So be it.”**

### SAINT FRANCIS OF ASSISI

**“People are talking about Christianity and they don’t even know what it means. They are shouting, ‘Love’. They never experience it, they say. They want to experience everything, but in experiencing love, you have to share, you have to give, but love is a tangible thing also. Love is expression of your actions, your values, your standards. Love is also a sharing.**

**Hope has more strength in it many times than love, because hope is something, in the worst moments of our life, that we have to cling to, because if we have hope we can have direction. If we have hope within us, it will give us strength to go on because sometimes love seems to dwindle; but if we have hope, there is something to look forward to, something that we can cling to and say, ‘I can see light in the future, I can see strength in all I have to look forward to.’**

**And do not forget that hope is here tonight; that hope is in how you**

**feel, hope is in your Faith in God, hope is in how you act with your Faith in God. Hope is in your prayers. Hope is in carrying out your vocation of life with justice with whom you work, for whom you work. Hope has many, many facets to it.**

**So tonight, when you leave here, don't lean on love, lean on the Hope that God has expressed through *The Miracle Of Saint Joseph*. And do not forget that hope is what you awaken with every morning, a hope to do things right, a hope in your whole life to accomplish something that day, and a hope for health, a hope to be a part of something good happening, a hope to give others happiness through your very life. So tonight is a real expression of hope for each one of us here tonight.**

**Now please, as you pray do not forget, the Light of God's Hope is in your Faith. The Light of God's Love is in your actions, in your example. The Light of Divine Will is in your Future, your Goal, and the Light that shines in your Soul is the Part of God that you must return to Him for All Eternity.**

**I**t is not easy to walk for God because there is great responsibility to it and in it, but to feel His Presence, to desire to serve Him at all times gives strength to every moment you live, for I, Saint Francis of Assisi, want you to know that I, too, lived in strict hope, solid hope, handing hope to other men, for them to better understand the stability of life, the necessity for reliability in life, and of course, to better accept the beauty of responsibility for life, for the benefit of each man's Soul.

**I** stood in many minor ways. I stood in the Direct Light of God's Rays, and I stood hoping that men would see the sincerity, the honesty, the integrity, the dignity in what I was, for I wanted them to follow the example that I knew God wanted to show through me for the good of each man's Soul.

**You**, too, must generate this Light, this goodness, this hope, and yes, His Love, for the good of other men's Souls; for each man, woman and child you pass each day, you are associated with each day, you are example to and for each day, you must transmit the Hope of Divine Love for the Soul that

**touches your Soul, from the other one.  
So be it.”**

## GOD THE FATHER

**“Suddenly, I speak. Men say it cannot be. Suddenly I teach. Men say, ‘Is it really He?’ My question is this: Who would take the time to extend such Love of Ultimacy? Do not My Words ring with a Logic, Truth and Wisdom? Do not My Words say Direction, Love, Justice and Mercy? Do not My Words reflect the Reason for your life? Do not My Words speak of the Importance of your Soul being directed to My Light?**

**Ask yourself this: ‘Why was I born? What reason is there for me to be alive, speaking, thinking, acting and living, unless there is something more for my existence, for immortality? Why am I able to think of the need of success in ways I do not understand? What gives me the strength to forge ahead when obstacles seem endless in my daily life?’**

**My children, it is with purpose I come to you tonight, for as you are gathered in company of each other to discuss things of your way**

of life, remember this: I watch you constantly.

I have sent to the earth a Part of Me as I have done previously. This time differently; I have sent a Great Story. Some men find it unable to believe. Remember this: The last time I allowed This Portion of Me to walk the earth humanly, it was My Announcement to mankind of Christianity. This time, though it be differently than the last time, it is to re-establish the fundamental reasoning for Christianity.

Christianity has much meaning. It is based on the sound Rules for living. Some men say, 'It is merely the do's and don'ts.' I say, 'It is the Direction to purity that is developed by sound morality, directing men to immortality.'

Men would say, 'Why would God speak in such undeserving circumstances, situations, places, and to such people, ordinary, common, average?' I say, 'I created you, and it is My Wish for you, it is My Will that you are what you are, as you are, in the place you are, for the reason you are; never forget this.' Never struggle

against My Will, for My Will knows best for you. Know this, that as I once again send to the world a Portion of Me, I send a task to be accomplished to help Me. This task is for you and many others to do, so that Souls will arrive Here with Me for All Eternity.

In the terrible times you live, it was necessary that My Presence be in your midst, for only My Presence can correct the tragedies that exist where you are, in your time, in your manner of living. Immorality is to such a degree, nothing you have upon the earth is strong enough to correct the wrong, the horror, the persecution of Christianity. Once again Christianity is at stake. Once again Christianity is 'up for grabs'.

I will not allow what I have given to man to be destroyed in the manner at hand. The desecrations are abominable. I am insulted every moment of every day. Though things are in a state of total ugliness, I have hand-picked children I know will fight on the battlefield of humanity for the Beauty of Christianity to reign.

Be blessed as only I can bless you. Be assured as only I can assure

**you, that any action or effort that you do in My Name, you will be blessed abundantly for in My Time and My Way. So be it.”**

NOVEMBER 17, 1982

## OUR HEAVENLY MOTHER

**“Children do not hear their Soul’s cry but every time there is an abomination to God, the Souls Who are present at that time cry.**

**The Soul of man is That Portion of God that is connected to The Holy Spirit of God, and the tears that are shed are tears of shame because the Soul cannot bear to have anyone or anything abuse the Beauty of God.**

**My sons, you are acquainted with having a physical mother. Your relationship to her is one of closeness in ways you do not understand. Perhaps you have drifted apart, but never can you change the beginning relationship that joined you together for a length of time.**

**I, your Heavenly Mother, are joined to you through your Soul, and I want you to know that tonight, as I speak through *a child* in the world, I speak to each of you so that you will understand the Light of Divine Hope touches you, the Light of Divine Love showers Rays upon you. The Light**

transferred to you tonight, transmitted through Divine Power, is a Light no man truly knows.

**T**onight is a beginning for some of you. The Words spoken before Mine were Words of Direction truly from The Divine. *An instrument* was used, *one* you can relate to, *one* you can compare notes with, *one* you can understand, *one* who obeys all The Commands, no matter what man says, no matter what man does.

**T**here is so much to be done by you. There are so many changes to be made within you so you will find only total dedication in your heart and your mind, to follow, to accomplish, and to find the tangible key of love to The Divinity.

**I** Am your Mother and I embrace you. I Am Divine. I Am The Mother of God. I Am The Creation of Heaven. I Am Hope in the world, I Am Purity. I want you to know, in the Light that I send to the world, I send It with Love Ultimately.

**T**he Crown I wear as I speak to you is a Crown of Gold, glistening in the Rays The Father shines forth to the world. The Message, to draw you

**closer to Him and to Me, so you will not stray from the Light of His Love in any way.**

**Be blessed, My sons, and know that as you are walking in the world, I am ever at your side for your Soul is in constant contact with Me, telling Me what you are doing. Your Soul is beckoning The Father's Will constantly on your behalf so you will not stray.**

**You have no idea what your Soul does for you every day. You must be conscious of your Soul, and when It tugs at you to draw you away from sin, temptation, be sure that you listen to your Soul and you take in your possession the strength to do what The Father Wills in every way.**

**Have respect for each other, for other men. Be conscious of kindness and charity. Be aware of giving hope wherever you are. Express in your example, Divine Love, and never be ashamed to say that you love God.**

**I bless you with a Heavenly Ray. Your Souls are bowed in My Way. As you look this way, your Souls are in Adoration My Way. It is a magnificent view. One day I hope that each of you**

**will be able to see, from Where I am,  
what I see today. So be it.”**

DECEMBER 25, 1982

## SAINT JOSEPH, THE HOLY SPIRIT

**“I ask that This be written, not recorded with the sound of *a voice*. I have reasons for this, perhaps not understandable in your time, but in a time to come men will read what I have said through the obedience of children in an earlier time of life, totally trusting in Direction that in essence takes more time, more effort, and perhaps is more difficult to transmit because of the lag in time in speaking, by *the instrument*.**

**I Am Saint Joseph. I Am The Holy Ghost. I Am The Power and The Wisdom in The Holy Trinity. I Am The Light of Knowledge in the world. I Am Truth. I Am Justice. I Am The Final Word.**

**There are many, many areas that brilliant men, learned men and women have sought to understand, in detail, more about and more into the Mystery of The Supreme Being, King of Heaven. There are so many Names given to this Ultimate Spirit of Life,**

**Creation, Love, Hope, Desire, Mercy, Justice, Wisdom and Honor.**

**It is difficult for man to take all the theories of time since the beginning of the world and digest these theories to full comprehension, total understanding, and clarity in ability to follow, to believe, to administer, to practice, the important, positive, definite, particular truths, that have been covered up, interpreted, and pointed out as factual, without error.**

**Men must understand this: The Holy Trinity, to man, means Three. The Holiness in The Trinity says Supreme Power, Supreme Being, Supreme Existence. I do not say that men's belief in The Holy Trinity is wrong, but I do say this: 'Men limit their understanding of the Magnificence, the Greatness, the Power, and the Extreme Wisdom of the Magnitude in such a Statement.'**

**The Holy Trinity is based on The Father, The Son, and The Holy Ghost. Each of These Parts has, in Itself, unlimited Degrees of Power, Degrees of Meaning, Degrees of Sections, Divisions, Properties, all Mobile, all Interlocking, all Portions**

**never restrained, never constrained, but endless in the Full Meaning of Each One.**

**You say to a man, 'Here is a tree.' The man knows it is a special tree of specific origin. He sees this tree with the limited sight of his eyes. He may have a fleeting thought: 'I wonder how old it is? Oh, I could tell that by what scientists have found out in their determinations.' And this man then depends upon the findings concurred upon; but, no man, no science can truly know the Vastness that makes up What The One God consists of.**

**I say this on this day because in your time you recognize the celebration of the Physical Part The Creator played to give mankind a way of life, in the preparation to leave for mankind a Physical Symbolic Fact of Truth that, in reality, bears out in many ways the Mystery of Faith in how God Works.**

**Men say that, 'In Holy Communion, I receive Him.' They do receive Him, in the area they can understand, in the way they can handle this Magnificent Union of Divine Spirit with human Faith. No man truly**

**understands the Mystery of this Divine Love. They theorize, they analyze, but they do not and they cannot defend Its Reality, any more than they can say in positive fact that though I am The Beloved Saint Joseph, I am not also The Holy Ghost of God Himself.”**

JANUARY 5, 1983

## SAINT JOSEPH, THE HOLY SPIRIT

**“As an instrument speaks and the tone changes to Mine, I want you to know that Every Word spoken has been from The Divine.**

**The Father does not play tricks or games. There is too much at stake, the sake of a Soul that walks with each human being in every day, in every race.**

**I speak slowly through a voice tired from work, but ready to serve in a manner and a way of dedication and commitment Divine Way.**

**Men call Me ‘Saint’. I am alive with Divine Love and Divine Hope. I hear men pray, I answer prayers, I intercede, and yes, I remind men of Grace. There are many men who speak to Me each day, offering gifts of service, hope, dedication, if I will but answer a prayer their way.**

**My sons, I Am The Holy Ghost. I Am Saint Joseph. My Power walks and works through such weak strength. I am more than you know and much of**

**Me shows in the perseverance of *this instrument* in every way.**

**I Am The Wind in The Father's Will. I Am The Power in His Wind, for Divine Will. I Am Hope. I Am Fortitude. I Am Dignity. I Am Power. I Am Light. I Am Faith, for when you believe in The Father and you associate yourself with The Son, you seek The Mother's Love, it is My Closeness, My Association with your Soul that touches your Faith, encourages your Faith, gives your Faith the Hope.**

**If the Power I Am were to surge through you as It surges through *this instrument* of Light, you could not stand the Pressure, the Force, the Mastery of It, on your physical or even in your mind.**

**There are so many around who try to imitate This Great Miracle of Light. There is no one who can imitate It, for there is only One Miracle of Me in the world in your day, as tonight.**

**You have been given many Lessons, many Directions. You have been given purpose, you have been given growth, you have been given perseverance. You have been told of dignity. You have been explained, the**

ethical way it must be, to seek purity, for no man can seek a purified road until he seeks first obedience to The Commands, The Rules The Father gave.

*The instrument* through whom I speak is a woman in the world but in many ways not of it, for it could not be; but the human relationship between you and her is a relationship of mother and son so that you will better understand the responsibility.

Never treat your life casually. Never look at your Faith in a relaxed way. See it as a Gift you must honor and hold with pride, in service to The Holy Trinity.

I give you a prayer on this night for you to say as you live each day in the human way:

*'Heavenly Father, bless me today. Heavenly Mother, don't let me stray. Son of God, teach me like You did other men, and please, Dear Spirit of God, keep my Soul pure in all I am.'*

I bless you, My sons, in a Personal way. I bless you with the hope that

**you will promise The Father, promise The Mother and promise The Son that you will seek purity in every way. So be it.”**

JANUARY 19, 1983

## GOD THE FATHER

**“Tonight, as the Words are given to you in conversation you understand, in topics concerning all things that pertain to the physical, mentioning the Soul, you must also see that through the Words and in the Words, I Am.**

**I Am The Father of Mankind. I Am The Teacher of Justice and Mercy. I Am The Giver of Life, I Am The Protector of Life, and I Am The Light of the World.**

**I have chosen *a woman* in your time of life to walk upon the earth, to extend the Words for you to hear, for you to understand that the Soul is not man but the Soul is what man must be aware of and return to Me as I planned.**

**Many speak My Name. Many say I speak to them plain. My Way is different than men suppose, for you see, the Faith in you knows that the existence of your Soul is a Portion of Me.**

**Ask yourself: ‘What is my Faith? How do I use it? What does it consist of, and how much of it do I display to other men in my acts of kindness, in my acts of charity, showing, giving, helping all I am?’**

**My beloved sons, in many ways each of you has been hand-picked for a particular role, to believe the Words you would hear, to understand These Words so clear, and to know that as men in the world you had work to do in My Name.**

**A long time ago I chose a man. His name you are familiar with. You hear it today in connection with My Commands. Men call him ‘Moses’.**

**Today Here in the Heavens He is all about, for many who come Here recognize Him immediately. They say, ‘Are You not the One Who carried the Words of God direct to men?’ He answers them briefly: ‘I am the One Who The Father chose to hand His Words to the world in the form of Rules and Commands.’ I always smile at this, for you see, Moses was like you one day, a man.**

**I say These Words to you on this day in your time so you will see the**

**Light of Divine Love and the Hope of Mine, so one day you will also be Here with Me and you will be able to extend your hand and say to another man in a positive way, in a humble way, with clarity of purity in every way: ‘Yes, I was the man you spoke to one day. I am so happy to know my example refreshed your thinking and gave you the direction in which you were to go.’**

**My sons, My Light is like a Haze sometimes, My Words are always clear. My Love for you, beyond what you know love to be, but I have come on this night to say: ‘Shed your weaknesses, for they are harmful to you and to others. Shed any brazen thoughts, actions, words or deeds, for they leave scars upon your Soul.’ And always remember, the Haze that you might feel when I am around is, in reality, the Ultimate Glow. Also remember, My sons, that when I teach, I teach all things for the good of Souls, for no man wants a sick limb, no man wants a physical hurt, no man wants the pains of the earth, and I, your Father, say, ‘There is no earthly pain that measures the pain I feel when you put a scar of impurity upon your Soul.’**

**Be Blessed, you have My Love. You are Blessed, for I speak to you from Above. The Gift of Divine Love, the Gift of Divine Hope is on a Ray of My Power and surrounds you and your Soul. So be it.”**

JANUARY 26, 1983

**SAINT THERESE OF LISIEUX**

**“The Light of the Heavens is bright, My daughters, in so many areas tonight, for the Light that flows through This Great Miracle is the Light of Hope that touches all men’s eyes.**

**My Name you’ve heard so often and some of you each day pray My way. My Name is Saint Therese of Lisieux and I bless you on this night with a prayer. You must remember to say it every day.**

*‘Heavenly Father, bless all I do. Help me to concentrate on returning my Soul to You. Teach me how to help It grow brighter in every way.*

*Heavenly Mother, guide me so I will never stray.*

*Saint Michael, protect all I do so when I walk, I walk with You, for I know in my way, You, in protection of Heaven, will protect me the same way.*

*Remind me to pray, Saint Michael, for protection every way, every day, so others will see in me, through me, love for God and beauty Our Heavenly Mother's Way. When I forget to say the prayers She loves to hear, tap me on the shoulder, Saint Michael, and show me the Rosary. I promise You I will obey when You direct my thoughts Their Way, for I know that Your Love for Them wants my Soul to return to Them first-class in total Beauty one day.'*

**I** have given you this prayer. Perhaps it is lengthy; but, My daughters and My sons, it is a prayer that is sound, it is a prayer that will remind you that Heaven is all around.

**M**y Blessings come to you on this night, My Love for The Divine shines through This Light, and I say as a Saint to daughters who must learn to pray God's Way: 'Use your vocation of life, use the manner that you walk each day, in total observance of God's Love, with an awareness of the Soul you are the custodian of. Be close to what you know is good. Be fair when

**it is needed for another's good, and do not forget that the Light of Heaven is for each of you.'**

**There are so many, many blossoms of flowers upon the earth and children, when they see these, exclaim: 'How beautiful the color, the touch is so gentle to my hand. I wish that they would live forever upon the land.' The Father feels the same way about the Soul you have. The Portion of Him has a Beauty all alone, one you cannot fathom in your littleness. Your Soul, in the touch of It, has a gentleness like the flowers and yet your Soul is meant to live forever, and yes, be presented back to Him first-class. So be it."**

SAINT ALPHONSUS LIGUORI

**“By nature, *this child* has always been delicate in speech, manner, exercising tact, sensitivity and understanding, but many times in using *this instrument* to extend to mankind the Light for the world to see, Enlightenment for mankind to understand, the difficulty is not in *the child’s* acceptance, in *the instrument’s* belief or disbelief, the sensitivity for mankind is yet within the being and the Instruction can only be given because of the Light of Reason, Logic, Purity, and Divine Love, imposed, composed in the Reality of the Logic that must be seen.**

**I have spoken hundreds of times through *this instrument* and when I speak she has oftentimes said to Me: ‘Saint Alphonsus, I am too tired physically to cope with such a degree of Information. I am too tired to say what You want me to say. It is reasonable that they already know it.’**

**In My day I was known to be relentless, and tonight in your day I**

**speak in a relentless manner again. You must understand, you must not be weak, you must see the Light that was handed to you on this night, not in a negative way but in a positive manner, giving strength to your Faith so your Faith will grow in a grand manner, and so that you will be able to say, 'I am a Roman Catholic, I am a Christian, and I believe I must follow God's Ten Commandments in every way.' If you can say this to yourself you have come a long way.**

**Through time, since the beginning of Christianity, men have tossed Christianity forth and back, back and forth. They have tossed It in the direction of the wind that they felt would carry It in the direction, for the reason, for the purpose they decreed It to be.**

**But I, Saint Alphonsus Liguori, say: 'Man must have Faith in God alone, The God Who created each man, Who created the universe, and man must practice his Faith according to The Father's Will, based on the Ten Commandments, sharing in charitable ways the fundamental practicing of goodness, love, hope, mercy and justice, through example of the senses,**

**in every facet of life, according to The Father's Will, Divine Way.'**

**I have spoken so many times. I have delivered so many Words, so many Messages, so many Directions. It was I Who dictated through *this instrument* What I wanted men to hear, for men to pass on to others, for men to live by, for men to say openly, through their example, to show strength, conviction of Faith, and love for The Holy Trinity.**

**I come again on this night to daughters and I pass on to you the Light of Divine Love and Way. Remember, the Purpose of your life is to become a Saint. You have a Soul, never forget this. It is your Soul you must return to God in a Pure State. So be it."**

## OUR HEAVENLY MOTHER

**“The Light that so many children have seen through *The Miracle Of Saint Joseph* is a Light of Divine Love. The Teachings that have poured forth through *The Miracle Of Saint Joseph* have been for the benefit of all men’s Souls. The Light of Divine Love handed to those who will listen is an Everlasting Light of Hope and an Everlasting Light for each man’s Soul.**

**We all look to a light and when we look at a light, sometimes it is strong for our eyes and our eyes might tear or our eyes might hurt, but the Light of Divine Love and the Light of Divine Hope is a Light of Strength, a Light that tells each of us that we have an obligation to God to respond to Him personally, that we have the love to obey His Ten Commandments and that we understand that we must stand in obedience to These Commandments the best we know how, using every effort of our whole being, every ounce of energy, so that we will grow stronger**

**in the Light and one day become a Saint.**

**The light that the electricity in the world makes has many reasons for it, many aspects to it, and of course, some of the light has great purpose behind it. But all the light comes from God, is given by God, and of course, allowed by God for man to use accordingly.**

**Some light becomes as fire upon the earth, but the Light of Divine Love, the Light of Divine Hope is Divine Fire touching the Soul of each human being who stands in the Ray of It, in the Realm of It, in the Area of It, and this Light gives something no other light can give. It doesn't sear the skin but It does penetrate the whole being of man, woman or child present in the Force of It.**

**And through This Great *Miracle Of The Beloved Saint Joseph*, the Light has been given to the world, to teach, to instruct, to direct, to enforce, and to conquer what is wrong, what is weak, for the good of each man's Soul.**

**This Great Miracle, designated for specific purpose upon the earth, will leave a Mark beyond what man**

knows a mark to be, for the very Light that shines when This Great Miracle is around leaves a token of Love on each one who hears, each one who sees, plus, the written Words will live forever as long as man can read.

So many times I have spoken through This Great Miracle with a Love and a Hope that all children will understand the naturalness is so you can be attracted to the Light, and then the Light gives you the strength to obey The Commands, The Commands of The Father, to grow so deeply in love with Him that you will want nothing more in life than to one day be with Him. Never be afraid of The Father's Love for you, for His Love is Special for every man.

