We hope the Words from Heaven in this book will encourage you to pray to Our Heavenly Mother every day.

PART 1 Importance of Praying The Holy Rosary

Our Heavenly Mother Explains the Meaning of the Rosary

“**M**y son, My child, you have made entrance into a Miracle of Faith, of Teaching, of Hope, of Trust, of Obedience, of Love.

There are many children to return to the Sacraments, to return to God through This Miracle of My Spouse. I am your Heavenly Mother and I speak direct to you from God’s Realm. The tone of the voice is a *child’s*. The *child* through whom I speak is used to transmit My Words to you.

The beloved world that God has created must be encircled with the Holy Rosary. It must be said daily. It is the weapon against the evil one, and the Power of it and in it and through it is beyond man’s knowledge. As the links of the chain draw together the Beads of Hope, the Beads of Love, there should be no break in the chain. It should be a continuous prayer.

From the Crucifix that My Son did bear is the story beyond compare. As each child holds a Crucifix, the child says, ‘*I believe in God.*’ These words are important words and they should be said with love.

As you walk to the next lone bead, it is the prayer given to mankind by My Son, Who was The Son of The Father before all had begun. The words in the prayer are full, meaningful, loving, caring, and yes, Words straight from the Mouth of The Heavenly Son.

As you travel the chain, the next three prayers openly say: Have Faith, have Hope, have Charity; and as the ‘*Ave Maria*’ is said, word by word, it talks to Me of the Beauty that you recognize in What God gave Me.

When you say, ‘*Hail Mary, full of Grace,*’ it is as the Angel first attracted My Attention. It is God’s Will these words be repeated again and again, to remind, to help you understand how He works.

As you travel the beads you go through the important times. You say, ‘The Annunciation.’ My, if you but knew the fullness of these words, ‘The Annunciation.’ This was the true beginning of your Salvation, for it was through this first Act of Love by God The Father that all things began to come about.

Continued

Part 1 - Importance of Praying The Holy Rosary

As you travel the fifteen decades, the last thought is the 'Coronation'. So as you speak of 'Annunciation' you go to 'Coronation'. This is as your life should be: the announcement by God at the moment of conception of you, until the day you arrive Here with Me, Where you, too, will wear a Crown for All Eternity.

These are Important Words, these are Important Thoughts for you to cling to, for you to remember, for you to act upon.

Many thousands of Words have been given through *this child* to teach mankind what is worthwhile. Her gentleness is easy on you. The Words I speak through her are Truth. Travel around the world on the Chain of Love made for you, and as you travel, know that you are working on the Crown, on the Coronation for you.

I love you. There is much work to be done in the Name of The Father and of The Son. So as you walk, as you live, as you play, as you give, be sure it is in the Name of The Holy Ones. So be it."

How the Rosary Helps Souls in Purgatory

"If I were to allow a Rosary to drop from the Heavens into each child's hands, for awhile you would exclaim, 'It came to me from Them.' Imagine your excitement if this were to be, and yet, all you would have would be a material thing; but when you say the Beads and offer each bead you say for the Souls in Purgatory, you are taking part in releasing Souls to come Here. You exchange a Gift. There's no comparison, My children.

I walked the earth as you, and I know that you have certain things that bring pleasure to your way, but from this night forward I want each child here to keep in mind that to give God a gift, the greatest gift you can give Him is to release a Soul from Purgatory. Oh, My children, The Angels sing, The Saints rejoice as I take the hand of the Soul and pass Him on to The King. This is what your daily Rosary can be."

Part 1 - Importance of Praying The Holy Rosary

“**T**here are many Souls in Purgatory now Who are waiting for your Rosary today. Sometimes The Heavenly Mother has to say, ‘Wait, Child, for more Rosaries must come Your way.’ Keep this in mind as you go through the day, for that one Rosary you might say could be the one to release a Soul that day.”