My daughters, I am your Heavenly Mother and I come on this night to say, 'The Light of Hope is spread in a Haze, the Light of Love, not to cause you to be in a daze, but to give you clarity of mind, to give you clarity of action, and to give you the Direction to obey, to obey The Commandments of Love that were given through a man in the world one day.' The Father has passed on so many Important issues to all of

mankind through human beings, in many ways, in many days.

**I**, too, once walked the earth, appearing to all in a human form with responsibilities as you, and yes, being Example in many ways, especially of modesty. Be aware of it, My children, and respect where it is right and good, for it will give you strength and it will be returned to you one day.

**I**t would be a terrible thing to know that your Soul would stand before The Father and He would not respect It when It came His Way. You never have to fear a lack of respect, for no matter what your Soul looks like The Father never loses hope, and nor do I, that your will, your love for Us will one day return the Soul radiant in Purity to be with Us for All Eternity, and We can look upon you as a Saint.

**I** bless you with a Mother's Love and I say one more thing, My children: 'The Spirit of The Father,' they say, 'can be shown as a dove.' It has been known to be as the Power of the Wind, and of course, shown as a Holy Wind from Above. The Spirit of The Holy Trinity is a Divine Love that spreads

where children show the slightest bit of prayer to God Above.

**I am The Heavenly Mother. I am The Heavenly Queen. I am Our Lady of Grace, and through the Light of Divine Love I saturate your whole being with My Grace.”**

## VISION

**She's rising. She has stopped. Her Arms are outstretched. The garment is around Her Feet. It is as an ice blue and there are Gold Rays spreading from it in the directions other than from Her Feet. Her Feet seem very small. And now She is rising again and She smiles and says:**

**“As it was once said before through *this instrument* of Light, though I appear upon the earth, I never left the Heavens for I could not bear to be away from There; but I have touched the earth with the Grace for you to know, as I was yet in the Heavens I was also in your midst upon the earth. So be it.”**

MARCH 23, 1983

SAINT THERESE OF LISIEUX

**“All of Us Here in the Heavens speak through *this child, this woman* in the world, *this instrument, this funnel of Truth, the funnel of Light,* and We speak in gentle manners, strict ways, and yes, humorous tones of Love, for We truly understand that you are human in every way and that through This Great Gift of Love you are directed to Heavenly Ways.**

**Purity of mind, purity of body are very important to human life. Purity in Faith, in love with God, is very important to each child’s Soul, for the Soul, a Special Gift from The Father, is there at all times, accepting the brunt of sinful ways, accepting the scars that these sins leave when the act is through, and these scars add up through the days.**

**I, Saint Therese of Lisieux, have talked to you tonight and I talk to you now and I say: ‘You must remember that to live a life of fullness is important to God, for do not forget, He gave you life in the first place. He**

**gave you the privilege, He gave you permission to be born. He gave you hope in every way, in every thought, in the Faith you understand. He gave you Direction through your Faith in Him.’ Whether you are small or tall, whether you are young or considered middle-aged or old, the Faith is a Special Gift of Divine Love. Your personality, your nature, and all the things you are, are Gifts of Love from Him to you, and He desires these things for you to use to return to Him Above.**

**It is true, there are Many, Many of Us Saints and We have spoken many, many Words in many ways to hundreds and hundreds and hundreds and hundreds and hundreds of children who have come this way. We do not intend to stop unless The Father says it to be that way.**

**But on this night My Light is gentle, but in the Light there is Hope, for there is no need for you to feel you should not enjoy life, you should not have happiness, you should not have the things that will give you more strength, more love. You should understand that the Light of Divine Love is Special for everyone, for in It shines many Gifts for many purposes,**

and of course, all add up to you using all your Gifts to return to God His Love, your Soul.

**I** have spoken so many times. I was the One to announce This Great Miracle to the world. It was not My will, it was The Father's Will it be done.

**W**hen I walked the earth I had special devotions to The Beloved One. I carried His Name with me wherever I went. I talked to Him in every way I could, for I knew His Strength that took care of The Family upon the earth would take care of me, for my willfulness showed from my very birth. I said to Him many a time in my life, *'Saint Joseph, watch over me today and tonight, for I will try to rule like a queen and I know that will not gain Heaven for me.'*

**T**here were times when I did not feel well and I wanted to spoil myself, and then I would remember all the things I had learned about that Family Who walked the earth. They could not rest; They had to run many a time from trouble, from hurt.

**I** remembered, too, that my Heavenly Queen, yours too, worked

in a home to help others, and perhaps the work became very heavy for Her, for do not forget, She had a Son Who brought home many others. She served them all, for as He taught from the step of Their place, from a room in Their home, from the path outside, She fed them the physical food so they would stay longer, as He fed them the Spiritual Fruit of Divine Love. Her Love was Special, Her Light Divine. His Purpose, to give you and I the Way to return to Him for all time.

Be blessed, My children, and never forget, We Saints Here in the Heavens were one day like you, human in every respect.

And never forget to say at night, before you lay your head, a special little prayer asking forgiveness for all the things you have done that could have scarred your Soul even a little bit.

And in the morning when you arise, make it a habit to say:

*'Good morning, God, I love  
You, stay with me today.  
Good morning, Blessed  
Mother, please do not forget,  
if I stray today even a little*

*bit, grab me by the shoulder,  
turn me another way, for I  
do not want to scar my Soul  
another time, another way.'*

**And never forget to add to this  
little prayer:**

*'Saint Joseph, hold me close  
to the Wisdom of God, to the  
Will of God, and help me to  
learn to share the burden  
of the day and the love God  
expects me to give to others,  
the way He Wills it to be  
given through me today.'  
So be it.'*

## GOD THE FATHER

**“As the physical portion of man is designed and created in imitation of How I Am, it is a composite of knowledge, senses, nature, intention, talent, beauty, understanding, and many other things that make the physical portion of man much of What I consist of.**

**The Soul of man is a Portion of Me, a Portion of My Purity that I am able to extend, disperse, provide, implant, according to My Will, in My Plan, in My Intention for man’s Creation and Goal. As the Soul is a Portion of Me, It is in a different category of living than the physical being. It is in constant understanding of purity.**

**I gave to man Commands, Rules, Mandates, wherein and whereby man would be able to see the purpose, the need and the necessity for correct judgment in all things he did, he said, he looked at or he performed, in any manner, through his physical abilities, capabilities.**

**The Soul, a Part of Me placed within each human creation of Mine, must pass once again before Me, must once again return to Me, according to My Supreme Plan. This is the Judgment by which each man is Judged: the Soul in a State of Beauty, the Soul stained by human infectious deceits, imperfections of human behavior, showing Me that the privilege I gave of life, the privilege of Rules to live by, were obeyed or disobeyed.**

**Men now are trying to cast aside the division of right from wrong. Men are ignoring My Purpose for man and they are distorting the reason or the sound evidence that each man truly has a Soul.**

**The enemy loosed upon the earth has entertained man in the senses of man only, not in the logical sense I gave man, to look at all things substantially, realistically, and with the Purpose of Sainthood as each man's Goal.**

**I have come again to the world openly through This Great Miracle of Hope. The City of Mine will give mankind, not new direction but My Direction, according to My Will for mankind.**

**Men of all Faiths in Me will seek Me out in their own way in the City that bears My Name. This Place will teach men of all kinds about the physical, about the Soul, about Me, and this City will give life and purpose for the physical to grow strong, because of why it was born. It will give Purpose for the Soul's existence in each man living.**

**My Commandments will flourish once again. My Commandments will shine like the Star of Bethlehem. Men will follow the Light of the City to find Me, and I will say to them: 'I am within you. You are never without Me, for the Soul that you are the custodian of will one day come back to Me.' So be it."**

**SEPTEMBER 6, 1983 AT 2:12 P.M.**

**GOD THE FATHER**

**“The physical of man has an Ultimate Purpose of Life hereafter. How man uses the total means of being, created to the Image and Likeness of Me, gives man the opportunity, the privilege to live forever with Me, through the Portion of Me I have instilled, I have implanted in man’s being at the moment of conception. It is called ‘a Soul’.**

**There is much meaning to this Gift of Life, Gift of Hope, Gift of Love, Gift of Purpose, for in this Gift, through this Gift, with this Gift, all men can live, through It, by name, by works, by love, in the Spirit of Heavenly Way for All Eternity.”**

## OUR HEAVENLY MOTHER

**“My beloved sons, I, your Heavenly Mother, want you to know that the Portion given to you, known as your Soul, is oftentimes victimized by your selfishness or your lack of self-control.**

**As you stand together, as you stand alone, always remember, you are not alone. And when you are together, united with you and all with whom you stand, there is an equal amount of Souls.**

**Never ridicule each other. Never compromise what you know is best for your Soul. Never permit another man, woman, or even a child, to abuse your Soul.**

**Purity is something you must strive for, and never forget that purity covers your whole being. It covers your senses, it covers your example, it covers all things you do in your vocation of life. It covers the responsibilities you have accepted when you became a part of the Organization<sup>1</sup> in which**

---

<sup>1</sup> Refers to The Society Of Saint John Vianney.

**you stand for a Great Saint Here in the Heavens. As We look into His Soul Here, We see It glowing with Love for The Father. I say it to you in this way, in this manner, for it will one day be your Souls that will also be Here in the bright Light of your deeds, your love, and of course, your ‘state of purity’.**

**I love you in a manner you can understand, as a Mother loves a child, but more than just the way of man. I truly Exist in so many ways, and I come through This Great Miracle of Hope to once again give men of all kinds, all races, all colors, all creeds, a Mother’s Direction; and I beseech you to please The Father’s Will, for His Intention for you is for you to return to Him and to Me, a Pure Soul.**

**You are children from many stations of life. You are children from many environments. You are children born to the world to one day become Saints. Never omit this from your daily living. Never forget the Purpose of life.**

**You are privileged to hear These Words, These Directions, This Love that is deep within the Heart of Heavenly Light.**

**Be blessed, My sons, and know, I am your Heavenly Mother and I love you so. I want you to be pure in Spirit, pure in mind, pure in all the things you act upon, with and in mankind. So be it.”**

JANUARY 2, 1985

SAINT THERESE OF LISIEUX

**“Many Saints in the Heavens have spoken many times to encourage, to give hope and to give strength to *a child, an instrument*. Sometimes the armor became thin because of the hurts, the delays, and the enemies.**

**Remember, My children, that hope without Faith is nothing. Faith with hope is much.**

**I am a Saint in Heaven and though *this child* knew she was never without Us, the human exhaustion, the human will, the human love, the human desire, the human hope, the human frustration, the human feelings cried out, ‘Let it be done so I may be freed from the rope.’**

**Many times the struggle was quite difficult for the rope, as she tugged, became tighter. We would shout and say: ‘Don’t pull so hard, it will happen in God’s Way, God’s Time. Take each day and live it as best you can for We are dealing with the wills of man. Let your will be only His and**

**you will survive. Don't tug at the rope, *child*, or you will die.'**

**As I stand in the Heavens many men would deny I would speak through *this child, this woman*, and they would say My Words were a lie; but I speak openly to each of you here and I say: 'I am a Saint you all know of, I walked "The Little Way". I had a will, a very strong will. *This one* I speak through has the same type of will I had in My day.'**

**I come on this night with Love for each of you and I say: 'Do not pray the wrong way; pray for His Will, not yours, to be done. Pray that your love will show through every act, through every word, through every step that you take, for you see, then happiness, hope and Faith will be your guidelines in every way.'**

**The Light of God's Love is a Powerful Light. It shines bright for you know that All of Heaven comes forth through This Miracle that shares with those who believe, a Love of Great Hope.**

***The instrument* God chose has a mission to do. The mission is to teach His Love to the whole world and to**

you. It is a timeless Miracle and It is endless in Its Way.

**R**emember tonight, before you lay your head, say:

*'God, help me to have the Faith to know what I can do to save my own Soul, and as I learn this manner of way, help me to be example so I may help others to follow the best way. Help me to not sin, help me to know, help me to give all I am for the good of my Soul.'*

**O**h, My children, it is difficult sometimes to say to Him:

*'Your Will I trust in. Take my will, God, and do with it what You Will.'*

**Y**ou are Blessed, My children, on this night, and We want you to remember What was spoken tonight. Trust in God first and trust all the way, and your Faith will grow every time you pray.

**I** walked what men called 'A Little Way'. In my own way I felt inadequate, and now that I am Here in the Heavens I know it was the only way for me to

walk, for I did not have the strength or power, the knowledge or the ability to walk a great way. I thank God every day that He gave Me the chance to walk what men term 'The Little Way'.

**Some men have walked as great heroes, some have walked in intelligent ways. This Miracle of Light, This Miracle of Hope spreads Faith to the world in a strong way. So be it."**

JANUARY 9, 1985

## THE HOLY SPIRIT

**“There is nothing frivolous about *The City Of God* or *The Miracle Of Saint Joseph* because It is too Important to the whole world. Every Word brings enlightenment to the brain, to the mind of those who hear the Words, and the same will be done to those who will use their brain and their mind to read the Words in years to come. The written Word is for all time, the spoken Word is for the moment, giving the written Word more depth, more of a tangible part to man’s mind.**

**Through *this instrument* I have spoken thousands of times, and each time I have spoken I have taught you the Will of The Father, and in this time with you some of you have passed on to others What I have said.**

**I am The Light that gave to the world a way for all Souls. I am The Light of The Father’s Will. I am The Spirit of Hope and I am much a Part of Divine Will.**

**Men say, ‘I know The Commandments, I learned Them**

once.' I say, 'Have you looked at These Commandments and reminded yourself that each of These were to give you the Light to follow, no matter what vocation of life you practice?'

**The Light of Heaven is a Pure Light and that is why there is always so much emphasis in wanting children of all kinds to see the Guidelines for life in a Pure State, to be practiced.**

**My beloved daughters, men argue over My Place in Heaven. They deny how many things I could be. Some men say silently to themselves, 'What *that woman* says could be, but I don't know, if I agree, I will have to discuss too many issues with my colleagues.'**

**I am The Light of Spiritual Hope and I did walk the earth as One of Three.**

**Be blessed by all you feel. Be blessed by what you know is right. Forgive where forgiveness will help another Soul. Remember, those you love may not see what you feel, but let the Light of Divine Hope give you the strength, through your example, to reveal to all the soundness of your Faith, and let how you have grown**

**more in love with God show. So be it.”**

JANUARY 16, 1985

## SAINT JOSEPH, THE HOLY SPIRIT

**“Sometimes God allows certain people to see Light. It is a Light of Divine Love, but It is a Light of Hope, but It is also a Light of Faith: Faith in what is right and what is good, what is possible; Faith in what is probable, and should be recognized as belonging to an individual to the degree the individual can handle.**

**Every human being in the world has a different degree of capabilities, has a different capacity to believe in Faith in God. Every individual in the world has the Light that shows through the charity of other people, through the example of other people, but sometimes people become too busy to see the soundness in another human being.**

**My sons, I speak to you on this night through *a woman* in the world who stands totally in My Light for the whole world to better understand the Purpose of life.**

**Men say, ‘I cannot see the Light,’ and I, The Holy Ghost say, ‘You must**

**know that sometimes you look for the Light of Divine Love in the manner of what you recognize as normal glow.' Very often the Light of Divine Love is entrenched so within your being, within your Soul when We speak through This Miracle of Hope, that you are enriched in a way you cannot know. Hope is extended through The Father's Will, Light is handed to each of you, and as I say, 'I Am The Holy Ghost,' I say it in Honesty, in Soundness and in Love for each of you.**

**You are men of character, you are men of vocation, you are men who have responsibilities, but you must understand that you cannot go against God's Ten Commandments and be free of satan's hands, so shed all things that are evil; and I recommend to each one here that you turn to The Father's Love for all you are and all you have, and be aware that though you may not feel you see the Light of My Way, His Will, His Wisdom, It is instilled in your heart according to what you can handle today.**

**Be aware, My sons, that though you feel the world is rancid, you are much a part of that world and you partake in it every day. What do you**

**give to the world? What do you say? Do you give hope and light and love and good example? Do you think of sound morals every moment of the day, or do you hand to someone else something you would not want yourself? Do you in any way cheat, steal, lie, or be bad example in any way?**

**I Am The Holy Ghost and I did walk the earth as a man, but as I did I was also in the Heavens, for you see, I Am Part of The Holy Trinity and the Power is Great. Man will never understand, but the Power is of Divine Love, Divine Light, Divine Hope, Divine Plan; but you must have the Faith to believe, the Faith to try to understand that every moment of every day, every action that you make, every thought that you have, every word that you speak, could lead a man a special way. Do not allow frivolous thoughts or others to guide you, but you must be a guiding Light to show God's Love through you.**

**You are Blessed, My sons. You cannot understand this but know the Blessing is from Heaven, not from the earth below. And know that as you stand together you stand alone, for one day the time will come and you will**

have to say to Him, 'I did it according to Your Will'; or, will you have to say you did it to please your own will?

**T**here is much to life for you to think about, much to the physical role. There is much for you to understand, I want you to know.

**I Am The Holy Ghost. I Am The Spirit of The Father. I Am The Light of Heaven. I Am The Wisdom that speaks through This Miracle that bears My Name but will one day be known totally in the Form of God.**

**M**en will come and say, 'I am going to see how I should pray,' for that is what This City will teach. All the Words that We have spoken, all the times that We have said to you and hundreds of others like you, 'The direction you must follow is this,' I want you to know The City that must be built will be but a reflection of the Words that have gone forth to you. So be it."

JANUARY 23, 1985

### SAINT ALPHONSUS LIGUORI

**“Men like to talk about being pure and they like to talk about how good they are doing things. But I want you to know, My beloved daughters, that I, Saint Alphonsus Liguori, walked the earth as you do, and as I did, I saw men of all kinds, all ages, all creeds, all colors, and for many times, and these men and these women carried great treasures of hope, of love, and also, these children of God, as you are, like them, carried responsibilities in many walks of life in the world.**

**You are treasured in many ways. You are a jewel because of your Soul. Your Soul is the Light that responds to God every day and every night. It is up to you to allow this Soul to return to God for All Eternity.**

**Do not scar the Beauty He gave you at the moment when two people joined in a manner of love, intimacy and hope. Do not regret your life and say it has been a failure, for I, Saint Alphonsus Liguori, say to you on this night, ‘Go forward from now, be happy**

**with your life and remember to put God first in your life, and in doing so, take care that every Commandment He gave to man upon the earth was so that man would one day see the Light, the Light of Hope, the Light of Charity, the Light of Reason and the Light of Eternity.'**

**So many times I have spoken through This Great Miracle and I have said to children of all kinds: 'Be aware and beware of what you are all about. Be concerned with the Soul that you were given, and care, for when you care, you will be cautious. When you are cautious, you will look for reasons and you will be reasonable in your choice, your decisions, your movements, your actions, your direction, your speech, your thoughts, and you will better understand the perfect way to God is through His Commands.'**

**So as you are Blessed, My daughters, on this night in your time, for all time remember God's Love is the Light of Divine Will; God's Hope, the Hope of Divine Will; and your Soul, Part of Him, for all to know, for all to see one day as a Light in the Heavens Eternally. So be it."**

**JANUARY 26, 1985 AT 5:15 P.M.**

## **GOD THE FATHER**

**“My beloved children, I appreciate all that is done in My Name with My Will in mind.**

**I love every child born to the world and I do not discriminate one color from another nor do I discriminate how they follow in their idea of Spiritual Faith when I know it is directed to Me according to their ability, their training, their capacity to believe in What I must be, How I could be, and the position of My Being in their life, Supreme.**

**So many times children wonder if I truly hear their prayers, their thoughts, their commitments and their dedication in individual direction directed toward Me. I never fail to hear one child’s plea or even manner of discussing hope, problems, ideas with Me.**

**In the world, the time in which you live, there is much stress, much confusion and much disorientation in how to approach Me. Leadership, in so many ways, does not project reason**

or cause toward Me, but in the final analysis reflects only man's intention for man, not man's intention for My Will to be first, uppermost and ultimate.

**The world is never without Me. No man is ever without My Presence, and the easiest way for Me to convince man that I am ever present on an individual basis is for man to understand, realize and recognize that each man bears a Part of Me, a Soul given at the moment of conception, so that My Presence, My Being, My Intercession is a constant promise from Me.**

**Awareness of Faith is important, Faith in Me that is; then Faith in all good things will have stability.**

**Men must not try to understand every Facet of Me, but in My Creation of man, I instilled in man reflections of What I possess so that man would have the ability and the capability to stand in the shadow of Whom I Am, recognizing the Purpose of life through the intellect that only a Supreme Being could have initially created the whole universe and all it contains down to the smallest grain of sand invisible to man's eye.**

**The many Lessons that I have taught through This Magnificent Miracle bearing the Name of The Beloved Saint Joseph must be recognized for More and as More than men determine It to be. There have been so many Lessons for men to be guided by and guided through, to better understand the Purpose for human life.**

**There have also been many Lessons taught through This Miracle of Ultimate Purpose, teaching, training and instilling into mankind the proper method, the proper means, the proper manner, the proper way to follow sound moral ethics by practicing sound discipline in personal character, personal behavior and example.**

**I have stressed self-control, for in this small Statement there is monumental Meanings that apply to man's everyday life. Self-control is based on man's ability to seek as the Guidelines for living, My Ten Commandments, for to control one's self mentally, physically, morally and spiritually, one must resist temptation, weakness and laxness in behavioral example, habits, speech and intention.**

**You are Blessed by Me in many ways and My Blessings bear strength for you to carry on so that your Faith in Me will grow and will aid you when difficult issues, reprimands and untruths are suggested regarding your practice of Faith in Me. So be it.”**

### SAINT ALPHONSUS LIGUORI

**“I know that it’s been a very long time since I’ve spoken to you and there are so many things I would like to talk to you about, and of course, My voice is different than it was when I was upon the earth, but I speak tonight with a Message of Great Importance, not just for your physical but for your Soul.**

**I speak slowly for I want All My Words to be instilled within you. I am known for the rapidity in which I speak, and of course, the length of the Words that I use in My Deliberations, in My Directions, and of course, in My Lessons to you.**

**Some men say a Saint would not speak through *a woman* in the world. I, Saint Alphonsus Liguori say, ‘Men who say this are men of little Faith, for all through time The Father has used human beings to do work for Him in the midst of mankind, too numerous to mention.’ Many have been proclaimed ‘Saints’. Many who worked were not even known, for they worked in the quiet and the silence where they wrote,**

**and others took their words and took credit for their words.**

**But so many times when the human flesh is used, men believe and then they don't believe, and then they believe and then they don't believe. But I, Saint Alphonsus Liguori say, 'Let your Faith in God decide to what degree you can handle a Miracle through which I speak.'**

**Many men in the world find the easy path to all things. When it comes to a decision to do the difficult thing they say it will take too much time, too much effort, and they do not want to be bothered, for you see, they feel that the time they will use, they could be doing other things socially. They could climb the ladder of success in other ways or they could rest and do this another day.**

**I come on this night to say that acts of kindness are important. Charity is important. Sympathy is important. Your talents are important. Your abilities are important. Your capabilities are important. And the time you use to help another man or woman or child is important to God, for you see, in so many ways you can**

work doing The Father's Will without even taking that extra effort that you feel will rob you of energy.

**B**e just with yourself, be kind to yourself and do not neglect yourself, but do not allow yourself to be unkind or lack generosity with others, for one day you will stand alone before The Father, as I did, and you will see Him Face to face, that Supreme Being, and you will say, *'If I had but known what I know now, I would have crawled to do all things for the good of others, for the good of my Soul, for I want to be with You, my God, for All Eternity.'*

**Y**ou have been taught, you have been given the chance, you have been told the little things will count for the good of your Soul.

**I** could talk on legal matters. I could speak on medical ideas, terms. I could talk to each of you in a manner you could understand, according to the profession, the vocation that you planned, but I say to you, I say to man, **'There is but one Goal for each of you and that is the Goal of your Soul to reach Where I am.'**

**I**t is true so many men in My time and in your time try the frivolous way

to follow for it is an easy plan, but if you will but understand that to follow God's Commandments you will find the path so easy, so happy, so generous, so fulfilling, that you will want every man to see it the way you see it, to feel it the way you feel it, and to follow the hope that is in it, for through hope there will be joy, through joy there will be giving, and through giving you will find forgiving for all the faults of other men.

**T**he Father is All Purity. The Mother is All Purity. The Beloved One you call 'Joseph' is All Purity, for though men disagree on the Position He is Here, that is not important to Us for He is the Wisdom, the Light and the Hope of The Father's Will. The Father often smiles, for you see, His Love for all mankind is to give to each man a Portion of Himself, the Soul.

**D**o not blind yourself to Faith. Do not blind yourself to what is right for you, and do not escape the Glory of Heaven, for satan is constantly luring you with gifts that will change your path.

**I** bless you from the Heavens and I say: 'There is much that you will be

**asked to do one day. It will not be to walk into the arena and give your life in the name of Faith, but I warn you, you may be asked regarding your Faith in a totally different way. Be ready for it. Do not anticipate it. Be alert to the fact it could occur. Do not worry about it, but through your obedience to God's Rules, you will be prepared to answer the call without fault.' So be it."**

**SAINT CATHERINE OF SIENA**

**“My children, I am Saint Catherine of Siena. I stood upon the earth like you. I instructed in many ways, more than men have written My way.**

**There were times of disappointments, times wherein I stood so strong that What I said rang like the bells in the tower. The clarity was there, the firmness was there, the rhythm was there, the Truth was there, and then it was as though the bells would stop and the Words were gone.**

**So it is with This Great Miracle of Light and of Hope, of Example, of Truth. This Miracle is One Alone in the world, but This Miracle is based on what God wants of each man, woman, and child’s Soul.**

**Be deliberate in goodness. Be conscientious in goodness. Reflect only goodness. Respect charity, express charity, give charity, and with it handle each Gift as though it were a Ray of Hope. Do it with love. Do it in**

**service to God. Do it in His Name, not yours.**

**He will know which little Light it came from. He will know, because you see, He is ever present in your midst, and He uses each of Us Here in the Heavens to guide, to give strength, because We, too, walked the earth.**

**We know your problems, We know your hurts, We know your aims, We know your goals, We know your selfishness. We say sometimes to the One Who guards you, an Angel, ‘Watch out now, take care, alert the child, not too strongly, the child is fragile in that way.’**

**The Angel knows what We are about. The Angel knows what We talk about. The Angel hears Our very Words. The Soul responds in the degree of Light you have encouraged It to have, you have given It through your acts of love, through the example you have spread.**

**Men say The Saints cannot speak in the time in which you live. We speak through This Great Miracle that some men fear and some men dread, for through the Teachings that We give, the Direction that We hand**

**to everyone who hears, everyone who reads the Words We have spoken, We hand firsthand God's Love, in service to Him Here.**

**As you stand upon the earth remember one thing and remember it well, that if you walk in service to God, helping other men, women and children, you serve Him in the Light of His Manner of Giving, in the Light of His Manner of Hope.**

**Remember, My children, All The Saints in Heaven walked like you walk. We did. The time, We dressed a different way; the time, We had a different means of many other things that you have progressed in, in your way, your day; but I, Saint Catherine of Siena say, 'Service to God has always been, service to The Creator of all mankind will never end.'**

**Be a servant to God, do it with love, and you will find those around you grow in so many ways that you will find kindness, charity, respect and hope returning to you in many ways.**

**The Light of the Heavens never ceases when Faith is expressed to God in any way: small, in just a short**

**prayer, an act, or a big promise that you carry out because you care.**

**God's Love is Infinite. God's Love is for each child in the world. Be cautious how you use That Love, for remember, That Love will give you the strength to come Here. So be it."**

FEBRUARY 20, 1985

**SAINT ALPHONSUS LIGUORI**

**“My beloved sons, I am Saint Alphonsus Liguori. The word ‘pernicious’ is very important to all men in this time, in your day, for you see, everything that surrounds you has a pernicious effect on what you are; for you see, you are the custodian of a Soul God gave to each of you, for a Purpose, a Reason, definitely.**

**I walked the earth. Sometimes I was quiet. Sometimes I spoke a lot. I spoke with authority and I sometimes spoke silently with a body language that said more to the men and women who were around, for sometimes my very silence said ‘Yes,’ ‘No,’ ‘I agree,’ ‘I don’t agree.’ Practice it, and you will find that people will look to what you feel, if you use strength in how you walk for The Holy Trinity.**

**Being a Saint in Heaven says service to God continuously. Being a man upon the earth says service to God physically. Give to other men kindness. Hand charity where it is needed. But remember that your**

example to all people is important to God, for if you are bad example you will be accountable for what the other person responds to, from what they see, what they hear through you.

**A**s you are Blessed with the Light of Holiness, as you are Blessed with the Light of Truth, be assured that God does not want you to be impure in any way, for any reason, with anyone, at any time, for God wants your Soul to return to Him bright, glowing, so as It passes before Him, He will see Himself in your Soul and He will say:

‘Go to this place, My child, for I am proud that you listened to Me. Your Faith was strong. Your Faith gave hope to others, and through your time upon the earth you were important to other men, sometimes silently. Your effort to please, your effort to respect, your effort to control yourself at times when things were dim, when things were dull, when things were delayed, when things seemed so transparent that you could see the obstacles that felt too much to conquer, then you forged on to victory.’

**N**ever allow yourself to feel the victim of obstacles. Take each

obstacle each day, approach it, and then conquer it. It may be an obstacle that involves you in many ways or it can be an obstacle that just touches your mental, touches your eyes, or just your senses that are obvious to you. But remember this: God gave each man a brain, an intellect, knowledge, and the ability to reach wisdom, and wisdom will give you insight into many things. Knowledge gives you the ability to learn more, but soundness in wisdom gives you the capability and the strength to conquer the obstacles that you meet each day.

**D**aily times with thoughts of The Father will give you the strength and the courage to practice purity. Purity is not to be ignored by any man, no matter what race, color, creed, for you see, purity is in God's Will, because purity is strength, impurity is weakness. Remember this, and when you think that something could be of a pernicious nature to your physical or to your Spiritual, look at it straight on and look to God for the aid that you need.

**Y**ou are Blessed, My sons, with a Light you cannot fully see. Some of you see It in a manner you can

**handle. Some of you feel It in a way that your physical responds to. And I, Saint Alphonsus Liguori, say, ‘Be just with yourself for you will not always get justice from other men, but if you respect yourself and others, you will find purity in the end.’ So be it.”**

SAINT THERESE OF LISIEUX

“Sometimes, in *The Miracle Of Saint Joseph*, there are so many simple Lessons taught and They seem so natural to the minds of people. Nothing new is being said, to some people, but the Lessons are Profound in simplicity. They alert one’s thinking to what should be. They alert one to act properly. They remind people to think of what they’re all about, and also, They remind children of all ages of the Soul that one day was handed out.

*The Miracle Of Saint Joseph* will live on forever through All the Words that have been given by Heaven. I have spoken many times through *this instrument* of Light, of Hope, of Obedience, and passed on through her, Direction for children to follow, children to understand, to give strength to their Faith, so through this Faith they could give their hand to another human being and guide the other human being in good example.

**So many people feel that they must talk a lot to guide another human being, or they must do great things to get attention in a certain way so the other person will pay attention to the lesson they feel should be their way.**

**When I was upon the earth I was quieter than you might suspect; willful, yes, but I found out at a very early age that it was my example that would be the strongest effect.**

**One time, at prayer, I knelt and I said to The Father Almighty: *'I am willful; perhaps some people would say my manners are bad. Others might say I was selfish, and, Heavenly Father, some might say they even wish I were dead.'***

**There were times when things were going different than I wanted them to, I would kneel and pray and say, *'I want it my way, God, please this time, for I feel that I can do more if I can do it my way,'* and then I would turn around and I would find that at the moment I was to act, it wasn't my way at all, it was different than I had anticipated, it was different than I would have done it.**

And I would walk to my cell and I was even known to stomp my foot and say, *'I don't know if I accomplished what I wanted to.'* And then I would look directly up to Him and say, *'If I was wrong let me know, but be sure, my Heavenly Father, You do it in a little way for You must remember I am weak, I am not strong.'* And then, as I would lay my head, I would feel the warmth of Someone in the room and then I would feel His Answer to my prayer in a special way.

I wanted to obey Him. I wanted to do all things according to His Will, but my temper, my anxiety, my anxiousness would get hold of me and the next day I would say, *'Oh God, I want it my way again today.'*

The Light of the Heavens speaks soundly through *this instrument* in the world. You all know Who I am. I am Saint Therese of Lisieux and I smile upon each of you, for you see, as you walk in the shadow the way you do, I hear your thoughts, I hear your prayers, for I know many of you say the very things that I once said, and even now, Where I am, I try to correct you. I smile at these times for it brings back memories of my willfulness, and

yet I must say, above and beyond my willfulness was a deep love for God in every way.

**So on this night, as you pray, remember that your Faith in God is a Gift of Love He gave to you in a special way. And as you reach for the Light you hope to see, you hope to feel, you hope to have, know, that He will give It to each child to the degree, in the manner and the way He knows the child can accept, because you see, the Will of The Father knows each child's strength and capacity.**

**You are Blessed, each of you, and one day in years to come All the Lessons that have been taught through This Great Miracle of The Heavenly One will give Light to the Souls of many who read Them, will give hope to many who would have no hope if the Words were not sent through time to them, for there are many distractions in the world and many children feel helpless, hopeless. They do not have what you have, Sound Direction to reach for perfection, using your Faith for the good of your Soul, but also, using your Faith to be example for all other people in the world. So be it."**

SAINT FRANCIS OF ASSISI

**“My beloved sons, I am a Saint, I walked your way. I was young at heart and in many ways I looked at the world and said, ‘It has so much to offer, I never want to depart from the ways of the world, and also, from the monetary measures of the world.’ But now I must say that I thank The Father in Heaven Who gave me the strength to walk away, for I had everything in the world that man could want.**

**As I speak through *this instrument* in the world, this *funnel of Truth*, this *act of Hope*, I say to each man present here: ‘You are not asked to give up your roads, you are not asked to be poor, you are not asked to give your whole life to walk in just a Spiritual role, but this does not mean that you do not have to pray or that prayer is not good for you every day. You must take ahold of all things that are good and give strength to others who are weaker than you.’**

**My sons, I am Saint Francis of Assisi, and I want you to know that**

**this Organization<sup>1</sup> in which you walk has a very special role. It is to give strength to men of all ages, all colors, all creeds, and it is to give hope to the world, for time will give you the format of your work and time will allow you to continue the role you know is best for you to walk.**

**I hold *the instrument* deeply for many reasons. First, it is difficult for man to understand: to hear Our Words so continuously can be exhausting, to walk so totally for the Will of The Father is not an exhilarating path or way. It is a way of seriousness, responsibility, obligation, and bears with it much exhaustion in many ways.**

**All the things you have heard, take with you when you leave, and be assured that your prayers will be heard by The Holy Trinity. Never forget that as you live each day, you must grow more in love with God in every way.**

**You are Loved, My sons, more than you know. I add to this Message: Be ever conscious of self-control, for though it may be difficult, it will one**

---

<sup>1</sup> Refers to The Society Of Saint John Vianney.

**day lead you to Here. And when you arrive, I can tell you now the words you will say when you open your Eyes of the Soul that will appear:**

**‘If I had but known the Beauty, the Worth, I would have bent low while I was upon the earth. I would have cast out all ego, all weaknesses, and I would have prayed to always be alert to the soundness of prayer and to the greatness of obedience to God’s Commands, so that I would not take a chance to not be Here.’**

**Let no man make fun of you when you stand strong in decisions to not do wrong, for he is a fool and you will be strong, and in the long run you will give him strength because of your example that will bear no taint. So be it.”**

## SAINT JOAN OF ARC

**“I was condemned for what I knew was Truth, not because of my weakness, but because of man’s weakness, man’s boredom, man’s tiredness. The men in the Church were too weak to help me. Other men were frightened of my strength, for in Truth there is great strength, honor, dignity, and in Truth there is power.**

**Truth has a force in it that some men cannot handle for they are morally weak and they interpret according to their own opinions, imaginations, and positions in the world.**

**I was young, and in many ways I was timid. I walked with men and many times I was frightened, because I knew that the Voices that I told them of were questioned by some of them because it was difficult for these men to understand such Phenomena. But the Words that the Voices spoke had such clarity, such meaning, such force, such power, the men could not deny the value of Them, and we would ride to victory on the Words of Divine Will.**

**When it came time for men of disgraceful character, nature, to place judgment on me, they made it look as though I were the one that weakened under their pressure. True, I was tired. True, my endurance dwindled, but I did not weaken because my Voices told me to be strong, that those men who were judging me were all wrong.**

**My death was a terrible death, not because I was so young, but I was forced into a position where I could not run. I was tied and I was abandoned by many of those whom I loved. But the words at the end, when I knew I could no longer fight for what I knew was right, have never been given to the world correctly. I am Saint Joan of Arc. My words were these:**

*‘If I have failed You, my God, forgive me. If I have done one impure thing that was my own fault, forgive me. And now that man has judged me and I go to Your Judgment, have mercy on me, for in my littleness, if I have failed You, I ask Your Forgiveness. Do not let the evil one touch me. I could not bear the stench of his place. Please God, take me to Where You are, for my Soul’s sake.’*  
So be it.”

SAINT JOHN VIANNEY

**“I was a priest upon the earth and many times I spoke strongly, directly, and even offensively, to those with whom I counseled in the confessional box.**

**You walk in the shadow of My Name. You do not walk in the vocation of My way. You walk in individual ways, protected by many things, protected by the Light of Knowledge, by the Beauty of Christianity, by the Purpose of God’s Commands and Rules, and you walk in the understanding of Christ’s Teachings. And you sometimes forget that as you attend to your problems each day, as you perform your tasks each day, you often omit the necessity of example in all you know, in all you have learned, to act a pure way.**

**I am Saint John Vianney. I speak tonight through *a woman* in the world who is under constant obedience to the Voices of Heavenly Ones, of the Highest Holy Ones, for God, your God, My God, wants the whole world to better understand the Purpose of the**

**Soul. Her jaws you hear, My Power is so intense. I force My voice through her, because the Words you are to hear are Words to direct you daily, not to fear, but to be strong so one day your Soul will return Here.**

**Your flesh, you say, is weak. It is only as weak as you allow it to be. You say your eyes are weak. They are only allowed to see what you allow them to see. You say your ears hear too much sometimes. I, Saint John Vianney say, ‘You have the ability to close out what you must not hear.’ You say your thoughts are not clean. I say: ‘It is up to you to not allow your thoughts to concentrate, meditate on anything that is not pure. You have a will, you have the way, you have the purpose, you have the ability, you have the strength, to act only a pure way.’**

**Be blessed, My children, be blessed, My sons, in the manner I blessed thousands, *‘In Nomine Patris et Filii et Spiritus Sancti. Amen.’*”**

APRIL 3, 1985

## SAINT BERNADETTE

**“Sometimes in the time in which I lived, it was the same as the time in which you live. Tradition was important in our way of life. We clung to it, we honored it, and we grew to love it, for it gave us union of thought, unity in action, and a depth of care for each other.**

**When I walked away from my physical family, I walked into the tradition of a convent. It was difficult at first for I was willful, but I eventually found the tradition of solemnity, dignity, self-control and self-discipline, a help to my Spiritual growth and also a help for my Spiritual pain, plus the physical pain I endured many times all alone.**

**I call you My sons because of Where I am. I am Saint Bernadette. In the time you live men are trying desperately to destroy the backbone of your Faith by encouraging you, forcing you, tricking you to think differently, to act differently, to perform differently,**

and to accept differently, from what you know is soundness in tradition.

**E**ach of you has a Soul. It is a Tradition of God, when a child is conceived, to immediately place within that child a Soul, a Guardian Angel, a will, plus the formation in which He decided man would be created.

**S**ometimes a difficult situation occurs where a child is malformed, a child is taken by God for many reasons, but there can be no question that at the moment of conception, the Soul, the Guardian Angel and the will were immediately instilled according to God's Will. That is God's Tradition.

**S**ometimes men, women, and even young people try to disrupt, destroy, what someone else has begun as a format for behavior, a formula to follow, because the individual who wants to change what is already there is insecure, doubtful, and lacks the mental capacity to understand the soundness that radiates from good tradition.

**D**uring much of my illness I would see Light and I would wonder what was in the Light. Was it God telling me something good, or something that

**I would have to endure to erase the sins of my thoughts, my words and my deeds?**

**The Light sometimes would shine brightly. Other times it appeared dim. Sometimes, when I would see the Light, I would be encouraged to forget what was wrong with me because I would feel a strength from the Light.**

**The Heavenly Father has given This Great Miracle to the world to enlighten the world with what is right, what is good, and to give strength to mankind to follow what God Wills for the Soul to reach out for, and that is to one day return to Him a Glowing Light of Love, Purity, bearing the name of a child ready to be called by another Name, 'Saint'. This is not farfetched, this is reality. This, My beloved sons, is Heavenly Tradition. So be it."**

APRIL 10, 1985

## OUR HEAVENLY MOTHER

**“The Words that were spoken before, that My Son was born in Light, through Light, with Light, was a Fact. It was Truth, difficult for many people to understand, but I, your Heavenly Mother say, ‘To understand the Supernatural Means and Manner of Divine Love would be impossible for man, but bear in mind that the Soundness of your Faith, the Beauty of your Faith in God, and your love for God, allows it to be unnecessary for you to understand all there is to know about Him, His Ways, His Reasons, and the Manner for which, in which He does things.’**

*The child* will describe to you what she sees.”

## VISION

**O**ur Heavenly Mother is dressed in the green I have seen Her before. I would call it an emerald green. Her sash is a brilliant gold. The sandals on Her Feet, gold. There’s a swirl from the sash down, for Her gown appears

to be layered on a slant, a drape you and I would call it.

**T**he Crown on Her Head is gold and the emeralds are very deep, in green. The Crown covers Her Head to about here. The emeralds are cut in such a way that the Light hitting them from Her is making them very electric, very, very bright. The facets are shining.

**H**er Hair is about down to here. It appears to be almost a golden brown, but it's very difficult to tell you the exactness of the color. Her Hair seems to be glowing.

**T**here is a Light all around Her. The neck is not real high but it seems to drop a little here. The sleeve, it's a long sleeve but it's long, it's open, but I see something in here. It's like, it's the same color as the sleeve but it's close fitting in here, and yet the sleeve is about this long and it's doubled over.

**A**nd She's smiling and standing very, very still. The Light around Her is so bright that It burns my eyes.

**“I speak with a tremendously deep Love for those who desire to do The Father’s Will according to His Direction. The Vision *this child* has spoken of to you is a Vision of Absolute Truth. The Light that radiates from Me is the Light of Divine Grace.**

**All of the Lessons, All of the Teachings, All of the Directions sent forth to the world through *this instrument* for the benefit of mankind, must begin to be distributed so that mankind will better understand what God wants, so that all the atrocities, all the abominations, all the misconceptions, all the hate, all the ugliness will soon come to a final time.**

**I speak slowly through *this child* for she is aware that I am not alone in this Vision. Her eyes are set upon Two Angels Who have entered, One on My right and One on My left. The Light that is shining forth from Them is hurting her eyes, burning them to the point where it is difficult for her.**

**The Angel on My right is the beloved Michael. The Angel on My left, the beloved Gabriel. She says, ‘Ah, a Third One just came.’ I smile at**

this for she says, 'He carries a stick.' Raphael. My, what a Beautiful Vision has been explained to you on this night. She will describe to you the Heavenly Beings."