How the Rosary Helps Souls in Purgatory

“**T**he Heavenly Mother offers you Her Hand and in it She holds the Holy Rosary, so your hand will touch the Beads She holds dear for every man. The Souls Who are yet to come Here can gain entrance faster if you will but give the time and allow your prayers to be used by Her to help many Souls come Here.”

Importance of Prayers Said on Each Bead

“Each bead you say has meaning, so remember, as you hold the Beads and run them through your fingers, be conscious of the power each bead has.”

“I, Saint Bernadette, say today, ‘There is no better way to live each day than to include others in your wishes every moment, for as you include others, you reflect what The Father is’; for, in that beloved Holy Rosary, I want you to say:

‘Let each bead be a star.
Let each bead be my wish
for those close and afar.
Let each prayer I say
on each bead that I hold,
be a reflection of love
for not only me,
but for the whole world.’
So be it.”

Importance of Holding the Beads

“Please, on this night, keep in mind to have My Beads on your person at all times. Treasure them, hold them dear, and when you are in doubt or fear or temptation, grab the Beads, walk away, stand strong, stand firm, and say, ‘Mother, help me to walk only Your Way.’ How I bless a child who says this to Me.”

When to Pray the Rosary

“My Rosary I love, for each time the child says it, the child says, ‘Hail Mary, full of Grace.’ Do you not like a friend to say ‘Hello’ to you? I love it from My children such as you. It is not a monotonous prayer. It is a prayer of love, it is a prayer of hope, it is a prayer of truth, it is a prayer designed to help each one of you.”

The Power of Praying the Rosary

“My beloved children, it is The Heavenly Father’s wish I come to you today. I needed no prodding for there are so many children in this group that have much devotion My Way. If I were to tell you now the Souls you have helped and the Souls you have saved through the Beads of My Way, you could not stand the emotion you would feel, but be assured that what I say is true and I want you to continue the Beads of Love, My Rosary each day.

Each time these Beads are said, I reach out My Hand to take a Soul to the Feet of The Beloved Father. If every moment of man’s time was spent just delivering Souls to My Hand, the Crown that would await the children who partook in this act would be too great for your human eyes to see, for it would not only sparkle, the glow from it would blind you until you were dead.

Man has forgotten the magnitude of prayer when he prays for the Souls Who are no longer in the world. Man must know that these Beads were given because God cared and He knew it was a way to draw Souls to Him, Who could no longer pray. So They depend on you, and others just like you, to whisk Them out of Purgatory by My Hand. My children, as I speak I want the child to describe to you what she does see.”

VISION

Right now, Our Lady is bending down. It’s a child, about eleven years old. She is helping it to stand beside Her, and She says, “Now go to The Father.”

She says: “I must wait for more prayer to be said so I can perform this Act of Love once again. As I dip My Hand in this way, I must come up with a Soul to reach God in His Way. The child was released because of prayers said in another part of the world. Just imagine, My children, if the whole world were at one time to pray for the release of the Souls, how busy Heaven would be making preparations for Them to enter for All Eternity.

I bless you with My Love and I bless you with the Grace to never stop saying the prayer that will save Souls and bring Them to This Place. So be it.”

Introduction to The Holy Rosary

The Revelation Excerpts in this section provide beautiful meditations to contemplate while praying The Holy Rosary. In Heaven's own Words, these Excerpts describe events in the Life of Christ and His Holy Family, as commemorated in the **Joyful**, **Sorrowful** and **Glorious** Mysteries of The Rosary. Each Rosary Mystery can inspire us to imitate the Example of The Holy Family during times of joy and sorrow in our own lives, with hope in the promise of Eternal Life.

“Do not dismiss the Mysteries of Love, the Mysteries of Hope, and bear in mind, the Joyful have a special meaning, because through your birth, you walked a parallel of Him; and through the Sorrowful ones, that interlude, that beautiful time when you can gain Grace abundantly; and then, one day, that Glorious time that you will face Him in The Divine.”