**M**ichael is different looking than most any statue I have ever seen. His shield and His sword are gleaming gold, but so gold they appear white. His clothing seems to shimmer in the Light. Gabriel is the same way, but He seems to have a long gold open-end — and He holds it. He's smiling because I do not want to call it 'a horn'. Raphael — the stick is gold, and He's smiling. His garment is white. I don't know, He seems taller than the Others, Raphael, or I don't know if He's standing up higher. Our Lady has not stopped smiling.

**"**Because of this Gift to you on this night, We leave you, My children, with a Special Light, a Light to remember, a Light of Hope, a Light to guide you for the good of your Soul.

**B**e aware of what is right regarding the Faith you must treasure, the Faith in God's Will in full measure. Do not be afraid to stand up to what you know is right for your Soul and

**for the Souls of others. Sometimes a word said with kindness and love, but with strength in how you feel, gives another human being something to think about and something to feel, because you feel so strongly in what your Faith to them has revealed.**

**Be blessed by this Vision and with a Mother's Love, and be blessed with The Father's Will that He sends through Me to you from Above. So be it."**

## SAINT ATHANASIUS

**“There are so many things spoken through This Great Miracle that men do not realize in your time, in your age, in your way, in your manner of speaking, that are Important for thousands and thousands and thousands and thousands of people to read, to understand, and to be guided by.**

**I am a Saint, a Saint you do not hear from often. When I became a Saint, it was not important to Me for man to consider Me a Saint. The only thing that was important to Me was that I was able to do The Father’s Will, according to His Way, His Manner, and I was able to guide those who were yet upon the earth, in different ways.**

**I am a Saint in many ways, for I walked in many paths when I was upon the earth. I am a Saint that few men pray to. I am a Saint listed in many books, but not always remembered. I am a Saint Who fought heresy, and there is much heresy in the time in which you live. I am Saint Athanasius.**

**A**t one time I spoke often through *this instrument* in the world, but then I was requested to stand aside for Others to speak. The beloved Alphonsus Liguori has been given a charge, a commission, and He in many ways leads *this instrument* in directions according to The Father's Will, because of His experience in many things she is involved in, with, for.

**A**s I walked in My day, many men did not understand my words, my direction, and what I did say to them, according to what I felt. Now in your day the heresies are many. There is not just one.

**T**here are many men who say they believe in God. They do not. There are many men who say they commit no sin. They do. There are many men who feel the weakness of human life is acceptable. It is not. There are many men on the brink of falling into Hell. They do not understand the sadness this would be to The Father's Way and Will and Love.

**H**eresy is a terrible thing. Please, I ask each of you sons to look into the magnitude of the word, the fullness

it is, and understand it, and see it all around you in your day, your time. Be aware of its dangers. Be aware of its presence. Be aware of what it can lead you into: a lack of understanding, a lack of hope, leaning on the wrong things, and yes, accepting everything that comes along that makes life easier for you in the human way.

**Heresy is against God's Will.** There are many things that can be termed 'heresy' in your day.

I have come in lightly on this night for *the instrument* is far beyond exhaustion, for the turmoil, the tiredness, and the caution she has been forced to use has taken its toll upon her whole being.

**My sons, watch everything you do. Prepare yourself well for emergencies, and when you do, remember to call on God first, to help you. Always lean on His Beloved Mother for the purity She wants of you. And be sure that when you reach out, you reach for The Spirit of God, the Will of The Father, to guide you. So be it."**

APRIL 24, 1985

## SAINT JOAN OF ARC

**“My beloved daughters, they call Me ‘Saint Joan’. You see, in the time I spent serving The Heavenly Father, I walked with men of great honor and respect, but I also walked with men who followed what they felt passed through me, and they were fortified in their goals because of the courageous attempts that proved worthwhile, successful, gainful.**

**I have spoken many times through This Great Miracle of The One We call ‘Beloved’. In the Heavens there is no jealousy according to placement. Our Love for The Father is one difficult to explain to you, for what precedes Our Love is Honor to Him, respect for Him, and obedience to His Will according to His Decrees directed to Us.**

**I have spoken many times in the dark of night to *this instrument* to never change the armor, to never compromise, and to never allow another man’s tiredness to weaken her. My sympathy, my sensitivity to the tiredness of others caused me much**

**hardship, much hurt, because when I gave in to what I felt would help them, they took it for weakness.**

**As I have said at other times, the jailers abused me morally, physically, mentally, emotionally. I fought for my life, but they were told to not kill me. They were told to see that when they were ready to have me brought before the other men, I was to appear right in the eyes of all who would see me.**

**The tiredness and the fear that would befall me was frightening, for I was afraid to go to sleep, I was afraid to doze, I was afraid of every sound I heard, and I felt that The Father had forgotten me. But when I would stand before the men who were making the charges against me, I would gain strength. I did not know at the time where it came from. I was too tired to think, too tired to feel, but I would find the strength to stand.**

**One even asked me many times to kneel. They wanted me to kneel before them, to honor them as gods. I would not. Though my knees would bend in exhaustion, I would lock them and say, 'I kneel only before my God.'**

**They were fiendish men, they were devilish men, in every area that I walked. When they passed me from a room to the jail, I cried so they would leave me alone, but this did not happen. And that is why, when I pleaded to The Father to take me from the world, I felt He did not hear me for I felt that I had done wrong, even though it was not my fault. But when the time came and I heard His Voice, and He said, ‘You have not forsaken Me, Joan, nor have I forsaken you,’ I had all the strength in the world to fight off the onslaught of demons that were in the men where they had locked me up.**

**The world never truly knew what a terrible plight it was, for no one was strong enough to stand up for me in the agony of this Hell. But I come through *this instrument* tonight to tell you: ‘Where God is, there can be no compromise. Where God is, there is All Justice. Where God is, there is Pure Love. Where God is, there is Pure Hope for each one’s Soul.’**

**Men are omitting obedience to God’s Commandments. They say in this time it is easier to live this way, it is more compatible to the manner of**

**life. I, Joan say: ‘Fight for your life, fight for the life of your Soul. Speak out against what is wrong. Kneel to no one but The Father, and do not change your armor, for your armor says you believe in God according to His Will. Do not change your armor of purity and do not go below the mark that you know in your heart will draw you to Hell.’**

**My beloved daughters, and I also speak to My sons, a privilege given to a Saint because of the work that has to be done: ‘Be aware of all things you know are right and you know must be said and done. Be aware of the purity for your Soul, for the battle of life for the benefit of your Soul, is God’s Will to be won.’ So be it.”**

SAINT JOHN VIANNEY

**“I have spoken much tonight through *this woman* in the world, and I am Saint John Vianney. I could have spoken to you through her with an accent, but I spoke in her manner of speaking, in a tone you would understand.**

**The Love from the Heavens is much, the Direction from Heaven plentiful, but each man will put in his heart and his mind the degree he desires to take with him, in the manner he desires to use It, to fulfill The Father’s Will in him.**

**If you will but visualize The Father Above you, dropping Grains of Grace upon you, and you allowing a certain amount to remain within you, this is how you accept, you contain and you retain Blessings from Heaven, through your own will, your own degree of love, and what you desire to accept.**

**This is the story through time, a man’s will is his decision, a man’s decision is what he will accept or**

**reject. A man's love for God varies according to his will, his temperament, his habits, his ideas, his ideals and his goals.**

**My sons, I could speak to you for hours on end. You would absorb so much, you would retain so much, you would accept so much, you would reject so much, according to individual likes, dislikes, hopes, and yes, ability to accept in Faith What God would give, What I would give on a night such as this.**

**Be honorable, My sons, respect what must be respected. Walk in dignity, and never give up hope, for in hope you will find the Grace to act in, according to the place, and in many ways you will find the strength to seek God's Will for the decisions you must make at any place. So be it."**

SAINT TERESA OF AVILA

**“I have spoken many times through *this instrument* in the world and tonight, as I have spoken through her, I want you to know that What I have said is of the Utmost Importance in every area, every degree, because you see, I walked the earth and I, too, was deliberate in many ways. But when I knelt before The King, I asked His Forgiveness if I had made a mistake, and sometimes I know I would hear Him say, ‘Willfulness is yours, Teresa, but remember this, what you do, do in My Name, My Way, and remember, you will report to Me, your King.’**

**Today in the world a Great Miracle is in your presence, a Miracle of many decisions, a Miracle dedicated to do the Will of The Father in all ways, for many things.**

**I am Saint Teresa of Avila. *The child* says My Name with a sigh, for I wear her out when I enter. The Power I use she cannot deny.**

**The time in the world is a world of enlightenment, a world of trouble, a**

world of desecration, yes, and a world where many men feel that immorality is what they must practice, for it is done by all people and it is expected of them.

**Through This Great Miracle the Teachings that have been taught, directed, have been for all mankind to seek out the Beauty of God's Ten Commandments and realize the Magnitude of each one of Them.**

**I bless you, My daughters, but on this night I also say, 'Sometimes in your prayers you forget to remember that the Soul, That Portion of God, the Gift He gave, His Gift of Love, you do not truly feel is present. I want you to know you are never without the Soul from the moment of conception.' So be it.**

**I speak to *the instrument* and I let her know that the ecstasy will remain for three days, as it has before. I say this to you for I want you to know the Miracle of Light, the Miracle of Hope, is coming to a time when the Words will be delivered to the whole world. Many will reject Them, many will accept Them, but They will fall into places where particular Souls will**

**gain Graces from Them. It is the Will of The Father it be done so.”**

SAINT ALPHONSUS LIGUORI

**“As you are men of all ages, you are men who take the time to listen to the Words that pass through *a human being* by Many of Us. There is more to your presence than you realize. There is more to What you are given than perhaps you fully understand at this moment. There is Great Purpose in Every Word handed to you, whether It just be a Verbal Sound or the written Word.**

**As I speak through *this instrument*, she is concentrating on My appearance and I smile, because she has been trained on detail beyond man’s normal capacity. I will explain to you what she is looking at and absorbing for future reference. I hold a miter; there is a design on the miter. I am dressed in a garb. I am Saint Alphonsus Liguori.**

**We Here in the Heavens smile very generously when *this child* seeks such detail on every issue, every Vision, because of the innate desire, concern, respect and honor that is**

innate in her, so there will be no error when the time comes to see that men follow every line correctly.

I will tell you how far she goes, even to the seam on a sleeve. She says, 'You're wearing a sleeve underneath that has a seam.' I say to her, 'Ah, you see through material now?' And We smile at this for We allow her to see, for We know the Importance of these things.

I hold the miter but I show her something else. She asks Me if the statue will be bent like that. I smile and say, 'Which would be more pleasing to you, a crooked neck or a stately neck?' She says, 'A stately neck, for One such as You.' I accept that, for you see, the garment will cover the crook in the neck that was so painful to me.

Ask yourselves if you could now take a pen of your time, and I will give you one Word to begin with, and you finish a lesson or a teaching that you would feel confident to stand before anyone and say instantly without hesitation, five paragraphs, four paragraphs, bearing much meaning for the whole world to one day read. This is what We do to her. We say to her one

**Word. Now I will give you one Word and maybe some of you would like to try. The word is 'the'. Remember now, the lesson must have content, truth, be concise, and express God's Will.**

**My beloved sons, in a short time *this instrument* has been directed to see that the Teachings We have given, the Formal Revelings We have revealed are passed throughout the world for men to see. They are to be released from the cages They are in and They are to be spread openly; of course, in a dignified manner and in a way that shows Honor, from Where It comes, because you see, All that has passed through *this instrument* has been directed by The Holy Trinity.**

**There is much Light in This Great Miracle. There is Great Hope in This Great Miracle. There is Great Responsibility in every Portion of This Great Miracle, and yes, there is much Love from God Himself to all who obey His Will, and to all who see the Value of His Decrees and Proclamations and do not omit Them from their daily way.**

**Be blessed, My sons, and know that though there is much trouble throughout the world, man-made,**

**satanic-inspired, God has not left you alone, for All Things you know to be right are handed to you in script, handed to you in Words you understand, handed to you through *the sacrifice of life*. So be it.”**

MAY 19, 1985 AT 2:30 P.M.

### SAINT ALPHONSUS LIGUORI

**“Few men are willing to be responsible for the Gift of life in the manner Decreed by God according to His Will that was passed down through centuries of time since the delivery through man by God, of God’s Decrees and Proclamations.**

**Men, women and children want to know about God. They want to see Him in an understandable form, manner, way. They want Him to be a God of All Giving, a God of All Love, a God of All Promise, a God of All Results. I, Saint Alphonsus Liguori say: ‘He is All These Things, but He is also a God of Mercy and Justice. He is also a God that Sees All Things. He is also a God of Punishment. He is also a God of Correction. He is also a God that in His Love for mankind, uses ‘certain human beings’, such as He did Moses, to transmit, transfer Important Issues, Important Directions, Important Decrees and Proclamations, because of the nature of man, the personality of man, and of course, the need of man.’**

**Throughout the world there is a desire for stimulated elation, emotional rapture and personal touch that gives certain men, women and children a feeling of acceptability which, in its true sense, disregards that true acceptability is understanding God in the proper manner, way, that He is to the whole world. He is All Powerful, All Meaningful, and instead of man's senses being pleased, or the necessity for rapture to be a part of association with God, men, women and children should understand that such a Supreme Being should be out of the reach of human personal intimacy, and should be looked at, looked to, honored, revered, respected, and seen only in a solemn form of dignity that can be called 'a manner of servitude' to such a Supreme Being.**

**The time has come when men must realize that Revelation from 'This Supreme Being', through His Manner of doing things, is a continuous way for men, women and children to continue to receive God's Love, God's Wisdom, God's Direction, God's Hope, God's Decrees and Proclamations for men, women and children to see properly, the manner in which daily**

**living must be held in high esteem: as a privilege, as a responsibility, with Ultimate Purpose for the Salvation of one's own Soul. So be it."**

SAINT THERESE OF LISIEUX

**“Many times when We Saints speak to you, We speak in your language, your terminology, and We, too, came from many places throughout the world. Some of Us came from France. Some of Us came from Germany. Some of Us came from Africa. Some of Us came, yes, even from Russia. Some of Us came from India. Some of Us came from Switzerland. Some of Us came from Italy. But when We speak through *this instrument*, when ecstasy understands Our Touch, We pass the Words through her in the language you understand; for what good would the Directions be, if We talked in a foreign tongue to each of you that We see?**

**Everything that has passed through *this instrument* will be translated into languages throughout the world, dialects, for no Words can be set aside as not right for any time that men live in, live for, and walk the earth.**

**I am Saint Therese of Lisieux, and as I speak through *this instrument*,**

**I want you to know that though men speak of My way as a ‘Little Way’, I see it now as a firm, sound way, based on My strength in Divine Love. You, too, can walk as I walked. You, too, can be fulfilled as I was fulfilled, seeking only service to The Father’s Will, slowly, daily bending my will to please Him so He would notice me, so when the time came and I stood before Him, He would remember my gifts as little ones, difficult, but lovingly given to please Him.**

**There is so much in the world, there are so many things wrong in the world. It is up to you to stand firm on what you know is The Father’s Will, to be done by your will, for Him. So be it.”**

**JUNE 12, 1985**

**OUR BLESSED MOTHER**

**“Many times children pray to Me and their mind wanders because they feel that the prayers to Me are so repetitive that they lose sight, even count, when they pray My Way.**

**I ask you, My daughters and My sons present here tonight, in your time, on this day, in the year in which you live, that when you pray the Rosary, concentrate on what you say, for when you call My Name I listen, and when you say that you understand I Am Full Of Grace, I hear your words, and I hope in My Sacred Heart, that you understand that if I Am Full Of Grace, as a Mother, I will share this Grace with you in all you do, and for all you have done.**

**You say that you know that The Lord is with Me, and that is true. He Was, He Is. You call Me ‘Blessed’, and I wonder if you truly know what Blessed means, not just in the world but Here in the Heavens Where I am.**

**I want you to know that as you pray to Me and you remind Me, through**

the prayer called *'The Memorare'*, that I will listen to you and give you what you want. So now, if you will all say with Me, the prayer I love to hear, besides the ones you pray ordinarily, it will give Me much happiness Where I am, for though I am Here in the Heavens, I am also with you every moment of every day.

*'Remember, oh most Gracious Virgin Mary, that never was it known that anyone who fled to Thy Protection, implored Thy Help, or sought Thy Intercession, was left unaided. Inspired with this confidence I fly unto Thee, oh Virgin of virgins, my Mother. To Thee I come, before Thee I stand, sinful and sorrowful. Oh Mother of the Word Incarnate, despise not my petition, but in Thy Mercy hear and answer me. Amen.'*

I hear your prayer and I say to you, *'My Love extends from Where I am, to you there.'* Be blessed, My daughters and My sons, and know, that a Mother's Love is a Love beyond compare.

**So, tonight before you lay your head to rest, use the Rosary and say My Name, and when you go to sleep, I will touch your head, for in this Blessing, I promise you a Love of a Mother that is Truly Blessed. So be it.”**

## SAINT JOSEPH, THE HOLY SPIRIT

**“In the time in which you and *this child* live, there is so little imitation of what Christianity is all about, what It was meant to be. Caution has been given to many through *The Miracle Of Saint Joseph*, and whether men, women and children can truly accept Me, Saint Joseph, as The Holy Spirit, is not the important issue.**

**Some people say that as I took the form of a man upon the earth, I would speak through a man. I say, ‘Why?’ when The Heavenly Mother was the Epitome of Life, for all womanhood.**

**My sons, you cannot hear the Voice that I spoke when I was upon the earth, but My Voice comes through a *very soft voice* to you upon the earth.**

**I tell you in a story form, a beautiful way, and in this story form I tell you that I did one day look your way, but during that time it was for a specific, special reason. It was so that the Will of The Father could be done, that the Example of Family could be seen, followed, and of course, I worked**

to put food on the table, so clothes and shelter could be available.

**I** protected in every way I could, obvious to those who knew Us, and when The Son began to teach, to men of great intelligence, His Mother and I would stand back and smile, for We knew that the time that would be given for the establishment, the foundation of Christianity, to reach what It should reach, had to be begun so time would not be wasted.

**M**en say I am 'The Worker'. This is true, for it is important for men, women and children to understand the importance of working, for in work there is stability of mind, body, and yes, Soul. A busy man, woman or child is a constructive force for others to see, and the example of this constructive force gives hope, and yes, even liberty.

**A**s you listen to Me tonight, I speak from Heaven Where I am, through *a voice* you hear and understand. You would not understand more if *this voice* were loud. You would not understand or feel any differently than you do if *this voice* was coupled with another voice, for you must remember, the

**History God has placed upon the earth, He uses one voice at a time, to instruct, to declare, to command, to correct. He uses one voice to lead the way to the Promised Land. He uses one voice, no matter what the tone of it is, for men not to get confused by the sound of two voices or two directions, so man will follow only one and see the logic in the Plan.**

**My sons, do not ignore My Words and do not say it cannot be, for if you do, you are wasting time listening to Me. I have Blessed you many times from the Heavens. I watch you every day in every way you walk. I hear everything you say, for I am The Spirit of The Father, I am The Spirit of the Heavens, I am The Wisdom, I am The Light, I am The Hope, I am The Ray. And when you pray, even though you do not mention My Name, the Power of Whom I Am walks with you every day.**

**So when you are in trouble, I say to you tonight, ‘As you pray to The Mother of all mankind, the Prayer She loves so much to hear, the repetition of Her Name, and then you say “*The Memorare*” in such a childish Faith, I give you a prayer tonight for you to say, for in this prayer you will find a**

**Ray of Hope and a bit of Light to help you through each day:**

*“Saint Joseph, give me the strength to be the Way You were, the Provider, the Protector and the Guide, so that everyone who sees me will find the example that is necessary for them to follow, that will give their life more hope.”*

**I have given you this short prayer. It is a Prayer of Love, and I say to you, My sons, on this night: ‘Never allow anyone to discourage your Faith in God. Never allow anyone to diminish your Guidelines that God Himself gave to the world as the Light for men to follow day and night. The Ten Commandments are for all mankind and They are not just for certain hours of the day, but God’s Ten Commandments cover every part of your life and are for every moment of every day.’**

**Be blessed, My sons, by The Father’s Will. Be blessed by The Heavenly Mother’s Love and Grace. And I bless you with the Hope that you will follow the Guidelines of God’s**

**Love and reach Here, Where I am for  
All Time, in All Ways. So be it.”**

JUNE 26, 1985

## OUR HEAVENLY MOTHER

**“My beloved daughters and My beloved sons, there are many, many important issues throughout the world that one man does not have total control over. It will take wisdom and it will take Faith in The Father to abolish the demonic movement that is shattering to human life, human dignity, and human purpose.**

**I am your Heavenly Mother and I speak through the voice of *a woman* in the world. I speak through her intellect and I instill the wisdom of what life is all about, the necessity for things to be corrected, and those who have the Faith in The Father to believe that the Purpose for each human being was to return to Him, is to return to Him, That Portion of Him, the Soul.**

**So many times children of all ages and all colors forget that though they have responsibilities of everyday living, and though they have a particular responsibility, to include in their daily living remembrance of The Father’s Will, they must realize and**

understand that it is a Treasured Gift from Heaven to hear Us firsthand.

**M**en try to say it cannot be. Men try to diminish what This Great Miracle is for. In truth, they cannot diminish The Father's Will, His Way, because He is The Creator of All Things, and things can only happen when He allows them to happen, for specific purpose, for specific reasons, always for the benefit of man's Soul.

**H**ere in the Heavens, as We speak to Each Other, We oftentimes listen to particular prayers, repetitive, innocent, loving, caring, and then We hear the child say, 'No One cares, No One heard my prayers.' This is not so, for the smallest word, the slightest wish, the lightest ray of hope, comes Our Way, and We do not ignore it in any way, but children must trust, children must have Faith, children must commit their will The Father's Way.

**T**hrough time, many such children as *this one* through whom I speak, were set upon the earth, obedient to The Father's Command, for purposes many, for reasons many, and it was through their obedience to His Commands that evidence of The

**Father's Love, The Father's Will was seen, because in the Lessons, in the Directions, in the Hope, it was obvious it had to be The Father's Plan.**

**I speak to you on this night for I know of your love for Me, and I also know how deeply you want certain things. You must also realize that outside of this room there are many, many children just as you, praying for good health, praying for a vocation of life, praying for strength to carry on, praying for particular dreams.**

**The prayers are endless in number, degree, topic, content, and yes, Faith in whether or not they will be heard. Faith, some very assured, some not with so much assurance, but very much hope that Someone is listening to them and they will get aid.**

**I speak through This Great Miracle named after The Beloved One men call 'Saint Joseph'. His Power in the Heavens is above what men truly understand His Power to be. It was announced, His Position Here, but men said, 'I cannot believe.' We Here sometimes smiled at this, for you must understand, We used the innocence**

**of obedience and the commitment of dedication to God's Plan.**

**Unreal though it may sound or seem to some people, this is how, in many of your years and others' years, We have reached man personally, for you see, men try all ways to reach the Supernatural. Men play games with other men, saying they have a gift to a certain degree. I, your Heavenly Mother say, 'A Gift that is sound in values, a Gift that is sound in purity, always has a Purpose in It and for It and with It, that is always directed to the Souls of all human beings.'**

**I speak to you with a Mother's Love but I also say, 'I expect My daughters and My sons to return the love My Way.' I also say, 'Hold The Father High in all you do, and be aware of His Commands in everything you do.' See the wholesomeness of life, see the beauty of the physical way, and if you suffer physical hurt, understand that The Son of The Father also did one day. He did it to show you it is natural. He did it to show you not to worry, to use it in His Name. He did it for the benefit of all men's Souls. He did it with a Love that could only come from His Way.**

**There is so much the world must change. There is so much that man must do to take a stand against the wrong in the world, the evil in the world. There is so much that man must understand, and the only way that man can accomplish this is to use every act, every thought, every word, every deed, every moment that he or she is awake, to improve on what they think, to improve on what they say, and to improve in charity, to improve on all of God's Ten Commandments, shedding one weakness at a time, not listening to what other people do and say.**

**It is important that example be spread, and it can be spread by each of you. Men speak of a plague and they say it spreads very quickly, and I, your Heavenly Mother say, 'So does good example and charity.' Wickedness does not have the power that goodness has. Wickedness can be stopped. All it takes is the will of man, woman or child. Goodness can spread like the seeds in the air on a windy day and it can fall in places you will never see, for do not forget, the Choirs of Angels can carry it anywhere at Our Command. You can touch the lives of many, many**

**men, women and children in your little way, through your example every moment of every day.**

**I love you, My children, and I want you to know, The Father's Love is a Light that shines for you and in you, as your Soul. So as you are obedient to things you know are right, and as you practice obedience to God's Commands, know that you are seen and you are heard, you are watched in every place you stand.**

**I come on this night because of My Love for you and because of what I know you are capable to do. Be blessed, My children, and do not forget, My Love for you is a Mother's Love, beyond the human love that you are familiar with. Be blessed, and know, that through your example God's Love for all mankind will definitely show. So be it."**

SEPTEMBER 11, 1985

SAINT TERESA OF AVILA

**“My beloved daughters, I am Saint Teresa of Avila. I speak the Words through *this woman* in the world, and I say through The Heart of The Beloved One, that you must be strong in your Faith in God, that you must believe in prayer, and that you must daily respond to the Beauty of The Mother of God, for She is The One Who will intercede for all things to be done, for all things to be accomplished, for all goals to be reached. She is The One that satan fights but he cannot win. She is The One Who will stomp him out when the time is right, and not before then.**

**Let your Faith grow. Let your staunchness in what you believe in stand strong before all men. Be truthful to yourself. Be honest with God, and be faithful to Him.**

**You live in a time of great tragedy and one day there will be much remorse for this time in History, for the desecration to all that is right, all that is good, is a great sadness to**

**The Father Who created all things. In the world, the time in which you live, there is sadness everywhere because of the abominations being done against a pure life, the abominations that are full of sin.**

**Do not think that purity is out of reach for you, but know that purity of mind, body and Soul is for you. It is your will that will attain it. It is your will that will hold onto it, and it is your will that will one day hand a Pure Soul to God, and you will say: *'It was difficult, God, for so many times men tried to draw me away. But I understood in a moment of truth that my will was my way, and You gave it to me in a quiet way at the moment of my conception as a human being, to one day live in the world. Thank You, God, for the privilege. Thank You, God, for the time. Thank You, God, for the strength that I learned to have, that I worked at, so I could one day live with You in the Divine.'***

**I speak from the Heavens, My children, in a way you cannot know, but in a manner of love and truth, honor and dignity, respect and hope, for in the day in which you live you have the**

**opportunity to reach for Sainthood as your Goal.**

**So many times, in different periods of life, men are instructed more thoroughly to reach for that Goal for which each man was born to the world. You are Blessed in many ways and you must remember that you have control of your will, and what your will does, what your will says, controls the purity of your Soul.**

**Be blessed by All that is Here, and never forget that when you kneel in prayer, look at the Beauty of the Spiritual way, the Spiritual life; you call it 'Faith'. There is strength in it, there is hope in it, there is love in it, there is purpose in it, and of course, there is a Goal. It would be terrible to live without it, and it would be terrible to live without this Beautiful Goal. So be it."**

SEPTEMBER 20, 1985

## SAINT JOSEPH, THE HOLY SPIRIT

**“A handful of men walked with My Son. A handful of men, each one was a special one, for in their Faith and in their hopes, they knew that they had been given something special to hold onto. They were guided along the way, they were given special time. They were exposed to a Man in the world Who had been known to heal the blind. The real example of this was, there is more blindness in the world than blindness of the eyes. There is blindness in how men think, how men act, and even how men try.**

**Purity is not impossible for any man’s reach. Purity of mind, of body and of Soul should be the Goal for each man, to see the Purpose of life for which he was born, the aim he must have in everything he does.**

**Don’t walk in blindness in your actions, in your way, in your talk, but walk knowing that evil lurks around every corner and you must be alert. Bear in mind every day The Commandments of God, and never**

**forget that The Son took the time upon earth to teach the way to God, the Beauty of life, the Purpose for the Soul, and yes, the Goal that each man must look at, look to, strive for, and reach, for the good of his Soul.**

**Be blessed, My sons, and know, that you know Me as 'Saint Joseph' in the world, but it is true I Am The Spirit of God, I Am The Light in Which Wisdom grows. No matter how men try to argue a point, It is a Mystery to every man ever born to the world, and that is why it is difficult for a man to understand that I could have Two Roles. But do not let this bother you and do not let this delay you in striving to walk in purity and setting aside any blindness that you may have in the world.**

**You are Blessed in many ways for the Faith you have, for the Faith you feel, the Faith you sometimes wonder about, and the Faith that you sometimes don't reveal; but know, that whatever you think, whatever you say, whatever you do, however you try, whenever you pray, whenever you are wrong in your way, The Father knows.**

**Take with you on this night a Blessing beyond your dreams, for you are present for many reasons perhaps, and My Blessing comes to you in a Special Form, not in human ways.**

**You are Loved and you are rich, but you cannot measure your richness, your wealth, with what you see outwardly, for wealth that you have is deep within you. You cannot throw it away; no matter how you try to discard it, to ignore it, it is within you, your Faith in how The Father works. And never forget, continuously, constantly urge your will to have you pray, for prayer is communication, prayer is a way to join your will with The Father's Will, and in this joining much good will come your way.**

**Be blessed, My sons, with a Father's Love, and of course, a Mother's Prayers, for The Hearts are joined in One, for each of your Souls to one day come Here. So be it."**

SEPTEMBER 24, 1985

**OUR BLESSED MOTHER**

**“Child, always remember to say to yourself: ‘Things aren’t so bad because I can talk to God. I don’t have to be rich nor do I have to be poor. I don’t have to be intelligent nor do I have to be considered a dummy. I don’t have to be wise nor do I have to say things the way others speak their minds. I can talk to God, just because I love Him and He belongs to me and I belong to Him, like all others.**

**‘I don’t have to be a professional person, I don’t have to be well-known. I don’t have to be with others, I can be all alone. I don’t have to imitate how others speak to Him, I don’t have to imitate their way. I can talk to God, I can talk to just Him.**

**‘He made me like I am. He gave me a will, He gave me my Faith, He gave me my own Soul, so I can communicate with Him alone. I must always remember that when I speak to Him I’m speaking for myself alone, so whatever I say, whatever I think, my Faith in Him tells me He will**

understand. I can say a simple prayer or I can just think His Way, and I know in my heart, in my Faith and my will, He hears clearly my thoughts and understands my little way.

‘I must always remember I have the privilege to communicate with God in so many ways, every moment of every day. Sometimes I say to myself, “The Mystery that surrounds Him has a Special Ingredient that can only be explained as Divine Love from a Heavenly Source, in a Grand Way, to something inside of me, and to all mankind, to have the Faith to believe that they are so little, and each one of us stands in a special little way. Human love is sometimes referred to as a bond between two or more people. Divine Love is a Binding Love that is Eternal, between God and all people.”

‘I must always remember I can talk to God any time of the day. What a comfort this is for me, to know I am never alone, for He gave me a Soul, and my Faith tells me that when I pray, in some way my Soul is probably the One that alerted me to say either a prayer in thanksgiving or a prayer in want or just a prayer to get attention, because even though I’m with people, I may

**feel lonesome a lot. Though my prayer may be small it gives me strength, for innately I know He heard what I had to say. I must always remember I can talk to God today.’”**

### SAINT THERESE OF LISIEUX

**“A child, a woman in the world was chosen some time back, to speak the Words of Divine Love, Divine Hope, to give to mankind Direction, and to draw men back to what God’s Will was all about and The Commands He gave so long ago.**

**They called My way ‘A Little Way’. Perhaps it was, but now I can say, for every little act of love I wanted to give to Him, I practiced in so many ways, trying to make each one a better act of love because I wanted to one day be with Him.**

**A lot of little acts of love make one stronger in every way. The little acts of love can multiply in so many ways, for they can touch the lives of many, many people because of the difference in their ways. Some are acts of charity and some are acts of hope. Some are just saying ‘Hello.’ An act of kindness, sometimes to the right one, turns their whole mind to God alone.**

**So do not consider ‘The Little Way’ just Mine and just My role, for as**

**you walk in the shadow of My Name, I want you, each of you, to have the same Goal: to live with God forever in a Place unknown to man, so Beautiful, so Wonderful, for the Light of Him is more than grand.**

**Children have to learn little things at first, but sometimes all the little things can quench a lot of thirst. So understand, My children, that as you hear My Words, do not forget to walk each day and talk to God first.**

**Do not forget what The Beloved Mother said: ‘You’re not alone and He is never away. He is constantly by your side, for the Soul that He gave is a Part of Him with you every moment of every day.’**

**Be blessed, My children, and remember tonight, and do not forget the Words. Say them often, all day long. These Words will give you Light: ‘I can talk to God for He hears me, that I know. I am never without Him for I have Him within me in the Form of a Soul.’ So be it.”**

## SAINT FRANCIS OF ASSISI

**“The Lessons passed on through This Miracle are Lessons to make the children think, to give the children something to think about other than their humanistic values.**

**It is important that all of mankind understand there is no secrecy to The Divine; Mystery, yes. But All the Lessons that The Father has passed on down through time have always been for the good of mankind and for the Glorification of all men’s Souls.**

**I am Saint Francis of Assisi. Many stories have been spoken of Me, about Me, because of Me, and of course, descriptions of how I walked, how I looked, how I loved others, and yes, the things I said, the things I spoke, the things I thought. But I say to you men on this night, in your time, in your day, that the logic of living is to reach for the purification of one’s life. This is based on God’s Ten Commandments, always reaching for the purity of one’s mind, one’s body and one’s Soul.**

**I** have spoken many times through This Great Miracle, and even as I stand Here in the Heavens I turn to My God and I say, *‘Thank You for the privilege, allowing Me to be Part of this time, in this way, to guide children so they, too, will become a Part of This Beautiful Place, to always be in Your Grace.’*

**I** could shout at you, My sons, I could say Words to confound you, but that is not necessary nor is it My way. I want you to know that the Blessings that come forth through This Miracle of The Beloved One you call ‘Joseph’ are Blessings that abound in many ways. You cannot walk the streets and find Them. You cannot walk the corridors of a building and feel Them. They are in the air, They are in the Words, They are passed on to you in a delicate way.

**The** Light that shines through Every Word is a Light indescribable man’s way, for in this Light of transmitting These Words to you, there is Divine Love in a Precious Way.

**Do** not walk in blindness. Do not say you are blind to Truth because it is not your way. Face what you know

**is right. Look at things for the truth they are, the value they are, the logic that emanates from them, and see the Light of God's Will before you make a decision to stray.**

**You are Loved, My sons, in many ways, more than you will ever know, but you are given the Light of Divine Love through your Faith in This Great Miracle that will not stay as It is, It can only grow. So be it."**

## OUR HEAVENLY MOTHER

**“Many men are inspired by simple things. Many women have the ability to inspire in others small ideas that turn into great things. When a child has Faith in The Father’s Will, a child has the ability to stimulate, motivate, and encourage example, for others to see the beauty of service in charity, the beauty of love in giving, and the beauty of purity in living.**

**My children, I am your Heavenly Mother. All things spoken through this *small instrument* in the world are delivered to the world according to The Father’s Will, to give Strength where it is needed, Hope where it is needed, and Love where it is needed.**

**There is so much selfishness, egoism, immorality. There is so much in the world that men have accepted as right for them because they live in a time when things are allowed, things that are easy for men to enjoy. In their hearts they know it is not truth, but they justify it by becoming a part of it**

so they will not be left out of worldly pleasures, worldly goals.

**This Great Miracle is so Important to the whole world for It delivers to the world of mankind The Father's Love, The Father's Direction, The Father's Hope, and of course, The Father's Will.**

**It is not difficult to follow The Father's Will. It is really quite simple, if one would but repeat at least one time a day His Ten Commandments, to remind one's self of the Beauty of Them, the Importance in each of Them, and the Goal He intended for Them, for each one's Soul.**

**Please, My children, do not ignore My Words for I say Each Word for your benefit, and Each Word I speak is the Will of The Father, for your Soul.**

**You are Loved with a Love you cannot understand nor could you recognize It through the eyes of man, but one day when you are Here with Us you will say these words. I know, because I have already heard them: 'If I had but known the Rewards that awaited me, I would have bowed so low that with my human eyes there was nothing I could see. I would have**

**laid prostrate on the floor so I could not sin in any way, and I would have asked to pass from the world, for the world is nothing compared to Heavenly Beauty.'**

**My children, remember These Words and remember the way. Remember the will God gave to each of you at the moment of your conception on a particular day. Your being in the world was meant to be. Your living in the world was God's Will for each of you. Your Eternity with Him is also His Will, so it must be.**

**I bless you with a Mother's Love, but I bless you with The Father's Will and I say: 'No matter how small a Light of Faith burns within you, it can grow if you allow it to be. It can shine brighter than the brightest star, for you see, the Light of Loving God within you, is already a Part of God, It is your Soul.' So be it."**

OCTOBER 16, 1985

SAINT ALPHONSUS LIGUORI

**“*The Miracle Of Saint Joseph* is the only One of Its kind in the world, but was given to the world because of the difficult times in the world.**

**The Priesthood is very important to God for God is The One Who instituted the Priesthood, established it amongst mankind, elaborated upon it, and left His Words to carry it on.**

**I lived in a time, not the time of Christ, but I lived in a time of controversy. There was heresy, and many problems within the Church. I am Saint Alphonsus Liguori.**

**When *this child* speaks to you of professional men, of their ethics, their greed, how they feel about pride in what they feel they know, what they can handle, what they do, it is sadness because they forget one thing: to have the ability of charity, to have the ability of loyalty, to have the ability of gentleness, kindness, for the good of another human being, is more important to God than anything else a man can give. A man has the intellect**

to share with others. This intellect was a Gift from God. A man has the ability to speak. This is a Precious Gift from God. A man has the ability to see. This too is a Special Gift from God.

**M**en talk about Christianity. Men speak of how to live It, how to feel It, how to divulge It, how to be example of It, but then they go their way and do their thing, the way they feel at the moment it should be done, not always remembering that the Gift of Christianity is a Gift of Hope, a Gift of Strength, and that Christianity in Itself bears an armor, a code of ethics that says, 'I obey God's Ten Commandments for the good of my Soul and for the good of all mankind's Souls.'

'I believe in Christianity,' a man says, 'I am a Christian.' Question him, what does he mean by his being a Christian? There are many, many degrees of Christianity. Some men use Christianity as a means to better business, more power in business, more advantage, more friendships, more contacts. Men use Christianity to say to another man, 'You see, I am equal to you, I agree with you, for I

too am a Christian, I too believe in a god,' but they do not tell which god they believe in. Their god, most of the time, if you were to write it out, would begin with a small 'g'.

**Y**ou must remember, My sons, that a Gift that is to serve mankind, whether it is in a clerical position, a literary position, a profession of any kind, if it is just to take numbers down, if it is to keep the peace, if it is a position mechanical by nature, there is a responsibility in it to every man you come in contact with, for you see, your name is connected to your body, to who you are, what you do, what you say, and your name may be spoken in corners of the earth that you do not hear what is said.

**Y**our name, on a sheet of paper, can travel far from you. What does that name say to those who read that name? Does it say honor, dignity? Does it say that this person has a code of ethics, this person lives by God's Ten Commandments, or this man is a pagan by nature but a Christian when he exclaims his position? Does this name say he is a hypocrite, he is a liar, he's an adulterer? Does this name say, 'Don't trust him, he's a liar'? Does this

**name say, ‘Do not allow your spouse to be with him for he will take the dignity of life from your spouse for his own greed, his own lust’? What does your name say to all mankind?**

**Tonight, if you were to write a letter to God, and you said:**

**‘Dear God, this was my day. There were times I wasn’t too happy with what I was doing. There were times that when I spoke to someone, I really didn’t feel sincere in what I had to say. There were times I cheated. There were times I lied. There were times, if I thought You were by my side, I’d feel disgrace in what I was doing.**

**‘God, will You return my letter with Your Answer to me, and how You felt about my day, how You would describe Your Reaction to me in Your Way, and then tell me, God, what I should do to change so I can totally be what You want of me in every way?**

**‘I love You, and I know this, but I cannot see You, I cannot feel You, and in so many ways I feel far away from You, because my love for You is a love I cannot understand, I cannot feel. It is not an emotional love but yet it is a love I know that is there. But I do not**

**always react to this love, but I know it is because I have not trained myself to see You in a Pure Way.**

**‘When I feel that someone I am with is pure, there is a good feeling. When I feel that I am with someone who is evil, there is another feeling. When I feel that I am with someone who is weak, and I become vulnerable to this person, there is no happiness in this, but there is sometimes lust or greed. But I know that if I were to use a code of ethics based on the Ten Commandments, I would free myself from that person that time and find a way to reach You to get the strength I know I need.**

**‘I sign the letter off, my God, with hope and in deep prayer, that the letter that I write You will see, and I know that You will hear, for at the bottom I want to say that I have been trained to pledge allegiance to my country, to my flag, and other things. In my heart I want to pledge my allegiance to You, my allegiance to my Soul, so I will never stray. God, help me know what a Pledge of Allegiance of this magnitude will do for my living in the world every day.**

**‘I sign this letter, “Your son.” This I know, for I know You created me and I also know You created each of us, one by one. This alone should give me the strength to know in my heart I am special in Your Way. So as I sign my name I say, “Please, God, bless me so I will feel the strength to conquer all my weaknesses for the good of my Soul to be with You one day.” So be it.’**

### SAINT ALPHONSUS LIGUORI

**“Man’s ways are different in many ways than The Father’s Way. The Father expresses all things in a Plain Way, Clearly, Distinct, Honorable, Just, with Great Purpose, and a Goal to everything, for the Soul. Man complicates all matters by greed, selfishness, lust, opinion, and personal control.**

*The child* through whom I speak has been tormented by the ways of man versus the Beauty of God’s Love for man. Remember, My sons, this is difficult to take.

**Be blessed on this night for the Words are true and sure. I, Saint Alphonsus Liguori, am working in many ways against some men’s wills, with some men’s wills, but first with the Will of The Father always in first place.**

*The child* through whom I speak, a woman in the world but not always of its ways, suffers because of complexities men put in her way. So please, My sons, know, that All of

Heaven stands by *this child* in the world and truly hold her to a way, to His Will, that without Our support she would fall to the ground and never rise again.

The difficulties, the problems, the forces that have been fought in these days, have been more than any man knows in the human way. So be strong, My sons, be fair, be just, be honest, and be secure, but never forget to pray, for prayer to The Father is communication through your Soul to Him, and remember this, that as you pray He hears the true manner in which your word, your thought, your actions say what you truly mean in every way.

I speak slowly through her for her physical is beyond repair, but I add on this night: The Love of the Heavens is in This Great Miracle, for in This Great Miracle God's Will is everywhere. So be it."