How to Pray the Rosary

1. While holding the Crucifix, make the Sign of the Cross and pray the Apostles' Creed.
2. On the first bead, pray the Our Father.
3. On the next three beads, pray the Hail Mary for an increase in Faith, Hope, and Charity. Then pray the Glory Be.
4. For each of the five decades (larger beads), announce the Rosary Mystery, and then pray the Our Father.
5. While meditating on the Rosary Mystery for each decade, pray one Hail Mary per bead. After 10 beads, pray the Glory Be.
6. After praying all five decades, say the Closing Prayer. Then conclude the Rosary with the Sign of the Cross.

SIGN OF THE CROSS: In the Name of The Father and The Holy Mother, in the Name of The Son and The Holy Spirit of The Father. Amen.

APOSTLES' CREED: I believe in God, The Father Almighty, Creator of Heaven and earth, and in Jesus Christ, His only Son, Our Lord; Who was conceived by The Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried. He descended into Hell. On the third day He rose again from the dead; He ascended into Heaven and is seated at the Right Hand of God The Father Almighty; from Thence He will come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the Communion of Saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

OUR FATHER: Our Father, Who art in Heaven, hallowed be Thy Name, Thy Kingdom come, Thy Will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses as we forgive those who trespass against us; and let us not be led into temptation, but deliver us from evil. Amen.

HAIL MARY: Hail Mary, full of Grace, the Lord is with Thee. Blessed art Thou among women, and Blessed is the Fruit of Thy Womb, Jesus. Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

GLORY BE: Glory be to The Father, and to The Son, and to The Holy Spirit. As it was in the beginning, is now, and ever shall be, world without end. Amen.

CLOSING PRAYER: Hail, Holy Queen, Mother of Mercy, our Life, our Sweetness and our Hope. To Thee do we cry, poor banished children of Eve. To Thee do we send up our sighs, mourning and weeping in this valley of tears. Turn, then, most Gracious Advocate, Thine Eyes of Mercy toward us, and after this, our exile, show unto us the Blessed Fruit of Thy Womb, Jesus. O Clement, O Loving, O Sweet Virgin Mary! Pray for us, O Holy Mother of God, that we may be made worthy of the Promises of Christ.

The Joyful Mysteries Prayer Before The Holy Rosary

“**H**eavenly Mother, we dedicate this Rosary for all who are requesting help in the physical, in the mental and in the Spiritual.

Also, please help men and women in all vocations of life to better understand what a privilege it is to be man, and help them to see the Ten Commandments, for and in how You meant Them to be.

Please help those who desire to be better, to receive The Holy Eucharist every day, so they will be sustained by Him Who is our Father.”

Meditation on the Joyful Mysteries

“**M**editations upon the Mysteries of The Most Holy Rosary are full of parallels to one’s life. The very announcement of the birth of a Child, of course this being a Special Child, puts the birth of all children as a very special Gift of Love from God, and we can relate this to our own birth, in that His Love extended to us. As The Son of God came to earth to *teach and portray* the responsibilities of life to us and for us, we too have responsibilities in life to God from us.”

First Joyful Mystery The Annunciation

“**W**hen the Angel appeared to Me and passed on to Me God’s request of Me, My feeling at that moment was a great love, a great wonderment as to why He would choose Me. I immediately felt a tremendous responsibility.”

“**W**hen things seem to pile up upon you and you cannot handle the burden you feel facing you, please, think back to the day the Angel appeared to Me, telling Me God’s Will for Me, and follow the plan that I followed when I was man. Never did a day go by that I did not seek help from God, to withstand the doubts I had, the lack of strength I felt.”

Second Joyful Mystery The Visitation of Our Blessed Mother to Saint Elizabeth

“**K**indness is a Blessing. Hope is a Blessing. Generosity is a Blessing, and an innate desire to help someone is a Blessing, and each time one of these appear in the background of a human being, I, your Heavenly Father, thank you, because to be created a human being has a Goal in it for That Portion of it, the Soul. The Soul rings with happiness when kindness appears.”