NOVEMBER 13, 1985

## OUR HEAVENLY MOTHER

**“The world, as you see it, is not totally the way it is. Men go into space, they see the world from far away, a distant place. They look at it and they say: ‘I live on that place, I have done so many things there. It’s a place I know, a place I care about, and a place I want to return to, to resume my way.’**

**The world is God’s Creation. The world was made for man. The world is special in so many ways, that I, your Heavenly Mother say, ‘What has been spoken to you on this night, you must see it as it is, the responsibility of life every moment of every day, in every way.’ Be sure that when you see the responsibility when you wake, responsibility to say to The Father, ‘*I love You, help me today,*’ and then I am always overjoyed when a child turns and says, ‘*Mother, guide me on my way*’; and of course, The Son Who walked the earth loves to hear a child pray, He loves to hear that beautiful prayer, ‘*Our Father*’, Who sent the way.**

**T**here are so many things in the world you know about, you see, you take part in, and yes, you try to share in many ways, but I want you to know that in My Mother's Way I say, 'Please, My daughters and My sons, be aware of your responsibility in every way.' This Miracle has been sent to the world, a responsibility for everyone who hears the Words, who reads the Words, for Truth is in Every Word that We have given to you upon the earth.

**Y**ou say, 'What is Heaven all about?' And I, your Heavenly Mother say, 'A Special Place for you to come and share with Us one day.'

**B**e blessed, My children, and know, that as This Great Miracle walks throughout the world, We walk with It in every way. We have in many ways, at many times, given strength to those who do not believe in how *this child* could walk a Special path, a Special way, a Special road, and We have listened to them say, 'Who is she, what does she want, why does she want to do what she says she is Willed to do a Special Way?' We Here in the Heavens smile and say, 'A glimmer of Faith shows,' for she says to them, 'It must be clean, it must be good, it must

**be fair, it must be just, I will take it no other way.'**

**In her silence much is said. In her Words, more than any man knows is said, for you see, when she says, 'Yes, okay,' when she says, 'All right,' We smile and We look at her for she will turn to Us many times and say, 'I wanted to shout, I did not want to say "Okay",' and We say, 'We know, but it was the thing to say.'**

**Please, My daughters and My sons, do not be afraid. Have courage and walk a beautiful way, accepting your responsibility in every way. And let the Light of Divine Love, the Light of Hope, the Light of God's Strength, My Love, My Guidance, lead you to Where We are, one day.**

**Be blessed in so many ways, and know, that as I speak to you on this night I say, 'The Love for you from Heaven glows.' So be it."**

**DECEMBER 7, 1985 AT 1:52 P.M.**

**OUR LORD**

**“My children, I am The Son of The Father and yet in reality I am your Father.**

**Many men, women and children are celebrating in different ways at this time, My Arrival as Man upon the earth. There are many who populate the earth at this time and at other times, who cannot and who could not accept the Reality of Who I Truly Am and Who I Truly Was.**

**It is joy to My Sacred Heart to see so many celebrate My Time of Arrival as Man upon the earth. I know that many celebrate for different reasons but I also know that it basically stems from My Birth.**

**We Here in the Heavens celebrate with mankind. We do not celebrate in the same manner, but We join in the glee and the enjoyment that is expressed in the love, hope and charity that at no other time in the year of man’s life does he go forward so joyously.**

**We smile at the work involved. We enjoy the timing that is accented upon. We smile at Each Other and We say, ‘The children, though they do not understand the Fullness, partake in a Special Time, Day and Way.’ Oftentimes there is much discussion on whether the time is the same, the Time that I came to the earth, and We always say, ‘Time in different centuries can change, but love, in generosity, charity, giving hope, an expression of family love, the importance of friendship, is the same in all ages, times, places, and yes, things.’**

**My children, though *this child* through whom I speak, *a woman* in the world but not totally of it, brings to the world Messages, Revelings, Teachings, Hope, Understanding, it is necessary at this time for her to show the art of human celebration, the Gift of remembering when I came to the earth.**

**In some people’s minds, they would expect her to erase all celebration that appeared human in every respect. How could this be, when at the Time I came to the world there was much jubilation. All of the Heavens rang out in joyful song, announcing My Birth to**

the world, drawing men of all kinds, in the title of shepherds or kings. The celebration I took part in silently was enjoyed most by those who gave Me things. Satan has tried to interfere, beckoning some men to say and to feel it only represents paganistic things.

**The love of a child is a beautiful thing. The care of a child is a way for mankind to express many things. At My Birth, the way for all men to follow a path was handed to mankind as a natural act: A Family, the Birth of a Child, the joy of those who heard of the Birth, because you see, though My Birth was a Birth marked for destiny, every child born to the world is a Gift from The Father, because each child bears a Soul and the Soul is The Part of the child that will return to The Father, as I did in a Special Way, to give to mankind the Lesson, the Purpose for Life, and the Way.”**

DECEMBER 11, 1985

## SAINT THERESE OF LISIEUX

**“I, a known Saint, Who was spoken of as having followed ‘A Little Way’, say to you, My children, on this night, ‘It is important to you, it is important to God, it is important to your Soul, that within you, you ask for enlightenment, wisdom, the ability to pray, and do not hold back from saying, *“God, help me to be a Saint.”*”**

**You must remember though, that to become a Saint means that you will use every part of your being to reach for purity. Do not expect to reach it overnight. Work at it, and as you take each step along the way, bear in mind, each step that takes you closer to God is one step closer to becoming a Saint. You do not have to write great books. You do not have to be out where all men can see you. It is the mark you leave on each one’s Soul that creates the Goal.**

**Be blessed, My children, and know, every little act, every good thought, every time you make happiness light another one’s life, every act of**

**penance that you do that is in keeping with your way, your ability and will, will gain for you a beautiful star. And when The Father says one day, 'You have accomplished what I sent you to the earth for, for your little Crown is full of stars,' your Soul will wear It a Heavenly Way.**

**Be alert, My children, to All that has been said, and on this day, on this night, make a promise to your Soul that you will make your Soul a Saint. So be it."**

DECEMBER 18, 1985

## GOD THE FATHER

**“Through *this instrument* I hand to the world My Love. Through *this instrument* I hand to the world a means to Me. Through *this instrument* I say, ‘I love each of you individually.’**

**Through *this instrument* in the world I hand Grace so that men will understand the goodness I expect of each of them, for Grace is a Gift of Love, of Hope. Grace is a Gift to give strength to devotion, Grace is a way to become a Saint. As you gather Grace as you go your way, keep in mind, My sons, that every day is a special day.**

**And as I handed you the breath of life one day, I gave to you a will to show, a will to show other men and women, children, of all kinds, the way to Me, for in this will I gave you Faith in Me, a special Form of Grace from Me.**

**You do not understand what your will is all about. You sometimes say it’s stubbornness, it’s greed, it’s hate. Sometimes you express it in a form of love, but your will is special to Me, for**

you see, your will is also a Gift from Me, to let you know that you have the power of decision to provide for your Soul the way to Me.

**B**e blessed, My sons, and know, that though there have been many ‘ups and downs’, I have given you Grace to survive, so one day you will see Me and you will say, ‘God, if I had but known the Beauty of You, I would have laid prostrate before You every hour of the day.’

**T**his would not accomplish much, My sons, in its way, for you see, I have put you upon the earth with movement to make, with challenges to undertake, with motives behind what you must do. I have given you energy to project, yes, and I say to you, ‘Use your effort in the best way, always guided by The Commandments I gave one day.’

**B**e alert to everything you do and be attentive to those who need you. Do it seriously, do it with love, do it in a manner that when you see Me Above, you will look into My Eyes and say: *‘Dear God, what Beauty I behold today. Thank You for the strength to know that You existed, for the benefit of my Soul.’* So be it.”

JANUARY 5, 1986 AT 4:55 P.M.

## GOD THE FATHER

**“So many times I signal mankind in ways he understands. My Signal is a form of communication, to alert, to teach, to command. At no time in History have I not been close to mankind, for how could I allow Myself to abandon what I created in the Image and Likeness of Myself?**

**A man looks in the mirror, the reflection is important, for he sees firsthand his appearance, and what others see him as — a man.**

***This instrument* in the world has been given a Command to walk in, act upon, and deliver What I Will, for men to learn, men to feel, men to see, men to follow, and men to be directed by, for the Goal I intended for My Creation of man.**

**There are many religions throughout the world. It is true, some are totally directed at Me, some at things, some even at evil beings. I understand in certain areas, points of confusion, degrees of honor, and also, differences of opinions, regarding Me.**

**I am known to be Just. My Way is Mercy, and of course, it is My Divine Understanding that is the basis for My Justice in all things. Some men say, 'Faith in God is for someone else.' I, your God say, 'Faith is a Gift from Me, to Me, in My Way, for the benefit of each man's Soul.'**

**What is the Soul? You have been told It is a Portion of Me. Men say, 'What if the Soul is so darkened, how can a Portion of God be allowed to be this way?' An act of love in these words. Let Me put it this way: As I have the Power of Command to create, I have the Power of Command to delineate, to refuse, to take Myself out of what is wrong, what is My enemy's opposite kingdom of state.**

**I am All Powerful. It is not easy to walk My Road, My Path. Heroism in My Way is oftentimes diminished to mere human fact. To one who walks for Me alone, credit, compromise is something out of character, because it only registers, radiates human values, characteristics, attention, deliberation, and fact.**

***This instrument* at this time walks a tightrope that is swinging**

**almost in a circle. When it reaches the circle stage, I, and only I, can hold her fast to it, for at this moment men are causing a momentum of this tightrope that could throw her into an abyss of hate.**

**Understand, a privilege is not always easy to cope with, for with privilege comes respect, honor, dignity, and yes, much responsibility.**

**Men would not believe Who speaks to you today, but that is not important. Your belief, your Faith, is your strength I use and I accept, as a token of honor, as a means that will one day determine your Eternal Fate. So be it."**

FEBRUARY 5, 1986

SAINT TERESA OF AVILA

**“I have spoken much through *this instrument* to many people in different parts of the world. Some looked at her and criticized her. Some looked at her and felt that they would like to be as she was, innocent yet understanding, hopeful and yet direct.**

**I am Saint Teresa of Avila and I say to you, My sons, on this night: ‘When you leave, think much of What was spoken but do not misinterpret One Word of It. Only depend upon the truth to leave your lips. Only depend upon the truth that you know is fact, and will be for the good of those with whom you speak.’**

**I have spoken many, many times through *this instrument* in the world, and I say: ‘Men see all kinds of light when they think hopefully about many things. When dawn comes men begin to think differently. The light brings hope to man’s mind, man’s body, man’s will. And as the light brightens, whether it be the light of the sun, the light of a room, or the Light of reason or the**

**Light of Faith, men feel encouraged, and it gives them the strength to go on, to accomplish, to participate, and to be a part of something worthwhile.'**

**Remember, charity is hope to someone else, but the reflection of this hope returns to the giver, for in the reflection of such charity there is strength to the Soul. And when a man walks with a Soul that is pure, a man can move mountains. The mountains can be problems, heartache, hurts, and many other things, but do not forget, keep in mind God's Ten Commandments, and when you do, bear in mind that They can be obeyed only through pure thoughts, pure actions, pure love, and yes, Faith in God in everything you do. So be it."**

**FEBRUARY 12, 1986**

**SAINT JOHN VIANNEY**

**“I have come tonight to alert you to the possibility of great tragedy within Holy Mother Church. I have come tonight to warn you that you must stand up and be counted for what is right, what is truth, what is good, and what is best for your Soul.**

**I have come tonight to remind you of those who first believed in Christianity, how they were abused, but it was the fact that, in many ways, they gathered together, they took their stands, and those who survived the terrible tragedies of those days carried on The Father’s Plan. So now, almost two thousand years later, you are benefiting from how others stood, sacrificed, lived, and counted every day.**

**As I stood upon the earth, I stood in a very simple way, always cautious of those who would try to trick me, for I knew that I could not trust every man in every way, but I did not allow this to become an obsession with me, for I would offer all the hurts for The**

**Father's Will to be done, for the Souls that had to be saved.**

**In prayer, I spoke my mind, I spoke my thoughts, I spoke what I felt, not what The Father wanted to hear, but what I wanted The Father to hear from me, for I felt the need to tell Someone what I was seeing, that could be, should be corrected, and only He could do it, I could not. I could put the thought in the open but I could not make the will of the other human being react to what I knew was correct, what was right.**

**I stood firm, I stood strong, I stood bold, and yes, in many ways many people could not stand me, for I called a sin 'a sin', I called a lie 'a lie', and I said, 'Yes, it is true I am not perfect, but I am striving to make you perfect, for I want you to become a Saint and be with Him.' In fact, there were so many times that, in my trying so hard to make someone else a Saint, I fell flat on my own face, facing the ground saying: *'I lay prostrate before You, my God, in shame. I have failed perhaps in some ways, but my heart will try again.'***

**I am Saint John Vianney. A child stands in the world to cultivate,**

motivate, yes, and transmit, not great Words for men to think about, but simple Words for men to follow, for life upon the earth, no matter how long it be, can feel as short to any age, unless the child is so happy being in Grace that the child does not look at time, just looks at the day that the child will face The Father and His Love in a Special Way.

So many times children say, 'I am frightened, I am bored, I want to change,' but how many children say, 'I want to become a Saint'? These words could be, should be spoken every day, quietly, sincerely, lovingly, for you see, only One will hear you, One will know who is saying the words, for He listens to every beat of a heart, every thought that passes through a child's mind, and then He will say to some of Us, 'The child needs help; get close to the child so that My Rays of Love will pass through You and guide the child the right way.'

It is Our privilege Here in the Heavens, to serve the Master every moment We are Here. While you are upon the earth, if you learn to do it in your little way, you will find that

**‘that little way’ will one day become a  
Special Way Here. So be it.”**

**THE SACRED HEART**

**“My beloved children, I speak through My Heart on this night. I speak through the Rays with deep Love for each of you, My daughters and My sons, who look at the Sacrifice once given, who feel the Sacrifice that was given is a Sacrifice of Hope for all men now, and all mankind to come.**

**What I have spoken to you about on this night was perhaps different than you expected to hear, but as I speak through My Heart, there is a Love in What I have spoken, and I now say, ‘That is even beyond what you physically hear.’**

**My Heart is Light. My Heart is Hope. My Heart is Encouragement for each of you. My Heart is Faith in The Father’s Will. My Heart speaks prayer to each of you. My Heart burns with a Love for you. My Heart yearns for the Soul in each of you. My Heart begs for the Soul to return from Where It came, to be with you.**

**Be blessed by All you heard on this night. Be staunch in what you**

**know is right, and do not disregard the price of Faith in The Father's Will, and do not forget that only you can put a price tag on your Soul equivalent to what The Father Wills.**

**I bless you with My Heart and I say, 'As the Rays of My Love stretch far, My Hope for your Souls stretches even further.' So be it."**

**THE SACRED HEART ADDED THIS TO THE ABOVE**

**"Remember, courage has many degrees to it. It is oftentimes based on fear, but courage is what it will take to win the battle for What is Here."**

## GOD THE FATHER

**“Doubt in constructive goals can be destruction before the enemy attacks. Doubt has many facets to it: some fear, some regret and some personal opinion. Doubtfulness can bring negative results. When men doubt Me, they reject what I have promised to be. Doubt can be treacherous, it can destroy hope. Doubt can be lecherous for it bespeaks negativism, reproach.**

**I come on this night, difficult for some men to understand, but nonetheless, I speak through *a human being* that understands My Command.**

**Human hurt has its justification, human fear has its place, but I say to you, ‘Faith in Me, What I Will and What I Rule is beyond human complaint.’**

**I do not ask man to become so complacent that the will to fight for what is correct, what is truth, should not be in sight, but I do say, ‘Without hope in This Great Miracle, that there is little or no hope for what I want mankind to see, to feel, to understand, to follow and to look at, as the Values I**

**set, for the Purpose I created mankind to be.'**

**I understand your strengths, I understand your courage, I understand your feelings, I understand your desires to accomplish, to project and to fulfill what is right, but I come to you on this night and alert you to My Worth, My Way, My Will, My Time in timing, My Perseverance, My Projection, My Power to reject what I Will to be rejected.**

**Faith in Me does not always meet the requirements mankind puts on areas of love, hope, sincerity, cause, purpose or goal. I, your Father speak; I, your Father promise; I, your Father say, 'Faith in Me is worth any price you make on the life I have given you which, one day, I will take.'**

**You are Blessed in many ways and never forget, courage in My Name is never a mistake. So be it."**

SAINT JOHN VIANNEY

**“So many times men, women and children stand before this instrument in the world, seeking answers, seeking direction, but not truly listening to what We Here in the Heavens say through her. Man asks a question, but he is too busy conjuring up his own answer, that he does not hear the flow of Words that are not ordinary.**

**It is difficult for *an instrument* to talk to so many sons when *the instrument* in the human way knows the differences of opinions, the differences in natures, the differences in personalities, the differences in goals, the differences in likes and dislikes, habits.**

**But I speak through her tonight and I say to each son here: ‘Look for the Truth in what you have heard on this night. Lean on no one to help you decide what is best for you, and remember, Truth can be absorbed if you will but allow it to enter the mind, the body and the Soul.’**

**H**eaven exists. Hell is reality. And there is always sadness Here in the Heavens when a Soul must wander the earth until a given time of redemption.

**I** walked the earth in many ways. I spoke to many in different ways. I listened to the hurts, the problems, the distresses, and many times the emptiness I would feel after such an encounter would leave me as empty as a shell on the beach that had been whipped by the waves. My shoulders would sag after listening to the stressful times, and I would have but one answer, 'God will help you if you ask, God will see you through this time.' I know the words did not always make the problems leave, but I know the advice was substantial.

**I** speak in a soft way now through *this instrument*, for the Power that surges through her body, and has for such a long time, drains the physical, and yes, the mental, but It electrifies the Soul to carry on. I am Saint John Vianney.

**B**e prepared in all you think, in all you do, and be aware that you must be strong, for when the knock on

**the door one day might come from a source, if you were to see it you would abhor, for satan is busy reaching out in every way to gather men to follow him, for he wants to show The Father he is gaining great strides with mankind every day. I beseech you, if temptation shows in the slightest way, slam the door, for his ego then will make him walk, or even run away. So be it.”**

## GOD THE FATHER

**“There is much emphasis on unimportant things. There is much controversy over unimportant issues.**

**Man’s time should be spent constructively, logically and productively, not wasted on anything that causes irresponsibility to take over, to take up time.**

**So many times through time, I have spoken through human beings, giving positive direction, personal goal and idealistic daily practices to be upheld by man’s mind, man’s body, man’s Soul.**

**Today in the world, I speak through *an instrument, a human being* like yourself. I speak in many areas of daily life. I speak to all men for this time in life, and for all time to come.**

**Though circumstances change man’s thinking, and man’s personalities and nature conflict in ideas and practices, My Words, My Direction, My Purpose for Speaking, is to encourage man to better understand what life in**

the physical form is all about; also, to encourage man to see the Value connected to the Soul.

**I Am The Father.** No one truly expects Me to speak, but through Faith in My Love, through belief in My Existence, certain children believe I speak in a manner they can understand, through *a means* they can relate to, for a Purpose beyond the physical life. Just as you care for your own being, I care for you, only in a more extensive manner.

**I** hear your prayers, I hear your shouts, I see your tears, I encourage your courage, I never belittle you. Your Faith in Me, My Love for you, the Soul We Share, is a 'Bond' between Us that nothing on earth can compare to.

**As** you were designed to My Image and Likeness, I sincerely feel everything about you, your needs, your cares, your worries, your complaints, your heartaches, and yes, I enjoy your happy moments with you.

**There** is a great balance to human life, as there is a Great Purpose to human life. Always remember, your will is your line of decision, and never forget, My Will is for you to return to

**Me, Our 'Bond' of Love, the Soul We Share with each other.**

**I Love you, and your Faith in Me says many things. It says that in your little way, you are responding to Me the best way you can. I read your mind, I understand your thoughts, I hear your pleas, and I always answer in the way I Know Best, for the 'Bond' between Us, the Soul We Share, Which is a Part of Me. So be it."**

## SAINT JOSEPH, THE HOLY SPIRIT

**“Tonight much has been said in a very general way, but if you will but look into the different subjects you will find that the Lessons could have been elaborated upon, but time always cuts things short because of the tiredness of man. Heaven is concise, deliberate, and condenses many things, because to go into great detail would take more time than an evening affords.**

**Many men who follow the way of the Priesthood have not been ill-informed but have been trained in certain ways. They have been taught to conduct their vocation in a particular manner. They have been instructed of their position amongst men. It is difficult for them to understand the Wisdom of The Father because many men in the world are filled with the knowledge of books and instinctively ignore the value of wisdom in their daily life. I do not say that learning from a book is improper, but I do say that the logic in wisdom and the wisdom in logic many times supersedes what men can put in words on paper.**

**Men say I cannot be What I have claimed to be through This Great Miracle, because they have already determined the lowly position of My Way when I was in the human form upon the earth. In the Light of My Way, in the Soundness of How I Speak, in the practicality of how it would have had to have been, to be termed 'The Foster Father' of The Son of God, wisdom would say that My Place upon the earth had to be related to a Supreme Power.**

**When the Design for Christianity was consummated, It was put in such a way that man, through time, could understand, could relate to, and also could learn from, could imitate, and could follow the Example of.**

**It is necessary for mankind in your time now, to understand more than what was originally allowed by The Father. Your example to follow was set through what was called 'the family life'. Men termed it 'The Holy Family'.**

**I Am The Wisdom of God, and that sounds so out of line with how you know Me, but the Wisdom of The Father said, 'Man will understand**

the human form, man will relate to a human being, man will respond to the Example,' so it was allowed to remain through time, for the amount of years you understand Christianity to have been upon the earth.

The reason for This Announcement to the world at This Time was to give man new insight into the Supreme Power of The Divine, to give man insight into the Special Love God had for man through time.

I come on this night through *an instrument* who is totally obedient to the Touch of Divine Way. Man says, 'I do not understand That Touch,' but I, The Spirit of God, I, as you know Me to be by the Name of Joseph, say, 'It is not easy to walk in the human way and yet listen to Divine Exactness, giving to men who cannot understand, Words that before were not handed so openly.'

Be sure that as you listen and as you take notes, you gather what I say correctly, for you could put your opinion in a totally human way, wherein this opinion could be diluted by what you feel, what you see or what you don't see, what you have been

taught or what you have not been taught, in other days.

I speak through *a voice* soft to you, for if I were to speak with the Power I Am, *the instrument* would fall to the ground and die from the Power, for no man could withstand the Power I Am. They say that *an instrument* is fortunate to have such personal contact with Divine Way, and I, The Holy Spirit, I, The One you know as Saint Joseph, say, 'The responsibility of such a Task upon the earth is a fearful one, for it is beyond any responsibility man could undertake.'

Men celebrate this day with My Name as 'Saint Joseph', but the story you were told at the beginning of this night had something more in it than *the instrument* did say. The day she knelt before Me, I listened to her words. I smiled and said, 'From this moment on you are being trained.' And as I saw a child walk away from Me and go to her Mother, I smiled at this, for I even called her name. She heard it but she did not know the Secret Supernatural Power that would one day be a consistent, constant way of life, so that men of all kinds could hear Me say, 'I Am The Holy Ghost, I

**Am The Holy Spirit, I Am The Light of Faith, and in the Personage of Saint Joseph I gave Example to the world of mankind, for all days.'**

**You are Blessed in many, many ways but I want you to know, on this night, What has been revealed to you is a 'first'. I want you to think about It, I want you to understand It as well as you can, and I want you to know Divine Love has no limit; Divine Hope, no limit; Divine Wisdom, no limit. It is not a human love I hand to you tonight. It is Supernatural Love and a Blessing guided through Divine Light.**

**You are Blessed, My sons, in many ways for the Faith you have. We Here in the Heavens oftentimes say: 'Remember, your will, will determine your Faith. Remember, your will, will give Light to the "Bond" that you hold, the Soul God once gave.' So be it."**

MARCH 26, 1986

## GOD THE FATHER

**“My beloved children, man is eager to learn things different than he already knows. Man says, ‘I want explanation, I want answers I can handle, I can understand.’ Man says, ‘I want it my way.’ Man says, ‘I want to see, I want to feel, I want to touch.’ Man says, ‘If others see, others feel, others touch, and I do not, do You not love me much?’ And I say, ‘You are measuring the amount of Love I have for you.’ I also say: ‘You are incapable of measuring My Love for you, for you see, My Love is More Pure than your love could ever be. My Words, always for the good of you. My Direction for you is to take that physical life you have, dedicate it to My Will, and act in a manner of sound, pure example, for other men to learn from you.’**

**When you are teaching a child, teach the child at the child’s level. When you are instructing an adult, instruct the adult at his or her level.**

**When you feel hope, share it. When you feel the Beauty of Faith,**

**declare it. When you see humility should be your outward act, practice it. When you feel alone, you have Me, and do not forget, you have your Soul. When you look for success in your daily life, look for it on My Terms, not just yours, for I Am Always A Guiding Light.**

**When you feel fear, be thankful for it sometimes, for it will alert you to what you must watch out for, it will alert you to, perhaps a change of pace or place is needed for your protection. Fear is a Gift in many ways, for fear extends to every child a moment of watchful listening, a moment of watchful hesitation, a moment of watchful declaration.**

**Do not be frightened of fear. Do not be frightened of the amount of Faith you feel you should have, and you feel you don't have. Trust My Judgment in what I know you can handle, and as you grow in Faith in Me, I will give you a little more, and then a little more, and then a little more; but use your Faith wisely, share it with others, but do not try to instruct them so much that they lose sight of what Faith is all about. Reach for a 'Faith of Purity'. Let no man decide for you**

what your Faith should contain, what your Faith should be to you.

**H**ave a personal communication with Me. Talk to Me. I love to hear you. Say, *'Good morning,'* say *'Good night,'* say *'I love You,'* say *'God, hold me tight.'* Say, *'God, help me to know what to say in this hour of need, in this time when I have no words to say.'* If I am not there One of The Saints will come to your aid, for I, though I am present at all times, allow The Saints to guide you, intercede.

**D**o not forget, you are never alone, for the Soul that you have is Part of Me and that Soul is a Cherished Part of Me. When things go wrong the Soul reaches out, for the Soul says, *'Father, we need help.'*

**W**hen I see a child falling into sin, My Heart pounds with Love and I say, *'Child, remember Me,'* and the pound of My Heart should get your attention, for do not forget, I want the Soul to return to Me. I do not want the Soul to be tarnished. I do not want the Soul to have to spend time in a manner and in a way, earning purity.

**Y**ou are fortunate in your time of day. You are fortunate because you

**have the Faith to be here on this day. You are fortunate because of the Faith that has been nourished in the amount of time you have lived in the human way.**

**Be blessed, and remember that reverence is important to Me. Honoring Me is special to Me. Dignity, I love to see, and your Faith in action is loyalty to Me.**

**Be blessed, My little ones, and know, that tonight I have given your Soul, the 'Bond' between Us, a Special Blessing, One Alone."**

MARCH 29, 1986 AT 12:45 P.M.

## GOD THE FATHER

**“Men, women and children always call upon Me to be generous and favor them with a Miracle of their choice, something outstanding to give them strength, hope, or success. I have, and through This Great Miracle I have given all of mankind a Particular Grace to better understand Me, My Will, and My Way.**

**I look at how many people truly consider This Beautiful Gift from Me a Miracle of Great Worth. My answer to this is, ‘Not enough, not as many as should be, not in a number returning enough love in gratitude to Me.’**

**Mankind has allowed greed, temptation, weakness, personal ideas, favors and habits, to precede What I Want, What I Will, and What I Deserve to be returned to Me. I hear men, women and children cry for help, plead for help, beg for help, and lean upon weak areas for help. They forget to trust Me.**

**In many eras of time, there are more offenses than other times, but**

you live in a time that if it were to be shown on a graph, the line indicating man's practices, values, standards, habits, moral integrity, moral behavior of all kinds, would be a line that would be endless in its downside. It would be difficult to find its limit. In the midst of man there is corruption of all kinds, there is destruction of all kinds, there is a constant and consistent display of totally demonic pleasures, and in the midst of this man shouts, 'I want a Miracle.'

I come today to say that unless there is a great change in man's behavior, My Wrath will be strong. It will be intense and it will be demonstrated openly. *The instrument* I use has protected mankind long enough. I mentioned before she would become more animated in her way. I repeat this, 'In My Way'.

Man's first inclination is to cover weakness, either by a facade natural to man or an out-and-out lie defending the wrong, sometimes even a brash, harsh act of violence to protect one's self-esteem, honor, and facade of dignity.

**Immorality is against My Ten  
Commandments. So be it.”**

APRIL 3, 1986 AT 3:42 P.M.

SAINT JOHN VIANNEY

**“When men write, they have several means of erasing or replacing a misused letter or word. When men feel physical harm, they look for aid to suppress pain or to correct an area that is in a condition that can be taken away or repaired. When man’s mind radiates confusion, it is one of the most difficult parts of human life to correct; that is, to implant normal behavior or normal reflex to all areas of human life.**

**I hear you speak of a sickness that in many ways puts time in an era of sacrilegious behavior, desecration to human dignity, and gives a formidable accent to life. It is difficult to smile at such a time, for shock to one’s nervous system remains until the mental and the physical can adjust to the right way of life, of living.**

**I am Saint John Vianney. Many times I faced men, women and children who were objects of mistreatment, who were the ones who practiced mistreatment, and some who were on**

**the borderline of the ugliest sins in the world.**

**It is true, sermons do not always correct the mental attitude that directs improper behavior in another human being. That is why it is so Important that All the Teachings The Father has allowed to be passed through *this instrument* must be spread throughout the world. Let men, women and children have the opportunity to at least read Them, for there is no doubt that They will help many, many people throughout the world.**

**Be blessed because of your Faith, practice your Devotions to The Father, to The Heavenly Mother and to All The Saints.**

**Never exclude the Guardian of Heaven, Saint Michael, for when you think of a sword, think of it in this way, not as a piece of metal but as a Supernatural Power given to protect what is good against what is evil. The prayer in His Name should be encouraged, and in places where it is not known, it should be taught. The enemy of God cannot bear to hear this prayer, because of the Great Honor, the Splendid Faith it displays to such**

**an Important Guardian, of not only Heaven but of all Souls. So be it.”**

APRIL 9, 1986

## OUR HEAVENLY MOTHER

**“When Moses was sent into the desert the loneliness that he experienced was worse than his need for food or water, for in the position he was in, in the world, he was surrounded by people who adored him in many ways, loved him, respected him, and people who believed in him, people who did not fear him but who felt confidence in him.**

**He gave to the world what God wanted the world to have, and even when he was given this Great Gift for all mankind to come, God’s Ten Commandments, Moses found many moments of loneliness, because even in the midst of thousands of men, women and children, there can be loneliness when one feels so intensely about wanting to be with God.**

**Many prophets came through the time between Moses and Christ, not all written about, and certainly not remembered, but God never left man alone in that period of time. And then came the Time for a Son to be born,**

**Who was to spell out what The Father wanted all mankind to understand, to follow.**

**He spelled out Christianity. He informed people, He corrected their thinking. He was Gentle and yet He was Firm. He was Kind, but He never allowed His Kindness to be weakness to any man, woman or child, for He said, 'Kindness is a strength when one is in need of something definite.'**

**He gave hope every place He went. He gave mankind wisdom and He taught the spirit of living. And as He walked with the Apostles, I did not always walk with Him, for they were men and I stayed back, for He had so much to teach them, and I knew every class He would have, every Lesson He would give, and the purpose for which it was being done for each of them.**

**My children, My daughters and My sons, I am your Heavenly Mother. You have heard many Words tonight, you have heard Words to make you think, and now I will add My Words again to what I have already spoken.**

**There is little purity in the world, there is little understanding of what Faith in The Father is all about,**

and yes, The Saints are fast becoming a thing of the past, and The Father wants you to think about becoming a Saint of the future.

**B**e aware of all there is for you to do, be conscious of all there is for you to say, and do not forget, blindness in the physical way takes courage to endure but blindness in the Spiritual world is the enemy's way for you. Do not allow this to happen in any place you go or anything you do.

**I** speak through *a voice* just as yours, but I speak with a Love that I can refer to as Heavenly Dew. I pour Grace from the Heavens to encourage you, to enlighten you, to aid you, to encircle you, to give you hope. I pour Grace from the Heavens when you pray for help. You do not hear Me speak, you do not feel My Being close to you, but you can be assured that when you call My Name you are heard. When I say you are Blessed, it is a Blessing beyond your knowledge.

**I** remember one time when The Son was out on the road, and He was walking along with the men and they were making jokes. He was going along with them, but He had a way of

turning the joke into a mode of humor that always brought their minds back to their Soul, to the purpose of their way, and the hope He had for each of them to fulfill one day.

**B**e blessed and understand, that as you walk in the world as man, one day you will stand before The Father all alone, not with your family, not with your friends, not hanging on to anyone, but We will become in an enclosed way, One on one. And when you look into My Eyes, you will then truly understand a mother's love upon the earth was special, but My Love exceeds that love beyond any love that can be compared.

**T**he very look into My Eyes will say: 'Child, you passed through time, a living way, now take My Hand and We will talk. We must go over every day of your life, and in this time I will show you where you either took the right road or you decided to stray.' But I will also show you the Beauty of your Soul that taught you the right way, for as you stand before Me it will not be the physical way you are now, it will be the Spirit of Heaven, the Soul that is with you right now. So be it."

APRIL 12, 1986 AT 2:10 P.M

**SAINT ALPHONSUS LIGUORI**

**“Men take chances on everything, some on money, some on health, some on their loved ones, some even on their Soul. Men accept challenges for many reasons: some to earn monetary measures, some to gain attention from other people, sometimes even at the risk of losing their Soul.**

**Some men make it a practice to become involved in every fad, fantasy, or new idea that presents being different or breaks the monotony of responsibility. In itself, responsibility is not monotonous, for it presents time-consuming challenge to everyday living. Responsibility makes life worthwhile and gives creditability to all phases of life.**

**Here in the Heavens We see the Souls Who have come Here because of their meeting the physical, mental, emotional and Spiritual responsibilities in the human life. We look at the Souls Who are in a place you call ‘Purgatory’. Reparation is being made for different reasons, for**

different things, in different ways. The horror of a glance into Hell is a sadness beyond man's capability, but logic should tell man that such a place has to exist, and does exist.

**I** am Saint Alphonsus Liguori. I walked as man. I hear men talk, I hear men preach, and I see so much desecration occurring that is destroying the mind, body, and the Soul of so many individuals, that it is too much to be able to look at without asking The Father, 'Cannot a bolt of lightning be sent to frighten them enough to change?'

The Father says: 'Many, many, many have been taught what is right and have been made aware of what is wrong. They lack the integrity, the logic and the love to use their will in My Direction, for the good of their Soul. I have been patient so long, but when I find My Patience must end, I will correct what I know is wrong, for too many Souls are being lost because of foolish men and women. This type of foolishness is not ignorance of Truth but out-and-out denial of what is right and what is good.'

**I, Saint Alphonsus Liguori, have spoken many times through The Miracle of Wisdom, of Light and of Hope. What has already been spoken by so Many from Here must soon become known to the world, and not held in abeyance. Many have been Blessed through This Great Miracle of Divine Light, Divine Purity, Divine Hope. The Blessing remains, some of the children have not. But when the Words are released, there is a hope that many will be seen to realize what they have walked away from and they will return to the fold. So be it.”**

APRIL 13, 1986 AT 4:13 P.M.

**SAINT ALPHONSUS LIGUORI**

**“Ask yourself this question: Would you prefer something artificial to something genuine?”**

**Ask yourself if you enjoy accepting substitutes instead of the real thing.**

**Ask yourself if you always enjoy second-best if you have the opportunity to enjoy the best.**

**Ask yourself, if given a chance, would you choose a true gem of great value over an imitation of little value?**

**Ask yourself, do you feel strength in Truth, or do you prefer something that is untrue but has less value for your health, your mind, your integrity, your honor, your self-esteem, your dignity, or your Soul?**

**Many times men flaunt substitutes, hoping to fool others, not realizing what a target they encourage regarding their dignity, safety, or moral values.**

**I am Saint Alphonsus Liguori. Many times since man first came to the earth, there have been great strides in seeking sound values, genuine, practical, responsible actions. And then there were times that mankind fell into an imitation of what was real, allowing themselves to be caught up in a fad, crazy dilemma of irrational, unreal behavioral encounters, actions, and ways of life, affecting a sound moral code of ethics, and of course, degrading to the Soul, putting the Soul, not in a defensive category, but as the victim of such change.**

**You live in a time such as this. So many men, women and children resist the soundness of having a Soul, and daily living is treated as a lark, always accenting the boredom of life or the hopelessness of life, instead of concentrating on the Purpose of life, Sainthood as the Goal. So be it.”**

APRIL 16, 1986

## OUR HEAVENLY MOTHER

**“This Miracle with the Heading of ‘*The Miracle Of Saint Joseph*’, has given to the world many things to go on, not just those who listen to the Words, but to one day give to millions of people throughout the world the Words, as a Guideline to become a Saint.**

**As I stand within *this instrument* I stand in the Spirit of Light and Purity, Hope and Divine Love. I stand to extend to each son here, not just My Hand but a Mother’s Love.**

**It is difficult for some in the world to understand that We Here in the Heavens would speak so openly, so clearly, so distinctly, so simply, of the importance of how you should walk upon the earth, what Rules you should be guided by, and the importance of being responsible in everything you do, for everything you do, for the good of your Soul.**

**It is important, My sons, for you to understand that as you are in the human way, it is the way The Father**

chose for you, to use this path to become a Saint in the Spirit of Heaven, to live with Him for All Eternity, to be with Us in a Special Way.

You walk different ways of life and yet you walk the human life. You walk sometimes, ignoring what is good for you. You walk sometimes, not always in peace, but sometimes in fear, sometimes in hurt, and sometimes in anger; but I, your Mother, your Heavenly One, come to you tonight and say, 'If you use as your guide for every day, The Commands, The Rules The Father gave to a man who walked the human way, you will be guided with the Light of Divine Hope.'

Do not play games with God, for if you do, you will find that the world will become a horror to you. You will be tangled in the briar patches and they will hold you.

There are so many things I have spoken through *this instrument*, things of lightness, things of love, things of hope, especially to implant in your mind the importance of how you must think, so you will think before you act, you will think before you talk, you will think before you take that next step.

**I have given you things to give you balance. All of Heaven has come forward to aid Me in this. Do not look at The Heavenly Beings as human beings. Look at The Heavenly Beings as Supreme, Supernatural, and Beings of Great Light beyond men's knowledge.**

**As you walk, when you leave where you are tonight, make yourself think about the next time temptation enters your mind. Do not allow your mind to concentrate on the temptation, but say a prayer, look to Me. I will always protect you with My Mantle, with My Hand, with My Love, with Direction, for you are never out of My Sight.**

**I speak through a woman, I speak through an instrument, I speak through a human being, but this is how it happened all through time, for how could a Spirit of just Light instruct you? You would be frightened and then you would pass It off as saying, 'It was not so, it was a mistake, I must have imagined the Light.' So as the voice speaks and the Words come through, I want you to know I speak not just because I love you, but because of your**

**Soul that The Father waits for, and It will return one day, day or night.**

**Remember, as you came into the world, it perhaps was not convenient for someone at that time, but when you leave and the last breath comes, it will not be convenient for others, but that is unimportant. The important thing is that when you serve your time upon the earth and you take that breath that says, 'That part of life is over now; now I must face God in a Heavenly Light,' those will be the moments I will stand right there, for I cannot bear to lose a Soul to the enemy of God.**

**Remember one thing, My sons, your Souls are All expected to return from Where They came, Here. So be it."**

## THE SACRED HEART

**“As your heart beats, it has a reason to beat. As your eyes see, there is a reason for the sight. As you are able to talk, able to speak, there is purpose for this in life. When you hear, what you hear reacts upon your mental, physical and Spiritual life.**

**When you hand someone your hand in love, in generosity, hope and plan, it is a very important gesture, for the one to whom you hand your hand reacts, just as this person reacts to the sound of your voice, the beat of your heart, and the thoughts that you reflect in how you act.**

**As I stand in the Heavens as The Heart that beats for The Father’s Will to be done, I am The Life and The Action of Heaven, for you see, though you know Us separately, We are All One.**

**Remember, you have responsibility to imitate goodness and charity, purity and hope. You have Goal, and that is to one day be Here with Us for All Eternity.**

**My Heart pounds with Love for you. I want your heart to pound with Faith in Action for Me, for Faith as it stands alone can be a selfish faith, but when it stands in action it is a Faith that spreads rapidly.**

**I love you, My sons, and it is truly My Heart that speaks to you on this night in your time, in your way, for you see, the Beat of My Heart is reflected in your Soul, because your Soul says to you, 'Remember, The Father's Will must be done according to The Commands He gave through a human being one day.'**

**The Laws, The Rules are for all time, for all mankind to understand, for all men to feel, all men to learn from, all men to be guided by, and of course, These Commands are real.**

**You are Blessed with My Heart, you are Blessed with My Will, you are Blessed with My Hope, for though I speak of you as children, My Love says one day I want to speak of you as a Saint Here with Me for All Eternity. So be it."**

## OUR BLESSED MOTHER

**“So many times I have spoken through *this instrument* upon the earth, and as I spoke My Voice softened because of My Motherly Love for all children.**

**Children want to be loved, as they know love to be. You can be assured of such a Love from The Holy Trinity. This Love is Special, It is Supreme. It is a Love, One Alone, from The Holy King. It is a Love without question, a Love without doubt, a Love full of hope, and yes, It is all about.**

**My children, you can be sure, a Promise from Me, that the Love that reaches out to you is a Love Supreme, a Love without question, a Love without any scars, a Love of Purity, It has no mars.**

**Accept this Love, as It is yours. Accept It through Me, for as I speak through *an instrument* upon the earth, I speak to encourage you to walk a path of purity. You will find life easier to live, you will find more hope in each day, you will find truth your way, and**

**you will find charity in every way. You will find Goal and you will seek this Goal, and you will find prayer a way to Here.**

**Remember, My children, that as you walk upon the earth, you are expected to one day walk Here Where I am, in a special way, in a special form, through the Soul that was given to you at a moment of conception.**

**Be reminded constantly that you have duties to perform, responsibilities to accept. Use these as privileges, make the most of them.**

**You are Blessed, My children, with a Love beyond your comprehension, but be aware that this Love, spoken through *a human voice*, there is nothing to compare, for the Words are Truth, the Words are Mine. Do not forget to talk to Me with your lips and with your mind. So be it."**

**JUNE 18, 1986**

**GOD THE FATHER**

**“Heaven is not a secret. Heaven is for all children born to the world. There is enough room in Heaven for the Souls of all people, people from all times, people who pass on at all ages.**

**Heaven waits with open arms for the Soul to come, to pass before The Father’s Eyes and receive His Blessing. The only sadness Here in the Heavens is when it is noted that a Soul will not make Its way, find Its way back from Where It came.**

**There is so much that has been spoken through This Great Miracle. There is so much yet to come, to be done, to be practiced, to be shown, and to be used as direction, for all of mankind.**

**Soundness in Faith is a Reality of God’s Existence. Soundness in love of one’s Faith is hope, strength, and yes, gives Goal to one’s Purpose of the physical life.**

**Remember that men should always look at God’s Ten Commandments.**

**Read Them, repeat Them, copy Them, follow Them, be example of the goodness in Them, and then there is no cause for alarm for the benefits that will be reaped by one's Soul.**

**Men look at holidays as a special time. There is no greater holiday than the day when The Father will look into the Eyes of a child's Soul, welcome the Soul and say: 'You have returned to Me My Way, that Part of Me I longed for, I know now will stay. I shared It with a human one, one day. It is good to have You back in this special way, more special because of what You represent, different of course in many ways, when You were first sent to reside and be a part of human flesh, of human way. But now You return to Me as a Saint, glowing with a Love that is special to Me, glowing in a Manner My Way.'**

**My sons, I speak to you on this night for there is so much for you to look at, look to, and look into, regarding your own way of life, for as you look and as you feel and as you commit your daily way, remember, you will always experience stress. You will find a Light if you look for It, to light the way to Here. You will find hope**

**in every place if you see the Beauty of Heavenly Love everywhere.**

**Do not allow yourselves to stray. Do not allow anyone to hear you say you don't care about your Soul, you're only living for that day, the day that you experience, human flesh, human wants.**

**Look forward, My sons, to the time We will stand Face to face. A Love like this you cannot know. Glory such as this will be, will only that day show, but It is something for you to reach out for, something for you to reach with your thoughts, your words, your deeds, your example. It is Here for you, and I, as I stand Here waiting, I want you to know, no matter how many needs you have in life, My Need is greater for your Soul. So be it."**

## GOD THE FATHER

**“V**ery often a mission for Me draws so much attention to *the instrument* that many people try to cause angles of disruption to delay important issues.