Third Joyful Mystery The Birth of Our Lord

“A long time ago, a Child came into the world and wise men and shepherds brought gifts to Him. He was too little to see the gifts, and He had no awareness of the worth of each of them, but all through time man has grown in this custom of giving love this way, and now in your time, it is as this. The sharing of love, the giving of gifts, is to bring happiness to all. Keep in mind, My little ones, that there are many ways to share love, to give love, besides in a package, in a wrapping with a great ribbon attached; first of all, just telling those you love that you love them.”

Fourth Joyful Mystery The Presentation of Jesus in the Temple

I protected in every way I could, obvious to those who knew Us, and when The Son began to teach, to men of great intelligence, His Mother and I would stand back and smile, for We knew that the time that would be given for the establishment, the foundation of Christianity, to reach what It should reach, had to be begun so time would not be wasted.”

The Sorrowful Mysteries Prayer Before The Holy Rosary

“Each time you say the Beads of Love, a Soul could come This Way; and when you gather in a group and you begin to pray, speak to God and say,

‘As I say these Beads, dear God, let Our Lady’s Hand touch a Soul so She can draw the Soul out of Purgatory to go Your Way.’

This, My children, is one prayer that God does like to hear, for the Souls Who are in this state, Who desire to draw near.”

Meditation on the Sorrowful Mysteries

“Let the Sorrowful Mysteries strengthen your fear of obstacles and allow these Mysteries to help you face and conquer your adversities in the physical life.

When disappointments, hurts and problems seem overpowering, make it a practice to offer them up in reparation as penance for your offenses against God, and be sure that as you meditate upon these Sorrowful Mysteries, bear in mind that the injustice, the terror, the horror, the abuse, the indignities He suffered for us were also suffered in Example to us, showing us that sacrifice is many times necessary to express the ultimate love for an ultimate reason.”

First Sorrowful Mystery The Agony in the Garden

“My beloved children, it is true I spent time in the Garden of Gethsemane. It is true that in this place I cried tears: tears of the human way, tears for the human way, and tears to accomplish God’s Will.”

“I come to you on this night, and I say that when I cried in Gethsemane, the Soul of every man walked before My Eyes, and when I saw the Degree of Love The Father had, I could not reject the Ultimate Sacrifice.”

Second Sorrowful Mystery The Scourging at the Pillar

“Every blow that I suffered was forty times more than man would feel it, and when they whipped Me, each blow was forty times the strength that you know. It had to be this way, for you see, I could not have suffered enough, just man’s way, to save the world. The sufferings could only have been endured with My Love for God before Me at all times, for I knew He wanted every Soul that He would allow to be born to the world.”

Third Sorrowful Mystery The Crowning of Thorns

“**T**he tears of water eventually mingled with the Blood from the Crown of Thorns that dug and dug and dug. Each thorn that pressed in had a pain of its own, and the Blood with the tears tasted horrible on My tongue as I wept for the Souls who screamed out at Me. Weak, wicked remarks about the strength I should be showing if I was The Son of The King, brought sadness to Me, for I knew what The Father expected of Me.”

Fourth Sorrowful Mystery Jesus Carries The Cross

“**A**s I walked the path of suffering, some men stood by and shed tears. Others forgot very quickly the look on My Face, the agony I was enduring. The brutality of man was evident in every step; there seemed to be an anxiousness to do more to Me. Men shouted at Me, ‘If You are truly The King, show us.’ Man was designing the kingdom, the power, his own way; man was seeking sensationalism. The Father does not work that way.

As I walked, I beseeched The Father to have the road end, for on top of the suffering I could feel the pain of the horrible sins. This, I truly feel, was the greatest for Me. The Wound in My Shoulder cut so deep I felt like it was inside of Me.”

Fifth Sorrowful Mystery Jesus Dies on The Cross

“As I hung upon the Cross that day, I begged The Father to help all men understand His Way, and He said to Me: ‘My Son, through Your Great Love, You have given man the Way to Me. Through Your Humility, You have expressed to man what pleases Me; and even though there were times that You could have expressed Yourself, You waited for My Command, You waited for My Will to be done. Thank You, Son, for giving Me all the Souls in the world.’”