*The instrument* through whom I speak, though she stands with many people, stands alone against all deceit. Though the manner is soft, the Words are strong, deliberate, consistent, and constant.

Many times people question what they do not understand, but in their questioning they approach the subject wrong and then can never be satisfied with the answers because the answers do not blend. There are so many times *the child* is used for particular reasons, for particular causes, to give to mankind the strength to follow what is sound, what has value, but children follow a weak way for they feel it is easier for them, and they do not listen to the strength in the Words given in a casual way, in a light way, or in a delicate way.

**This manner is important to Me, because you see, all men could not handle, could not stand the blast of a great loud voice piercing their ears with dramatic words, harsh words, and words that would ring so loud and clear, the one who was listening would fear the words and run from the area, and then fall deeper into sin; so, *a small voice, a light voice, a gentle voice* is important at this time, because The One for Whom she speaks, The One that must become known throughout the world, is The One Who stood in a Simple Way, Soft and Gentle, but with the Wisdom beyond man's means.**

**Wisdom can be a silent manner. Wisdom can be a smile. Wisdom can be soft words. Wisdom always says everything worthwhile. Knowledge has its place in the world but wisdom is the foundation of all that is good, all that is right, all that is sound, and yes, wisdom is the basis for Faith in Me, wisdom to believe that I Exist, wisdom to understand My Power, wisdom to realize I Am Supreme.**

**Please, My children, understand that This Miracle that I have set forth upon the land is a Miracle for all mankind to come, and for men to**

**understand the beauty of reasoning of Faith in Me. Man was not created for no purpose upon the land, or no purpose Where I Am. Man was created to return Here with Me.**

**I have given man a Soul. The wisdom in every human being should understand that there is more to life than just walking the earth, just existing every day, moment to moment, hour to hour.**

**Man must understand that there is a Portion of Me in each of them, and man must understand that That Portion must be returned to Me. It is not a wisdom beyond man's comprehension; it is a wisdom, gentle, light, understandable, and yes, reasonable, but it also is a privilege for having been born to the world for such a Great Goal, for the Soul to return to Me.**

**I love you in many ways you cannot understand. I love you for your prayers, I love you for your thoughts, I love you for your desires to better understand Me, and there are so many things that I have allowed to be put upon the earth for you to use, to**

**remember Me, to think about Me, to recognize Me, to honor Me.**

**It is true that I gave to the world of mankind Rules to live by. They are still in the world for men to listen to, to see, to follow, to be example of.**

**I have given man Christianity. I have given man Faith, hope, charity, love, honor, dignity. I have told man that I want these things returned to Me. I have told man in many ways. I have given mankind, through many human beings, specific things to remind them of Me, to bring them, their body, their heart, their mind, their Soul, to a point wherein all they care about is to one day return to Me.**

**I love you, My children, in ways of great distinction. I love you with My Heart. I love you through The Heavenly Mother's Love for a child, through the Glory of Her Being in Heaven with Me, as a Part of Me. I love you when you pray to Her. I love you when you honor Her. I love you when you seek Her out in need.**

**The Beloved One you know as 'Saint Joseph' is definitely a Part of Me. Never ignore this Fact, never say it cannot be, never eliminate it from**

**your daily way of life, for the Justice, the Wisdom, the Hope and the Drive, the Silence, was always shown because It Was Me. So be it.”**

**JULY 16, 1986**

**SAINT THERESE OF LISIEUX**

**“It is, in man’s time, a long time ago that I came to the world to give a Message. You call it, in a number of years, ‘nineteen’ in number. I smile at this, for years to man are long periods of time and when they add up they have special meaning. I am Saint Therese of Lisieux.**

**All the time that has been spent in giving to mankind the Messages ‘Heaven-sent’, are Messages of Truth. They are Messages of Action. Each Message tells mankind to accept certain things, to act a certain way, to seek a certain Goal, and of course, use the will to protect the Soul in every way.**

**The will is like a warrior on the battlefield. The will says, ‘Charge forward.’ The will says, ‘Wait.’ The will says, ‘I will go back in the ranks now, I see what is needed for me to forge ahead.’ The will says many things.**

**Your will must reflect kindness, charity, generosity, love, hope. Your**

will must show through what you wear, what you say. The will that God gave to each one must reflect God's Will in every way.

**My sons, reach for purity. You can attain it. Watch what you say. Listen to what you say and ask yourself: 'Would I have wanted to hear what I have just spoken, or would I resent it? How would I be led by it? If I were to die at this moment, where would my Soul go?'**

**It is easy to talk about prevention. It is easy to speak about protection. It is easy to think about modesty, purity, hope, and of course, that Mysterious Part of one's whole being, the Soul. But then look at things realistically, look at things in the manner you were told, see the reality of your Soul, for why else would you have been born to the world: to just exist and then die and waste away in the ground and never be heard from again? That is not God's Way. There is a purpose to everything, a purpose for everything, and of course, it is always Divine Love in every way.**

**You are Blessed, My sons, yes, for being a part of an Organization<sup>1</sup>**

---

<sup>1</sup> The Society Of Saint John Vianney.

that says, 'We stand for what is right, we stand for what God Wills the Priesthood to be, and men who believe in The Holy Eucharist, to believe in how He would want them to be.'

**I** caution you, My sons, the Special Grace you have been given, you must take care of It, you must protect It, for as This Grace has been given, It is for the good of your Soul, never to be misrepresented, never to be misplaced, never to be forgotten, never to be scarred. Remember, purity is for all mankind: purity of mind, purity of body, purity of Soul.

**You** are Loved much for you are a part of a Great Miracle, One that will soon be spread by Its Words, throughout the world. It has been spread in many ways but once the Book has been completed, All of Heaven will show. And you will have a responsible part, you have had a responsible part, and your dedication, your service, your time, your work, your energy will be needed, to not attack the world with the Words of The Father, but to hand Them with dignity, with love, with concern and with hope.

**Be blessed by The Father's Will.  
Be blessed by The Heavenly Mother's  
Grace, and be blessed by the Wisdom  
of The Holy Ghost. So be it."**

**JULY 23, 1986**

**GOD THE FATHER**

**“I have spoken hundreds of times through *this instrument* who walks in the way of mankind. I have spoken gently, kindly, always with Direction for the Soul to return to Me in the same way I once held It Within Me Here in the Heavens.**

**You associate different Names with Parts that belong to Me. You associate a Will. You associate Wisdom, Light, Hope, Charity, Love. You associate a Soul with Me. You associate The Saints with Me. When you think of Me, you think of Heaven. When you think of Me, you think of Three, Parts of Me, the Part that you know to have been human, the Part that you know to be the Wisdom, the Light, the Guidance, the Way. It is true, what you feel.**

**My children, I speak not only to those who listen to the Words now, but I speak to the whole world of mankind. You do live in a time worse than Sodom and Gomorrah. You do live in a time of**

such immorality that it brings sadness every moment of your day, to Me.

**A**s I speak I know some men would say: 'Who would speak through *a woman* like she? God would not.' But I, your Father say, 'I Am God The Father and I do speak through *a human instrument*, as I have done so many other times, to guide mankind to Me.'

**B**e blessed by what you know is right. Look at The Commands I have given. See The Rules for what They are, and do not see Them just in the words They are, but see Them in the fullness in how each one is meant to be.

**S**ee prayer as a communication with Me, not just 'to' Me but 'with' Me, for though you do not hear Me answer you in your way, through your ears, when you pray I do answer you in My Way. Be aware of the importance of what prayer is to Me. Be aware of the reminders you have, a symbol in their way, easy for you to understand, giving you more Faith in Who I Am.

**M**y one desire is to have all Souls return to Me; difficult to understand what a Soul is, but you must remember

**that as I am truly All Things, the Soul you protect, you take care of, is a Part of Me. Never forget this. Never be blinded by temptation or someone directing you another way, for satan is working hard throughout the world, through mankind, to steal Souls his way.**

**Be alert to everything around you, be alert to everything you hear and everything you say. Be alert to what you know will please Me, for the time has come in the world for men to better understand that purity of mind, of body and of Soul is what I Will for each woman, each man, each child born to the world.**

**When I say ‘I love you,’ it is a Love you cannot understand. When you say you love someone, it is an emotional love or a love that pleases another human being, but My Love is Divine, My Love is Supreme, My Love knows no bounds, My Love for you is All Purity.**

**Be blessed, My children, by This Love, and know, I want My Words read and heard throughout the world. I want it soon, for the longer it takes the more Souls will be lost to Me, from**

**Me, and I say this with a Love I feel within My Heart.**

**You say, ‘How can a Soul be lost to You, my God?’ And I say: ‘Yes, because you see, when there is a Soul trying so desperately to come to Me, I reach out. The Soul cannot touch Me. I say, “Soul, come closer,” and the Soul says, “I am subject to the one who was charged with Me.” And I say, “I will do all things to touch the child in every way I can. Hold on, for I am Here, waiting.”’**

**Remember My Words, remember My Direction, and remember, I wait for the Souls because They are Part of Me. So be it.”**

AUGUST 6, 1986

**SAINT ALPHONSUS LIGUORI**

**“As I have spoken to you tonight, I have been frank, honest, sincere, clear, and yes, obvious in Who I am. I am Saint Alphonsus Liguori.**

**All that has been spoken through many years of your time have been Words that have come from Here. You do not understand Heaven. You do not understand Hell. You do not understand the Soul that you bear, That Part of you, That Part of The Father that He gave to you at the moment of conception, when you were unaware of what was going on, but when the Soul was placed, It brought life to where you were and who you were.**

**It is true I lived for quite a time upon the earth, as many of you have, and will do. It is true that the Words that were spoken for many years were Words to guide you and many millions of more that will read the Words from Here.**

**Be blessed, My sons, and understand, you must stand for what you know is Truth. You must realize**

that as you live in the world you will be confronted by many things: distractions, temptations, hurts, and wrongdoers, but always keep in mind that you have a will to live with, by, for, and of course, your decisions based upon. And understand also, that as a son of The Mother, you are Blessed in many ways, for as the Apostles walked with Her Son, you walk also with Her and with Her Son, but you also walk with the Words from Here, direct to you in many ways, in a tongue that you can understand, in a form that you can relate to.

**B**e blessed, My sons, in many ways, and be alert to all that is around you. Do not become a part of all the things that are thrown at you, immorality, and yes, hate of God in many ways. Many men are saying that they are equal to The Father and you must honor them in many ways. Not so. There is but One God in the Heavens.

**D**o not forget this, and know that your Faith in how you live, your Faith in how you stand, your Faith in how you walk and how you speak — and do not forget this, My sons, that you would not eat garbage, so do not

**allow garbage to flow from your mouth so that other men will be distracted, hurt, embarrassed, disgusted, or led astray by what you say every day you are alive upon the earth.**

**One day the time will come, and you will face The Father and you will say to Him, ‘I guess I didn’t realize,’ and He will say, ‘But you were taught, you were told, you were given the way.’ What will you say then, My sons, ‘I ignored It because I could not handle what It was’? Please do not make that excuse.**

**Understand that the Love that has been given to you is a Love beyond compare, a Love Divine, a Love Supreme, and a Love that truly comes from Here. So be it.”**

AUGUST 8, 1986 AT 4:43 P.M.

## OUR HEAVENLY MOTHER

**“Man says, ‘I believe in You, God, but in truth I do not understand the Greatness I behold in my Faith in You.’ Man says: ‘I am too little to understand. I am too weak to recognize such Divine Plan.’**

**I come to the world today to say, ‘This Great Miracle of Direction, of Teaching, has given to the world a practical, logical view of the Purpose for which mankind was created; and in addition to this, man has been taught to review The Rules to live by so that the Soul can live forever as a Part of mankind for The Father to hold close the individual that returned the Soul to Him forever.’**

**A man, woman or child can lose a finger. It is sad in many ways and the finger is missed for many reasons. What a tragedy it is when man loses his Soul, for you see, the Soul does not just disappear, but the Soul must spend eternity with God’s enemy, which is more terrible than anything man can fear.**

**All through time man has searched for knowledge, greatness, prominence, success. Only God has continuously reached mankind through individuals, to remind mankind of what is needed to give the physical a Goal, and to give the physical Hope. It has been The Father's Persistence, Perseverance and continued Closeness to man, that kept the Light of Faith like a beacon for men to follow, and grow in love with the Supernatural Power that radiated from all the things The Father gave to strengthen mankind in His Direction.**

**What better time in the world than now was there, to send such Positive Reminders, Direction, Love and Hope, of what Purpose was meant for each man born to the world? Men use words 'moral', 'immoral', and yet these words mean little to so many men, women and children because they are so quick to adopt and to adapt to wrong ventures, immoral stands, and immoral values.**

**I am your Heavenly Mother. My Words today are important for you who hear My Words openly, and for the thousands who must read My Words privately. When a man, woman or child gives a gift for some reason, the desire**

**for the gift to be enjoyed is obvious in many ways. This feeling is minute to what The Father feels regarding a child's Soul. The Gift was of Supreme Nature, a Bond of Love, a Protective Mechanism, a Gift of Hope. When men, women and children experience a hopelessness, it is frightening to them. It bears despair. It sometimes creates a shock to the physical and mental of the individual.**

**Every man, woman and child should understand, living is a privilege and a responsibility. Faith is a Gift from God. One's will is a special Gift of Love, and one's Soul is the Light for All Eternity. So be it."**

AUGUST 13, 1986

SAINT JOHN VIANNEY

**“My beloved daughters and My beloved sons throughout the world, I heard many, many children plead for mercy in the small box you call ‘a confessional’. I heard the words flip. I heard the words in anger. I heard the words in criticism of other people. I heard the words diminished so the offense would not seem so great. I heard the words exaggerated to impress me. I heard the words in so many ways, but I would always look beyond the words to find the depth of Beauty that God wanted to see in the Soul of the individual.**

**Words are easy to come by. If everyone in the world was asked to describe a particular figurine, you would not get the exact words of description from every human being. One would see one thing, one would see it a color different than the others. One would feel something, one would exaggerate one way, one would not like it. Human beings are made up of many facets of thinking, of projection, of intention, of opinion, of meaning.**

**My children, I speak as One Who knows. I speak as One Who walked the way you walk. I speak with The Father's Will intended, for you see, in your Faith you walk a special role. The role you walk is one guided and guarded, to the Purpose for your Soul.**

**You walk each day in the physical role, and when you lie your head at night and you say, *'God, help me to have no fear in what I am about, help me to understand that I must do certain things,'* He hears you. Many of Us Here in the Heavens hear you, and whatever action is taken to help you either control your fear, your anger, your hurts, We are directed by The Father to aid you whenever it is needed, according to His Will.**

**I walked as a priest upon the earth. I walked a single role. I walked and many people became angry when I would shout at them, *'What about your Soul?'* They would look at me, sometimes shyly, sometimes briskly, sometimes even in a frisky way, for you see, they could not see their Soul, so the Soul was a Part of them that they felt was God's, and they didn't have the responsibility to guard that**

**Soul the way I had projected the Soul to them.**

**They said that they couldn't see It, they couldn't feel It. They were wrong. You can feel your Soul every moment of every day. Your Soul is present in your thinking. Your Soul is present in what you do. You know right from wrong. Your Soul is this Light that tells you the decision is right or wrong. It is not conscience that you lean upon. It is your conscience that registers after you have committed your will to a decision.**

**Your Soul is the Light of your life. Your Soul radiates through your physical eyes. And when you look at a child who is pure in thought, in way, no matter what the child looks like and no matter how few of words the child can say, there is an extension of your love for the innocence you see. It is this way with The Father when He looks at you every day. The more pure your Soul, He recognizes your love for Him in special ways.**

**Go through Those Commandments, My children, and do not make excuses for yourselves but look at each Commandment as you know it to be,**

**in the condensed form you understand and you recognize. And when you do, go through it well, recognize your offenses, and then say to your Soul, ‘Help me.’**

**I, as a priest upon the earth, could tell a person what was right, what was wrong, but I could not walk hand in hand with every man, woman and child who came to me. When they walked away I sometimes would feel a tug of their Soul saying, ‘Oh, Father Vianney, hang on to the child for Me.’**

**When I was declared ‘a Saint’ by man I said: ‘Oh God, so much more responsibility upon the earth. It was nice to have left that responsibility behind Me,’ for you see, My children, the cry of your Soul is a cry not familiar to you. It is a sound that The Father hears because the Soul is a Part of Him, and the sound is within Him when your Soul is neglected, hurt, scarred, or made impure in any way.**

**Tonight I have spoken much and I want the whole world to know My Words, for as the world reads, you had the privilege to listen, but I must add to this, you must also remember, ‘Walk in purity, look at the Light of your Soul**

**as one day standing before The Father, being recognized by Him, with your name, and you will be allowed in some form, to feel the Touch of The Father Personally.’ No Greater Love could man experience than this, and I add to this, ‘No Greater Way to spend Heaven than to serve The Father humanly.’ So be it.”**

AUGUST 20, 1986

## OUR HEAVENLY MOTHER

**“You are a very small group of human beings and each of you has Faith in God or you would not be here. But do not stop with your Faith in God because it is your responsibility to extend this Faith in God to other people.**

**You must think orderly, think conscientiously. You do not have to think quickly, but you must recognize what effect you have on everyone you meet. You must also understand that your very appearance can say goodness or it can say evil, it can say hope or it can say dilemma. Your very appearance can say cleanliness or it can say vulgarity or it can say weakness.**

**The words that pour from your mouth can be words of anger, lust, or these words can be words of consolation or words of charity.**

**Your eyes bespeak your Soul for the Soul shines through your eyes. And you can ask yourself: ‘What does everyone see who looks at my eyes? Do**

**they see evil, do they see happiness, do they see a lack of love for another human being?’**

**The Soul, that Part of God, rests within each one of us. The Soul is ever acting because the Soul is the communication between God and the individual. The Soul is constantly beseeching The Father to help us be more alert to what is right, what is good, what is hope, what is honest, what is logical.**

**When we are born to the world the Soul does not say to God, ‘Let Me be with someone who is brilliant for then I will be sure to be once again returned to You.’ The Soul accepts the little body that It’s put into and then the Soul, that Part of God, is affected by everything that that little body does, right or wrong, good or bad, selfish or charitable. No matter how intelligent the body becomes, the Soul is affected by the moral values of the body, and please believe Me, My sons, there is great sadness when the body forgets the Soul and feels it is the only one.**

**As it was asked at the beginning of this time tonight, ‘How many are**

here?’ We Here in the Heavens smile at the number, for *the child* through whom I speak said, ‘Not as many as last time.’ That is true because, do not forget, when a son does not take the time to listen to what is good, the Soul of the son misses out on what has been said.

If you kneel before the Tabernacle there are two of you. You are never alone, and your Soul is prostrate before The Father. And as you sometimes feel you want to leave, your Soul is tugging to stay maybe a moment longer. You do not know how you can explain that feeling, so sometimes you find yourself accepting the tug, thinking it is your own idea, but the Soul, in the Glory of The Father, feels secure. And as you leave the church, the feeling that you have is personal, but the Light of your Soul is brighter than when you went in.

Keep in mind that every human being born to the world has a Soul, and keep in mind also, that you are in control of that Soul’s destination by what you do, what you say, and yes, how you appear.

**I** have spoken many times through This Great Miracle. I have used *the child's* eyes to see beyond what man sees. I have used *the voice* to say many things. I am your Heavenly Mother.

**M**any say that I would not speak through another human being, that those days are gone forever, but I say: 'That is not so; as long as there is a Soul in one human being on the earth, Heaven will never let go.'

**D**o not forget These Words and remember this night well, for this night was to alert you to the road of Sainthood that God, your Father in Heaven, knows you are capable of attaining if you are constantly aware of the purity needed for your Soul.

**I** show *the child* a Vision of how I stand Here now and she will tell you what she sees."

#### VISION OF OUR HEAVENLY MOTHER

**H**er Hands are in the Sign of a Blessing, Her dress what I would call an emerald green. The Crown upon Her Head has all shades of emeralds in it. The gold I can hardly see but I know it's there, holding the gems together.

Her gown is long, Her sandals appear as gold. Her sleeves are turned over at the ends. Her Face is beaming, Her Eyes are beautiful, and there's a Light appearing as almost within Her. I see It also around Her.

It looks as though She is standing on a rock, an odd shaped rock, and Her little Feet are clinging to the rock. And now there is water running all through the rock and She smiles and says, "Don't worry, My Feet won't get wet." The rock has a meaning. The rock stands for the strength that Grace is to our lives, and the rock is the Church that must be washed clean with the Grace of those who will stand strong in what they know they should believe.

The green of Her dress has a sheen to it, but not like satin. She smiles and She says it is the glow of the Light shining through Her, within Her, around Her. Each emerald of the Crown is shining. There is no one in the world like Her.
